OFFICIAL CHRONICLE OF BOSTON MUNICIPAL AFFAIRS.

VOL. 28.

SATURDAY, JANUARY 4, 1936.

No. 1

MAYOR MANSFIELD AGAIN CHOSEN GENERAL CHAIRMAN OF BOSTON COMMITTEE FOR PRESIDENT ROOSEVELT BIRTHDAY BALL — AT HIS SUGGESTION HON. JOSEPH A. MAYNARD HAS BEEN APPROVED AS EXECUTIVE CHAIRMAN AND WILL IMMEDIATELY NAME HIS COOPERATING STAFF — CHOICE OF MAYOR TO HEAD COMMITTEE MADE BY HENRY L. DOHERTY, NATIONAL CHAIRMAN, WHO PRAISES MAYOR'S EFFORTS AND SUCCESS OF LAST YEAR.

The following is a copy of letter from Henry L. Doherty, National Chairman, Birthday Ball for the President, to Mayor Mansfield:

DEAR MAYOR MANSFIELD:

It makes me very happy to be able to ask you for the contribution of your fine services as Chairman of the Birthday Ball Committee in your community.

This year again infantile paralysis has stalked through the land. It has added thousands of new victims to the enormous number already existing. Epidemics struck in all but a few of the counties of North Carolina, in Virginia, in Maryland, and in the District of Columbia. Its spread is too wide, so serious that the Surgeon-General of the U. S. Public Health Service caused the President to call off the Boy Scout convention in Washington. This undoubtedly broke the hearts of many thousands of Boy Scouts who had been looking forward with such keen anticipation to their jamboree — probably some of the boys in your community felt this way, too. The epidemic then continued through New Jersey and New York, hitting 2,100 persons in New York City alone. The epidemic jumped to Connecticut, Rhode Island, Kentucky, Michigan, California, Massachusetts; in other words, here — there — everywhere.

Ever forward — ever faster — ever stronger must we go to bring under control this devastating specter which is a constant threat over the household of yourself and your fellow citizens.

Fighting Disease.

Using the money secured from the celebration of the President's birthday last year, the President's Birthday Ball Commission for Infantile Paralysis Research has made grants to many of the leading research laboratories, such as the Hooper Foundation, San Francisco; New York University; Western Reserve University, Cleveland; University of Chicago; University of Southern California, Los Angeles; Long Island College of Medicine, Brooklyn, N. Y.; University of Pennsylvania; Harvard University, Massachusetts; Stanford University, Palo Alto, California; Yale University, New Haven, Connecticut.

The scientific research men in these laboratories are struggling valiantly to discover the virus and bring it under control.

The Georgia Warm Springs Foundation has used the money which was received from the celebration of the President's birthday in 1934 to develop its own studies on after-treatment and the whole nation-wide fight against infantile paralysis. Its national program includes the following agencies: American Medical Association, American Orthopedic Association, American Pediatric Society, U. S. Public Health Service, American Academy of Orthopedic Surgeons, American Academy of Pediatrics, President's Birthday Ball Commission for Infantile Paralysis Research, National Committee for the Birthday Ball for the President, Orthopedic Advisory Committee, the Foundation's institution at Warm Springs, Ga., and the Committee Against Infantile Paralysis.

As a member of this great work, through your chairmanship of the committee for the Birthday Ball for the President in your community, you are blazing a trail along with all of us — you are a pioneer.

In view of the great seriousness of the infantile paralysis problem, I, on behalf of the National Committee, asked the President again to loan us his birthday for the purpose of affording the American public an opportunity to devote one day to participating in the furtherance of the solution of infantile paralysis by purchasing tickets and attending a nation-wide Presidential levee in honor of a man's fine leadership in a fight against a human ailment — in honor of the highest office in the land — and in honor of their own community's determination to insure the future of their own families against the horrible and costly aftermath of infantile paralysis.

54th Birthday.

President Roosevelt, after requesting the recommendations of the Board of Trustees of the Georgia Warm Springs Foundation, has granted my request that he loan us his 54th birthday which will be on January 30, 1936, so that all of us can carry on our work through this celebration.

(Continued on page 3.)

"O Boston, fair City enthroned like a radiant queen,
From thy hills looking down on the ship-teeming plain of the ocean,
May thy future be bright, thy skies beam with light all serene,
Ensured by thy sons' and thy daughters' unselfish devotion!"

From Boston Centennial Poem by
NATHAN HASKELL DOLE.

Advertising.

A rate of \$2 per inch of 12 lines (set solid) has been established for such advertisements as under the law must be printed in the *City Record*. Advertising and other copy must be in hand by Thursday of each week to insure its publication in the Saturday issue.

Copies for sale at the Statistics Department, Room 73, City Hall.

MUNICIPAL CALENDAR.

A regular meeting for organization of the School Committee of the City of Boston will be held in the Administration Building, 15 Beacon street, on Monday, January 6, 1936, at 5 o'clock p. m.

Meetings of the Transit Department are held on Monday and Thursday of each week at 11 a. m.

Board of Zoning Adjustment. Public hearings and executive meetings are held on the first Friday of each month, Room 30, City Hall, at 2 p. m.

MUNICIPAL SERVICE.

Complaints, inquiries or suggestions regarding the work of municipal departments should be made in writing to the officials directly in charge. The failure of such official to make reply within a reasonable length of time should be brought to the attention of the Mayor. Communications should be directed as follows:

TO THE BOARD OF STREET COMMISSIONERS, Room 401, City Hall Annex, for information relative to the laying out, relocation, widening and the discontinuance of highways; the taking of rear property for municipal purposes; the assessments of betterments for streets and sewers; the plotting of undeveloped area for streets and the opening of private ways; the granting of licenses for the storage or sale of merchandise in

public streets; the making of specific repairs in public streets; the naming of public streets; the planting and removal of trees in public ways; the issuing of licenses for the storage of gasoline, oil and other inflammable substances or explosive compounds; the use of the public ways for any permanent or temporary obstruction or projection in, under or over the same, including the location of conduits, poles and posts for telephone, telegraph, street railway or illuminating purposes, signs, marquees, bay windows, coal holes and vaults.

TO THE BOSTON TRAFFIC COMMISSION, 134 North street, for information relative to regulation of vehicular street traffic on all or any streets, ways, highways, roads and parkways under the control of the City of Boston, the issuing of all permits in connection therewith.

TO THE COMMISSIONER OF PUBLIC WORKS, Room 511, City Hall Annex, for information as to the watering, cleaning, lighting and repairing of streets, the construction and care of sewers and catch-basins, the operation of the ferries, the maintenance of bridges and drawbridges and the removal of ashes and offal.

TO Room 604, City Hall Annex, for information relative to the supplying or metering of water and the water charges of the city.

TO THE HEALTH DEPARTMENT, Room 1107, City Hall Annex, for information relative to the inspection of milk, vinegar, meat, fish and vegetables, the issuance of permits for stables, slaughter houses, etc., smoke nuisances, the existence of contagious diseases, of public health nuisances.

TO THE BOARD OF PARK COMMISSIONERS, 33 Beacon street, for information as to the care of the Common, Public Garden, Franklin Park, Franklin Field, Commonwealth avenue, Back Bay Fens, Marine Park, the Airport, and the small parks and playgrounds in general throughout the city, and as to the extermination of gypsy moths and the charges made for such service. Applica-

tion may be made to this department for information regarding the public bath and gymnasiums maintained by the city, and with regard to municipal indoor concerts and band concerts, also information relative to Mt. Hope, Evergreen, Fairview and other public cemeteries owned by the City of Boston.

TO THE SCHOOL COMMITTEE, 15 Beacon street, for information relative to the operation of the schools in the city.

TO THE DEPARTMENT OF SCHOOL BUILDINGS, 11 Beacon street, for information as to the construction and repair of school buildings.

TO THE BOARD OF EXAMINERS, Room 1001, City Hall Annex, for information regarding the licensing of persons having charge or control of the work of construction, alteration, removal or tearing down buildings.

TO THE STATISTICS DEPARTMENT, Room 76, City Hall, for historical, geographical, political and population facts about Boston; the personnel and accomplishments of present and past municipal administrations; and such similar information as may be found concerning other American municipalities in its Municipal Officials' Reference Library.

TO THE WIRE DIVISION OF THE FIRE DEPARTMENT, 60 Bristol street, for all information relative to the erection of poles, building of conduits, the installation of all overhead and underground construction and electrical apparatus, as well as for general information relative to the entire division. To Room 103, City Hall Annex, for permits for the installing of wires and electrical apparatus within buildings of the City of Boston, and for the payment of fees incident to the granting of the privileges above named, and which must be paid in advance.

TO THE BOARD OF ZONING ADJUSTMENT, Room 30, City Hall, relative to changes in the boundary lines of zoning districts of the City of Boston as established by chapter 488 of the Acts of 1924, and amendments thereto.

MORTALITY REPORT.

For the week ending December 28, 1935:

MAYOR MANSFIELD APPROVES CONTRACTS FOR CONSTRUCTION OF TWO BUILDINGS FOR OVERSEERS OF PUBLIC WELFARE—TO PROVIDE FOR OFFICES IN EAST BOSTON AND ON HANCOCK STREET, DORCHESTER.

Contracts have been awarded, with the approval of the Mayor, for the construction of two new buildings for the Overseers of the Public Welfare. One of the buildings is to be erected at Bremen and Maverick streets, East Boston, and the other on Hancock street, Dorchester.

In connection with the awarding of the contracts, the following communications were sent to Mayor Mansfield and the requests therein were given his approval:

BOSTON, December 18, 1935.

HON. FREDERICK W. MANSFIELD,
Mayor of Boston.

DEAR SIR,—The Board of Overseers of the Public Welfare respectfully requests your permission to award a contract to R. J. Connolly, Incorporated, 1146 Dorchester avenue, Dorchester, for the erection of an office building on Hancock street, Dorchester, at a cost of \$54,951.

Bids were received by this department on November 27, 1935. This company was the lowest bidder.

Very truly yours,

JAMES A. McMURRY, *Chairman.*

BOSTON, December 18, 1935.

HON. FREDERICK W. MANSFIELD,
Mayor of Boston.

DEAR SIR,—The Board of Overseers of the Public Welfare respectfully requests your permission to award a contract to P. J. Cantwell & Son, 644 East Fourth street, South Boston, for the erection of an office building on the corner of Bremen and Maverick streets, East Boston, at a cost of \$54,918.

Bids were received by this department on November 27, 1935. This company was the lowest bidder.

Very truly yours,

JAMES A. McMURRY, *Chairman.*

The proposed new buildings for the Overseers of the Public Welfare at No. 170 Hancock street, Dorchester, and at Maverick and Bremen streets, East Boston, will be of first-class construction, three stories high, without basement, and will be thirty-nine feet wide by seventy-two feet long.

The floors will be concrete and in the offices and clerical spaces will be covered with linoleum. The exterior of the buildings will be a modified Georgian design. The walls will be of water-struck brick and the trim will be of cast stone. The buildings are so situated that natural light will be obtained on all four sides of each.

The first story in each building will contain a paying unit, a storeroom and the boiler room. The second story will contain the District Supervisor's office, a reapplication room and four social workers' units. In each unit there will be a social worker's room, in which the case records are kept, a waiting room for recipients and a small room in which the individual recipient is interviewed by the social worker. The toilets for the men employees are on this floor.

The third story contains the offices for the clerical and stenographic force, dictating rooms, a conference room and the toilets for the women employees of the department.

Joseph G. McGann of 129 Newbury street is the architect.

MAYOR MANSFIELD MOVES TO MAKE HIGHWAYS SAFER FOR PUBLIC.

Upon December 27 the Mayor issued the following statement:

A greater measure of safety on the public highways is one of the most pressing public problems of the hour. It is unnecessary to repeat statistics to show that more civilians are killed and injured within a given time upon our highways than during a similar space of time in war. Everyone knows the facts and they are appalling.

Recently at the United States Conference of Mayors a paper on this subject was read by a delegate from New York City and the debate was quite general. All agreed upon the necessity for a reduction in traffic casualties. It was suggested that committees be appointed in the various cities and it is my intention to appoint such a committee which will begin to function shortly after the New Year in an endeavor to attract public attention to the necessity for greater care and the preservation of human life and limbs.

With a campaign properly advertised and conducted, I am very sure we can do a great deal in Boston to bring about the desired end and if such a committee should be appointed in every city in the

Commonwealth and in every large town and if we all work in harmony, the percentage of casualties from traffic accidents in Massachusetts can be very substantially improved.

MAYOR DEMANDS RETRACTION OF CHARGES BY FINANCE COMMISSION HEAD.

The following is a copy of a letter from the Mayor to E. Mark Sullivan, Chairman of the Boston Finance Commission:

BOSTON, December 27, 1935.

E. MARK SULLIVAN, Esq.,
Care of Finance Commission, 24
School Street, Boston.

DEAR SIR,—Recently in the Boston press you charged, on what you alleged was "authority," that offers of money in the form of graft had been made in connection with the bids for equipment for the Boston Fire Department.

I immediately demanded that you produce the proof of those charges or that you retract them. Up to the moment you have produced no proof and I now renew my demand that the charges be retracted.

Yours truly,

FREDERICK W. MANSFIELD, *Mayor.*

COMMUNICATION TO THE MAYOR.

(Continued from page 1.)

As a result of your committee's experience with what could be accomplished with the 70 per cent left with you, I am sure that you have every opportunity for even greater accomplishment this year. The plan for this year's distribution is as follows:

1. 70 per cent to be retained locally for the after-treatment of infantile paralysis, this money to be disbursed through those local or adjacent orthopedic hospitals, services or doctors upon which the community depends under ordinary or epidemic conditions.

2. 30 per cent to be turned over to you for presentation to the Georgia Warm Springs Foundation, for the continuance and extension of its part in the nationwide fight against infantile paralysis.

In the event that you have not disbursed all of the money which you kept in your treasury from last year's ball, may I suggest that you put this money into your 70 per cent fund this year, to be spent as per the definite program outlined for this year's proceeds. Even though no orthopedic hospital or doctor exists in your community, there is an orthopedic hospital or doctor somewhere in your county, state or section to which you must turn for treatment of your average cases, or service in the event of an epidemic. These are the hospitals, these are the doctors who should receive the benefits of your fund and it will be very simple for you to make an arrangement whereby they agree to help you.

Very sincerely yours,

HENRY L. DOHERTY,
National Chairman.

The following message was received by the Mayor:

FREDERICK W. MANSFIELD,
Mayor of Boston.

Deeply appreciate all the cooperation you have given. Am appointing Mr. Maynard Chairman of Boston at once.

Sincerely,

HENRY L. DOHERTY.

DEPARTMENT REORGANIZATION NOT TO OUST EMPLOYEES FROM JOBS.

Upon December 23 the Mayor issued the following statement:

I am in receipt of a formal written opinion from Corporation Counsel Foley that, under Civil Service Rule 27, officers and employees of any of the departments included in the proposed ordinance submitted to the City Council providing for a reorganization of the Public Works Department could be reappointed with their consent and the consent of the Civil Service Commissioner to similar positions in any new department that may be formed.

CITY PURCHASING UNDER THE CODES.

Caught between two fires, American cities are feeling the influence of the National Industrial Recovery Act codes in their purchasing in a way they had not foreseen. On one side taxpayers ask for economy in budget-making. On the other, application of codes, which has resulted in collective price-fixing, has increased prices of supplies for city use to an almost prohibitive point.

PROPOSALS ADVERTISED.

Bids have been asked by advertisement in the *City Record* for the following departments. The attention of contractors and others is especially called to the closing time of receipt of such proposals. This will be published weekly.

DEPARTMENT OF SCHOOL BUILDINGS.

Advertises for proposals for addition and alterations to the English High School. Surety bond will be required in a sum equivalent to the full amount of the contract price. Blank forms for proposals may be obtained at the office of the Department of School Buildings, 11 Beacon street, Boston. Bids, accompanied by certified check in the sum of \$5,000, to be filed at the same office. Duplicate bid, without check, to be filed with the City Auditor.

Bids close Tuesday, January 14, at 2 p. m.

INSTITUTIONS DEPARTMENT.

Advertises for proposals for repairs to steamer "Stephen J. O'Meara." Surety bond will be required in a sum equivalent to the full amount of the contract price. Blank forms for proposals may be obtained at the office of the Institutions Department, Room 809, City Hall Annex, Boston. Bids, accompanied by certified check in the sum of \$100, to be filed at the same office. Duplicate bid, without check, to be filed with the City Auditor.

Bids close Thursday, January 9, at 12 m.

PUBLIC WORKS DEPARTMENT.

Advertises for proposals for constructing a water pipe trestle and fender at the Chelsea Bridge North. Surety bond will be required in a sum equivalent to the full amount of the contract price. Blank forms for proposals may be obtained at the office of the Public Works Department, Room 508, City Hall Annex, Boston. Bids, accompanied by certified check in the sum of \$1,500, to be filed at the same office. Duplicate bid, without check, to be filed with the City Auditor.

Bids close Tuesday, January 21, at 12 m.

PUBLIC WORKS DEPARTMENT (Sanitary Service).

Advertises for proposals for dredging dock at garbage dump station at Albany street, Boston. Surety bond will be required in a sum equivalent to the full amount of the contract price. Blank forms for proposals may be obtained at the office of the Public Works Department, Room 508, City Hall Annex, Boston. Bids, accompanied by certified check in the sum of \$200, to be filed at the same office. Duplicate bid, without check, to be filed with the City Auditor.

Bids close Monday, January 13, at 12 m.

SCHOOL COMMITTEE.

Advertises for proposals for furnishing interfolded paper towels and roll towels for the Boston public schools. Surety bond will be required in a sum equivalent to 50 per cent of the contract price. Blank forms for proposals may be obtained at the office of the Business Manager, School Committee, 15 Beacon street, Boston. Bids, accompanied by certified check in the sum of \$100, to be filed at the same office. Duplicate bid, without check, to be filed with the City Auditor.

Bids close Tuesday, January 14, at 12 m.

DEPARTMENT CHANGES.

The following changes in the number, rating and compensation of the city employees have been made during the week ending Thursday, January 2:

ASSESSING DEPARTMENT.

Approval has been given for the provisional temporary employment of Paul M. Finan as a first assistant assessor, for a three months' period, effective Thursday, January 2, 1936, at \$1,700 a year.

BOSTON PORT AUTHORITY.

Mona Anderson has been appointed research clerk at \$1,560 a year.

COLLECTING DEPARTMENT.

Leave of absence, without pay, granted Peter C. Quinn, clerk, from September 13, 1935, to December 31, 1935, has been continued to March 31, 1936.

FIRE DEPARTMENT.

Additional appointment to the exterior inspection force of the Wire Division at \$1,600 a year, increasing the number of exterior inspectors in the Wire Division from ten to eleven, has been approved, with Walter Englert appointed to the place.

John J. Riley, foreman of plumbers in the Maintenance Division has been retired, to take effect Wednesday, January 15, at \$1,100 a year.

HEALTH DEPARTMENT.

Leave of absence, without pay has been granted Anna C. McCormack, nurse, because of personal illness, said leave of absence effective January 15, and to continue for six months.

HOSPITAL DEPARTMENT.

Permission has been given for the transfer of Edward A. Devir, laundryman at \$24.50 a week to laundryman at \$30 a week, to fill the vacancy caused by the retirement of John Daly, in the South Department. Also to promote Richard Burns from laundry porter at \$23 a week to laundryman at \$24.50 a week, to fill Mr. Devir's vacancy.

Permission has been given to employ the following nurses temporarily:

Adeline Carroll, Edna Kolas, Catherine Dyer, Margaret Wynne, Arlene Case, Eileen Buckley, Stella Polofsky.

The following persons have been employed at the Boston City Hospital during the week ending Thursday, December 26:

Permanent.—Sadye Lurensky, reconstruction aide, \$30 a week, half time.

Temporary.—Edna Geigle, Irene Griffen, Marie Carlson, Grace McKay, Genevieve Ploski, Louise Burns, Carroll Briggs, Madeline Cavanaugh, Catherine Flynn, Anna Doyle, Gladys Maccaione, Josephine Hayes, Mildred Wilkins, Lorinda McAuley, Priscilla Beckwith, Elizabeth Doherty, Mary A. Sullivan, Eddie Twilley, Josephine Kass, Mary Maher, Evelyn Mason, Margaret Kelley, Anna Ward, Evelyn Sacaleau, Esther Pennington, Harry Plenty, Sylvia Torre, Mary K. Burke, Doris Broadbridge, Marion Costa, Marion Cuzner, Louise Fallon, Gladys Goulet, Irene McDonnell, Samuel Odiorne, Kathryn Silva, Charles Toye, Georgia LeBlanc, Anne Forman, special nurses, \$4.50 a day; John White, orderly, \$16.50 a week; Wilma Berg, cleaner, \$15 a week; Alice Connors, clerk, \$12 a week; Lillian Bibbey,

Eleanor Robishaw, wardmaids, \$15 a week; Mary Griffin, clerk, \$16 a week; Sophia Tapanai, Alma Johnson, cleaners, \$15 a week; Carl Briggs, male nurse, \$1,200 a year.

The following changes have occurred: Lucy Kelliher, floor nurse at \$1,500 to \$1,560 a year; James O'Neil, temporary center orderly, Haymarket, \$11.50 to Main at \$11.50 a week.

HOSPITAL DEPARTMENT (Sanatorium Division).

The following persons have been appointed at the Sanatorium Division for the week ending Thursday, December 26:

John Daly, Michael Connors, Fred McLean, Louis Flavio, Lena DeSolo, Anthony DeSista, Joseph Coveney, maids (patients) (temporary), \$240 a year; Daniel O'Donnell, Sydney McQueen, Joseph Merciante, male nurses (patients) (temporary), \$480 a year; John O'Connor, Patrick Barry, maids (patients) (temporary), \$240 a year.

The following persons have ceased to be employed:

William Gilmartin, kitchenman, \$14 a week; Glenn Ladd, maid (patient) (temporary), \$240 a year; John Toland, choreman, \$17.50 a week.

INSTITUTIONS DEPARTMENT.

The following changes have been made in the personnel for the week ending Thursday, December 26:

Long Island Hospital.

Appointments: William F. Gorman, institution employee, porter, \$526 a year, temporary; John R. Crandell, institution employee, cook, \$600 a year, temporary.

Resignations: Harriet G. Babcock, institution employee, helper, service room, \$526 a year, voluntary; Katherine V. Murphy, institution employee, housemaid, \$500 a year, voluntary; John M. Monahan, institution employee, attendant, \$600 a year, voluntary.

Employment Terminated: Frank D. Myers, institution employee, helper, kitchen, temporary, \$526 a year.

OVERSEERS OF THE PUBLIC WELFARE.

Approval has been given for the continued temporary employment of the following persons as stenographers, for a period of three months, at \$900 a year:

Cecilia E. Batchelder, Marie J. Bertsch, Frances V. Clarke, Lillian I. Coulton, Gertrude E. Doherty, Camilla C. Gibbons, Mary B. McGowan, Frances J. Montello, Marguerite Rooney, Esther Taranto, Rose G. Waters.

Approval has been given for the continued temporary employment of the following persons as assistant paymasters, for a period of one month from January 6, at \$1,500 a year: John V. Condon, Samuel Elman, Maurice Gortlin, Morris Katz.

Approval has been given for the continued temporary employment of John K. Russell as aid and settlement agent, from December 29, for a period of three months, at \$1,000 a year.

Approval has been given for the continued temporary employment of the following persons as clerks, until January 31, 1936, at \$900 a year:

Mary M. Cauley, John N. Chagaris, Thomas J. Connaughton, William P. Cox, Mary E. Cronin, Russell E. Cullivan, Helen A. Curley, Mary E. Dillon, Timothy H. Donohue, Anna M. Doyle, Helen T. Fadden, Anne Halligan, Thomas F. Keeley, Stanislawia Kiwaczyn-

ska, Margaret M. Leahy, William J. Miller, Edward F. Murphy, William V. McCarthy, Hazel L. McCoy, Julius Neidleman, Thomas W. Quigley, Michael J. Rizzo, Eben Rosenfield, Lillian Welsh, Lazard H. Seiff, Helen T. Severance, Helen G. Skapinsky, George Stuart, Mary A. Tatro, Alfred C. Troy, Ruth H. Walker, John T. Scanlon.

PENAL INSTITUTIONS DEPARTMENT.

The following salary increase for the chaplain at the House of Correction, Penal Institutions Department, has been approved:

Howard P. Kellett, from \$800 to \$900 a year.

PUBLIC BUILDINGS DEPARTMENT.

Susan L. O'Brien has been transferred from the Boston City Hospital as a cleaner at \$18 a week.

PUBLIC WORKS DEPARTMENT (Bridge Service).

Approval has been given for the following promotions in the Bridge Service, to fill permanent vacancies, effective Monday, December 23, 1935:

Bernard J. Dillon, from first assistant drawtender at \$1,800 a year to drawtender at \$2,000 a year.

Patrick J. McGonigle, from assistant drawtender at \$1,700 a year to first assistant drawtender at \$1,800 a year.

PUBLIC WORKS DEPARTMENT (Paving Service).

Approval has been given to promote John R. Power from inspector at \$2,100 a year in the Paving Service to district foreman at \$2,300 a year to fill a permanent vacancy caused by the death of John J. McGinn in the South Boston paving district, effective January 1, 1936.

PUBLIC WORKS DEPARTMENT (Sanitary Service).

Approval has been given for the following promotions in the Sanitary Division, effective January 1, 1936:

John F. Higgins, from inspector at \$2,100 a year to district foreman at \$2,300 a year, in South Boston district, in place of James A. Guthrie, deceased.

Henry J. Savage, from inspector at \$2,100 a year to district foreman at \$2,300 a year, in the West End Sanitary district, in place of Patrick J. McNulty, retired.

Charles J. McCoy, from inspector at \$2,100 a year to district foreman at \$2,300 a year, at the Fort Hill disposal station of Sanitary Service, in place of James E. Crowley, retired.

Edmund A. Connelly, from inspector at \$2,100 a year to district foreman at \$2,300 a year, in the East Boston street cleaning district, in place of Michael J. Pumphret, retired.

David J. Cronin, from inspector at \$2,100 a year to district foreman at \$2,300 a year, in the Dorchester street cleaning district, in place of Francis J. Dowd, deceased.

PUBLIC WORKS DEPARTMENT (Sewer Service).

Approval has been given for the transfer of Daniel A. Sweeney from Boston Institutions Department to the Sewer Division as laborer at \$5 a day, to fill a permanent vacancy, effective January 3, 1936.

PUBLIC WORKS DEPARTMENT (Water Service).

Approval has been given for the following transfers, to fill permanent vacancies in the position of laborer at \$5 a day, effective January 3, 1936:

Bernard P. Gaffney, from the Boston Institutions Department.

John B. Sweeney, from the Boston City Hospital Department.

STREET LAYING-OUT DEPARTMENT.

Leave of absence, without pay, has been granted to Joseph P. Donohoe, junior draughtsman, for one year from January 1, 1936.

DISTRICT ATTORNEY'S OFFICE.

Leo J. Manning, secretary and chief clerk, has been allowed an increase in salary from \$3,500 to \$3,800 a year.

LAND-TAKING IN ROXBURY.

The Mayor has approved the order of the Board of Street Commissioners for the taking of land for a public improvement, consisting of the laying out and construction of Irwin avenue, Roxbury district, as a highway, from Blue Hill avenue northwesterly, bounded and described as follows:

A highway named Irwin avenue is hereby laid out, from Blue Hill avenue northwesterly for a distance of approximately three hundred feet and ordered constructed, the cost thereof to be charged to Federal Funds.

Said highway and the land, exclusive of trees or structures standing upon or affixed thereto, in which an easement for street purposes is hereby taken, is bounded and described as follows:

Southeasterly by Blue Hill avenue, thirty and 51-100 feet; southwesterly by the southwesterly line of said Irwin avenue as hereby laid out, three hundred fourteen and 90-100 feet; northwesterly by the northwesterly line of said Irwin avenue as hereby laid out, thirty-three and 51-100 feet; and northeasterly by the northeasterly line of said Irwin avenue as hereby laid out, two hundred ninety-four and 40-100 feet.

Voted, That this Board determines that no person sustains damages in his estate by the making of the public improvement, consisting of the laying out and construction of Irwin avenue, Roxbury district, as a highway, from Blue Hill avenue northwesterly for a distance of approximately three hundred feet, under the order of the Board of December 30, 1935, and awards no damages therefor.

EXTENSION OF CONTRACT.

PUBLIC WORKS DEPARTMENT.

The Worthington Pump and Machinery Corporation have been granted an extension of the time of completion of the contract for new pump for No. 1 Pumping Unit, Calf Pasture pumping station, dated August 19, 1935, from December 19, 1935, to January 31, 1936, a period of forty-three days. This extension of time is occasioned by the fact that upon making an official factory test it was decided that certain adjustments and changes would be required, and also that the schedule of erection will need to be arranged to fit conditions at the station.

CONTRACTS AWARDED.

Permission to award contracts for work, materials and supplies, in accordance with recommendations of department heads, has been approved by the Mayor.

FIRE DEPARTMENT.

Upon January 13, 1934, the Mayor approved a contract with the Hub Laundry Company, Incorporated, for doing the laundry work of the Fire Department for the year 1934. The following proposals were received:

Hub Laundry Company, Incorporated.—Sheets, pillow slips, towels, spreads, 1½ cents each; blankets (gray and blue), 12 cents each.

John D. Sheehy & Son.—Sheets, pillow slips, towels, spreads, 2½ cents each; blankets (single and double), 15 cents each.

Based on the estimated amount of work for the year the approximate totals of the foregoing bids are as follows:

Hub Laundry Company, Incorporated, \$2,414.79; John D. Sheehy & Son, \$3,592.23.

The estimated amount of laundry work to be done for the Fire Department is as follows:

5,580 sheets per month; 5,145 pillow slips per month; 1,917 towels per month; 107 bedspreads per month; 1,000 blankets annually.

HOSPITAL DEPARTMENT.

Upon December 27 the Mayor approved a contract with E. P. Robitaille Company for the purchase of bones, trimmings, grease, suets and cuds at Boston City Hospital. Bids, opened Wednesday, December 18, were as follows:

Trimmings, Per Pound.—E. P. Robitaille Company, 5 cents; Rand & Byam, Incorporated, 4 cents; James F. Morse & Co., 3½ cents; John E. King, 3½ cents.

Bones, Per Pound.—E. P. Robitaille Company, 1 cent; Rand & Byam, Incorporated, 1½ cents; James F. Morse & Co., 1½ cents; John E. King, 1½ cents.

Grease, Per Pound.—E. P. Robitaille Company, 6 cents; Rand & Byam, Incorporated, 5 cents; James F. Morse & Co., 4 cents; John E. King, 4½ cents.

Suets, Per Pound.—E. P. Robitaille Company, 8 cents; Rand & Byam, Incorporated, 6½ cents; James F. Morse & Co., 6½ cents; John E. King, 6 cents.

Cuds, Per Pound.—E. P. Robitaille Company, 7½ cents; Rand & Byam, Incorporated, 6½ cents; James F. Morse & Co., 6½ cents; John E. King, 6 cents.

Trap Grease, Per Pound.—E. P. Robitaille Company, ¼ cent.

LIBRARY DEPARTMENT.

Upon January 2 the Mayor approved a contract with C. G. Giles for the transportation of books and other library materials between the Central Library and the branch libraries for 1936. Bids, opened December 4, were as follows:

Reynolds Contracting Company, \$123 per week; C. E. Giles Company, \$6,500 per year (\$125 per week); Egleston Square Auto Livery, Incorporated, \$157 per week.

The specifications for bidding provided that each bid be accompanied by a certified check for two hundred dollars (\$200). The lowest bidder, the Reynolds Contracting Company, did not submit a certified check. In reply to a request for an opinion as to the validity of this firm's bid, the Law Department of the city stated that the "bid was not therefore a valid bid and should not be accepted as such."

In view of the above the trustees at a meeting held Friday, December 20, 1935:

Voted, That there be awarded to C. E. Giles, 24 Custom House street, Boston, the lowest qualified bidder in the public bidding, the contract for the transportation of books and other materials between the Central Library and the branch libraries for the year 1936, at the amount of \$6,500 per year.

PUBLIC WORKS DEPARTMENT (Paving Service).

Upon December 30 the Mayor approved a contract with Edward M. Matz for removing snow and ice in snow area No. 3 at 40 cents a cubic yard. The following bids were received December 20:

Edward M. Matz, 40 cents a cubic yard; A. Singarella, 45 cents a cubic yard; Baker & Co., 48 cents a cubic yard; Hugh Nawn, Incorporated, 49 cents a cubic yard; Martin J. Kelly, 50 cents a cubic yard; C. Reppucci & Co., 55 cents a cubic yard; Ward General Contracting Company, 58 cents a cubic yard; A. G. Tomasello & Son, Incorporated, 58 cents a cubic yard; Joseph P. McCabe, Incorporated, 58 cents a cubic yard; C. J. Maney Company, Incorporated, 59 cents a cubic yard; C. & R. Construction Company, 60 cents a cubic yard; M. McGinnis Company, 60 cents a cubic yard; Coleman Brothers Corporation, 60 cents a cubic yard; M. F. Gaddis, Incorporated, 62.5 cents a cubic yard; Paul Caputo Construction Company, Incorporated, 63 cents a cubic yard; J. J. Callahan, 65 cents a cubic yard; Dooley Brothers, Incorporated, 65 cents a cubic yard.

Upon December 30 the Mayor approved a contract with Hugh Nawn, Incorporated, for removing snow and ice in snow area No. 2 at 48 cents a cubic yard.

The low bidders, Edward M. Matz and A. Singarella, have been awarded other areas. The next bidder, M. F. Gaddis, Incorporated, did not comply with the specifications to the extent that the equipment which he submits as available for hire enumerated only thirty trucks of various sizes, whereas the specifications state that the contractor must be prepared to furnish at least seventy trucks. The next bidders are Baker & Co., Hugh Nawn, Incorporated, Joseph P. McCabe, Incorporated, all bidding 48 cents per cubic yard.

The following bids were received December 20:

Edward M. Matz, 40 cents a cubic yard; A. Singarella, 41 cents a cubic yard; M. F. Gaddis, Incorporated, 45 cents a cubic yard; Baker & Co., 48 cents a cubic yard; Hugh Nawn, Incorporated, 48 cents a cubic yard; Joseph P. McCabe, Incorporated, 48 cents a cubic yard; Martin J. Kelly, 50 cents a cubic yard; Coleman Brothers Corporation, 50 cents a cubic yard; A. G. Tomasello & Son, Incorporated, 59 cents a cubic yard; C. J. Maney Company, Incorporated, 59 cents a cubic yard; C. & R. Construction Company, 60 cents a cubic yard; C. Reppucci & Co., 60 cents a cubic yard; M. McGinnis Company, 60 cents a cubic yard; Dooley Brothers, Incorporated, 60 cents a cubic yard; J. J. Callahan, 60 cents a cubic yard; Paul Caputo Construction Company, Incorporated, 64 cents a cubic yard; Central Construction Company, 73 cents a cubic yard.

Upon December 30 the Mayor approved a contract with Coleman Brothers Corporation for removing snow and ice in snow area No. 1, the second bidder, at

50 cents a cubic yard. The following bids were received December 20:

Edward M. Matz, 47.5 cents a cubic yard; A. Singarella, 50 cents a cubic yard; Coleman Brothers Corporation, 50 cents a cubic yard; Baker & Co., 52 cents a cubic yard; J. J. Callahan, 55 cents a cubic yard; M. F. Gaddis, Incorporated, 55 cents a cubic yard; Martin J. Kelly, 55 cents a cubic yard; Hugh Nawn, Incorporated, 57 cents a cubic yard; Joseph P. McCabe, Incorporated, 58 cents a cubic yard; C. J. Maney Company, Incorporated, 59 cents a cubic yard; C. & R. Construction Company, 60 cents a cubic yard; C. Reppucci & Co., 60 cents a cubic yard; A. G. Tomasello & Son, Incorporated, 62 cents a cubic yard; Ward General Contracting Company, 64 cents a cubic yard; M. McGinnis Company, 65 cents a cubic yard; Dooley Brothers, Incorporated, 65 cents a cubic yard; Paul Caputo Construction Company, Incorporated, 70 cents a cubic yard; Central Construction Company, 82 cents a cubic yard.

Upon December 30 the Mayor approved a contract with A. Singarella for removing snow and ice in snow area No. 4, the lowest bidder, at 45 cents a cubic yard. The following bids were received December 20:

A. Singarella, 45 cents a cubic yard; Standard Contracting Company, 47 cents a cubic yard; Edward M. Matz, 49.5 cents a cubic yard; Baker & Co., 52 cents a cubic yard; Martin J. Kelly, 54 cents a cubic yard; C. Reppucci & Co., 55 cents a cubic yard; Joseph P. McCabe, Incorporated, 58 cents a cubic yard; C. & R. Construction Company, 60 cents a cubic yard; Coleman Brothers Corporation, 60 cents a cubic yard; Hugh Nawn, Incorporated, 63 cents a cubic yard; M. McGinnis Company, 65 cents a cubic yard; Dooley Brothers, Incorporated, 65 cents a cubic yard; A. G. Tomasello & Son, Incorporated, 65 cents a cubic yard; M. F. Gaddis, Incorporated, 65 cents a cubic yard; J. J. Callahan, 70 cents a cubic yard; Paul Caputo Construction Company, Incorporated, 70 cents a cubic yard; C. J. Maney Company, Incorporated, 72 cents a cubic yard.

Cash Discount, Ten Days.—Wattendorf & Co., 1 per cent; Bornstein & Co., 2 per cent; Faneuil Beef Company, 2 per cent; Armour & Co., no deductions will be allowed on account of taxes; Batchelder & Snyder Company, Incorporated, no deductions will be allowed on account of taxes; Swift & Co., no deductions will be allowed on account of taxes; John P. Squire Company, no deductions will be allowed on account of taxes; Wald, Baram Company, 2 per cent; no deductions will be allowed on account of taxes; Albert Richards Company, Incorporated, 2 per cent; Colonial Provision Company, 2 per cent; The Cudahy Packing Company, no deductions will be allowed on account of taxes.

* Contract awarded.

Upon January 2 the Mayor approved contracts with the lowest bidders for fruits and vegetables for the various city departments during January, 1936. The approximate totals of awards were as follows:

G. Giovino & Co., \$6,045.72; J. Jacobs & Co., \$2,502.12; The Northern Fruit Company, \$457.91; Meloripe Fruit Company, \$237.50; Beacon Fruit and Produce Company, \$110.53. Approximate total, \$9,353.78.

Bids, opened December 26, were as follows:

Approximate Amounts on All Items.
Per Hundredweight.

6,800 Pounds Table Apples.—The Northern Fruit Company, \$5; Beacon Fruit and Produce Company, \$5.95; G. Giovino & Co., \$4.43*.

88 Pounds Cooking Apples.—Beacon Fruit and Produce Company, \$3.25*; G. Giovino & Co., \$3.43.

1,300 Pounds Bananas, Bunch.—G. Giovino & Co., \$4.43*; Meloripe Fruit Company, \$4.50.

5,000 Pounds Bananas, Cartons.—G. Giovino & Co., \$4.93; Meloripe Fruit Company, \$4.75*.

1,900 Pounds Green Beans.—G. Giovino & Co., \$15.93*.

90 Pounds Wax Beans.—G. Giovino & Co., \$15.93*.

600 Pounds Broccoli.—Beacon Fruit and Produce Company, \$10; G. Giovino & Co., \$7.93*.

2,100 Pounds Beets, Cut.—The Northern Fruit Company, \$2.65; Beacon Fruit and Produce Company, \$2.80; G. Giovino & Co., \$4.93, bunch; \$2.13, cut*.

1,100 Pounds Brussels Sprouts.—G. Giovino & Co., \$12.43*.

18,000 Pounds New Cabbage.—The Northern Fruit Company, \$4; Beacon Fruit and Produce Company, \$4.19; G. Giovino & Co., \$2.43, old; \$3.23, new*.

9,900 Pounds Carrots, Cut Off.—The Northern Fruit Company, \$2.50; Beacon Fruit and Produce Company, \$2.96; G. Giovino & Co., \$1.93*.

3,000 Pounds New Carrots, Bunch.—Beacon Fruit and Produce Company, \$4.93; G. Giovino & Co., \$3.73*.

4,100 Pounds Cauliflower.—G. Giovino & Co., \$7.43.*

4,100 Pounds Celery.—Beacon Fruit and Produce Company, \$8; G. Giovino & Co., \$7.43.*

650 Pounds Cranberries.—The Northern Fruit Company, \$15; Beacon Fruit and Produce Company, \$15.97; G. Giovino & Co., \$12.93.*

600 Pounds Cucumbers.—G. Giovino & Co., \$9.93.*

5,700 Pounds Grapefruit.—The Northern Fruit Company, \$3.65; Beacon Fruit and Produce Company, \$3.66; G. Giovino & Co., \$3.23.*

1,600 Pounds Grapes.—The Northern Fruit Company, \$15; Beacon Fruit and Produce Company, \$12; G. Giovino & Co., \$9.93.*

700 Pounds Lemons.—The Northern Fruit Company, \$9.32*; Beacon Fruit and Produce Company, \$10.60; G. Giovino & Co., \$9.73.

2,200 Pounds Iceberg Lettuce.—Beacon Fruit and Produce Company, \$6.93; G. Giovino & Co., \$5.43.*

400 Pounds Native Lettuce.—G. Giovino & Co., \$12.93.*

7,200 Pounds Cooking Onions.—The Northern Fruit Company, \$3; Beacon Fruit and Produce Company, \$3.40; G. Giovino & Co., \$2.83.*

5,000 Pounds Table Onions.—The Northern Fruit Company, \$4; Beacon Fruit and Produce Company, \$3.96; G. Giovino & Co., \$3.83.*

6,600 Pounds Sunkist Table Oranges, 216 Count.—The Northern Fruit Company, \$5.33; Beacon Fruit and Produce Company, \$5.80; G. Giovino & Co., \$4.93.*

10,800 Pounds Sunkist Table Oranges, 176 Count.—The Northern Fruit Company, \$5.06; Beacon Fruit and Produce Company, \$5.80; G. Giovino & Co., \$4.93.*

6,000 Pounds Juice Oranges, 176 Count.—The Northern Fruit Company, \$3.49; Beacon Fruit and Produce Company, \$4.37; G. Giovino & Co., \$3.23.*

4,400 Pounds Juice Oranges, 252 Count.—The Northern Fruit Company, \$3.70; Beacon Fruit and Produce Company, \$4.37; G. Giovino & Co., \$3.23.*

800 Pounds Juice Oranges, 216 Count.—The Northern Fruit Company, \$3.70; Beacon Fruit and Produce Company, \$4.37; G. Giovino & Co., \$3.23.*

32 Pounds Parsley.—Beacon Fruit and Produce Company, \$14*; G. Giovino & Co., \$17.93.

2,100 Pounds Parsnips.—G. Giovino & Co., \$2.83.*

1,400 Pounds Pears.—The Northern Fruit Company, \$6; Beacon Fruit and Produce Company, \$6.50; G. Giovino & Co., \$5.73.*

400 Pounds Green Peas.—Beacon Fruit and Produce Company, \$15; G. Giovino & Co., \$14.43.*

500 Pounds Green Peppers.—Beacon Fruit and Produce Company, \$14.40*; G. Giovino & Co., \$14.43.

135,700 Pounds Green Mountain Potatoes.—J. Jacobs & Co., \$1.69*; Beacon Fruit and Produce Company, \$1.89; G. Giovino & Co., \$1.73.

2,300 Pounds Sweet Potatoes.—The Northern Fruit Company, \$3.68; Beacon Fruit and Produce Company, \$3.92; G. Giovino & Co., \$3.13.*

6,900 Pounds Spinach.—The Northern Fruit Company, \$7.31; Beacon Fruit and Produce Company, \$7; G. Giovino & Co., \$4.83.*

9,700 Pounds Squash, Hubbard or Marrow.—G. Giovino & Co., \$4.93.*

2,700 Pounds Tangerines.—The Northern Fruit Company, \$4.21*; Beacon Fruit

and Produce Company, \$5; G. Giovino & Co., \$4.43.

3,100 Pounds Tomatoes.—The Northern Fruit Company, \$9*; G. Giovino & Co., \$9.73.

13,700 Pounds Yellow Turnips.—J. Jacobs & Co., \$1.45*; Beacon Fruit and Produce Company, \$1.98; G. Giovino & Co., \$1.63.

Park Department.

1,400 Pounds Table Apples.—Beacon Fruit and Produce Company, \$3.50; G. Giovino & Co., \$2.93.*

1,700 Pounds Bananas, Bunch.—G. Giovino & Co., \$4.43*; Meloripe Fruit Company, \$4.50.

2,200 Pounds Beets, Cut.—Beacon Fruit and Produce Company, \$2.80; G. Giovino & Co., \$2.13.*

800 Pounds Cabbage.—Beacon Fruit and Produce Company, \$2.50, old; G. Giovino & Co., \$2.23.*

3,000 Pounds Carrots, Cut.—Beacon Fruit and Produce Company, \$2.96; G. Giovino & Co., \$1.93.*

25 Pounds Celery.—G. Giovino & Co., \$14.43.*

65 Pounds Grapes.—G. Giovino & Co., \$14.43.*

450 Pounds Iceberg Lettuce.—Beacon Fruit and Produce Company, \$6.93*; G. Giovino & Co., \$11.43.

350 Pounds Oranges.—Beacon Fruit and Produce Company, \$5.33; G. Giovino & Co., \$4.93.*

40 Pounds Pears.—G. Giovino & Co., \$14.43.*

600 Pounds Sweet Potatoes.—Beacon Fruit and Produce Company, \$3.92; G. Giovino & Co., \$3.13.*

600 Pounds Green Mountain White Potatoes.—J. Jacobs & Co., \$1.69*; Beacon Fruit and Produce Company, \$1.89; G. Giovino & Co., \$1.73.

Cash Discount, Ten Days.—The Northern Fruit Company, 1 per cent; J. Jacobs & Co., 2 per cent; Beacon Fruit and Produce Company, 2 per cent; G. Giovino & Co., 2 per cent.

* Contract awarded.

WITHOUT ADVERTISING.

Upon varying dates, as indicated, the Mayor has approved contracts with various firms and contractors for supplies, commodities, etc. Communications from the heads of the several departments were as follows:

PUBLIC BUILDINGS DEPARTMENT.

BOSTON, October 22, 1935.

HON. FREDERICK W. MANSFIELD,
Mayor of Boston.

DEAR SIR,—Under date of July 16, 1935, your Honor approved an order of the City Council for the repairing and strengthening of the second floor joists at the Quincy Market which had been found to be in a very dangerous and hazardous condition. This order transferred the sum of \$20,000 from the Reserve Fund to the general appropriation of the Public Buildings Department, and on July 23, 1935, a contract for doing this structural reinforcing was awarded.

As the contractor progressed with his work it was found that several sections of the framing had at some previous date suffered from a very serious fire and the framing in these sections had never been replaced, although severely weakened. (See attached letters of Building Inspector.)

In order to correct this serious condition, due to the charred timbers, it will

be necessary to replace these sections with new framing, an item which was not contemplated in the original work and which could not have been discovered until the work was actually under way.

It will further become necessary, in order to repair the joists over the refrigerators in nineteen of the stalls, to remove the second floor boarding and work from above the joists instead of from the ceiling below. This will cost considerably more than was anticipated at the time of awarding the contract.

Because of these unforeseen conditions only about 60 per cent of the joists have been strengthened and the appropriation of \$20,000 has been exhausted.

Abandoning this work at this stage would leave a considerable section of the building in an extremely hazardous condition and it would constitute a serious menace to the tenants in the market and to the general public.

Therefore, in accordance with the foregoing facts, and in order to eliminate all possibility of a catastrophe occurring in the Quincy Market, I respectfully request an additional appropriation of \$15,000, which, I estimate, will enable me to have the entire job completed in a satisfactory manner.

Respectfully yours,

ROSWELL G. HALL,
Superintendent of Public Buildings.

BOSTON, August 1, 1935.

ROSWELL G. HALL,
Superintendent of Public Buildings.

DEAR SIR,—I hereby submit for your information the following report:

Upon the removal of a portion of the ceiling in the office of stalls 41 and 43, I examined the floor joists and found them to be 3 inches by 12 inches, spaced 8 inches o. c. These timbers are badly charred and the ends of the majority of them have been cut, thereby destroying the full bearing value. In my opinion to allow this condition to exist is dangerous, therefore, I recommend that the floor joists within this area be entirely removed and new joists installed.

Respectfully submitted,

THOMAS L. FLYNN,
Inspector Assigned in Charge of Work.

BOSTON, August 9, 1935.

ROSWELL G. HALL,
Superintendent of Public Buildings.

DEAR SIR,—On Wednesday, August 7, the ceiling was removed over the door opening between stall 36 and 38 and also in the stall area, exposing the floor joists which are very badly charred. It would not increase the efficiency of these members to splice the wall ends, because the fire has reduced these members from 4 inch to practically 2-inch timbers. Furthermore, one timber was so badly burned that a hole appeared through it. The floor banking on the second floor has been badly gutted and serves no value for a tie. The members over the columns on which these floor joists are framed are badly burned. Evidently a fire at some time badly gutted this area which runs from this section to stalls 41 and 43 which I reported on August 1st.

In my opinion this area is structurally unsafe and I recommend that the entire section be replaced with new members.

Respectfully submitted,

THOMAS L. FLYNN,
Inspector Assigned in Charge of Work.

BOSTON, October 14, 1935.

ROSWELL G. HALL,

Superintendent of Public Buildings.

DEAR SIR, At the Quincy Market Building, 29 Merchants row, a portion of the metal ceiling was removed over the public corridor between stalls 37-39 and 38-40 and an examination by me disclosed the following condition:

The floor joists have been so badly charred that what was originally 4-inch by 13-inch hard pine timbers, spaced 16 inches on center, has been reduced to such an extent by fire, that now we actually have 2-inch by 11-inch hard pine timbers, spaced 18 inches on center. The floor planking of the second floor has been badly gutted and serves no further value as a tie, consequently the carrying value of these timbers has been reduced approximately 50 per cent and the original load imposed upon them remains unchanged.

As a result of this examination I ordered the contractor to place temporary shoring under this section to insure safety and these shores should not be removed until these burnt members have been replaced with members capable of carrying the load.

In my opinion a condition such as this is an emergency and should not be neglected, because, directly under this area the public corridor is in constant use by patrons of the market and the occupants and employees of the adjacent stalls. Over this area on the second floor is occupied as a public corridor by the lessees of the various offices to conduct their business.

This condition must be corrected by the removal of the entire burnt section as it is dangerous and I consider this area structurally unsafe.

Respectfully submitted,

THOMAS L. FLYNN,

Inspector Assigned in Charge of Work.

BOSTON, December 22, 1935.

HON. FREDERICK W. MANSFIELD,

Mayor of Boston.

DEAR SIR,—Supplementing my letter of October 22, regarding the structural reinforcing at the Quincy Market which work is of an emergency nature, I respectfully request permission of your Honor to continue and complete the work.

Inasmuch as the Codman Hill Construction Company has already performed so much of the work as was possible under its original contract, and because the said company is thoroughly familiar with the work remaining to be done, I respectfully request permission to award a contract to the said company, the Codman Hill Construction Company, in the sum of \$15,000, without the usual form of advertising.

Respectfully yours,

ROSWELL G. HALL,

Superintendent of Public Buildings.

PUBLIC WORKS DEPARTMENT.

BOSTON, December 30, 1935.

HON. FREDERICK W. MANSFIELD,

Mayor of Boston.

DEAR MR. MAYOR,—On June 10, 1935, the City Council disapproved two proposed contracts submitted to it for consideration between the City and the Boston Consolidated Gas Company, one for furnishing illuminating gas for street lighting and the other for equipment and the lighting and extinguishing of gas

lamps for street lighting in the city, each being for a term of five years beginning January 1, 1935.

At the present time the Boston Consolidated Gas Company is the only company that can furnish gas for the street lamps covered by said disapproved contracts, and to make any change in the lamps would require the lapse of a considerable length of time. In order that there may be no interruption in the service of lighting the city streets and in order that I may have ample opportunity to negotiate with the Edison Electric Illuminating Company of Boston and the Boston Consolidated Gas Company with regard to new proposed contracts or rates and to study more completely the entire situation with regard to street lighting, I respectfully request your authority to award the following contracts, without inviting proposals therefor by advertisement:

1. Contract for furnishing illuminating gas for street lighting to the Boston Consolidated Gas Company for a term of one month, beginning January 1, 1936, at the present rate of \$8.42 per lamp per year for single burner, 60 candle power lamps.

2. Contract for equipment and the lighting and extinguishing of gas lamps for the City of Boston to the Boston Consolidated Gas Company for a term of one month, beginning January 1, 1936, at the present rate of \$14.70 per lamp per year.

Respectfully yours,

C. J. CARVEN,

Commissioner of Public Works.

BOSTON, December 28, 1935.

To the Mayor of Boston.

I respectfully request permission to renew for the period of one year from January 1, 1936, the lease with Annie V. Loonie for property on Gibson street, Dorchester, occupied by this department as a paving service district yard. The rental will be at the rate now being paid, namely, \$1,800 per year, in addition to which the city reimburses the owner for the taxes paid.

This property is used as the yard which covers a large area of the Dorchester district, and its continued use is necessary for carrying on our activities.

Respectfully yours,

C. J. CARVEN,

Commissioner of Public Works.

BOSTON, December 28, 1935.

HON. FREDERICK W. MANSFIELD,

Mayor of Boston.

DEAR SIR,—The Sanitary Division has been using a Ford truck with a special body for paper collection to travel all over Boston daily and collect papers disposed of in catch-all boxes at street corners, said truck furnished by M. H. Loonie at a cost of \$1.50 per hour or \$12 per eight-hour day. It is very desirable that the Ford truck equipped with this special body be continued in use.

I respectfully request permission to dispense with advertising and enter into a contract with M. H. Loonie for the use of a special Ford truck at a price of \$1.50 per hour equal to \$12 per day and at the rate of \$360 per month for a period of one year, total expenditure being \$4,320.

Respectfully yours,

C. J. CARVEN,

Commissioner of Public Works.

SUPPLY DEPARTMENT.

BOSTON, December 17, 1935.

HON. FREDERICK W. MANSFIELD,

Mayor of Boston.

DEAR MR. MAYOR,—Permission is respectfully requested to award a contract, without publicly advertising for same, to Neil H. Cronin, Old Colony Boulevard, Boston, Mass., to deliver to the Supply Department the following:

One Model 81 Buick Sedan, fully equipped, and delivered at a price of \$1,493; heater, \$19.15—\$1,512.15; tax rebate, \$26.80; net amount of contract, \$1,485.35.

As Neil H. Cronin is the direct agent of the manufacturers, nothing would be gained by publicly advertising.

The money is available for this purchase in the 1936 budget.

Respectfully yours,

D. FRANK DOHERTY,

Superintendent of Supplies.

BOSTON, December 26, 1935.

HON. FREDERICK W. MANSFIELD,

Mayor of Boston.

DEAR MR. MAYOR,—Permission is respectfully requested to award a contract, without publicly advertising for same, to the Walsh Holyoke Steam Boiler Works, Incorporated, 320 Massachusetts avenue, Arlington, Mass., to deliver to the Sanitary Service the following:

Thirty Blackhawk hydraulic lifting devices, including Blackhawk jack, ram, hose and necessary framework to adapt them to city present lifting devices, clamps and brace chains at \$70 each, \$2,100; 20 per cent discount, \$420—\$1,680; 2 per cent, ten days.

As the Walsh Holyoke Steam Boiler Works, Incorporated, are the manufacturers, nothing would be gained by publicly advertising.

Respectfully yours,

D. FRANK DOHERTY,

Superintendent of Supplies.

LAND-TAKING IN ROXBURY.

The Mayor has approved the order of the Board of Street Commissioners for the taking of land for a public improvement consisting of the laying out and construction of Notre Dame street, Roxbury district, as a highway, from Dimock street to Bragdon street, bounded and described as follows:

A highway named Notre Dame street is hereby laid out, from Dimock street to Bragdon street, and ordered constructed; the cost thereof to be charged to Federal Funds.

Said highway and the land, exclusive of trees or structures standing upon or affixed thereto, in which an easement for street purposes is hereby taken, is bounded and described as follows:

Northeasterly by Dimock street, thirty and 56-100 feet; southeasterly by the southeasterly line of said Notre Dame street as hereby laid out, six hundred sixty and 44-100 feet; southwesterly by Bragdon street, thirty and 27-100 feet; and northwesterly by the northwesterly line of said Notre Dame street as hereby laid out, six hundred fifty and 63-100 feet.

Voted, That this Board determines that no person sustains damages in his estate by the making of the public improvement, consisting of the laying out and construction of Notre Dame street, Roxbury district, as a highway, from Dimock street to Bragdon street, under the order of the Board of December 26, 1935, and awards no damages therefor.

BUILDING PERMITS ISSUED DECEMBER 26 TO DECEMBER 31.

DECEMBER 26.

CIVIL SERVICE EXAMINATIONS.
(STATE.)

STATE EXAMINERS OF ELECTRICIANS.

Examinations, 1936.

Examinations will be held at the fol-
lowing points and on the following dates:

Boston, Monday, January 6.
Lowell, Wednesday, January 8.
Boston, Monday, February 3.
Worcester, Wednesday, February 5.
Boston, Monday, March 2.
Fall River, Wednesday, March 4.
Fall River, Thursday, March 5.
Boston, Monday, April 6.
Springfield, Wednesday, April 8.
Boston, Monday, May 4.
Worcester, Wednesday, May 6.
Boston, Monday, June 8.
Boston, Monday, September 14.
Worcester, Wednesday, September 16.
Springfield, Thursday, October 15.
Pittsfield, Friday, October 16.
Boston, Monday, November 2.
Lowell, Wednesday, November 4.
Boston, Monday, December 7.
New Bedford, Wednesday, December 9.
New Bedford, Thursday, December 10.

Rules for Examinations.

All examinations shall be given in
English.

Applicants for Class B or journeyman's
certificate must be at least eighteen years
of age and have had at least two years'
practical experience or the equivalent
in the installation of wires, conduits,
apparatus, fixtures and other appliances
for carrying or using electricity for light,
heat or power purposes.

Applicants for Class A or master's
certificate must be at least twenty-one
years of age and have had at least two
years' experience in the business of in-
stalling wires, conduits, apparatus, fix-
tures and other appliances for carrying
or using electricity for light, heat or
power purposes.

Examinations shall consist of appli-
cant's knowledge of the National Elec-
trical Code and practical electrical work.

All persons desiring to be examined,
either for a master or journeyman certi-
ficate, shall have application on file at
least ten days previous to the date of
such examination.

Applicants for examination will be re-
quired to obtain at least 70 per cent in
order to obtain a certificate.

Applicants who fail to obtain the re-
quired 70 per cent will not be entitled
to re-examination until a period of three
months has elapsed, and those who re-
ceive less than 50 per cent, or who fail
on the practical demonstration, will not
be re-examined for a period of six
months.

Any person found referring to notes
or books, or misbehaving during an ex-
amination, will be debarred from that
examination.

Notice will be sent to applicants for
certificates when and where examination
will be held and only those so notified
will be examined on that day.

POLICE DEPARTMENT ORDERS.

General Order No. 129.

It gives the commissioner great pleasure to publish the following letter for the information of the department:

RETAIL TRADE BOARD,
80 FEDERAL STREET,
BOSTON, MASS.

December 23, 1935.

POLICE COMMISSIONER MCSWEENEY,
154 Berkeley Street, Boston.

DEAR COMMISSIONER MCSWEENEY,—
We wish to take this opportunity of expressing the unanimous thanks of the Retail Trade Board to you and to the police officers who are handling traffic in the retail district for the unusually efficient manner in which they have done their work during the past few weeks.

The efficiency of the police is particularly notable, in view of the heavy increase in the amount of traffic, both vehicular and pedestrian, in the district.

The shopping public and Boston merchants greatly appreciate your part and that of your able staff in making this Christmas an outstanding one in helpfulness to the public.

With best wishes for the season, I am,

Very cordially yours,

DANIEL BLOOMFIELD, *Manager.*

The Superintendent of Police will promulgate this order.

EUGENE M. MCSWEENEY,
Commissioner.

General Order No. 130.

A trial board, consisting of Captains Campbell, Killen and Towle, reconvened on December 23, 1935, in the case of the complaint made by Perley S. Skillings, captain, Division 16, against Ambrose T. Forde, patrolman, Division 16, which

case was continued from December 13, 1935, for final disposition, to wit:

Charge 1: Conduct unbecoming an officer.

Specification: In that on the seventeenth day of November, 1935, the said Patrolman Ambrose T. Forde, while on a day off, not in uniform or on duty, was under the influence of intoxicating liquor to such an extent that he was unable to perform police duty if called upon so to do.

Charge 2: Violation auto law.

Specification: In that on the seventeenth day of November, 1935, the said Patrolman Ambrose T. Forde, while under the influence of intoxicating liquor, not in uniform or on duty, did operate a Chevrolet automobile and was involved in an accident,—

has submitted the following finding and recommendation:

"The Board, having heard and carefully considered all the evidence as presented, accepts the plea of guilty, and in consideration of the fact that this officer was convicted by the Court, that the Board, ordinarily, would be inclined to inflict the extreme penalty of dismissal but as a result of the recommendation of Patrolman Forde's commanding officer and the justice who presided in the case, the Board respectfully recommends that Patrolman Ambrose T. Forde be suspended from duty for a period of forty-five days, effective as of November 18, and that at the expiration of the said period of suspension he be ordered to perform 210 hours of punishment duty."

The commissioner accepts the finding and the recommendation of the Trial Board and hereby orders that the said Patrolman Ambrose T. Forde be suspended from duty for a period of forty-five days, effective as of November 18, 1935, at 5.45 p. m., and that at the expiration of the said period of suspension the said

Patrolman Ambrose T. Forde perform 210 hours of punishment duty.

Civil Service Rule 23, Section 3, requires approval of the Civil Service Commission before reinstatement.

Rule 23.

Section 3. With the consent of the Commissioner upon good cause shown, an appointing officer may reinstate in the same position or in a position in the same class and grade any person who has been separated from the service; provided, however, that the Commissioner shall not allow reinstatement of a person discharged for cause.

The Superintendent of Police will promulgate this order.

EUGENE M. MCSWEENEY,
Commissioner.

General Order No. 131.

A trial board, consisting of Captains Campbell, Killen and Gleavy, having heard by reference a complaint made by Thomas M. Towle, captain, Division 2, against Arthur E. Eldridge, patrolman, Division 2, for alleged violation of the Rules and Regulations of the Police Department, to wit:

Charge: Conduct unbecoming an officer.

Specification 2: In that on the 17th day of December, 1935, the said Patrolman Arthur E. Eldridge, while not in uniform and not on duty, was under the influence of intoxicating liquor to such an extent that he would be unable to perform police duty, if called upon so to do, tending to bring into disrepute and criticism himself and his associates in the Police Department,—

has submitted the following finding and recommendation:

"The Board having heard and carefully considered all the evidence as presented finds the said Patrolman Arthur E. Eldridge not guilty of Specification 1 of said charge, and guilty of Specification 2 of said charge. The Board has considered the recommendations of Deputy Superintendent Anderson and Captain Towle, and the fact that Eldridge has never previously been before a trial board during his sixteen years' service as a police officer. Notwithstanding these favorable recommendations and his good record heretofore, the Board feels that this officer committed a serious offense which warrants the imposition of severe punishment. The Board therefore respectfully recommends that the said Patrolman Arthur E. Eldridge be suspended from duty for a period of fifteen days, effective as of December 19, 1935, at 5.45 o'clock p. m., and that at the expiration of the said period of suspension the said Patrolman Arthur E. Eldridge be ordered to perform 250 hour of punishment duty."

The commissioner accepts the finding and the recommendation of the Trial Board and hereby orders that the said Patrolman Arthur E. Eldridge be suspended from duty for a period of fifteen days, effective as of December 19, 1935, at 5.45 o'clock p. m., and that at the expiration of the said period of suspension the said Patrolman Arthur E. Eldridge perform 250 hours of punishment duty.

Civil Service Rule 23, Section 3, requires approval of the Civil Service Commission before reinstatement.

Rule 23.

"Section 3. With the consent of the Commissioner upon good cause shown, an appointing officer may reinstate in

the same position or in a position in the same class and grade any person who has been separated from the service; provided, however, that the Commissioner shall not allow reinstatement of a person discharged for cause."

The Superintendent of Police will promulgate this order.

EUGENE M. MCSWEENEY,
Commissioner.

CIVIL SERVICE EXAMINATIONS. (STATE AND CITY SERVICE.)

PAROLE OFFICER, DEPARTMENT OF CORRECTION, JANUARY 25, 1936.

Last day for filing applications, Saturday, January 11, 1936, at 12 noon.

This examination is open to both males and females.

The minimum salary, without maintenance, is \$1,860 a year; the maximum salary, without maintenance, is \$2,460 a year; the minimum salary, with maintenance, is \$1,500 a year; the maximum salary, with maintenance, is \$2,100 a year.

Duties: Under general supervision, to follow up cases of prisoners and inmates paroled from State penal or reformatory institutions and aid them to normal living and readjustment to life in the community; to procure and serve warrants in cases of parole violations and return the parolees to institutions; to transfer prisoners between institutions and on occasion to return prisoners on extradition from other states; and to perform related work as required.

Subjects and Weights: Training and experience, 3; practical questions, 4; personality and fitness, as determined by an oral interview, 3; total, 10.

Passing Requirements: At least 70 per cent in each subject in order to become eligible.

Physical fitness to be determined by physical examination.

INDUSTRIAL INSTRUCTOR (PLUMBER), MASSACHUSETTS REFORMATORY, DEPARTMENT OF CORRECTION, JANUARY 25, 1936.

Last date for filing applications, Saturday, January 11, 1936, at 12 noon.

The minimum salary, without maintenance, is \$1,680 a year; the maximum salary, without maintenance, is \$2,160 a year; the minimum salary, with maintenance is \$1,320 a year; the maximum salary, with maintenance, is \$1,800 a year.

Duties: To instruct a class, consisting of eighteen to twenty prisoners, in shop work and the maintenance of the plumbing plant in the institution. To coach them so they will be able to apply for a plumber's license. To repair and install new plumbing whenever required. To estimate and order stock needed for new installations and the maintenance of old.

Entrance Requirements: Applicants must possess a journeyman's or master plumber's license.

Subjects and Weights: Training and experience, 1; practical questions, 1; total, 2.

Passing Requirements: Applicants must obtain at least 70 per cent in each subject in order to become eligible.

Physical fitness to be determined by physical examination.

FIRE SERVICE.

CITIES AND TOWNS OUTSIDE OF BOSTON AND METROPOLITAN DISTRICT, FEBRUARY 1, 1936.

Last date for filing applications, Saturday, January 18, 1936, at 12 noon.

BOSTON AND METROPOLITAN DISTRICT, FEBRUARY 15, 1936.

Last date for filing applications, Saturday, February 1, 1936, at 12 noon.

Applicants for the service of Boston must be not less than twenty-two nor over thirty-five years of age at the time of filing application. Applicants for all other cities and towns in the Commonwealth must be not less than twenty-one nor over thirty-five years of age at the time for filing application. Callmen and substitute callmen may make such deductions from their ages as are provided for in Civil Service Rule 8, Class 21. A certificate of date of birth must be filed with the application, unless one has been filed with a previous application.

Applicants for Worcester are required to be not less than 5 feet 5 inches in height. Applicants for Brockton must be not less than 5 feet 6 inches in height, and weigh not less than 135 pounds at the time of appointment. Applicants for Winchester must be not less than 5 feet 8 inches in height, and weigh not less than 135 pounds. Applicants for Lynn must be not less than 5 feet 5½ inches in height, and weigh not less than 135 pounds.

Subjects and Weights: Training and experience, 3; general information, 3; practical questions, 4; total, 10.

Physical fitness to be determined by physical examination and strength tests.

Educational test, 3; physical test, 2; total, 5.

Applicants will be required to obtain at least 50 per cent in each subject of the examination and at least 70 per cent in the educational average and in the strength test in order to become eligible.

The practical questions will be based upon information contained in a manual known as the "Red Book." This manual may be obtained from the Secretary of State, Room 118, State House, at ten cents a copy. It is necessary that applicants obtain a copy of this manual and study it carefully.

LAND-TAKING IN DORCHESTER.

The Mayor has approved the order of the Board of Street Commissioners for the taking of land for a public improvement consisting of the laying out and construction of an extension of Nevada street, Dorchester district, as a highway, from Wilmington avenue to Gallivan Boulevard, bounded and described as follows:

An extension of the highway named Nevada street is hereby laid out, from Wilmington avenue to Gallivan Boulevard, and ordered constructed, the cost thereof to be charged to Federal Funds.

Said highway and the land, exclusive of trees or structures standing upon or affixed thereto, in which an easement for street purposes is hereby taken, is bounded and described as follows:

Part between Wilmington avenue and Codman Hill avenue:

Northerly by Wilmington avenue, fifty and 38-100 feet; easterly by the easterly line of said extension of said Nevada street as hereby laid out, by two measurements, one hundred fourteen and 34-100 feet and one hundred thirteen and 2-100 feet; southerly by Codman Hill avenue, fifty feet; and westerly by the westerly line of said extension of said Nevada street as hereby laid out, by two measurements, one hundred thirteen and 30-100 feet and one hundred eight and 49-100 feet.

Part between Codman Hill avenue and Gallivan Boulevard:

Northerly by Codman Hill avenue,

fifty feet; easterly by the easterly line of said extension of said Nevada street as hereby laid out, four hundred thirty-nine and 87-100 feet; southerly by Gallivan Boulevard, fifty and 32-100 feet on a curve of nineteen hundred and sixty feet radius; and westerly by the westerly line of said extension of said Nevada street as hereby laid out, four hundred thirty-four and 23-100 feet.

Included in the above-described land (taken hereunder) are parts of certain parcels of land registered in the Land Court, said parcels being shown on the plan hereinbefore referred to, and said parts being the portions of said registered parcels which lie between the side lines of said Nevada street and the middle line thereof; the owners of said portions, the number of the certificate of title and the book and page where the same is registered are as follows:

Thomas McGagh, Cert. No. 19159, Book 91, page 159.

John Kennedy *et al.*, Cert. No. 22254, Book 107, page 54.

Louise B. Rose, Cert. No. 19499, Book 93, page 99.

Walter A. McLean, Cert. No. 29270, Book 142, page 70.

Andrew O'Malley *et al.*, Cert. No. 31322, Book 152, page 122.

Roger F. Austin *et al.*, Cert. No. 20901, Book 100, page 101.

Patrick Hennessy *et al.*, Cert. No. 21044, Book 101, page 44.

Annie G. Sullivan, Cert. No. 24762, Book 119, page 162.

William H. Crocker *et al.*, Cert. No. 25089, Book 121, page 89.

Amy P. Macintyre, Cert. No. 20795, Book 99, page 195.

Charles C. Parker *et al.*, Cert. No. 29532, Book 143, page 132.

Voted, That this Board determines that no person sustains damages in his estate by the making of the public improvement, consisting of the laying out and construction of an extension of Nevada street, Dorchester district, as a highway, from Wilmington avenue to Gallivan Boulevard, under the order of the Board of December 26, 1935, and awards no damages therefor.

ADDITIONAL SUBWAY PLATFORM AT PARK STREET.

His Honor, Mayor Mansfield, announced on December 31 that he had approved a W. P. A. project, providing for an additional platform at Park Street Station of the Tremont Street Subway, for northbound through cars, at a cost of \$343,944.02, of which amount the Federal Government will provide funds amounting to \$210,553.25. The remainder of the cost eventually will be paid by the rental and in no sense will be a burden upon the people and the taxpayers.

This work will provide employment for an average of 400 men per month for a period of seven months.

This improvement has been urged for many years to relieve congestion existing during the rush hour period on this platform, where passengers are compelled to alight and board cars on the same side. It will also eliminate the present need of crossing Tremont street on the surface by permitting Park street passengers to continue underground and to come to the surface on the easterly sidewalk of Tremont street.

Work will be started without delay and will be so conducted that car traffic in the Tremont Street Subway will be interfered with in no way.

MASSACHUSETTS CIVIL SERVICE EXAMINATIONS.

The Massachusetts Civil Service Commission announces examinations for desirable positions open in the Boston and Metropolitan districts as follows:

SUPERINTENDENT OF TEMPORARY HOME FOR WOMEN, BOSTON PUBLIC WELFARE DEPARTMENT, JANUARY 18, 1936.

Last date for filing applications, Saturday, January 4, 1936, at 12 noon.

This examination is open to females only.

Salary: \$1,020 per year.

Duties: To cooperate with social agencies. To supervise employees and inmates in their work assignments. To be responsible for the smooth running of the entire institution, with special attention to be given food supply, absolute cleanliness and laundry work. To supervise the care given to children, particularly infants.

Entrance Requirements: Applicants must have at least one year's experience in institutional work. Applicants must be not less than thirty-five years of age at the time of filing application. A certificate of date of birth must be filed with the application unless one has been filed with a previous application.

Subject and Weights: Training and experience, 4; oral interview, 1; total, 5.

The examination will consist of a statement of the applicant's training and experience in complete and accurate detail.

After applications have been filed, experience sheets will be sent to all applicants. These statements must be filled out and returned to the office of the Civil Service Commission, Rooms 143-152, State House, Boston, not later than Saturday, January 18, 1936, at 12 noon. No papers will be accepted after this date. No amendments or corrections will be allowed.

Passing Requirements: Applicants must obtain at least 70 per cent in each subject in order to become eligible.

Physical fitness to be determined by physical examination.

Civil Service Rule 9, Section 4: Any person possessing the required qualifications who has taken an examination may make new application for the same service at any time, and his status shall be determined by the result of the last examination taken. If any person fails to fulfill all the requirements his examination shall be treated as a failure.

CONTRACTS FOR SNOW REMOVAL.

On December 30 the Mayor approved the award of contracts for snow removal as follows:

District No. 1.—Beginning at Broadway and Fort Point Channel; by and including Broadway; by and including Tremont street; by and including Beacon street; by and including Brookline avenue; by and including Newbury street; by and not including Charlesgate West; by and not including the Fenway; by and including Ruggles street; by and including Huntington avenue; by and including Gainsborough street; by and including St. Botolph street; by and including Massachusetts avenue; by and including Albany street to Broadway and Fort Point Channel, to Coleman Brothers Corporation, second lowest bidder, at 50 cents per cubic yard. The lowest

bidder, Edward M. Matz, was passed over because District No. 3 was awarded to him.

District No. 2.—Beginning at Broadway and Fort Point Channel; by and not including Broadway; by and not including Tremont street; by and including Court street; by and including State street to Boston Harbor to Northern avenue; by and including Northern avenue to the Viaduct; by and not including the Viaduct; by and including Summer street; by and including D street; by and including Dorchester avenue; by and including Andrew square; by and not including Southampton street; by and not including Albany street to Broadway and Fort Point Channel, to Hugh Nawn, Incorporated, at 48 cents per cubic yard. Two lower bidders were passed over because other districts have been awarded to them and one because specifications have not been complied with.

District No. 3.—Beginning at the junction of State street and Atlantic avenue; by and not including State street; by and not including Court street; by and including Scollay square; by and including Cambridge street to Charles river to Boston Harbor to State street and Atlantic avenue; also specified streets in Charlestown as follows: Chelsea street, City square, Main street, Warren street, Rutherford avenue, Charlestown and Warren Bridges, to Edward M. Matz, low bidder, at 40 cents per cubic yard.

District No. 4.—Beginning at the junction of Charles river and Cambridge street; by and not including Cambridge street; by and not including Scollay square; by and not including Tremont street; by and not including Beacon street; by and not including Embankment road to Charles river and Cambridge street, to A. Singarella, low bidder, at 45 cents per cubic yard.

In District No. 1, Coleman Brothers' bid of 50 cents was against their bid of 67 cents on December 2.

In District No. 2, Hugh Nawn, Incorporated, price of 48 cents was the same as their bid of December 2.

In District No. 3, Edward M. Matz's price is 40 cents as against his bid of 42½ cents on December 2.

In District No. 4, A. Singarella's price is 45 cents as against his bid of 55 cents on December 2.

36,000 TRAFFIC DEATHS IN 1934.

The automobile casualty toll for 1934 was 36,000 persons killed in 882,000 personal-injury collisions on streets and highways, according to the Travelers Insurance Company. Pedestrians accounted for 44 per cent of the fatalities.

The death gain was 16 per cent against an increase of only 6 per cent in registrations and gasoline consumption. Fast driving is given as the dominant factor. Alcohol is known to have figured with 3.16 per cent of the drivers and 4.46 per cent of the pedestrians, compared with 2.43 and 2.99 per cent respectively in 1933.

Despite figures indicating that nine out of ten cars involved in accidents were in good condition, three out of every four cars inspected were found to be defective, says the report. Defects were as follows: Brakes bad on 29 per cent of the cars; tires fair to poor on 56 per cent; lamps needed adjustment or replacement on 63 per cent.

URBAN POPULATION, APRIL 1, 1930.

As defined by the Census Bureau, the urban population is, in general, that residing in cities and other incorporated places having 2,500 inhabitants or more, the remainder being classified as rural.

The total urban population of the UNITED STATES is 68,954,823 (34,154,760 males and 34,800,063 females), of whom 62,836,605 (31,162,570 males and 31,674,035 females) are white; of these whites 52,109,746 (25,520,483 males and 26,589,263 females) are native; 33,497,232 (16,515,816 males and 16,981,416 females) of these latter are of native parentage and 18,612,514 (9,004,667 males and 9,607,847 females) are of foreign or mixed parentage; there are 10,726,859 (5,642,087 males and 5,084,772 females) foreign-born white; there are 5,193,913 (2,479,158 males and 2,714,755 females) Negroes; other races, 924,305 (513,032 males and 411,273 females).

The urban population is 56.2 per cent of the total population of the country; native white, 54.6 per cent and foreign-born white, 80.3 per cent; Negroes, 43.7 per cent.

The total urban population of New England is 6,311,976 or 77.3 per cent of the total population of New England. Of the 4,660,339 native white, 2,089,031 are of native parentage and 2,571,308 are of foreign or mixed parentage; foreign-born whites number 1,564,769; Negro, 81,443; other races, 5,425.

DOUBLE TAXATION NOT THE WHOLE TAX CONFLICT.

Double taxation, which to most people means two taxes on the same thing from different sources,—Federal and State or two states,—is only a part of the problem of conflicting taxation, says James W. Martin, Research Director of the Interstate Commission on Conflicting Taxation. The commission, set up by the Interstate Assembly representing the various states, which was called together by the American Legislators' Association in 1933, will report results of its subsequent study of conflicting taxation early in 1935.

NO COST CONTROL FOR REFUSE DISPOSAL.

American cities on the whole may be clean housekeepers, but they don't know how much it is costing them to be clean or whether they are spending too much. Only a few cities are able to report accurately the unit cost of removing garbage and other refuse and of cleaning streets, according to the Public Administration Service of Chicago, Ill., which further reports that at least 90 per cent of the cities in this country have no cost control over this service.

SEWAGE TREATMENT PLANT CONSTRUCTION ON THE INCREASE.

Owing to the economic conditions prevailing during the past year, there was but a relatively small volume of sewage treatment plant construction. Within recent months, however, there has been a decided impetus to new construction of this type growing out of the Public Works Administration allotments. Nearly 700 cities have received allotments of funds from the P. W. A. for sewerage or sewage treatment, involving an aggregate expenditure of well over \$200,000,000.

JAMAICA SPENDS \$1,000,000 ANNUALLY ON ROAD CONSTRUCTION AND MAINTENANCE.

Jamaica, an English possession, has a highway system which is almost entirely constructed of waterbound macadam, some 70 miles of which has been surface-treated. Many of the roads are under the supervision of the Department of Public Works and various parochial boards. There are about 2,500 miles of bridle and foot paths. The highway system connects all parts of the island in a very satisfactory manner, and the problem is not that of the construction of new roads, but the improvement of old ones, the surfacing and widening of these roads, and protective coatings. The roads are well maintained and, as there are not many heavy trucks, the maintenance is satisfactory. There are approximately 4,000 miles of highways, or 1.11 square miles of area to one mile of highway.

About a million dollars per year is spent on new construction and maintenance, the machinery used being both European and American.

(From a report of the American Road Builders' Association.)

CITY OF BOSTON.

PUBLIC WORKS DEPARTMENT.

NATIONAL INDUSTRIAL RECOVERY PROJECT
P. W. A. DOCKET NO. MASS. 1123-R.

NOTICE TO CONTRACTORS.

Sealed proposals addressed to the Commissioner of Public Works and indorsed "Proposal for Constructing a Water Pipe Trestle and Fender at Chelsea Bridge North" will be received at Room 508, City Hall Annex, until 12 m. (E. S. T.) on Tuesday, January 21, 1936, and at that time and place will be publicly opened and read. Specification and contract forms may be obtained at Room 508, City Hall Annex, upon payment of the sum of two (2) dollars (non-returnable). Each proposal must be accompanied by a properly certified check in the sum of fifteen hundred (1,500) dollars payable to the City of Boston. Proposals must be made in duplicate, the sealed duplicate, without check, to be deposited by the bidder with the City Auditor previous to the time named for opening the proposals. All checks except that of the bidder to whom the contract is awarded, will be returned within three (3) days after the awarding of the contract. The project is to be financed and constructed under the terms of the National Industrial Recovery Act, Emergency Relief Appropriation Act of 1935, and chapter 366 of the Acts of 1933, as amended, of the Commonwealth of Massachusetts, and attention is called to the construction regulations prescribed by the P. W. A.

The rate per hour of the wages to be paid to mechanics, teamsters, chauffeurs and laborers in the work to be performed under the contract shall not be less than the rate of wages in the schedule determined by the Commissioner of Labor and Industries of the Commonwealth, a copy of which schedule is annexed to the form of contract referred to herein. Copies of said schedule may be obtained, without cost, upon application therefor, at Room 508, City Hall Annex.

The employment agency designated by the Government is the State Public Employment Office, 100 Nashua street, Boston. The right is reserved by the City of Boston, Mass., acting through its Commissioner of Public Works, to reject any or all bids, or to accept any bid which he deems most advantageous, subject to the approval of the State Director, P. W. A. No bidder may withdraw his bid for a period of thirty (30) days after the date set for the opening thereof. A surety bond by a company satisfactory to the Commissioner and the State Director P. W. A. and in an amount equal to one hundred (100) per cent of the contract price will be required from the successful bidder.

C. J. CARVEN,
Commissioner of Public Works.

(Jan. 4-11.)

CITY OF BOSTON.

PUBLIC WORKS DEPARTMENT.

PROPOSALS FOR DREDGING DOCK AT GARBAGE DUMP STATION AT ALBANY STREET, BOSTON.

The Commissioner of Public Works of the City of Boston, office 508 City Hall Annex, invites proposals from citizens of the United States and corporations or other legal associations wherein the controlling interest to the extent of at least over one-half thereof is owned by a citizen or citizens of the United States, for dredging dock at garbage dump station at Albany street, Boston, and giving bond therefor of a surety company approved by the Commissioner in the sum of 100 per cent of the amount of the contract, to secure the due performance of the contract and the full protection of the city. Forms of proposals may be obtained at Room 508, City Hall Annex. Each proposal should be inclosed in an envelope, sealed, marked "Bid for Dredging Dock at Garbage Dump at Albany Street," and left at Room 508, fifth floor, City Hall Annex, before 12 o'clock m. of Monday, January 13, 1936, with a certified check for two hundred (200) dollars, payable to and to become the property of the city if the proposal, after acceptance, is not carried out. The proposals will then and there be publicly opened and read. Proposals must be made in duplicate, the sealed duplicate, without check, to be deposited by the bidder with the City Auditor previous to the time named for opening the bids. There will be a charge of two (2) dollars for each set of plans and specifications taken out. If the price of any item appears to the Commissioner to be abnormally high or low, or the bidder neglects to bid on each and every item, it may lead to the rejection of the proposal containing such price. The undersigned reserves the right to reject any or all proposals or to award the contract as he deems best.

C. J. CARVEN,

(Jan. 4.) Commissioner of Public Works.

CITY OF BOSTON.

INSTITUTIONS DEPARTMENT.

PROPOSAL FOR REPAIRS TO STEAMER "STEPHEN J. O'MEARA."

The Commissioner of Institutions of the City of Boston invites proposals for repairs to steamer "Stephen J. O'Meara." A bond will be required for doing the work of a surety company approved by the Commissioner in the sum of 100 per cent of the contract price, to secure the due performance of the contract and the full protection of the city. Forms of proposals may be obtained at Room 809, City Hall Annex. Each proposal should be inclosed in an envelope, sealed, marked, "Proposal for Repairs to Steamer "Stephen J. O'Meara." and left at Room 809, City Hall Annex, before 12 m. of Thursday, January 9, 1936, with a certified check for one hundred (100) dollars, payable to and to become the property of the city if the proposal after acceptance is not carried out. The proposals will then and there be publicly opened and read. Proposals must be made in duplicate, the sealed duplicate, without check, to be deposited by the bidder with the City Auditor previous to the time named for opening the bids. The Commissioner reserves the right to reject any or all proposals or to award the contract as he deems best.

FREDERIC A. WASHBURN, M. D.,

(Jan. 4.) Commissioner.

CITY OF BOSTON.

ASSESSING DEPARTMENT.

TO TAXPAYERS.

ASSESSORS' NOTICE, CITY HALL ANNEX,
BOSTON, January 1, 1936.

Attention is called to the Assessors' Notice posted upon City Hall and various other places throughout the city, relative to making returns on personal property subject to taxation. Returns should be made not later than February 15.

EDWARD T. KELLY,
TIMOTHY W. MURPHY,
MICHAEL J. BROPHY,
Assessors of Boston.

(Jan. 4-11-18-25—Feb. 1-8-15.)

CITY OF BOSTON.

DEPARTMENT OF SCHOOL BUILDINGS.

P. W. A. PROJECT NUMBER MASS. 1092.

1 Sealed 1 Separate Sealed proposals for the following item:

(A) Construct and complete an addition and alterations to the English High School, Montgomery street, in the City of Boston, Mass., prepared in accordance with instructions contained in the contract documents, will be received at the office of the Department of School Buildings at 11 Beacon street in Boston, Mass., until 2 o'clock p. m., Eastern Standard Time, January 14, 1936, and at that time and place publicly opened and read. The additional copy of the proposal form shall be removed from the book of specifications and after filling out shall be sealed in an envelope and delivered to the Auditor of the City of Boston, at the City Hall, School street, Boston, Mass., before the time for the opening of the proposals.

Plans, specifications and other contract documents may be secured at office of Superintendent of Construction at the above address, 11 Beacon street, upon the deposit payment of \$100 certified check for Proposal A, payable to the City of Boston.

Said deposit will be refunded when such documents are returned in complete and good condition.

Each proposal must be accompanied by a certified check for the sum of \$5,000 for Proposal A, made payable to the City of Boston.

All checks, except that of the bidder to whom the contract is awarded, will be returned within seventy-two hours after the awarding of the contract and receipt must be given therefor.

The project is to be financed and constructed under the terms of the Emergency Relief Appropriation Act of 1935 and chapter 366, Massachusetts Acts of 1933, as amended, and attention is called to the "Construction Regulations" prescribed by the P. W. A.

Attention is called to the fact that minimum wage rates are established for the project and are set forth in the contract documents.

The office of the United States Employment Bureau designated by the Government for this project is E. L. Hanna, 100 Nashua Street, Boston, Mass.

The right is reserved by the City of Boston, Mass., acting through its Superintendent of Construction, to reject any or all bids, or to accept any bid which it deems most advantageous, subject to the approval of the State Director, P. W. A.

No bidder may withdraw his bid for a period of thirty (30) days after the date set for the opening thereof.

A surety bond by a company satisfactory to the State Director, P. W. A. and in an amount equal to one hundred (100) per cent of the contract price, will be required from the successful bidder.

WM. W. DRUMMEY,

(Jan. 4.) Superintendent of Construction.

THE SCHOOL COMMITTEE OF THE CITY OF BOSTON.

ADMINISTRATION BUILDING, 15 BEACON STREET,
OFFICE OF THE BUSINESS MANAGER.

PROPOSALS FOR FURNISHING INTERFOLDED PAPER TOWELS AND ROLL TOWELS FOR THE BOSTON PUBLIC SCHOOLS.

The School Committee of the City of Boston invites bids for furnishing paper towels for the Boston public schools. Proposal forms are obtainable at the office of the Business Manager of the School Committee, 15 Beacon street, tenth floor. Envelopes containing proposals must be sealed and plainly marked "Proposal for Furnishing Paper Towels." The bid must be in duplicate. One copy signed by the bidder and accompanied by a certified check for \$100, payable to the City of Boston, must be left at the office of the Business Manager on or before 12 o'clock m. on Tuesday, January 14, 1936. Copies filed with the Business Manager will be publicly opened and read at 12 o'clock m. of the day stated. The other copy, also signed by the bidder, must be filed with the City Auditor, City Hall, Boston, Mass., previous to the time named for the opening of bids. The School Committee reserves the right to reject any or all bids, and to accept such bid or part of bid as may be deemed best for the interests of the city. The successful bidder will be required to furnish a bond for not less than 50 per cent of the amount of the contract.

ALEXANDER M. SULLIVAN,
Business Manager of the School Committee.
(Jan. 4.)

CITY RECORD

OFFICIAL CHRONICLE OF BOSTON MUNICIPAL AFFAIRS.

VOL. 28.

SATURDAY, JANUARY 11, 1936.

No. 2

"BOSTON MUST GO FORWARD AND NOT BACKWARD," SAYS MAYOR MANSFIELD IN ANNUAL MESSAGE TO CITY COUNCIL GIVEN AT ORGANIZATION SESSION FOR 1936 — RECOUNTS ACHIEVEMENTS OF PAST TWO YEARS OF HIS ADMINISTRATION AND OUTLINES WORK OF REMAINING YEARS — CONCLUDES ADDRESS WITH PLEA FOR COOPERATION OF ALL CITIZENS WITH VIEW TO MAKING BOSTON BETTER PLACE IN WHICH TO WORK AND LIVE.

The following is the annual message of Mayor Frederick W. Mansfield delivered to the Honorable the City Council, January 6, 1936:

The first two years of my term of office as Mayor of the City of Boston have been concluded and we are now commencing on the second half of that term. The two years which have passed have been years of marked improvement in the affairs of this city. I propose today to give you a summary of the accomplishments of those years and to discuss with you some of the problems of the immediate future.

I. THE PAST TWO YEARS.

A. The Financial Condition of the City.

I have frequently stressed the importance of maintaining the credit of the city. Under the laws of this Commonwealth, the revenue necessary to carry on municipal government, to maintain our schools, to pay city employees and to assist the poor and needy is not received by the city until late in the calendar year. Money, therefore, must always be borrowed in anticipation of such revenue. If the credit of the city should be impaired this money could not be obtained, with the necessary result that many municipal services demanded by and important to the welfare of the people of Boston would have to be curtailed, thousands of city employees would be obliged to work without pay and their discharge from the city's service would become imperative and the city would find itself unable properly to care for the poor, the needy and the unemployed.

Every effort, therefore, has been bent during the last two years on preserving the credit of the city.

There are certain factors peculiar to cities and towns in the Commonwealth which must be borne in mind in any consideration of Boston's financial situation. Welfare expenditures throughout the depression have been and are being borne by the cities and towns of the Commonwealth with but very limited assistance from the state. While these expenditures have increased in tremendous proportion, falling valuations of real estate and decreased income tax collections distributable to municipalities have sharply cut the revenue to meet the added expenditures. The net result has been a drastic increase in tax rates throughout the Commonwealth. Five towns in the Commonwealth had a tax rate in 1935 of over \$50 a thousand; fifty-six cities and towns a tax rate of between \$40 and \$49; eighty a tax rate of between \$35 and \$39, and one hundred and eleven a tax rate of between \$30 and \$34.

Welfare expenditures in Boston during 1928 aggregated \$2,800,000. In 1935 they aggregated approximately \$13,000,000, although less than in 1934 or 1933. The increase in welfare expenditures represents \$6 in the tax rate. In the meantime valuations have decreased to an amount representing about \$5 on the tax rate and revenue collected by the Commonwealth and distributable to Boston has decreased to an amount representing about \$3 on the tax rate.

No substantial new sources of revenue and no adequate state assistance have been afforded to the city to meet its added welfare expenditures and decreased income.

The city has, therefore, been faced with the alternative of vigorous curtailment of services and salaries or with reasonable curtailment and borrowing. The hardship to employees and the adverse effect on local business involved in the first alternative has led us to adopt the second.

When I took office there was no adequate system of budget control. To improve this situation I instructed the City Auditor to prepare a plan whereby a modern budget system with proper control of expenditures and a more adequate method of checking receipts could be put in operation. This plan is now in operation and further improvements will be operative in 1936 as I shall later more fully explain.

The Department of Public Welfare was reorganized late in 1934 and every effort has been made to guard against disbursements to persons not entitled to relief. Vigorous prosecutions of offenders and the employment of trained workers in the department have tended to conserve against a waste of city funds.

Wherever possible, I have maintained a policy of not filling vacancies and of reducing purchases of equipment, materials and supplies to a minimum consistent with the proper rendering of public service.

Not only has effort been made to keep expenditures within reasonable limits but attention has been given to the enforcement and collection of tax and other claims of the city.

In 1935 approximately \$6,000,000 more was received by the City Collector than in 1933 and there has been a definite improvement in current tax collections. The trend of collections has at last been turned in the right direction.

Pursuant to my request, an ordinance was passed in 1935, after considerable delay, which will enable the city to conserve and dispose of properties acquired through tax title foreclosures made mandatory by statute.

(Continued on page 21.)

"O Boston, fair City enthroned like a radiant queen,
From thy hills looking down on the ship-teeming plain of the ocean,
May thy future be bright, thy skies beam with light all serene,
Ensured by thy sons' and thy daughters' unselfish devotion!"
From Boston Centennial Poem by
NATHAN HASKELL DOLE.

CITY RECORD.

Published weekly under legislative act by the City of Boston, Massachusetts.

FRANK H. CUSHMAN, *Editor*, Room 73, City Hall.
JOSHUA H. JONES, JR., *Associate Editor*.
EDWARD F. O'DOWD, *Business Agent*, Room 73, City Hall.

Entered as second class matter at Boston Post Office.

By Subscription \$2.00 Per Year
Single Copies 10 cents

IN ADVANCE STREET AGENCIES

Old South News-Stand, Old South entrance to subway.

Advertising.

A rate of \$2 per inch of 12 lines (set solid) has been established for such advertisements as under the law must be printed in the *City Record*. Advertising and other copy must be in hand by Thursday of each week to insure its publication in the Saturday issue.

Copies for sale at the Statistics Department, Room 73, City Hall.

MUNICIPAL CALENDAR.

Meeting of the City Council Monday, January 13, 1936, at 2 p. m.

Meetings of the Transit Department are held on Monday and Thursday of each week at 11 a. m.

Board of Zoning Adjustment. Public hearings and executive meetings are held on the first Friday of each month, Room 30, City Hall, at 2 p. m.

MUNICIPAL SERVICE.

Complaints, inquiries or suggestions regarding the work of municipal departments should be made in writing to the officials directly in charge. The failure of such official to make reply within a reasonable length of time should be brought to the attention of the Mayor. Communications should be directed as follows:

TO THE BOARD OF STREET COMMISSIONERS, Room 401, City Hall Annex, for information relative to the laying out, relocation, widening and the discontinuance of highways; the taking of rear property for municipal purposes; the assessments of betterments for streets and sewers; the plotting of undeveloped area for streets and the opening of private ways; the granting of licenses for the storage or sale of merchandise in

public streets; the making of specific repairs in public streets; the naming of public streets; the planting and removal of trees in public ways; the issuing of licenses for the storage of gasoline, oil and other inflammable substances or explosive compounds; the use of the public ways for any permanent or temporary obstruction or projection in, under or over the same, including the location of conduits, poles and posts for telephone, telegraph, street railway or illuminating purposes, signs, marquis, bay windows, coal holes and vaults.

TO THE BOSTON TRAFFIC COMMISSION, 134 North street, for information relative to regulation of vehicular street traffic on all or any streets, ways, highways, roads and parkways under the control of the City of Boston, the issuing of all permits in connection therewith.

TO THE COMMISSIONER OF PUBLIC WORKS, Room 511, City Hall Annex, for information as to the watering, cleaning, lighting and repairing of streets, the construction and care of sewers and catch-basins, the operation of the ferries, the maintenance of bridges and drawbridges and the removal of ashes and offal.

TO ROOM 604, City Hall Annex, for information relative to the supplying or metering of water and the water charges of the city.

TO THE HEALTH DEPARTMENT, Room 1107, City Hall Annex, for information relative to the inspection of milk, vinegar, meat, fish and vegetables, the issuance of permits for stables, slaughter houses, etc., smoke nuisances, the existence of contagious diseases, of public health nuisances.

TO THE BOARD OF PARK COMMISSIONERS, 33 Beacon street, for information as to the care of the Common, Public Garden, Franklin Park, Franklin Field, Commonwealth avenue, Back Bay Fens, Marine Park, the Airport, and the small parks and playgrounds in general throughout the city, and as to the extermination of gypsy moths and the charges made for such service. Applica-

tion may be made to this department for information regarding the public bath and gymnasiums maintained by the city, and with regard to municipal indoor concerts and band concerts, also information relative to Mt. Hope, Evergreen, Fairview and other public cemeteries owned by the City of Boston.

TO THE SCHOOL COMMITTEE, 15 Beacon street, for information relative to the operation of the schools in the city.

TO THE DEPARTMENT OF SCHOOL BUILDINGS, 11 Beacon street, for information as to the construction and repair of school buildings.

TO THE BOARD OF EXAMINERS, Room 1001, City Hall Annex, for information regarding the licensing of persons having charge or control of the work of construction, alteration, removal or tearing down buildings.

TO THE STATISTICS DEPARTMENT, Room 76, City Hall, for historical, geographical, political and population facts about Boston; the personnel and accomplishments of present and past municipal administrations; and such similar information as may be found concerning other American municipalities in its Municipal Officials' Reference Library.

TO THE WIRE DIVISION OF THE FIRE DEPARTMENT, 60 Bristol street, for all information relative to the erection of poles, building of conduits, the installation of all overhead and underground construction and electrical apparatus, as well as for general information relative to the entire division. TO ROOM 103, City Hall Annex, for permits for the installing of wires and electrical apparatus within buildings of the City of Boston, and for the payment of fees incident to the granting of the privileges above named, and which must be paid in advance.

TO THE BOARD OF ZONING ADJUSTMENT, Room 30, City Hall, relative to changes in the boundary lines of zoning districts of the City of Boston as established by chapter 488 of the Acts of 1924, and amendments thereto.

MORTALITY REPORT.

For the week ending January 4, 1936:
Population as of July, 1935, Massachusetts State Census, 817,713; population estimated July, 1935, United States Census Bureau, 798,568; number of deaths (stillbirths excluded): Residents, 219; nonresidents, 51; total, 270.

Death rate per 1,000 of population:
All deaths, 17.51; nonresidents deducted, 14.20.

Death rate per 1,000 of population:

Last week, 15.37; corresponding week last year, 15.43.

Deaths by age periods, sex, etc.: Under one year, 17; one year to four years, inclusive, 8; sixty years and over, 134. Total deaths: Male, 145; female, 125; deaths in hospitals and institutions, 158; deaths of colored, 8.

REPORTABLE DISEASES: CASES AND DEATHS.*

METHODS OF PUBLIC RELIEF IN YEARS FOLLOWING REVOLUTION AND PRESENT CONTRASTED — RECORDS OF OLD BOSTON ALMSHOUSE FROM 1768 TO 1805, NOW BEING CATALOGUED, PRESENT INTERESTING DOCUMENTARY INFORMATION CONCERNING HABITS AND CUSTOMS OF TIME — CITIES AS FAR AWAY AS NEW YORK WERE BILLED FOR COST AND UPKEEP OF FORMER RESIDENTS LATER LIVING IN BOSTON.

The following article on Public Welfare in former years by the City of Boston has been prepared by the Board of Public Welfare:

Records of the old Boston Almshouse from 1768 to 1805 are being catalogued in the office of the Public Welfare Department, and throw many historical sidelights on the dispensation of public relief as given in the years following the Revolution, which were in sharp contrast to the methods of today.

The records, consisting of a petty ledger, day book, and register, give a vivid and detailed picture of habits and customs in the days just following the Revolution. They show that the Almshouse adopted the method, which is followed today, of charging the upkeep and maintenance of its guests to outside cities and towns where they had previous habitation — a feature now embodied in the Settlement Laws of the Commonwealth.

The records indicate that the Overseers of those days were hospitable to slaves and to Indians, as well as to white residents who had fallen on evil days. Inmates of the Almshouse were not only provided with food, clothing and shelter but were given medical care; and even wines and other liquors were provided with great frequency for "ye sick."

The women's clothing seems to have been limited to one or two varieties of material, and its cost, in view of expenditures of today, was very modest — a little more than a penny a yard for some materials. Apparently, the women were garbed in "baize" in the winter; and in summer they blossomed forth in "callico." One entry in 1792 calls for seventy yards of "tow cloth" at a pistareen (an old Spanish coin amounting to a few cents) a yard. At another time we find the Overseers paying eighteen shillings and eight pence for a "side of sole leather."

The men seemed to fare better, for in May, 1792, a "hatt" was bought for one William Peek for eight shillings, and the following day there is an entry in the day book — "to a jacket and a pair of breeches bought for Peek at twelve shillings."

Such items as "sand" for the Almshouse floors, thread and pins at eight pence, two dozen brooms at six pence each, four quires of writing paper at the high cost of five shillings and eight pence, and four baskets of "charcole," attest to the simple housekeeping and business administration needs of the early days.

RECORDS CATALOGUED.

In cataloguing these old records, John J. Bench, Supervisor of the Settlement Division, has unearthed a wealth of material of interest to antiquarians as well as to relief workers with a flair for research.

Mr. Bench has located, through the Bostonian Society, the exact sites of the first almshouses in Boston, and has discovered that the primitive colonial attempts to care for the poor and alleviate human suffering and the effects of unemployment were centered in the original poorhouse on Park street, opposite the Common, erected in 1682. This building was burned but later rebuilt, and then sold in 1785. A new almshouse was built in 1799 at Barton's Point, and the poor were removed to it in 1802, to South Boston in 1825, to Deer Island in 1853, later to Rainsford Island, and then to Long Island, where the Almshouse was established as a larger and more modern institution, as we know it today.

As a result of delving into the old volumes, Mr. Bench has revealed the following interesting high lights which merely give glimpses of the ways of our ancestors in dealing with those whom

the Overseers now call "clients." We quote from his notes.

"The Boston Almshouse Register, containing the admissions and discharges from 1768 to 1788, is probably the oldest and most interesting book, for this is the period before, during and after the Revolutionary War.

"John Hancock was selectman in 1768-69 together with Samuel Pemberton, Joseph Jackson, Jonathan Mason and John Scollay. Their names appear frequently in the Register, as one or more selectmen signed the orders for admission.

"Many of those admitted were evidently dissatisfied with their treatment, quarters or food, for in the language of the Register 'they jumpt the fence' — meaning they ran away.

"The records were scanned for any reference to the war in 1775, but nothing could be found. No admissions were recorded on March 5 or April 19; and while one man was admitted on June 17, no reference to the battle of Bunker Hill, then raging in Charlestown just across the Charles river, was noted.

"As to the number of admissions, we note that in February, 1796, there were 9 admissions; in January, 1777, 23; and in July, 1788, 35. This would seem to indicate that there was an increase from year to year in the number of applicants for relief.

"Evidently some of the inhabitants of Boston were slaveholders during this period, as on March 1, 1771, a free negro was admitted; on June 15, 1771, George, a negro slave, was taken in; on January 26, 1773, Cuff, a slave, was admitted; and on January 4, 1800, John Houston was charged with the board 'of his negro woman.'

"Another book contains the Almshouse expenses from 1792 to 1794, which enlightens us as to the food supplied and the prices paid in those days.

"Ox heads were frequently purchased at six pence each, presumably to be made into soup. In February, 1794, 63 were furnished, and on another occasion, 55 were purchased on one day.

"About every two months a hogshead of molasses was supplied, averaging 125 gallons, and costing between two and three shillings a gallon. This was probably used as a substitute for sugar.

"Rice, also, was purchased by the cask, averaging three hundred pounds each,

about every month, costing five cents a pound. Wine, rum and brandy were bought 'for ye sick.' In March, 1794, eight gallons of wine were furnished at four shillings a gallon, and two gallons of West India rum at the same price; but a gallon of brandy cost eight shillings. It is possible that ale was brewed in the Almshouse, as malt and hops were frequently purchased. One entry for five bushels of malt was noted, followed by thirty pounds of hops.

"The occasional purchase of turkeys, geese and fowl was seen, these items probably being for the table of the master and his assistants. The prices of these would be interesting to the housekeeper of today, for the turkeys cost two to three shillings apiece, according to weight; geese the same; but fowl cost but a shilling apiece.

"Vegetables were also cheap in price, for we note that on October 25, 1793, twenty bushels of potatoes cost 32 cents a bushel; sixteen bushels of turnips cost one shilling; one and a half bushels of onions cost one shilling. On November 7, 1793, there is an item of ten shillings for poultry and sundries for Thanksgiving.

"Fish must have been plentiful in Boston at this time, for about every week three hundred pounds of fresh fish was purchased at one pence a pound, and occasionally salmon at four pence a pound.

"In May, 1792, 'sparrow-grass' was served five times, costing five pence on each occasion; and we also find greens, radishes and watermelon in their season at eight pence.

"The spinning wheels were constantly in need of repair, as there is frequent mention of one shilling four pence for 'mending spinning wheel.'

"Religious services were held each Sunday in the Almshouse, and we find that Rev. Thos. Williams officiated from May 30 to July 11, 1803, at \$3 a Sunday; Rev. Peter Nurse, August 6, 1803, to April 7, 1804, with the same remuneration; but Rev. Henry Edes, who officiated from April 7, 1804, to April, 1805, received \$4 a Sunday, as did Andrew E. Thayer and E. Pratt.

MEDICAL SERVICE.

"While there was constant demand for medical service, and many bills for same

are noted, the names of the attending doctors were not given. On May 3, 1805, the town of Vinalhaven was charged \$10 for the removal of the leg of Roger Merrihew in the Almshouse. The town of Randolph was charged \$6 'for curing Mary Cole and two children of the itch.'

"On January 25, 1803, Jas. Lovering & Co. was paid \$23.61 for two hundred pounds of tallow, which made 59½ pounds of candles. This item reminds us that candles were probably the only lights in use at that time, and also testifies to the economy of the Overseers in having the candles made in the Almshouse instead of purchasing them.

"We are reminded in the Almshouse petty ledger, 1795 to 1805, that Maine was then part of Massachusetts, and that Portland, Bath, Kittery, Hallowell and other towns were charged for the board of inmates of the Almshouse who were settled in those towns.

"New York City was also billed, and paid for the burial of a body who had settlement there. The cost of burial for adults was \$7, and board in the Almshouse was charged at \$2 a week.

"There is no mention of salaries paid to employees, except that Polly Dunn on October 21, 1793, was paid three pounds twenty-four shillings for twenty-four weeks' service at three shillings a week. This petty ledger is signed March 8, 1805, 'Errors Excepted', by Constant Freeman, Master of Almshouse."

ADDITIONS TO CONTRACT.

DEPARTMENT OF SCHOOL BUILDINGS.

Rugo Construction Company, Incorporated, has been allowed to add to the contract for the Shurtleff Intermediate School as per the following: Furnish and install two (2) tie rods in each lunchroom table top, 146 tops in all, for the sum of \$238.48; and the amount of \$238.48 will be added therefor, making the account as follows: Contract price, \$636,800; total additions, \$8,933.23; amount of contract, \$645,733.23.

URBAN POPULATION, APRIL 1, 1930.

As defined by the Census Bureau, the urban population is, in general, that residing in cities and other incorporated places having 2,500 inhabitants or more, the remainder being classified as rural.

The total urban population of the UNITED STATES is 68,954,823 (34,154,760 males and 34,800,063 females), of whom 62,836,605 (31,162,570 males and 31,674,035 females) are white; of these whites 52,109,746 (25,520,483 males and 26,589,263 females) are native; 33,497,232 (16,515,816 males and 16,981,416 females) of these latter are of native parentage and 18,612,514 (9,004,667 males and 9,607,847 females) are of foreign or mixed parentage; there are 10,726,859 (5,642,087 males and 5,084,772 females) foreign-born white; there are 5,193,913 (2,479,158 males and 2,714,755 females) Negroes; other races, 924,305 (513,032 males and 411,273 females).

The urban population is 56.2 per cent of the total population of the country; native white, 54.6 per cent and foreign-born white, 80.3 per cent; Negroes, 43.7 per cent.

The total urban population of New England is 6,311,976 or 77.3 per cent of the total population of New England. Of the 4,660,339 native white, 2,089,031 are of native parentage and 2,571,308 are of foreign or mixed parentage; foreign-born whites number 1,564,769; Negro, 81,443; other races, 5,425.

EXTENSION OF CONTRACTS.

PUBLIC WORKS DEPARTMENT.

Joseph B. Fish has been granted an extension of the time of completion of the contract for repairing high platform at Albany street disposal station, Boston, from December 29, 1935, to February 1, 1936.

W. H. Ellis & Son Company have been granted a further extension of the time of completion of the contract for reconstructing and improving ferry piers from December 28, 1935, to January 25, 1936.

1934 PAVING BRICK SHIPMENTS DOUBLE 1933.

According to reports received in December by the National Paving Brick Association, Washington, D. C., the total shipments of paving brick used in 1934 were expected to attain a total of 125,000,000, at least double the quantity used in brick pavements in 1933. O. W. Renkert, of Canton, Ohio, president of the association, accounts for this 100 per cent increase over the previous year by citing several factors responsible for expanding the use of vitrified brick as a street and highway surfacing material. The construction of widened arteries of traffic in and through municipalities has been favorable to the heavy-duty type of pavement, such as brick. Relief to traffic is provided where there is the most congestion, and employment is afforded in populated districts where distress is the greatest.

36,000 TRAFFIC DEATHS IN 1934.

The automobile casualty toll for 1934 was 36,000 persons killed in 882,000 personal-injury collisions on streets and highways, according to the Travelers Insurance Company. Pedestrians accounted for 44 per cent of the fatalities.

The death gain was 16 per cent against an increase of only 6 per cent in registrations and gasoline consumption. Fast driving is given as the dominant factor. Alcohol is known to have figured with 3.16 per cent of the drivers and 4.46 per cent of the pedestrians, compared with 2.43 and 2.99 per cent respectively in 1933.

Despite figures indicating that nine out of ten cars involved in accidents were in good condition, three out of every four cars inspected were found to be defective, says the report. Defects were as follows: Brakes bad on 29 per cent of the cars; tires fair to poor on 56 per cent; lamps needed adjustment or replacement on 63 per cent.

CITIES MAY SHARE VIRGINIA LIQUOR PROFITS.

Virginia cities are likely to have a new source of revenue if the state continues to pile up profits at the present rate. The liquor control act gives them two-thirds of the profits above \$1,675,000 per year after deducting sums for creating a surplus up to \$1,000,000. Profits from the liquor stores, says the *United States Municipal News*, have upset all previous estimates and "have confounded, as well, estimates of the members of the A. B. C. Board themselves who at the outset of the state's experiment said they feared no profits at all would result during the first year of operation."

CLAIMS DISAPPROVED.

The Law Department has disapproved thirty-three claims against the City of Boston. These claims are classified as follows:

Building Department, one claim; Fire Department, two claims; Hospital Department, two claims; Institutions Department, one claim; Park Department, five claims; Penal Institutions Department, one claim; Public Works Department, nineteen claims; Traffic Commission, one claim; Welfare Department, one claim.

BOSTON AS A TOWN.

From its foundation until 1755, or a period of 125 years, Boston was not only the most outstanding but the most populous town in the American colonies. In 1760, Philadelphia's population was ahead, viz., 18,756, Boston's then being 15,631 and New York's about 14,000. In the last year of town government, viz., 1821, Boston's population was about 45,000 and its public debt \$100,000, all incurred for new county buildings.

The history of Boston as a town during a period of nearly two centuries surpasses in civic interest that of Boston as a city because of the untiring zeal and successful efforts of its townsmen to realize more of true democracy than had ever been attained before. Their obligations were held as sacred as their liberties.

RECREATION, ADEQUATE AS TO KIND AND AVAILABILITY.

Although the ratio of park acreage to population has been used as the simplest measure of the extent to which cities provide areas for the recreation of their people, it is by no means an accurate basis for determining this. If most of the total acreage is in one large park, if the parks are poorly distributed, or if they do not provide various types of recreation facilities, the park system may be inefficient even though the acreage is large. The efficiently planned park and recreation system will involve balanced relationship and well-distributed location of several types of properties, namely, children's playgrounds, neighborhood playfield parks, neighborhood parks, reservations, boulevards, and parkways.

(Bureau of Labor Statistics, Publication No. 462.)

LOW FATALITY RATE IN PROVIDENCE.

The fatality rate in Providence in 1934 was the lowest in all the years since modern traffic problems have existed, according to figures compiled by the city's traffic bureau. It is believed that the activity herein described was one of the many which have contributed toward this result. Certainly, if speeds can be consistently held down or reduced, there is small doubt that accidents will be decreased.

Traffic authorities in Providence decided in 1932 that a plan of monthly "sampling" of vehicular speeds by actual measurements be carried out, covering about fifty-four locations, none of which should be in congested traffic. This system was worked out and tested in that year, and has been in full operation during 1933 and 1934.

ANNUAL ADDRESS OF MAYOR MANSFIELD.

*(Continued from page 17.)***City Borrowings.**

While the city borrowed approximately \$10,000,000 for welfare purposes in 1935 and must to some extent make borrowings for this purpose in 1936 unless wholesale discharges or paycuts are to be countenanced, it is worthy of note that the borrowings by the city in 1934 and 1935 were less than the borrowings by the city in the year of 1933 alone; that large amounts of debt have been retired in both 1934 and 1935, a fact frequently overlooked by critics; and that the net funded debt of the city is now less than when I took office on January 1, 1934.

That the credit of the city has improved in the last two years is evidenced to some extent by the fact that interest on temporary loans has decreased from an average of 4.03 per cent in 1933 to 1.55 per cent in 1934 and .85 per cent in 1935—and the interest requirements of the city for temporary borrowings were approximately \$600,000 less in 1935 than in 1933. Moreover, interest rates on long term borrowings have decreased from an average rate of 4.32 per cent in 1933 to 3.29 per cent in 1934 and 2.36 per cent in 1935.

B. Temporary Relief for the Unemployed.

In my annual message to your Honorable Body in 1935, I stated that:

"It is my purpose, however, to secure for the employment of residents of Boston a fair and adequate share of all Federal funds granted for relief purposes. Through my repeated efforts more than 15,000 Boston residents heretofore unemployed are now employed on E. R. A. projects and new projects will provide for the employment of 7,000 more. So long as the Federal Emergency Relief Administration continues to operate I shall do all in my power to have formulated, and to supply materials for projects adequate to provide for all persons that the funds provided will employ. It is my purpose to see to it that these projects will be of real value to the city."

In May of 1934, when the Federal Emergency Relief Administration commenced work in Boston, 8,544 persons were cared for on works projects. I have, since that time, made every effort to secure a maximum of Federal funds for the assistance of Boston residents.

Constant contact with Washington officials has been essential and, while we have not received all the assistance for which I hoped and to which I believe we are entitled, we have secured from time to time increased funds for employment in Boston so that by December of 1934 the number of employed was increased to 13,831, in June of 1935 to 26,923 and at present more than 27,000 persons are employed.

To further this work and to secure projects which would be of real benefit to the city, I caused to be formed a board, known as the Works Projects Board, to develop, coordinate and prepare for submission to the Federal Government useful and needed projects.

This board prepared both a Public Works and a Works Projects program. Projects were submitted to the Federal Government amply sufficient to employ usefully all unemployed persons in the city capable of employment.

While the Federal Government has not provided work for all employables on our welfare roll and the city has been obliged to expend over \$1,000,000 in 1935 for materials to be used on these projects,

there can be no doubt that the relief rolls of the city have been saved from greater burdens, that a vast amount of useful work has been done for the city and that the lot of thousands of men and women has been materially relieved pending what I hope will soon be their absorption into private employment.

C. Public Improvements.

Many improvements have been made during the last two years, all of which tend to make Boston a better place in which to live and conduct business. These improvements were made possible partly by E. R. A., P. W. A. and W. P. A. funds and partly by city funds, but they are so numerous that I shall take the liberty of calling some of them to your attention.

One hundred and fifty new streets were accepted by the city and constructed in various sections of Boston, covering approximately twelve miles in length. Ten main traffic arteries were entirely reconstructed, covering approximately twelve additional miles in length. These latter arteries include Alford street in Charlestown, Savin Hill avenue, Adams street and Ashmont street in Dorchester, Old Colony avenue in South Boston and Dorchester; Walk Hill street in Mattapan; Hyde Park avenue in Hyde Park; Southampton street in Roxbury; La Grange street in West Roxbury and Woodrow avenue in Dorchester.

Northern Avenue Bridge, connecting Boston Proper and South Boston, has been reconstructed; Chelsea North Bridge, connecting Boston and Chelsea, has been repaired and strengthened; substantial repairs have been made on both the Summer Street Bridge across Fort Point Channel and the Granite Avenue Bridge between Boston and Milton. Preparations are now being made for a new Chelsea Street Bridge connecting East Boston and Chelsea. This new bridge is to have a roadway seventy feet in width with a hundred-foot draw span sufficiently wide to accommodate the passage of any vessel likely to use Chelsea creek.

Many open brooks, such as Stony brook in West Roxbury, Shephard brook in Brighton, Tenean creek in Dorchester and Maywoods brook in Roxbury, have been confined to underground conduits for the purpose of preventing the continuance of past recurring floods and the damages which those floods create.

The existing high force water service system in Roxbury has been reinforced by more than three miles of forty-eight inch steel water pipe and six thousand feet of forty-eight inch steel water pipe has been laid in Brookline avenue to replace pipe laid there in 1860.

In addition, almost eleven miles of pipe have been laid in various parts of Boston to strengthen the water system.

Ash removal contractors have been notified that they must comply with their contracts and that they can no longer insist on barrels being carried for them by householders to and from the sidewalk.

A new white way has been set up on Washington street between Stuart street and Broadway. Modern concrete posts with better lighting have been provided on Hyde Park avenue, Hyde Park, and improved lighting service has been furnished on Bennington street, East Boston.

The East Boston Airport has been enlarged, surfaced, drained and developed, and its area increased and longer runways provided. A modern flood light-

ing system is now installed and a seaplane runway has been perfected adequate for the needs of modern seaplanes.

The George Wright Golf Course will be ready for opening in 1936 as one of the finest courses in the Commonwealth. A rough wild tract of land, useless for building purposes, has been converted into land of use and beauty—a distinct improvement to the neighborhood and a self-supporting enterprise.

Many improvements have been made both in the larger and smaller parks and playgrounds. Walks have been resurfaced, areas graded, tennis courts built, seats installed, drainage and irrigation systems installed. Baseball diamonds have been laid out and marsh lands reclaimed. Every effort has been made to develop open spaces in congested sections of the city and these efforts have tended to improve entire neighborhoods.

Extensive gymnastic programs have been put in operation and swimming instruction given daily at city beaches and swimming pools. Despite the wide expanse of our beaches, not one fatality occurred in 1935.

The planting of 8,250 trees has tended to beautify many streets and a new wading pool in Hyde Park, the first of its kind in this section of the country, has furnished recreation and relief to children and a resting spot for mothers.

Prior to 1934, Faneuil Hall Market was heated by contract from a State street building. We have since installed there a new heating plant at an estimated saving to the city of about \$4,000 a year.

No thorough renovation of the Quincy Market has been made in one hundred and ten years. As a result, this important historic and income-producing property had structural and sanitary defects so serious that its renovation became essential. This work is now being undertaken.

Much attention has been given the Deer Island House of Correction in the last two years. With inmate labor the Roman Catholic chapel has been renovated and redecorated in appropriate style and an Episcopal chapel established. One room of the institution has been remodeled and refinished and is now used by the inmates for the first time as a library. Machine, electric and paint shops, and a stocking shop have been constructed with inmate labor. Every effort is being made to provide facilities for inmates to render useful service.

Fire prevention work has been vigorously undertaken during the past two years. School Department cooperation has been obtained and over 500,000 inspections have been made to eliminate fire hazards. It is pleasing to note that the fire loss for 1934 in Boston, the last year for which figures are available, is the lowest in any year since 1912 and represents a reduction of almost fifty per cent of the losses of but a few years ago.

Welfare Department activities have been decentralized to bring its services to people in the communities in which they live and eleven district offices have been established in abandoned city buildings or in other city properties.

To guard against frauds, reregistration has been required, accurate records insisted on, skilled employees retained and prosecutions of abuses vigorously maintained.

The Wayfarers' Lodge and the Temporary Home for Women have been rehabilitated, the city's rights to reimbursement from the state and other municipalities enforced and every effort made to assist recipients to obtain private employment.

During the past year I have vigorously protested against increased rates proposed by the Boston Consolidated Gas Company and, through the Law Department, presented an elaborate analysis of the position of that company and the effect of the proposed rates upon consumers.

Great progress has been made in the business of the Port of Boston through the past year. The domestic business of the port has steadily increased. In 1935 our port once again has become an important distributing point for inbound grain. From July 1, 1935, to date approximately 30,000,000 pounds of wool have been handled over Boston piers as compared with some 4,000,000 pounds for a similar period last year. Three new steamship companies now participate in the trade of the port and five have improved their services.

These are but some of the achievements of the past two years. They show definite accomplishment, but there are many things yet to be done. I shall, therefore, devote myself briefly to a discussion of some of my plans for the immediate future.

II. THE IMMEDIATE FUTURE.

One of the major problems which confronted me as a new Mayor was the task of assisting to make Boston again a prosperous city. It is still a major problem, although business conditions have improved. The stimulation of business and industrial activity are essential to local recovery. As a correlated fact, business recovery is the only permanent means of reducing unemployment and its incidental cost.

I propose to aid this recovery by inaugurating a financial plan for Boston. Its purpose will be to stabilize tax and debt conditions so that home owners and business enterprises may confidently look to Boston as a favorable place in which to live and do business. In this program the city must have the cooperation of the county, schools and state.

The tendency of the times of closing eyes to unmistakable trends evident in our community will delay recovery. We should realize that these trends indicate that attention must be centered on retaining present residents and business and creating a situation which will stimulate commercial activity and restore real estate values.

A. Borrowing.

As the first step in launching this rehabilitation program, I propose to reduce substantially the net debt in 1936. During the year we will retire \$8,627,000 of funded debt. It will be my purpose to limit new indebtedness to the amount required for P. W. A. projects heretofore authorized, but not issued, together with a limited amount for welfare loans. The latter will be limited to an amount substantially less than half of this year's loans.

During the next five years Boston will retire \$37,000,000 of its present bonded indebtedness. If this policy is followed in subsequent years and new issues limited to emergencies, it should be possible to reduce the bonded debt to a point where future borrowings could be eliminated altogether, and the city placed on a pay-as-you-go basis. This would save millions in interest payments.

B. Taxation.

The city will do its part to keep the tax rate at \$37 per \$1,000 of assessed valuation in 1936 the same as in 1935, despite reduced assessed valuations. In

this move the city will need the cooperation of all taxing units whose rates are included in this cumulative tax levy. In 1935 the portion of the city levy required for city debt service and maintenance purposes was \$22.58, for school maintenance \$9.35, for the city's share of the state tax \$2.93, and for county debt and maintenance \$2.14.

To accomplish these ends, that is, to decrease substantially borrowings and yet keep the tax rate from rising despite decreasing valuations, an increase in sources of revenue other than the real estate tax must be developed and substantial retrenchments made. New revenues, to some extent, are expected from the Commonwealth while other funds will be obtained by more strenuous collection of available income or by the revision of existing sources. Retrenchments to be recommended will be such as can most readily be made to meet the demands of the situation. I do not intend to effect salary reductions for or discharges of permanent employees. City employees are not being paid excessive salaries. Money paid to them for services performed is an important factor in the business life of the community. The dollar spent by a city employee is just as important to the merchant as that spent by any other individual. When retrenchments are made, there may be some inconvenience resulting, but there will be no material loss in needed municipal services.

Of course, if new sources of revenue are provided by the Commonwealth in sufficient amount to enable a decrease in the tax rate, such decrease will be made.

C. Budget Control.

To assist in accomplishing these ends, I have instructed the City Auditor to set up an allotment system to control expenditures during the six months prior to the passage of the 1936 budget. Departmental encumbrances will be controlled by limiting them on a quarterly basis. A sum less than the 1935 expenditure record will be taken as the basis for determining allotments. This is an important step forward in establishing budgetary control. It should eliminate overspending during the first six months' period, and maintain stability throughout the year by planning and limiting expenditures.

D. Reorganization.

There are at the present time forty-six separate departments in the city government and 135 department heads. Many of these departments perform similar functions and yet, because of the multiplicity of departments, many improvements in one department are unknown to others and much of the benefit of the experiences of one department is lost to other departments performing similar functions. This set-up is antiquated and inadequate. There are ten executive departments in Washington; there are twenty in the Commonwealth. Many large cities operate with from five to fifteen departments. It is obvious that a consolidation of departments is essential for the proper and efficient administration of city affairs.

I recently submitted to the City Council a plan of reorganization of the engineering departments of the city. This plan was prepared by a committee appointed at my request by President Compton of the Massachusetts Institute of Technology. Its merits lie in the coordination of engineering activities, the elimination of unnecessary duplication and better arrangement of functions. It should enable far more economical administration through the facilities af-

forded for more coordinated planning and activity, through the lessening of the necessity for filling vacancies in the event of death or retirement of employees, and through the improvement in the service rendered to the public.

I shall resubmit this plan to your Honorable Body in the near future.

E. New Legislation.

(1.) New Revenues and Relief from the State Tax.

At present the city must include in its tax rate approximately three dollars representing the tax assessed upon it by the Commonwealth. This state tax ultimately imposed on real estate should be eliminated or new revenues provided the city by the state to compensate therefor. The Commonwealth should also share the burden of financing relief as do many of the other states and I will support again a measure to accomplish this end. Borrowing for relief places a mortgage upon the future. The state has within its power the means of financing a substantial portion of the annual cost through currently collected revenue. Such a step would substantially reduce debt requirements now burdening real estate and pay the cost from the increased business resulting from the disbursement of millions to relief recipients.

(2.) Revision of the Tax Limitation Provisions Affecting Boston.

The special commission on municipal finance established by the General Court in 1935 has recommended the abolition of the present tax limitation upon Boston. The present law is obsolete and should be revised so as to enable the early adoption of a city budget and so as to make positive budgetary control in Boston a reality. The report of the commission clearly pointed out that present legislative control over school and municipal appropriations is more of a handicap to sound financing than a safeguard.

The absolute veto power over school appropriations recommended will, if enacted, enable a mayor to protect more effectively the city's finances for which he is now held politically responsible and will place the Mayor of Boston in a position with reference to school appropriations more closely analogous to the position of the mayors of other cities of the Commonwealth.

(3.) Discount for Early Tax Payment.

At the present time property taxes are payable one half in July and one half in November. No penalty, however, is imposed for failure to pay in July. The result is that July collections are relatively small and the city must continue as heretofore to borrow substantial sums in anticipation of revenue. Money may be borrowed at low interest rates for the time being but even now interest payments for temporary borrowings are substantial. I shall recommend to the Legislature that a slight discount be allowed for payment on July 1, the amount of the discount to be less than the interest which the city must pay on temporary loans but sufficient to serve as an incentive to early payment. In this way temporary borrowings may be curtailed and the savings passed on to the taxpayers.

Ultimately we must look to the day when taxes will be paid at the beginning of the year and not at the end, but legislation for this must cover a substantial period of time so as not to work undue hardship on the taxpayer. The potential savings to taxpayers in early payment through the elimination of temporary borrowings is tremendous. Interest payments on

temporary loans from 1925 through 1934 cost the taxpayers of Boston approximately \$3,275,000.

(4.) Revision of Assessment Procedure.

Other improvements are needed to modernize Boston's financial structure. While no definite legislative program has been formulated at this date correcting these weaknesses, I call them to your attention.

The present assessment procedure is cumbersome, and prevents the city from beginning any fiscal year with a definite financial program. Moreover, it encourages abatement litigation. Boston's method of assessment should be worked out on a scientific and modern basis and I expect to be able to accomplish this during the coming year with the assistance and cooperation of experts in this field from Harvard and the Massachusetts Institute of Technology. When this is accomplished, I shall seek the enactment of legislation which will enable the completion of assessments and the finality of valuations prior to the first day of each new fiscal year. While a Board of Tax Appeals with machinery to review decisions of the assessors would be maintained, it is my belief that if a scientific method of assessment is adopted, the Legislature can limit the time for hearing appeals in such a way that all appeals can be adequately disposed of before the commencement of a fiscal year. The present practice of including an item of 2 per cent or $2\frac{1}{2}$ per cent of the total appropriation for "overlay," which is used primarily for rebates made after the taxes are levied, adds to the tax burden of those who receive no adjustments. Any adjustments in assessed valuations should be made before the tax rate is established, then the city will know its tax base and the tax rate will fall equitably upon all taxpayers.

F. Collections.

While tax collections improved during 1935, the accumulated burden of delinquency is heavy. Prompt action must and will be taken to reduce the outstanding delinquency. I intend to emphasize this activity from the very beginning of this year and to set up a definite program of action. There is no desire upon our part to use force in collection. Every cooperation possible will be offered to delinquents but no concessions will be made which would penalize the prompt taxpayer. I realize that economic conditions are responsible for much of the delinquency and will be sympathetic with those who show any effort to work out a plan of payments. The task of tax collector is not a pleasant one but a necessary function if the credit of Boston is to be maintained.

G. Relief for the Unemployed.

We have already commenced on a new program of work relief for the unemployed with the cooperation of the Federal Government. This program is one of useful and needed works for the city.

No effort will be spared by me in securing for Boston residents the fullest share possible of Federal funds for the relief of the unemployed and in seeing to it that those funds are devoted to worth-while uses.

H. Port of Boston.

In my annual address to your Honorable Body in 1935, I stated:

"I shall, in addition, endeavor to upset the control of the New England railroads by the Pennsylvania Railroad and shall strive to secure local control of New England roads or in the event of national consolidation of railroads, a consolidation that will be favorable to Boston and New England to the end that the Port of Boston may become a thriving and flourishing port and receive the full benefit of its natural advantages."

Progress has been made along this line in the past year despite unexpected opposition. I shall continue the struggle against outside domination of our railroads during the coming year and continue to lend full support and assistance to the efforts of the Boston Port Authority in building the business of our port.

Conclusion.

Gentlemen, I have discussed at some length the accomplishments of the past two years and the problems, past and present, of our city. The City of Boston is a great public service corporation, the activities of which touch every phase of social and economic life in the community and are vital to the welfare of every inhabitant. Boston has much to boast of, yet, we must not assume that it can exist on its accomplishments. I intend to follow, and I am sure you will join in following, a positive program which will recognize the problems facing us and meet them squarely. It is our first responsibility to see that every aid is extended to improve the government of this city. Improved government will aid business. Better business means a progressive Boston.

Boston must go forward or backward. The direction rests partially in our hands. Each of us must do our part and ask all others to cooperate in the endeavor and in a united effort to make Boston a better place in which to live and work.

MAYOR MANSFIELD WITHIN RIGHTS IN FINANCE COMMISSION MATTER.

Upon January 7 the Mayor issued the following statement:

The intemperate tone of the statement of the Finance Commission makes it unnecessary for me to reply excepting to that part wherein I am accused of violating the law and of intimidating witnesses.

I am advised by the Corporation Counsel that I was completely within my rights in declining to give in advance to the City Council information about snow-removal equipment bids. Furthermore, Councilor Dowd in a speech to the Council upon that occasion stated that never since he had been a member of the Council had any such information been demanded of a Mayor and that

unless the charter was changed that my position was entirely sound.

The other statement that requires attention is that I imposed the restriction that no records of the city could be examined by the Finance Commission unless my "personal representative sat in on the investigation" and that this was done to intimidate city employees. I never had a personal representative before any investigation of the Finance Commission. A member of the Law Department of the City of Boston was there in custody of the records. No one was intimidated nor was there any intention to intimidate any one.

ASSESSMENTS ABATED.

The Mayor has approved the following vote of the Board of Street Commissioners of the City of Boston:

In the matter of the applications for revision of assessments levied on account of the construction of sewerage works, the Board of Street Commissioners, acting under the provisions of chapter 359 of the Acts of the year 1896, and deeming it just and proper that such action should be taken on said applications,

Ordered, That the amounts hereafter specified, being the annual apportionments of said assessments for the years specified below, be, and the same are hereby abated:

Avard L. Porter et al., Lots 34 and 35, Savannah avenue, 1923-15, assessed December 5, 1923, 1933 apportionment..	\$5 32
Wilfred E. and Rose E. Jansen, Lots 20-21-22, Highview avenue, assessed May 23, 1930, 1930-33, 1934 apportionment.....	23 28
Sarah Mahoney, Lot 2, Myrtlebank avenue, 1926-16, assessed December 20, 1926, 1935 apportionment.....	10 08

PROPOSALS ADVERTISED.

Bids have been asked by advertisement in the *City Record* for the following departments. The attention of contractors and others is especially called to the closing time of receipt of such proposals. This will be published weekly.

DEPARTMENT OF SCHOOL BUILDINGS.

Advertises for proposals for addition and alterations to the English High School. Surety bond will be required in a sum equivalent to the full amount of the contract price. Blank forms for proposals may be obtained at the office of the Department of School Buildings, 11 Beacon street, Boston. Bids, accompanied by certified check in the sum of \$5,000, to be filed at the same office. Duplicate bid, without check, to be filed with the City Auditor.

Bids close Tuesday, January 14, at 2 p. m.

PUBLIC WORKS DEPARTMENT.

Advertises for proposals for constructing a water pipe trestle and fender at the Chelsea Bridge North. Surety bond will be required in a sum equivalent to the full amount of the contract price. Blank forms for proposals may be obtained at the office of the Public Works Department, Room 508, City Hall Annex, Boston. Bids, accompanied by certified check in the sum of \$1,500, to be filed at the same office. Duplicate bid, without check, to be filed with the City Auditor.

Bids close Tuesday, January 21, at 12 m.

PUBLIC WORKS DEPARTMENT (Sanitary Service).

Advertises for proposals for dredging dock at garbage dump station at Albany street, Boston. Surety bond will be required in a sum equivalent to the full amount of the contract price. Blank forms for proposals may be obtained at the office of the Public Works Department, Room 508, City Hall Annex, Boston. Bids, accompanied by certified check in the sum of \$200, to be filed at the same office. Duplicate bid, without check, to be filed with the City Auditor.

Bids close Monday, January 13, at 12 m.

SCHOOL COMMITTEE.

Advertises for proposals for furnishing interfolded paper towels and roll towels for the Boston public schools. Surety bond will be required in a sum equivalent to 50 per cent of the contract price. Blank forms for proposals may be obtained at the office of the Business Manager, School Committee, 15 Beacon street, Boston. Bids, accompanied by certified check in the sum of \$100, to be filed at the same office. Duplicate bid, without check, to be filed with the City Auditor.

Bids close Tuesday, January 14, at 12 m.

Advertises for proposals for furnishing pencils, pens, penholders, chalk, ink and other items for the public schools. Surety bond will be required in a sum equivalent to 50 per cent of the contract price. Blank forms for proposals may be obtained at the office of the Business Manager, School Committee, 15 Beacon street, Boston. Bids, accompanied by certified check in the sum of \$100, to be filed at the same office. Duplicate bid, without check, to be filed with the City Auditor.

Bids close Tuesday, January 21, at 12 m.

Advertises for proposals for furnishing paper, blank books and envelopes for the

public schools. Surety bond will be required in a sum equivalent to 50 per cent of the contract price. Blank forms for proposals may be obtained at the office of the Business Manager, School Committee, 15 Beacon street, Boston. Bids, accompanied by certified check in the sum of \$100, to be filed at the same office. Duplicate bid, without check, to be filed with the City Auditor.

Bids close Wednesday, January 22, at 12 m.

SUPPLY DEPARTMENT.

Advertises for proposals for furnishing flour to the various city departments. Surety bond will be required in a sum equivalent to 25 per cent of the contract price. Blank forms for proposals may be obtained at the office of the Supply Department, Room 801, City Hall Annex, Boston. Bids, accompanied by certified check in the sum of \$300, to be filed at the same office. Duplicate bid, without check, to be filed with the City Auditor.

Bids close Friday, January 17, at 12 m.

Advertises for proposals for furnishing meats to the various city departments. Surety bond will be required in a sum equivalent to 25 per cent of the contract price. Blank forms for proposals may be obtained at the office of the Supply Department, Room 801, City Hall Annex, Boston. Bids, accompanied by certified check in the sum of \$300, to be filed at the same office. Duplicate bid, without check, to be filed with the City Auditor.

Bids close Monday, January 20, at 12 m.

Advertises for proposals for furnishing fruits and vegetables to the various city departments. Surety bond will be required in a sum equivalent to 25 per cent of the contract price. Blank forms for proposals may be obtained at the office of the Supply Department, Room 801, City Hall Annex, Boston. Bids, accompanied by certified check in the sum of \$300, to be filed at the same office. Duplicate bid, without check, to be filed with the City Auditor.

Bids close Tuesday, January 21, at 12 m.

Advertises for proposals for furnishing hay, grain and straw to the various city departments. Surety bond will be required in a sum equivalent to 25 per cent of the contract price. Blank forms for proposals may be obtained at the office of the Supply Department, Room 801, City Hall Annex, Boston. Bids, accompanied by certified check in the sum of \$200, to be filed at the same office. Duplicate bid, without check, to be filed with the City Auditor.

Bids close Wednesday, January 22, at 12 m.

Advertises for proposals for furnishing butter, eggs, etc., to the various city departments. Surety bond will be required in a sum equivalent to 25 per cent of the contract price. Blank forms for proposals may be obtained at the office of the Supply Department, Room 801, City Hall Annex, Boston. Bids, accompanied by certified check in the sum of \$300, to be filed at the same office. Duplicate bid, without check, to be filed with the City Auditor.

Bids close Wednesday, January 22, at 12 m.

Advertises for proposals for furnishing two portable air compressors for the Water Division of the Public Works Department. Surety bond will be required in a sum equivalent to 25 per cent of the contract price. Blank forms for proposals may be obtained at the

office of the Supply Department, Room 801, City Hall Annex, Boston. Bids, accompanied by certified check in the sum of \$300, to be filed at the same office. Duplicate bid, without check, to be filed with the City Auditor.

Bids close Thursday, January 23, at 12 m.

DEPARTMENT CHANGES.

The following changes in the number, rating and compensation of the city employees have been made during the week ending Thursday, January 9:

ASSESSING DEPARTMENT.

The following named have been appointed temporary street clerks, for a period of forty-five working days, effective January 2, at \$4 a day:

Fred A. Bithoney, Henry L. Brady, James A. Colahan, Fred J. Connell, Jr., William H. Fitzpatrick, M. Francis Flynn, Frederick S. Flynn, John J. Flynn, Daniel Hartnett, Michael H. King, Henry W. Maguire, Edward J. McCarthy, William C. McNary, Thomas Morrissey, Mathias T. O'Malley, Samuel L. Pearl, George J. Philpott, Joseph M. Scanlin, Bernard L. Watson, Charles Williams.

AUDITING DEPARTMENT.

The following changes in ratings for two employees have been approved:

Thomas M. Lannon, from disbursement and draft clerk, to chief of disbursement section.

Martin A. Fulton, from clerk to assistant chief of disbursement section.

DEPARTMENT OF SCHOOL BUILDINGS.

Approval has been given for the employment of the following-named persons as clerks of work: J. Francis Roemer, John B. Barry, Joseph M. Norton.

HEALTH DEPARTMENT.

Approval has been given for the promotion of Delia Trayers from cleaner at \$14 a week to cleaner at \$18 a week, vice Catherine Lawton, promoted.

HOSPITAL DEPARTMENT.

The following persons have been employed at the Boston City Hospital during the week ending Thursday, January 9:

To Fill Vacancy.

Permanent.—Dr. Charles Bradford, resident surgeon, \$1,000 a year.

Temporary.—Thomas Freeley, elevatorman, \$16 a week; Mary Ernest, clerk, \$16 a week; Phillip Fay, supervisor, \$32 a week; John McDonell, fireman, \$41.50 a week; Mary Olsen, Margaret McLean, clerks, \$16 a week; James Meehan, porter, \$17.50 a week; William Jordan, fireman, \$41.50 a week; A. Katherine Daly, technician, \$25 a week; Dr. Charles Freed, resident physician, \$1,000 a year; Samuel Odiorne, male nurse, \$32 a week.

The following changes have occurred: Dr. George Mullen, assistant resident surgeon at \$1,200 to temporary resident surgeon at \$1,500 a year.

Special Nurses.—Josephine Boisvert, Margaret Fitzgibbons, Rita Hurley, Richard Gillis, Harry Plenty, Viola McAdam, Mae Bowdoring, Elizabeth Healey, Sara McCaigue, Georgia LeBlanc, Mary Deane, Genevieve Ploski.

South Department.

Henry Swim, kitchenman, temporary, \$17.50 a week; Dorothy Haines, special nurse, \$1.50 a day.

Nurses employed at \$12.50 a month: Mary Alden, Mary Cutress, Edna Durkee, Eleanor McDermott, Mary McGrath, Rose Noamy, Ada Butterfield, Ruth Carlson, Veronica Jordan, Dorothy McDermott, Franulia Matthews, Margaret Sullivan, Evelyn Coakley, Miriam Denzer, Frances LaRock, Dorothy McGrade, Rita Moriarty, Sophie Young.

HOSPITAL DEPARTMENT (Sanatorium Division).

The following persons have been appointed at the Sanatorium Division during the week ending Thursday, January 9:

Mazie MacIntyre, Elizabeth Coughlin, Sally Quirk, nurses, \$1,020 a year; Henry Gutterman, choreman (temporary), \$14 a week; Diego Pedione, choreman, \$17.50 a week; James Tobin, choreman (temporary), \$17.50 a week; Thomas Thompson, Charles Williams, night supervisors (temporary), \$4 a night; Joseph Coveney, John O'Connor, John Daly, Michael Connors, Lena DeSolo, maids (patients) (temporary), \$240 a year; John O'Connor, Joseph Merciante, Sydney McQueen, John Crafts, male nurses (patients) (temporary), \$480 a year; Paul Curtis, night supervisor (temporary), \$4 a night; Timothy F. Keane, watchman, \$25 a week.

The following persons have ceased to be employed:

Mazie MacIntyre, Elizabeth Coughlin, Sally Quirk, nurses (temporary), \$1,020 a year; Henry Gutterman, Robert Buebear, choremen (temporary), \$17.50 a week; Samuel H. Cohn, M. D., resident medical officer, fourth assistant, \$1,800 a year; John H. Warner, M. D., interne, \$1,200 a year.

INSTITUTIONS DEPARTMENT.

Dr. Sherburne Krieger has been appointed house officer at the Long Island Hospital, for the period January 15 to June 30, to take the place of Doctor You, who has resigned.

The following changes will be made in the personnel for the week ending Thursday, January 9:

Long Island Hospital.

Appointments: Marguerite A. Molineaux, institution employee, housemaid, \$500 a year, temporary; Ellen Mackie, institution employee, attendant, \$600 a year, temporary; Evelyn Porter, institution employee, waitress, \$316 a year, temporary; Norman J. Barry, institution employee, attendant, \$600 a year, temporary; James A. Waldron, institution employee, watchman, \$600 a year, temporary; William L. Maguire, institution employee, cook, \$600 a year, temporary.

Resignations: Patrick J. Murphy, institution employee, helper in paint shop, \$700 a year, voluntary; Alexander MacNeil, institution employee, cook, temporary, \$600 a year voluntary; Margaret Reid, institution employee, wardmaid, \$526 a year, voluntary.

Transfers: Lewis A. Gorrell, institution employee, attendant, \$600 a year, from porter at \$526 a year; Walter A. Tower, institution employee, porter, \$526 a year, from cook, at \$600 a year, temporary; Rachel A. Pelletier, institution employee, waitress, \$316 a year, from housemaid at \$500 a year.

Steamers "Hibbard" and "O'Meara."

Appointment: John J. Columbo, institution employee, deckhand, \$1,700 a year, temporary.

Transfer: John J. Columbo, institution employee, oiler, temporary, \$1,900 a year, from deckhand, temporary, \$1,700 a year.

Employment Terminated: John J. Columbo, institution employee, oiler, temporary, \$1,900 a year.

LAW DEPARTMENT.

Joseph C. McLaughlin has been reappointed as special assistant investigator at \$22 a week, for the period beginning January 1 and ending January 24.

OVERSEERS OF THE PUBLIC WELFARE.

Approval has been given for the continued provisional temporary employment of the following persons as social workers, up to and including January 31, at \$1,000 a year:

Phoebe Cannon, Kathleen Conley, Margaret Connors, Virginia Grimes, Mary F. Kenney, John H. McNulty, Mary E. Norton, Helen F. O'Connell, E. Frances O'Neil, Howard Pierce, Virginia E. Prout, Mary E. Robertson, Eva R. Sacco, Peter Siragusa.

Approval has been given for the continued provisional temporary employment of the following persons as assistants to social workers, up to and including January 31, at \$1,000 a year:

Daniel I. Cronin, James F. Dunn, Domenic Esposito, Frederick Hodge, Frances G. Kelly, Edward V. Lahey, James B. Mullin, Francis X. Morrissey, Charles A. Saya, Mary R. Shea, Lillian R. Zilg.

Approval has been given for the continued provisional temporary employment of the following persons as aid and settlement agents, up to and including January 31, at \$1,000 a year:

Harold Aronson, Frances A. Broussard, Charles Brack, Mary Breen, Doris L. Burke, Helen J. Clancy, Eleanor M. Crosby, Marie F. Curran, Helen M. Dooley, Edna M. Driscoll, Mary R. Feeney, Joseph I. Feldman, Geraldine F. Fitzgerald, Agatha Francis, Angeline M. Giorgione, Katherine F. Gordon, Allan A. Grant, William S. Gushee, Alice D. Hart, Della Hatton, Mary Hurley, Annie E. Immick, Esther N. Jackson, Coleman Joyce, Katherine I. Joyce, William L. Kelley, Margaret Kiley, Katherine G. Krohn, David F. Leahy, Helen F. Lenehan, Joseph P. Leonard, Gertrude E. Mansfield, Rita M. Maroney, Betty Miller, John Minton, John A. Molineaux, Katherine E. Mullen, Henry G. Mullowney, John F. Mungovan, Joseph W. Murphy, Dorothy E. Macdonald, Mary L. Macdonald, Marion E. McAuley, Edmund J. McCarthy, Stephen J. McMahon, Hugh W. McNulty, Lillian McPeake, Elenore J. Nowell, John C. Piggott, John E. Powers, Joseph Reardon, Grace L. Rogers, Edward S. Ryan, Thomas Ryan, Joseph W. Scally, Mary R. Smith, Sam Steinman, Josephine Sullivan, Mary E. Sullivan, Walter F. Sullivan, Lillian Taylor, Katherine P. Toomey, Agnes G. Towle, Mildred A. Walker, Margaret Warren, L. Lorimer Williams, Kathryn McGrath.

PARK DEPARTMENT.

Approval has been given for the extension of the temporary employment,

from December 25 to December 31, 1935, of Margaret M. Hall, as a matron at \$22 a week.

PUBLIC BUILDINGS DEPARTMENT.

The change in rating of George J. Higgins from electric elevator repairman at \$2,600 a year to wire inspector and electrician at \$2,700 a year, retroactive to January 1, 1935, has been approved.

The temporary employment of John F. Craven as ambulance driver, at \$30 a week (seven days a week), has been extended for a period of two months beginning November 1.

Thomas Costello has been appointed for a temporary period of three months as clerk of works at \$50 a week.

PUBLIC WORKS DEPARTMENT (Ferry Service).

CONTRACTS AWARDED.

Permission to award contracts for work, materials and supplies, in accordance with recommendations of department heads, has been approved by the Mayor.

DEPARTMENT OF SCHOOL BUILDINGS

Upon January 3 the Mayor approved a contract with Boston Blue Print Company for blueprinting for the year 1936. The following communication has been received.

BOSTON, December 31, 1935.

HON. FREDERICK W. MANSFIELD,
Mayor of Boston.

DEAR SIR,—The bids for blueprinting for the year 1936 for the department, submitted to me and opened December 27, 1935, were as follows:

Charles Bruning Company, Incorporated, 3 cents a square foot*; Spaulding-Moss Company, 3 cents a square foot; Modern Blue Print Company, 3 cents a square foot; B. L. Makepeace, Incorporated, 3 cents a square foot; Hutcheson Company, Incorporated, 3 cents a square foot; Boston Blue Print Company, Incorporated, 3 cents a square foot.

The discount offered by the Charles Bruning Company would seem to make them the favorable contractor and it was our intention to award them the bid. However, under date of December 28, we hold a letter from that firm stating, in part, "as a result of a misunderstanding at this office we have submitted a bid on your blueprint requirements which is in error. We have indicated on our bid a quantity discount which is applicable only to our regular square foot price, whereas we intended to quote you a special price of three cents per square foot net. As a result of this unfortunate error we request your permission to withdraw our bid assuming, of course, that our certified check will be returned."

I believe that it is to the best interests of the city to allow these people to withdraw their bid and to award the contract

to the Boston Blue Print Company, which have had it for the past several years and whose service is entirely satisfactory in all respects.

Your Honor's approval is respectfully requested.

Respectfully yours,

WM. W. DRUMMEY.

Superintendent of Construction.

* Quantity discount applicable to each month's business: Up to \$50, net; from \$50 to \$200, 10 per cent; from \$200 to \$400, 20 per cent; from \$400 up, 30 per cent.

SUPPLY DEPARTMENT.

Upon January 4 the Mayor approved contracts with several firms for furnishing snow-removal equipment. Communications upon which the awards were based were received from D. Frank Doherty, Superintendent of Supplies, as follows:

BOSTON, January 2, 1936.

HON. FREDERICK W. MANSFIELD,
Mayor of Boston.

DEAR MR. MAYOR,—Under date of November 8, 1935, publicly advertised proposals were opened and read at this office, calling for snow-removal equipment, to be delivered to the Public Works Department and the Park Department, City of Boston. A committee was appointed to consider bids and make recommendations as to the equipment best suited to the needs of these departments. The recommendations of this committee have been followed in general, but in some instances I have made recommendations which differ in some respects from the findings of the committee.

In view of the explanation given above, I would respectfully request that permission be granted me to award a contract to the Stewart Motor Truck Company of New England, 525 Harvard street, Brookline, Mass., for the following:

Eight 3½ to 5 ton dump trucks for ashes (Public Works Department), \$42,112.40.

Respectfully yours,

D. FRANK DOHERTY,

Superintendent of Supplies.

BOSTON, January 2, 1936.

HON. FREDERICK W. MANSFIELD,
Mayor of Boston.

DEAR MR. MAYOR,—Under date of November 8, 1935, publicly advertised proposals were opened and read at this office, calling for snow-removal equipment, to be delivered to the Public Works Department and the Park Department, City of Boston. A committee was appointed to consider bids and make recommendations as to the equipment best suited to the needs of these departments. The recommendations of this committee have been followed in general, but in some instances I have made recommendations which differ in some respects from the findings of the committee.

In view of the explanation given above, I would respectfully request that permission be granted me to award a contract to the Massachusetts Motor Car Company, 989 Commonwealth avenue, Boston, Mass., for the following:

Five 1½-ton dump trucks, Dodge (Park Department), \$4,271.30.

Respectfully yours,

D. FRANK DOHERTY,
Superintendent of Supplies.

BOSTON, January 2, 1936.

HON. FREDERICK W. MANSFIELD,
Mayor of Boston.

DEAR MR. MAYOR,—Under date of November 8, 1935, publicly advertised proposals were opened and read at this office, calling for snow-removal equipment, to be delivered to the Public Works Department and the Park Department, City of Boston. A committee was appointed to consider bids and make recommendations as to the equipment best suited to the needs of these departments. The recommendations of this committee have been followed in general, but in some instances I have made recommendations which differ in some respects from the findings of the committee.

In view of the explanation given above, I would respectfully request that permission be granted me to award a contract to the Barber-Greene Company, 27 Commercial avenue, Cambridge, Mass., for the following:

Eight snow loaders (Public Works Department), \$27,535.04.

Respectfully yours,

D. FRANK DOHERTY,
Superintendent of Supplies.

BOSTON, January 2, 1936.

HON. FREDERICK W. MANSFIELD,
Mayor of Boston.

DEAR MR. MAYOR,—Under date of November 8, 1935, publicly advertised proposals were opened and read at this office, calling for snow-removal equipment, to be delivered to the Public Works Department and the Park Department, City of Boston. A committee was appointed to consider bids and make recommendations as to the equipment best suited to the needs of these departments. The recommendations of this committee have been followed in general, but in some instances I have made recommendations which differ in some respects from the findings of the committee.

In view of the explanation given above, I would respectfully request that permission be granted me to award a contract to the Good Roads Machinery Corporation, Kennett square, Pennsylvania, for the following:

Thirty snowplows, Model 10-F (Public Works Department), \$7,226.10; three snowplows, Model 30-X, with frame attachment (Park Department), \$464.53;

five snowplows, Model 10-F (Park Department), \$1,204.35; three snowplows, Model 10-F, with special push frame, four-wheel drive (Park Department), \$820.26. Total, \$9,715.24.

Respectfully yours,

D. FRANK DOHERTY,
Superintendent of Supplies.

BOSTON, January 2, 1936.

HON. FREDERICK W. MANSFIELD,
Mayor of Boston.

DEAR MR. MAYOR,—Under date of November 8, 1935, publicly advertised proposals were opened and read at this office, calling for snow-removal equipment, to be delivered to the Public Works Department and the Park Department, City of Boston. A committee was appointed to consider bids and make recommendations as to the equipment best suited to the needs of these departments. The recommendations of this committee have been followed in general, but in some instances I have made recommendations which differ in some respects from the findings of the committee.

In view of the explanation given above, I would respectfully request that permission be granted me to award a contract to the Monarch Manufacturing Company, 36 Pleasant street, Watertown, Mass., for the following:

Ten heavy duty Monarch plows (Public Works Department), \$4,702.05; one Monarch Big Chief plow (Park Department), \$637.07. Total, \$5,339.12.

Respectfully yours,

D. FRANK DOHERTY,
Superintendent of Supplies.

BOSTON, January 2, 1936.

HON. FREDERICK W. MANSFIELD,
Mayor of Boston.

DEAR MR. MAYOR,—Under date of November 8, 1935, publicly advertised proposals were opened and read at this office, calling for snow-removal equipment, to be delivered to the Public Works Department and the Park Department, City of Boston. A committee was appointed to consider bids and make recommendations as to the equipment best suited to the needs of these departments. The recommendations of this committee have been followed in general, but in some instances I have made recommendations which differ in some respects from the findings of the committee.

In view of the explanation given above, I would respectfully request that permission be granted me to award a contract to the Four-Wheel Drive Auto Company, 130 North Beacon street, Brighton, Mass., for the following:

Four 7 to 10 ton dump trucks, four-wheel drive, including full plowing equipment (Public Works Department), \$46,312.84.

Respectfully yours,

D. FRANK DOHERTY,
Superintendent of Supplies.

BOSTON, January 2, 1936.

HON. FREDERICK W. MANSFIELD,
Mayor of Boston.

DEAR MR. MAYOR,—Under date of November 8, 1935, publicly advertised proposals were opened and read at this office, calling for snow-removal equipment, to be delivered to the Public Works Department and the Park Department, City of Boston. A committee was appointed to consider bids and make recommendations as to the equipment best suited to the needs of these departments. The recommendations of this

committee have been followed in general, but in some instances I have made recommendations which differ in some respects from the findings of the committee.

In view of the explanation given above, I would respectfully request that permission be granted me to award a contract to the Sandberg Truck Equipment Company, 44 Amherst street, Cambridge, Mass., for the following:

Five Model T. A.-40, McCormick-Deering tractors, with bulldozer, cab and plow, complete (Public Works Department), \$21,115.

Respectfully yours,

D. FRANK DOHERTY,
Superintendent of Supplies.

BOSTON, January 2, 1936.

CIVIL SERVICE EXAMINATIONS.
(STATE.)

STATE EXAMINERS OF ELECTRICIANS.

Examinations, 1936.

Examinations will be held at the following points and on the following dates:

Boston, Monday, February 3.
 Worcester, Wednesday, February 5.
 Boston, Monday, March 2.
 Fall River, Wednesday, March 4.
 Fall River, Thursday, March 5.
 Boston, Monday, April 6.
 Springfield, Wednesday, April 8.
 Boston, Monday, May 4.
 Worcester, Wednesday, May 6.
 Boston, Monday, June 8.
 Boston, Monday, September 14.
 Worcester, Wednesday, September 16.
 Springfield, Thursday, October 15.
 Pittsfield, Friday, October 16.
 Boston, Monday, November 2.
 Lowell, Wednesday, November 4.
 Boston, Monday, December 7.
 New Bedford, Wednesday, December 9.
 New Bedford, Thursday, December 10.

Rules for Examinations.

All examinations shall be given in English.

Applicants for Class B or journeyman's certificate must be at least eighteen years of age and have had at least two years' practical experience or the equivalent in the installation of wires, conduits, apparatus, fixtures and other appliances for carrying or using electricity for light, heat or power purposes.

Applicants for Class A or master's certificate must be at least twenty-one years of age and have had at least two years' experience in the business of installing wires, conduits, apparatus, fixtures and other appliances for carrying or using electricity for light, heat or power purposes.

Examinations shall consist of applicant's knowledge of the National Electrical Code and practical electrical work.

All persons desiring to be examined, either for a master or journeyman certificate, shall have application on file at least ten days previous to the date of such examination.

Applicants for examination will be required to obtain at least 70 per cent in order to obtain a certificate.

Applicants who fail to obtain the required 70 per cent will not be entitled to re-examination until a period of three months has elapsed, and those who receive less than 50 per cent, or who fail on the practical demonstration, will not be re-examined for a period of six months.

Any person found referring to notes or books, or misbehaving during an examination, will be debarred from that examination.

Notice will be sent to applicants for certificates when and where examination will be held and only those so notified will be examined on that day.

LAND-TAKING IN BRIGHTON.

The Mayor has approved the order of the Board of Street Commissioners for the taking of land for a public improvement consisting of the laying out and construction of Ruth road, Brighton district, as a highway, northerly from Faneuil street, with the name of Bonnie road or some other distinctive name, bounded and described as follows:

A highway named Bonnie road is hereby laid out, northerly from Faneuil street for a distance of approximately five hundred and fifteen feet, and ordered constructed, the cost thereof to be charged to Federal Funds.

Said highway and the land, exclusive of trees or structures standing upon or affixed thereto, in which an easement for street purposes is hereby taken, is bounded and described as follows:

Southerly by Faneuil street, thirty-nine and 74-100 feet; westerly by the westerly line of said Bonnie road as hereby laid out, by two measurements, two hundred thirty-one and 4-100 feet and two hundred ninety-seven and 30-100 feet; northerly by the northerly line of said Bonnie road as hereby laid out, thirty-five and 73-100 feet; and easterly by the easterly line of said Bonnie road as hereby laid out, by two measurements, two hundred and ninety feet and two hundred twelve and 11-100 feet.

Included in the above described land (taken hereunder) are parts of certain parcels of land registered in the Land Court, said parcels being shown on the plan hereinbefore referred to, and said parts being the portions of said registered parcels which lie between the side lines of said Bonnie road (Ruth road) and the middle line thereof; the owners of said portions, the number of the certificate of title and the book and page where the same is registered are as follows:

Annie A. Brogie, Cert. No. 27993, Book 135, page 193.

Annie A. Brogie, Cert. No. 31549, Book 153, page 149.

Timothy A. Hallahan and Delia Hallahan, Cert. No. 27493, Book 133, page 93.

Annie M. Murray, Cert. No. 27228, Book 132, page 28.

Charles E. Kavanagh and Agnes B. Kavanagh, Cert. No. 27394, Book 132, page 194.

James Squires, Cert. No. 33328, Book 162, page 128.

Annie A. Brogie, Cert. No. 26535, Book 128, page 135.

John A. Johnson, Cert. No. 33612, Book 164, page 12.

Florence Crittenton League of Compassion, Cert. No. 12803, Book 60, page 3.

Voted, That this Board determines that no person sustains damages in his estate by the making of the public improvement, consisting of the laying out and construction of Bonnie road (formerly Ruth road), Brighton district, as a highway, northerly from Faneuil street for a distance of approximately five hundred and fifteen feet, under the order of the Board of January 3, 1936, and awards no damages therefor.

TRAFFIC COMMISSION RULINGS.

Voted, That as urgently required by considerations of public safety and convenience, during the period of street construction, estimated to be thirty (30) days, vehicles are excluded from the following street, effective January 6, 1936:

Brewster Street, South Boston.

From East Seventh street to East Eighth street.

PROCEEDINGS OF CITY COUNCIL.

Monday, December 30, 1935.

Regular meeting of the City Council in the Council Chamber, City Hall, at 2 p. m., President FITZGERALD in the chair. Absent, Coun. Dowd and Murray.

SALARIES OF CHOREMEN AT SANATORIUM.

The following was received:

City of Boston,
Office of the Mayor, December 28, 1935.
To the City Council.

Gentlemen,—I transmit herewith a communication from the trustees of the Boston City Hospital, relative to your order of December 2, 1935, concerning a request that the choremen at the Boston Sanatorium be placed on the same salary basis as those employed in the City Hospital.

Respectfully,
FREDERICK W. MANSFIELD, Mayor.

City of Boston,
Hospital Department, December 20, 1935.
Hon. Frederick W. Mansfield,
Mayor of Boston.

Dear Mr. Mayor,—At a meeting of the Board of Trustees held today, an order of the City Council was presented in regard to placing of choremen at the Boston Sanatorium on the same salary basis as those employed in the City Hospital. The trustees feel that the work at the Sanatorium is not comparable with the work at the Main Hospital.

The present scale of wages for choremen at the Sanatorium has continued unchanged for a long time. If an increase in salary was given it would represent \$194 per week, which would run into a considerable amount of money during the year.

As a matter of economy, the trustees prefer to allow the salaries to remain unchanged at least for this year.

Respectfully yours,
JOSEPH P. MANNING,
President, Board of Trustees.

Placed on file.

CROSSING OF STREETS BY PEDESTRIANS.

The following was received:

City of Boston,
Office of the Mayor, December 26, 1935.
To the City Council.

Gentlemen,—I transmit herewith a communication from the Traffic Commissioner, relative to your order of December 16, 1935, concerning the request that a survey be made of all signal lights for the purpose of determining whether or not the pedestrians can be given a longer period of time to cross the street.

Respectfully,
FREDERICK W. MANSFIELD, Mayor.

City of Boston,
Traffic Commission, December 26, 1935.
Hon. Frederick W. Mansfield,
Mayor of Boston.

Dear Sir,—This will acknowledge receipt of a letter dated December 19, 1935, from John F. Gilmore, Jr., Assistant Secretary to your Honor, ordering consideration and report of Council order of December 16, 1935, requesting this commission to make a "survey of all signal lights and make the necessary changes in the timing of the pedestrian light, whereby pedestrians may have time to cross the intersection before the light changes for other traffic."

In the spring of this year the engineers of this commission made a survey of the timing at all the traffic signals in the City of Boston. At that time, wherever practicable and consistent with moving vehicular traffic, pedestrian intervals were lengthened in the traffic signals.

At present a complete study of the timing at all signals is being made in collaboration with the engineers of the State Department of Public Works.

It is regrettable that it is impossible at certain locations to give exclusive intervals to pedestrians as long as desirable because of the fact that the delay to vehicular traffic would result in congestion and confusion which would increase rather than lessen the hazard to pedestrians.

Respectfully yours,
WILLIAM P. HICKEY, Commissioner.

Placed on file.

WARD 7 TRAFFIC SIGNALS.

The following was received:

City of Boston,
Office of the Mayor, December 26, 1935.
To the City Council.

Gentlemen,—I transmit herewith a communication from the Traffic Commissioner, relative to your order of December 16, 1935, concerning the

request to install automatic traffic signals at certain locations in Ward 7.

Respectfully,
FREDERICK W. MANSFIELD, Mayor.

City of Boston,
Traffic Commission, December 26, 1935.
Hon. Frederick W. Mansfield,
Mayor of Boston.

Dear Sir,—I have the honor to acknowledge receipt of Council order dated December 16, 1935, which reads as follows:

"Ordered, That the Traffic Commission be requested, through his Honor the Mayor, to install automatic traffic signals at the following locations in Ward 7: Dorchester and Eighth streets; L and Eighth streets; Old Colony road and Preble street; Andrew square; Edward Everett square."

I regret to say that there are no funds available at this time for the installation of automatic traffic signals at these locations.

Three of the intersections, namely, East Eighth and L streets, Old Colony avenue and Preble street, and Andrew square, are on a list of locations where this commission has recommended the installation of traffic signals when funds are made available.

Respectfully yours,
WILLIAM P. HICKEY, Commissioner.
Placed on file.

COOPERATION IN SAFETY CAMPAIGN.

The following was received:

City of Boston,
Office of the Mayor, December 21, 1935.
To the City Council.

Gentlemen,—I herewith transmit a letter from the Traffic Commissioner, relative to your order of December 2, 1935, concerning a request that the Traffic Commission cooperate with the Parkway Transcript and the Roslindale Board of Trade and other civic organizations in their safety campaign.

Respectfully,
FREDERICK W. MANSFIELD, Mayor.

City of Boston,
Traffic Commission, December 19, 1935.
Hon. Frederick W. Mansfield,
Mayor of Boston.

Dear Sir,—Re letter of December 5, 1935, from John F. Gilmore, Jr., Assistant Secretary to your Honor, ordering consideration and report on Council order dated December 2, 1935, requesting the Traffic Commission to cooperate with the Parkway Transcript and the Roslindale Board of Trade and other civic organizations in their safety campaign by placing suitable markings on the surfaces of the streets at the entrances to West Roxbury and Roslindale, as a warning to motorists to drive slowly and look out for children. The efficacy of painted legends on roadways toward reducing accidents is doubtful.

The roadway painting program has been completed for the year. Painted lines obviously are not visible during the season when snow and ice are on the surface of streets.

I suggest that the civic organizations referred to in the Council order contact this department in the early spring and we will be happy to cooperate with them in any effort being made to promote safety for the children of the districts they represent.

Respectfully yours,
WILLIAM P. HICKEY, Commissioner.
Placed on file.

BORROWING AGAINST TAX TITLES.

The following was received:

City of Boston,
Office of the Mayor, December 30, 1935.
To the City Council.

Gentlemen,—In order to comply with requirements of the Emergency Finance Board as to the form of the order pertaining to the borrowing from the Commonwealth of \$3,000,000 against tax titles, which borrowing was approved by your Honorable Body under date of December 16, 1935, I submit herewith an appropriation order providing that the proceeds of the loan in question shall be applied to the payment of revenue loans issued during the current year. This order supplements the loan order of December 16, and since it is required by the Emergency Finance Board before final consideration of the proposed loan, I respectfully recommend its adoption by your Honorable Body.

Respectfully,
FREDERICK W. MANSFIELD, Mayor.

Ordered, That the proceeds of tax title loans to be issued under the authority contained in the order passed by the City Council under date of December 16, 1935, and approved by the Mayor December 17, 1935, be, and hereby are, appropriated to pay revenue loans of 1935.
Referred to Executive Committee.

CLASSIFICATION PLANS FOR SUFFOLK COUNTY EMPLOYEES.

The following were received:

City of Boston,
Office of the Mayor, December 27, 1935.
To the City Council.

Gentlemen,—I transmit for consideration by your Honorable Body the addition proposed by the

Budget Commissioner to the Compensation and Classification Plans for the Officers and Employees of Suffolk County.

Respectfully,
FREDERICK W. MANSFIELD, Mayor.

City of Boston,
Budget Department, December 27, 1935.
To the City Council.

Gentlemen,—Under the provisions of Rule 3, "Classification of New Positions," of the Compensation and Classification Plans for the Officers and Employees of Suffolk County, "whenever a new position is established . . . the appointing authority shall forthwith report this fact to the Budget Commissioner with a full statement of the circumstances and a description of the duties as changed." Under the provisions of this rule the Penal Institutions Commissioner has requested that the position of working foreman-farmer be established at the House of Correction. After investigation of the actual and proposed duties and responsibilities, the following new position is proposed:

Title of Class: Working Foreman-Farmer.

Duties: Under supervision to have charge of, and be responsible for, the work in connection with the farming operations at the House of Correction; to supervise and instruct inmates as to the proper methods of planting, care, cultivation and harvesting of garden truck and other crops; and to perform other related work as required.

Range of Compensation: Annual \$1,800-\$1,900-\$2,000-\$2,100-\$2,200.

Respectfully,
FRANCIS J. MURRAY,
Budget Commissioner.

Ordered, That the Compensation and Classification Plans for the Officers and Employees of Suffolk County, as adopted by the City Council on April 13, 1931, and approved by the Mayor on April 15, 1931, be, and the same hereby are, amended to include the following new position:

Title of Class: Working Foreman-Farmer.

Duties: Under supervision to have charge of, and be responsible for, the work in connection with the farming operations at the House of Correction; to supervise and instruct inmates as to the proper methods of planting, care, cultivation and harvesting of garden truck and other crops; and to perform other related work as required.

Range of Compensation: Annual \$1,800-\$1,900-\$2,000-\$2,100-\$2,200.

City of Boston,
Office of the Mayor, December 30, 1935.
To the City Council.

Gentlemen,—I transmit for consideration by your Honorable Body the amendment proposed by the Budget Commissioner to the Compensation and Classification Plans for the Officers and Employees of Suffolk County.

Respectfully,
FREDERICK W. MANSFIELD, Mayor.

City of Boston,
Budget Department, December 30, 1935.
To the City Council.

Gentlemen,—Under the provisions of Rule 7, "Amendment to the Compensation Plan," of the Compensation and Classification Plans for the Officers and Employees of Suffolk County, "whenever in his judgment the compensation for any class or group of classes, as provided in the compensation plan, is in need or revision, the Budget Commissioner shall report such fact, in writing, to the City Council, together with his reasons therefor and with revised schedules of compensation for such class or classes . . ." Under the provisions of this rule I have made an investigation and study of the dental work necessary at the House of Correction, and in my opinion the dentist, under the present range of compensation which provides for approximately one day per week, is unable to give sufficient attention to the vast number of inmates requiring dental treatment. I therefore recommend that provision be made for approximately two days per week and that the Compensation Plan be amended as provided in the accompanying order.

Respectfully,
FRANCIS J. MURRAY,
Budget Commissioner.

Ordered, That the Compensation and Classification Plans and Rules for the Officers and Employees of Suffolk County as adopted by the City Council on April 13, 1931, and approved by the Mayor on April 15, 1931, be, and the same hereby is, amended as follows:

In the class "Dentist" under the "Range of Compensation," strike out the amount \$1,000 and insert in its place the amount \$2,000, so as to read as follows:

"Annual, maximum not to exceed \$2,000."

Severally referred to the Executive Committee.

PETITIONS REFERRED.

The following petitions were received and referred to the committees named, viz.:

Claims.

Kate Bornstein, for compensation for injuries caused by an alleged defect at 183 Chestnut Hill avenue.

Boston Leather Company, for refund on refuse tickets.

James J. DeLisse, for compensation for damage to property at 107 Cambridge street, caused by broken water pipe.

M. P. White Company, for compensation for damage to property at 55 Stuart street, caused by defective water pipe.

Hortense Myers, for compensation for damage for loss of coat at City Hospital.

APPOINTMENT OF CLERK, EAST BOSTON COURT.

Notice was received from the Secretary of the Commonwealth of appointment of William H. Barker as Clerk of District Court of East Boston District.

Placed on file.

DESIGNATION OF REV. THOMAS R. REYNOLDS.

Notice was received from the Massachusetts State Board of Housing of appointment of Rev. Thomas R. Reynolds, St. Stephen's Rectory, 24 Clark street, Boston, as its representative member of Boston Housing Authority for term of three years.

Placed on file.

MINORS' LICENSES.

Petitions were received for minors' licenses for eleven newsboys. Licenses granted under usual conditions.

SOLDIERS' RELIEF.

Coun. KERRIGAN, for the Committee on Soldiers' Relief, submitted report recommending passage of order for payment of aid to soldiers and sailors and their families in the City of Boston for the month of December, 1935.

Report accepted; said order passed.

APPROPRIATION FOR SOCIAL LAW LIBRARY.

Coun. ROBERTS offered the following: Ordered, That there be allowed and paid to the proprietors of the Social Law Library the sum of one thousand dollars for the maintenance and enlargement of said library, said sum to be charged to the appropriation for County of Suffolk, Social Law Library.

Passed under suspension of the rule.

RECESS.

The Council voted at 2.42 p. m., on motion of Coun. SELVITELLA, to take a recess subject to the call of the Chair. The members reassembled in the Council Chamber and were called to order by President FITZGERALD at 4.18 p. m.

EXECUTIVE COMMITTEE REPORTS.

Report on message of Mayor and order (referred today) amending Compensation and Classification Plans and Rules for Officers and Employees of Suffolk County in re compensation for dentists—that same ought to pass.

Report accepted; order passed.

2. Report on message of Mayor and order (referred today) that proceeds of tax title loans to be issued under authority in order passed December 16 be appropriated to pay revenue loans of 1935—that same ought to pass.

Report accepted; said order passed, yeas 19, nays 0.

ADDITIONAL COURTHOUSE FACILITIES.

Coun. GOLDMAN—Mr. President, I move that at this time we take the courthouse order from the Executive Committee.

(The order referred to, referred to the committee at the last regular meeting of the Council, was "That chapter 474 of the Acts of 1935—being an act to provide additional courthouse accommodations and facilities for the courts and other officials in the County of Suffolk by the use of Federal, State and City of Boston funds—be and the same is hereby accepted.")

I feel that we absolutely ought to have new courthouse accommodations and that the matter ought not to lie dormant. I, as an outgoing member, would like to see at least one thing accomplished while I am serving as a member of the body.

The question came on recalling the order from the Executive Committee.

Coun. BRACKMAN—Mr. President, I voted in committee to lay this matter on the table and I am going to vote that way at least until Saturday. I think we ought to have some official word besides that of the second under-secretary that this is to be granted as a P. W. A. fund before we cast our votes on the matter.

Coun. SHATTUCK—Mr. President, I think, as the gentleman who has just taken his seat has said, that this should lie on the table until we receive some further information. I have on my desk an order asking the Mayor to furnish to the Council full information as to precisely how far the Federal Government has committed itself to a grant towards the proposed courthouse addition, giving the names of the officials to whom the project has been submitted and the written or oral approval, if any, given and by whom, and furnishing the Council with a copy of the application with full description of the project on which approval has been requested. I believe that we should have all that information before we act upon this important measure. I hope, therefore, that it will lie on the table until we have obtained such information.

Coun. WILSON—Mr. President, while I have fought for years in the past for new Suffolk County Courthouse accommodations, I am inclined to agree with the two gentlemen who have spoken that we should have more information upon the matter before voting. I thought the matter had been settled in Executive Committee for the time being by laying it on the table. In the first place, those who appeared before us, the commission that has had this matter under consideration, had only one copy of the proposal submitted so far as the Government is concerned, which included general plans, and they conveyed to us merely the general assurance that it did not involve any land-taking, and a copy of the proposal has been promised to us within a couple of days. We were also addressed by a representative of the Building Trades Council who assured the Council that this would mean work for 2,000 mechanics for two years. Without any reflection upon the particular delegate who addressed us, my past experience in the Council has shown me that before we vote, on the basis of very extensive promises of jobs for the unemployed of Boston, we should obtain something definite in the way of information as to what is actually going to happen. In such cases we frequently find that Boston men are very much out of the picture. If I gathered the assurance correctly, only American citizens will be included in the 2,000 on this great project, and at least 90 per cent will be residents of Boston, although to me, at least, I frankly admit that the gentleman who addressed the Executive Committee still left it rather hazy as to whether the 2,000 mechanics who will go to work on the project for two years or upwards will come from the lists at 100 Nashua street, under the auspices of Mr. Graham, an employee of the State of Massachusetts, or whether the men will be obtained primarily from the various labor unions of Boston. I am not particularly interested in who names the 2,000 men, except that, under the circumstances, I assume that the men will be American citizens, and that by far the greater number will be Boston residents. We were assured also by the gentlemen who appeared before us that in the course of the next couple of days we would receive a copy of the act and assurances that in voting this money we would be really helping to provide work for Boston citizens.

Coun. Goldman's motion to take the order from the Executive Committee prevailed by a rising vote of 14 to 5.

Coun. GOLDMAN—Mr. President, I now move the passage of the order.

Coun. WILSON—Mr. President, I am a little surprised at the action proposed at this time, particularly in view of the action taken in Executive Committee where, by a very substantial majority, the matter was laid on the table pending the information desired by the members of the Council, and especially in view of the fact that we had been promised within a couple of days further detailed information in regard to the project. I am, therefore, surprised, in view of the doubt that still prevails in our minds with regard to this whole thing, as to whether citizens of Boston shall do the work and otherwise, that we should now reverse our action of today in the Executive Committee, particularly when we have until the morning of the 6th of January to pass upon the matter, which need not be voted upon until the 15th of January. Bearing all this in mind and having also in mind, so far as I am personally concerned, the fact that I have favored and have fought for action upon this courthouse matter since 1926, I urge that the order lie on the table.

Coun. GALLAGHER—Mr. President, I move that a committee of three be appointed to wait upon the Mayor and see what he has to say upon the matter and that awaiting their report we take a recess.

Coun. Gallagher's motion was carried, and President FITZGERALD appointed Coun. Shattuck, Goldman and Fitzgerald said committee to wait on his Honor the Mayor.

Awaiting the report of the committee, a recess was taken at 4.30 p. m., the members reassembling in the Council Chamber at 4.57 p. m., when Coun. GALLAGHER took the chair.

Chairman GALLAGHER—The meeting will be in order.

Coun. SHATTUCK—Mr. Chairman, your committee met with his Honor the Mayor and his Honor communicated with Mr. Peterson, in charge of local Federal projects. After a conversation with Mr. Peterson over the telephone his Honor had this memorandum written down:

"In response to a question by his Honor the Mayor, Mr. Peterson of the W. P. A. office stated

that the only information he has was that there was a long-distance call from his office to Colonel Hackett in Washington. During the telephone conversation Colonel Hackett said the project was under examination and that he was in favor of it. Colonel Hackett is sending a man up here either Thursday or Friday to look into it further." We were told, I believe through word received from Congressman McCormack, that this man, Mr. Bowman, was expected Thursday. He was to come today or tomorrow, but there has been a delay on account of the holiday. The report further says:

"Mr. Peterson's office has had a conference with the Courthouse Commission, which assured him that the cost of the courthouse would be around \$4,000,000 or \$4,250,000, and on that basis the Federal contribution would be about \$2,000,000, and that word to that effect had been sent to Washington, and the only thing since then is the assurance that this engineer is coming here Thursday or Friday. In answer to Mayor Mansfield's query whether or not there had been any formal commitment, Mr. Peterson said apparently not, but he said when this gentleman from Washington comes here and goes over the ground and approves the project, which Mr. Peterson thinks he will, he will report back to Washington and then he thinks the formal commitment would be made. Mr. Peterson stated to the Mayor that, as he understood it, accepting the act involves no obligation on the part of the city, but it is necessary in order to have the approval amount to anything when it is made by Federal authorities."

His Honor also communicated with Mr. Logue of the commission, whom we heard earlier this afternoon, and Mr. Logue said that the plans on which they submitted the project were plans obtained by Mr. Wyman when he was a member of the former commission, I think, some six years ago, and which were found among the files. As was generally explained this afternoon, those plans call for the tearing down of the lower end of the existing courthouse and substituting an eighteen-story building, and, when that is done, altering the present structure, and modernizing it in the matter of elevators, plumbing and rearranging space. It will be observed that really nothing has been done, so far as Washington approval is concerned, except that Mr. Peterson, the local man here, favors the project and that he has spoken of it in Washington to Colonel Hackett and that Colonel Hackett is going to send somebody up here Thursday or Friday to look it over. Mr. Peterson thinks the person who will be sent up here Thursday or Friday to look it over will approve it, but, of course, he does not know. He thinks he will, but, of course, there is nothing oral or in writing to support that. Washington will undoubtedly do as it sees fit.

Coun. WILSON—Mr. President, I would like to ask a question. Do I understand that the tentative approval by the local man of the Government is on the basis of \$4,000,000 or around \$5,000,000, or do I get that part of it wrong?

Coun. SHATTUCK—The figure in the memorandum prepared by the Mayor as the result of his conversation with Mr. Peterson was \$4,250,000. I assume that that figure probably omits the \$200,000 odd to be used in hiring other office space, and that there is some spread.

Coun. WILSON—Do I understand that action by the Council today or at a later date will not necessarily close it, that the question of a formal grant to be approved by the city is to come back to the Council? Will there be a later vote of the Council on the courthouse project, assuming that we vote today, Saturday or Monday on it?

Coun. SHATTUCK—I think under the terms of the act there would be no further action by the Council. Certainly, the bonds could be issued without any approval by the Council. I am told, although I cannot cite book or page, and I don't know myself what the authority in the statute is, but his Honor so stated and it has been stated by several members of the Council, that if the Federal Government acts favorably upon the matter, in line with the action taken by the Massachusetts Legislature, they would submit the project for subsequent approval. I am not sufficiently familiar with the way with which they do things in Washington, however, or what their rulings may be, to know whether that understanding is correct or not.

Coun. FITZGERALD—Mr. President, I want to add this to what Councilor Shattuck has stated. The Mayor takes the stand, and I understand that the Washington authorities in these matters take the stand, that these things should first be accepted by the local authorities here. Now, we know that Massachusetts has suffered a great deal in the past in the matter of allotments by the Federal Government as compared with other parts of the country, that we have been behind. We know that the feeling in Washington has been against Massachusetts and that we have lost millions that have gone to the South and other parts of the country. Let me call the attention of the Council to page 2 of this report on additional courthouse accommodations for Suffolk County.

"In case the act is not accepted by the Council the \$2,151,000 will revert for use on other projects located elsewhere in the state, or perhaps outside the state, and the large pay rolls and other building activities which this project means for Boston will go elsewhere. Incidentally, of course, Boston will pay its share of the carrying charges of the \$2,151,000 wherever it is spent,"—as we always do.

We all know, of course, that much of the Federal money, even for Massachusetts, has been spent outside of Boston and that Boston has obtained very little benefit from it. Now, the fact remains that we will have to pay, anyway. Anybody who knows conditions in the lower part of the courthouse knows that they are most disgraceful, that they are probably the worst to be found in the entire United States. Those conditions have been severely criticized in reports by different committees. Anybody who has ever visited the Tombs will certainly call it a chamber of horrors. There is nothing to compare with conditions there anywhere else. We have heard about Blackwell's Island, in New York, but anybody who has visited that island knows that the conditions criticized there do not compare with the conditions in the Tombs in Boston. Now, if we are going to get this we ought to act. The Mayor has abandoned the idea of a new City Hall. That is out. We as a body have not been as progressive as we might have been. We have allowed plenty of opportunities to get away. We are a part of the government. We are the Board of Directors of the city and share in the responsibility for what is done or what is not done, and it is up to the City Council to at least exercise the power it has. Certainly, no harm can be done by accepting the act. The Courthouse Commission is made up of responsible men. The Supreme Court is represented by a member; the Governor and the Mayor are represented by members. Much should have been done for the district I represent before this, not only in the matter of the courthouse, but in other ways. For instance, Somerset street should have been extended to Cambridge street, and it has been a mistake not to do it. There is no question whatever that steps to increase the courthouse accommodations should be taken at once. The courthouse should be enlarged. There should be better accommodations for the Probate Court. Juveniles should not be handled in the present Juvenile Court. It is a court. The present quarters should be abandoned. These social workers and reformers who want to reform everything certainly cannot reform these boys by putting them down into that dingy basement. The place has been an eyesore, and there are many other serious criticisms to be made of the present conditions up there. The city government ought to seize this opportunity. Let us pass the order, and if nothing is given to us no harm can be done. Let us at least accept the act and we will then be on the safe side of the picture. I think Mr. Shattuck was a member of the last commission that dealt with this matter. These plans have been in existence for some time. I feel, representing that district, as I do, the district where the courthouse is located, that this work should be put through as soon as possible. We have better courthouses in the outlying districts. I think any lawyer who is familiar with the Norfolk County Courthouse and the Middlesex, Worcester and Hampden County Courthouses knows perfectly well that our courthouse here in Boston is a monstrosity compared with those beautiful buildings. The accommodations here for the Supreme Court are a disgrace. This is an opportunity to accept the act and, if no money is forthcoming, at least no harm is done.

Coun. WILSON—Mr. President, the councilor from Ward 3 (Coun. Fitzgerald), for whom I have the highest respect, does not need to sell me the idea of a Suffolk County Courthouse because I have fought frequently along with him and others for such a building, sometimes almost alone. And yet, as a member of the City Council and thereby a member of the Board of Directors of the City of Boston, I don't assume that there is any harm in asking today whether I am voting for 40 per cent of \$4,000,000 or \$5,000,000. It is, I admit, most humiliating to find that we, the Board of Directors of the City of Boston, only obtain most of the information we obtain in this and other similar matters from the Chief Executive when it sort of leaks out, as it has today. For example, I, for one, learned today for the first time that the proposed new City Hall, against which I voted, has now been abandoned by the Mayor, and I would assume that that would make it much easier for the average member of the body to vote for the proposed courthouse, having in mind that what we supposed was the favorite project of the Mayor, a new City Hall, has been given up. I now find, as a director of the city, that the information has finally leaked through to us that the proposed new City Hall is out the window. I wish, before I vote on this matter, that I could learn whether, in voting for this matter, I would be voting for 40 per cent on \$4,000,000 or \$5,000,000, and I wish we could find out about that, perhaps either through the Mayor or Governor, by Thursday or Friday. I also wish I knew—and perhaps we could learn about this from the office of Corporation Counsel Foley, whether, if we vote for this today, there will come back to us, under government regulations, some paper or document which may help to clear up some of the hazy details and which will be subject to approval by the City Council. I don't like to feel that I am finicky in standing on this ground. I like to feel, as a reasonable man, that I and the other members of the body are entitled to information of that nature. I say again, as I said in the first place, that we have not got to vote upon this today, that no action of the Council is required until January 15, if I read it correctly. Councilor Goldman would like to see the present Council vote on the matter. Well, we have until January 6 to vote on it. I under-

stand, through the Mayor, that a representative from Washington is going to have a conference here upon the matter on Thursday or Friday of this week. The information so gained ought to be somewhat illuminating on the question of whether this project is going to cost \$4,000,000 or \$5,000,000. Perhaps by that time, also, we may be able to glean the further information, on advice of the Corporation Counsel, as to whether a government document will later come through to us, this matter being again submitted to the City Council. Bearing these things in mind, even though I agree that a new courthouse is a necessity, I personally urge that this matter lie on the table until the next meeting of the Council.

Coun. FITZGERALD—Mr. President, I wish to state further what the Mayor wishes to do in reference to City Hall. The City Council will probably have to move from their headquarters to Faneuil Hall while probably something like \$500,000 is spent to put this building, City Hall, in proper condition. That will have to be done on orders from the Building Commissioner.

Coun. ROBERTS—Mr. President, perhaps it is true that a small courthouse is better than none at all. I think we all thoroughly realize the importance of enlarged accommodations in our courthouse, but I also think that we are entitled to certain information before we are called upon to act, and we will still have an opportunity to act upon this matter before the present Council goes out of existence. I think we should have a clearer idea of the situation. I understand that it is proposed to tear down the lower part of the courthouse and to erect an eighteen-story building and also to remodel the present courthouse. Certainly, something should better be done for offices of the clerks of the Superior Criminal and Superior Civil Courts, and of the municipal criminal and civil courts. I realize thoroughly that the hard working clerks are entitled to such offices and quarters as they can obtain in such a new building as is proposed, and I would like to see them obtain that recognition. The idea, however, that this is to be a wholly new courthouse is not true. For ordinary purposes it means that litigants will go into an old courthouse remodeled, where probably the Registry of Deeds and the clerks' offices will be more conveniently located. In other words, the problem is, among other things, to provide proper office space for the clerks of the Commonwealth. Whether that is the best we can do, I don't know. But I think, in any event, it will do no harm to have three or four days in which to think the matter over and perhaps to have what is proposed properly set forth and covered by the press.

Coun. BRACKMAN—Mr. President, I would like to say just a word on this matter. As a matter of fact, the City of Boston does not seem to have had the opportunity to take advantage of these projects that have been undertaken in different parts of the country. I have sat here when we have voted for millions of projects that never went into effect, that were afterwards killed by somebody that sat on them, a state or other board. This is another case where we have no definite approval of the project by a Federal authority. We are simply asked to vote upon something which we don't know will ever go into effect. I am rather tired of voting for millions and getting no results. So I am going to wait on this matter until we get some definite information.

Coun. GOLDMAN—Mr. President, there is practically no doubt that every member of this body wants a new courthouse. The question here seems to be merely whether we will vote for the order accepting the act today or whether we will pass it at our next meeting. I am able to sense from the remarks of the Mayor that the gentleman coming from Washington later in the week is going to make an independent investigation and then report back to Colonel Hackett with the probability that the project will be approved. The suggestion made that this gentleman is a friend of Congressman McCormack may indicate something in the matter, although I do not know as to that. It does, however, seem to be the sense of every man here that we do want an enlarged courthouse. I cannot see any possible objection to the passage of the order today. A delay of three or four days will not help. On the contrary, it may have a bad effect, for this reason. If the gentleman who makes the independent survey goes back to Washington and reports that the act has been accepted by the Council, that all the members apparently want the courthouse, I feel that there would not be any objection to it. On the other hand, if he says, "I am in favor of it, but the City Council of Boston has not yet approved it," Washington may again assume its past policy of forgetting the Bay State, and we may be sidetracked. We want this. Let us have it.

Coun. WILSON—Mr. President, may I ask the third member of the committee whether he is desirous of voting on a \$4,000,000 or a \$5,000,000 courthouse?

Coun. GOLDMAN—Mr. President, in the light of the discussion in the Mayor's Office I am inclined to think the expense will be \$4,200,000 and some odd, not taking in the 25 per cent that Councilor Shattuck spoke about.

The report was accepted and the order accepting the act was declared passed.

Coun. SHATTUCK—Mr. President, I doubt the vote and ask for the yeas and nays.

Coun. WILSON—Mr. President.

Chairman GALLAGHER—No debate is in order. Coun. WILSON—Mr. President, I rise to a point of order, that before that last motion I made a motion to lay on the table, which was not put to the body.

Chairman GALLAGHER—The gentleman urged that the matter lie on the table, but did not make the motion.

Coun. WILSON—Then, following up my point of order, Mr. Chairman, may I ask the Council to reject the order at this time, in order that a motion to lay the matter on the table may be passed?

Chairman GALLAGHER—The Chair will have to rule that debate is out of order.

The order accepting the act was passed, yeas 16, nays 4.

Yeas—Coun. Agnew, Brackman, Doherty, Donovan, Englert, Finley, Fish, Fitzgerald, Gallagher, Gleason, Goldman, Green, Kerrigan, McGrath, Selvittella, Tobin—16.

Nays—Coun. Norton, Roberts, Shattuck, Wilson—4.

Later in the session Coun. WILSON moved a reconsideration of the vote passing the order; declared lost.

Coun. WILSON doubted the vote and asked for a rising vote. A rising vote was taken and the motion to reconsider was lost, 2 to 5.

REPORT OF COMMITTEE ON JITNEY LICENSES.

Coun. MURRAY, for the Committee on jitney Licenses, submitted the following:

1. Report on petition (referred December 21) of Boston Elevated Railway Company to operate motor vehicles between junction of Brooks and Faneuil streets and junction of Washington and Matchett streets—that license be granted.

Report accepted; license granted on usual conditions.

REPORT OF COMMITTEE ON CLAIMS.

Coun. GOLDMAN, for the Committee on Claims, submitted the following:

1. Report on petition of Walter J. Clancy (referred December 9) to be reimbursed for execution issued against him on account of his acts as operator of motor vehicle belonging to Paving Division, Public Works Department—recommending passage of accompanying order, viz.:

Ordered, That the sum of one hundred sixty-four dollars and forty-five cents be allowed and paid to Walter J. Clancy in reimbursement for execution issued against him on account of his acts as operator of a motor vehicle belonging to the Paving Division, Public Works Department, said sum to be charged to the Reserve Fund.

Report accepted; said order passed.

2. Report on petition of Walter J. Clancy (referred December 9) to be reimbursed for execution issued against him on account of his acts as operator of motor vehicle belonging to Paving Division, Public Works Department—recommending passage of accompanying order, viz.:

Ordered, That the sum of sixty-five dollars and seventy-eight cents be allowed and paid to Walter J. Clancy in reimbursement for execution issued against him on account of his acts as operator of a motor vehicle belonging to the Paving Division, Public Works Department, said sum to be charged to the Reserve Fund.

Report accepted; said order passed.

3. Report on petition of Melvin T. Rogers (referred December 2) to be reimbursed for execution issued against him on account of his acts as operator of motor vehicle belonging to Sanitary Division, Public Works Department—recommending passage of accompanying order, viz.:

Ordered, That the sum of thirty-seven dollars and fifty cents be allowed and paid to Melvin T. Rogers in reimbursement for execution issued against him on account of his acts as operator of a motor vehicle belonging to the Sanitary Division, Public Works Department, said sum to be charged to the Reserve Fund.

Report accepted; said order passed.

4. Report on petition of Martin J. McDonough (referred November 25) to be reimbursed for execution issued against him on account of his acts as operator of motor vehicle belonging to Paving Division, Public Works Department—recommending passage of accompanying order, viz.:

Ordered, That the sum of three hundred dollars be allowed and paid to Martin J. McDonough in reimbursement for execution issued against him on account of his acts as operator of a motor vehicle belonging to the Paving Division, Public Works Department, said sum to be charged to the Reserve Fund.

Report accepted; said order passed.

PURCHASE OF SNOW EQUIPMENT.

Coun. McGRATH offered the following:

Ordered, That his Honor the Mayor request the Purchasing Agent to furnish this Council forthwith information as to what action has been taken on the purchase of snow equipment.

Coun. McGRATH—Mr. President, on December 3 this Council passed an order involving nearly \$700,000 for the purchase of snow equipment. Yesterday, by the grace of God, a snowstorm headed for Boston, that would have tied up traffic—the one that I guess Mr. Shaw was waiting for—was blown out to sea. This morning again—and Providence must be with the Mayor in these matters so far—another threatening storm was blown somewhere else. But they are not going to keep blowing away from Boston, and some day or other a big storm will land here. I have been making inquiries as to what has been done with that appropriation, in connection with which several meetings of the Council were called. They wanted us to have the appropriation ready some months ago, and, in their haste to get this equipment to meet an emergency that might arise, they advertised for the equipment previous to the time when the Council finally passed the order. There was a concern that had equipment in Boston all ready to deliver. Then something happened. Perhaps they failed to get delivery, because they are now out in the open market looking for equipment. We will have to have that equipment to handle the first storm that comes along, but still they have waited a month apparently without doing anything about it. I would like at our last meeting of the Council on Saturday of this week to have a report from the Purchasing Agent, through the Mayor, as to just what has been done and when we may expect our snow-removal equipment.

The order was passed under suspension of the rule.

APPROPRIATION FOR ARCHITECTS' FEES, CITY HALL.

Coun. McGRATH offered the following:

Ordered, That his Honor the Mayor inform the Council what disposition has been made of the \$60,000 appropriation for architects' fees for a new City Hall, now that the building of a new City Hall has been abandoned. If payment has been made to inform the Council to whom, in what amount, and on what date payment was made.

Coun. McGRATH—Mr. President, with a great deal of haste this Council a short while ago passed an appropriation of \$60,000 as the first payment on some \$120,000 for architects' fees for the erection of a new City Hall, because, based on the report of the Building Commissioner, but forty-eight hours would elapse before this Hall would collapse. They were at that time talking about closing the doors of this chamber because the building and the room were unsafe, and we were whipped into line so that they could get the appropriation. Then, almost as though we had never discussed that appropriation, one of the gentlemen on the Courthouse Commission said, "We are talking now of taking old Young's Hotel for temporary accommodations for the courthouse, because of the fact that, since the Mayor has abandoned the building of a new City Hall, there will be no need of using Young's Hotel for a City Hotel." That was the first intimation that any member of the Council got that there was not to be a new City Hall built. And so I ask now this very innocent question, through this order, as to what has been done with the \$60,000. I am very hesitant about accepting what was told to me in the outside room, that the \$60,000, or a substantial part of it, has already been paid over to an architect. If that is so, it comes about as near taking money under false pretences as anything I have heard of. So I now want to find out from the Mayor what the situation is with regard to the \$60,000.

Coun. WILSON—Mr. President, I would like to ask the councilor whether it is safe to hold our meeting here on next Saturday?

Coun. McGRATH—Well, Mr. President, from what I know of the Hall, it is always safer on the fourth floor than on the second floor! (Laughter.)

The order was passed under suspension of the rule.

INCREASED CAR SERVICE.

Coun. KERRIGAN offered the following:

Ordered, That the trustees of the Boston Elevated Railway Company be requested, through his Honor the Mayor, to increase the service on the Dudley street-City Point line.

Passed under suspension of the rule.

SOUTH BOSTON GYMNASIUM.

Coun. KERRIGAN and Coun. DONOVAN offered the following:

Ordered, That his Honor the Mayor be requested to arrange, either through a P. W. A. loan, or through a loan within the debt limit, for the construction of a municipal gymnasium in the South Boston district.

Passed under suspension of the rule.

TWO COMMUNITY CENTERS.

Coun. KERRIGAN offered the following:

Ordered, That his Honor the Mayor be requested to consider the advisability of providing sufficient funds for the erection of two community

centers, one in South Boston and one in the Dorchester end of Ward 7.

Passed under suspension of the rule.

PROPOSED DEPARTMENT RE-ORGANIZATION.

Coun. McGRATH called up, under unfinished business, No. 1 on the calendar, viz.:

1. Action on ordinance submitted by the Mayor December 16, 1935, as printed in City Document 91, for the abolition of certain departments and the reorganization of the Public Works Department.

Coun. McGRATH—Mr. President, I have called that up for the purpose of rejecting it. We have had no further information, except this lengthy booklet presented to us today. I think this will become purely the duty of the new Council, which will come in within a week's time and will have an opportunity to appoint committees early, to study the matter, and to know something about it before it goes into effect under the sixty-day rule and I move its rejection.

Coun. FITZGERALD—I would suggest that a motion might be made to refer it to the next City Council.

Chairman GALLAGHER—The Chair will state that the Mayor may resubmit it.

Coun. NORTON—Mr. President, I have seen no evidence whatever that the Mayor is legitimately back of this consolidation plan. In other words, what he has done is this: when representatives of the Chamber of Commerce or the Real Estate Exchange have come to him and said, "Mr. Mayor, you have the power to do this, and nothing has been done," he will simply say that he has put it up to the Council, that it is up to them. The fact is that the Mayor can do about as he pleases with any Council. There is, however, one thing that the Mayor should and must write into this ordinance, and I submit it because of what was done by the state in a similar matter, under the late Calvin Coolidge, and that is that no employees shall be disturbed in their civil service rights. That is a thing that must be done, and the Mayor should know that. But this is merely passing the buck to the Council; merely giving the Mayor an opportunity to say to certain people, "I have done my duty, having put it up to the Council." I answer that the Mayor can get anything he wants from the Council and he knows it.

Chairman GALLAGHER—The question comes on the rejection of the ordinance.

Coun. SHATTUCK—Mr. President, I have read this report upon the proposed consolidation with some care, and for the most part I am in favor of it. I think it is a constructive change. Therefore, I am not in favor of rejecting it right off the bat without hearing or examination. We have never even looked at it or given it any consideration in the Council. I should think that some amendments ought to be considered—among others, an amendment along the line referred to by the gentleman from Hyde Park (Coun. Norton), a section such as was contained in the law of 1919, under which the state departments were reorganized. In that section they provided for the maintenance of the civil service rating of the employees and the maintenance of their pension rights and privileges, and for their protection in their jobs. I believe that something of that nature should be inserted in this act. But for the most part, at least from my reading of it, it seems to me it represents a healthful and constructive change, one that would bring about greater efficiency and economy in the city's business. It has been studied very carefully by a competent body of men and I believe we should not reject it in this summary manner. I shall, therefore, vote against rejection.

Coun. BRACKMAN—Mr. President, we have not even had time to read this voluminous document, and there is a question that suggests itself here. Nobody understands whether the sixty-day limit starts from the time when the ordinance was first submitted and goes right along, or whether it starts anew with the new Council. This is too important a matter to deal with on the basis of a moot question, and I think the only thing to do is to reject it and then have the Mayor send it in to the new Council.

Coun. ROBERTS—Mr. President, I would like to insert in the motion to reject that it be rejected without prejudice.

Chairman GALLAGHER—The Chair will put the question in that form. The question is on the rejection of No. 1 on the calendar without prejudice. The ordinance was rejected without prejudice.

THE NEXT MEETING.

The Council voted, on motion of Coun. SELVITELLA, that when it adjourn it be to meet on Saturday, January 4, 1936, at 11 a. m.

FINANCE COMMISSION REPORT ON ARCHITECTS' FEES.

Coun. NORTON offered the following:

Ordered, That the Finance Commission report to the Council regarding the \$60,000 appropriated for architects' fees on the proposed new City Hall.

Passed under suspension of the rule.

EMPLOYEES' CIVIL SERVICE STANDING.

Coun. NORTON offered the following:

Ordered, That the Mayor of Boston consider recommending a provision in the proposed ordinance for consolidation of departments, to the effect that no employee will lose his civil service standing, similar to the provision written into the law when the State of Massachusetts consolidation plan went into effect under the then Governor, the late Calvin Coolidge.

Passed under suspension of the rule.

CENSUS OF UNEMPLOYED IN BOSTON.

Coun. NORTON offered the following:

Ordered, That the Mayor of Boston consider the advisability of requesting the Police Commissioner to ascertain the number of unemployed in Boston when taking the census.

Coun. NORTON—Mr. President, I am simply asking that the police make a note of the unemployed, "yes" or "no." We know how many automobiles and how many horses there are in Boston, but never have known how many unemployed were in Boston.

The order was passed under suspension of the rule.

REQUEST NOT TO REDUCE WELFARE.

Coun. NORTON offered the following:

Ordered, That the Mayor of Boston consider the advisability of requesting the directors of Public Welfare not to reduce welfare at this time.

Passed under suspension of the rule.

HEARING OF BOSTON BONDING BUSINESS.

Coun. NORTON offered the following:

Ordered, That the Boston Finance Commission be requested to hold an open, public hearing on the matter of the so-called City of Boston bonding business.

Coun. NORTON—Mr. President, that is dynamite! I understand that the Finance Commission is holding private hearings on something upon which I asked an investigation a year ago. I am requesting the Finance Commission to hold a public hearing on this matter. There is some evidence, and let it be public. Let the public decide who is right on this thing. This has to do with the so-called bonding racket. The Mayor of Boston promised in his campaign that he would stop the bonding racket. Let us find out what has happened in the last two years and who is getting the bonds. There is a private investigation going on at the present time, and I am asking that commission to make the investigation public.

The order was passed under suspension of the rule.

REPAIR OF STREETS.

Coun. NORTON offered the following:

Ordered, That the Mayor of Boston consider the advisability of fixing every street in Boston under the present Federal W. P. A. set-up.

Coun. NORTON—Mr. President, it is too bad that nothing is being done. It is too bad when we can fix every street in Boston, 670-odd miles, with the Government paying the men to do the work, that nothing is being done. We will never again get such an opportunity. All we need is to furnish 4 inches of crushed stone. Here is an opportunity to fix every street, and we are practically lying down under it.

The order was passed under suspension of the rule.

PREFERENCE TO FORMER EMPLOYEES.

Coun. NORTON offered the following:

Ordered, That the Mayor of Boston consider the advisability of giving preference in employment to those city employees let go during the first part of his administration.

Passed under suspension of the rule.

BURIAL OF PAUPER POOR.

Coun. NORTON offered the following:

Ordered, That the Mayor of Boston consider the advisability of conferring with the directors of Public Welfare relative to the matter of working out a more equitable policy relative to the burial of the city's pauper poor.

Coun. NORTON—Mr. President, I understand that the city this year will have made between four hundred and fifty and five hundred of such burials. That is the latest information I have been able to get in regard to those who have been unable to pay for burial. At present, there is \$20 paid for a pine box and they pay for the opening of the grave. It does seem as though it should be possible to work out some equitable

system,—instead of carting the bodies out to the paupers' section of the cemetery,—have it worked out in some better and more equitable way, as is done in other larger cities.

The order was passed under suspension of the rule.

IMMEDIATE PAYMENT OF BONUS.

Coun. AGNEW offered the following:

Resolved, That the City Council of Boston hereby favors the immediate payment of the cash bonus to all veterans of the World War and favors the passage of any appropriate legislation for this purpose; and be it further

Resolved, That copies of this resolution be sent to the United States Senators and Members of Congress from Massachusetts.

Referred to the Committee on Rules.

MEETINGS OF SCHOOL COMMITTEE.

Coun. WILSON offered the following:

Ordered, That the School Committee be requested, through his Honor the Mayor, in the future to hold its official meetings in public in accordance with the usual practice of legislative bodies.

Passed under suspension of the rule.

Adjourned at 5.43 p. m., on motion of Coun. TOBIN, to meet on Saturday, January 4, 1936, at 11 a. m.

COST OF UNEMPLOYMENT RELIEF.

The annual cost of various types of unemployment relief made by the National Industrial Conference Board, based on 3,500,000 relief cases, have been estimated at from a little less than \$1,000,000,000 for direct relief of the type received by more than half of the persons now on the relief rolls to over \$8,000,000,000 for public works relief, with full-time employment, at the "prevailing wage" rate. According to the report released February 28 the story is:

"The average cost of direct relief per case during the third quarter of the past year was at the rate of slightly over \$280 per year. At this annual rate the total cost for 3,500,000 cases would amount to \$989,000,000. The average cost of work relief has been around 50 per cent greater than the cost of direct relief. The average for the third quarter of 1934 was slightly over \$35 per month, or around \$420 per year. Continuous employment for 3,500,000 persons during a period of twelve months would cost \$1,475,000,000.

GOVERNMENT REPORTS ON ELECTRIC RATES.

Two government bodies reported on electric rates in February. Indeed, the joint legislative committee of New York included gas as well as power and light rates, finding them all unfavorable to the consumer. This was on February 15, and twelve days prior to this the Electric Rate Survey of the Federal Power Commission made public a set of comparative tables showing the widely differing rates effective on January 1, 1935, in the 191 cities of 50,000 or more, constituting 49 per cent of the residential customers in the United States. All communities of 1,000 or more will eventually be covered by June 30 next.

This latter survey, under the direction of William E. Mosher, shows that cities owning their own plants charge less than do the commercial utilities. In cities of 100,000 or more having the lowest rates, this was invariably the case. In these cities where rates were highest, Jacksonville was the only municipally served city.

PROCEEDINGS OF SCHOOL COMMITTEE.

Dec. 16, 1935

A regular meeting of the School Committee of the City of Boston was held in the Administration Building, 15 Beacon Street, at 9:50 o'clock P. M., the Chairman presiding.

Present: Messrs. Lyons, Mackey, Sullivan and Tobin.

APPROVAL OF MINUTES

The reading of the minutes of the previous meeting was omitted, the Committee approving them as printed.

APPROVAL OF APPOINTMENTS

The Chairman stated the question was on approving the appointments of teachers, as reported by the Superintendent and laid over at the previous meeting.

The appointments were approved.

DEATHS

The Superintendent reported the death of the following-named teachers:

Bigelow District—Mary M. Russell, assistant, elementary, Dec. 15, 1935.

Hancock District—Kathryn E. G. Barry, Nov. 30, 1935.

Placed on file.

The Superintendent reported the death of the following-named teacher who had been retired under the provisions of the Boston Retirement System:

Lawrence District — Mary E. Flynn, Dec. 14, 1935.

Placed on file.

RESIGNATIONS

The following resignations reported by the Superintendent to take effect on the dates stated, were presented:

Gaston District—Regina M. Cronin, assistant, elementary, Nov. 27, 1935.

Gilbert Stuart District—Elizabeth A. Byrne, assistant, kindergarten, Dec. 6, 1935.

Accepted.

The Superintendent reported the resignation of the following-named clerical assistant:

Edmund P. Tileston and Edward Everett Districts—Alice K. Grealish, clerical assistant, Dec. 6, 1935.

Accepted.

RETIREMENT ON PENSION

A communication was received from the Superintendent, under date of Dec. 16, 1935, reporting the retirement from active service of the following-named member of the Boston Retirement System, to take effect Dec. 31, 1935, as certified by the Boston Retirement Board, under date of Dec. 13, 1935:

Department of Household Science and Arts—Clara D. Crandall, teacher of sewing, elementary, Dec. 31, 1935.

Placed on file.

APPOINTMENTS

The following appointments by the Superintendent, certified by him as being in accordance with the rules and regulations to take effect on the dates stated, were presented:

(FROM THE ELIGIBLE LIST)

(To fill vacancies caused by increase in numbers)

Public Latin School—Cyril J. Neville, junior master, Jan. 2, 1936.

Robert Gould Shaw District—Catharine H. McDonagh, assistant, intermediate (from assistant, elementary, Agassiz District), Jan. 2, 1936.

Laid over.

(To fill vacancy caused by transfer) Longfellow District—Jessie G. Wilkinson, assistant, kindergarten, one session, Jan. 2, 1936.

Laid over.

(To fill vacancy caused by promotion)

Thomas A. Edison Intermediate District—Mary G. Diaz, assistant, intermediate, Jan. 2, 1936.

Laid over.

(To fill vacancy caused by retirement on pension)

Department of School Hygiene—Mary V. Hicks, school nurse, Jan. 2, 1936.

Laid over.

(BY PROMOTION)

(Director)

(To fill vacancy caused by retirement on pension)

Department of Music—James A. Ecker, director (from assistant director), Jan. 2, 1936.

Laid over.

(To fill vacancies caused by deaths)

Rice District—Marie I. Daly, first assistant, kindergarten, one session (from assistant, kindergarten, one session, William E. Endicott District), Jan. 2, 1936.

Warren District—Elizabeth L. McCarthy, master's assistant (from assistant, intermediate, Clarence R. Edwards Intermediate District), Jan. 2, 1936.

Laid over.

(To fill vacancy caused by transfer)

Longfellow District—Marie A. Gordon, first assistant, kindergarten, one session (from assistant, kindergarten, two sessions, Roger Wolcott District), Jan. 2, 1936.

Laid over.

(MODEL SCHOOL)

(To fill vacancy caused by resignation)

Martin District (Model School)—Grace M. Sweeney, assistant, elementary (from assistant, elementary, Minot District), Jan. 2, 1936.

Laid over.

(ASSISTANT, INTERMEDIATE, FROM ASSISTANT, ELEMENTARY)

(To fill vacancy caused by increase in numbers)

Grover Cleveland Intermediate District—Josephine M. Gately, assistant, intermediate (from assis-

tant, elementary, Theodore Roosevelt Intermediate District), Dec. 18, 1935.

Laid over.

LIST OF TEACHERS APPROVED FOR TEMPORARY SERVICE

A communication was received from the Superintendent, under date of Dec. 16, 1935, submitting under the provisions of Section 365, paragraph 2 of the regulations, the following additions to the list of teachers approved by him from which assignments may be made for temporary service:

Day High Schools—Adelaide A. Connors, Catherine T. Frazier, Mary M. Hatton, Mary I. Masterson, Edward McCrensky, Carl Miller, Francis X. Murphy, Ethna J. Silvery.

Day Intermediate Schools—Genevieve M. Connor, Ruth G. Ford, Dorothy E. Mackenzie, Sylvia M. Maffeo, Florence Wagner, Fay S. Margolis, Freda S. Nathanson, Judith Revitt, Domenica M. Stutiolo, Rebecca L. Wolf.

Day Elementary Schools—Elizabeth M. MacNeil, Mary K. Pheian
Continuation School—George Gold, Alice M. Smith.

Boston Clerical School—Frances A. Scoff.

Disciplinary Day School—Heien M. Lynch, Michael Gilarde.
Approved.

TEMPORARY TEACHERS

Mechanic Arts High School—Louis L. DeGiacomo, junior master, Nov. 8, 1935.

South Boston High School—Samuel Draisen, co-operative instructor, Nov. 25, 1935.

Continuation School—Attilia Vena, trade assistant, Nov. 18, 1935.

Department of Manual Arts—George Thomson, instructor, manual training, elementary, Dec. 4, 1935; George Thomson, assistant, manual training, intermediate, Dec. 6, 1935.

Approved.

SPECIAL ASSISTANTS

(New Appointment)

Boston Trade School—Albert T. Erhardt, mechanical department, Dec. 9, 1935.

Approved.

Day School for Immigrants—M. Evelyn Russell, Dec. 4, 1935.
Approved.

EVENING SCHOOLS

Term 1935-36

Brighton Evening Commercial High School—Maurice F. Murphy, assistant, Dec. 3, 1935 (one evening); Matthew P. Butler, assistant, Dec. 5 and Dec. 12, 1935 (two evenings).

Dorchester Evening Commercial High School—Mary M. P. Twomey, assistant, Dec. 2, 1935 (one evening); Mary M. Gainard, assistant, Dec. 3, 1935 (one evening); Paul F. Pearson, assistant, Dec. 9, 1935 (one evening).

Girls' Evening Commercial High School—Mary M. P. Twomey, assistant, Dec. 3 to Dec. 10, 1935 (four evenings).

Brighton Evening School—Louise H. Best, assistant, Dec. 5, 1935.

Franklin Evening School—Charles O. Halloran, assistant, Dec. 2, 1935.

Michelangelo Evening School—Kate V. Tiernay, assistant, Dec. 5, 1935 (one evening).

Washington Evening School—Cathryn J. Lauinger, assistant, Dec. 2, 1935 (one evening); Alice E. McMurrugh, assistant, Dec. 10, 1935 (one evening).

Approved.

A communication was received from the Superintendent, under date of Dec. 16, 1935, reporting that subject to the approval of the School Committee, he has appointed the following named clerical assistant for the period specified:

South Boston Evening Commercial High School—Catherine A. Gilda, Dec. 9 to Dec. 12, 1935 (three evenings).

Approved.

DEPARTMENT OF EXTENDED USE OF PUBLIC SCHOOLS Term 1935-36

A communication was received from the Superintendent, under date of Dec. 16, 1935, reporting that subject to the approval of the School Committee, he has assigned the following named persons to serve in the Department of the Extended Use of the Public Schools, for the term 1935-36:

Leaders—John Elberfeld, Samuel Levin, Charles J. Moloney, Joseph P. O'Reilly, Nov. 15, 1935; Stanley F. Sikora, Dec. 4, 1935; John A. Halloran, Jan. 8, 1936.

Assistant Leaders—Fred W. Ramsey, Andrew J. Walsh, Nov. 22, 1935; Henry J. Lawler, Dec. 6, 1935.

General Helpers—Albert J. Kelley, Henry J. Lawler, Fred W. Ramsey, Andrew J. Walsh, Nov. 26, 1935.

Helpers—Nonie C. Ahern, Anna J. Connelly, Charles F. Devlin, Nov. 26, 1935.

Attendants—Nonie C. Ahern, Anna J. Connelly, Dec. 4, 1935.

Approved.

TRANSFERS

A communication was received from the Superintendent, under date of Dec. 16, 1935, reporting that subject to the approval of the School Committee, he has made the following transfers of teachers:

Dorothy M. DeCoursey, assistant, elementary, Longfellow District, to the same position in the Agassiz District, Jan. 2, 1936.

Miriam K. O'Shea, assistant, elementary, Hyde District, to the same position in the Agassiz District, Jan. 2, 1936.

Approved.

A communication was received from the Superintendent, under date of Dec. 16, 1935, reporting that subject to the approval of the School Committee, he has made the following transfer of an evening school teacher:

Bernice M. Atkins, assistant, Brighton Evening School, to the same position in the Washington Irving Evening School, Dec. 3, 1935.

Approved.

LEAVES OF ABSENCE

On the report of the Superintendent, leave of absence under a suspension of the regulations was

granted each of the following named teachers for the term specified:

Boston Clerical School—Marion L. McCarthy, senior assistant, Nov. 13, 1935 to Feb. 28, 1936, without pay.

Clarence R. Edwards Intermediate District—Louise C. Leary, assistant, intermediate, Dec. 1, 1935 to Feb. 12, 1936, without pay.

Theodore Lyman District—Thomas F. Luby, sub-master, Dec. 1, 1935 to Feb. 28, 1936, without pay.

ASSIGNMENT

A communication was received from the Superintendent, under date of Dec. 16, 1935, reporting that subject to the approval of the School Committee, he has assigned A. Isabelle Timmins, assistant, elementary, Washington Allston District, to Speech Improvement Classes, without change of rank or salary, to take effect Jan. 2, 1936, and to continue during the school year ending Aug. 31, 1936, unless earlier terminated by the Superintendent with the approval of the School Committee.

Placed on file and the assignment approved, to take effect on the date stated.

DESIGNATIONS

A communication was received from the Superintendent, under date of Dec. 16, 1935, reporting that he has made the following designations of teachers to serve in the positions indicated until such time as they shall be filled otherwise in accordance with the rules and regulations, but not beyond Aug. 31, 1936:

Dwight District—Marion A. Burnham, assistant, special class, as acting master's assistant, special classes (vice Nellie E. Powers, absent on leave), Nov. 18, 1935.

Mary Hemenway District—Gladys M. Carnegie, assistant, elementary, as acting master's assistant (vice Mary E. Marron, absent on leave), Dec. 3, 1935.

Placed on file.

TEACHERS OF PHYSICALLY HANDICAPPED CHILDREN

A communication was received from the Superintendent, under date of Dec. 16, 1935, reporting that subject to the approval of the School Committee, he has assigned the following named temporary teachers for home instruction of physically handicapped children, to take effect on the dates stated:

Therese D. Dunigan, Charlotte G. Carver, Dec. 9, 1935; Ruth Y. Guthrie, Mary H. Lee, Anna C. Welsh, Dec. 17, 1935.

Approved.

PAYMENT TO ACTING NUTRITION CLASS ATTENDANTS

On motion of the Superintendent, it was

ORDERED, That there be allowed and paid the following named assistant nutrition class attendants, in addition to the regular compensation of their rank, one dollar (\$1) per day for each

day of actual service during the periods specified, this additional compensation to be allowed for service as acting nutrition class attendants:

Mary A. Conley, May 6 to June 14, 1935, inclusive; Gertrude H. Deming, Mar. 11 to May 3, 1935, inclusive; Elizabeth T. Kenney, Mar. 11 to May 10, 1935, inclusive.

PAYMENT OF SALARIES DUE AT DEATH

On motion of the Superintendent, it was

ORDERED, That the salary due Alice B. Poor, late assistant, elementary, in the Mary Hemenway District, be paid to her sister Lillian B. Poor.

On motion of the Superintendent, it was

ORDERED, That the amount due Lillie J. Davis, pensioned assistant, formerly in the Bennett District, be paid to Laura A. Osborn.

CLOSING OF ADMINISTRATIVE OFFICES.

The following was offered:

ORDERED, That the administrative offices and supply room of the School Committee are hereby closed on Tuesday, Dec. 24, 1935.

The rules were suspended and the order passed.

APPOINTMENT OF CLERICAL ASSISTANT

A communication was received from the Superintendent, under date of Dec. 16, 1935, reporting that subject to the approval of the School Committee and with the approval of the Commissioner of Civil Service and the Deputy Commissioner of Public Health, Commonwealth of Massachusetts, he has appointed Florence R. Mahoney as clerical assistant in the Edmund P. Tileston and Edward Everett Districts, by transfer from the Department of Public Health, to take effect Jan. 2, 1936.

Placed on file and the appointment approved, to take effect on the date stated.

ANNUAL REPORT OF SUPERINTENDENT

A communication was received from the Superintendent, under date of Dec. 16, 1935, submitting the fifty-third annual report of the Superintendent of Public Schools. The report covers the school year ending Aug. 31, 1935.

The report was accepted.

On motion, it was

ORDERED, That this Committee hereby adopts as its Annual Report for the year 1935, the Annual Report of the Superintendent, being School Document No. 15, 1935, and that twelve hundred fifty (1,250) copies be printed.

AUTHORIZED LIST OF TEXT BOOKS

The Superintendent offered the following six orders:

1. ORDERED, That the revised edition of the following-named text book is hereby authorized for use in The Teachers College of the City of Boston, to take the place of the old edition of the same:

Auslander, Joseph and Hill,

ENGLISH

Frank Ernest. The Winged Horse (educational edition.) Doubleday, Doran and Company, Inc. cpt. 1930....net \$1.20
f.o.b. Garden City, N. Y.

2. ORDERED, That the revised editions of the following-named text-books are hereby authorized for use as indicated, to take the place of the old editions of the same:

4. ORDERED, That the revised edition of the following-named text book is hereby authorized for use in the Trade School for Girls, to take the place of the old edition of the same:

Auslander, Joseph and Hill, Frank Ernest. The Winged Horse (educational edition). Doubleday, Doran and Company, Inc. cpt. 1930. (Not more than 45 copies to be purchased for a school or district)net \$1.20
f.o.b. Garden City

5. ORDERED, That the following-named text book is hereby authorized for use as indicated, to take the place of any and all previous authorizations of the same book:

Smith, E. Ehrlich, Lov Orton and Simpson, I. Jewell. Adventures in Reading. Grade VI. Doubleday, Doran and Company. cpt. 1930. Grade VI. (Not more than 45 copies to be purchased for a school or district)net \$.71

6. ORDERED, That the following-named books, now authorized

for use as text books, are hereby dropped from the list, no further copies to be purchased:

Grimm. Fairy Tales, Part I and II. edited by Sara E. Wiltse. Ginn and Company.

Winslow, C. E. A. Healthy Living. Charles E. Merrill Company. The six orders were laid over.

The Superintendent offered the following:

ORDERED, That the following-named book, now authorized for use as a text book in Grade VII, is hereby dropped from the list, no further copies to be furnished:

Wirth, Fremont P. and Thompson, Waddy. A History of American Progress. D. C. Heath & Co.

Superintendent: In connection with the foregoing, I would state that a group of our colored fellow-citizens recently protested against the use of certain books in our public schools because these books, they felt, placed the colored race in an unfavorable light before the school children.

The Superintendent then asked a committee of the Board of Superintendents to consider the protest and hear the group representatives. After listening to the members of the group, the committee made report to the Board of Superintendents and the Board of Superintendents finally recommended to the Superintendent that one book—"A History of American Progress"—above referred to, be dropped from the authorized list and no longer be furnished to the schools.

The order was laid over.

The Superintendent offered the following:

ORDERED, That School Document No. 8. 1925—Course of Study in English, Grades VII, VIII, IX and X—is hereby amended on page 77 by striking from the list of books for "Prose Narrative for Class Study and Rapid Reading" in Grade IX, "Captains Courageous," by Rudyard Kipling.

Superintendent: After careful consideration and study, the Board of Superintendents recommended to the Superintendent that "Captains Courageous" be removed from the list of ten books included in the course of study in English for Grades VII to X, inclusive, listed for Class Study and Rapid Reading. The foregoing order will, if passed, carry that recommendation into effect.

The order was laid over.

Superintendent: There was a third book—"The First Book in United States History," by Waddy Thompson, used in Grade VI, of which the group complained, but the Board of Superintendents found no good reasons for discarding that book since the particular pages referred to are not used in Grade VI.

The report was accepted.

TERMINATION OF SERVICE OF SCHOOL PHYSICIAN

A communication was received from the Superintendent, under date of Dec. 16, 1935, reporting the

termination of service of Dr. George E. Schwartz as school physician, Department of School Hygiene, to take effect Nov. 7, 1935, because of his transfer to the Penal Institutions Department, City of Boston.

The report was accepted and the communication placed on file.

APPROPRIATIONS AND EXPENDITURES TO DEC. 1, 1935

A communication was received from the Business Manager, under date of Nov. 30, 1935, submitting a statement showing the appropriations, the expenditures and the balances for maintenance of the public schools for the first eleven drafts of the current financial year, the expenditures for the first eleven drafts of the financial year 1934, with the increases and decreases in the several items.

Placed on file.

PROMOTIONS OF EMPLOYEES IN SUPPLY ROOM

A communication was received from the Business Manager, under date of Dec. 16, 1935, recommending with the approval of the Commissioner of Civil Service, the promotion of William F. Butler to the rank of Deputy Chief Storekeeper in the Supply Room, at a salary of fifty-five dollars (\$55) per week, to take effect Dec. 20, 1935.

Placed on file.

On motion, it was

ORDERED, That the rank of William F. Butler, Assistant Chief Storekeeper, is hereby changed to Deputy Chief Storekeeper, and his salary fixed at fifty-five dollars (\$55) per week, to take effect Dec. 20, 1935.

A communication was received from the Business Manager, under date of Dec. 16, 1935, recommending with the approval of the Commissioner of Civil Service, the promotion of George A. McKendry to the rank of Assistant Chief Storekeeper in the Supply Room, at a salary of fifty dollars (\$50) per week, to take effect Dec. 20, 1935.

Placed on file.

On motion, it was

ORDERED, That the rank of George A. McKendry, Receiver, is hereby changed to Assistant Chief Storekeeper, and his salary fixed at the rate of fifty dollars (\$50) per week, to take effect Dec. 20, 1935.

DEATH OF CUSTODIAN

A communication was received from the Schoolhouse Custodian, under date of Dec. 16, 1935, reporting the death on Dec. 11, 1935, of Robert T. F. Griffin, custodian, William Brewster Schoolhouse, and recommending that the salary due him be paid his widow, Agnes J. Griffin.

Placed on file.

On motion, it was

ORDERED, That the salary due Robert T. F. Griffin, late custodian

of the William Brewster School, be paid his widow, Agnes J. Griffin.

NAMING OF NEW SCHOOL

Dr. Lyons, for the Committee on Naming of School Buildings, offered the following:

ORDERED, That the new intermediate school on Dorchester and Seventh Streets, South Boston, in the Shurtleff District, is hereby named the Patrick F. Gavin School, in memory of Patrick F. Gavin who was born in Roscommon, Ireland, in 1844. He attended the Classical School in Roscommon and in 1863 came to the United States with his parents who took up their residence in South Boston where he resumed his studies. He entered Harvard Medical School in 1867, and finished the course in 1870. He was an assistant interne at the Boston City Hospital in 1871. In that year he returned to his birthplace where he pursued the study of surgery for sixteen months under Dr. Peyton. He next attended Kings and Queens College of Physicians and Surgeons in Dublin. He then entered Sir William Wildes' Eye and Ear Hospital, after long service there attended Mme. Stephen's Hospital, and later did service in Meath Hospital in Dublin.

He went from Dublin to Yorkshire, England, and from there to Devonshire, spending two and one-half years at these places in continuance of his studies. He then returned to South Boston where he continued practicing up to the time of his death. He was medical examiner for several organizations, and was a member of the Charitable Irish Society, the American Irish Historical Society, the United Irish League, Division 57 of the American Order of Hibernians, and other societies.

Dr. Gavin was noted for his outstanding professional reputation, for his all-embracing charity, and for his unselfish service in all good civic works in the district. His family also was distinguished for eminent service, having given to the medical profession four brothers and three nephews. Dr. Gavin died Dec. 22, 1909.

Laid over.

REPORT OF SUPERINTENDENT OF RESULT OF INVESTIGATION OF CHARGES AFFECTING PRIOR ELEMENTARY LIST.

Chairman: I would ask the Superintendent for a report of the investigation which he has been making at the request of the School Committee.

Superintendent: Mr. Chairman, the investigation conducted by the School Committee has been brought to a conclusion.

Through counsel, a candidate on the Elementary Prior List has admitted that she met, at a Boston hotel, a man who proposed to give her assistance in securing a permanent appointment to the Boston school system. During the meeting, this man called on the telephone a friend, locating him

finally at another hotel, to which the young woman and first man repaired.

There a conference of the three was held and a proposition was laid down by the two men that any girl on the list who would pay \$50 down and promise to pay \$100 when appointed, would be assured an appointment without regard to her position on the eligible list.

The young woman, on her part, called a meeting for Sunday, November 17, of seven or eight other candidates on the Elementary Prior List. Each of these young women declared that the scheme was ridiculously impossible and refused to have anything to do with it. No money was promised or paid.

The findings of the Committee, together with the names of the candidates concerned and the names of the two men alleged to have made the proposition, will be placed in the hands of the District Attorney tomorrow morning.

Dr. Lyons: I wish to take this occasion to express publicly my appreciation of the very thorough manner in which, at the order of the School Committee, the Superintendent of Schools, Dr. Campbell, has brought this investigation to a successful conclusion. I regret exceedingly that such a situation as that with which we are confronted, could be possible.

On April 29, 1935, an order to freeze the first 200 names on the prior list was presented to my Committee. I find this order is again on our conference list, and when it is presented, as I consider it now a matter of public interest, I shall ask that it be discussed in a public meeting. I shall always oppose it as I consider it detrimental to the best interests of the education of our children because of the breaking down of the principle of competition by which I believe the best teachers have been selected.

I want to state in conclusion that my sympathy goes out to that fine body of young women who have labored so hard and long in our school service, to think that even a breath of suspicion should be pointed at them. I want them to know that I have the same implicit confidence in them that I have always had.

Mr. Tobin: I feel that it is most unfortunate that the freezing of the list has appeared in the public press as the feature of the brazen attempt to defraud the girls on the Elementary Prior List.

The real proposition, as reported by Superintendent Campbell as the result of this investigation was that, regardless of their position on the list, those who paid the stipulated price would be appointed on the grounds of special qualification.

Anyone knowing Superintendent Campbell knows that such a proposition could never possibly succeed, and I am very sorry that any reference has been made at any time to a question of the freezing of the list. From the moment when I first heard of this brazen attempt to extort money from prospective teachers on the promise that the eligible list could be manipulated for the benefit of those who paid the price. I felt that it was the plain duty of

the School Committee to bend every effort to locate and expose the guilty persons.

For that reason I sponsored the original questioning of representative teachers on the eligible list as to their knowledge of the affair, and that is why I subsequently moved to place the investigation in the hands of Superintendent Campbell.

Still later, when Dr. Campbell was having difficulty in pushing his investigation, I issued a statement promising that if the Superintendent was unable to get to the bottom of the plot before the next regular meeting of the School Committee, I would offer an order which would compel the examination of all teachers on the Elementary Prior List, under oath and in public. I am glad to say that such a hearing will not be necessary.

Thanks to Dr. Campbell's untiring efforts and the able manner in which he, with the Committee's support, has conducted his investigation, the plot is exposed. We have received a statement from the young woman who was unfortunate enough to allow herself to be used as a cat's-paw in this racket, and she has disclosed the names of those who were behind the proposal.

The School Committee is turning the complete evidence over to the proper law enforcement agency, the District Attorney, and I believe the school administration has been vindicated in the eyes of the public and the teachers.

Chairman: As Chairman of this Committee, I wish to thank Superintendent Campbell and the other members for their untiring efforts to bring this investigation to a successful completion. Through the information received by members of the Committee and the Superintendent, we have come to the bottom of this plot. I also thank the members of the Committee for their help in plans to eliminate any other corrupt devices that may develop in relation to our schools.

UNFINISHED BUSINESS

The order laid over at the meeting of Nov. 18, 1935 (see p. 161), authorizing the revised edition of Webster's Elementary Dictionary, was taken up and passed, the four members voting in the affirmative.

The order laid over at the meeting of Dec. 2, 1935 (see p. 172), transferring the sum of \$40,000 from the amount appropriated for one new intermediate school in the Shurtleff District to the amount appropriated for the addition to the Robert Gould Shaw Intermediate School, was taken up and passed by the following vote:

YEAS—Messrs. Lyons, Mackey, Sullivan, and Tobin—4.

NAYS—0.

On motion, all unfinished business was referred to the next Committee.

The Committee adjourned.

Attest:
ELLEN M. CRONIN,
Secretary.

PROCEEDINGS OF SCHOOL COMMITTEE.

Dec. 27, 1935.

A special meeting of the School Committee of the City of Boston was held in the Administration Building, 15 Beacon Street, at 1:20 o'clock p. m., the Chairman presiding.

Present: Dr. Lyons, Dr. Mackey, Messrs. Sullivan and Tobin.

The Chairman stated that the meeting was called for the purpose of passing a transfer appropriation order, as indicated in the call.

TRANSFER OF APPROPRIATION

A communication was received from the Business Manager, under date of Dec. 27, 1935, reporting that the appropriation for Fuel and Light, including electric current for power, for the current fiscal year will have to be increased by a transfer in the sum of \$8000, as the balance now remaining in this appropriation will not meet the expenditures that will have to be made for the remainder of the present fiscal year.

The Business Manager recommended the passage of an accompanying order transferring the sum of \$8000 to the appropriation item "Fuel and Light, including electric current for power" from the appropriation item "Supplies, Equipment and Incidentals" (sub-item "Reserve").

Placed on file.

The following was offered:

ORDERED, That the following transfer is hereby made in the Budget and Annual Appropriation Order for the fiscal year 1935:

From the appropriation item "Supplies, Equipment and Incidentals" to the appropriation item "Fuel and Light including electric current for power"..... \$8,000

Passed by the following vote:

YEAS—Messrs. Lyons, Mackey, Sullivan, and Tobin—4.

NAYS—0.

The Committee adjourned.

Attest:
ELLEN M. CRONIN,
Secretary.

TAX COLLECTIONS FOR MUNICIPALITIES IMPROVE.

The results of a nation-wide survey of tax collections covering reports from 106 cities throughout the United States, just completed by Frank H. Morse of Lehman Brothers, New York, show that there has been a definite improvement in tax collections in 1934 over 1933.

Questionnaires were sent to the finance offices of the principal cities in each section of the country and 106 replies were received from city officials throughout the country. Of the 106 cities which reported, 82, or 77.3 per cent, showed an improvement in 1934 collections over those of 1933, as against 24 cities, or 22.7 per cent, which reported a decrease in 1934 collections. (*From the American City Magazine.*)

PROCEEDINGS OF CITY COUNCIL.

Saturday, January 4, 1936.

Final meeting of the City Council in the Council Chamber, City Hall, at 11 a. m. President FITZGERALD in the chair. Absent, Coun. Dowd and Murray.

ASH-REMOVAL CONTRACTS.

The following was received:

City of Boston,
Office of the Mayor, January 3, 1936.
To the City Council.
Gentlemen,—I herewith transmit a letter from the Commissioner of Public Works, relative to your order of December 2, 1935, concerning a request that specifications for 1936 ash-removal contracts contain certain provisions.

Respectfully,
FREDERICK W. MANSFIELD, Mayor.

City of Boston,
Public Works Department,
December 31, 1935.

Mr. John F. Gilmore, Jr.,
Assistant Secretary, Mayor's Office.
Dear Sir,—I beg leave to acknowledge receipt of your note of December 5 with attached order of City Council dated December 2, 1935, and reading as follows:

"Ordered, That the Commissioner of Public Works be requested, through his Honor the Mayor, to provide in specifications for 1936 ash-removal contracts that failure to comply with a requirement that ashes and rubbish contained in receptacles placed in easily accessible spots shall be carried to the street by the contractor's men and thereafter promptly returned, shall constitute a breach of contract", and to state that Section 2 of the contracts for the year 1936 amongst other requirements state that:

"The Contractor shall once a week throughout the year, as the Commissioner shall so direct, collect and remove all house dirt, ashes and refuse, when so placed as to be easily accessible on the level of the lot on which the building stands, which have been placed in suitable receptacles. The Contractor shall not put the receptacles on the street until one hour before time for collecting, and shall remove all refuse so placed on the same day. After emptying the receptacles they are to be returned to the places from which they were taken."

Article 7 of the contracts for the year 1936 provides:

"That if the work is not done properly the Commissioner, acting at his discretion, may terminate the contract and have the work performed as said Commissioner designates."

Respectfully yours,
C. J. CARVEN,
Commissioner of Public Works.

Placed on file.

ARC LIGHT, LEEDS STREET.

The following was received:

City of Boston,
Office of the Mayor, January 3, 1936.
To the City Council.
Gentlemen,—I transmit herewith a communication from the Commissioner of Public Works, relative to your order of December 2, 1935, concerning a request to install an arc light on Leeds street, in the rear of St. Monica's Church.

Respectfully,
FREDERICK W. MANSFIELD, Mayor.

City of Boston,
Public Works Department,
December 30, 1935.

Mr. John F. Gilmore, Jr.,
Assistant Secretary, Mayor's Office.
Dear Sir,—I beg leave to acknowledge receipt of your note of December 5 with attached City Council order dated December 2, 1935, and reading as follows:

"Ordered, That the Commissioner of Public Works be requested, through his Honor the Mayor, to install an arc light on Leeds street, in the rear of St. Monica's Church", and to state that after investigation it was ascertained that a gas lamp would furnish all the necessary light required and consequently a gas lamp was installed and placed in service December 13, 1935.

Respectfully yours,
C. J. CARVEN,
Commissioner of Public Works.
Placed on file.

PETITIONS REFERRED.

The following petitions were received and referred to the committees named, viz.:

Claims.

Joseph Catania, for refund on dog license.
A. Ferullo, for compensation for damage to car by city cart.

Everett W. Francis, for compensation for damage to boat by steamer "George A. Hibbard."

William J. Hart, to be reimbursed for execution issued against him on account of his acts as operator of car of Police Department.

William J. Hart, to be reimbursed for execution issued against him on account of his acts as operator of car of Police Department.

Ethel Hasbrouck, for compensation for injuries caused by an alleged defect at 1122 Boylston street.

Joseph M. Ray, for compensation for damage to car by city car.

Martin F. Walsh, to be reimbursed for execution issued against him on account of his acts as operator of car of Park Department.

Martin F. Walsh, to be reimbursed for execution issued against him on account of his acts as operator of car of Park Department.

Lillian Ginsberg, for compensation for injuries caused by an alleged defect at 286 Tremont street.

George Frederick Smith, to be reimbursed for execution issued against him on account of his acts as operator of car of Paving Division.

Committee on Jitney Licenses.

Boston Elevated Railway, to operate motor vehicles between Sullivan square and Everett line.

APPROVALS BY STATE EMERGENCY FINANCE BOARD.

Notice was received from the State Emergency Finance Board of approval of tax title loan of \$3,000,000; of loan and grant for alterations at English High School; and of loan and grant for water pipe trestle, Chelsea North Bridge.

Severally placed on file.

NOTICE OF INTEREST IN CONTRACT.

Notice was received from Frederic H. Fay, member of City Planning Board, of his interest in contracts on Lucy Stone School and Chelsea Street Bridge.

Placed on file.

REPORT OF COMMITTEE ON INSPECTION OF PRISONS.

Coun. GLEASON, for the Committee on Inspection of Prisons, submitted the following annual report:

In accordance with the provisions of chapter 126 of the General Laws, the Committee on Inspection of Prisons of the City Council submits herewith its annual report.

Suffolk County Jail.

The customary semiannual inspections of the Suffolk County Jail were made.

Conditions at this institution were found very satisfactory by your committee, particularly along the lines of cleanliness and sanitation.

The dangerous condition of the back wall and temporary gate makes it imperative that a new wall and permanent entrance be provided as soon as possible.

House of Correction.

Your committee made the usual number of visits to the House of Correction and conditions in general were of the same high order that have characterized this institution for the past several years.

Repairs were made on the roofs of several of the buildings and also to the wharf.

For the Committee,

RICHARD D. GLEASON, Chairman.

Appended were reports to the committee from the Suffolk County Jail and the House of Corrections.

The report was accepted and ordered printed.

REPORT OF COMMITTEE ON JITNEY LICENSES.

Coun. KERRIGAN, for the Committee on Jitney Licenses, submitted a report on petition of New England Transportation Company (referred December 9, 1935) for license to operate motor vehicles between Spring

street and the Dedham line—recommending that license be granted.

Report accepted; license granted under usual conditions.

ATTENDANCE AT OLYMPIC GAMES.

Coun. BRACKMAN—Mr. President, I move that the resolution about attending the Olympic games be recalled from the Committee on Rules at the present time.

President FITZGERALD—The Chair will have to rule that the motion is out of order. The reference was made under Rule 12, which cannot be suspended.

REPORT OF COMMITTEE ON CLAIMS.

Coun. GOLDMAN, for the Committee on Claims, submitted the following:

Annual Report of Committee on Claims.	
Claims pending January 1, 1935.....	1,306
Claims received during 1935.....	709
Claims approved during 1935.....	139
Claims disapproved during 1935.....	407
Claims returned to Committee on Claims on which Statute of Limitations had expired.....	370
Reimbursements (suits against city employees).....	39
Amount paid out on reimbursements.....	\$11,348.63
Amount paid out on approved claims.....	5,365.61
Total amount paid out on claims.....	16,714.24
Claims pending December 31, 1935.....	1,060

The report was accepted and ordered printed.

BOSTON CONSOLIDATED GAS RATES.

Coun. McGRATH offered the following: Ordered, That his Honor the Mayor be requested to file a protest against the proposed new Boston gas rate which places the heaviest burden on the smallest consumers.

Coun. McGRATH—Mr. President, this morning I received in the mail, the same as many thousands of other citizens, a little pamphlet giving the story of a young housewife asking questions of the gas company, that company now being controlled outside of Boston by the Koppers Company, as to what her bill would be in the future under the proposed new schedule. A part of the story is this:

"Every customer with a gas bill over \$4.50 a month will save money with the new rate. The small increase to others still keeps gas the most economical and convenient fuel—those with \$4 bills paying only 10 cents a month more, those with \$3.50 bills only 20 cents more, those with \$2.50 bills only 40 cents more."

Then this statement that follows is very important.

"People with bills less than \$2.50 will not at the most pay over 2 pennies a day more—Many of them even less."

That is, this means that those with the smallest income, living in the smallest homes, under this new schedule will pay 60 cents a month more, and the only man protected is the big consumer who uses over \$4.50 worth of gas a month. I don't know who wrote that story, but I want to file the complete story for the record, sir, to show how far afield those complaining about "soaking the rich" have gone, when a company of the size of this Koppers Company, owned by Andrew Mellon, sends this message today to thousands of small consumers in the city of Boston.

Following is a copy of "Boston Gas News" referred to:

"BOSTON GAS NEWS"

Published each month by the Boston Consolidated Gas Company to tell you about its work and its meaning to you.

The Proposed New Boston Gas Rate.

A young housewife came to one of our public desks:

"I hear my gas bill is going up," she said to the clerk. "I want to know why."

The clerk leaned politely forward.

"May I see the stub of your bill, please?" he asked.

She handed it to him.

"Mrs. Smith," he said after a moment, "your monthly bill here is \$6.75. Under the proposed new gas rate which the Gas Company is petitioning for, you would save about 45 cents a month."

"But I thought—I"

"The company is very anxious to explain the real facts about the company and its rate problems to its customers, Mrs. Smith," the young man said. "A proposed new rate has been filed with the Massachusetts Department of Public Utilities. May I tell you something about it?"

"Surely. Go ahead. I understood everybody's gas bills were going up."

"Every customer with a gas bill over \$4.50 a month will save money with the new rate. The small increase to others still keeps gas the most economical and convenient fuel—those with \$4 bills paying only 10 cents a month more, those with \$3.50 bills only 20 cents more, those with \$2.50 bills only 40 cents more. People with bills less than \$2.50 will not at the most pay over 2 pennies a day more—many of them even less."

"Well, I'll say this," Mrs. Smith declared unexpectedly: "We all get lots of help and save lots of work with gas appliances for little enough money compared with what we spend on other things. But why are some people's bills going to be increased, even if it is very small?"

"Because, unbelievable as it may seem, a great many of the company's customers—for example, those living in apartment-houses where hot water and heating are supplied by the landlord; occupants of small offices and others—require so little gas that under the present rate they do not pay the fixed monthly costs of serving them."

"I don't understand this business about 'fixed costs,'" Mrs. Smith interrupted. "All you have to do is to sell them the gas and—"

"It isn't that easy. We wish it were! Do you realize that, whether a customer uses gas or not, gas must be there—ready every minute for that one minute when he will want it? It takes lots of money for labor, materials and plant to do that."

"Well—no. I hadn't thought of it just that way."

"Then the customer's meter must be read, his account handled, service given him—no matter how little gas he uses. These are all fixed costs—and the actual fact is that a great many of our customers require so little gas that they are now receiving gas service at less than the cost to the company. This fact, together with the heavy taxes we must pay, reduces the company's needed income—and prevents lower gas rates by which thousands of our customers could give up inconvenient and old-fashioned fuels they're now using and enjoy more of the modern benefits of gas."

"I suppose a company like this does pay pretty big taxes," Mrs. Smith reflected.

"Yes. Taxes have been growing steadily. The company's taxes have increased from \$1,570,000 in 1932 to over \$1,700,000 in 1934. That's 16 cents out of each dollar of the company's revenue—and it amounts to 58 cents a month per customer."

"That's pretty steep."

"It's too steep," the clerk answered. "But it has to be paid. It's one more important reason why this company must have added income to keep its credit and thus be able to continue and improve the quality of its service to the public."

"My, there's quite a lot to this business of running a gas company, isn't there?" Mrs. Smith said. "I can see you people have your problems too. Why don't you explain these things to your customers? They don't know your side of the story . . ."

A book explaining in greater detail these and other facts about this company will soon be sent to each of our customers. May we ask sincerely that you read it? The statements which it makes are of interest to every user of gas in Greater Boston.

Boston Consolidated Gas Company, 100 Arlington street. Hubbard 7600.

The order was passed under suspension of the rule.

RECESS.

By direction of President FITZGERALD, the Council at 11.34 a. m. took a recess to go into executive session.

The members reassembled in the Council Chamber and were called to order by President FITZGERALD at 12.18 p. m.

EXECUTIVE COMMITTEE REPORTS.

Coun. GALLAGHER, for the Executive Committee, submitted the following:

1. Report on ordinance (referred December 21) increasing the salaries of the two stenographer-clerks attached to the city council, recommending the passage of the ordinance with an amendment making the salaries two thousand dollars.

The report of the committee was accepted, the ordinance was amended as recommended, and as amended was passed.

2. Report on the message of the Mayor and order (referred December 30, 1935) amending the county classification plan to include a foreman-farmer at the House of Correction—that the order ought to pass.

The report was accepted, and the question came on the passage of the order.

Coun. GALLAGHER in the chair.

Coun. NORTON—Mr. President, I understand that this is a gentleman who was at the island some time ago and did not get along with the officials down there. I understand that there was some difficulty about him. I understand also that there is no need of a farmer there, that at the present time there are at the island men enough to carry on this work, that the ground for farming purposes is limited, that they have a herd of cows there that use up quite a considerable pasturage area. The matter was called to my attention yesterday.

Coun. WILSON—Mr. President, in reference to this particular order, perhaps I might repeat what I said in the executive session. Certainly, the Mayor cannot need a tutor for agricultural prisoners at Deer Island, and I don't assume that they will do much farming there, anyway, until next spring. We have not heard any demand for this from the Master at the island or anybody in authority down there. We have received this order from the Mayor at a time when building inspectors and other employees of the city, men who have been employed by the city for years, have within a year or two, before they had acquired their right to a pension, been fired by this administration. Still, it is now proposed that we need a new position of this sort, installing down there such an officer as is here proposed. Well, we have got along without this position for five or six years, and I don't see why we should now be expected to vote, in the middle of winter, for an agricultural position of this kind, for tutoring, inspection, or whatever may be the intent. If it is intended to have somebody down there who can teach the inmates how to handle a hoe or a pick or to sprinkle seeds about, it would seem as though, in any event, it should not be put into effect until next spring. I frankly feel that there is no rush requiring the passage of this order today, without even hearing anything as to its necessity from the Master at the island.

The order was declared passed. Coun. WILSON doubted the vote and asked for the yeas and nays.

The order was passed on roll call, yeas 17, nays—Coun. Goldman, Norton, Wilson—3.

President FITZGERALD in the chair.

SOOT IN SOUTH BOSTON.

Coun. DONOVAN and KERRIGAN offered the following:

Ordered, That the Health Commissioner be requested, through his Honor the Mayor, to investigate the unhealthful conditions caused by soot and coal dust from property of public utilities corporations in the City Point section of South Boston.

Passed under suspension of the rule.

REFERENCE TO UNFINISHED BUSINESS.

Coun. DONOVAN offered the following:

Ordered, That all matters of an unfinished nature pending before the committees of this City Council be referred to the City Council of 1936.

Passed under suspension of the rule.

THANKS OF COUNCIL TO PRESIDENT FITZGERALD.

Coun. McGRATH offered the following:

Resolved, That the thanks of the City Council be extended to Councilor John I. Fitzgerald for the able and impartial manner in which he has presided over the deliberations of the City Council during the present municipal year.

The question came on the passage of the resolve.

Coun. McGRATH—Mr. President, I think it is fitting on this last official day of the City Council of 1935 to say a word on the manner on which you have conducted yourself as president of this body. I have had experience as presiding officer of the body and I know there are times when it is hard for some of the warring factions to appreciate the fact that your position is one in which you must be impartial and fair. I think it is very much to your credit and to the credit of the City Council that you have conducted your-

self in such an impartial and fair manner, an attitude which has also been extremely helpful in the business conducted by the Council during the past year. It is not necessary, of course, for me to sing any swan song, because it was through preference that I left the body. But I do know, as you know, that on the closing day of any session, when some of the boys are not coming back, there is always a little note of sadness. I will, however, simply say to the members of the Council this, that, Mr. President, you and I and Tom Green of Charlestown have had the honor of ten years of membership in this body, since the system of electing members by wards has been in vogue, and perhaps it might be well for just a moment, looking back over the years, to say just a word in memory of some who have served with us and who have now passed beyond. We all have in our hearts memories of Tim Donovan, of Ward 1, of John Heffernan from Councilor Gallagher's ward, and of Frank B. Sullivan of Ward 13. We also hold enshrined in our memory Major Lynch, who went from here to the position of clerk in one of our courts, where he will unquestionably render as faithful service as he did in political life; memories also of our old friend from Ward 5, Henry Parkman, dear to us all as a friend, and, we now feel, destined to go on to other fields where he can render even more splendid service. We think fondly, too, of Doc. Arnold, who sacrificed his professional life as long as he felt that he was able to do so, in the interest of the people of his ward. We also have very clearly in mind at the moment our old friend Tom Green, who has served in this body during the life of the Council in its present form. These men and others—and I do not need to go over the roll ward by ward—always stood ready here to help in any way they could and I know that any and all of them, if their services should be required by any of our members, would stand ready to serve to the utmost, because serving together in a body of this kind brings men into more intimate contact than membership in a club or a fraternal body. I have always felt that our present system of representation was a splendid one, because it brings into this chamber men with a greater insight into the life of the people of their wards than could be the case with any man who served as Mayor or as a member of a body of men elected at large throughout the city. Our constituencies send here men who represent the older families of the City of Boston; they send here men who are sons of immigrants, Irish, Jewish, and Italian, men from the Canadian provinces, men typical of every phase of Boston life. I always like to look back to the time when the question of an increase in the pay of members of the City Council from \$1,500 to \$2,000 was placed on the ballot in the City of Boston. On that same day the citizens of Cambridge had on their ballot a proposition to increase the pay of their councilors from \$750 to \$1,000. In Cambridge that question was roundly defeated, but in Boston 75,000 citizens voted in favor of that increase as against 42,000 who voted against it. It was perhaps the only increase of its kind given at the hands of our voters, and it is the greatest single tribute ever paid to a legislative body. We serve here as members of this body having a lot in common because a chain is no stronger than its weakest link, and there is nothing that can happen to an individual member of the Council that is not detrimental to all the members. We are here as one family. We sink or swim together, and so we all have responsibility as individuals to the group. I know that we have conducted ourselves here as a body as well as the members of the Legislature or the members of Congress. We are average men, representatives of our community. Though I have fought with some men who have been Mayors of Boston, I pride myself on the fact that in all my service here I have not uttered a word detrimental to any member of this Council. As we leave the Council, Tom Green goes into one of the most important positions in the State of Massachusetts, as Civil Service Commissioner, and Morry Goldman continues in the office of the Attorney-General, with all its power. Conducting myself as chairman of the Democratic State Committee I know that I can be helpful to George Donovan, to Edward Englert and to Al Fish, and they are welcome to call upon me at any time, and I know that other members of the body who are going from here to different activities have the same feeling that I have in that respect toward our fellow members, regardless of party. I extend to my successor, to other new members who are about to enter the body, and to those who are still continuing as members, the hand of fellowship and a Godspeed. Good luck to you all, and at any time when I can be of

service to any of the members here, regardless of party. I shall be more than pleased to serve. These have been the most pleasant days of my life, and whenever my footsteps may carry me I shall always fondly remember them; and I trust that you, Mr. President, and the other members here will continue to have the respect which you merit of the department heads and of your constituents. This is a sound body, and you may well hold up your heads and march on. You were elected to office by your fellow citizens, not by some of the self-constituted critics who may at times try to condemn you. You are here because, through the exercise of the right of citizenship by your fellows, you were elected to serve. In ending my days in the Council, I wish for you, Mr. President, the very best in life, what you so well deserve because of your service here, the best of luck and the best of health; and to the other members of the Council, both old and new, I wish the greatest of success in the years 1936 and 1937. (Applause.)

Coun. ENGLERT—Mr. President, I wish to say just a word to my colleagues here before leaving. I have always enjoyed their friendship and I am glad to leave here today knowing that I still carry with me the friendship of my colleagues. Having been a member of the City Council for eight years, I merely wish to say that I have appreciated those eight years to the full and that I now wish to you all a happy and prosperous new year. (Applause.)

Coun. FISH—Mr. President, today, after eight years of service in the City Council, I leave. I have enjoyed my eight years of service here very much and I shall always cherish memories of the time I have spent in this body. I wish to extend to all my colleagues wishes for a very prosperous and happy New Year.

Coun. DONOVAN—Mr. President and fellow members of the Boston City Council, I too want to add my word of appreciation of the many friendships I have formed in the last four years. I take deep pleasure that I have served with a group of the finest men whom the citizens of Boston can send to this Honorable Body. I thank our former president, now chairman of the Democratic State Committee, for his kind words to those of us who are going out; and I wish to express to our president and to everybody here my thanks for their courtesy and kindness to me during the past four years, and to wish to them all a very happy and prosperous New Year. (Applause.)

Coun. GOLDMAN—Mr. President and fellow colleagues, I, too, share the same feelings that have been expressed by other members who are leaving the Council. Two years that I have spent here have been the most pleasant years of my life. I have learned much in this limited period of service that I have rendered on behalf of my district. I can frankly and honestly say that my promotion to the Attorney-General's office was the result of my service in the City Council. I appreciate the contacts I have been able to make and the friendships I have formed here as a member of the body, a trustee of the City of Boston, contacts and friendships which are especially valuable to ourselves and to our communities in a cosmopolitan city such as ours. I can truthfully say that as I go through life the friendships I have made here in the Council will ever remain here with me, and I trust that the new members and my old colleagues in the years to come will successfully continue the valuable service that they have so well rendered in the past. (Applause.)

The resolutions were adopted by a unanimous rising vote, amid applause.

President FITZGERALD—I desire to thank the members for their kind expressions and for their loyalty to me during the past year. The ground has been pretty well covered by the previous speakers. In fact, Councilor McGrath has not left much to be said. It has not always been an easy task for us, as public officials, to satisfy our constituents, especially in districts where a large number are out of employment. Those representing the outlying wards have had an easier task than those coming from in-town. At this time I wish to express my appreciation of the esteem in which my fellow members hold me, as set forth in this resolution, and also to particularly express my appreciation of one bit of recognition that has been extended to a member of this body. The Governor of this Commonwealth showed great courage when he appointed to the position of Civil Service Commissioner a man who, to use the vernacular of the day, is a so-called "gang politician." I heard Curtis Guild say at one time, walking down School street, that there are two statues out in front here, one representing the machine and the other the reformer in politics. The people decided that there should be two statues and they evidently believed that the

most successful man in politics, if good government and keeping taxes down was desired, was a man who was in active politics. And so our Governor appointed as Civil Service Commissioner Tom Green of Charlestown, a man who has served in the State House of Representatives and Senate, and who has given ten years of service in this body. Personally, I don't know how he stood up under it. Whenever I came here, there were always one hundred looking for Tom Green. There was always a crowd here, and I never could understand how he weathered it. But he always rendered good service, service that is particularly important and necessary in these trying times. So we will now have in the office of Civil Service Commissioner a practical man, a man who knows both sides, who can distinguish between the man who is really in need and the man who is merely looking for favors. A man occupying his position can do the judicious and proper thing, and can act for a worthy friend. That has always been something held to be justifiable since the beginning of time, the question merely being whether a man acts judiciously or has an ulterior motive, whether he is giving the taxpayers a fair run for their money or whether he is acting from selfish motives. Thomas N. Hart, one of the greatest Mayors that Boston ever had, used to say that he was not as much concerned in the question of whether somebody might be making a dollar on a land-taking as he was in the question of whether the taxpayers were getting a fair deal. And he was a man who had a broad outlook on life, living to ripe old age. We now see a man who is interested in the plain people getting this high office, and we know that he will perform the duties of that office with the greatest credit to himself and benefit to the community. Tom, it gives me great pleasure at this time to extend to you this token of esteem from some of your friends.

(President FITZGERALD here presented to Councilor Green a handsome floral tribute.)

Coun. GREEN—Mr. President, I am really overcome. If I had the vocabulary of a Norton or the eloquence of a McGrath, I might be able to convey to you, sir, some idea of what this splendid testimonial, this beautiful gift, means to me. I realize and appreciate, Mr. President and members of the body, the friendships I have made over a period of ten years and hold them as a priceless possession today. I hope that I will measure up in my new position to everything that the great Governor of this Commonwealth expects of me. In leaving this body today, I do so with a heavy heart. I am going to bring this bouquet of flowers to the Legislature, to my office as Civil Service Commissioner at the State House. Every time when I look at it I will think of all you fellows—of the Gallagher, of the Agnews, of the Finleys, of the Murphys, of the McGraths, of the Wilsons, of the Goldmans, of the Tobins, of the Brackmans, the Englerts, the Gleasons, the Dowds, the Kerrigans, the Donovans, the Shattucks, the Roberts, the Selvitellas, and of you, Mr. President. It is almost impossible for me to make a response, other than to say that I hope I will not be a stranger to the members of the body and I hope I will be in a position on many occasions to do something worthwhile for the members of this Honorable Body of which I have had the pleasure of being a member for ten years. I have enjoyed every minute of my service here, with the finest lot of men on God's green earth. I will miss them, and I know some of them will miss me. But all I can say, speaking from a grateful heart, is that I wish for the New Year Godspeed and prosperity to you, Mr. President, to all the older members and to the new members who are coming in. (Applause.)

Coun. NORTON—Mr. President, the end of an epoch in political life is always more or less of a great event. Tom Green epitomized a while ago the situation, in so far as his new duties are concerned, when he said to me, "Norton, I feel like a kid leaving home." It rather seems to me that that expresses the situation of everyone of us here today, in severing some of the old associations in this body. I have often thought the finest description of our services rendered here is that we are serving in the trenches of political life in Boston. My friend John T. Flynn, one of the greatest writers on economic subjects, once told me, "Norton, there are high political officers, but as one sitting on the bleachers of political life it seems to me that I would rather serve in the New York or Boston City Council than any other, because there come the opportunities to assist in hospitalization and other humane services for the people in whom we are interested." And what finer opportunities can be presented than those which are offered in city life to make the lives of our citizens, whom we serve, a little better? I thought when I graduated from evening college years ago that it was a great event in my life, coming, as I did, from people who had never before in my family had that opportunity. I thought when

an opportunity offered to serve in the army in the World War that that was the greatest event in my life. But after serving for eight years in this body I feel that the greatest honor that has come my way has been the chance to serve in this city government the section in which I live. I have often said, not only in this country, but abroad this summer, speaking to a group of Bostonians and New Yorkers, that if I were to go on trial for my life I would feel that I would receive more fair and intelligent consideration at the hands of a jury selected from members of this City Council than from any other. If I had to select a group to consider any of the important questions with which we are faced in our daily lives, I would select them, as I would select a jury, from such men as gather here as members of the Boston City Council. I believe there is a higher percentage of real humanity existing in this body than in any other group of people with whom I have had the honor of coming in contact. We quarrel, we struggle, we feel envious and discontented at times. We have our disagreements with one another. But the moment we step out of the door it is all forgotten. It is human at times to be angry, to attack, to have discords, but I have never seen a group that forgets such disagreements and differences so quickly as do the members of this Council. They are an outstanding group. If I had my way, no college student would receive a diploma until he had served in the battle of life in some such way as is afforded here. Where else can such an opportunity be offered for human service? We are down in the trenches of life itself. We see the family in its happy times and also in its bad hours. A man who can stay in this Council for half a dozen terms, representing 70,000-odd people with all their hopes and aspirations, is certainly a man who has a chance to plumb the depths of society and of human nature. I am talking now as I have spoken to crowds all over the city. The Council is frequently attacked, and our reputations are sometimes endangered. Our service in the body is sometimes looked upon with disdain. Nevertheless, it is a great service. No service can be finer than the service of one's people. People representing the outstanding groups in the city. And what an honor it is for a member of this body to go through half a dozen terms here! Tom Green, I have known you and your family for years. I never had the pleasure of a personal acquaintance with your old father, but I knew a longshoreman who knew your father, and nobody could have spoken in higher terms of another human being than he spoke of him. Georgie Donovan, a kinder fellow never came to the Council. As Gardiner Wilson said to me, "It is too bad that that boy is leaving here!" Those off-the-record remarks mean much. Al Fish, you have been here a number of years, have rendered good and faithful service, and we will miss you more than I can express. You, too, have had your differences at times with some of your fellow members, honest differences, but you have always been inclined to forgive and forget. Eddie Englert, I have always wished that I had your personality, that I could adopt the attitude you have adopted on certain occasions. You have always believed nice things of everybody and nothing bad of anybody. You have never stood on the floor and said anything which would make anybody grieve. As for Joe McGrath, I was talking with the manager of the Commander Hotel awhile ago, and, pointing to a certain man in the hotel, he said to me, "Norton, there is our leading man, and his strong point is personality. You watch him meet these folks. We have handled tens of thousands of people in our hotels in the last ten years, and this fellow is about as good as we have." I said to him, "You should come to Boston. We have there a fellow who cannot be beaten in personality." He said, "Who is that?" I said, "A member of our City Council, Joe McGrath. I will take Joe and dress him up, put him here and let him take charge, and before he has been here a week you will agree with me." Joe, we all wish you the greatest success. I do not speak in these terms to embarrass you, but what I say comes from the heart. Morry Goldman, you also come from the Dorchester section of the city. You came with a smile and you are going out with a smile. I have found you one of the ablest and finest representatives that your section of the city has ever sent here. It is natural, of course, to say nice things of fellow members on an occasion like this, but I wish to say that every word I have uttered here comes from the heart, and they are words that I could truthfully repeat five years from now. As for you, Mr. President, you and I had a little disagreement here one day. We are both

Irish, and the nature of the Celt is such that at times we explode! That was one occasion, since I came to the Council, when I said something I was sorry for, and if you then felt that I was unjust, I certainly want to say now that in all your dealings with me I have found you a gentleman and a man who at all times wished to do the right thing. I will wind up with this statement. I have recently been brought into a newspaper controversy in connection with our city tribunal across the street. My name was brought in by a contractor in my section and another individual well known in Boston. As a result of what this contractor said, I was summoned before the Finance Commission. But I would like to say here for the record that, while I have criticized the present administration and while I have vigorously disagreed with many of the aims and methods of the present administration and its ways of carrying out its aims, after listening to the various claims of those who felt that they have been unjustly dealt with by the city in the last few years and after listening to the contractors before the Finance Commission making certain claims, none of those claims of men coming from my ward and to whose story I have listened by the hour, and none of the other stories I have heard, in any way alter my opinion of our present chief executive, our present Mayor. I feel that he is personally an honest man. (Applause.)

Adjourned without day at 12.45 p. m.

SAND, CINDERS AND SALT IN DULUTH.

About 385 miles of sidewalk are sanded every year and about 250 miles of streets are snow-plowed and sanded. Ordinarily, flat grades are not sanded, this work being confined to steep grades where dangerous ice conditions exist. During the past season the maintenance department used about 500 cubic yards of cinders, 500 cubic yards of sand, and 5 tons of calcium chloride on the streets.

The use of salt, or sodium chloride, has been discontinued entirely, because of its injurious effect on concrete walks and pavements. The action of salt is not clearly understood, but it is much more active during cold weather than in summer, and is apparently due to the formation of crystals after penetrating the surface, the force of which disintegrates the concrete. Calcium chloride does not seem to be entirely free from this difficulty, but is much less active than sodium chloride.

PUBLIC DEBT, JANUARY 1, 1933.

Gross funded debt, January 1, 1933, \$165,758,499.95 (including \$119,999.95 issued by State for enlargement of Court House); sinking funds, \$35,737,619.21; other redemption means, \$3,078,263.28; net debt, \$126,942,617.46 or \$7,588,429.94 more than on January 1, 1932. Of said debt (net) \$79,310,526.63 or 62.48 per cent was City debt; \$46,199,623.96 or 36.39 per cent, Rapid Transit debt (representing 4½ per cent investment); \$994,466.87 or 0.78 per cent, County debt; \$438,000 or 0.35 per cent, Water debt.

Debt paid in 1932 was \$9,935,301 but there was an increase in total gross debt of \$5,437,698.99.

Net debt per capita, \$160.62 (approx.); net debt, exclusive of Rapid Transit debt, \$80,742,993.50 or \$102.17 per capita (approx.).

Per capitas are based on U. S. Census Bureau's estimated population on January 1, 1933.

Loans authorized but not issued (within debt limit), \$1,898,000; same outside of debt limit, \$2,680,000; total, \$4,578,000.

POPULATION OF COUNTIES, 1930.

(1) Middlesex (11 cities and 43 towns), 934,924 or 156,572 over 1920; (2) Suffolk (3 cities and 1 town), 879,536 or 44,014 over 1920; (3) Essex (8 cities and 26 towns), 498,040 or 15,884 over 1920; (4) Worcester (4 cities and 57 towns), 491,242 or 36,107 over 1920; (5) Bristol (4 cities and 16 towns), 364,590 or 5,585 over 1920; (6) Hampden (4 cities and 19 towns), 335,496 or 35,191 over 1920; (7) Norfolk (1 city and 27 towns), 299,426 or 80,345 over 1920; (8) Plymouth (1 city and 26 towns), 162,311 or 5,343 over 1920; (9) Berkshire (2 cities and 30 towns), 120,700 or 7,667 over 1920; (10) Hampshire (1 city and 22 towns), 72,801 or 3,202 over 1920; (11) Franklin (26 towns), 49,612 or 251 over 1920; (12) Barnstable (15 towns), 32,305 or 5,635 over 1920; (13) Dukes (7 towns), 4,953 or 581 over 1920; (14) Nantucket (1 town), 3,678 or 881 over 1920. Total for the 14 counties (39 cities and 316 towns), 4,249,614 or 397,258 (i. e., 10.3 per cent) over 1920. Of said total, 2,940,335 (i. e., 69.19 per cent) were in the cities and 1,309,279 (i. e., 30.81 per cent) in the towns. The four counties, Suffolk, Middlesex, Essex and Bristol, contain 63.00 per cent of the State's inhabitants.

If the municipalities having a population of 5,000 or over are properly called urban, then the percentage of urban population in the entire State reaches the notable figure of 90.71, while the rural shows but 9.29 per cent.

POPULATION OF NEW ENGLAND, 1930.

Total population, 8,166,341 (4,024,657 males and 4,141,684 females); total white, 8,065,113 (3,972,465 males and 4,092,648 females); total native white, 6,230,803 (3,067,723 males and 3,163,080 females); native white of native parentage, 3,167,082 (1,572,885 males and 1,594,197 females); native white of foreign or mixed parentage, 3,063,721 (1,494,838 males and 1,568,883 females); foreign-born white, 1,834,310 (904,742 males and 929,568 females); Negro, 94,086 (46,963 males and 47,123 females); Indian, 2,466 (1,273 males and 1,193 females); Chinese, 3,794 (3,233 males and 561 females); Japanese, 352 (277 males and 75 females); Mexican, 107 (69 males and 38 females); all other races, 423 (377 males and 46 females).

POPULATION OF UNITED STATES, 1930.

Total inhabitants of continental United States, 122,775,046, or 62,137,080 males and 60,637,966 females. Total native white, 95,497,800 or 48,010,145 males and 47,487,655 females; native white of native parentage 70,136,614 or 35,460,001 males and 34,676,613 females; native whites of foreign parentage, 16,999,221 (8,438,676 males and 8,560,545 females); native whites of mixed parentage, 8,361,965 (4,111,468 males and 4,250,497 females); foreign-born whites, 13,366,407, or 7,153,709 males and 6,212,698 females; total foreign white stock, 38,727,593, or 19,703,853 males and 19,023,740 females; Negroes, 11,891,143, or 5,855,669 males and 6,035,474 females; Mexicans, 1,422,533, or 758,674 males and 663,859 females; Indians, 332,397, or 170,350 males and 162,047 females; Japanese, 138,834, or 81,771 males and 57,063 females; Chinese, 74,954, or 59,802 males and 15,152 females; all others, 50,978, or 46,960 males and 4,018 females.

ANNEXATIONS OF BOSTON.

East Boston in 1637; South Boston in 1804, being set off from Dorchester; Roxbury in 1868, a city of Norfolk County since March, 1846; Dorchester in 1870, a town since September, 1630; Charlestown in 1874, a city of Middlesex County since February, 1847; Brighton in 1874, set off from Cambridge and incorporated as a town of Middlesex County in February, 1807; West Roxbury in 1874, set off from Roxbury and incorporated as a town of Norfolk County in May, 1851, Hyde Park in 1912, a town of Norfolk County since April, 1868.

These annexations, which added 24,312 acres of land to the original land of Boston, were by area as follows: East Boston, 1,435 acres; South Boston, 795; Roxbury, 2,450; Dorchester, 5,600; West Roxbury, 8,075; Brighton, 2,664; Charlestown, 424; Hyde Park, 2,869. Filled land increased the area later by 1,396 acres. In 1875 the annexed territory had a population of 201,250, or 58.86 per cent of city's total; in 1910 its population had increased to 477,311, or 71.18 per cent, Hyde Park not included. By 1915 the total was 549,139, or 73.67 per cent of city. By 1925 the total was 607,519, or 77.92 per cent.

CITY OF BOSTON.

PUBLIC WORKS DEPARTMENT.

NATIONAL INDUSTRIAL RECOVERY PROJECT
P. W. A. DOCKET NO. MASS. 1123-R.

NOTICE TO CONTRACTORS.

Sealed proposals addressed to the Commissioner of Public Works and indorsed "Proposal for Constructing a Water Pipe Trestle and Fender at Chelsea Bridge North" will be received at Room 508, City Hall Annex, until 12 m. (E. S. T.) on Tuesday, January 21, 1936, and at that time and place will be publicly opened and read. Specification and contract forms may be obtained at Room 508, City Hall Annex, upon payment of the sum of two (2) dollars (non-returnable). Each proposal must be accompanied by a properly certified check in the sum of fifteen hundred (1,500) dollars payable to the City of Boston. Proposals must be made in duplicate, the sealed duplicate, without check, to be deposited by the bidder with the City Auditor previous to the time named for opening the proposals. All checks except that of the bidder to whom the contract is awarded, will be returned within three (3) days after the awarding of the contract. The project is to be financed and constructed under the terms of the National Industrial Recovery Act, Emergency Relief Appropriation Act of 1935, and chapter 366 of the Acts of 1933, as amended, of the Commonwealth of Massachusetts, and attention is called to the construction regulations prescribed by the P. W. A.

The rate per hour of the wages to be paid to mechanics, teamsters, chauffeurs and laborers in the work to be performed under the contract shall not be less than the rate of wages in the schedule determined by the Commissioner of Labor and Industries of the Commonwealth, a copy of which schedule is annexed to the form of contract referred to herein. Copies of said schedule may be obtained, without cost, upon application therefor, at Room 508, City Hall Annex.

The employment agency designated by the Government is the State Public Employment Office, 100 Nashua street, Boston. The right is reserved by the City of Boston, Mass., acting through its Commissioner of Public Works, to reject any or all bids, or to accept any bid which he deems most advantageous, subject to the approval of the State Director, P. W. A. No bidder may withdraw his bid for a period of thirty (30) days after the date set for the opening thereof. A surety bond by a company satisfactory to the Commissioner and the State Director P. W. A. and in an amount equal to one hundred (100) per cent of the contract price will be required from the successful bidder.

C. J. CARVEN,
Commissioner of Public Works.

(Jan. 4-11.)

CITY OF BOSTON.
SUPPLY DEPARTMENT.

PROPOSALS FOR FURNISHING BUTTER EGGS ETC.

The Supply Department of the City of Boston invites proposals for furnishing to the various city departments butter, eggs, etc., as per specifications to be obtained at the office of the Superintendent of Supplies, Room 801, City Hall Annex. There will be a charge of thirty cents (\$0.30) for each blank proposal taken out. The bidder must leave his proposal with a certified check for \$300 payable to and to become the property of the City of Boston, if the proposal is not carried out, at the above office. A duplicate bid, without check, must be left at the office of the City Auditor prior to the time named for opening bids. The bids will be publicly opened and read Wednesday, January 22, 1936, at 12 m., at Room 801, City Hall Annex. The successful bidder must furnish a bond for one quarter the total estimated amount of the contract with a surety company authorized to do business in Massachusetts as surety for the faithful performance of the contract. The Superintendent reserves the right to accept or reject any or all bids, or any part of a bid, and to award the contract as he deems for the best interests of the city. All contracts made subject to appropriations to meet payments thereunder.

D. FRANK DOHERTY,
Superintendent of Supplies.
(Jan. 11.)

CITY OF BOSTON.
SUPPLY DEPARTMENT.

PROPOSALS FOR HAY GRAIN AND STRAW.

Sealed proposals will be received at the office of the Superintendent of Supplies, Room 801, City Hall Annex, until 12 m., Wednesday, January 22, 1936, at which time and place they will be publicly opened and read, for furnishing hay, grain and straw to the various city departments. There will be a charge of twenty cents (\$0.20) for each blank proposal taken out. The bidder must include the cost of delivery. The bidders are requested to bid on United States No. 2 timothy hay. Hay must be no less than 40 per cent green. The grade of hay must comply with the federal hay grades, and No. 2 white oats to test no less than thirty-six pounds to bushel graded under federal standards. The hay and oats must be weighed by sworn weighers and on the scales designated by the Superintendent of Supplies. All articles covered by this contract shall be the growth production of the United States. The bidder must use the form of proposal to be obtained at Room 801, City Hall Annex. Proposals must be accompanied by a certified check for \$200. A duplicate bid, without check, must be left at the office of the City Auditor prior to the time named for opening bids. The successful bidder must furnish a bond for one quarter the total estimated amount of the bid with a surety company authorized to do business in Massachusetts as surety for the faithful performance of the contract. The Superintendent reserves the right to accept or reject any or all bids, or any part of a bid, and to award the contract as he deems for the best interests of the city. All contracts made subject to appropriations to meet payments thereunder. No reservations or stipulations submitted by the various bidders will be considered by the Superintendent.

D. FRANK DOHERTY,
Superintendent of Supplies.

PROPOSALS FOR FURNISHING TWO PORTABLE AIR COMPRESSORS.

The Supply Department of the City of Boston invites proposals for furnishing two portable air compressors to the Public Works Department, Water Division. The bidder must use the form of proposal to be obtained at the office of the Superintendent of Supplies, Room 801, City Hall Annex, and the successful bidder must furnish a bond for one quarter the total estimated amount of the bid with a surety company authorized to do business in Massachusetts as surety for the faithful performance of the contract. There will be a charge of twenty cents (\$0.20) for each blank proposal taken out. The bid, with a certified check for \$300, payable to and to become the property of the City of Boston if the proposal is not carried out, must be left at the office of the Superintendent of Supplies, before 12 m., Thursday, January 23, 1936, at which time and place they will be publicly opened and read. A duplicate bid, without check, must be left at the office of the City Auditor prior to the time named for opening bids. The Superintendent reserves the right to accept or reject any or all bids, or any part of a bid, and to award the contract as he deems for the best interests of the city. All contracts made subject to appropriations to meet payments thereunder.

D. FRANK DOHERTY,
Superintendent of Supplies.
(Jan. 11.)

THE SCHOOL COMMITTEE OF THE CITY OF BOSTON.

ADMINISTRATION BUILDING, 15 BEACON STREET,
OFFICE OF THE BUSINESS MANAGER.

PROPOSALS FOR FURNISHING PAPER, BLANK BOOKS AND ENVELOPES FOR THE BOSTON PUBLIC SCHOOLS.

The School Committee of the City of Boston invites bids for furnishing and delivering at the Supply Room of the School Committee, 440 Brookline avenue, Boston, paper, blank books and envelopes as per schedule. Proposal forms are obtainable at the office of the Business Manager of the School Committee, tenth floor, 15 Beacon street. Envelopes containing proposals must be sealed and plainly marked "Proposal for Paper, Blank Books and Envelopes." The bid must be in duplicate. One copy signed by the bidder and accompanied by a certified check for \$100, payable to the City of Boston, must be left at the office of the Business Manager on or before 12 o'clock m. on Wednesday, January 22, 1936. Copies filed with the Business Manager will be publicly opened and read at 12 o'clock m. of the day stated. The other copy, also signed by the bidder, must be filed with the City Auditor, City Hall, Boston, Mass., previous to the time named for the opening of the bids. The School Committee reserves the right to reject any or all bids, and to accept such bid or part of bid as may be deemed best for the interests of the city. The successful bidder will be required to furnish a bond for not less than 50 per cent of the amount of the contract.

ALEXANDER M. SULLIVAN,
Business Manager of the School Committee.

WEIGHTS AND MEASURES DEPARTMENT.

NOTICE.

In compliance with provisions of section 41, chapter 98 of the General Laws of Massachusetts, as amended by chapter 32 of the Acts of 1923, I hereby give notice to all inhabitants or persons having usual places of business in Boston using weighing or measuring devices for the purpose of buying or selling goods, wares or merchandise, for public weighing or for hire or reward, to bring in such weighing and measuring devices to be tested, adjusted and sealed. I shall be at the office of Sealer of Weights and Measures every day during regular business hours to attend to this duty.

JAMES A. SWEENEY,
Sealer of Weights and Measures,
105 City Hall Annex, Boston.

Office hours, 9 to 5, except Saturdays, 9 to 12.

A SQUARE DEAL IN ASSESSMENTS FOR TAXATION.

Many cities are finding it greatly to their advantage to have their tax valuations periodically overhauled. The first criterion of any assessment is equity. For every citizen who wants through a "pull" or however else to get off easy, there are twenty, nay a hundred who want a fair and square deal for all.

The appraisal of city real estate is a highly technical affair.

Few things are more important than the equalization of assessments. Particularly in cities that are cramped by an inflexible debt or tax limit, an honest, full value assessment may be a great boon. Without the slightest raise in the tax rate a substantially greater tax yield may be had.

HISTORICAL DATA ABOUT WARDS.

The term "ward" first appears in a fire-protection order, approved by the Town on August 29, 1679, dividing the Town into 4 quarters with 2 wards each. The 8 wards had previously been military districts.

On August 11, 1713, the Selectmen "agreed upon a distribution of the Town into distinct Wards or Precincts."

On February 1, 1715, it was "voted to make a new division of the Town into eight distinct Wards."

On March 9, 1735, it was voted to divide the Town into 12 wards to facilitate the work of the Overseers of the Poor.

On March 13, 1822, the Selectmen divided the Town into 12 wards on the basis of the U. S. Census of 1820.

By an ordinance which took effect on the second Monday of December, 1838, there was a revision of the wards.

On April 29, 1850, the City Council accepted Chap. 167 of the Acts of 1850, which altered the wards on the basis of legal voters rather than on the number of inhabitants.

By ordinance taking effect on November 15, 1865 new ward lines were established.

In the annexation period, 1865-1875, the number of wards was increased from twelve to twenty-one.

By Chap. 243, Acts 1875, the City Council was ordered to cause a new division of the City into twenty-four wards in the year 1875 in such manner as to include an equal number of voters in each ward. This division was made, taking effect on December 13, 1875. On May 27, 1876, the City Council, in accordance with Chap. 242, Acts of 1876, divided one of the wards in two, making a total of 25 wards for the City.

By ordinance passed April 20, 1895, under authority of Chap. 437, Acts of 1888, and Section 96 of Chap. 417, Acts of 1893, ward lines were established on the basis of the number of voters registered at the City election of 1894, there still being 25 wards.

The annexation of Hyde Park, effective January 1, 1912, made an additional ward.

By enactment of December 28, 1914, under authority of Chap. 630, Acts of 1914, the City Council redivided the City into 26 wards.

The latest redivision, established December 30, 1924, under authority of Chap. 410, Acts of 1924, consists of 22 wards.

CITY RECORD

OFFICIAL CHRONICLE OF BOSTON MUNICIPAL AFFAIRS.

VOL. 28.

SATURDAY, JANUARY 18, 1936.

No. 3

PER CAPITA COST OF MUNICIPAL GOVERNMENT IN BOSTON FOUND NOT TO BE AS HIGH AS CLAIMED BY OUTSIDE ORGANIZATION—COMMITTEE APPOINTED BY MAYOR MANSFIELD, AT REQUEST OF CITY COUNCIL, CHARGES STATEMENT ISSUED, BASED ON CENSUS BUREAU TABLE, NOT RELIABLE BECAUSE OF THE MATHEMATICAL PROCESS THAT DOES NOT TAKE INTO CONSIDERATION CONDITIONS AND QUALITY OF SERVICES RENDERED IN BOSTON AS COMPARED WITH OTHER CITIES WITH WHICH IT IS CONTRASTED.

The following is the statement issued in refutation of claim that Boston's cost of government is greater than other cities:

The undersigned were appointed a committee by his Honor the Mayor, at the request of the City Council, to examine into the statement that the per capita cost of municipal government in Boston is greater than in any other large city in this country.

This statement has been widely quoted and is based on a Census Bureau table issued by the Federal Government covering the thirteen largest cities in the United States for the year 1933. The per capita cost for each city is obtained by dividing the total of its expenditures (excluding public service enterprises) for the year 1933 by the figure corresponding to the population as shown by the latest United States census. The quotient is assumed to be the per capita cost of municipal government in each of the cities to which the process is applied and the resulting figures range from \$36.84 for St. Louis to \$76.02 for Boston.

The arithmetic is probably correct but the results are of little, if any, practical value. The table is nothing more than it purports to be, the result of a mathematical process, but, like a great many other statistical tables, it is open to various interpretations depending on the particular line of argument advanced by the person using it.

To make a fair comparison of the cost of municipal government among several cities it is necessary to take into account, first, how many, and what quality of services are furnished in each city at the public expense and what items of expense not strictly municipal are included in the costs of one city and not in another, and, second, the character and extent of the population served.

So far as Boston is concerned the two factors involved in this table are not comparable with any of the other large cities. Municipal expenditures in this city cover expenditures for county government, metropolitan expenses, and other items which in other cities are not included in the city expense. In addition, the city is obliged to incur expenses not for a resident population of 781,188, which is the figure used in the table, but for a daytime population of at least 500,000 more who live in the suburbs but come to business in Boston each day. Using this daytime population figure, it brings the per capita cost down to \$46, and omitting from the total expense several items peculiar to Boston we can bring the per capita figure down to less than \$40.

Of course this process and conclusion is more or less ridiculous but it is advanced for the purpose of showing the lack of importance or value of statistics of this kind.

Another table recently compiled by Dun & Bradstreet gives the net debt of Boston per capita as \$108, which is \$36 less than the average for the thirteen cities having more than 500,000 population. This kind of table is equally valueless and for the same reason, that is, that the bases and factors involved are not comparable.

As we have indicated, several sets of tables can be prepared based on authentic figures, some of which tables show on their face that the cost of municipal government in Boston is less than the cost in most of the other large cities and others show just the opposite. We reiterate that such tables are worthless because they are founded on bases which are not fairly comparable. In one city ashes and garbage may be collected as a municipal function while in another it is a private expense. One city may have to expend millions for snow removal while another has practically no snow expense. Streets and sewers may be constructed at the public expense in one city while in another the abutters have to pay the cost. The taxpayers in one city may have furnished to them as a matter of course public baths and gymnasia which are absent in another city. While presumably all large cities have a traffic problem to some extent, the difficulties may be so increased in one city by narrow and illogically laid out streets that a police officer is required at almost every intersection in the business district while in another with wide avenues and rectangular blocks traffic officers are hardly necessary.

In one city the public welfare expenses are assumed by the county and do not appear as a municipal expense. In others the greater portion of the public welfare costs have been paid during the depression by the State or the Federal Government but in Boston nearly all the expense of public welfare has been the burden of the municipality. Every other large city has missing from its municipal expense account one or more of the elements which are included in the cost of municipal government in this city.

Taking these matters into consideration we think it is evident that a table of per capita costs is of no value either for comparative purposes or as an argument for reduction of expenditures.

The force of this statement can better be appreciated when it is realized that a survey of per capita cost tables compiled during the past thirty years shows that with only one or two exceptions Boston has always been credited or charged with the highest per capita cost among the larger cities of the country. In other words, the position of Boston as shown in the 1933 table issued by the Census Bureau is not a new development. It has existed for at least three decades and must necessarily continue so long as per capita costs are computed on the present basis.

JOHN F. DOWD, *City Councilor—Chairman.*
CHARLES J. FOX, *City Auditor.*
WILFRED J. DOYLE, *City Clerk.*

"O Boston, fair City enthroned like a radiant queen,
From thy hills looking down on the ship-teeming plain of the ocean,
May thy future be bright, thy skies beam with light all serene,
Ensured by thy sons' and thy daughters' unselfish devotion!"

From Boston Centennial Poem by
NATHAN HASKELL DOLE.

MUNICIPAL CALENDAR.

Meeting of the City Council Monday, January 20, 1936, at 2 p. m.

Meetings of the Transit Department are held on Monday and Thursday of each week at 11 a. m.

Board of Zoning Adjustment. Public hearings and executive meetings are held on the first Friday of each month, Room 30, City Hall, at 2 p. m.

MUNICIPAL SERVICE.

Complaints, inquiries or suggestions regarding the work of municipal departments should be made in writing to the officials directly in charge. The failure of such official to make reply within a reasonable length of time should be brought to the attention of the Mayor. Communications should be directed as follows:

To THE BOARD OF STREET COMMISSIONERS, Room 401, City Hall Annex, for information relative to the laying out, relocation, widening and the discontinuance of highways; the taking of real property for municipal purposes; the assessments of betterments for streets and sewers; the plotting of undeveloped area for streets and the opening of private ways; the granting of licenses for the storage or sale of merchandise in

public streets; the making of specific repairs in public streets; the naming of public streets; the planting and removal of trees in public ways; the issuing of licenses for the storage of gasoline, oil and other inflammable substances or explosive compounds; the use of the public ways for any permanent or temporary obstruction or projection in, under or over the same, including the location of conduits, poles and posts for telephone, telegraph, street railway or illuminating purposes, signs, marquis, bay windows, coal holes and vaults.

To THE BOSTON TRAFFIC COMMISSION, 134 North street, for information relative to regulation of vehicular street traffic on all or any streets, ways, highways, roads and parkways under the control of the City of Boston, the issuing of all permits in connection therewith.

To THE COMMISSIONER OF PUBLIC WORKS, Room 511, City Hall Annex, for information as to the watering, cleaning, lighting and repairing of streets, the construction and care of sewers and catch-basins, the operation of the ferries, the maintenance of bridges and drawbridges and the removal of ashes and offal.

To Room 604, City Hall Annex, for information relative to the supplying or metering of water and the water charges of the city.

To THE HEALTH DEPARTMENT, Room 1107, City Hall Annex, for information relative to the inspection of milk, vinegar, meat, fish and vegetables, the issuance of permits for stables, slaughter houses, etc., smoke nuisances, the existence of contagious diseases, of public health nuisances.

To THE BOARD OF PARK COMMISSIONERS, 33 Beacon street, for information as to the care of the Common, Public Garden, Franklin Park, Franklin Field, Commonwealth avenue, Back Bay Fens, Marine Park, the Airport, and the small parks and playgrounds in general throughout the city, and as to the extermination of gypsy moths and the charges made for such service. Applica-

tion may be made to this department for information regarding the public baths and gymnasiums maintained by the city, and with regard to municipal indoor concerts and band concerts, also information relative to Mt. Hope, Evergreen, Fairview and other public cemeteries owned by the City of Boston.

To THE SCHOOL COMMITTEE, 15 Beacon street, for information relative to the operation of the schools in the city.

To THE DEPARTMENT OF SCHOOL BUILDINGS, 11 Beacon street, for information as to the construction and repair of school buildings.

To THE BOARD OF EXAMINERS, Room 1001, City Hall Annex, for information regarding the licensing of persons having charge or control of the work of construction, alteration, removal or tearing down buildings.

To THE STATISTICS DEPARTMENT, Room 76, City Hall, for historical, geographical, political and population facts about Boston; the personnel and accomplishments of present and past municipal administrations; and such similar information as may be found concerning other American municipalities in its Municipal Officials' Reference Library.

To THE WIRE DIVISION OF THE FIRE DEPARTMENT, 60 Bristol street, for all information relative to the erection of poles, building of conduits, the installation of all overhead and underground construction and electrical apparatus, as well as for general information relative to the entire division. To Room 103, City Hall Annex, for permits for the installing of wires and electrical apparatus within buildings of the City of Boston, and for the payment of fees incident to the granting of the privileges above named, and which must be paid in advance.

To THE BOARD OF ZONING ADJUSTMENT, Room 30, City Hall, relative to changes in the boundary lines of zoning districts of the City of Boston as established by chapter 488 of the Acts of 1924, and amendments thereto.

MORTALITY REPORT.

Death rate per 1,000 of population:

Last week, 17.51; corresponding week last year, 18.69.

Deaths by age periods, sex, etc.: Under one year, 18; one year to four years, inclusive, 6; sixty years and over, 147. Total deaths: Male, 149; female, 136; deaths in hospitals and institutions, 167; deaths of colored, 16.

"PUBLIC MIND NOT TO BE DIVERTED FROM REAL ISSUE," MAYOR MANSFIELD DECLARES IN STATEMENT ISSUED CONCERNING FINANCE COMMISSION AND ATTACKS BEING MADE ON HIM BY CHAIRMAN OF BODY—EXHIBITION OF FEELING CARRIES ITS OWN CONDEMNATION—CALLS ATTENTION TO FLAGRANT ABUSES OF POWER BY COMMISSION AND ANNOUNCES THAT HE PROPOSES AT ALL TIMES TO EXERCISE HIS OWN JUDGMENT IN MUNICIPAL MATTERS WHERE RESPONSIBILITY IS HIS.

Upon January 8 the Mayor issued the following statement:

It must be plainly evident by the savage and unguarded attacks upon me by the Chairman of the Finance Commission, apparently without dissent from other members of the Commission, that he has disqualified himself and them from acting fairly and impartially in any proceeding which involves the Mayor. For men holding such important quasi-judicial positions which require judicial calmness and a lack of bias, the exhibition of such intense feeling against me carries with it its own condemnation.

But the people will not be deceived. This packed and prejudiced board is putting on a show in order to divert the public's mind from the Dolan case and in a frantic effort to force me to abandon that litigation. But the people may rest easy on that score. That litigation will go on despite all of these unfair attacks upon me.

It is impossible for me to reply to all of the billingsgate that is hurled at me by the Chairman of the Finance Commission, but lest the people be stunned by so much loud noise and be deceived by this smoke screen I feel that I ought to call attention to some very flagrant abuses of power by the Commission.

His examination of witnesses has been obviously unfair. He is not satisfied with any answer from any witness unless it is unfavorable to me. He receives the rankest kind of hearsay testimony, and the old familiar dodge of the mysterious voice over the telephone is again resorted to in order to create an impression that sinister influences were at work in order to shake down unsuccessful bidders. Only a short time ago the Finance Commission itself issued a report upon the investigation of snow removal for last winter. The public thought that was a closed incident but it is dragged out again and unfair innuendo is indulged in by the Finance Commission that members of my family profited by those contracts. It will not be forgotten that the man appointed to make that investigation was himself repudiated by Chairman Sullivan.

Both Mr. Sullivan and Mr. Chapman are members of the bar and are supposed to be lawyers, but I think that if they had taken competent legal advice they would not have gratuitously advised a disappointed bidder to stir up litigation. That advice was not given officially in a report of the Finance Commission but was volunteered by two individuals not acting officially. It is possible that able counsel might have advised these two gentlemen that such stirring up of litigation would make them personally liable. But it is all part of the same picture. Every possible effort will be exerted to force a discontinuance of the Dolan case. Every effort will be made to adduce evidence which will be made to look suspicious and every effort will also be made to suppress anything which may appear favorable to me.

Some one with practical common sense ought to advise the Chairman of the Finance Commission and its other members to be a little more guarded and restrained in their expressions of fierce animosity against me. They are overplaying their hand and the people know it.

And the responsibility for the purchase of proper snow-removal equipment rests upon me and not upon the Finance Commission. Having that responsibility I propose to exercise my judgment and not theirs in the purchase of equipment.

PROPOSALS ADVERTISED.

Bids have been asked by advertisement in the *City Record* for the following departments. The attention of contractors and others is especially called to the closing time of receipt of such proposals. This will be published weekly.

INSTITUTIONS DEPARTMENT.

Advertises for proposals for erecting fire escapes at Long Island Hospital, Boston Harbor. Surety bond will be required in a sum equivalent to the full amount of the contract price. Blank forms for proposals may be obtained at the office of the Institutions Department, Room 809, City Hall Annex, Boston. Bids, accompanied by certified check in the sum of \$200, to be filed at the same office. Duplicate bid, without check, to be filed with the City Auditor.

Bids close Tuesday, January 28, at 12 m.

PUBLIC WORKS DEPARTMENT.

Advertises for proposals for constructing a water pipe trestle and fender at the

Chelsea Bridge North. Surety bond will be required in a sum equivalent to the full amount of the contract price. Blank forms for proposals may be obtained at the office of the Public Works Department, Room 508, City Hall Annex, Boston. Bids, accompanied by certified check in the sum of \$1,500, to be filed at the same office. Duplicate bid, without check, to be filed with the City Auditor.

Bids close Tuesday, January 21, at 12 m.

SCHOOL COMMITTEE.

Advertises for proposals for furnishing pencils, pens, penholders, chalk, ink and other items for the public schools. Surety bond will be required in a sum equivalent to 50 per cent of the contract price. Blank forms for proposals may be obtained at the office of the Business Manager, School Committee, 15 Beacon street, Boston. Bids, accompanied by certified check in the sum of \$100, to be filed at the same office. Duplicate bid, without check, to be filed with the City Auditor.

Bids close Tuesday, January 21, at 12 m.

Advertises for proposals for furnishing paper, blank books and envelopes for the public schools. Surety bond will be required in a sum equivalent to 50 per cent of the contract price. Blank forms for proposals may be obtained at the office of the Business Manager, School Committee, 15 Beacon street, Boston. Bids, accompanied by certified check in the sum of \$100, to be filed at the same office. Duplicate bid, without check, to be filed with the City Auditor.

Bids close Wednesday, January 22, at 12 m.

Advertises for proposals for rebinding books of the Boston public schools. Surety bond will be required in a sum equivalent to 50 per cent of the contract price. Blank forms for proposals may be obtained at the office of the Business Manager, School Committee, 15 Beacon street, Boston. Bids, accompanied by certified check in the sum of \$100, to be filed at the same office. Duplicate bid, without check, to be filed with the City Auditor.

Bids close Tuesday, January 28, at 12 m.

Bids close Thursday, January 30, at 12 m.

Advertises for proposals for furnishing rubber coats to the Fire Department. Surety bond will be required in a sum equivalent to 25 per cent of the contract price. Blank forms for proposals may be obtained at the office of the Supply Department, Room 801, City Hall Annex, Boston. Bids, accompanied by certified check in the sum of \$200, to be filed at the same office. Duplicate bid, without check, to be filed with the City Auditor.

Bids close Thursday, January 30, at 12 m.

Advertises for proposals for furnishing waste and wiping cloths to the various city departments. Surety bond will be required in a sum equivalent to 25 per cent of the contract price. Blank forms for proposals may be obtained at the office of the Supply Department, Room 801, City Hall Annex, Boston. Bids, accompanied by certified check in the sum of \$200, to be filed at the same office. Duplicate bid, without check, to be filed with the City Auditor.

Bids close Friday, January 31, at 12 m.

Advertises for proposals for furnishing industrial and medicinal gases to the various city departments. Surety bond will be required in a sum equivalent to 25 per cent of the contract price. Blank forms for proposals may be obtained at the office of the Supply Department, Room 801, City Hall Annex, Boston. Bids, accompanied by certified check in the sum of \$200, to be filed at the same office. Duplicate bid, without check, to be filed with the City Auditor.

Bids close Friday, January 31, at 12 m.

Advertises for proposals for furnishing ice cream mix to the City Hospital and Long Island. Surety bond will be required in a sum equivalent to 25 per cent of the contract price. Blank forms for proposals may be obtained at the office of the Supply Department, Room 801, City Hall Annex, Boston. Bids, accompanied by certified check in the sum of \$100, to be filed at the same office. Duplicate bid, without check, to be filed with the City Auditor.

Bids close Friday, January 31, at 12 m.

DEPARTMENT CHANGES.

The following changes in the number, rating and compensation of the city employees have been made during the week ending Thursday, January 16:

ASSESSING DEPARTMENT.

John J. Berry has been appointed temporary clerk for the balance of the forty-five days, *vice* Samuel L. Pearl, retired, at \$4 a day.

DEPARTMENT OF SCHOOL BUILDINGS.

Permission has been given to extend for sixty days, from December 27, 1935, the services of Joseph L. Quinn, an architectural draftsman.

FIRE DEPARTMENT.

Permission has been given to promote Hoseman John J. Martin of Fireboat Engine 44 to third engineer, without increase in salary, at \$1,900 a year.

Walter W. Englert has been appointed provisionally as an inspector in the Exterior Division, Wire Division, at \$1,600 a year.

HEALTH DEPARTMENT.

Approval has been given for the permanent appointment of Mildred E. Cos-

tello as media woman in the Laboratory Division at \$1,000 a year.

HOSPITAL DEPARTMENT.

Charles Lydon, orderly at \$13 a week, has been transferred to supply man at \$832 a year, to fill a vacancy.

The following persons have been employed at the Boston City Hospital, for the week ending Thursday, January 9:

To Fill Vacancy.

Permanent.—Catherine Fitzgerald, stenographer, \$12 a week.

Temporary.—Frances McNerlin, Mildred O'Hare, ward helpers, \$15 a week; Samuel Odiorne, male nurse, \$32 a week; Mary B. McAuley, Margaret Cavanaugh, Sarah Bower, special nurses, \$4.50 a day.

The following changes have occurred: Mildred Havey, stenographer at \$12 a week to \$1,000 a year; Mildred O'Hare, temporary ward helper at \$15 to temporary cleaner at \$15 a week; Eileen Jordan, tablegirl, name is now Eileen Foley.

South Department.

Alice Nelson, cleaner at \$15 a week to \$12.50 a week; Stephen Kerr, temporary kitchenman, \$17.50 a week.

HOSPITAL DEPARTMENT (Sanatorium Division).

Approval has been given for the promotion of James McKensie from choreman at \$17.50 a week and meals to store-room porter at \$30 a week.

The following persons have been appointed at the Sanatorium Division for the week ending Thursday, January 9:

John Andosca, M. D., interne, \$1,200 a year; Arthur Springer, M. D., resident medical officer, fourth assistant, \$1,800 a year; Eileen O'Malley, nurse, \$1,020 a year; Mary Denning, Hazel Walsh, nurses, substitute, \$1,020 a year; Garrett Laughlin, choreman (patient), \$240 a year; Martin Malloy, Frank Moore, male nurses (patients), \$480 a year; John O'Connor, Sydney McQueen, John Crafts, male nurses (patients) (temporary), \$480 a year; Lena DeSolo, Michael Connors, maids (temporary) (patients), \$240 a year; Paul Curtis, night supervisor (temporary), \$4 a night.

The following persons have ceased to be employed:

Timothy J. Murphy, M. D., chief of staff, \$2,500 a year; Mary Denning, Hazel Walsh, nurses (temporary), \$1,020 a year; James O'Rourke, refrigerator man, \$17.50 a week; John Kane, choreman (patient), \$240 a year; Martin Malloy, Frank Moore, male nurses (patients) (temporary), \$480 a year; Joseph Coveney, maid (patient) (temporary), \$240 a year.

INSTITUTIONS DEPARTMENT.

The following have been appointed house officers at Long Island Hospital for the term of one year beginning July 1, 1936, for the first three, and September 1, 1936, for the fourth and fifth named:

Dr. Robert W. Tower, Dr. George E. Sullivan, Dr. C. S. Ingalls, Dr. Mark E. Adams, Dr. Henry F. Sullivan, with maintenance and a salary of \$600 a year.

The following changes were made in the personnel for the week ending Thursday, January 16:

Child Welfare Division.

Employment Terminated: Sadye E. Feingold, clerk and stenographer, temporary, \$1,200 a year.

Reappointment: Sadye E. Feingold, clerk and stenographer, temporary, \$1,200 a year, due to accumulation of work caused by absence of Miss McPeake.

Long Island Hospital.

Appointment: Ann M. Goggin, institution employee, telephone operator and clerk, \$600 a year; Wilma Robinson, institution employee, waitress, temporary, \$316 a year, temporary.

Resignation: Norman J. Barry, institution employee, attendant, temporary, \$600 a year, voluntary.

Transfers: Daniel Sweeney, institution employee, teamster, \$600 a year, to Public Works Department; Bernard P. Gaffney, Institution employee, helping plumber, \$600 a year, to Public Works Department; Catherine A. Lyons, Institution employee, ward maid, \$526 a year, from waitress at \$316 a year; Luke K. McCarthy, fireman, temporary, \$33.50 a week and board, from helper, engine room, at \$600 a year; Luke K. McCarthy, institution employee, helper, engine room, \$600 a year, from fireman, temporary, at \$33.50 a week and board; Austin F. Grogan, institution employee, helper, paint shop, \$600 a year, from helper, laundry, at \$526 a year.

Steamers "Hibbard" and "O'Meara."

Appointment: John J. Columbo, deckhand, temporary, \$1,700 a year, temporary.

PARK DEPARTMENT.

Permission has been given to promote Patrick Foley from life guard and helper to custodian.

PENAL INSTITUTIONS DEPARTMENT.

Approval has been given for the transfer of John D. Murphy from laborer in the Sanitary Service, Public Works Department, to working foreman-farmer at the House of Correction, Penal Institutions Department, at \$1,800 a year and maintenance.

Approval has been given for the following appointment:

Cornelius M. Manning, clerk at \$1,500 a year, to succeed John A. Drea.

The following appointments have been made:

Edward M. Feeney, \$1,600 a year and maintenance, temporary for three months.

Philip McDonough, \$1,600 a year and maintenance, temporary for three months.

PRINTING DEPARTMENT.

Approval has been given to extend the temporary employment of Caesar Donnarumma as a linotype operator at \$44 a week, for three months, effective from January 13.

PUBLIC BUILDINGS DEPARTMENT.

Approval has been given to extend the temporary employment of Cecile V. Doyle as telephone operator at \$1,200 a year, for a period of one month from January 15.

PUBLIC WORKS DEPARTMENT (Water Service).

Approval has been given to continue the temporary employment of John J. Callahan as plumber at \$6 a day, for three months from January 20.

Approval has been given to appoint Herbert P. Barton as temporary plumber at \$6 a day, for a period of three months from January 13.

REGISTRY OF DEEDS.

The following have been appointed to fill vacancies:

John A. Long, temporary clerk, \$1,500 a year, to be made clerk at \$1,500 a year.

Margaret A. Keyes, piecework copyist, to be made clerk at \$1,500 a year.

Margaret M. Donovan, piecework copyist, to be made clerk at \$1,500 a year.

SOLDIERS' RELIEF DEPARTMENT.

William B. Nugent has been appointed provisional permanent visitor at \$1,600 a year, effective Friday, January 17.

Albert L. Fish has been appointed provisional permanent Deputy Commissioner at \$2,500 a year, effective Friday, January 17.

OVERTIME ALLOWED.

The heads of the various departments whose employees have received payment for overtime state in connection therewith that if any laborer has been allowed to work more than eight hours per day it has been only in case of emergency under the law.

Printing Department.

For the week ending Thursday, January 9:

Renforth C. Bleakney, compositor, 3½ hours, \$4.78; Frank Nicholson, compositor, 4 hours, \$6.12; Daniel Cadigan, compositor, 2 hours, \$2.88; Annie Delaney, compositor, 1 hour, \$1.44; James J. Dillon, compositor, 5 hours, \$7.20; Kerrens J. Finn, compositor, 3½ hours, \$5.04; Albert Koven, compositor, 3 hours, \$4.32; Michael McKeen, compositor, 3½ hours, \$4.55; Edward Timilty, compositor, 3½ hours, \$5.04; Joseph McQuade, apprentice, 1 hour, \$1.30; George Hanrahan, apprentice, 1 hour, \$1.19; Theresa Morrison, apprentice, 1 hour, \$0.99; Dorothy Schlicht, copyholder, 3½ hours, \$3.47; Anna Whitney, copyholder, 1 hour, \$0.99; Julia Donohue, proofreader, 1 hour, \$1.44; Elizabeth F. Grant, proofreader, 3½ hours, \$5.04; Julia G. Tobin, head proofreader, 2 hours, \$3.20; Maurice Murphy, Helen Taylor, operators, 2 hours, \$2.88 each; Wilbur Lundberg, monotype caster, 1½ hours, \$1.06; Daniel Sullivan, monotype caster operator, ½ hour, \$0.55; James H. Sullivan, monotype caster operator, 2½ hours, \$3.24; William Beck, monotype caster, ½ hour, \$0.26; Michael Cooney, press feeder, 4 hours, \$6.72; Richard Morrison, cylinder pressman, 4 hours, \$8.36. Total, \$84.94.

Public Works Department (Paving Service).

For the week ending Thursday, January 9:

Stephen H. Carty, Jr., laborer, ½ day, \$2.50; Michael McGonigle, chauffeur-laborer, ½ day, \$2.75; Michael Carroll, Patrick J. Burke, 1st, Patrick Joyce, laborers, ½ day, \$2.50 each; Albert J. Day, chauffeur-laborer, 1 day, \$5.50; Roger J. O'Connor, chauffeur-laborer, 1½ days, \$6.19; Mathew Farrell, Dennis Reagan, Nathaniel Harris, laborers, 1 day, \$5 each. Total, \$39.44.

Public Works Department (Sanitary-C Service).

For the week ending Thursday, January 16:

H. Barry, chauffeur, 1 day, \$5.50; E. McLaughlin, chauffeur, 1 day, \$5.25; P. Manning, chauffeur, 1 day, \$5.50; F.

Kelley, R. Kelley, E. Noonan, M. Ryan, W. Gavin, J. Craven, laborers, 1 day, \$5 each. Total, \$46.25.

Public Works Department (Sewer Service).

For the week ending Thursday, January 16:

Patrick Gleason, fireman, 1 day, \$6.92.

FIRE DEPARTMENT ORDERS.

General Order No. 1.

I. EXECUTIVE SECRETARY HERBERT J. HICKEY.

It is with deep regret that the Fire Commissioner announces the death, on Wednesday, January 8, 1936, of Executive Secretary of the Department Herbert J. Hickey.

Executive Secretary Hickey was appointed to the department on January 16, 1911. He was promoted to Secretary on May 28, 1920, and to Executive Secretary on December 17, 1926.

The funeral will be held from his late residence, 29 Adams street, Dorchester, at 9 a. m., Saturday, January 11, 1936, followed by services at St. Peter's Church, Meeting House Hill, at 10 a. m.

The Acting Chief of Department will arrange for a detail of thirty men to act as funeral escort. The detail will report at the quarters of Engine Company 17, Meeting House Hill, at 9 a. m., to District Chief Daniel J. Hurley of District 10, who will be in command. Regulation uniform with overcoats and white gloves will be worn.

The following-named officers of the department will act as pallbearers:

Deputy Chief John J. Kenney, Division 1; Deputy Chief Samuel J. Pope, Fire Prevention Division; District Chief William A. Donovan, District 3; Capt. John J. Crehan, Headquarters; Lieut. George R. Hennessey, Engine Company 17; Aide to Commissioner James J. Donovan, Headquarters.

II. LIEUT. EDWARD J. HARTIGAN.

It is with deep regret that the Fire Commissioner announces the death, on December 27, 1935, of Lieut. Edward J. Hartigan of Ladder Company 27.

Lieutenant Hartigan was appointed to the department on April 17, 1896, and was promoted to lieutenant on September 12, 1913.

The funeral was held from his late residence, 900 Washington street, Dorchester, at 8.30 a. m., December 30, 1935, followed by services at St. Gregory's Church, Dorchester avenue, Dorchester, at 9 a. m. The Chief of Department made the customary detail to act as a funeral escort and the members of Ladder Company 27 were relieved from duty in order to attend the funeral.

By order of Fire Commissioner EDWARD F. McLAUGHLIN.

THOMAS H. DOWNEY,
Acting Chief of Department.

The last General Order, Series of 1935, was numbered 56.

General Order No. 2.

I. CHARGES.

Hoseman Leo M. Myott of Engine Company 5 has been suspended from duty in the Boston Fire Department, without pay, for sixty (60) days, beginning at 8 a. m., Friday, January 10, 1936,

because of the following charge preferred against him by Capt. Peter J. Dunn of Engine Company 5:

Charge: Violation of Rule 374, Section J.

Specification: At 9 p. m., January 7, 1936, I found Hoseman Myott on house patrol under the influence of liquor or drug so much as to unfit him for duty.

Hoseman Harry Eastwood of Engine Company 9 has been suspended from duty in the Boston Fire Department, without pay, for thirty (30) days, beginning at 8 a. m., Friday, January 10, 1936, because of the following charges preferred against him by Lieut. Gustave A. Amsler of Engine Company 9:

Charge 1: Violation of Rule 374, Section J.

Specification: In that Hoseman Eastwood reported for duty on the night platoon at 6 p. m., January 8, 1936, noticeably under the influence of liquor or drugs. I spoke to Hoseman Eastwood about his condition and have warned him in the past about his drinking of liquor while on duty.

Charge II: Violation of Rule 374, Section B.

Specification: About 7.30 p. m., January 8, 1936, Hoseman Eastwood left quarters without leave and returned to quarters at 8.20 p. m., January 8, 1936, under the influence of liquor so as to be unfit for duty, being absent without leave fifty minutes. District Chief Donovan was notified.

Ladderman Thomas R. McConologue of Ladder Company 22 has been suspended from duty in the Boston Fire Department, without pay, for fourteen (14) days beginning at 8 a. m., Friday, January 10, 1936, because of the following charge preferred against him by Lieut. John J. Sullivan of Ladder Company 22:

Charge: Violation of Rule 374, Section B.

Specification: In that Ladderman McConologue was on an off tour from 8 a. m. to 6 p. m., January 8, 1936, and failed to report for duty at 6 p. m., January 8, 1936.

By order of Fire Commissioner EDWARD F. McLAUGHLIN.

THOMAS H. DOWNEY,
Acting Chief of Department.

LAND-TAKING IN WEST ROXBURY.

The Mayor has approved the order of the Board of Street Commissioners for the taking of land for a public improvement consisting of the laying out and construction of an extension of Woodard road, West Roxbury district, as a highway, from Park street to Emmons road, bounded and described as follows:

An extension of the highway named Woodard road is hereby laid out, from Park street to Emmons road, and ordered constructed, the cost thereof to be charged to Federal Funds.

For the making of the aforesaid improvement an easement for street purposes is hereby taken in the following described lands, exclusive of trees or structures standing upon or affixed thereto:

A parcel of land, supposed to belong to Mary J. Rogers, bounded: Northeasterly by Park street, thirty and 13-100 feet; southerly by the southerly line of Woodard road as established under this order,

thirty-six and 63-100 feet on a curve of twenty feet radius; southeasterly by the southeasterly line of Woodard road as established under this order, by two measurements, forty-seven and 96-100 feet and seventy and 70-100 feet on a curve of three hundred and sixty feet radius; and northwesterly by the southeasterly line of Woodard road as it existed previous to this extension, one hundred forty-five and 33-100 feet, containing seven hundred eighty-one square feet, more or less.

A parcel of land, supposed to belong to Amanda S. Nelson, bounded: Southeast-erly by the northwesterly line of Woodard road as it existed previously to this extension, eighty-two and 97-100 feet; southwesterly by the northeasterly line of Woodard road as it existed previous to this extension, eleven and 7-100 feet; and northwesterly by the northwesterly line of Woodard road as established under this order, eighty-four and 39-100 feet on a curve of three hundred and twenty feet radius, containing three hundred and two square feet, more or less.

The land, owners unknown, being the private way known as Woodard road, between Park street and Emmons road.

Said extension of said Woodard road as hereby laid out is bounded:

Part between Park street and Wren street: Northeastly by Park street, by two measurements, thirty-four and 76-100 feet and thirty-one and 47-100 feet; southerly by the southerly line of said Woodard road as hereby extended, thirty-six and 63-100 feet on a curve of twenty feet radius; southeasterly by the southeasterly line of said Woodard road as hereby extended, by three measurements, forty-seven and 96-100 feet, two hundred fifty-two and 17-100 feet on a curve of three hundred and sixty feet radius, and thirty-four and 36-100 feet; easterly by the easterly line of said Woodard road as hereby extended, forty-five and 76-100 feet on a curve of twenty feet radius; southwesterly by Wren street, one hundred eighty-eight feet; northerly by the northerly line of said Woodard road as hereby extended, one hundred seventy and 68-100 feet on a curve of two hundred feet radius; and northwesterly by the northwesterly line of said Woodard road as hereby extended, by three measurements, twenty-two and 32-100 feet, two hundred twenty-four and 15-100 feet on a curve of three hundred and twenty feet radius and seventy-six and 11-100 feet.

Part between Wren street and Bellevue street: Northeastly by Wren street, one hundred ninety-two and 60-100 feet; southerly by the southerly line of said Woodard road as hereby extended, twenty and 14-100 feet on a curve of twenty feet radius; southeasterly by the southeasterly line of said Woodard road as hereby extended, by two measurements, two hundred two and 92-100 feet on a curve of three hundred and sixty feet radius, and two hundred ten and 34-100 feet; southwesterly by Bellevue street, forty feet; northwesterly by the northwesterly line of said Woodard road as hereby extended, three hundred and thirty-two feet; and westerly by the westerly line of said Woodard road as hereby extended, one hundred twenty-five and 66-100 feet on a curve of eighty feet radius.

Part between Bellevue street and Emmons road: Northeastly by Bellevue street, forty feet; southeasterly by the southeasterly line of said Woodard road as hereby extended, four hundred and twelve feet; southwesterly by Emmons road, forty feet; and northwesterly by

the northwesterly line of said Woodard road as hereby extended, four hundred and twelve feet.

Voted, That this Board determines that the undermentioned persons sustain damages in their estates by the making of the public improvement consisting of the laying out and construction of an extension of Woodard road, West Roxbury district, as a highway, from Park street to Emmons road, under the order of the Board of January 9, 1936, in the amounts hereinafter respectively set against them; and awards said amounts therefor.

Mary J. Rogers, 781 square feet, \$1.
Amanda S. Nelson, 302 square feet, \$1.

TRAFFIC COMMISSION RULINGS.

Voted, That as urgently required by considerations of public safety and convenience, during the period of overpass construction at the intersection of Huntington avenue, Jamaica way and Riverway, the following temporary rules, which were adopted and were effective November 13, 1935, for a trial period of sixty (60) days, are hereby extended for a period of eight (8) months from January 12, 1936:

The Revised Traffic Rules and Regulations, as adopted by the Boston Traffic Commission on October 31, 1935, and on November 6, 1935, are amended as follows:

Section 8, Part 2, is amended by adding the following:

Jamaicaway, Roxbury.

Both sides, from Huntington avenue to Craft street.

Riverway, Roxbury.

Both sides, from Brookline avenue to Huntington avenue.

Voted, That the Revised Traffic Rules and Regulations, as adopted by the Boston Traffic Commission on October 31, 1935, and on November 6, 1935, are amended as follows, effective January 27, 1936:

Section 24, Part 1, is amended by adding the following:

Foss Street, Charlestown.

From Chelsea street to Water street.
Temple Street.

From Derne street to Cambridge street.

Section 41 is amended by adding the following:

North Beacon Street, Brighton.

At Parsons street.

Voted, That as urgently required by considerations of public safety and convenience, for a trial period of thirty (30) days, the following temporary rule is effective January 15, 1936:

Parking of vehicles is prohibited between the hours of 7 a. m. and 6 p. m. in the following street:

Congress Street.

Both sides, from Purchase street to Atlantic avenue.

Southwest side, from Atlantic avenue to Dorchester avenue.

Voted, That as urgently required by considerations of public safety and convenience, during the period of building construction at the Quincy Market, for a trial period of thirty (30) days, the following streets are one way in the direction indicated, effective January 13, 1936:

Merchants Row.

From South Market street to State street.

South Market Street.

From Commercial street to Merchants row.

TRANSFERS IN APPROPRIATIONS.

City Auditor Charles J. Fox announces the following transfers in appropriations in departments of the City of Boston and County of Suffolk, indorsed by Budget Commissioner Francis J. Murray and approved by his Honor the Mayor:

STATISTICS DEPARTMENT.

BOSTON, January 10, 1936.

CHARLES J. FOX,
City Auditor.

DEAR SIR,—For the reasons as below explained, will you kindly approve and forward to the Mayor the following request for transfer within the appropriations of the Statistics Department:

From the appropriation for D-1, Office, \$4.50, to the appropriation for B-1, Printing and Binding, \$4.50.

This amount is necessary to pay for a bill for binding, which turned out to be \$4.50 in excess of the amount anticipated.

Respectfully,

WALTER A. MURRAY,
Acting Chairman.

The above transfer was made by the City Auditor with the approval of the Mayor December 31, 1935.

COUNTY OF SUFFOLK MISCELLANEOUS EXPENSES, AUDITING DEPARTMENT.

BOSTON, December 31, 1935.

CHARLES J. FOX,
City Auditor.

DEAR SIR,—For the reasons as below explained, will you kindly approve and forward to the Mayor the following request for transfer within the appropriations of the County of Suffolk Miscellaneous Expenses, Auditing Department:

From the appropriation for County of Suffolk, Miscellaneous Expenses, Auditing Department, Clerk, 1 at \$300, \$27.54, to the appropriation for County of Suffolk, Miscellaneous Expenses, Auditing Department, Clerks 9 (10) at \$1,000 a year, \$24.25; Clerk, 1 at \$1,200 a year, \$3.29.

To provide for payment of salaries to December 31, 1935, due to shortage in figuring appropriations.

Respectfully,

CHARLES J. FOX,
City Auditor.

The above transfer was made by the City Auditor with the approval of the Mayor December 31, 1935.

REVISION OF ASSESSMENTS.

The Mayor has approved the following order of the Board of Street Commissioners of the City of Boston:

In the matter of the application for revision of assessment levied March 5, 1925, on account of the construction of sewerage works in Maverick street, East Boston, the Board of Street Commissioners, acting under the provisions of chapter 359 of the Acts of the year 1896, and deeming it just and proper that such action should be taken on said application, *Order*, That the amounts hereinafter specified, being the annual apportionments of said assessment for the years specified below, be, and the same are hereby, abated.

Pasquale and Filomena Luongo, lot 4, Plan 1923-41, 1933 apportionment, \$7.08; 1934 apportionment, \$6.72; 1935 apportionment, \$6.36.

EXTRA WORK UNDER CONTRACT.

Standard Contracting Company has been directed to perform the following extra work under the contract for laying sheet asphalt pavement in Weld street, from Cerdan avenue and Morey road to West Roxbury Parkway. Items ordered: Relay sewer house drain at No. 200 Weld street. Price to be paid: For each linear foot of drain relaid, the sum of \$3. Estimated cost of extra work, \$90.

POLICE DEPARTMENT ORDERS.

General Order No. 132.

A trial board consisting of Captains Campbell, Gleavy and Towle, having heard by reference a complaint made by Mathew Killen, captain, Division 15, against William J. Sheehan, patrolman, Division 15, for alleged violation of the Rules and Regulations of the Police Department, to wit:

Charge 1: Neglect of duty.

Specification: In that on the twenty-first day of December the said Patrolman Sheehan failed to bring to the station persons responsible for a serious auto accident, allowed them to go, and failed to make a report of the occurrence.

Charge 2: Disobedience.

Specification 1: In that on the twenty-first day of December the said Patrolman Sheehan when ordered by Sergeant Schultz to bring certain persons responsible for a serious auto accident to the station he refused to do so.

Specification 2: In that on the twenty-first day of December, 1935, the said Patrolman Sheehan when ordered by Lieutenant Miller to remain in the station left the station against his direct order and was absent for seventeen minutes.

Charge 3: Conduct unbecoming an officer.

Specification: In that the said Patrolman Sheehan is an habitual user of intoxicating liquor to such an extent as to impair his efficiency as a police officer,—has submitted the following finding and recommendation:

"The Board, having heard and carefully considered all the evidence as presented, finds the said Patrolman William J. Sheehan guilty of Charge 1 and Specification thereunder, and guilty of Charge 2 and Specifications 1 and 2 thereunder; and not guilty of Charge 3 and Specification thereunder. The Board has considered the seriousness of the offence committed by Patrolman Sheehan in releasing from custody persons involved in an accident which involved serious personal injury, and the fact that Patrolman Sheehan subsequently disobeyed the order of a superior officer; however, in view of the fact that this is the first time this officer has appeared before a trial board during his nine years of service, respectfully recommends that the said Patrolman William J. Sheehan be ordered to perform 210 hours of punishment duty."

The commissioner accepts the finding and the recommendation of the Trial Board and hereby orders that the said Patrolman William J. Sheehan perform 210 hours of punishment duty.

The Superintendent of Police will promulgate this order.

EUGENE M. MCSWEENEY,
Commissioner.

General Order No. 133.

A board of merit, consisting of Superintendent Martin H. King and Deputy

Superintendents James McDevitt, John M. Anderson, William W. Livingston and James R. Claflin, has brought to the attention of the Police Commissioner the following outstanding cases in which police officers of this department especially distinguished themselves in the performance of their duty during the year 1935. The commissioner, therefore, makes the following awards:

THE WALTER SCOTT MEDAL FOR VALOR FOR 1935 AND A DEPARTMENT MEDAL OF HONOR TO PATROLMAN JOHN A. LEACH OF DIVISION 16.

Patrolman John A. Leach, without regard for his personal safety, entered a burning building in the early morning of November 9, 1935, arousing the occupants and removing several of them to a place of safety, including a woman who had collapsed on the fifth floor.

DEPARTMENT MEDAL OF HONOR TO:

Patrolman Joseph Brooks, Jr., of Division 2 for meritorious service performed on July 10, 1935, while off duty, in swimming to and rescuing a small boy who was in imminent danger of drowning.

Patrolman John J. Smith of Division 1 for meritorious duty performed on March 10, 1935, in swimming to the aid of a person who had jumped into the Charles river.

The presentation of the Walter Scott Medal for Valor and the Department Medals of Honor to the patrolmen herein awarded were made by the commissioner on the occasion of the concert and ball of the Boston Police Relief Association, held at Mechanics Building on the evening of January 14, 1936.

The Superintendent of Police will promulgate this order.

EUGENE M. MCSWEENEY,
Commissioner.

General Order No. 134.

A trial board, consisting of Captains Killen, Gleavy and Towle, having heard by reference a complaint made by Archibald F. Campbell, captain, Division 7 against William F. Hurley, patrolman, Division 7, for alleged violation of Rule 36 of the Rules and Regulations of the Police Department, to wit:

Charge: Conduct unbecoming an officer.

Specification: In that on the twenty-ninth day of December, 1935, the said Patrolman William F. Hurley, when ordered to remain in the guard room of this station by Lieut. William D. Donovan, until he was examined by a physician, refused to remain in the guard room and left the station house, disobeying the order of a superior officer, thereby committing an act contrary to good order and discipline,—

has submitted the following finding and recommendation:

"The Board, having heard and carefully considered all the evidence as presented, finds the said Patrolman William F. Hurley guilty as charged. The Board has considered the seriousness of this officer's refusal to obey the order of a superior officer, and believes that it is of such a nature as to warrant the imposition of the extreme penalty of dismissal, but having in mind all the circumstances connected with the case, the Board feels that Patrolman Hurley should be given an opportunity to redeem himself so that he may prove his ability to properly perform his duties and justify his retention in the department. The Board therefore respectfully recommends that the

said Patrolman William F. Hurley be ordered to perform 315 hours of punishment duty."

The commissioner accepts the finding and recommendation of the Trial Board and hereby orders that the said Patrolman William F. Hurley perform 315 hours of punishment duty.

The Superintendent of Police will promulgate this order.

EUGENE M. MCSWEENEY,
Commissioner.

General Order No. 135.

A trial board, consisting of Captains McGrath, Gleavy and Killen, having heard by reference a complaint made by Archibald F. Campbell, captain, Division 7, against John J. Lorden, patrolman, Division 2, detailed to Division 7, for alleged violation of Rule 41, Rules and Regulations of the Police Department, to wit:

Charge: Conduct unbecoming an officer.

Specification: In that on the a. m. of the first day of January, 1936, the said Patrolman John J. Lorden, while in uniform and off duty, in a public place was under the influence of intoxicating liquor to such an extent that he was unable to properly perform police duty, tending to bring into disrepute and criticism himself and his associates in the Police Department,—

has submitted the following finding and recommendation:

"The Board, having heard the evidence, accepts the plea of guilty. It has taken into consideration the fact that Patrolman Lorden was before a trial board on November 6, 1935, for a similar offense and he still has some unfinished punishment duty to perform; however, this officer has a large family and, in the opinion of Captain Campbell, he has the qualifications of an excellent police officer; and Captain Campbell further believes that Patrolman Lorden has the ability to make himself a valuable member of the department. Therefore, the Board feels that this officer should be given an opportunity to redeem himself; and the Board respectfully recommends that the said Patrolman John J. Lorden be suspended from duty for a period of fifteen days as of January 4, 1936, and that at the expiration of the said period of suspension he be ordered to perform 420 hours of punishment duty."

The commissioner accepts the finding and the recommendation of the Trial Board and hereby orders that the said Patrolman John J. Lorden be suspended from duty for a period of fifteen days, effective as of January 4, 1936, at 7.45 o'clock a. m., and that at the expiration of the said period of suspension the said Patrolman John J. Lorden perform 420 hours of punishment duty.

Civil Service Rule 23, Section 3, requires approval of the Civil Service Commission before reinstatement.

Rule 23.

"Section 3. With the consent of the Commissioner, upon good cause shown, an appointing officer may reinstate in the same position or in a position in the same class and grade any person who has been separated from the service; provided, however, that the Commissioner shall not allow reinstatement of a person discharged for cause."

The Superintendent of Police will promulgate this order.

EUGENE M. MCSWEENEY,
Commissioner.

EXTENSION OF CONTRACTS.

SUPPLY DEPARTMENT.

The following communications relative to the extension of contracts with various firms for furnishing supplies and materials to the several city departments, received by the Mayor from D. Frank Doherty, Superintendent of Supplies, have been approved:

BOSTON, January 8, 1936.

HON. FREDERICK W. MANSFIELD,
Mayor of Boston.

DEAR MR. MAYOR,—Under date of April 26, 1935, the City of Boston entered into a contract with Thomas W. Reed Company relative to the purchase of drugs for delivery to the various city departments. Included in the contract is the following clause:

"It is agreed that the City of Boston, with the approval of the Mayor, may, beginning January 1, 1936, at its option, purchase and the Contractor agrees to deliver upon the same terms and conditions as aforesaid, such quantities of said drugs as may not have been ordered up to and including December 31, 1935. This privilege is extended to February 1, 1936."

I respectfully request your approval to exercise the option to purchase on behalf of the City of Boston, pursuant to the above-quoted option, upon the same terms and conditions as are stated in said contract, such quantities of drugs referred to therein as may not have been ordered up to and including December 31, 1935, for the extended period permitted thereby to wit, to February 1, 1936.

Respectfully yours,

D. FRANK DOHERTY,
Superintendent of Supplies.

BOSTON, January 8, 1936.

HON. FREDERICK W. MANSFIELD,
Mayor of Boston.

DEAR MR. MAYOR,—Under date of February 15, 1935, the City of Boston

entered into a contract with Massachusetts Envelope Company relative to the purchase of paper drinking cups for delivery to the various city departments. Included in the contract is the following clause:

"It is agreed that the City of Boston, with the approval of the Mayor, may, beginning January 1, 1936, at its option, purchase and the Contractor agrees to deliver upon the same terms and conditions as aforesaid, such quantities of said paper drinking cups as may not have been ordered up to and including December 31, 1935. This privilege is extended to February 1, 1936."

I respectfully request your approval to exercise the option to purchase on behalf of the City of Boston, pursuant to the above-quoted option, upon the same terms and conditions as are stated in said contract, such quantities of paper drinking cups referred to therein as may not have been ordered up to and including December 31, 1935, for the extended period permitted thereby, to wit, to February 1, 1936.

Respectfully yours,

D. FRANK DOHERTY,
Superintendent of Supplies.

BOSTON, January 8, 1936.

HON. FREDERICK W. MANSFIELD,
Mayor of Boston.

DEAR MR. MAYOR,—Under date of October 9, 1935, the City of Boston entered into a contract with Dwinell-Wright Company relative to the purchase of coffee for delivery to the various city departments. Included in the contract is the following clause:

"The City of Boston may, with the approval of the Mayor, by written notice given to the Contractor by the Superintendent of Supplies, at its option, extend the end of the term hereof to any date not later than March 31, 1936."

I respectfully request your approval to

exercise the option to purchase on behalf of the City of Boston, pursuant to the above-quoted option, upon the same terms and conditions as are stated in said contract, such quantities of coffee referred to therein as may not have been ordered up to and including December 31, 1935, for the extended period permitted thereby, to wit, to March 31, 1936.

Respectfully yours,

D. FRANK DOHERTY,
Superintendent of Supplies.

BOSTON, January 8, 1936.

HON. FREDERICK W. MANSFIELD,
Mayor of Boston.

DEAR MR. MAYOR,—Under date of March 14, 1935, the City of Boston entered into a contract with United States Rubber Products, Incorporated, relative to the purchase of rubber coats for delivery to the Fire Department. Included in the contract is the following clause:

"It is agreed that the City of Boston, with the approval of the Mayor, may beginning January 1, 1936, at its option, purchase and the Contractor agrees to deliver upon the same terms and conditions as aforesaid, such quantities of said rubber coats as may not have been ordered up to and including December 31, 1935. This privilege is extended to February 1, 1936."

I respectfully request your approval to exercise the option to purchase on behalf of the City of Boston, pursuant to the above-quoted option, upon the same terms and conditions as are stated in said contract, such quantities of rubber coats referred to therein as may not have been ordered up to and including December 31, 1935, for the extended period permitted thereby, to wit, to February 1, 1936.

Respectfully yours,

D. FRANK DOHERTY,
Superintendent of Supplies.

BOSTON, January 8, 1936.

HON. FREDERICK W. MANSFIELD,
Mayor of Boston.

DEAR MR. MAYOR,—Under date of February 23, 1935, the City of Boston entered into a contract with Massachusetts Lime and Cement Company relative to the purchase of Portland cement for delivery to the various city departments. Included in the contract is the following clause:

"It is agreed that the City of Boston, with the approval of the Mayor, may, beginning January 1, 1936, at its option, purchase and the Contractor agrees to deliver upon the same terms and conditions as aforesaid, such quantities of said Portland cement as may not have been ordered up to and including December 31, 1935. This privilege is extended to February 1, 1936."

I respectfully request your approval to exercise the option to purchase on behalf of the City of Boston, pursuant to the above-quoted option, upon the same terms and conditions as are stated in said contract, such quantities of Portland cement referred to therein as may not have been ordered up to and including December 31, 1935, for the extended period permitted thereby, to wit, to February 1, 1936.

Respectfully yours,

D. FRANK DOHERTY,
Superintendent of Supplies.

BOSTON, January 8, 1936.

HON. FREDERICK W. MANSFIELD,

Mayor of Boston.

DEAR MR. MAYOR,—Under date of February 15, 1935, the City of Boston entered into a contract with J. C. Bowden & Sons, Incorporated, relative to the purchase of cloth (various kinds) for delivery to the various city departments. Included in the contract is the following clause:

"It is agreed that the City of Boston, with the approval of the Mayor, may, beginning January 1, 1936, at its option, purchase and the Contractor agrees to deliver upon the same terms and conditions as aforesaid, such quantities of said cloth (various kinds) as may not have been ordered up to and including December 31, 1935. This privilege is extended to February 1, 1936."

I respectfully request your approval to exercise the option to purchase on behalf of the City of Boston, pursuant to the above-quoted option, upon the same terms and conditions as are stated in said contract, such quantities of cloth (various kinds) referred to therein as may not have been ordered up to and including December 31, 1935, for the extended period permitted thereby, to wit, to February 1, 1936.

Respectfully yours,

D. FRANK DOHERTY,
Superintendent of Supplies.

BOSTON, January 8, 1936.

HON. FREDERICK W. MANSFIELD,

Mayor of Boston.

DEAR MR. MAYOR,—Under date of February 15, 1935, the City of Boston entered into a contract with Sparrow-Chisholm Company relative to the purchase of cloth (various kinds) for delivery to the various city departments. Included in the contract is the following clause:

"It is agreed that the City of Boston, with the approval of the Mayor, may, beginning January 1, 1936, at its option, purchase and the Contractor agrees to deliver upon the same terms and conditions as aforesaid, such quantities of said cloth (various kinds) as may not have been ordered up to and including December 31, 1935. This privilege is extended to February 1, 1936."

I respectfully request your approval to exercise the option to purchase on behalf of the City of Boston, pursuant to the above-quoted option, upon the same terms and conditions as are stated in said contract, such quantities of cloth (various kinds) referred to therein as may not have been ordered up to and including December 31, 1935, for the extended period permitted thereby, to wit, to February 1, 1936.

Respectfully yours,

D. FRANK DOHERTY,
Superintendent of Supplies.

BOSTON, January 8, 1936.

HON. FREDERICK W. MANSFIELD,

Mayor of Boston.

DEAR MR. MAYOR,—Under date of May 8, 1935, the City of Boston entered into a contract with E. F. Mahady Company, relative to the purchase of drugs for delivery to the various city departments. Included in the contract is the following clause:

"It is agreed that the City of Boston, with the approval of the Mayor, may, beginning January 1, 1936, at its option, purchase and the Contractor agrees to deliver upon the same terms and conditions as aforesaid, such quantities of said

drugs as may not have been ordered up to and including December 31, 1935. This privilege is extended to February 1, 1936."

I respectfully request your approval to exercise the option to purchase on behalf of the City of Boston, pursuant to the above-quoted option, upon the same terms and conditions as are stated in said contract, such quantities of drugs referred to therein as may not have been ordered up to and including December 31, 1935, for the extended period permitted thereby, to wit, to February 1, 1936.

Respectfully yours,

D. FRANK DOHERTY,
Superintendent of Supplies.

BOSTON, January 8, 1936.

HON. FREDERICK W. MANSFIELD,

Mayor of Boston.

DEAR MR. MAYOR,—Under date of May 8, 1935, the City of Boston entered into a contract with Berry & Withington Company relative to the purchase of drugs for delivery to the various city departments. Included in the contract is the following clause:

"It is agreed that the City of Boston, with the approval of the Mayor, may, beginning January 1, 1936, at its option, purchase and the Contractor agrees to deliver upon the same terms and conditions as aforesaid, such quantities of said drugs as may not have been ordered up to and including December 31, 1935. This privilege is extended to February 1, 1936."

I respectfully request your approval to exercise the option to purchase on behalf of the City of Boston, pursuant to the above-quoted option, upon the same terms and conditions as are stated in said contract, such quantities of drugs referred to therein as may not have been ordered up to and including December 31, 1935, for the extended period permitted thereby, to wit, to February 1, 1936.

Respectfully yours,

D. FRANK DOHERTY,
Superintendent of Supplies.

BOSTON, January 8, 1936.

HON. FREDERICK W. MANSFIELD,

Mayor of Boston.

DEAR MR. MAYOR,—Under date of May 1, 1935, the City of Boston entered into a contract with Lederle Laboratories, Incorporated, relative to the purchase of drugs for delivery to the various city departments. Included in the contract is the following clause:

"It is agreed that the City of Boston, with the approval of the Mayor, may, beginning January 1, 1936, at its option, purchase and the Contractor agrees to deliver upon the same terms and conditions as aforesaid, such quantities of said drugs as may not have been ordered up to and including December 31, 1935. This privilege is extended to February 1, 1936."

I respectfully request your approval to exercise the option to purchase on behalf of the City of Boston, pursuant to the above-quoted option, upon the same terms and conditions as are stated in said contract, such quantities of drugs referred to therein as may not have been ordered up to and including December 31, 1935, for the extended period permitted thereby, to wit, to February 1, 1936.

Respectfully yours,

D. FRANK DOHERTY,
Superintendent of Supplies.

BOSTON, January 8, 1936.

HON. FREDERICK W. MANSFIELD,

Mayor of Boston.

DEAR MR. MAYOR,—Under date of April 26, 1935, the City of Boston entered into a contract with Kenmore Hospital Supply relative to the purchase of drugs for delivery to the various city departments. Included in the contract is the following clause:

"It is agreed that the City of Boston, with the approval of the Mayor, may, beginning January 1, 1936, at its option, purchase and the Contractor agrees to deliver upon the same terms and conditions as aforesaid, such quantities of said drugs as may not have been ordered up to and including December 31, 1935. This privilege is extended to February 1, 1936."

I respectfully request your approval to exercise the option to purchase on behalf of the City of Boston, pursuant to the above-quoted option, upon the same terms and conditions as are stated in said contract, such quantities of drugs referred to therein as may not have been ordered up to and including December 31, 1935, for the extended period permitted thereby, to wit, to February 1, 1936.

Respectfully yours,

D. FRANK DOHERTY,
Superintendent of Supplies.

BOSTON, January 8, 1936.

HON. FREDERICK W. MANSFIELD,

Mayor of Boston.

DEAR MR. MAYOR,—Under date of December 12, 1935, the City of Boston

entered into a contract with Reid-Murdoch & Co., relative to the purchase of groceries for delivery to the various city departments. Included in the contract is the following clause:

"The City of Boston may, with the approval of the Mayor, by written notice given to the Contractor by the Superintendent of Supplies, at its option, extend the end of the term hereof to any date not later than March 31, 1936."

I respectfully request your approval to exercise the option to purchase on behalf of the City of Boston, pursuant to the above-quoted option, upon the same terms and conditions as are stated in said contract, such quantities of groceries referred to therein, as may not have been ordered up to and including December 31, 1935, for the extended period permitted thereby, to wit, to March 31, 1936.

Respectfully yours,

D. FRANK DOHERTY,
Superintendent of Supplies.

BOSTON, January 8, 1936.

HON. FREDERICK W. MANSFIELD,
Mayor of Boston.

DEAR MR. MAYOR,—Under date of December 12, 1935, the City of Boston entered into a contract with Libby, McNeill & Libby relative to the purchase of groceries for delivery to the various city departments. Included in the contract is the following clause:

"The City of Boston may, with the approval of the Mayor, by written notice given to the Contractor by the Superintendent of Supplies, at its option, extend the end of the term hereof to any date not later than March 31, 1936."

I respectfully request your approval to exercise the option to purchase on behalf of the City of Boston, pursuant to the above-quoted option, upon the same terms and conditions as are stated in said contract, such quantities of groceries referred to therein as may not have been ordered up to and including December 31, 1935, for the extended period permitted thereby, to wit, to March 31, 1936.

Respectfully yours,

D. FRANK DOHERTY,
Superintendent of Supplies.

BOSTON, January 8, 1936.

HON. FREDERICK W. MANSFIELD,
Mayor of Boston.

DEAR MR. MAYOR,—Under date of December 24, 1935, the City of Boston entered into a contract with Green & Swett Company relative to the purchase of St. Pierre chains, etc., for delivery to the various city departments. Included in the contract is the following clause:

"The City of Boston may, with the approval of the Mayor, by written notice given to the Contractor by the Superintendent of Supplies, at its option, extend the end of the term hereof to any date not later than March 31, 1936."

I respectfully request your approval to exercise the option to purchase on behalf of the City of Boston, pursuant to the above-quoted option, upon the same terms and conditions as are stated in said contract, such quantities of St. Pierre chains, etc., referred to therein as may not have been ordered up to and including December 31, 1935, for the extended period permitted thereby, to wit, to March 31, 1936.

Respectfully yours,

D. FRANK DOHERTY,
Superintendent of Supplies.

Boston, January 9, 1936.

HON. FREDERICK W. MANSFIELD,
Mayor of Boston.

DEAR MR. MAYOR,—Under date of August 7, 1935, the City of Boston entered into a contract with The Quincey Oil Company relative to the purchase of gasoline for delivery to the various city departments. Included in the contract is the following clause:

"The City of Boston may, with the approval of the Mayor, by written notice given to the Contractor by the Superintendent of Supplies, at its option, extend the end of the term hereof to any date not later than July 14, 1936."

I respectfully request your approval to exercise the option to purchase on behalf of the City of Boston, pursuant to the above-quoted option, upon the same terms and conditions as are stated in said contract, such quantities of gasoline referred to therein as may not have been ordered up to and including December 31, 1935, for the extended period permitted thereby, to wit, to July 14, 1936.

Respectfully yours,

D. FRANK DOHERTY,
Superintendent of Supplies.

Boston, January 9, 1936.

HON. FREDERICK W. MANSFIELD,
Mayor of Boston.

DEAR MR. MAYOR,—Under date of March 8, 1935, the City of Boston entered into a contract with The Lindo Air Products Company relative to the purchase of gases (industrial) for delivery to the various city departments. Included in the contract is the following clause:

"It is agreed that the City of Boston, with the approval of the Mayor, may, beginning January 1, 1936, at its option, purchase and the Contractor agrees to deliver upon the same terms and conditions as aforesaid, such quantities of said gases (industrial) as may not have been ordered up to and including December 31, 1935. This privilege is extended to February 1, 1936."

I respectfully request your approval to exercise the option to purchase on behalf of the City of Boston, pursuant to the above-quoted option, upon the same terms and conditions as are stated in said contract, such quantities of gases (industrial) referred to therein as may not have been ordered up to and including December 31, 1935, for the extended period permitted thereby, to wit, to February 1, 1936.

Respectfully yours,

D. FRANK DOHERTY,
Superintendent of Supplies.

Boston, January 9, 1936.

HON. FREDERICK W. MANSFIELD,
Mayor of Boston.

DEAR MR. MAYOR,—Under date of February 27, 1935, the City of Boston entered into a contract with Mallinckrodt Chemical Works relative to the purchase of ether for delivery to the various city departments. Included in the contract is the following clause:

"It is agreed that the City of Boston, with the approval of the Mayor, may, beginning January 1, 1936, at its option, purchase and the Contractor agrees to deliver upon the same terms and conditions as aforesaid, such quantities of said ether as may not have been ordered up to and including December 31, 1935. This privilege is extended to February 1, 1936."

I respectfully request your approval to exercise the option to purchase on behalf of the City of Boston, pursuant to the above-quoted option, upon the same terms

and conditions as are stated in said contract, such quantities of ether referred to therein as may not have been ordered up to and including December 31, 1935, for the extended period permitted thereby, to wit, to February 1, 1936.

Respectfully yours,

D. FRANK DOHERTY,
Superintendent of Supplies.

Boston, January 9, 1936.

HON. FREDERICK W. MANSFIELD,
Mayor of Boston.

DEAR MR. MAYOR,—Under date of May 8, 1935, the City of Boston entered into a contract with Tidewater Coal Company relative to the purchase of semi-bituminous coal for delivery to the South Ferry, Public Works Department. Included in the contract is the following clause:

"It is agreed that the City of Boston, with the approval of the Mayor, may, beginning January 1, 1936, at its option, purchase and the Contractor agrees to deliver upon the same terms and conditions as aforesaid, such quantities of said semi-bituminous coal as may not have been ordered up to and including December 31, 1935. This privilege is extended to April 30, 1936."

I respectfully request your approval to exercise the option to purchase on behalf of the City of Boston, pursuant to the above-quoted option, upon the same terms and conditions as are stated in said contract, such quantities of semi-bituminous coal referred to therein as may not have been ordered up to and including December 31, 1935, for the extended period permitted thereby, to wit, to April 30, 1936.

Respectfully yours,

D. FRANK DOHERTY,
Superintendent of Supplies.

Boston, January 9, 1936.

HON. FREDERICK W. MANSFIELD,
Mayor of Boston.

DEAR MR. MAYOR,—Under date of May 8, 1935, the City of Boston entered into a contract with Standard Coal Company relative to the purchase of anthracite and semi-bituminous coal for delivery to the various city departments. Included in the contract is the following clause:

"It is agreed that the City of Boston, with the approval of the Mayor, may, beginning January 1, 1936, at its option, purchase and the Contractor agrees to deliver upon the same terms and conditions as aforesaid, such quantities of said anthracite and semi-bituminous coal as may not have been ordered up to and including December 31, 1935. This privilege is extended to April 30, 1936."

I respectfully request your approval to exercise the option to purchase on behalf of the City of Boston, pursuant to the above-quoted option, upon the same terms and conditions as are stated in said contract, such quantities of anthracite and semi-bituminous coal referred to therein as may not have been ordered up to and including December 31, 1935, for the extended period permitted thereby, to wit, to April 30, 1936.

Respectfully yours,

D. FRANK DOHERTY,

STENOGRAPHIC SERVICE.

FOR STATE AND CITIES AND TOWNS OUTSIDE OF BOSTON AND VICINITY, MARCH 7, 1936.

Last date for filing applications, Monday, February 24, 1936, at 5 p. m.

FOR STATE, BOSTON, AND CITIES AND TOWNS IN THE VICINITY OF BOSTON, MARCH 21, 1936.

Last date for filing applications, Saturday, March 7, 1936, at 12 noon.

This is the regular examination for the stenographic service of the state and of all cities and of such towns in the state as are classified under Civil Service. On March 7, the examination will be held in various centrally located cities. On March 21, the examination will be held in Boston, and all persons who reside

within commuting distance will be notified for examination on this day.

Persons qualifying in the examination may have their names placed on the state list as well as on the list for the city or town in which they reside.

Applicants must be not less than sixteen years of age at the time of filing application.

The subjects of examination with their respective weights will be as follows: Training and experience, (2); spelling, (2); arithmetic, (2); grammar, (2); filing, (1); word knowledge, (1); stenography, (10); total, (20).

The dictation is given at the following rates of speed: 80, 100 and 120, the dictation at each rate of speed consisting of a letter of about 300 words in length. Each applicant may select any two of the three speed tests for transcription. The transcription is marked for both speed and accuracy. Applicants are required to obtain at least 70 per cent in accuracy of transcription of one speed test.

Applicants will also be required to obtain at least 65 per cent in spelling, at least 50 per cent in each of the other subjects, and at least 70 per cent in general average in order to become eligible.

CIVIL SERVICE EXAMINATIONS. (STATE AND CITY.)

FIRE SERVICE.

BOSTON AND METROPOLITAN DISTRICT,
FEBRUARY 15, 1936.

Last date for filing applications, Saturday, February 1, 1936, at 12 noon.

Applicants for the service of Boston must be not less than twenty-two nor over thirty-five years of age at the time of filing application. Applicants for all other cities and towns in the Commonwealth must be not less than twenty-one nor over thirty-five years of age at the time for filing application. Callmen and substitute callmen may make such deductions from their ages as are provided for in Civil Service Rule 8, Class 21. A certificate of date of birth must be filed with the application, *unless* one has been filed with a previous application.

Applicants for Worcester are required to be not less than 5 feet 5 inches in height. Applicants for Brockton must be not less than 5 feet 6 inches in height, and weigh not less than 135 pounds at the time of appointment. Applicants for Winchester must be not less than 5 feet 8 inches in height, and weigh not less than 135 pounds. Applicants for Lynn must be not less than 5 feet 5½ inches in height, and weigh not less than 135 pounds.

Subjects and Weights: Training and experience, 3; general information, 3; practical questions, 4; total, 10.

Physical fitness to be determined by physical examination and strength tests. Educational test, 3; physical test, 2; total, 5.

Applicants will be required to obtain at least 50 per cent in each subject of the examination and at least 70 per cent in the educational average and in the strength test in order to become eligible.

The practical questions will be based upon information contained in a manual known as the "Red Book." This manual may be obtained from the Secretary of State, Room 118, State House, at ten cents a copy. It is necessary that applicants obtain a copy of this manual and study it carefully.

Total homes in NEW ENGLAND, 1,981,499, of which 915,441 or 46.2 per cent were owned, 1,042,521 or 52.6 per cent were rented, and 23,537 were of unknown tenure. Native white families, 1,203,304; foreign-born white families, 753,231; Negro families, 22,864; other races, 2,100.

Total homes in MASSACHUSETTS, 1,021,160, of which 439,238 or 43.0 per cent were owned, 569,645 or 55.8 per cent were rented, and 12,277 were of unknown tenure. Native white families, 579,751 (306,978 or 30.06 per cent were native white of native parentage and 272,773 or 26.71 per cent were native white of foreign or mixed parentage); foreign-born white families, 427,385 or 41.85 per cent; Negro families, 12,637 or 1.24 per cent; other races, 1,387 or 0.14 per cent.

Total homes in BOSTON, 179,200, of which 45,986 or 25.66 per cent were owned, 130,140 or 72.62 per cent were rented and 3,074 were of tenure unknown. Divided by color and nativity of head of owner-families, 7,741 were native white of native parentage; 11,137 were native white of foreign or mixed parentage; 26,366 were foreign-born white; 726 were Negro and 16 were of other races.

Of the renter-families, 27,267 were native white of native parentage; 36,423 were native white of foreign or mixed parentage; 61,505 were foreign-born white; 4,431 were Negro, and 509 were of other races.

POPULATION OF UNITED STATES, NEW ENGLAND AND MASSACHUSETTS.

Continental United States (i. e., 48 states and the District of Columbia) in 1930, 122,775,046; outlying possessions, 14,233,389; total, 137,008,435; New England, 8,166,341; Massachusetts, 2,429,614 or 52.04 per cent of New England and ranking eighth in the Union. In density of population Massachusetts ranks second, i. e., 528 per square mile of land, Rhode Island ranking first, with 644 per square mile of land.

Population of the other New England States in 1930, ranking from the highest total: Connecticut, 1,606,903; Maine, 797,423; Rhode Island, 687,497; New Hampshire, 465,293; Vermont, 359,611. Density for New England, 132 per sq. m.; for U. S. (48 states and the District of Columbia) 41 per sq. m.

The population of the United States increased 16.1 per cent since 1920; that of New England 10.3 per cent and that of Massachusetts 10.3 per cent.

PROCEEDINGS OF CITY COUNCIL.

Monday, January 6, 1936.

First meeting of the City Council for the year 1936 in the Council Chamber, City Hall, at 10 a. m. Coun.-Elect Gallagher, senior member, called the meeting to order. Absent, Coun.-Elect Peter A. Murray.

Chairman GALLAGHER—The Council will be in order.

Coun.-Elect KERRIGAN—Mr. President, I move that a committee of two be appointed by the Chair to escort the Mayor to the Council Chamber.

The motion was carried, and the Chairman appointed Coun.-Elect Kerrigan and Shattuck said committee. The committee retired from the body at 10.06 a. m. and at 10.14 a. m. returned accompanying the Mayor and suite.

Mayor MANSFIELD took the chair and said: The meeting will please come to order. You will now give your attention while the Chaplain, Rev. Ernest J. Dennen, Archdeacon of the Episcopal Church of Boston, leads us in prayer.

Archdeacon DENNEN—O God, Father of us all, look with favor, we beseech thee, upon thy servants assembled here. As citizens make us loyal, as patriots incorruptible, as servants determined to serve the common good. In particular we implore thy blessing upon this Honorable Body facing today the duties of office. Make them staunch in their stand for the right and successful always on the side of truth and justice. Hear our prayer, we beseech thee, through Him who has ever led man aright, thy Son, our Saviour, Jesus Christ. Amen.

Mayor MANSFIELD—The City Clerk will now read the communication from the Election Commissioners certifying as to the new members elected to the City Council and will call the roll.

City Clerk DOYLE read the communication, as follows:

Board of Election Commissioners,
City Hall Annex, Court Square,
Boston, December 5, 1935.

Mr. Wilfred J. Doyle, Esq.,
City Clerk, Boston.

Dear Sir,—We certify that at the City Election held in the City of Boston on November 5, 1935, for the choice of one member of the City Council from each ward, for the term of two years, that the following were elected from the wards as set forth against their names:

- Ward 1, Henry Selvitella, 80 Orient avenue.
- Ward 2, James J. Mellen, 18 Tremont street.
- Ward 3, John I. Fitzgerald, 7 Allen street.
- Ward 4, George W. Roberts, 20 Hemenway street.
- Ward 5, Henry L. Shattuck, 15 River street.
- Ward 6, George A. Murray, 223 West Second street.
- Ward 7, John E. Kerrigan, 213 West Eighth street.
- Ward 8, John F. Dowd, 22 Greenville street.
- Ward 9, Richard D. Gleason, 15 Ruggles street.
- Ward 10, John J. Doherty, 67½ Wyman street.
- Ward 11, James J. Kilroy, 1301 Columbus avenue.
- Ward 12, David M. Brackman, 89 Waumbuck street.
- Ward 13, Peter J. Fitzgerald, 39 Belfort street.
- Ward 14, Sidney Rosenberg, 576 Blue Hill avenue.
- Ward 15, Martin H. Tobin, 70 Westville street.
- Ward 16, John J. McGrath, 2 Glenrose road.
- Ward 17, Robert Gardner Wilson, Jr., 57 Codman Hill avenue.
- Ward 18, Clement A. Norton, 34 Myopia road.
- Ward 19, Peter A. Murray, 7 St. John street.
- Ward 20, James F. Finley, 231 Cornell street.
- Ward 21, James E. Agnew, 92 Wallingford road.
- Ward 22, Edward M. Gallagher, 21 Oak Square avenue.

Respectfully yours,

DAVID B. SHAW,
DANIEL H. ROSE,
FREDERIC E. DOWLING,
FRANCIS B. MCKINNEY,
Board of Election Commissioners.

Following the reading of the communication, the City Clerk called the roll and all but Coun.-Elect Peter A. Murray were found to be present.

The Mayor then administered the oath of office to the members of the Council.

The Mayor thereupon delivered his message to the Council, as follows:

ANNUAL ADDRESS OF HON. FREDERICK W. MANSFIELD.

The first two years of my term of office as Mayor of the City of Boston have been concluded and we are now commencing on the second half of that term. The two years which have passed have been years of marked improvement in the affairs of this city. I propose today to give you a summary of the accomplishments of those years and to discuss with you some of the problems of the immediate future.

I. THE PAST TWO YEARS.

A. The Financial Condition of the City.

I have frequently stressed the importance of maintaining the credit of the city. Under the laws of this Commonwealth, the revenue necessary

to carry on municipal government, to maintain our schools, to pay city employees and to assist the poor and needy is not received by the city until late in the calendar year. Money, therefore, must always be borrowed in anticipation of such revenue. If the credit of the city should be impaired this money could not be obtained, with the necessary result that many municipal services demanded by and important to the welfare of the people of Boston would have to be curtailed, thousands of city employees would be obliged to work without pay and their discharge from the city's service would become imperative and the city would find itself unable properly to care for the poor, the needy and the unemployed.

Every effort, therefore, has been bent during the last two years on preserving the credit of the city.

There are certain factors peculiar to cities and towns in the Commonwealth which must be borne in mind in any consideration of Boston's financial situation. Welfare expenditures throughout the depression have been and are being borne by the cities and towns of the Commonwealth with but very limited assistance from the state. While these expenditures have increased in tremendous proportion, falling valuations of real estate and decreased income tax collections distributable to municipalities have sharply cut the revenue to meet the added expenditures. The net result has been a drastic increase in tax rates throughout the Commonwealth. Five towns in the Commonwealth had a tax rate in 1935 of over \$50 a thousand; fifty-six cities and towns a tax rate of between \$40 and \$49; eighty a tax rate of between \$35 and \$39, and one hundred and eleven a tax rate of between \$30 and \$34.

Welfare expenditures in Boston during 1928 aggregated \$2,800,000. In 1935 they aggregated approximately \$13,000,000, although less than in 1934 or 1933. The increase in welfare expenditures represents \$6 in the tax rate. In the meantime valuations have decreased to an amount representing about \$5 on the tax rate and revenue collected by the Commonwealth and distributable to Boston has decreased to an amount representing about \$3 on the tax rate.

No substantial new sources of revenue and no adequate state assistance have been afforded to the city to meet its added welfare expenditures and decreased income.

The city has, therefore, been faced with the alternative of vigorous curtailment of services and salaries or with reasonable curtailment and borrowing. The hardship to employees and the adverse effect on local business involved in the first alternative has led us to adopt the second.

When I took office there was no adequate system of budget control. To improve this situation I instructed the City Auditor to prepare a plan whereby a modern budget system with proper control of expenditures and a more adequate method of checking receipts could be put in operation. This plan is now in operation and further improvements will be operative in 1936 as I shall later more fully explain.

The Department of Public Welfare was reorganized late in 1934 and every effort has been made to guard against disbursements to persons not entitled to relief. Vigorous prosecutions of offenders and the employment of trained workers in the department have tended to conserve against a waste of city funds.

Wherever possible, I have maintained a policy of not filling vacancies and of reducing purchases of equipment, materials and supplies to a minimum consistent with the proper rendering of public service.

Not only has effort been made to keep expenditures within reasonable limits but attention has been given to the enforcement and collection of tax and other claims of the city.

In 1935 approximately \$6,000,000 more was received by the City Collector than in 1933 and there has been a definite improvement in current tax collections. The trend of collections has at last been turned in the right direction.

Pursuant to my request, an ordinance was passed in 1935, after considerable delay, which will enable the city to conserve and dispose of properties acquired through tax title foreclosures made mandatory by statute.

While the city borrowed approximately \$10,000,000 for welfare purposes in 1935 and must to some extent make borrowings for this purpose in 1936 unless wholesale discharges or pay cuts are to be countenanced, it is worthy of note that the borrowings by the city in 1934 and 1935 were less than the borrowings by the city in the year of 1933 alone; that large amounts of debt have been retired in both 1934 and 1935, a fact frequently overlooked by critics; and that the net funded debt of the city is now less than when I took office on January 1, 1934.

That the credit of the city has improved in the last two years is evidenced to some extent by the fact that interest on temporary loans has decreased from an average of 4.03 per cent in 1933 to 1.55 per cent in 1934 and .85 per cent in 1935 — and the interest requirements of the city for temporary borrowings were approximately \$600,000 less in 1935 than in 1933. Moreover, interest rates on long term borrowings have decreased from an average rate of 4.32 per cent in 1933 to 3.29 per cent in 1934 and 2.36 per cent in 1935.

B. Temporary Relief for the Unemployed.

In my annual message to your Honorable Body in 1935, I stated that:

"It is my purpose, however, to secure for the employment of residents of Boston a fair and adequate share of all Federal funds granted for relief purposes. Through my repeated efforts more than 15,000 Boston residents heretofore unemployed are now employed on E. R. A. projects and new projects will provide for the employment of 7,000 more. So long as the Federal Emergency Relief Administration continues to operate I shall do all in my power to have formulated, and to supply materials for projects adequate to provide for all persons that the funds provided will employ. It is my purpose to see to it that these projects will be of real value to the city."

In May of 1934, when the Federal Emergency Relief Administration commenced work in Boston, 8,544 persons were cared for on works projects. I have, since that time, made every effort to secure a maximum of Federal funds for the assistance of Boston residents.

Constant contact with Washington officials has been essential and, while we have not received all the assistance for which I hoped and to which I believe we are entitled, we have secured from time to time increased funds for employment in Boston so that by December of 1934 the number of employed was increased to 13,831, in June of 1935 to 26,923 and at present more than 27,000 persons are employed.

To further this work and to secure projects which would be of real benefit to the city, I caused to be formed a board, known as the Works Projects Board, to develop, coordinate and prepare for submission to the Federal Government useful and needed projects.

This board prepared both a Public Works and a Works Projects program. Projects were submitted to the Federal Government amply sufficient to employ usefully all unemployed persons in the city capable of employment.

While the Federal Government has not provided work for all employables on our welfare roll and the city has been obliged to expend over \$1,000,000 in 1935 for materials to be used on these projects, there can be no doubt that the relief rolls of the city have been saved from greater burdens, that a vast amount of useful work has been done for the city and that the lot of thousands of men and women has been materially relieved pending what I hope will soon be their absorption into private employment.

C. Public Improvements.

Many improvements have been made during the last two years, all of which tend to make Boston a better place in which to live and conduct business. These improvements were made possible partly by E. R. A., P. W. A. and W. P. A. funds and partly by city funds, but they are so numerous that I shall take the liberty of calling some of them to your attention.

One hundred and fifty new streets were accepted by the city and constructed in various sections of Boston, covering approximately twelve miles in length. Ten main traffic arteries were entirely reconstructed, covering approximately twelve additional miles in length. These latter arteries include Alford street in Charlestown, Savin Hill avenue, Adams street and Ashmont street in Dorchester, Old Colony avenue in South Boston and Dorchester; Walk Hill street in Mattapan; Hyde Park avenue in Hyde Park; Southampton street in Roxbury; La Grange street in West Roxbury and Woodrow avenue in Dorchester.

Northern Avenue Bridge, connecting Boston Proper and South Boston, has been reconstructed; Chelsea North Bridge, connecting Boston and Chelsea, has been repaired and strengthened; substantial repairs have been made on both the Summer Street Bridge across Fort Point Channel and the Granite Avenue Bridge between Boston and Milton. Preparations are now being made for a new Chelsea Street Bridge connecting East Boston and Chelsea. This new bridge is to have a roadway seventy feet in width with a hundred-foot draw span sufficiently wide to accommodate the passage of any vessel likely to use Chelsea creek.

Many open brooks, such as Stony brook in West Roxbury, Shepherd brook in Brighton, Tenean creek in Dorchester and Maywoods brook in Roxbury, have been confined to underground conduits for the purpose of preventing the continuance of past recurring floods and the damages which those floods create.

The existing high force water service system in Roxbury has been reinforced by more than three miles of forty-eight inch steel water pipe and six thousand feet of forty-eight inch steel water pipe has been laid in Brookline avenue to replace pipe laid there in 1860.

In addition, almost eleven miles of pipe have been laid in various parts of Boston to strengthen the water system.

Ash-removal contractors have been notified that they must comply with their contracts and that they can no longer insist on barrels being carried for them by householders to and from the sidewalk.

A new white way has been set up on Washington street between Stuart street and Broadway. Modern concrete posts with better lighting have been provided on Hyde Park avenue, Hyde Park, and improved lighting service has been furnished on Bennington street, East Boston.

The East Boston Airport has been enlarged, surfaced, drained and developed, and its area increased and longer runways provided. A modern

flood lighting system is now installed and a complete runway has been perfected adequate for the needs of modern aviation.

The Greater Weymouth Golf Course will be ready for operation in 1935, one of the finest courses in the Commonwealth. A rough and tract of land, mostly for building purposes has been converted into a golf course, a distinct improvement to the neighborhood and a self-supporting enterprise.

Many improvements have been made both in the larger and smaller parks and playgrounds. Walks have been resurfaced, areas graded, tennis courts built, swimming, drainage and irrigation systems installed. Baseball diamonds have been laid out and marsh lands reclaimed. Every effort has been made to develop open spaces in congested sections of the city and these efforts have tended to improve entire neighborhoods.

Extensive gymnastic programs have been put in operation and swimming instruction given daily at city beaches and swimming pools. Despite the wide expanse of our beaches, not one fatality occurred in 1935.

The planting of 8,250 trees has tended to beautify many streets and a new wading pool in Hyde Park, the first of its kind in this section of the country, has furnished recreation and relief to children and a resting spot for mothers.

Prior to 1934 Faneuil Hall Market was heated by contract from a State street building. We have since installed there a new heating plant at an estimated saving to the City of about \$4,000 a year.

No thorough renovation of the Quincy Market has been made in one hundred and ten years. As a result, this important historic and income-producing property had structural and sanitary defects so serious that its renovation became essential. This work is now being undertaken.

Much attention has been given the Deer Island House of Correction in the last two years. With inmate labor the Roman Catholic chapel has been renovated and redecorated in appropriate style and an Episcopal chapel established. One room of the institution has been remodeled and refurnished and is now used by the inmates for the first time as a library. Machine, electric and paint shops, and a stocking shop have been constructed with inmate labor. Every effort is being made to provide facilities for inmates to render useful service.

Fire prevention work has been vigorously undertaken during the past two years. School Department cooperation has been obtained and over 500,000 inspections have been made to eliminate fire hazards. It is pleasing to note that the fire loss for 1934 in Boston, the last year for which figures are available, is the lowest in any year since 1912 and represents a reduction of almost fifty per cent of the losses of but a few years ago.

Welfare Department activities have been decentralized to bring its services to people in the communities in which they live and eleven district offices have been established in abandoned city buildings or in other city properties.

To guard against frauds, re-registration has been required, accurate records insisted on, skilled employees retained and prosecutions of abuses vigorously maintained.

The Wayfarers' Lodge and the Temporary Home for Women have been rehabilitated, the city's rights to reimbursement from the state and other municipalities enforced and every effort made to assist recipients to obtain private employment.

During the past year I have vigorously protested against increased rates proposed by the Boston Consolidated Gas Company and, through the Law Department, presented an elaborate analysis of the position of that company and the effect of the proposed rates upon consumers.

Great progress has been made in the business of the Port of Boston through the past year. The domestic business of the port has steadily increased. In 1935 our port once again has become an important distributing point for inbound grain. From July 1, 1935, to date approximately 30,000,000 pounds of wool have been handled over Boston piers as compared with some 4,000,000 pounds for a similar period last year. Three new steamship companies now participate in the trade of the port and five have improved their services.

These are but some of the achievements of the past two years. They show definite accomplishment, but there are many things yet to be done. I shall, therefore, devote myself briefly to a discussion of some of my plans for the immediate future.

II. THE IMMEDIATE FUTURE.

One of the major problems which confronted me as a new Mayor was the task of assisting to make Boston again a prosperous city. It is still a major problem, although business conditions have improved. The stimulation of business and industrial activity are essential to local recovery. As a correlated fact, business recovery is the only permanent means of reducing unemployment and its incidental cost.

I propose to aid this recovery by inaugurating a financial plan for Boston. Its purpose will be to stabilize tax and debt conditions so that home owners and business enterprises may confidently look to Boston as a favorable place in which to live and do business. In this program the city must have the cooperation of the county, schools and state.

The tendency of the times of closing eyes to unmistakable trends evident in our community will delay recovery. We should realize that these trends indicate that attention must be centered on retaining present residents and business and creating a situation which will stimulate commercial activity and restore real estate values.

A. Borrowing.

As the first step in launching this rehabilitation program, I propose to reduce substantially the net debt in 1936. During the year we will retire \$8,627,000 of funded debt. It will be my purpose to limit new indebtedness to the amount required for P. W. A. projects heretofore authorized, but not issued, together with a limited amount for welfare loans. The latter will be limited to an amount substantially less than half of this year's loans.

During the next five years Boston will retire \$37,000,000 of its present bonded indebtedness. If this policy is followed in subsequent years and new issues limited to emergencies, it should be possible to reduce the bonded debt to a point where future borrowings could be eliminated altogether, and the city placed on a pay-as-you-go basis. This would save millions in interest payments.

B. Taxation.

The city will do its part to keep the tax rate at \$37 per \$1,000 of assessed valuation in 1936 the same as in 1935, despite reduced assessed valuations. In this move the city will need the cooperation of all taxing units whose rates are included in this cumulative tax levy. In 1935 the portion of the city levy required for city debt service and maintenance purposes was \$22.58, for school maintenance \$9.35, for the city's share of the state tax \$2.93 and for county debt and maintenance \$2.14.

To accomplish these ends, that is, to decrease substantially borrowings and yet keep the tax rate from rising despite decreasing valuations, an increase in sources of revenue other than the real estate tax must be developed and substantial retrenchments made. New revenues, to some extent, are expected from the Commonwealth while other funds will be obtained by more strenuous collection of available income or by the revision of existing sources. Retrenchments to be recommended will be such as can most readily be made to meet the demands of the situation. I do not intend to effect salary reductions for or discharges of permanent employees. City employees are not being paid excessive salaries. Money paid to them for services performed is an important factor in the business life of the community. The dollar spent by a city employee is just as important to the merchant as that spent by any other individual. When retrenchments are made, there may be some inconvenience resulting, but there will be no material loss in needed municipal services.

Of course, if new sources of revenue are provided by the Commonwealth in sufficient amount to enable a decrease in the tax rate, such decrease will be made.

C. Budget Control.

To assist in accomplishing these ends, I have instructed the City Auditor to set up an allotment system to control expenditures during the six months prior to the passage of the 1936 budget. Departmental encumbrances will be controlled by limiting them on a quarterly basis. A sum less than the 1935 expenditure record will be taken as the basis for determining allotments. This is an important step forward in establishing budgetary control. It should eliminate overspending during the first six months' period, and maintain stability throughout the year by planning and limiting expenditures.

D. Reorganization.

There are at the present time forty-six separate departments in the city government and 135 department heads. Many of these departments perform similar functions and yet, because of the multiplicity of departments, many improvements in one department are unknown to others and much of the benefit of the experiences of one department is lost to other departments performing similar functions. This set-up is antiquated and inadequate. There are ten executive departments in Washington; there are twenty in the Commonwealth. Many large cities operate with from five to fifteen departments. It is obvious that a consolidation of departments is essential for the proper and efficient administration of city affairs.

I recently submitted to the City Council a plan of reorganization of the engineering departments of the city. This plan was prepared by a committee appointed, at my request, by President Compton of the Massachusetts Institute of Technology. Its merits lie in the coordination of engineering activities, the elimination of unnecessary duplication and better arrangement of functions. It should enable far more economical administration through the facilities afforded for more coordinated planning and activity, through the lessening of the necessity for filling vacancies in the event of death or retirement of employees, and through the improvement in the service rendered to the public.

I shall resubmit this plan to your Honorable Body in the near future.

E. New Legislation.

(1.) New Revenues and Relief from the State Tax.

At present the city must include in its tax rate approximately \$3 representing the tax assessed upon it by the Commonwealth. This state tax ultimately imposed on real estate should be eliminated or new revenues provided the city by the state to compensate therefor. The Commonwealth should also share the burden of financing relief as do many of the other states and I will support again a measure to accomplish this end. Borrowing for relief places a mortgage upon the future. The state has within its power the means of financing a substantial portion of the annual cost through currently collected revenue. Such a step would substantially reduce debt requirements now burdening real estate and pay the cost from the increased business resulting from the disbursement of millions to relief recipients.

(2.) Revision of the Tax Limitation Provisions Affecting Boston.

The special commission on municipal finance established by the General Court in 1935 has recommended the abolition of the present tax limitation upon Boston. The present law is obsolete and should be revised so as to enable the early adoption of a city budget and so as to make positive budgetary control in Boston a reality. The report of the commission clearly pointed out that present legislative control over school and municipal appropriations is more of a handicap to sound financing than a safeguard.

The absolute veto power over school appropriations recommended will, if enacted, enable a mayor to protect more effectively the city's finances for which he is now held politically responsible and will place the Mayor of Boston in a position with reference to school appropriations more closely analogous to the position of the mayors of other cities of the Commonwealth.

(3.) Discount for Early Tax Payment.

At the present time property taxes are payable one half in July and one half in November. No penalty, however, is imposed for failure to pay in July. The result is that July collections are relatively small and the city must continue as heretofore to borrow substantial sums in anticipation of revenue. Money may be borrowed at low interest rates for the time being but even now interest payments for temporary borrowings are substantial. I shall recommend to the Legislature that a slight discount be allowed for payment on July 1, the amount of the discount to be less than the interest which the city must pay on temporary loans but sufficient to serve as an incentive to early payment. In this way temporary borrowings may be curtailed and the savings passed on to the taxpayers.

Ultimately we must look to the day when taxes will be paid at the beginning of the year and not at the end, but legislation for this must cover a substantial period of time so as not to work undue hardship on the taxpayer. The potential savings to taxpayers in early payment through the elimination of temporary borrowings is tremendous. Interest payments on temporary loans from 1925 through 1934 cost the taxpayers of Boston approximately \$3,275,000.

(4.) Revision of Assessment Procedure.

Other improvements are needed to modernize Boston's financial structure. While no definite legislative program has been formulated at this date correcting these weaknesses, I call them to your attention.

The present assessment procedure is cumbersome, and prevents the city from beginning any fiscal year with a definite financial program. Moreover, it encourages abatement litigation. Boston's method of assessment should be worked out on a scientific and modern basis and I expect to be able to accomplish this during the coming year with the assistance and cooperation of experts in this field from Harvard and the Massachusetts Institute of Technology. When this is accomplished, I shall seek the enactment of legislation which will enable the completion of assessments and the finality of valuations prior to the first day of each new fiscal year. While a Board of Tax Appeals with machinery to review decisions of the assessors would be maintained, it is my belief that if a scientific method of assessment is adopted, the Legislature can limit the time for hearing appeals in such a way that all appeals can be adequately disposed of before the commencement of a fiscal year. The present practice of including an item of 2 per cent or 2½ per cent of the total appropriation for "overlay," which is used primarily for rebates made after the taxes are levied, adds to the tax burden of those who receive no adjustments. Any adjustments in assessed valuations should be made before the tax rate is established, then the city will know its tax base and the tax rate will fall equitably upon all taxpayers.

F. Collections.

While tax collections improved during 1935, the accumulated burden of delinquency is heavy. Prompt action must and will be taken to reduce the outstanding delinquency. I intend to emphasize this activity from the very beginning of this year and to set up a definite program of action. There is no desire upon our part to use force in collection. Every cooperation possible will be offered to delinquents but no concessions will be made which would penalize the prompt

taxpayer. I realize that economic conditions are responsible for much of the delinquency and will be sympathetic with those who show any effort to work out a plan of payments. The task of tax collector is not a pleasant one but a necessary function if the credit of Boston is to be maintained.

G. Relief for the Unemployed.

We have already commenced on a new program of work relief for the unemployed with the cooperation of the Federal Government. This program is one of useful and needed works for the city.

No effort will be spared by me in securing for Boston residents the fullest share possible of Federal funds for the relief of the unemployed and in seeing to it that those funds are devoted to worthwhile uses.

H. Port of Boston.

In my annual address to your Honorable Body in 1935 I stated:

"I shall, in addition, endeavor to upset the control of the New England railroads by the Pennsylvania Railroad and shall strive to secure local control of New England roads or in the event of national consolidation of railroads, a consolidation that will be favorable to Boston and New England to the end that the Port of Boston may become a thriving and flourishing port and receive the full benefit of its natural advantages."

Progress has been made along this line in the past year despite unexpected opposition. I shall continue the struggle against outside domination of our railroads during the coming year and continue to lend full support and assistance to the efforts of the Boston Port Authority in building the business of our port.

Conclusion.

Gentlemen, I have discussed at some length the accomplishments of the first two years and the problems, past and present, of our city. The City of Boston is a great public service corporation, the activities of which touch every phase of social and economic life in the community and are vital to the welfare of every inhabitant. Boston has much to boast of, yet we must not assume that it can exist on its accomplishments. I intend to follow, and I am sure you will join in following, a positive program which will recognize the problems facing us and meet them squarely. It is our first responsibility to see that every aid is extended to improve the government of this city. Improved government will aid business. Better business means a progressive Boston.

Boston must go forward or backward. The direction rests partially in our hands. Each of us must do our part and ask all others to cooperate in the endeavor and in a united effort to make Boston a better place in which to live and work. (Applause.)

The reading of the Mayor's message commenced at 10.19 a. m. and ended at 10.55 a. m.

After the Mayor and suite had retired from the chamber, the Council was called to order by Chairman GALLAGHER, as follows:

The Council will be in order, and the clerk will call the roll to ascertain the presence of a quorum. The clerk called the roll, and all the members except Coun. Peter A. Murray and Coun. Shattuck were found to be present.

Chairman GALLAGHER—The Chair awaits the pleasure of the Council.

ADOPTION OF TEMPORARY RULES.

Coun. DOWD offered the following:
Ordered, That the rules of the City Council of 1935, except Rule 34, be adopted as the rules of this body until permanent rules are adopted.
The order was passed.

ELECTION OF PRESIDENT.

Coun. KERRIGAN—Mr. Chairman, I make a motion that we proceed to elect a president for the year 1936.

Coun. Kerrigan's motion was carried, and the clerk called the roll on election of President, with the following result:

For John I. Fitzgerald: Coun. Agnew, Dowd, Finley, John I. Fitzgerald, Peter J. Fitzgerald, Gallagher, Gleason, Kerrigan, Kilroy, Roberts, Rosenberg, Selvitella, Wilson—13.

For Martin H. Tobin—Coun. Brackman, Doherty, McGrath, Mellen, George A. Murray, Norton, Tobin—7.

Chairman GALLAGHER—John I. Fitzgerald has received thirteen votes, Martin H. Tobin seven, and Councilor Fitzgerald is elected President of the City Council for the year 1936. (Applause.)

Chairman GALLAGHER appointed Coun. Kerrigan and Coun. Peter J. Fitzgerald a committee to escort the newly elected president to the chair, and they performed the duty assigned.

President FITZGERALD—The Council will be in order. There is a paper from his Honor the Mayor.

LOANS IN ANTICIPATION OF TAXES.

The following was received:

City of Boston,
Office of the Mayor, January 6, 1936.
To the City Council.
Gentlemen,—In accordance with the established practice of introducing at the first meeting of the

Council in each year an order authorizing the borrowing from time to time during the year of temporary loans in anticipation of taxes, I submit herewith an order authorizing the city treasurer to issue and sell during the current financial year temporary notes or certificates of indebtedness of the city to the amount of \$40,000,000. This amount is \$12,000,000 less than the total authorized by the City Council for the year 1935, and \$4,500,000 less than the actual total of temporary loans issued during that year.

I respectfully recommend the adoption of this order by your Honorable Body.

Respectfully,
FREDERICK W. MANSFIELD, Mayor.

Ordered, That to provide temporarily money to meet the appropriations for the financial year 1936, the City Treasurer issue and sell, at such time and in such amounts as he may deem best, notes or certificates of indebtedness of the City of Boston not exceeding \$40,000,000 in the total, in anticipation of the taxes of the current municipal year; that all such notes or certificates of indebtedness be dated the day the money for the same is received, be made payable with the interest thereon within one year of their date and bear interest from their date until the same are made payable at such rate as the City Auditor, the City Treasurer, and the Mayor may determine.

The rule was suspended and the order was given its first reading and passage, yeas 20, nays 0.

LOAN ORDERS FOR P. W. A. PROJECTS.

The following was received:

City of Boston,
Office of the Mayor, January 6, 1936.
To the Honorable the City Council.

Gentlemen,—Your Honorable Body has passed orders approving, and loan orders, for each of the following P. W. A. projects:

1. Construction and equipping of additions and alterations to English High School, including cafeteria (P. W. A. Docket No. Mass. 1092); and
2. Reconstruction of water pipe trestle at Chelsea North Bridge, including demolition of present structure and relaying of pipe (P. W. A. Docket No. Mass. 1123).

Said orders have been approved by me; and said projects have been approved by the Emergency Finance Board and the Governor.

The city has received offers by the United States of America to aid in financing the construction of each of the above projects by making grants to the City of Boston in the amount of 45 per cent of the cost of each of such projects, but not to exceed, in any event, the following respective amounts:

1. Additions and alterations to English High School.....\$48,825
2. Water pipe trestle at Chelsea North Bridge.....14,490

I am transmitting herewith to your Honorable Body the following:

1. Copy of offer by the United States of America.
2. Copy of rules and regulations (P. W. A. Form No. 179); and
3. Form of order of acceptance of said offer relating to each of the above projects.

Because prompt action is necessary to obtain the initial payment on account of the grant by the United States of America and to commence with the work on the above projects, I urgently recommend prompt consideration and passage by you of the accompanying orders.

Respectfully,
FREDERICK W. MANSFIELD, Mayor.

Ordered, That the offer of the United States of America to the City of Boston to aid by way of grant in financing the reconstruction of water pipe trestle at Chelsea North Bridge, including demolition of present structure and relaying of pipe, a copy of which offer reads as follows:

"Federal Emergency Administration of Public Works.
Washington, D. C., December 11, 1935.
State File No. Mass. 1123.

City of Boston,
Boston, Suffolk County, Massachusetts.

Subject to the Rules and Regulations (P. W. A. Form No. 179, July 22, 1935, as amended to date) which are made a part hereof, the United States of America hereby offers to aid in financing the reconstruction of water pipe trestle at Chelsea North Bridge, including demolition of present structure and relaying of pipe (herein called the "Project") by making a grant to the City of Boston in the amount of 45 per cent of the cost of the Project upon completion, as determined by the Federal Emergency Administrator of Public Works, but not to exceed, in any event, the sum of \$14,490.

UNITED STATES OF AMERICA,
Federal Emergency Administrator of Public Works.
by HORATIO B. HACKETT,
Assistant Administrator."

be and the same is hereby in all respects accepted.
And Further Ordered, That said City of Boston agrees to abide by all the rules and regulations

relating to such grant, a copy of which rules and regulations were annexed to the Government's offer and made a part thereof.

Ordered, That the offer of the United States of America to the City of Boston to aid by way of grant in financing the construction and equipping of additions and alterations to English High School, including cafeteria, a copy of which offer reads as follows:

"Federal Emergency Administration of Public Works.
Washington, D. C., December 11, 1935.
State File No. Mass. 1092.

City of Boston,
Boston, Suffolk County, Massachusetts.

Subject to the Rules and Regulations (P. W. A. Form No. 179, July 22, 1935, as amended to date) which are made a part hereof, the United States of America hereby offers to aid in financing the construction and equipping of additions and alterations to English High School, including cafeteria (herein called the "Project") by making a grant to the City of Boston in the amount of 45 per cent of the cost of the Project upon completion, as determined by the Federal Emergency Administrator of Public Works, but not to exceed, in any event, the sum of \$48,825.

UNITED STATES OF AMERICA,
Federal Emergency Administrator
of Public Works.
by HORATIO B. HACKETT,
Assistant Administrator."

be and the same is hereby in all respects accepted.
And Further Ordered, That said City of Boston agrees to abide by all the rules and regulations relating to such grant, a copy of which rules and regulations were annexed to the Government's offer and made a part thereof.

The orders were severally passed, yeas 20, nays 0.

FREE MILK FOR UNDERNOURISHED CHILDREN.

Coun. GLEASON offered the following:
Ordered, That the Overseers of Public Welfare, through his Honor the Mayor, be requested to resume the distribution of free milk to the undernourished children of Boston.

The order was passed under a suspension of the rule.

ACTING STATISTICS TRUSTEE.

Notice was received of the appointment by the Mayor of Walter A. Murray to be an acting member and chairman of the Statistics Trustees.
Placed on file.

APPOINTMENT OF SPECIAL COMMITTEES.

Coun. DOWD offered the following:
Ordered, That special committees to consider the subjects named in the title of the committee be appointed by the President, viz.:

- Constables, three members.
- Unclaimed Baggage, three members.
- License Fees, five members.
- Hospitals, five members.
- Parks and Playgrounds, five members.
- Public Safety, five members.
- Public Welfare, five members.
- Municipal Lighting, five members.
- Tax Title Property, five members.

Passed under suspension of the rule.

AMBULANCE STATION, CHARLESTOWN.

Coun. MELLEN offered the following:
Ordered, That the City Hospital Trustees, through his Honor the Mayor, be requested to establish an ambulance station in the Charlestown district.

The order was passed under a suspension of the rule.

REFERENCE OF 1935 MATTERS.

Coun. BRACKMAN offered the following:
Ordered, That all matters referred to this City Council by the City Council of 1935 be referred to the appropriate committees of this body, when appointed.

Passed under suspension of the rule.

PAYMENT TO DAVID McDONALD.

Coun. TOBIN offered the following:
Resolved, That the City Council of Boston hereby favors the enactment of legislation authorizing said city to pay a sum of money to the mother of David McDonald, who was killed by a police officer of said city, provided that such legislation includes a referendum to the Mayor and City Council.
Passed.

COMMITTEE ON RULES

Coun. WILSON offered the following:
Ordered, That a committee of five members be appointed by the President to prepare and report rules for the proceedings of the City Council.

Filed under suspension of the rules, and President FITZGERALD later appointed Coun. Wilson, Gallagher, Kennedy, Peter J. Fitzgerald and Agnew as committee.

CHAIRMAN OF EXECUTIVE COMMITTEE.

President FITZGERALD appointed Coun. Gallagher chairman of the Executive Committee.

BIDS ON WEST ROXBURY ASH-REMOVAL CONTRACT.

Coun. NORTON offered the following:

Ordered, That the Mayor of Boston be requested to consider the advisability of throwing out all bids on the West Roxbury ash and garbage removal contract and ordering new bids in view of the allegations made public in regard to said bid.

Coun. FINLEY—Mr. President, may I ask at this time that that order be referred to the Executive Committee?

The order was referred to the Executive Committee.

SCHOOL COMMITTEE ELECTION.

Coun. NORTON offered the following:

Ordered, That the Mayor be requested to consider the advisability of requesting the Legislature to consider the matter of holding a new election for the Boston School Committee in November, 1936, in view of the recent report of the Suffolk County Grand Jury.

President FITZGERALD—The order will be referred to the Committee on Rules, under Rule 12.

Coun. NORTON—Mr. President—

President FITZGERALD—No debate is in order.

Coun. NORTON—Mr. President, I think I have a right to discuss this order at the present time.

President FITZGERALD—You can ask unanimous consent to make a statement.

Coun. NORTON—Mr. President, I will ask, then, unanimous consent to make a statement at this time.

President FITZGERALD—Is there objection?

Coun. AGNEW—Mr. President, I object to debate on that order.

Coun. NORTON—Mr. President, this is simply an order, I might say—

President FITZGERALD—The gentleman is out of order. It is against the rules unless Councilor Agnew withdraws his objection.

CARETAKER FOR FENNO ESTATE.

Coun. BRACKMAN offered the following:

Ordered, That his Honor the Mayor be requested to instruct the Public Buildings Commissioner to place a caretaker in charge of the so-called Fenno estate in Roxbury.

The order was passed under suspension of the rule.

Coun. GALLAGHER in the chair.

On motion of Coun. FINLEY the Council adjourned at 11.55 a. m., to meet on Monday, January 13, 1936, at 2 p. m.

Tuesday, January, 7, 1936.

Special meeting of the City Council in the Council Chamber, City Hall, at 2 p. m., for the purpose of drawing jurors.

President FITZGERALD presided, and a quorum was present.

In the absence of the Mayor, the President appointed Coun. Selvetti and Kerrigan to preside at the jury box.

Jurors were drawn as follows:

Sixteen additional traverse jurors, Superior Criminal Court, to appear January 13, 1936:

Edward T. Connolly, Ward 1; Henry DeAngelis, Ward 1; David H. Mitchell, Ward 2; Leroy F. Wylie, Ward 6; George A. Heger, Ward 7; Joseph Petkus, Ward 11; David Diamond, Ward 14; Harry Sanders, Ward 14; John A. Bruce, Ward 18; Morris Sanderson, Ward 18; Robert L. Hunter, Ward 20; Thomas J. Tobin, Ward 20; Frank E.

Kentey, Ward 21; Howard A. Hammond, Ward 22; William W. Johnston, Ward 22; Edward C. McNulty, Ward 22.

Eighty-two traverse jurors, Superior Criminal Court, to appear February 3, 1936:

John Famolare, Ward 1; John A. Hanley, Ward 1; William L. McDonald, Ward 1; Frank A. Perry, Ward 1; Joseph J. Cavanaugh, Ward 2; Michael J. Clanchy, Ward 2; John C. Crowley, Ward 2; Robert M. Daley, Ward 2; John F. Flynn, Ward 2; Michael Bevilacqua, Ward 3; Michael Tedesco, Ward 3; Percy C. Simmons, Ward 5; Joseph S. Oliver, Ward 6; James J. Bresnahan, Ward 7; Bartholomew J. Connolly, Ward 7; Joseph R. Fallon, Ward 7; William E. Kolarik, Ward 7; Edward J. Moore, Ward 7; David Peters, Ward 7; Thomas W. Deltufo, Ward 8; Horace H. Norton, Ward 8; James O'Connor, Ward 8; William H. Rupert, Ward 8; Edward J. Tibbetts, Ward 8; Raymond Goes, Ward 9; Donald P. MacRae, Ward 9; Benjamin Hershoff, Ward 10; Peter J. Kilday, Ward 10; Harry F. Lougee, Ward 10; Harold O. Venstrom, Ward 10; Frank P. Broderick, Ward 11; Francis P. Heaney, Ward 11; Frank J. McCarthy, Ward 11; Albert Neale, Ward 11; James P. Tierney, Ward 11; Thomas S. Runci, Ward 11; James J. Welch, Ward 11; Angus Cameron, Ward 13; Joseph A. Curran, Ward 13; Thomas H. Berch, Ward 14; Morris Trainor, Ward 14; John H. Burke, Ward 15; Andrew T. McFarland, Ward 15; Stanley F. O'Kane, Ward 15; William D. Renner, Ward 15; Earle R. Roswell, Ward 15; Charles W. Savage, Ward 15; Judah E. Bellows, Ward 16; Percy W. Glover, Ward 16; Charles T. Graney, Ward 16; Patrick Lonergan, Ward 16; Charles F. McGrath, Ward 16; Thomas A. O'Rourke, Ward 16; George H. Roberts, Ward 16; Lester P. Sherman, Ward 16; Patrick J. Brennan, Ward 17; John J. Lombard, Ward 17; Charles D. Styrnbrough, Ward 17; William Wilson, Ward 17; Carl A. Anderson, Ward 18; Hans C. Hall, Ward 18; John F. Kennedy, Ward 18; Henry W. Konetsky, Ward 18; Percival A. Littlefield, Ward 18; William H. Monarch, Ward 18; Bernard Silber, Ward 18; Victor Weiman, Ward 18; John A. Hofing, Ward 19; Otto Koenig, Ward 19; Albert E. Sprague, Ward 19; Earl A. Carvill, Ward 20; Albert B. Crawford, Ward 20; John E. Eckberg, Ward 20; George R. McNeil, Ward 20; Francis B. Nolan, Ward 20; Eric Olson, Ward 20; Gustave W. Priesing, Ward 20; A. Russell Robertson, Ward 20; Leonard H. Travis, Ward 20; George E. Crosby, Ward 21; Eugene S. Howe, Ward 21; Charles Robinson, Ward 21.

Ninety-eight traverse jurors, Superior Civil Court, to appear February 3, 1936:

Wilfred M. Culleton, Ward 1; Leo Duval, Ward 1; James Boushell, Ward 2; Richard F. Crowley, Ward 2; Timothy J. Doherty, Ward 2; Francis L. Hawkins, Ward 2; Frank A. Hinde, Ward 2; Thomas Reddy, Ward 2; Generoso Fuaco, Ward 3; Eugene Massolini, Ward 3; John J. Minot, Ward 3; Michael Tiorano, Ward 3; James J. Crowley, Ward 4; Charles M. Carney, Ward 5; Sylvester S. Gioia, Ward 6; Roland G. Glazier, Ward 6; Daniel G. Kendrick, Ward 6; James J. Ryan, Ward 6; James F. Shea, Ward 6; Richard G. Clayton, Ward 7; Louis F. Kunz, Ward 7; Leo J. Muller, Ward 7; David Norton, Ward 7; Albert J. Walter, Ward 7; Thomas H. Brown, Ward 8; Peter J. Griffin, Ward 8; Arthur F. Kucherer, Ward 8; Thomas J. McGrail, Ward 8; John L. Powers, Ward 8; Leo F. Walsh, Ward 8; George R. Bell, Ward 9; Herbert J. Salter, Ward 9; William Shaw, Ward 9; Frank J. Kummel, Jr., Ward 10; Theodore R. Douglas, Ward 11; Jacob Gateman, Ward 11; Percy R. Nelson, Ward 11; Chalmers F. Pray, Ward 11; Patrick Smith, Ward 11; Daniel J. Coffey, Ward 12; Abraham Cohen, Ward 12; Frederick E. Hall, Ward 12; Barney John Harris, Ward 12; Hugh J. Coyne, Ward 13; Robert J. Kates, Ward 13; Joseph P. Kerrigan, Ward 13; Hugh F. Mains, Ward 13; Benjamin Welansky, Ward 13; John Middleton, Ward 14; Arthur W. Pearce, Ward 14; Matthew V. Ward, Ward 14; Patrick J. Kennedy, Ward 15; Robert V. Leonard, Ward 15; Frederick N. Worthen, Ward 15; Axel F. Floodstrom, Ward 16; John T. Kennedy, Ward 16; Charles E. Mann, Ward 16; John F. O'Brien, Ward 16; Daniel S. O'Neill, Ward 16; Maurice P. Broderick, Ward 17; Louis N. Daum, Ward 17; George T. Day, Ward 17; John Dolan, Ward 17; James A. McGuire, Ward 17; James Ironside, Ward 17; Harry Wasserman, Ward 17; Karl W. Battis, Ward 18; Lawrence Cataldo, Ward 18; Harold F. Dwyer, Ward 18; Joseph F. Forsyth, Ward 18; Justus A. Hatfield, Ward 18; Reginald L. Howard, Ward 18; Daniel B. O'Shea, Ward 18; Robert J. Zinck, Ward 18; Clarence M. Carlson, Ward 19; Thomas H. Donnelley, Ward 19; Carl Kornatis, Ward 19; Carl O. Roemer, Ward 19; Samuel C. Alexander, Ward 20; Harrison A. Cutts, Ward 20; William F. Draheim, Ward 20; John E. Dunn, Ward 20; Emil Fiebelkon, Ward 20; James T. Forgie, Ward 20; Joseph H. Fruh, Ward 20; James R. Haigh, Ward 20; August R. Johnson, Ward 20; Martin Kelly, Ward 20; Frederick J. Mueller, Ward 20; Frederick H. Schlichting, Ward 20; William J. Doube, Ward 21; Philip S. Silbert, Ward 21; William J. Campbell, Ward 22; Reuben C. Gardeth, Ward 22; W. Irving Monroe, Jr., Ward 22; John G. Murray, Ward 22; Roy B. Steward, Ward 22; Harry M. White, Ward 22.

The drawing having been completed, the Council adjourned at 2.44 p. m., to meet on Monday, January 13, 1936, at 2 p. m.

LAND-TAKING IN WEST ROXBURY.

The Mayor has approved the order of the Board of Street Commissioners for the taking of land for a public improvement, consisting of the discontinuance of a part of Dwinell street, West Roxbury district, as a highway, at junction of Addington road, bounded and described as follows:

A part of the highway named Dwinell street is hereby discontinued at junction of Addington road.

Said part of said highway as hereby discontinued is bounded:

Easterly and northerly lines of said Dwinell street as hereby discontinued, sixty-one and 35-100 feet on a curve of twenty-one and 68-100 feet radius; southeasterly by the northwesterly line of said Dwinell street as hereby established, thirty-eight feet; southerly and westerly by the northerly and easterly lines of said Dwinell street as hereby established, forty-four and 46-100 feet on a curve of fifteen and 71-100 feet radius; and northwesterly by the southeasterly line of Addington road as hereby established, thirty-eight feet.

Voted, That this Board determines that no person sustains damages in his estate by the making of the public improvement, consisting of the discontinuance of a part of Dwinell street, West Roxbury district, as a highway, at junction of Addington road, under the order of the Board of January 10, 1936, and awards no damages therefor.

CONSTRUCTION WORK.

The Mayor has approved the request of the Public Works Department for the following construction work:

A surface drain of 18-inch pipe and seven catch-basins (W. P. A. Project 65-14-4953, Work Project 5770) in Fairmount avenue, between Highland street and Summit street, in the Hyde Park district, at an estimated cost of \$20,000.

NO COST CONTROL FOR REFUSE DISPOSAL.

American cities on the whole may be clean housekeepers, but they don't know how much it is costing them to be clean or whether they are spending too much. Only a few cities are able to report accurately the unit cost of removing garbage and other refuse and of cleaning streets, according to the Public Administration Service of Chicago, Ill., which further reports that at least 90 per cent of the cities in this country have no cost control over this service.

RELIEF-ROLL EMPLOYEES FOR SNOW REMOVAL.

It was good news to cities throughout the country when the Federal Emergency Relief Administration notified State Emergency Relief Administrations that men on relief rolls might be used for snow-removal projects in all communities where there was need for such labor. This action gave work to thousands of men who were in urgent need of help, and at the same time it aided materially in keeping streets and sidewalks open for traffic in many communities where street cleaning departments were financially unable to cope with the storm.

CIVIL SERVICE EXAMINATIONS. (STATE.)

STATE EXAMINERS OF ELECTRICIANS.
Examinations, 1936.

Examinations will be held at the following points and on the following dates:

Boston, Monday, February 3.
Worcester, Wednesday, February 5.
Boston, Monday, March 2.
Fall River, Wednesday, March 4.
Fall River, Thursday, March 5.
Boston, Monday, April 6.
Springfield, Wednesday, April 8.
Boston, Monday, May 4.
Worcester, Wednesday, May 6.
Boston, Monday, June 8.
Boston, Monday, September 14.
Worcester, Wednesday, September 16.
Springfield, Thursday, October 15.
Pittsfield, Friday, October 16.
Boston, Monday, November 2.
Lowell, Wednesday, November 4.
Boston, Monday, December 7.
New Bedford, Wednesday, December 9.
New Bedford, Thursday, December 10.

Rules for Examinations.

All examinations shall be given in English.

Applicants for Class B or journeyman's certificate must be at least eighteen years of age and have had at least two years' practical experience or the equivalent in the installation of wires, conduits, apparatus, fixtures and other appliances for carrying or using electricity for light, heat or power purposes.

Applicants for Class A or master's certificate must be at least twenty-one years of age and have had at least two years' experience in the business of installing wires, conduits, apparatus, fixtures and other appliances for carrying or using electricity for light, heat or power purposes.

Examinations shall consist of applicant's knowledge of the National Electrical Code and practical electrical work.

All persons desiring to be examined, either for a master or journeyman certificate, shall have application on file at least ten days previous to the date of such examination.

Applicants for examination will be required to obtain at least 70 per cent in order to obtain a certificate.

Applicants who fail to obtain the required 70 per cent will not be entitled to re-examination until a period of three months has elapsed, and those who receive less than 50 per cent, or who fail on the practical demonstration, will not be re-examined for a period of six months.

Any person found referring to notes or books, or misbehaving during an examination, will be debarred from that examination.

Notice will be sent to applicants for certificates when and where examination will be held and only those so notified will be examined on that day.

URBAN POPULATION, APRIL 1, 1930.

As defined by the Census Bureau, the urban population is, in general, that residing in cities and other incorporated places having 2,500 inhabitants or more, the remainder being classified as rural.

The total urban population of the UNITED STATES is 68,954,823 (34,154,760 males and 34,800,063 females), of whom 62,836,605 (31,162,570 males and 31,674,035 females) are white; of these whites 52,109,746 (25,520,483 males and 26,589,263 females) are native; 33,497,232 (16,515,816 males and 16,981,416 females) of these latter are of native parentage and 18,612,514 (9,004,667 males and 9,607,847 females) are of foreign or mixed parentage; there are 10,726,859 (5,642,087 males and 5,084,772 females) foreign-born white; there are 5,193,913 (2,479,158 males and 2,714,755 females) Negroes; other races, 924,305 (513,032 males and 411,273 females).

The urban population is 56.2 per cent of the total population of the country; native white, 54.6 per cent and foreign-born white, 80.3 per cent; Negroes, 43.7 per cent.

The total urban population of New England is 6,311,976 or 77.3 per cent of the total population of New England. Of the 4,660,339 native white, 2,089,031 are of native parentage and 2,571,308 are of foreign or mixed parentage; foreign-born whites number 1,564,769; Negro, 81,443; other races, 5,425.

GOVERNMENT REPORTS ON ELECTRIC RATES.

Two government bodies reported on electric rates in February. Indeed, the joint legislative committee of New York included gas as well as power and light rates, finding them all unfavorable to the consumer. This was on February 15, and twelve days prior to this the Electric Rate Survey of the Federal Power Commission made public a set of comparative tables showing the widely differing rates effective on January 1, 1935, in the 191 cities of 50,000 or more, constituting 49 per cent of the residential customers in the United States. All communities of 1,000 or more will eventually be covered by June 30 next.

This latter survey, under the direction of William E. Mosher, shows that cities owning their own plants charge less than do the commercial utilities. In cities of 100,000 or more having the lowest rates, this was invariably the case. In these cities where rates were highest, Jacksonville was the only municipally served city.

CITY OF BOSTON.

ASSESSING DEPARTMENT.

TO TAXPAYERS.

ASSESSORS' NOTICE, CITY HALL ANNEX,
BOSTON, January 1, 1936.

Attention is called to the Assessors' Notice posted upon City Hall and various other places throughout the city, relative to making returns on personal property subject to taxation. Returns should be made not later than February 15.

TIMOTHY W. MURPHY,
MICHAEL J. BROPHY,
Assessors of Boston.

(Jan. 4-11-18-25—Feb. 1-8-15.)

CITY OF BOSTON.

SUPPLY DEPARTMENT.

PROPOSALS FOR TOILET PAPER.

The Supply Department of the City of Boston invites proposals for furnishing toilet paper to the various city departments. The bidder must use the form of proposal to be obtained at the office of the Superintendent of Supplies, 801 City Hall Annex, and the successful bidder must furnish a bond for one quarter the total estimated amount of the bid with a surety company authorized to do business in Massachusetts as surety for the faithful performance of the contract. There will be a charge of twenty cents (\$0.20) for each blank proposal taken out. The bid, with a certified check for \$300, payable to and to become the property of the City of Boston if the proposal is not carried out, must be left at the office of the Superintendent of Supplies, before 12 m., Monday, January 27, 1936, at which time and place they will be publicly opened and read. A duplicate bid, without check, must be left at the office of the City Auditor prior to the time named for opening bids. The Superintendent reserves the right to accept or reject any or all bids, or any part of a bid, and to award the contract as he deems for the best interests of the city. All contracts made subject to appropriations to meet payments thereunder.

D. FRANK DOHERTY,
Superintendent of Supplies.

(Jan. 18.)

CITY OF BOSTON.

SUPPLY DEPARTMENT.

PROPOSALS FOR FURNISHING UNIFORMS TO THE FIRE DEPARTMENT.

The Supply Department of the City of Boston invites proposals for furnishing to the Fire Department, Bristol street, uniforms, as per specifications to be obtained at the Supply Department, Room 801, City Hall Annex. There will be a charge of twenty cents (\$0.20) for each blank proposal taken out. Delivery to be made as required. The bidder must use the form of proposal to be obtained at said office, and the successful bidder must furnish a bond for one quarter the total estimated amount of the bid with a surety company authorized to do business in Massachusetts as surety for the faithful performance of the contract. Bids, with a certified check for \$200, payable to and to become the property of the City of Boston if the proposal is not carried out, must be left at the office of the Superintendent of Supplies, Room 801, City Hall Annex, before 12 m., Thursday, January 30, 1936, at which time and place the bids will be publicly opened and read. A duplicate bid, without check, must be left at the office of the City Auditor prior to the time named for opening bids. The Superintendent reserves the right to accept or reject any or all bids, or any part of a bid, and to award the contract as he deems for the best interests of the city. All contracts made subject to appropriations to meet payments thereunder.

CITY OF BOSTON.

SUPPLY DEPARTMENT.

PROPOSALS FOR PIG LEAD.

The Supply Department of the City of Boston invites proposals for furnishing pig lead, as required, to the various city departments. The bidder must use the form of proposal to be obtained at the office of the Superintendent of Supplies, Room 801, City Hall Annex, and the successful bidder must furnish a bond for one quarter the total estimated amount of the bid with a surety company authorized to do business in Massachusetts as surety for the faithful performance of the contract. There will be a charge of twenty cents (\$0.20) for each blank proposal taken out. The bid, with a certified check for \$200, payable to and to become the property of the City of Boston if the proposal is not carried out, must be left at the office of the Superintendent of Supplies before 12 m., Wednesday, January 29, 1936, at which time and place they will be publicly opened and read. A duplicate bid, without check, must be left at the office of the City Auditor prior to the time named for opening bids. The Superintendent reserves the right to accept or reject any or all bids, or any part of a bid, and to award the contract as he deems for the best interests of the city. All contracts made subject to appropriations to meet payments thereunder.

D. FRANK DOHERTY,
Superintendent of Supplies.

THE SCHOOL COMMITTEE OF THE CITY OF BOSTON.

ADMINISTRATION BUILDING, 15 BEACON STREET, OFFICE OF THE BUSINESS MANAGER.

PROPOSALS FOR REBINDING BOOKS FOR THE BOSTON PUBLIC SCHOOLS.

The School Committee of the City of Boston invites bids on rebinding approximately 40,000 books. Proposal forms are obtainable at the office of the Business Manager of the School Committee, tenth floor, 15 Beacon street. Envelopes containing proposals must be sealed and plainly marked "Proposal for Rebinding Books." The bid must be in duplicate. One copy signed by the bidder and accompanied by a certified check for \$100, payable to the City of Boston, must be left at the office of the Business Manager on or before 12 o'clock m. on Tuesday, January 28, 1936. Copies filed with the Business Manager will be publicly opened and read at 12 o'clock m. of the day stated. The other copy also signed by the bidder, must be filed with the City Auditor, City Hall, Boston, Mass., previous to the time named for the opening of the bids. The School Committee reserves the right to reject any or all bids and to accept such bid as may be deemed best for the interests of the city. The successful bidder will be required to furnish a bond for not less than 50 per cent of the estimated amount of the contract.

ALEXANDER M. SULLIVAN,

INSTITUTIONS DEPARTMENT.

PROPOSALS FOR ERECTING FIRE ESCAPES AT LONG ISLAND HOSPITAL, BOSTON HARBOR.

The Commissioner of Institutions of the City of Boston invites proposals for erecting fire escapes at Long Island, Boston Harbor. A bond will be required for doing the work of a surety company approved by the Commissioner in the sum of 100 per cent of the contract price, to secure the due performance of the contract and the full protection of the city. Forms of proposals may be obtained at Room 809, City Hall Annex. Each proposal should be enclosed in an envelope, sealed, marked "Proposal for Erecting Fire Escapes at Long Island, Boston Harbor," and left at Room 809, City Hall Annex, before 12 m. of Tuesday, January 28, 1936, with a certified check for two hundred (200) dollars, payable to and to become the property of the city if the proposal, after acceptance, is not carried out. The proposals will then and there be publicly opened and read. Proposals must be made in duplicate, the sealed duplicate, without check, to be deposited by the bidder with the City Auditor previous to the time named for opening the bids. The Commissioner reserves the right to reject any or all proposals or to award the contract as he deems best.

The rate per hour of the wages to be paid to mechanics, teamsters, chauffeurs and laborers in the work to be performed under the contract shall not be less than the rate of wages in the schedule determined by the Commissioner of Labor and Industries of the Commonwealth, a copy of which schedule is annexed to the form of contract referred to herein. Copies of said schedule may be obtained without cost, upon application therefor at the office of the Institutions Department, Room 809 City Hall Annex.

CITY RECORD

OFFICIAL CHRONICLE OF BOSTON MUNICIPAL AFFAIRS.

VOL. 28.

SATURDAY, JANUARY 25, 1936.

No. 4

MAYOR MANSFIELD PRESENTS TO GENERAL COURT SEVERAL MEASURES SEEKING BETTER GOVERNMENT FOR BOSTON — AMONG BILLS LISTED ARE: ONE TO TAX FEDERAL LAND WHICH WAS CONSTITUTIONALLY EXEMPT; ANOTHER FOR NAMING OF POLICE COMMISSIONER BY MAYOR; ABOLITION OF TAX LIMIT; REIMBURSEMENT OF CITIES AND TOWNS FOR WELFARE AND RELIEF DISBURSEMENTS — FOR STUDY OF COUNTY GOVERNMENT; FOR RELOCATING BOUNDARY LINES FOR SUFFOLK COUNTY WITH CHELSEA, REVERE AND WINTHROP OUT, AND ALSO A MEASURE SEEKING A GREATER BOSTON UNDER A BOROUGH SYSTEM — UNPAID COMMISSIONS WOULD STUDY AND RECOMMEND ON THESE SUBJECTS IF LAWS ARE PASSED.

The following is a list of and brief statement concerning legislation petitioned for before the General Court by the Mayor of Boston, January 9, 1936:

A. Taxation of Federal Land Not Constitutionally Exempt.

AN ACT RELATIVE TO PROPERTY EXEMPT FROM TAXATION.

Note.— The present statutes of the Commonwealth exempt from local property taxation all property of the United States. Taxation by cities and towns of Federal land owned and used for housing projects is thus rendered impossible. This creates a danger of withdrawing substantial amounts of property from taxation and increases the burden of other property owners. The petition seeks legislation abolishing the statutory exemption and leaving subject to local taxation Federal property which is not exempt under the Federal Constitution from taxation.

B. Police Commissioner to be Appointed by the Mayor.

AN ACT PROVIDING FOR THE APPOINTMENT BY THE MAYOR OF A POLICE COMMISSIONER FOR THE CITY OF BOSTON.

Note.— Petition seeks legislation giving the Mayor of Boston power to appoint a Police Commissioner for the city.

C. Abolishing of City Tax Limit and Veto Power Over School Appropriations.

AN ACT ABOLISHING TAX AND SCHOOL APPROPRIATION LIMITS FOR THE CITY OF BOSTON.

Note.— This petition seeks legislation abolishing City of Boston tax limit and the School Committee appropriation limit; leaves appropriating powers for school purposes in the School Committee but provides that the Mayor shall have the same power of veto of school appropriations that he has over appropriations by the City Council.

D. Reimbursement of Cities and Towns for Welfare and Other Relief Disbursements.

AN ACT RELATIVE TO THE REIMBURSEMENT OF CITIES AND TOWNS FOR AID, SUPPORT AND RELIEF GIVEN BY THEM TO CERTAIN AGED CITIZENS AND OTHER PERSONS.

Note.— Petition seeks legislation dividing the burden of carrying welfare and other relief disbursements to persons having settlements in the Commonwealth equally between the cities and towns where such persons have their settlements and the Commonwealth. The purpose of the suggested change is to relieve in part real estate of the burden of relief which it now bears.

E. Discount for Early Tax Payments.

AN ACT RELATIVE TO THE ALLOWANCE OF DISCOUNT ON TAXES PAID BEFORE THE DATE UPON WHICH INTEREST BECOMES PAYABLE FOR THE NONPAYMENT THEREOF.

Note.— Petition seeks legislation allowing cities and towns to give a discount for prepayment of taxes for the purpose of inducing early payment and thus to lessen the amount of interest which cities and towns must pay on temporary loans.

(Continued on page 79.)

"O Boston, fair City enthroned like a radiant queen,
From thy hills looking down on the ship-teeming plain of the ocean,
May thy future be bright, thy skies beam with light all serene,
Ensured by thy sons' and thy daughters' unselfish devotion!"

From Boston Centennial Poem by
NATHAN HASKELL DOLE.

CITY RECORD.

Published weekly under legislative act by the City of Boston, Massachusetts.

STREET AGENCIES

Old South News-Stand, Old South entrance to subway.

Advertising.

A rate of \$2 per inch of 12 lines (set solid) has been established for such advertisements as under the law must be printed in the *City Record*. Advertising and other copy must be in hand by Thursday of each week to insure its publication in the Saturday issue.

Copies for sale at the Statistics Department, Room 73, City Hall.

MUNICIPAL CALENDAR.

Meeting of the City Council Monday, January 27, 1936, at 2 p. m.

Meetings of the Transit Department are held on Monday and Thursday of each week at 11 a. m.

Board of Zoning Adjustment. Public hearings and executive meetings are held on the first Friday of each month, Room 30, City Hall, at 2 p. m.

MUNICIPAL SERVICE.

Complaints, inquiries or suggestions regarding the work of municipal departments should be made in writing to the officials directly in charge. The failure of such official to make reply within a reasonable length of time should be brought to the attention of the Mayor. Communications should be directed as follows:

To THE BOARD OF STREET COMMISSIONERS, Room 401, City Hall Annex, for information relative to the laying out, relocation, widening and the discontinuance of highways; the taking of real property for municipal purposes; the assessments of betterments for streets and sewers; the plotting of undeveloped area for streets and the opening of private ways; the granting of licenses for the storage or sale of merchandise in

public streets; the making of specific repairs in public streets; the naming of public streets; the planting and removal of trees in public ways; the issuing of licenses for the storage of gasoline, oil and other inflammable substances or explosive compounds; the use of the public ways for any permanent or temporary obstruction or projection in, under or over the same, including the location of conduits, poles and posts for telephone, telegraph, street railway or illuminating purposes, signs, marquis, bay windows, coal holes and vaults.

To THE BOSTON TRAFFIC COMMISSION, 134 North street, for information relative to regulation of vehicular street traffic on all or any streets, ways, highways, roads and parkways under the control of the City of Boston, the issuing of all permits in connection therewith.

To THE COMMISSIONER OF PUBLIC WORKS, Room 511, City Hall Annex, for information as to the watering, cleaning, lighting and repairing of streets, the construction and care of sewers and catch-basins, the operation of the ferries, the maintenance of bridges and drawbridges and the removal of ashes and offal.

To Room 604, City Hall Annex, for information relative to the supplying or metering of water and the water charges of the city.

To THE HEALTH DEPARTMENT, Room 1107, City Hall Annex, for information relative to the inspection of milk, vinegar, meat, fish and vegetables, the issuance of permits for stables, slaughter houses, etc., smoke nuisances, the existence of contagious diseases, of public health nuisances.

To THE BOARD OF PARK COMMISSIONERS, 33 Beacon street, for information as to the care of the Common, Public Garden, Franklin Park, Franklin Field, Commonwealth avenue, Back Bay Fens, Marine Park, the Airport, and the small parks and playgrounds in general throughout the city, and as to the extermination of gypsy moths and the charges made for such service. Applica-

tion may be made to this department for information regarding the public baths and gymnasiums maintained by the city, and with regard to municipal indoor concerts and band concerts, also information relative to Mt. Hope, Evergreen, Fairview and other public cemeteries owned by the City of Boston.

To THE SCHOOL COMMITTEE, 15 Beacon street, for information relative to the operation of the schools in the city.

To THE DEPARTMENT OF SCHOOL BUILDINGS, 11 Beacon street, for information as to the construction and repair of school buildings.

To THE BOARD OF EXAMINERS, Room 1001, City Hall Annex, for information regarding the licensing of persons having charge or control of the work of construction, alteration, removal or tearing down buildings.

To THE STATISTICS DEPARTMENT, Room 76, City Hall, for historical, geographical, political and population facts about Boston; the personnel and accomplishments of present and past municipal administrations; and such similar information as may be found concerning other American municipalities in its Municipal Officials' Reference Library.

To THE WIRE DIVISION OF THE FIRE DEPARTMENT, 60 Bristol street, for all information relative to the erection of poles, building of conduits, the installation of all overhead and underground construction and electrical apparatus, as well as for general information relative to the entire division. To Room 103, City Hall Annex, for permits for the installing of wires and electrical apparatus within buildings of the City of Boston, and for the payment of fees incident to the granting of the privileges above named, and which must be paid in advance.

To THE BOARD OF ZONING ADJUSTMENT, Room 30, City Hall, relative to changes in the boundary lines of zoning districts of the City of Boston as established by chapter 488 of the Acts of 1924, and amendments thereto.

MORTALITY REPORT.

For the week ending January 18, 1936:

Population as of July, 1935, Massachusetts State Census, 817,713; population estimated July, 1935, United States Census Bureau, 801,880; number of deaths (stillbirths excluded): Residents, 191; nonresidents, 44; total, 235.

Death rate per 1,000 of population: All deaths, 15.24; nonresidents deducted, 12.38.

Death rate per 1,000 of population:

Last week, 18.48; corresponding week last year, 14.98.

Deaths by age periods, sex, etc.: Under one year, 16; one year to four years, inclusive, 5; sixty years and over, 129. Total deaths: Male, 136; female, 99; deaths in hospitals and institutions, 130; deaths of colored, 9.

REPORTABLE DISEASES: CASES AND DEATHS.*

LEGISLATION PETITIONED BY MAYOR MANSFIELD.

(Continued from page 77.)

F. County.

1. RESOLVE PROVIDING FOR THE ESTABLISHMENT OF A SPECIAL UNPAID COMMISSION TO STUDY THE GENERAL SUBJECT OF COUNTY GOVERNMENT IN THE COMMONWEALTH.

Note.—Petition requests the establishment of a special unpaid commission to study the entire system of county government in the Commonwealth; to consider whether it would be in the public interest to transfer all or part of existing functions now performed by counties to the Commonwealth or to municipal governments and what methods of administrative and financial control should be adopted to promote greater efficiency and economy in the performance of functions of county government.

2. RESOLVE PROVIDING FOR THE APPOINTMENT OF A SPECIAL UNPAID COMMISSION TO STUDY THE DESIRABILITY OF RE-ESTABLISHING THE BOUNDARY LINES OF COUNTY OF SUFFOLK, BY DETACHING THEREFROM THE TERRITORIES OF THE TOWN OF WINTHROP AND THE CITIES OF REVERE AND CHELSEA.

Note.—At the present time Suffolk County is comprised of the town of Winthrop, and the cities of Chelsea and Revere and Boston. Winthrop, Chelsea and Revere derive the benefits of Suffolk County government, but the entire financial burden of the government thereof is borne by the taxpayers of Boston. This is neither just nor equitable to the taxpayers of Boston. To remedy this situation this petition requests establishment of a special unpaid commission to study desirability of detaching Winthrop, Chelsea and Revere from Suffolk County, and of attaching them to another county or counties, or creating a new county to be composed of Winthrop, Chelsea and Revere.

G. Greater Boston.

- RESOLVE PROVIDING FOR THE ESTABLISHMENT OF A SPECIAL UNPAID COMMISSION TO STUDY THE DESIRABILITY OF ENLARGING THE TERRITORIAL BOUNDARIES OF THE CITY OF BOSTON AND INCORPORATING WITH SAID CITY CERTAIN OTHER CITIES AND TOWNS, UNDER ONE MUNICIPAL GOVERNMENT OR UNDER A BOROUGH SYSTEM.

Note.—Petition seeks the establishment of a special unpaid commission to study the desirability of the creation of a greater Boston by enlarging the territorial limits of Boston, by incorporating Boston and the forty-three cities and towns of the Metropolitan district into one municipal government or under a borough system.

H. Collection of Existing Excise Taxes upon Motor Vehicles.

- AN ACT TO FACILITATE THE COLLECTION OF EXCISE TAXES ASSESSED AND LEVIED UPON MOTOR VEHICLES.

Note.—Petition seeks legislation analogous to that now in force in Connecticut which would facilitate motor vehicles excise collections. No additional tax is suggested.

I. Further Distribution of Race Track Receipts by the Commonwealth.

- AN ACT RELATIVE TO THE DISTRIBUTION TO THE CITIES AND TOWNS OF THE

RECEIPTS PAID INTO THE STATE TREASURY UNDER THE ACT AUTHORIZING THE LICENSING OF HORSE AND DOG RACES ON WHICH THE PARIMUTUEL SYSTEM OF BETTING SHALL BE PERMITTED.

Note.—Petition seeks a 50 per cent instead of the present 25 per cent distribution by the Commonwealth of such receipts collected by it.

J. Miscellaneous Special Legislation.

1. TAX LIMIT FOR 1936.

- AN ACT RELATIVE TO APPROPRIATIONS BY THE CITY OF BOSTON FOR MUNICIPAL PURPOSES.

Note.—Petition seeks the annual establishment of a tax limit for the City of Boston as a basis for appropriations for the year 1936. If the tax limit is not abolished this legislation will, of course, be necessary.

2. CIVIL SERVICE.

- AN ACT AUTHORIZING THE CITY OF BOSTON TO PROVIDE FOR THE REAPPOINTMENT TO SIMILAR POSITIONS WITHOUT CIVIL SERVICE EXAMINATION AND WITH RETENTION OF RIGHTS TO RETIREMENT WITH PENSION OF EMPLOYEES OF DEPARTMENTS ABOLISHED IN WHOLE OR IN PART.

Note.—Petition seeks legislation which would enable the City of Boston to provide in a reorganization or consolidation ordinance that all of the employees of any department or division abolished should be reappointed to similar positions with similar status in any new department or division established by the reorganization or in any existing department or division without civil service examination or enrollment.

3. PUBLICATION OF LIST OF OFFICIALS AND EMPLOYEES.

- AN ACT RELATIVE TO THE PREPARATION AND VERIFICATION OF LISTS OF OFFICIALS AND EMPLOYEES OF THE CITY OF BOSTON AND COUNTY OF SUFFOLK.

Note.—Petition seeks legislation doing away with the requirement of publishing every two years a copy of the list of officials and employees of Boston and Suffolk County. The Legislature some time ago did away with the requirement that such a list of state officials and employees be published. The requirement that such a list be published every two years involves a needless expense to the taxpayers of Boston, is never up to date, owing to the numerous changes which constantly take place, and is open to use by anyone who may desire to harass persons whose names appear therein.

4. INSPECTION OF WIRES.

- AN ACT TO FURTHER FACILITATE THE INSPECTION OF WIRES IN BUILDINGS IN THE CITY OF BOSTON.

Note.—Petition seeks legislation which will enable the Fire Commissioner to control more effectively the unpermitted use of wires for the distribution of electric current.

5. REMOVAL OF WIRES.

- AN ACT TO FURTHER PROVIDE FOR REMOVING OR PLACING UNDERGROUND CERTAIN WIRE AND ELECTRIC APPLIANCES IN THE CITY OF BOSTON.

Note.—Petition seeks legislation authorizing the Fire Commissioner to continue for five years more to remove poles from the streets of Boston and bury wires underground.

K. Miscellaneous General Legislation.

1. HEALTH REGULATIONS.

- AN ACT RELATIVE TO VIOLATIONS OF REASONABLE HEALTH REGULATIONS ADOPTED BY BOARDS OF HEALTH.

Note.—This petition seeks the enactment of legislation which will enable Boards of Health more effectively to enforce reasonable health regulations adopted by them under the provisions of section 31 of chapter one hundred and eleven of the general laws, by providing a penalty for a violation of such health regulations in cases where no such penalty is otherwise provided.

2. WELFARE MATTERS.

- (a) AN ACT REQUIRING THE FURNISHING OF INFORMATION TO LOCAL BOARDS OF PUBLIC WELFARE.

Note.—This legislation seeks an amendment of existing law so as to require employers to disclose the wages or compensation earned by persons requesting of receiving relief.

- (b) AN ACT RELATING TO THE REIMBURSEMENT OF CITIES AND TOWNS BY THE COMMONWEALTH FOR THE CARE OF SICK PERSONS.

Note.—This petition seeks legislation to increase the amount which the Commonwealth may pay to cities and towns for the care of sick persons who are charges of the Commonwealth and are cared for in city or town hospitals from \$10.50 to \$17.50 per person a week, an amount nearer to the cost in such hospitals.

- (c) AN ACT RELATIVE TO THE RECOVERY OF CHARGES FOR THE SUPPORT OF CERTAIN PATIENTS ADMITTED TO THE PONDVILLE STATE HOSPITAL.

Note.—Petition requests changes in the law relating to the Pondville Hospital, a State institution, and deals with matters of charges for care at that institution.

- (d) AN ACT RELATIVE TO THE GIVING OF NOTICE OF TEMPORARY AID RENDERED TO CERTAIN PERSONS AND TO THE REIMBURSEMENT OF CITIES AND TOWNS THEREFOR AND RELATIVE TO THE QUESTION OF SETTLEMENT OF SUCH PERSONS.

Note.—The present law provides for the furnishing by towns and cities of temporary aid to persons not having a settlement in the Commonwealth and for notification to the State Department of Public Welfare of aid so rendered and such towns and cities are entitled to be reimbursed by the Commonwealth for aid so rendered. There is, however, no provision requiring the State Department to notify towns and cities that it questions the settlement status of persons aided. Because of this, municipalities have in many instances lost their right to reimbursement for expenses so incurred. This legislation requires the State Department to deny the settlement status within sixty days of notice and unless settlement is so denied would bar the state from questioning such settlement status. The legislation proposed would permit the state to make denial subsequent to sixty days, and enable towns and cities to make similar denials subsequent to one month after notice so as to more equitably protect the state and municipalities in such cases.

3. TAX COLLECTION MATTERS.

- (a) AN ACT RELATING TO SALES OF REAL ESTATE FOR THE NONPAYMENT OF TAXES AFTER THE ASSIGNMENT OF A TAX TITLE HELD BY A CITY OR TOWN.

Note.—This petition seeks legislation giving to cities and towns after the assignment of tax titles held by them all the rights and powers to take or sell the real estate affected thereby for the nonpayment of taxes, which they would have possessed had the city or town never been the holder of such tax titles. This legislation would clarify existing law.

- (b) AN ACT RELATIVE TO THE ASSESSMENT OF TAXES ON LAND TAKEN OR PURCHASED BY A CITY OR TOWN.

Note.—An assignment divests a city or town of its tax title and the city or town should have all the rights to make assessments thereafter which it ordinarily has. The legislation petitioned for will clarify this situation.

- (c) AN ACT RELATIVE TO LIENS UPON REAL ESTATE AND TAXES OR OTHER CHARGES.

Note.—This petition seeks to clarify the law with regard to the preservation of the liens of cities and towns upon real estate for unpaid taxes.

- (d) AN ACT RELATIVE TO LIENS FOR TAXES ON REAL ESTATE TAKEN BY RIGHT OF EMINENT DOMAIN.

Note.—Last year the Legislature provided for the protection of the liens of municipalities for unpaid taxes in the event of taking by eminent domain. This petition seeks legislation which will protect not only the liens for taxes but also liens for betterment assessments and other charges.

- (e) AN ACT RELATIVE TO CERTAIN EXPENSES OF THE LAND COURT.

Note.—Under existing law the city is required to provide books, printed blank forms, etc., for the Land Court. The volume of business in the Land Court has been greatly increased by the foreclosure of tax titles by cities and towns and is likely to continue to increase. Moneys received by the court as fees are paid to the State Treasurer. The Land Court is not a county court and its jurisdiction is state-wide. This petition seeks legislation by which the expenses of the Land Court for the foregoing will be borne by the Commonwealth.

LAND-TAKING IN EAST BOSTON AND CHELSEA.

The Mayor has approved the order of the Board of Street Commissioners for the taking of land for a public improvement consisting of the widening, relocation and construction of Chelsea street and Chelsea Street Bridge, East Boston and Chelsea, as a highway, from south of Addison street, East Boston district, to Eastern avenue, Chelsea, bounded and described as follows:

The highway named Chelsea street is hereby widened, relocated and ordered constructed, from south of Addison street, East Boston district, to Eastern avenue, Chelsea.

For the making of the aforesaid improvement, an easement for street purposes is hereby taken in the following described lands, exclusive of trees or structures standing upon or affixed thereto:

A parcel of land, supposed to belong to the Socony-Vacuum Oil Company, Incorporated, bounded:

Easterly by the easterly line of Chelsea street, as established under this order, two hundred and one and 2-100 feet on a curve of four hundred sixty-three and 32-100 feet radius; westerly by another part of Chelsea street, one hundred seventy-nine and 83-100 feet on a curved line; northwesterly by land hereinafter described as taken from owners unknown, thirty-seven and 94-100 feet, containing twenty-two hundred and forty-four square feet, more or less.

A parcel of land, owners unknown, bounded:

Southerly by Chelsea street, fifty and 80-100 feet; northwesterly by land supposed to belong to the Commonwealth of Massachusetts, seventy-four and 43-100 feet; easterly by the easterly line of Chelsea street, as established under this order, fifty-five and 22-100 feet, on a curve of four hundred sixty-three and 32-100 feet radius, and southeasterly by land hereinafter described as taken from Socony-Vacuum Oil Company, Incorporated, thirty-seven and 94-100 feet, containing twenty-eight hundred and thirty-nine square feet, more or less.

A parcel of land, supposed to belong to the Commonwealth of Massachusetts, bounded:

Southeasterly by land hereinafter described as taken from owners unknown and by Chelsea street, seventy-seven and 76-100 feet; westerly by the westerly line of Chelsea street, as established under this order, fifty and 60-100 feet; southwesterly by the southwesterly line of Chelsea street, as established under this order, sixty-one and 18-100 feet; northwesterly by Pierhead and Bulkhead line, seventy-two and 11-100 feet; northeasterly by the northeasterly line of Chelsea street as established under this order, seventy-eight and 51-100 feet; and easterly by the easterly line of Chelsea street as established under this order, twenty-two and 93-100 feet, containing seventy-four hundred and fourteen square feet, more or less.

A parcel of land, partly situated in Chelsea, supposed to belong to the Commonwealth of Massachusetts, bounded:

Southeasterly by land hereinafter described as taken from the Commonwealth of Massachusetts, seventy-two and 11-100 feet; southwesterly by the southwesterly line of Chelsea street, as established under this order, three hundred thirty-one and 56-100 feet; northwesterly by Pierhead and Bulkhead line, seventy-five and 11-100 feet; and northeasterly by the northeasterly line of Chelsea street, as established under this order, three hundred forty-one and 46-100 feet, containing twenty-three thousand five hundred and fifty-six square feet, more or less.

A parcel of land, situated in Chelsea, supposed to belong to the Commonwealth of Massachusetts, bounded:

Southeasterly by land hereinafter described as taken from said Commonwealth, seventy-five and 11-100 feet; southwesterly by the southwesterly line of Chelsea street, as established under this order, two hundred and thirty-six and 90-100 feet; southerly by the southerly line of Chelsea street, as established under this order, one hundred and 21-100 feet on a curve of forty and 31-100 feet radius; westerly by Eastern avenue, one hundred eighty-nine and 97-100 feet; northerly by land hereinafter described as taken from the American Oil Company, thirty-four and 22-100 feet; and

northeasterly by the northeasterly line of Chelsea street, as established under this order, three hundred sixty-three and 14-100 feet, containing twenty-nine thousand one hundred thirty-one square feet, more or less.

A parcel of land, situated in Chelsea, supposed to belong to the American Oil Company, bounded:

Southerly by land hereinafter described as taken from the Commonwealth of Massachusetts, thirty-four and 22-100 feet; westerly by Eastern avenue, seventy-seven and 42-100 feet; easterly by the easterly line of Chelsea street, as established under this order, sixty-five and 56-100 feet; and northeasterly by the northeasterly line of Chelsea street, as established under this order, twenty-two and 10-100 feet, containing eight hundred and sixty-five square feet, more or less.

Trees or structures standing upon or affixed to the aforescribed land shall be removed therefrom within sixty days following a notice of the city's intention to enter upon said land for the purpose of constructing said improvement.

Said Chelsea street as hereby widened and relocated is bounded:

Southerly by another part of Chelsea street, seventy feet; westerly by the westerly line of said Chelsea street as hereby widened and relocated, two hundred thirty-six and 99-100 feet on a curve of three hundred ninety-three and 32-100 feet radius; southwesterly by the southwesterly line of said Chelsea street as hereby widened and relocated, six hundred twenty-nine and 64-100 feet; southerly by the southerly line of said Chelsea street as hereby widened and relocated, one hundred and 21-100 feet on a curve of forty and 31-100 feet radius; westerly by Eastern avenue, two hundred sixty-seven and 39-100 feet; easterly by the easterly line of Chelsea street as hereby widened and relocated, sixty-five and 56-100 feet on a curve of one hundred feet radius; northeasterly by the northeasterly line of Chelsea street as hereby widened and relocated, eight hundred five and 22-100 feet; and easterly by the easterly line of said Chelsea street as hereby widened and relocated, two hundred seventy-nine and 17-100 feet, on a curve of four hundred sixty-three and 32-100 feet radius.

CLAIMS ALLOWED.

The Mayor, upon recommendation of the Corporation Counsel, has approved the following claims:

Chloe Carry's Food Shop, 481A Geneva avenue, Dorchester, in the sum of \$2, as refund on awning permit for which the fee was paid twice.

Charles P. Abbott, 60 State street, Boston, in the sum of \$56, as compensation for damage to automobile caused by striking an unlighted traffic beacon on Lewis street, East Boston, on the way to the South Ferry, June 12, 1934.

CONSTRUCTION WORK.

The Mayor has approved the request of the Public Works Department for the following construction work:

A sanitary sewer of 10-inch pipe and a surface drain of 10-inch pipe in Haven avenue, between 641 feet southwest of Blue Hill avenue (from existing sewer) and 50 feet southwest, in the Dorchester district, at an estimated cost of \$700.

PROPOSALS ADVERTISED.

Bids have been asked by advertisement in the *City Record* for the following departments. The attention of contractors and others is especially called to the closing time of receipt of such proposals. This will be published weekly.

FIRE DEPARTMENT.

Advertises for proposals for remodeling uniform sack coats for the Fire Department. Surety bond will be required in a sum equivalent to 40 per cent of the contract price. Blank forms for proposals may be obtained at the office of the Fire Commissioner, 50 Bristol street, Boston. Bids, accompanied by certified check in the sum of \$200, to be filed at the same office. Duplicate bid, without check, to be filed with the City Auditor.

Bids close Wednesday, February 5, at 12 m.

INSTITUTIONS DEPARTMENT.

Advertises for proposals for erecting fire escapes at Long Island Hospital, Boston Harbor. Surety bond will be required in a sum equivalent to the full amount of the contract price. Blank forms for proposals may be obtained at the office of the Institutions Department, Room 809, City Hall Annex, Boston. WITHOUT ADVERTISING.

Upon varying dates as indicated the Mayor approved permission to award contracts for supplies, etc., from several firms. Communications from the heads of the departments interested were as follows:

INSTITUTIONS DEPARTMENT.

Boston, January 4, 1936.

HON. FREDERICK W. MANSFIELD,
Mayor of Boston.

MY DEAR MR. MAYOR,—Your permission is respectfully requested to award a contract to the Almy Water Tube Boiler Company of Providence, Rhode Island, for furnishing all labor and materials necessary to re-tube the boiler on the steamer "George A. Hibbard," for a sum not to exceed twenty-six hundred (\$2,600) dollars, without advertising.

This is an emergency situation as the repairs have been ordered by the U. S. Bureau of Navigation. The Almy Water Tube Boiler Company are the makers of the boiler on the "Hibbard" and the only concern which can furnish the necessary parts. There would, therefore, be no advantage in advertising, which would mean unnecessary delay.

The steamer is now out of commission and is urgently needed for transportation of W. P. A. workers. After authority is received it will take at least two (2) weeks to have the work done.

Very truly yours,

FREDERIC A. WASHBURN,
Commissioner.

PENAL INSTITUTIONS DEPARTMENT.

Boston, December 31, 1935.

HON. FREDERICK W. MANSFIELD,
Mayor of Boston.

DEAR SIR,—Under date of August 13, 1935, your Honor approved a contract with the Bethlehem Shipbuilding Corporation, Limited, amounting to \$6,950, for repairs to the steamer "Michael J. Perkins," the work to be completed by August 17, 1935.

All of the work, with the exception of a generator installation, was completed in the specified time. Due to the fact that the Bethlehem Company could not receive delivery of the generator all of the work was not actually completed until September 30, 1935.

In view of the above facts, permission is requested to extend the time of completion of this contract to September 30, 1935.

Respectfully,

JOHN J. DOUGLASS,
Penal Institutions Commissioner.

LAND-TAKING IN DORCHESTER.

The Mayor has approved the order of the Board of Street Commissioners for the taking of land for a public improvement consisting of the laying out and construction of Magdala street, Dorchester district, as a highway, from Gallivan Boulevard to Van Winkle street, bounded and described as follows:

A highway named Magdala street is hereby laid out, from Gallivan Boulevard to Van Winkle street, and ordered constructed, the cost thereof to be charged to Federal Funds.

For the making of the aforesaid improvement, an easement for street purposes is hereby taken in the following described lands, exclusive of trees or structures standing upon or affixed thereto:

A parcel of land, supposed to belong to Anthony Chabinowski, bounded:

Northerly by Van Winkle street, five and 1-100 feet; easterly by the westerly line of Magdala street as it existed previously to this lay-out, ninety feet; southerly by the northerly line of Magdala street as it existed previously to this lay-out, five feet; and westerly by the westerly line of Magdala street as established under this order, ninety and 28-100 feet, containing four hundred and fifty-one square feet, more or less.

A parcel of land, supposed to belong to Mary M. Green, bounded:

Westerly by the westerly line of Magdala street as established under this order, forty-three feet; northerly by the southerly line of Magdala street as it existed previously to this lay-out, five feet; easterly by the westerly line of Magdala street as it existed previously to this lay-out, forty-three feet; and southerly by the northerly line of Magdala street as it existed previously to this lay-out, five feet, containing two hundred and fifteen square feet, more or less.

A parcel of land, supposed to belong to Catherine J. Murphy, bounded:

Westerly by the easterly line of Magdala street as it existed previously to this lay-out, forty feet; northerly by the southerly line of Magdala street as it existed previously to this lay-out, five feet; easterly by the easterly line of Magdala street as established under this order, forty feet; and southerly by the northerly line of Magdala as it existed previously to this lay-out, five feet, containing two hundred square feet, more or less.

The land, owners unknown, being the private way known as Magdala street, between Gallivan Boulevard and Van Winkle street.

Said Magdala street as hereby laid out is bounded:

Southerly by Gallivan Boulevard, forty and 28-100 feet; westerly by the westerly line of said Magdala street as hereby laid out, five hundred seventy-five and 57-100 feet; northerly by Van Winkle street, thirty-five and 11-100 feet; easterly by the easterly line of said Magdala street as hereby laid out, one hundred thirty and 92-100 feet; northerly by the northerly line of said Magdala street as hereby laid out, five and 1-100 feet; and easterly by the easterly line of said Magdala street as hereby laid out, four hundred forty-six and 32-100 feet.

Voted, That this Board determines that the undermentioned persons sustain damages in their estates by the making of the public improvement, consisting of the laying out and construction of Magdala street, Dorchester district, as a highway, from Gallivan Boulevard to Van Winkle street, under the order of the Board of January 16, 1936, in the amounts hereinafter respectively set against them, and awards said amounts therefor:

Anthony Chabinowski, 451 square feet, \$1.

Mary M. Green, 215 square feet, \$1.

Catherine J. Murphy, 200 square feet, \$1.

REVISION OF ASSESSMENTS.

The Mayor has approved the following votes of the Board of Street Commissioners:

In the matter of the application for revision of assessments levied on account of the construction of sewerage works, the Board of Street Commissioners, acting under the provisions of chapter 359 of the Acts of the year 1896, and deeming it just and proper that such action should be taken on said application, *order*, That the amount hereinafter specified, being the annual apportionment of said assessment for the year specified below, be, and the same is hereby, abated.

Margaret L. O'Brien, 1933 apportionment, Plan 1929-9, lot 54, Sanborn avenue, October 4, 1929, \$10.65.

In the matter of the application for revision of assessments levied on account of the construction of sewerage works, the Board of Street Commissioners, acting under the provisions of chapter 359 of the Acts of the year 1896, and deeming it just and proper that such action should be taken on said applications, *order*, That the amounts hereinafter specified, being the annual apportionments of said assessments for the years specified below, be, and the same are hereby, abated:

Luigi and Leonilda Colaizzi, Washington Heights avenue, Plan 1929-21, lot 12 (assessed February 21, 1930), 1933, \$12.07; 1934, \$11.56.

LAND-TAKING IN WEST ROXBURY.

The Mayor has approved the order of the Board of Street Commissioners for the taking of land for a public improvement, consisting of the laying out and construction of an extension of Maynard street, West Roxbury district, as a highway, from Metropolitan avenue to Dale street, bounded and described as follows:

An extension of the highway named Maynard street is hereby laid out, from Metropolitan avenue to Dale street, and ordered constructed, the cost thereof to be charged to Federal Funds.

Said highway and the land, exclusive of trees or structures standing upon or affixed thereto, in which an easement for street purposes is hereby taken, is bounded and described as follows:

Northeasterly by Metropolitan avenue, forty feet; southeasterly by the southeasterly line of said extension of said Maynard street as hereby laid out, two hundred sixty-three and 17-100 feet; easterly by the easterly line of said extension of said Maynard street as hereby laid out, one hundred sixty-seven and 92-100 feet; again southeasterly by the southeasterly line of said extension of said Maynard street as hereby laid out, one hundred thirty-five and 92-100 feet; southwesterly by Dale street, forty-one and 90-100 feet; northwesterly by the northwesterly line of said extension of said Maynard street as hereby laid out, one hundred forty-three and 69-100 feet; westerly by the westerly line of said extension of said Maynard street as hereby laid out, one hundred seventy-two and 39-100 feet, and northwesterly by the northwesterly line of said extension of said Maynard street as hereby laid out, two hundred seventy-two and 37-100 feet.

Voted, That this Board determines that no person sustains damages in his estate by the making of the public improvement, consisting of the laying out and construction of an extension of Maynard street, West Roxbury district, as a highway, from Metropolitan avenue to Dale street, under the order of the Board of January 15, 1936, and awards no damages therefor.

EXTENSION OF CONTRACTS.

SUPPLY DEPARTMENT.

The following communications relative to the extension of contracts with various firms for furnishing supplies and materials to the several city departments, received by the Mayor from D. Frank Doherty, Superintendent of Supplies, have been approved:

BOSTON, January 10, 1936.

HON. FREDERICK W. MANSFIELD,
Mayor of Boston.

DEAR MR. MAYOR,—Under date of March 14, 1935, the City of Boston entered into a contract with Donohue & Riordan relative to the purchase of uniforms for delivery to the Fire Department. Included in the contract is the following clause:

"It is agreed that the City of Boston, with the approval of the Mayor, may, beginning January 1, 1936, at its option, purchase and the Contractor agrees to deliver upon the same terms and conditions as aforesaid, such quantities of said uniforms as may not have been ordered up to and including December 31, 1935. This privilege is extended to February 1, 1936."

I respectfully request your approval to exercise the option to purchase on behalf of the City of Boston, pursuant to the above-quoted option, upon the same terms and conditions as are stated in said contract, such quantities of uniforms referred to therein as may not have been ordered up to and including December 31, 1935, for the extended period permitted thereby, to wit, to February 1, 1936.

Respectfully yours,

D. FRANK DOHERTY,
Superintendent of Supplies.

BOSTON, January 10, 1936.

HON. FREDERICK W. MANSFIELD,
Mayor of Boston.

DEAR MR. MAYOR,—Under date of May 17, 1935, the City of Boston entered into a contract with Rosenfield Uniform Company relative to the purchase of uniforms for delivery to the Fire Department. Included in the contract is the following clause:

"It is agreed that the City of Boston, with the approval of the Mayor, may, beginning January 1, 1936, at its option, purchase and the Contractor agrees to deliver upon the same terms and conditions as aforesaid, such quantities of said uniforms as may not have been ordered up to and including December 31, 1935. This privilege is extended to February 1, 1936."

I respectfully request your approval to exercise the option to purchase on behalf of the City of Boston, pursuant to the above-quoted option, upon the same terms and conditions as are stated in said contract, such quantities of uniforms referred to therein as may not have been ordered up to and including December 31, 1935, for the extended period permitted thereby, to wit, to February 1, 1936.

Respectfully yours,

D. FRANK DOHERTY,
Superintendent of Supplies.

BOSTON, January 10, 1936.

HON. FREDERICK W. MANSFIELD,
Mayor of Boston.

DEAR MR. MAYOR,—Under date of February 15, 1935, the City of Boston entered into a contract with Fort Hill Paper Company relative to the purchase of toilet paper for delivery to the various

city departments. Included in the contract is the following clause:

"It is agreed that the City of Boston, with the approval of the Mayor, may, beginning January 1, 1936, at its option, purchase and the Contractor agrees to deliver upon the same terms and conditions as aforesaid, such quantities of said toilet paper as may not have been ordered up to and including December 31, 1935. This privilege is extended to February 1, 1936."

I respectfully request your approval to exercise the option to purchase on behalf of the City of Boston, pursuant to the above-quoted option, upon the same terms and conditions as are stated in said contract, such quantities of toilet paper referred to therein as may not have been ordered up to and including December 31, 1935, for the extended period permitted thereby, to wit, to February 1, 1936.

Respectfully yours,

D. FRANK DOHERTY,
Superintendent of Supplies.

BOSTON, January 10, 1936.

HON. FREDERICK W. MANSFIELD,
Mayor of Boston.

DEAR MR. MAYOR,—Under date of February 12, 1935, the City of Boston entered into a contract with Stone & Forsyth Company relative to the purchase of toilet paper for delivery to the various city departments. Included in the contract is the following clause:

"It is agreed that the City of Boston, with the approval of the Mayor, may, beginning January 1, 1936, at its option, purchase and the Contractor agrees to deliver upon the same terms and conditions as aforesaid, such quantities of said toilet paper as may not have been ordered up to and including December 31, 1935. This privilege is extended to February 1, 1936."

I respectfully request your approval to exercise the option to purchase on behalf of the City of Boston, pursuant to the above-quoted option, upon the same terms and conditions as are stated in said contract, such quantities of toilet paper referred to therein as may not have been ordered up to and including December 31, 1935, for the extended period permitted thereby, to wit, to February 1, 1936.

Respectfully yours,

D. FRANK DOHERTY,
Superintendent of Supplies.

BOSTON, January 10, 1936.

HON. FREDERICK W. MANSFIELD,
Mayor of Boston.

DEAR MR. MAYOR,—Under date of April 2, 1935, the City of Boston entered into a contract with West Roxbury Trap Rock Company relative to the purchase of stone for delivery to the various city departments. Included in the contract is the following clause:

"It is agreed that the City of Boston, with the approval of the Mayor, may, beginning January 1, 1936, at its option, purchase and the Contractor agrees to deliver upon the same terms and conditions as aforesaid, such quantities of said stone as may not have been ordered up to and including December 31, 1935. This privilege is extended to February 1, 1936."

I respectfully request your approval to exercise the option to purchase on behalf of the City of Boston, pursuant to the above-quoted option, upon the same terms and conditions as are stated in said contract, such quantities of stone referred to therein as may not have been

ordered up to and including December 31, 1935, for the extended period permitted thereby, to wit, to February 1, 1936.

Respectfully yours,

D. FRANK DOHERTY,
Superintendent of Supplies.

BOSTON, January 10, 1936.

HON. FREDERICK W. MANSFIELD,
Mayor of Boston.

DEAR MR. MAYOR,—Under date of March 30, 1935, the City of Boston entered into a contract with William J. Barry Company relative to the purchase of stone for delivery to the various city departments. Included in the contract is the following clause:

"It is agreed that the City of Boston, with the approval of the Mayor, may, beginning January 1, 1936, at its option, purchase and the Contractor agrees to deliver upon the same terms and conditions as aforesaid, such quantities of said stone as may not have been ordered up to and including December 31, 1935. This privilege is extended to February 1, 1936."

I respectfully request your approval to exercise the option to purchase on behalf of the City of Boston, pursuant to the above-quoted option, upon the same terms and conditions as are stated in said contract, such quantities of stone referred to therein as may not have been ordered up to and including December 31, 1935, for the extended period permitted thereby, to wit, to February 1, 1936.

Respectfully yours,

D. FRANK DOHERTY,
Superintendent of Supplies.

BOSTON, January 10, 1936.

HON. FREDERICK W. MANSFIELD,
Mayor of Boston.

DEAR MR. MAYOR,—Under date of April 2, 1935, the City of Boston entered into a contract with Rowe Contracting Company relative to the purchase of stone for delivery to the various city departments. Included in the contract is the following clause:

"It is agreed that the City of Boston, with the approval of the Mayor, may, beginning January 1, 1936, at its option, purchase and the Contractor agrees to deliver upon the same terms and conditions as aforesaid, such quantities of said stone as may not have been ordered up to and including December 31, 1935. This privilege is extended to February 1, 1936."

I respectfully request your approval to exercise the option to purchase on behalf of the City of Boston, pursuant to the above-quoted option, upon the same terms and conditions as are stated in said contract, such quantities of stone referred to therein as may not have been ordered up to and including December 31, 1935, for the extended period permitted thereby, to wit, to February 1, 1936.

Respectfully yours,

D. FRANK DOHERTY,
Superintendent of Supplies.

BOSTON, January 10, 1936.

HON. FREDERICK W. MANSFIELD,
Mayor of Boston.

DEAR MR. MAYOR,—Under date of March 26, 1935, the City of Boston entered into a contract with Metropolitan Crushed Stone Company relative to the purchase of stone for delivery to the various city departments. Included in the contract is the following clause:

"It is agreed that the City of Boston, with the approval of the Mayor, may,

beginning January 1, 1936, at its option, purchase and the Contractor agrees to deliver upon the same terms and conditions as aforesaid, such quantities of said stone as may not have been ordered up to and including December 31, 1935. This privilege is extended to February 1, 1936."

I respectfully request your approval to exercise the option to purchase on behalf of the City of Boston, pursuant to the above-quoted option, upon the same terms and conditions as are stated in said contract, such quantities of stone referred to therein as may not have been ordered up to and including December 31, 1935, for the extended period permitted thereby, to wit, to February 1, 1936.

Respectfully yours,

D. FRANK DOHERTY,

DEAR MR. MAYOR,—Under date of February 15, 1935, the City of Boston entered into a contract with National Boston Lead Company relative to the purchase of white and red lead for de-

livery to the various city departments. Included in the contract is the following clause:

"It is agreed that the City of Boston, with the approval of the Mayor, may, beginning January 1, 1936, at its option, purchase and the Contractor agrees to deliver upon the same terms and conditions as aforesaid, such quantities of said white and red lead as may not have been ordered up to and including December 31, 1935. This privilege is extended to February 1, 1936."

I respectfully request your approval to exercise the option to purchase on behalf of the City of Boston, pursuant to the above-quoted option, upon the same terms and conditions as are stated in said contract, such quantities of white and red lead referred to therein as may not have been ordered up to and including December 31, 1935, for the extended period permitted thereby, to wit, to February 1, 1936.

Respectfully yours,

D. FRANK DOHERTY,
Superintendent of Supplies.

HON. FREDERICK W. MANSFIELD,
Mayor of Boston.

DEAR MR. MAYOR,—Under date of February 8, 1935, the City of Boston entered into a contract with Raymond R. Henchey relative to the purchase of pig lead for delivery to the various city departments. Included in the contract is the following clause:

"It is agreed that the City of Boston, with the approval of the Mayor, may, beginning January 1, 1936, at its option, purchase and the Contractor agrees to deliver upon the same terms and conditions as aforesaid, such quantities of said pig lead as may not have been ordered up to and including December 31, 1935. This privilege is extended to February 1, 1936."

I respectfully request your approval to exercise the option to purchase on behalf of the City of Boston, pursuant to the above-quoted option, upon the same terms and conditions as are stated in said contract, such quantities of pig lead referred to therein as may not have been ordered up to and including December 31, 1935, for the extended period permitted thereby, to wit, to February 1, 1936.

Respectfully yours,

D. FRANK DOHERTY,
Superintendent of Supplies.

HON. FREDERICK W. MANSFIELD,
Mayor of Boston.

DEAR MR. MAYOR,—Under date of October 28, 1935, the City of Boston entered into a contract with Herlihy Brothers, Incorporated, relative to the purchase of milk, cream, etc., for delivery to the various city departments. Included in the contract is the following clause:

"The City of Boston may, with the approval of the Mayor, by written notice given to the Contractor by the Superintendent of Supplies, at its option, extend the end of the term hereof to any date not later than April 15, 1936."

I respectfully request your approval to exercise the option to purchase on behalf of the City of Boston, pursuant to the above-quoted option, upon the same terms and conditions as are stated in said contract, such quantities of milk, cream, etc., referred to therein as may not have been ordered up to and including Decem-

ber 31, 1935, for the extended period permitted thereby, to wit, to April 15, 1936.

Respectfully yours,

D. FRANK DOHERTY,
Superintendent of Supplies.

HON. FREDERICK W. MANSFIELD,
Mayor of Boston.

DEAR MR. MAYOR,—Under date of November 4, 1935, the City of Boston entered into a contract with Whiting Milk Company relative to the purchase of milk, cream, etc., for delivery to the Boston City Hospital. Included in the contract is the following clause:

"The City of Boston may, with the approval of the Mayor, by written notice given to the Contractor by the Superintendent of Supplies, at its option, extend the end of the term hereof to any date not later than April 15, 1936."

I respectfully request your approval to exercise the option to purchase on behalf of the City of Boston, pursuant to the above-quoted option, upon the same terms and conditions as are stated in said contract, such quantities of milk, cream, etc., referred to therein as may not have been ordered up to and including December 31, 1935, for the extended period permitted thereby, to wit, to April 15, 1936.

Respectfully yours,

D. FRANK DOHERTY,
Superintendent of Supplies.

HON. FREDERICK W. MANSFIELD,
Mayor of Boston.

DEAR MR. MAYOR,—Under date of December 17, 1935, the City of Boston entered into a contract with Alfred H. Ventola relative to the purchase of range oil for delivery to the Overseers of the Public Welfare Department. Included in the contract is the following clause:

"The City of Boston may, with the approval of the Mayor, by written notice given to the Contractor by the Superintendent of Supplies, at its option, extend the end of the term hereof to any date not later than April 30, 1936."

I respectfully request your approval to exercise the option to purchase on behalf of the City of Boston, pursuant to the above-quoted option, upon the same terms and conditions as are stated in said contract, such quantities of range oil referred to therein as may not have been ordered up to and including December 31, 1935, for the extended period permitted thereby, to wit, to April 30, 1936.

Respectfully yours,

D. FRANK DOHERTY,
Superintendent of Supplies.

HON. FREDERICK W. MANSFIELD,
Mayor of Boston.

DEAR MR. MAYOR,—Under date of December 17, 1935, the City of Boston entered into a contract with R. F. Piper, relative to the purchase of range oil for delivery to the Overseers of the Public Welfare Department. Included in the contract is the following clause:

"The City of Boston may, with the approval of the Mayor, by written notice given to the Contractor by the Superintendent of Supplies, at its option, extend the end of the term hereof to any date not later than April 30, 1936."

I respectfully request your approval to exercise the option to purchase on behalf of the City of Boston, pursuant to the above-quoted option, upon the same terms and conditions as are stated in said contract, such quantities of range oil referred to therein as may not have been

ordered up to and including December 31, 1935, for the extended period permitted thereby, to wit, to April 30, 1936.

Respectfully yours,

D. FRANK DOHERTY,
Superintendent of Supplies.

HON. FREDERICK W. MANSFIELD,
Mayor of Boston.

DEAR MR. MAYOR,—Under date of December 27, 1935, the City of Boston entered into a contract with Lincoln Oil Company relative to the purchase of automobile motor oil for delivery to the various city departments. Included in the contract is the following clause:

"The City of Boston may, with the approval of the Mayor, by written notice given to the Contractor by the Superintendent of Supplies, at its option, extend the end of the term hereof to any date not later than March 31, 1936."

I respectfully request your approval to exercise the option to purchase on behalf of the City of Boston, pursuant to the above-quoted option, upon the same terms and conditions as are stated in said contract, such quantities of automobile motor oil referred to therein as may not have been ordered up to and including December 31, 1935, for the extended period permitted thereby, to wit, to March 31, 1936.

Respectfully yours,

D. FRANK DOHERTY,
Superintendent of Supplies.

HON. FREDERICK W. MANSFIELD,
Mayor of Boston.

DEAR MR. MAYOR,—Under date of December 17, 1935, the City of Boston entered into a contract with Lynch Super Oil Company relative to the purchase of range oil for delivery to the Overseers of the Public Welfare Department. Included in the contract is the following clause:

"The City of Boston may, with the approval of the Mayor, by written notice given to the Contractor by the Superintendent of Supplies, at its option, extend the end of the term hereof to any date not later than April 30, 1936."

I respectfully request your approval to exercise the option to purchase on behalf of the City of Boston, pursuant to the above-quoted option, upon the same terms and conditions as are stated in said contract, such quantities of range oil referred to therein as may not have been ordered up to and including December 31, 1935, for the extended period permitted thereby, to wit, to April 30, 1936.

Respectfully yours,

D. FRANK DOHERTY,
Superintendent of Supplies.

HON. FREDERICK W. MANSFIELD,
Mayor of Boston.

DEAR MR. MAYOR,—Under date of December 17, 1935, the City of Boston entered into a contract with Tidewater Coal Company relative to the purchase of range oil for delivery to the Overseers of the Public Welfare Department. Included in the contract is the following clause:

"The City of Boston may, with the approval of the Mayor, by written notice given to the Contractor by the Superintendent of Supplies, at its option, extend the end of the term hereof to any date not later than April 30, 1936."

I respectfully request your approval to exercise the option to purchase on behalf of the City of Boston, pursuant

to the above-quoted option, upon the same terms and conditions as are stated in said contract, such quantities of range oil referred to therein as may not have been ordered up to and including December 31, 1935, for the extended period permitted thereby, to wit, to April 30, 1936.

Respectfully yours,

D. FRANK DOHERTY,
Superintendent of Supplies.

HON. FREDERICK W. MANSFIELD,
Mayor of Boston.

DEAR MR. MAYOR,—Under date of November 25, 1935, the City of Boston entered into a contract with Petroleum Heat and Power Company relative to the purchase of heavy and medium fuel oil for delivery to the various city departments. Included in the contract is the following clause:

"It is agreed that the City of Boston, with the approval of the Mayor, may, beginning January 1, 1936, at its option, purchase and the Contractor agrees to deliver upon the same terms and conditions as aforesaid, such quantities of said heavy and medium fuel oil as may not have been ordered up to and including December 31, 1935. This privilege is extended to September 30, 1936."

I respectfully request your approval to exercise the option to purchase on behalf of the City of Boston, pursuant to the above-quoted option, upon the same terms and conditions as are stated in said contract, such quantities of heavy and medium fuel oil referred to therein as may not have been ordered up to and including December 31, 1935, for the extended period permitted thereby, to wit, to September 30, 1936.

Respectfully yours,

D. FRANK DOHERTY,
Superintendent of Supplies.

HON. FREDERICK W. MANSFIELD,
Mayor of Boston.

DEAR MR. MAYOR,—Under date of October 9, 1935, the City of Boston entered into a contract with White Fuel Corporation relative to the purchase of light fuel oil for delivery to the various city departments. Included in the contract is the following clause:

"It is agreed that the City of Boston, with the approval of the Mayor, may, beginning January 1, 1936, at its option, purchase and the Contractor agrees to deliver upon the same terms and conditions as aforesaid, such quantities of said light fuel oil as may not have been ordered up to and including December 31, 1935. This privilege is extended to September 30, 1936."

I respectfully request your approval to exercise the option to purchase on behalf of the City of Boston, pursuant to the above-quoted option, upon the same terms and conditions as are stated in said contract, such quantities of light fuel oil referred to therein as may not have been ordered up to and including December 31, 1935, for the extended period permitted thereby, to wit, to September 30, 1936.

Respectfully yours,

D. FRANK DOHERTY,
Superintendent of Supplies.

HON. FREDERICK W. MANSFIELD,
Mayor of Boston.

DEAR MR. MAYOR,—Under date of November 7, 1935, the City of Boston entered into a contract with Socony-Vacuum Oil Company, Incorporated, relative to the purchase of fuel oil for

delivery to the fireboat and Institutions Department boat. Included in the contract is the following clause:

"The City of Boston may, with the approval of the Mayor, by written notice given to the Contractor by the Superintendent of Supplies, at its option, extend the end of the term hereof to any date not later than September 30, 1936."

I respectfully request your approval to exercise the option to purchase on behalf of the City of Boston, pursuant to the above-quoted option, upon the same terms and conditions as are stated in said contract, such quantities of fuel oil referred to therein as may not have been ordered up to and including December 31, 1935, for the extended period permitted thereby, to wit, to September 30, 1936.

Respectfully yours,

D. FRANK DOHERTY,
Superintendent of Supplies.

HON. FREDERICK W. MANSFIELD,
Mayor of Boston.

DEAR MR. MAYOR,—Under date of April 26, 1935, the City of Boston entered into a contract with Gilman Brothers, Incorporated, relative to the purchase of drugs for delivery to the various city departments. Included in the contract is the following clause:

"It is agreed that the City of Boston, with the approval of the Mayor, may, beginning January 1, 1936, at its option, purchase and the Contractor agrees to deliver upon the same terms and conditions as aforesaid, such quantities of said drugs as may not have been ordered up to and including December 31, 1935. This privilege is extended to February 1, 1936."

I respectfully request your approval to exercise the option to purchase on behalf of the City of Boston, pursuant to the above-quoted option, upon the same terms and conditions as are stated in said contract, such quantities of drugs referred to therein as may not have been ordered up to and including December 31, 1935, for the extended period permitted thereby, to wit, to February 1, 1936.

Respectfully yours,

D. FRANK DOHERTY,
Superintendent of Supplies.

HON. FREDERICK W. MANSFIELD,
Mayor of Boston.

DEAR MR. MAYOR,—Under date of December 31, 1935, the City of Boston entered into a contract with Socony-Vacuum Oil Company, Incorporated, relative to the purchase of automobile motor oil for delivery to the various city departments. Included in the contract is the following clause:

"The City of Boston may, with the approval of the Mayor, by written notice given to the Contractor by the Superintendent of Supplies, at its option, extend the end of the term hereof to any date not later than March 31, 1936."

I respectfully request your approval to exercise the option to purchase on behalf of the City of Boston, pursuant to the above-quoted option, upon the same terms and conditions as are stated in said contract, such quantities of automobile motor oil referred to therein as may not have been ordered up to and including December 31, 1935, for the extended period permitted thereby, to wit, to March 31, 1936.

Respectfully yours,

D. FRANK DOHERTY,
Superintendent of Supplies.

PUBLIC WORKS DEPARTMENT.

The Marine Company has been granted an extension of the time of completion of the contract for repairing hull, etc., of ferryboat "Daniel A. MacCormack," from January 13, 1936, to January 24, 1936.

The Grinnell Company, Incorporated, has been granted an extension of the time of completion of the contract for installing sprinkler systems on ferryboats, from December 27, 1935, to January 16, 1936.

The John F. Shea Company, Incorporated, has been granted an extension of the time of completion of the contract for repairing the Summer Street Draw, over the Reserved Channel, from January 18, 1936, to February 28, 1936.

MAYOR MANSFIELD ORDERS PURCHASE OF SNOW-REMOVAL MACHINERY.

Upon January 10 the Mayor issued the following statement:

I have directed the Superintendent of Supplies to disregard the vote of the Finance Commission that he should not make formal awards or issue formal contracts for the purchase of snow-removal equipment until the Finance Commission investigation is concluded.

The city must be prepared to remove the snow when it comes, but if the wishes of the Finance Commission were to be followed, and since no one knows when the investigation may terminate, the city might be without equipment if the vote of the Finance Commission were to be observed. And accordingly I have instructed the Superintendent of Supplies to proceed without delay to purchase the equipment as already planned and to execute formal contracts therefor.

And I take this opportunity of asking the public to reserve their judgment on the snow-removal equipment investigation until the evidence is all in. The Finance Commission is having its innings now. Mine will come presently.

In the meantime let me assure the people of Boston that the only end sought by me in the approval of the purchase of this equipment was the best interests of the City of Boston. I think the people will be satisfied of this fact when the evidence is all in and the commission's investigation finished.

DAMAGES SUSTAINED.

The Mayor has approved the following vote of the Board of Street Commissioners:

Voted, That the undermentioned persons sustain damages in their estates by the making of the public improvement consisting of the widening, relocation and construction of Chelsea street, from south of Addison street, East Boston district, to Eastern avenue, Chelsea, under the order of the Board of even date herewith in the amounts hereinafter respectively set against them and awards said amounts therefor:

MAYOR MANSFIELD AIDS EVICTED CHINESE FAMILY.

Upon January 20 the Mayor issued the following statement:

Jimmie Chin Kai Kwong and Col. William G. Moy, representing the Chinese Merchants' Association, conferred with me today, with Tom Yee, laundryman, who was recently evicted in Allston. Because of the strong competition among Chinese laundries and the low prices for laundry work the Association could not find work for Yee in a laundry.

I talked with the Welfare Department and they are considering now whether they can establish Tom Yee in a new laundry so that his family may be kept together. If this can't be done he will be placed on the Welfare rolls so that he will not suffer for food, clothing and shelter. At the present time the oldest child is being cared for by a neighbor and the other six children with the mother are being cared for in the Chardon Street Home. Whether work is obtained for the father or not, neither he nor his family will suffer while they remain in Boston.

LAND-TAKING IN ROXBURY.

The Mayor has approved the order of the Board of Street Commissioners for the taking of land for a public improvement, consisting of the laying out and construction of an extension of Bragdon street, Roxbury district, as a highway, from Columbus avenue to Washington street, bounded and described as follows:

An extension of the highway named Bragdon street is hereby laid out, from Columbus avenue to Washington street, and ordered constructed, the cost thereof to be charged to Federal Funds.

For the making of the aforesaid improvement, an easement for street purposes is hereby taken in the following described lands, exclusive of trees or structures standing upon or affixed thereto:

A parcel of land, supposed to belong to New England Hospital for Women and Children, bounded:

Southerly by Bragdon street, eight and 7-100 feet; westerly by Columbus avenue, one and 41-100 feet; and northeasterly by the northeasterly line of Bragdon street as established under this order, nine and 1-100 feet, containing four square feet, more or less.

Said extension of said Bragdon street as hereby laid out is bounded:

Westerly by Columbus avenue, eighty-one and 12-100 feet; northeasterly by the northeasterly line of said extension of said Bragdon street as hereby laid out, five hundred three and 41-100 feet; southeasterly by Washington street, forty and 37-100 feet; southwesterly by the southwesterly line of said extension of said Bragdon street as hereby laid out, four hundred forty-four and 17-100 feet; and southerly by the southerly line of said extension of said Bragdon street as hereby laid out, twenty-three and 61-100 feet on a curve of ten feet radius.

Voted, That this Board determines that the undermentioned person sustains damages by the making of the public improvement, consisting of the laying out and construction of an extension of Bragdon street, Roxbury district, as a highway, from Columbus avenue to Washington street, under the order of the Board of January 16, 1936, in the amount hereinafter mentioned, and awards said amount therefor:

New England Hospital for Women and Children, 4 square feet, \$1.

POLICE DEPARTMENT ORDERS.

General Order No. 136.

Rule 68 (relating to "Hawkers and Peddlers") of the Rules and Regulations of the Boston Police Department is hereby amended by striking out sections 5 and 6 of said rule, as appearing upon pages 232 and 233 of said Rules and Regulations, and inserting in place thereof new sections, which shall read as follows:

Rule 68. Hawkerc and Peddlers.
(Words in Italics are New.)

5. In the "Restricted Territory" they may carry on business at reasonable hours; but between 8 a. m. and 6.30 p. m. they may use only vehicles drawn by horses, or trays, baskets or other appliances not in the nature of stands carried by the persons using them.

Exception.

In that part of the "Restricted Territory" (outside of the "Business Section"), described as North street, between Blackstone street and North square (westerly side), and North street, from North square to Clark street (both sides), between 3 p. m. and 11 p. m. on Saturdays and on the week day immediately preceding legal holidays and the Seventeenth Day of June in each year, respectively, hawkers and peddlers may stop and stand, subject to the direction of the police, for the sale of merchandise outside the curbstones.

Between 3 p. m. and 11 p. m. at the times and places specified in the next preceding paragraph of this rule, hawkers and peddlers in the portion of "Restricted Section" therein described may use the same kind of vehicles and other appliances as are permitted, in the territory outside of the "Business Section" and "Restricted Territory," as stated in section 4.

6. In the "Business Section" they may carry on business only before 8 a. m. or after 6 p. m., with the following exceptions:

Between 3 p. m. and 11 p. m. on

Saturdays and on the week day immediately preceding legal holidays and the Seventeenth Day of June in each year, respectively, they may stop and stand, subject to the direction of the police, for the sale of merchandise outside the curbstone, in the following streets: Blackstone street, between Haymarket square and Clinton street (both sides); North street, between Blackstone and Union streets (west side).

Before 8 a. m. and after 6.30 p. m. on ordinary days and at the times and places specified in the next preceding paragraph of this rule, hawkers and peddlers in the "Business Section" may use the same kinds of vehicles and other appliances as are permitted in the same periods of the day outside the "Business Section" and the "Restricted Territory."

Rule 68 (relating to "Hawkers and Peddlers") of the Rules and Regulations, is hereby further amended in section 7, as appearing upon page 233, by striking out the words: "Paragraph of section 6" in the first and second lines of said section 7, and inserting in place thereof the words: "paragraphs of section 5 and 6," so that as amended said section 7 shall read in part as follows:

"7. Except as specified in the second paragraphs of sections 5 and 6 of this rule, as amended, no hawker or peddler, unless licensed at a designated stand by the board of street commissioners of the city of Boston . . . shall in a public street and while offering merchandise for sale remain in one place . . . for more than five minutes . . ."

All General Orders and Rules and Regulations inconsistent herewith are hereby rescinded.

The Superintendent of Police will promulgate this order.

EUGENE M. MCSWEENEY,
Commissioner.

General Order No. 137.

A trial board, consisting of Captains Campbell, Killen and Towle, having

heard by reference a complaint made by Jeremiah B. Sheehan, lieutenant, Division 11, against Daniel J. McCarthy, Patrolman, Division 11, for alleged violation of the Rules and Regulations of the Police Department, to wit: Conduct unbecoming an officer,—has submitted its finding and recommendation to the commissioner:

The commissioner accepts the plea of guilty made before the Trial Board, but does not adopt the recommendation of punishment to be imposed.

The commissioner wants every member of the force to fully realize that the serious violation of the rules and regulations committed by Patrolman McCarthy would ordinarily demand dismissal, as was justly and properly recommended by the Trial Board.

The attention of the commissioner was called to the serious protracted illness of one of Patrolman McCarthy's children, which had compelled his presence for some time at the child's bedside after finishing his daily tour of duty, and which, he maintained, undermined his resistance to the extent that he was unable to properly perform his duties. After confirmation of this information which was not brought out at the Trial Board hearing, the commissioner, upon recommendation of the superintendent, feels that the gravity of the offence committed by Patrolman McCarthy is mitigated to some degree, and that by imposing severe punishment the best interests of the department will be served.

Therefore, it is hereby ordered that the said Patrolman Daniel J. McCarthy be suspended from duty for a period of sixty days, effective as of December 2, 1935, at 5.45 o'clock p. m., and that at the expiration of the said period of suspension the said Patrolman Daniel J. McCarthy perform 420 hours of punishment duty.

Civil Service Rule 23, section 3, requires approval of the Civil Service Commission before reinstatement.

Rule 23.

"Section 3. With the consent of the Commissioner upon good cause shown, an appointing officer may reinstate in the same position or in a position in the same class and grade any person who has been separated from the service; provided, however, that the Commissioner shall not allow reinstatement of a person discharged for cause."

The Superintendent of Police will promulgate this order.

EUGENE M. MCSWEENEY,
Commissioner.

General Order No. 138.

A trial board, consisting of Captains Campbell, Killen and Towle, having heard by reference a complaint made by Thomas F. Mulrey, captain, Division 11, against Neil A. McDevitt, patrolman, Division 11, for alleged violation of the Rules and Regulations of the Police Department, to wit: Conduct unbecoming an officer,—has submitted its finding and recommendation to the commissioner.

The commissioner accepts the plea of guilty made before the Trial Board, but does not adopt the recommendation of punishment to be imposed.

The commissioner desires that every member of the force thoroughly understand he does not condone the serious violation of the rules and regulations committed by Patrolman McDevitt involving the use of intoxicating liquor while on

duty which, under ordinary circumstances, would be sufficient cause for dismissal.

The recommendation made by the Trial Board to the commissioner, in view of the testimony adduced at the Trial Board hearing, was a just and proper one. However, the commissioner received information subsequent to the Trial Board hearing that Patrolman McDevitt has been suffering for some time from a serious physical malady that now makes hospitalization necessary and imperative. After confirmation of this information which was not brought out at the Trial Board hearing, the commissioner, upon recommendation of the superintendent, feels that the gravity of the offence committed by Patrolman McDevitt is mitigated to some degree, and that by imposing severe punishment the best interests of the department will be served.

Therefore, it is hereby ordered that the said Patrolman Neil A. McDevitt be suspended from duty for a period of sixty days, effective as of December 6, 1935, at 7.45 o'clock a. m., and that at the expiration of said period of suspension the said Patrolman Neil A. McDevitt perform 420 hours of punishment duty.

Civil Service Rule 23, section 3, requires approval of the Civil Service Commission before reinstatement.

Rule 23.

"Section 3. With the consent of the Commissioner upon good cause shown, an appointing officer may reinstate in the same position or in a position in the same class and grade any person who has been separated from the service; provided, however, that the Commissioner shall not allow reinstatement of a person discharged for cause."

The Superintendent of Police will promulgate this order.

EUGENE M. MCSWEENEY,
Commissioner.

General Order No. 139.

Deputy Superintendent William W. Livingston is hereby relieved as inspector of divisions in District B, comprising Divisions 9, 10, 13, 14, 16, 17, 18 and 19.

Deputy Superintendent John M. Anderson, in addition to his present duties, is hereby assigned as inspector of divisions in District B.

This order will take effect on Wednesday, January 22, 1936, at 5.45 o'clock p. m.

The Superintendent of Police will promulgate this order.

EUGENE M. MCSWEENEY,
Commissioner.

SALE OF DISCARDED X-RAY FILMS.

The Mayor has approved the following request of the City Hospital Superintendent, Dr. James W. Manary:

HON. FREDERICK W. MANSFIELD,
Mayor of Boston.

DEAR SIR,—Your approval is respectfully requested for the sale of discarded X-ray films at this hospital, the value of which, it is estimated, is in excess of one hundred dollars.

This request is made in accordance with chapter 3, section 14, page 14, Revised Ordinances of 1925, of the City of Boston.

Respectfully yours,

JAMES W. MANARY,
Superintendent.

MAYOR MANSFIELD MOVES TO SECURE BOATHOUSE FOR WEST END RESIDENTS.

The following statement was issued by Mayor Mansfield on January 20:

The Mayor was waited on today by a committee representing the West End Improvement Association, composed of:

Rev. John T. Powers of St. Joseph's Church, Joseph Lee, Jr., Professor George Owen of M. I. T., and Frieda Rogolsky, who were interested in having a boathouse for the use of the public built on the Boston side of the Charles river in the West End, somewhere near the Charlesbank Recreation Grounds. The Metropolitan District Commission, under Commissioner Hultman, has the necessary money left over from the Storrow Fund for the beautifying of the Charles River Basin, and the boathouse, if built,

would be built entirely from that fund and be maintained by the Metropolitan District Commission.

I am to confer with Park Commissioner Long and Commissioner Hultman about this and will communicate with the committee later.

The object of building the boathouse is to have the river used more by small boats—sailboats, canoes and rowboats—and to provide a housing place where they will be protected. It seems like an excellent plan and unless there is objection now unforeseen I shall probably favor it.

This committee also requested the establishment of a traffic light at the corner of Allen and Charles streets, which is a very dangerous crossing, and where many casualties have occurred. I referred that request to the Traffic Commission for a report.

PROCEEDINGS OF CITY COUNCIL.

Monday, January 13, 1936.

Regular meeting of the City Council in the Council Chamber, City Hall, at 2 p. m., Coun. GALLAGHER presiding in the temporary absence of President Fitzgerald. Absent, Coun. Brackman, Peter A. Murray, Norton and Shattuck.

MOSQUITO CONTROL.

The following was received:

City of Boston,

Office of the Mayor, January 13, 1936.

To the City Council.

Gentlemen,—I have received from the secretary of the State Reclamation Board notice that under the provisions of section 4 of chapter 112 of the Acts of 1931, the Board has fixed the amount of money to be raised and appropriated by Boston for the maintenance of mosquito control works during 1936 at \$300.

To meet this certification I submit herewith an order providing for the appropriation of the required amount from the Reserve Fund and respectfully recommend the adoption of this order by your Honorable Body.

Respectfully,

FREDERICK W. MANSFIELD, Mayor.

Commonwealth of Massachusetts.

State Reclamation Board.

Boston, December 14, 1935.

Hon. Frederick W. Mansfield,

Mayor of Boston.

Dear Mayor,—Under the provisions of chapter 112 of the Acts of 1931, an act relative to carrying out mosquito control measures, the State Reclamation Board is required by section 4 to certify the amounts to be raised and appropriated by each city and town for the maintenance of the mosquito control works constructed in each city or town. This section is as follows:

"On or before December fifteenth in each year, the sums of money necessary to properly maintain during the ensuing year the mosquito control works originally constructed in any city or town hereunder shall be estimated by said board and certified by it to such city or town. The amounts so certified shall be raised and appropriated by such city or town during said ensuing year and shall be paid into the state treasury and disbursed therefrom on warrants drawn by said board."

As directed by section 4 of chapter 112 of the Acts of 1931, the State Reclamation Board has made estimates of the necessary maintenance, and hereby certifies that \$300 is the sum of money necessary to properly maintain during the ensuing year the mosquito control works constructed in the City of Boston under the said act.

The Board calls attention to the provisions in the latter part of said section 4 relative to paying the said amount into the state treasury and urges that this be done as soon as possible after your appropriation is made.

A form of suitable order is attached.

Very truly yours,

STATE RECLAMATION BOARD,

GEORGE R. STRATTON, Secretary.

Ordered, That the sum of \$300 be, and hereby is, appropriated, for the purpose of maintaining during the current year the mosquito control works as estimated and certified to by the State Reclamation Board, in accordance with the provisions of chapter 112 of the Acts of 1931, said sum to be charged to the Reserve Fund, when made.

Referred to Executive Committee.

INVITATION FROM HARVARD COLLEGE.

The following was received:

City of Boston,

Office of the Mayor, January 11, 1936.

To the City Council.

Gentlemen,—I transmit herewith an invitation from the President and Fellows of Harvard College, addressed to his Honor and the City Council, requesting your participation in the Tercentenary Celebration of Harvard University in the College Yard on Friday, September 18, 1936, at 10 o'clock a. m.

Respectfully,

FREDERICK W. MANSFIELD, Mayor.

The President and Fellows of Harvard College

to

His Honor the Mayor and the Honorable Council of the City of Boston.

Greeting:

It having pleased God to inspire the love of Learning amongst the first settlers of the Colony of Massachusetts Bay and, in the infancy of their community, to direct their labors towards the well-being of Church and State through the establishment of foundations for the increase of knowledge and the education of youth, it is meet and proper that this Society of Scholars, founded in the Year of Our Lord one thousand six hundred and thirty-six, by Act of a Great and General Court of the Company of Massachusetts Bay convened in Boston the 8th/18th of September of

that year, should celebrate in the company of friends and benefactors the Three Hundredth Anniversary of its foundation.

To the watering of that tender plant in the wilderness of a great continent the faith, the courage, and the devotion of many were given. Amongst them John Harvard, a godly gentleman and a lover of learning, dying before his prime in the second year of the College, bequeathed to it the half of his estate and the whole of his library. In gratitude to him the General Court gave his name to the Foundation; and Harvard College it has since been called. Of him it has been written:

"He will teach that one disinterested deed of hope and faith may crown a brief and broken life with deathless fame. He will teach that the good which men do lives after them, fructified and multiplied beyond all power of measurement or computation. He will teach that from the seed which he planted in loneliness, weakness, and sorrow, have sprung joy, strength, and energy ever fresh, blooming year after year in this garden of learning, and flourishing more and more as time goes on."

Thus joined with the destinies of the College, and of the University into which it blossomed, he shares the homage we would pay to the pious Founders, to the General Court of Colony and Commonwealth, to the Town and the City of Cambridge, to the City of Boston, and to the ancient and unending procession of Benefactors whom John Harvard led and still inspires.

Our debt to the past does not begin with the record of our establishment; for in building their House of Learning in the New World our ancestors laid claim to a patrimony in the Old. To Emmanuel, the College of John Harvard, and to his University of Cambridge; to the University of Oxford; and through the British Universities to the ancient seats of Bologna and Paris, we are bound by lineage and tradition. In later years the Universities of Germany and of other European countries have contributed to the advancement of American scholarship, both by their hospitality to American students and by participating in fruitful exchanges of teachers. In these benefits Harvard University has largely shared. With all the Universities, Colleges, and Learned Societies of the Old World and the New, we are held in the bonds of a common heritage and a common purpose.

Wherefore we beg the favor of your participation in the rites and festivities of our Tercentenary, to be held in Cambridge on September the sixteenth, seventeenth, and eighteenth, in the year of Our Lord the one thousand nine hundred and thirty-sixth.

If so be that you will thus honor us, we pray that we may in due season be apprised of the names of your Delegates, whom, for your sake and in their own persons we shall gladly welcome to our Festival.

Given at Harvard University, in the City of Cambridge, and Commonwealth of Massachusetts, this First Day of January, in the year of Our Lord the one thousand nine hundred and thirty-sixth and of Harvard College the Three Hundredth.

JAMES B. CONANT,

President.

JEROME D. GREENE,

Secretary to the Corporation.

Placed on file.

APPOINTMENTS BY THE MAYOR.

Subject to confirmation by the Council the Mayor submitted the following appointments, viz.:
Weigher of Coal: John Mahoney, 194 Broad street, Weymouth, Mass.

Weighers of Goods: Walter T. Curran, 85 Perkins street, Somerville, Mass.; John J. Heavey, 235 Beach street, Belmont, Mass.; William F. Heavey, 37 Cabot street, Milton, Mass.

Severally laid over a week under the law.

APPROPRIATION FOR MUNICIPAL EMPLOYMENT BUREAU.

The following was received:

City of Boston,

Office of the Mayor, January 10, 1936.

To the City Council.

Gentlemen,—I am advised by the director of the Municipal Employment Bureau that funds available for the operation of the Bureau are practically exhausted, and that an additional appropriation should be made at this time to permit the carrying on of the activities of the Bureau. According to an estimate prepared by the director, an appropriation of \$10,000 will be required to cover the work of the Bureau for approximately six months. In my opinion the activities of the Bureau should be continued, and I therefore submit herewith an order providing for the appropriation of \$10,000, and respectfully recommend its adoption by your Honorable Body.

Respectfully,

FREDERICK W. MANSFIELD, Mayor.

Ordered, That the sum of \$10,000 be, and hereby is, appropriated, to be expended by the Municipal Employment Bureau, under the direction of the Mayor, in the prosecution of its duties, said sum to be charged to the Reserve Fund, when made.

Referred to the Executive Committee.

REPORT OF COMMITTEE ON PER CAPITA COST COMPARISONS.

The following was received:

City of Boston,

Office of the Mayor, January 11, 1936.

To the City Council.

Gentlemen,—I transmit herewith the report prepared for the Mayor and City Council by the committee appointed by me to consider the matter of per capita cost comparisons of municipal expenditures in accordance with the order passed by your body October 21, 1935.

Respectfully,

FREDERICK W. MANSFIELD, Mayor.

The undersigned were appointed a committee by his Honor the Mayor, at the request of the City Council, to examine into the statement that the per capita cost of municipal government in Boston is greater than in any other large city in this country.

This statement has been widely quoted and is based on a census bureau table issued by the Federal Government covering the thirteen largest cities in the United States for the year 1933. The per capita cost for each city is obtained by dividing the total of its expenditures (excluding public service enterprises) for the year 1933 by the figure corresponding to the population as shown by the latest United States census. The quotient is assumed to be the per capita cost of municipal government in each of the cities to which the process is applied, and the resulting figures range from \$36.84 for St. Louis to \$76.02 for Boston.

The arithmetic is probably correct, but the results are of little, if any, practical value. The table is nothing more than it purports to be, the result of a mathematical process, but like a great many other statistical tables, it is open to various interpretations depending on the particular line of argument advanced by the person using it.

To make a fair comparison of the cost of municipal government among several cities it is necessary to take into account, first, how many, and what quality of services are furnished in each city at the public expense and what items of expense not strictly municipal are included in the costs of one city and not in another, and, second, the character and extent of the population served.

So far as Boston is concerned, the two factors involved in this table are not comparable with any of the other large cities. Municipal expenditures in this city cover expenditures for county government, metropolitan expenses and other items which in other cities are not included in the city expense. In addition, the city is obliged to incur expenses not for a resident population of 781,188, which is the figure used in the table, but for a day-time population of at least 500,000 more who live in the suburbs but come to business in Boston each day. Using this day-time population figures, it brings the per capita cost down to \$46, and omitting from the total expense several items peculiar to Boston, we can bring the per capita figure down to less than \$40.

Of course this process and conclusion is more or less ridiculous, but it is advanced for the purpose of showing the lack of importance or value of statistics of this kind.

Another table recently compiled by Dun & Bradstreet gives the net debt of Boston per capita as \$108, which is \$36 less than the average for the thirteen cities having more than 500,000 population. This kind of table is equally valueless and for the same reason, that is, that the bases and factors involved are not comparable.

As we have indicated, several sets of tables can be prepared based on authentic figures, some of which tables show on their face that the cost of municipal government in Boston is less than the cost in most of the other large cities and others show just the opposite. We reiterate that such tables are worthless because they are founded on bases which are not fairly comparable. In one city ashes and garbage may be collected as a municipal function while in another it is a private expense. One city may have to expend millions for snow removal while another has practically no snow expense. Streets and sewers may be constructed at the public expense in one city while in another the abutters have to pay the cost. The taxpayers in one city may have furnished to them as a matter of course public baths and gymnasiums which are absent in another city. While presumably all large cities have a traffic problem to some extent, the difficulties may be so increased in one city by narrow and illogically laid out streets that a police officer is required at almost every intersection in the business district while in another with wide avenues and rectangular blocks traffic officers are hardly necessary.

In one city the public welfare expenses are assumed by the county and do not appear as a municipal expense. In others the greater portion of the public welfare costs have been paid during the depression by the State or the Federal Government, but in Boston nearly all the expense of public welfare has been the burden of the municipality. Every other large city has missing from its municipal expense account one or more of the elements which are included in the cost of municipal government in this city.

Taking these matters into consideration we think it is evident that a table of per capita costs is of no value either for comparative purposes or as an argument for reduction of expenditures.

The force of this statement can better be appreciated when it is realized that a survey of per capita cost tables compiled during the past thirty years shows that with only one or two exceptions Boston has always been credited or charged with the highest per capita cost among the larger cities of the country. In other words, the position of Boston as shown in the 1933 table issued by the Census Bureau is not a new development. It has existed for at least three decades and must necessarily continue so long as per capita costs are computed on the present basis.

JOHN F. DOWD, City Councilor—Chairman.
CHARLES J. FOX, City Auditor.
WILFRED J. DOYLE, City Clerk.

Placed on file.

BIDS FOR STREET LIGHTING.

The following was received:

City of Boston,
Office of the Mayor, January 13, 1936.
To the Honorable the City Council.

Gentlemen,—I transmit herewith letter from the Commissioner of Public Works dated December 30, 1935, relating to bids received by him for (1) furnishing illuminating gas for street lighting and (2) lighting, extinguishing and maintaining gas lamps.

Mr. Carven recommends the approval of a contract for the term of five years at the total price of \$20.50 per lamp per year (\$7.46 for gas furnished and \$13.04 for lighting, extinguishing and maintenance) for approximately 9,500 single burner lamps under Item 1 of the proposals to the Boston Consolidated Gas Company, the only bidder. Item 2 of the proposals providing for a contract of three years, sets forth a total price of \$21.66 per lamp per year. Item 3 of the proposals, providing for a five-year contract, with the right in the city to reduce the number of lamps to 50 per cent of the total in operation at the beginning of the term, sets forth a total price of \$26.21 per lamp per year. Item 4 of the proposals, providing for a three-year contract, with the right in the city to reduce the number of lamps to 50 per cent of the total in operation at the beginning of the term, sets forth a total price of \$28.16 per lamp per year.

Mr. Carven estimates that a contract under Item 1 for five years will represent a saving to the city of approximately \$11,020 per year over a three-year contract under Item 2; a saving of approximately \$54,245 in the first year and of approximately \$27,122 in each of the following four years over a five-year contract under Item 3; and a saving of approximately \$72,770 in the first year and of approximately \$36,385 in each of the following two years over a three-year contract under Item 4.

If the five-year contract under Item 1 is approved, the price will represent a saving over the present price of approximately \$2.62 per lamp per year, or a total of approximately \$24,890 per year, or approximately \$124,450 for the five-year term.

Moreover, if the five-year contracts under Item 1 are approved by your Honorable Body and me prior to March 1, 1936, the company has agreed to give to the city a total discount or allowance from the purchase price of \$12,607.60.

BIDS FOR FURNISHING ILLUMINATING GAS, ETC.—OPENED DECEMBER 26, 1935.

ITEM.	Period.	Number of Lamps.	Furnishing Gas.	Equipment.	Total Per Year Per Unit.	Total Yearly Cost.
1.....	5-year	9,500	\$7 46	\$13 04	\$20 50	\$194,750 00
2.....	3-year	9,500	\$7 46	\$14 20	\$21 66	\$205,770 00
3.....	1st year of 5-year	9,500	\$7 46	\$18 75	\$26 21	*\$248,995 00
	2nd-3rd-4th-5th year of 5-year	Reduced 50% 4,750	\$7 46	\$18 75	\$26 21	\$124,497 50
	Plus 4,750 electric lamps at \$20.50.....					97,375 00
						\$221,872 50
4.....	1st year of 3-year	9,500	\$7 46	\$20 70	\$28 16	*\$267,520 00
	2nd and 3rd year of 3-year	Reduced 50% 4,750	\$7 46	\$20 70	\$28 16	\$133,760 00
	Plus 4,750 electric lamps at \$20.50.....					97,375 00
						\$231,135 00

*The actual expense for the first year is more or less indeterminate, due to the fact that electric lamps will be substituted for gas lamps during the year. The above cost is the maximum.

Ordered printed and referred to the Committee on Municipal Lighting.

PETITIONS REFERRED.

The following petitions were received and referred to the committees named, viz.:

Claims.

Walter Davey, for compensation for collapse of water boiler at 43 Carrolton street, caused by shutting off water.

Harry Fine, for compensation for damage to car by dump carts.

Bartholomew Flynn, for compensation for injuries caused by an alleged defect at Deer Island Prison.

Samuel Hertzog, Inc., for compensation for damage to property at 619 Washington street, caused by break in water main.

The form of contract for furnishing gas (under Item 1) contains a provision that if at any time or times during the term thereof, the price to a general customer of the Boston Consolidated Gas Company using 2,000 cubic feet of gas per month (the average customer, I understand, uses about 1,800 cubic feet per month) shall be decreased to an amount below the present price of \$2.50, the price of \$7.46 provided for in said contract shall be decreased in the same ratio. The city will thereby have the benefit of any rate reductions to general consumers that may be ordered by the Department of Public Utilities or voluntarily made by the company.

I accordingly submit the two contracts under Item 1 for your approval and recommend that your Honorable Body give a public hearing after seven days' notice in the *City Record* under the provisions of section 6 of chapter 486 of the Acts of 1909, as promptly as possible.

Respectfully,

FREDERICK W. MANSFIELD, Mayor.

City of Boston,
Public Works Department,
December 30, 1935.

Hon. Frederick W. Mansfield,
Mayor of Boston.

Dear Sir,—Bids were received on December 26, 1935, after public advertisement, for furnishing illuminating gas for street lighting and for equipment and the lighting and extinguishing of gas lamps in the City of Boston, excluding the Hyde Park district. Proposals were invited as follows:

Item 1. For about 9,500 single-burner lamps for a five-year period.

Item 2. For about 9,500 single-burner lamps for a three-year period.

Item 3. For about 9,500 single-burner lamps for a five-year period with the city's option of making a 50 per cent reduction in the number of lamps during said period.

Item 4. For about 9,500 single-burner lamps for a three-year period with the city's option of making a 50 per cent reduction in the number of lamps during said period.

The Boston Consolidated Gas Company, the only bidder, submitted the following prices:

Five-year period.....\$20.50 per lamp, per year.

Three-year period.....\$21.66 per lamp, per year.

Five-year period (with 50 per cent reduction during said period), \$26.21 per lamp, per year.

Three-year period (with 50 per cent reduction during said period), \$28.16 per lamp, per year.

I inclose a tabulation showing the estimated yearly cost under the various items.

I respectfully recommend that the proposal for gas lighting for the five-year period be accepted, as it is the most economical for the city.

Copies of the proposed contracts are sent herewith for presentation to the City Council for its approval as well as for that of your Honor as required by section 6 of chapter 486 of the Acts of 1909 (City Charter Amendments).

Yours respectfully,

C. J. CARVEN,
Commissioner of Public Works.

Edith Wexler, for compensation for damage to property at 77 King street, caused by frozen water pipes.

Ellen E. Young, for compensation for damage to property at 98 F street, South Boston, caused by broken water main.

Executive.

Petition of Howard Colson, employed in Boston City Hospital as supplyman, to be retired under chapter 765, Acts of 1914.

Petition of Miriam L. Staples, for children under fifteen years of age to appear at Statler Georgian Hall, January 7.

Committee on Jitney Licenses.

Petition of Eastern Massachusetts Street Railway Company, for license for operation of motor vehicles on Chelsea street, between Chelsea-Boston boundary line and in and around City square; on Washington Street North, between City square and Haymarket Square Circle; also on Warren avenue, between City square and Warren Bridge; on Warren Bridge, on Beverly street, between Warren Bridge and Washington Street North.

BOND OF FRANCIS P. BUTLER.

The bond of Francis P. Butler, appointed second assistant register of deeds January 2, 1936, in The Employers' Liability Assurance Corporation, Limited, was submitted.

Approved by the Council.

INTEREST IN CONTRACT OF JOSEPH P. MANNING.

Notice was received from Joseph P. Manning of his interest in contracts awarded to Joseph P. Manning Company.

Placed on file.

ORGANIZATION OF STREET COMMISSIONERS.

Notice was received from the Board of Street Commissioners of its organization on January 6, 1936, by the election of Owen A. Gallagher to be chairman and Cornelius A. Reardon to be secretary.

Placed on file.

ABSENCE OF MAYOR FROM CITY.

Notice was received from the Mayor of his absence from the city from Sunday, January 12, at 12 noon to and including Wednesday, January 15, 1936.

Placed on file.

WHITE WAY LIGHTING, COLUMBUS AVENUE.

Coun. ROBERTS offered the following:

Ordered, That the Commissioner of Public Works be requested, through his Honor the Mayor, to include in the current budget a sum sufficient to provide for the installation of a white way lighting system along Columbus avenue, from Park square to Massachusetts avenue, Ward 4.

Passed under suspension of the rule.

WEEKLY PAYMENT OF W. P. A. WORKERS.

Coun. DOWD offered the following:

Ordered, That his Honor the Mayor be requested to consider the advisability of requesting the President of the United States to pay all W. P. A. workers once a week instead of twice a month.

Coun. DOWD—Mr. President, some weeks ago I introduced an order, which was adopted by the Council, requesting the President of the United States to remove from office immediately the administrator of W. P. A. in this state, Arthur G. Rotch, on the ground that he was so inefficient in handling the situation that a general breakdown of the work was imminent. I also requested the President to remove Mr. Rotch because of the fact that he knew not any feeling of human kindness towards the people of Boston and of Massachusetts. Since that time the battle has been taken up, not by a mere City Councilor, but by Congressmen and by other men in this state, who have recommended that Mr. Rotch be removed from office. The breakdown in the W. P. A. has come. There is no question about that. We can see lines of hundreds and hundreds of men and women waiting to be paid, we can see lines of hundreds and hundreds of men and women who should get their pay, but who instead are forced to go to the public welfare to have their income supplemented week in and week out, meaning thereby the expenditure of at least \$100,000 of money of the taxpayers of Boston, which could be avoided if Mr. Rotch and his socialists, high-brows and bluebloods, who are running the W. P. A. at the present time were not on the job. What do we find in Boston? You can pick up any paper on any day in the week and will find the same old story,—that \$600,000 or \$700,000 has been appropriated for W. P. A. work. But what is the truth of the matter? The hundreds of men and women who are going to Oliver street or

E. F. Hodgson, for compensation for damage to car by city truck.

Sadie A. Jones, for compensation for injuries caused by an alleged defect at Neponset avenue and Spaulding square.

Rose C. Kelly, for compensation for injuries caused by an alleged defect in Municipal Building, Shawmut avenue.

Virginia W. Matthews et al., for compensation for injuries and damage to car caused by an alleged defect in Veterans of Foreign Wars Highway.

Lena Meissler, for compensation for damage to car by city truck.

The Sheraton, Inc., for refund on refuse tickets. Stainslaw G. Staniun, for compensation for injuries caused by city truck.

Nashua street know what the answer is better than you or I. If there is anything in the world that is damnable, it is the attitude of the Federal Government towards our men and women who need aid. They expect employment. I have said in this Council for the last two months that they are not going to get any work, and I repeat it today. There are more men and women being laid off under W. P. A. than are being put on. I say to the President of the United States of America that office immediately and that someone who understands the poor people of America, of Boston and Massachusetts, should be placed in that position. Oh, it is a crying shame! Go to the Army Base, go to Park square, go to any W. P. A. project, and you will see them rolling up in their limousines, their Pierce-Arrows and other large cars, getting \$40 or \$50 a week, when men or women with five or six children go out for a laboring job and cannot get it. We are told that everybody will be put to work, but what is the result? On welfare there are within 5,000 of the number who were there three years ago. I say to the people of Boston that they are being deceived by this government of ours. I repeat that there are more people getting laid off on the W. P. A. than there are being put on. There is not a man in the Council who is not up against the same proposition that I am. Day in and day out they listen to an account of the sufferings of hungry men and women, with children, who are wondering why they cannot get a job, why they cannot be employed, while individuals with a bank roll in some cases of \$50,000 are working. They cannot understand it and, placing myself in their shoes, I cannot understand it, either. There is nobody who can understand it except the bluebloods, the socialites, who are running the W. P. A. at the present time. These people go into your home and my home and tell us how to raise our children, what we shall eat for breakfast and for dinner. They know not what it is to be hungry, not knowing where the next meal is coming from. The intent of W. P. A. was to give employment to men and women who need it. But that is not being done. Men and women with plenty of money are being placed at work in preference to men and women who really need the work. In the meantime, millions upon millions are being wasted, because the socialite Hopkins knows not what it is all about, and, furthermore, cares less. Let the President of the United States of America place at the head of that department, in so far as Massachusetts is concerned, a man who knows the beats of the human heart, a man who understands the everyday man and who knows what it is to be hungry. This gentleman, Rotch, goes to the Ritz-Carlton and spends more money for one meal than any of us, fellow members, get in a week. He does not care about the common people. They are just common trash, beneath his notice. It is time that we of the City Council, even without any power in the matter, placed the situation in regard to these socialites before the public. These poor men and women who want help from the W. P. A. are advised to see their City Councilor—knowing well that not a member of the City Council can do anything for them. They care less for us than they do for the individual looking for work. There are 110,000 applications on file. None of them will go to work. Why don't they tell the truth, and why doesn't the President of the United States remove Arthur G. Rotch as State Administrator? (Applause from the galleries.)

The order was passed under suspension of the rule.

PRINTING OF MUNICIPAL REGISTER

Coun. ROSENBERG offered the following: Ordered, That the Statistics Department be authorized, under the direction of the committee on rules, to prepare and have printed the Municipal Register for the current year; and that the Clerk of Committees be authorized to prepare and have printed a pocket edition of the organization of the city government; the expense of said register and organization to be charged to the appropriation for City Documents.

Passed under suspension of the rule.

SOLDIERS' RELIEF.

Coun. KERRIGAN submitted the following: Ordered, That under the provisions of chapter 115 of the General Laws, and acts in amendment thereof or in addition thereto the amounts set forth in the list of allowances hereto annexed, for the month of January, 1936, of aid to soldiers and sailors and their families residing in the City of Boston or having a settlement therein, be hereby approved and paid until otherwise ordered, unless the person named shall previously become ineligible to receive said aid.

Passed under suspension of the rule.

PAYMENT OF ANNUITY TO THOMAS E. GOGGIN.

Coun. KERRIGAN offered the following: Resolved, That the City Council of Boston hereby approves the enactment of legislation for

the payment of an annuity to Thomas E. Goggin, formerly an employee of the City of Boston and County of Suffolk, who was injured in the course of his employment, provided that said legislation includes a referendum to the Mayor and City Council.

Passed under suspension of the rule.

REFUND TO DANIEL F. MCCARTHY.

Coun. MELLEEN offered the following: Resolved, That the City Council of Boston hereby approves the enactment of legislation to authorize the refunding to Daniel F. McCarthy of the amount paid for a retail package license, provided that said legislation includes a referendum to the Mayor and City Council.

Passed under suspension of the rule.

PAYMENT TO MOTHER OF MARY DURANT.

Coun. KERRIGAN offered the following: Resolved, That the City Council of Boston hereby favors the enactment of legislation authorizing the city to pay a sum of money to the mother of Mary Durant, who lost her life at a South Boston bathing beach, provided that such legislation includes a referendum to the Mayor and City Council.

Passed under suspension of the rule.

PAYMENT TO PARENTS OF JOHN MCGRATH.

Coun. KERRIGAN offered the following: Resolved, That the City Council of Boston hereby favors the enactment of legislation authorizing said city to pay a sum of money to the parents of John McGrath, a minor, provided that said legislation includes a referendum to the Mayor and City Council.

Passed under suspension of the rule.

PAYMENT TO HENRY W. ROBERTS.

Coun. KERRIGAN offered the following: Resolved, That the City Council of Boston hereby favors the enactment of legislation authorizing the payment of a sum of money by said city to Henry W. Roberts, provided that said legislation includes a referendum to the Mayor and City Council.

Passed under suspension of the rule.

AUTOMATIC TRAFFIC SIGNALS, WARD 13.

Coun. PETER J. FITZGERALD offered the following:

Ordered, That the Traffic Commission be requested, through his Honor the Mayor, to install automatic traffic signals at the junction of Savin Hill avenue and Dorchester avenue, Ward 13.

Passed under suspension of the rule.

AUTOMATIC TRAFFIC SIGNALS, DORCHESTER.

Coun. MCGRATH offered the following: Ordered, That the Traffic Commissioner be requested, through his Honor the Mayor, to install automatic traffic signals adjacent to St. Ann's Church, Neponset avenue, and St. Mark's Church, Dorchester avenue.

Passed under suspension of the rule.

EMPLOYMENT OF NONRESIDENTS AT RACE TRACKS.

Coun. MCGRATH offered the following: Ordered, That his Honor the Mayor be requested to instruct the Corporation Counsel to prepare suitable legislation for presentation to the present Legislature limiting employment of nonresidents of Massachusetts at the various horse and race tracks in this state to 10 per cent of the total number of persons employed on such tracks.

Coun. MCGRATH—Mr. President, in the state of Florida there is a rule that only 10 per cent of nonresidents of the state can be employed at horse or dog tracks. A friend of mine went down there from Massachusetts to secure a position, having been so employed here, and when he arrived in Florida he was told that he could not get a job there as long as he did not belong in the state, and he didn't even have his car fare home. I think if they set such a precedent in Florida we should set it in Massachusetts.

The order was passed under suspension of the rule.

COMMITTEE TO INVESTIGATE RENDERING LICENSES.

Coun. ROBERTS offered the following: Ordered, That the President of the City Council appoint five members of the Council as a committee

for the purpose of investigating and supervising all petitions for licenses under chapter 111, section 151, of the General Laws, and also for the purpose of investigating any establishments or organizations doing business within the meaning of said act, whether they have petitioned for a license or not.

Passed under suspension of the rule.

REPORT OF COMMITTEE ON RULES.

Coun. KERRIGAN, for the Committee on Rules, submitted accompanying draft of rules for City Council of 1936-37, being substantially the same rules as were in effect during the year 1935—recommending their adoption, viz.:

RULES OF THE CITY COUNCIL, 1936-37.

Rule 1. Unless otherwise ordered from time to time the regular meeting of the city council shall be held on every Monday at two o'clock p. m. Special meetings may be called by the president at his discretion, and by the city clerk for the purpose only of drawing jurors. No special meeting of the city council, except to draw jurors, shall be called except with the consent of all the members, upon less notice than twenty-four hours from the time the notices are mailed or dispatched by special messenger.

President.

Rule 2. The president of the council shall take the chair at the hour to which the council shall have adjourned and shall call the members to order, and, a quorum being present, shall proceed with the regular order of business. In the absence of the president the senior member by age present shall preside as temporary president, or until a presiding officer is chosen.

Rule 3. The president shall preserve decorum and order, may speak to points of order in preference to other members and shall decide all questions of order, subject to an appeal. Any member may appeal from the decision of the chair, but no appeal shall be considered unless properly seconded. No other business, except a motion to adjourn or to lay on the table, shall be in order until the question on appeal has been decided. The question shall be put as follows:

"Shall the decision of the chair stand as the judgment of the council?" The vote shall be by a roll call, and it shall be decided in the affirmative unless a majority of the votes are to the contrary.

Rule 4. The president shall propound all motions in the order in which they are moved, unless the subsequent motion shall be previous in its nature, except that, in naming sums and fixing times, the largest sum and the longest time shall be put first.

Rule 5. The president shall, at the request of any member, make a division of a question when the sense will admit of it.

Rule 6. The president shall, without debate, decide all questions relating to priority of business to be acted upon.

Rule 7. The president shall declare all votes; but if any member doubts a vote, the president shall cause a rising vote to be taken, and, when any member so requests, shall cause the vote to be taken or verified by yeas and nays.

Rule 8. The president shall appoint all committees, fill all vacancies therein, and designate the rank of the members thereof.

Rule 9. When the president of the council or the president *pro tempore* shall desire to vacate the chair he may call any member to it; but such substitution shall not continue beyond an adjournment.

Motions.

Rule 10. Every motion shall be reduced to writing if the president shall so direct.

Rule 11. A motion to strike out and insert shall be deemed indivisible; but a motion to strike out being lost shall not preclude amendment, or a motion to strike out an insert.

Rule 12. No motion or proposition of a subject different from that under consideration shall be admitted under color of amendment.

Any motion, order or resolution which in the opinion of the presiding officer does not have a direct bearing on the business of the council shall be referred without debate to the committee on rules and shall not be further considered by the council except upon report by that committee. There shall be no appeal from the decision of the chair hereunder, and this rule shall not be subject to suspension.

The committee on rules may report that any motion, order or resolution so referred to it is out of order because not having a direct bearing on the business of the council, and its report shall be a final disposition of the matter, subject to an appeal which shall be governed by the same provisions as those governing appeals from rulings of the presiding officer.

Rule 13. When an order or resolution relates to a subject which may properly be examined and reported upon by an existing committee of the city council, such order or resolution shall, upon presentation, be referred to such committee. When a motion is made to refer any subject, and different committees are proposed, the motions shall be put in the following order:

1. To a standing committee of the council.
2. To a special committee of the council.

Any member offering a motion, order or resolution, which is referred to a committee, shall be given a hearing on the same by the committee

before a report is made thereon, provided he so requests at the time of offering the order or before final action by the committee.

Any matter referred to a committee may be recalled by a majority vote of all the members of the council, if such matter is not reported upon within one month from the date of reference.

Rule 14. After a motion has been put by the president it shall not be withdrawn except by unanimous consent.

Rule 15. When a question is under debate the following motions only shall be entertained, and shall have precedence in the order in which they stand arranged:

1. To adjourn.
2. To lay on the table.
3. The previous question.
4. To close debate at a specified time.
5. To postpone to a day certain.
6. To commit.
7. To amend.
8. To postpone indefinitely.

Rule 16. A motion to adjourn shall be in order at any time, except on an immediate repetition or pending a verification of a vote; and that motion, the motion to lay on the table, the motion to take from the table, and the motion for the previous question, shall be decided without debate.

Readings.

Rule 17. Every ordinance, order and resolution shall, unless rejected, have two several readings, both of which may take place at the same session unless objection is made, provided, however, that all orders for the expenditure of moneys, unless reported upon by a committee of the council, shall lie over for one week before final action thereon. Whenever the second reading immediately follows the first reading, the document may be read by its title only; provided, that all orders releasing rights or easements in or restrictions on land, all orders for the sale of land other than school lands, all appropriations for the purchase of land other than for school purposes, and all loans voted by the city council shall require a vote of two-thirds of all the members of the city council, and shall be passed only after two separate readings and by two separate votes, the second of said readings and votes to be had not less than fourteen days after the first, except in the case of temporary loans in anticipation of taxes.

Reconsideration.

Rule 18. When a vote has been passed any member may move a reconsideration thereof at the same meeting. No member shall speak for more than ten minutes on a motion to reconsider.

Rule 19. When a motion to reconsider has been decided, that decision shall not be reconsidered, and no question shall be twice reconsidered unless it has been amended after the reconsideration; nor shall any reconsideration be had upon the following motions:

- To adjourn.
- The previous question.
- To lay on the table.
- To take from the table.
- To close debate at a specified time.

A motion to reconsider may be laid on the table or postponed indefinitely, and the effect of such action in either case shall be to defeat the motion to reconsider.

Conduct of Members.

Rule 20. Every member when about to speak shall rise, address the chair, and wait until he is recognized, and, in speaking, shall refrain from mentioning any other member by name, shall confine himself to the question and avoid personalities. Any member who, in debate or otherwise, indulges in personalities or makes charges reflecting upon the character of another member, shall make an apology in open session at the meeting at which the offence is committed or at the next succeeding regular meeting, and, failing to do so, shall be named by the president or held in contempt and suspended from further participation in debate until said apology is made.

Rule 21. No member shall speak more than once on a question when another member who has not spoken claims the floor, and no member speaking shall, without his consent, be interrupted by another, except upon a point of order.

Rule 22. No member shall be permitted to vote on any question, or to serve on any committee, where his private right is immediately concerned, distinct from the public interest.

Rule 23. Every member who shall be present when a question is put, unless he is excluded by interest, shall give his vote, unless the council for special reason shall excuse him. Application to be so excused on any question must be made before the council is divided, or before the calling of the yeas and nays; and such application shall be accompanied by a brief statement of the reasons, and shall be decided without debate.

Standing Committees.

Rule 24. The following standing committees of the council, and all other committees, unless specially directed by the council, shall be appointed by the president:

1. A committee, to be known as the Executive Committee, to consist of all the members of the council.
2. A committee on Appropriations, to consist of seven members of the council, to whom shall be referred such appropriation orders as may be submitted to the council from time to time.

3. A committee on Claims, to consist of five members of the council, to whom shall be referred all claims against the city arising from the act or neglect of any of its departments. They shall report annually an account of the claims awarded or approved by them, and the amount of money awarded or paid in settlements thereof.

4. A committee on County Accounts, to consist of five members of the council.

5. A committee on Finance, to consist of seven members of the council, to whom shall be referred all applications for expenditures which involve a loan.

6. A committee on Inspection of Prisons, to consist of five members of the council.

7. A committee on Jitney Licenses, to consist of five members of the council.

8. A committee on Legislative Matters, to consist of five members of the council, who shall, unless otherwise ordered, appear before the committees of the General Court and represent the interest of the city; provided, said committee shall not appear unless authorized by vote of the city council, and shall not, unless directed so to do by the city council, oppose any legislation petitioned for by the preceding city council.

9. A committee on Ordinances, to consist of seven members of the council, to whom shall be referred all ordinances or orders concerning ordinances.

10. A committee on Parkman Fund, to consist of five members of the council, to whom shall be referred all matters concerning the Parkman property, or the expenditure of the income from the Parkman Fund.

11. A committee on Printing, to consist of five members of the council, who shall have the charge of all printing, advertising, or publishing ordered by the city council as one of its contingent or incidental expenses, and the supply of all stationery or binding for the same purpose. The committee shall fix the number of copies to be printed of any document printed as above, the minimum, however, to be four hundred; and they shall have the right to make rules and regulations for the care, custody and distribution of all documents, books, pamphlets and maps by the city messenger.

12. A committee on Public Lands, to consist of five members of the council, to whom shall be referred all matters relating to public lands.

13. A committee on Rules, to consist of five members of the council, to consider all matters concerning the rules, and to whom shall be referred all resolutions expressing opinions, principles, facts or purposes.

14. A committee on Soldiers' Relief, to consist of five members of the council, who shall determine the amount of aid to be allowed to soldiers and sailors and their families and submit a schedule of the same to the city council monthly.

Order of Business.

Rule 25. At every regular meeting of the council the order of business shall be as follows:

1. Communications from his honor the mayor.
2. Presentation of petitions, memorials and remonstrances.
3. Reports of city officers, etc.
4. Unfinished business of preceding meetings.
5. Reports of committees.
6. Motions, orders and resolutions.

Spectators.

Rule 26. No person, except a member of the council, shall be permitted to occupy the seat of any member while the council is in session.

Rule 27. No person, excepting officials connected with the city council, and duly assigned reporters of the eight daily newspapers, shall be allowed in the anterooms or upon the floor of the council chamber while the council is in session. Spectators will be allowed in the gallery of the council chamber when the council is in session, and no one will be admitted to said gallery after the seats are occupied. No demonstrations of approval or disapproval from the spectators shall be permitted, and if such demonstrations are made the gallery will be cleared. The city messenger shall enforce this rule.

Burial Grounds.

Rule 28. No permission for the use of land for the purpose of burial shall be granted until a public hearing shall have been given by the executive committee of the city council on the application for such permission, after due notice has been served upon abutters.

Smoking in the Council Chamber.

Rule 29. No smoking shall be allowed in the council chamber when the council is in session.

Committee Meetings.

Rule 30. No meeting of any committee shall, without the consent of all the members thereof, be called upon less notice than twenty-four hours from the time the clerk shall have mailed the notices or dispatched them by special messenger, provided, however, that meetings of the executive committee may be held in the recess period of any meeting of the council without such consent or notice. No committee, unless authorized by an order of the city council, shall incur any expense. No committee meetings shall be called later than one hour immediately preceding the time set for any regular meeting of the city council, nor shall any committee remain in session later than the hour named for any such regular meeting.

Form of Votes.

Rule 31. In all votes the form of expression shall be "Ordered" for everything by way of command, and the form shall be "Resolved" for everything expressing opinions, principles, facts or purposes.

Transfers.

Rule 32. Every application for an appropriation to be provided for by transfer shall be referred to the executive committee, unless otherwise ordered, and no such appropriation shall be made until the said committee has reported thereon.

Use of Committee Rooms.

Rule 33. No person except members and officers of the city council and regularly assigned city hall reporters shall be admitted at any time to the west anteroom, the locker room, or the president's room, except when invited on official business or accompanied by a member of the council.

Confirmation of Appointments.

Rule 34. The question of confirming appointments by the mayor shall be decided by a yeas and no ballot, unless otherwise ordered.

Amendment and Suspension.

Rule 35. The foregoing rules shall not be altered, amended, suspended or repealed at any time, except by the votes of two-thirds of the members of the city council present and voting thereon. The report was accepted and the rules adopted.

ACCEPTANCE OF WHITE OAK ROAD.

Coun. FINLEY offered the following:

Ordered, That the Street Commissioners be requested, through his Honor the Mayor, to accept and lay out, under the W. P. A. plan of construction, White Oak road, Ward 20.

Passed under suspension of the rule.

RECESS.

The Council voted at 2.40 p. m., on motion of Coun. ROBERTS, to take a recess subject to the call of the Chair.

The members reassembled in the Council Chamber and were called to order by President FITZGERALD at 3.01 p. m.

COMMITTEES APPOINTED.

President FITZGERALD appointed the following committees, viz.:

Legislative Matters.

Henry L. Shattuck, chairman.
Peter Fitzgerald.
James J. Kilroy.
John I. Fitzgerald.
Richard D. Gleason.

Jitneys.

Peter A. Murray, chairman.
Henry Selviteella.
Robert Gardiner Wilson, Jr.
John F. Dowd.
John E. Kerrigan.

Municipal Lighting.

John F. Dowd, chairman.
Robert Gardiner Wilson, Jr.
Edward M. Gallagher.
Sydney Rosenberg.
George Murray.

PENSIONS FOR CERTAIN POLICE OFFICERS.

Coun. SELVITELLA offered the following:

Resolved, That the City Council of Boston hereby favors the enactment of legislation relative to pensions payable to certain police officers of the City of Boston heretofore retired on account of disability, provided that such legislation includes a referendum to the Mayor and City Council.

Passed under suspension of the rule.

LOANS IN ANTICIPATION OF TAXES.

President FITZGERALD called up, under unfinished business, No. 1 on the calendar, viz.:

1. Ordered, That to provide temporarily money to meet the appropriations for the financial year 1936, the City Treasurer issue and sell, at such time and in such amounts as he may deem best, notes or certificates of indebtedness of the City of Boston not exceeding forty million dollars in the total, in anticipation of the taxes of the current municipal year; that all such notes or certificates of indebtedness be dated the day the money for the same is received, be made payable with the

interest thereon within one year of their date, and bear interest from their date until the same are made payable at such rate as the City Auditor, the City Treasurer and the Mayor may determine.

On January 6, 1936, the foregoing order was read once and passed, yeas 20, nays 0.

The order was given its second and final reading and passage, yeas 18, nays 0.

EXECUTIVE COMMITTEE REPORTS.

Coun. GALLAGHER, for the Executive Committee, submitted the following:

1. Report on petition of Howard Colson (referred Jan. 13) to be retired, recommending passage of the accompanying order, viz.:

Ordered, That the Retirement Board for Laborers be authorized and requested to retire, under the provisions of chapter 765 of the Acts of 1914, Howard Colson, employed as laborer in the Hospital Department, he having reached the retirement age and being incapacitated from further duty.

Report accepted; order passed.

2. Report on petition of Miriam L. Staples (referred today) for children under fifteen years of age to appear at Statler Georgian Hall, January 7—recommending that leave be granted under usual conditions.

Report accepted; leave granted under usual conditions.

3. Report on message of Mayor and order (referred today) appropriating sum of \$300 for maintaining mosquito control works as estimated by State Reclamation Board—that same ought to pass.

Report accepted, said order passed, yeas 15, nays—Coun. Mellen, George A. Murray—2.

4. Report on message of Mayor and order (referred today) appropriating \$10,000 to be expended by Municipal Employment Bureau—that same ought to pass.

Report accepted; said order passed, yeas 15, nays—Coun. Mellen, George A. Murray—2.

Adjourned at 3.11 p. m., on motion of Coun. GALLAGHER, to meet on Monday, January 20, at 2 p. m.

DR. WILLIAM E. KEELER NAMED HEALTH COMMISSIONER.

Upon January 20 the following statement was issued by Mayor Mansfield:

I have today appointed Dr. William B. Keeler of 5 Wyoming street, Roxbury, Health Commissioner of the City of Boston. He has been connected with the Health Department for fourteen years and has been in charge of the South Boston Units. He has done an excellent piece of work in South Boston and has shown distinct qualities of leadership and executive ability, and I am very sure he will make a very excellent successor to Doctor Mahoney.

SUPPLEMENTARY AID FOR W. P. A. WORKERS.

The following explanation of the relation between the Welfare Department and W. P. A. workers has been made:

On January 15, 1936, the Overseers of the Public Welfare adopted an order that after the first pay check was received by persons on W. P. A. rolls aid from the Welfare Department would be terminated but that cases would continue to receive supplementary relief from the Welfare Department in the amount of \$1, \$2 or \$3 per week in order to bring the income up to the Overseers' regular allowance for the family.

It was also adopted that coal and car-fares for W. P. A. workers would be allowed at the discretion of the Executive Director but that no supplementary aid to W. P. A. cases would be granted if not on the rolls of the Welfare Department when E. R. A. or W. P. A. employment was secured. I am informed by Mr. McMurry, Chairman of the Board, that in cases where W. P. A. workers, through no fault of their own, have not received checks they will be taken care of by the Welfare Board with sufficient money, food or clothing to tide them over until their checks are cashed.

PROCEEDINGS OF SCHOOL COMMITTEE.

Jan. 6, 1936.

The meeting for the organization of the School Committee of the City of Boston for the current municipal year was held in the Administration Building, 15 Beacon Street, at 5.35 o'clock P. M.

Present: Messrs. Lyons, Mackey, Smith, Sullivan and Tobin.

The meeting was called to order by Dr. Joseph V. Lyons, the senior member.

Dr. Lyons: This, the first meeting of the Boston School Committee for the year 1936, is the organization meeting. Every year at this meeting officers of the Committee are elected to serve for one year, namely, the Chairman and the Treasurer. The rules of the School Committee provide that the meeting for organization shall be called to order by the member present whose original election as a member of the School Committee is of the earliest date, who shall preside until a Chairman is chosen. Before the Secretary calls the roll for the election of a Chairman, I want to say that on account of the investigation now going on, I feel that it would not be fitting for me to vote for any officer of this Committee until that investigation is concluded and to the full satisfaction of the citizens of Boston. I therefore will be recorded as not voting.

MEMBERS-ELECT OF SCHOOL COMMITTEE

The following communication was received:

City of Boston
Board of Election Commissioners
City Hall Annex
December 5, 1935.

Miss Ellen M. Cronin
Secretary School Committee
15 Beacon Street, Boston
Dear Madam:

We certify that at the City Election held in the City of Boston on November 5th, 1935, for the choice of three members of the School Committee, for the term of four years, the following were elected to said office:

Charles E. Mackey, 520 East Broadway.

Maurice J. Tobin, 23 Bellvista Road.

Henry J. Smith, 53 Nottingham Road.

Respectfully yours,
David B. Shaw,
Daniel H. Rose,
Frederic E. Dowling,
Francis B. McKinney,
Board of Election Commissioners.
Placed on file.

ELECTION OF CHAIRMAN

The Committee proceeded to the election of a Chairman, and the Secretary was directed to call the roll.

As a result of roll call, Frederick R. Sullivan was elected Chairman by the following vote:

For FREDERICK R. SULLIVAN—Dr. Mackey, Messrs. Smith, Sullivan and Tobin—4.

NOT VOTING—Dr. Lyons—1.

Dr. Lyons: By vote of four members, Mr. Sullivan is duly elected Chairman of the Boston School Committee for the year 1936.

Mr. Sullivan assumed the Chair.

Mr. Sullivan: I wish to thank my colleagues for the honor which they have conferred upon me. I shall do everything in my power to fill the high office of Chairman of the School Committee faithfully and well.

Today my thoughts revert to the interest in public service which impelled me to become a candidate for election to this Committee two years ago. I was then convinced, as I am now, that it is the duty of every citizen to take as active a part as possible in the conduct of our City's administration. I felt that advancement in public office could come as the reward for careful performance of duties. My every act as a member of this Committee for two years has been with these thoughts uppermost in my mind. They will continue of paramount importance during the remainder of my tenure of office.

The School Committee has been most fortunate in the calibre of men and women who have served under it. To Superintendent of Schools, Dr. Patrick T. Campbell, to the Business Manager, Alexander M. Sullivan, to the Secretary, Miss Ellen M. Cronin, to the Custodian, Mr. Mark B. Mulvey and to those in their departments, I wish to express my heartfelt thanks for the manner in which they have performed the functions of their offices and for their cooperation rendered to the School Committee.

Important duties have been assigned to these members of our official staff. The Superintendent as Chief Executive officer has had the general control of all scholastic functions which come under the Committee. Nominations for appointment which are subject to our approval are made by him. All these appointments have been made from the top positions on carefully and honestly rated lists of candidates.

Exceptions to this rated list are made in the case of directors of departments where a thorough check is made by the Superintendent to determine candidates best fitted by training and experience to handle not only the academic but also the administrative duties which are required of department directors. Only in the case of promotion to the position of Superintendent and Assistant Superintendent does the Committee act without the nomination of the Superintendent for appointment and promotion.

On account of the recent publicity which has been attached to one of these appointments, I wish to make clear that I have absolute faith in the fairness and the ability which the Superintendent has demonstrated in presenting candidates to us for appointment. The carefulness of this method of selection is best indicated by the manner in which those appointed have performed their duties.

Our teaching and administrative staff is second to none. The education given to the children of Bos-

ton is outstanding among public school systems of the country.

Next, I wish to comment upon the office and duties of our Business Manager. Through this office is handled a tremendous amount of detail, payrolls, purchases, contracts, receiving, inspecting, storing and delivering of supplies. Our Business Manager, Alexander M. Sullivan, has achieved an enviable record during his career for efficiency in the conduct of his office and for character above reproach.

Miss Cronin, our Secretary, and Mr. Mulvey, our Custodian, take equal place among these others who have so well served the schools and the people of Boston.

Reviewing as I do now, the qualities both of the workers and their work, I feel honored to have served with them.

However, the start of a New Year requires more forward looking than backward. It calls upon us to prepare for those problems which are to face us in 1936. Without doubt, we begin tonight a year which will be as strenuous as any the School Department or Committee has had to meet.

Ahead are problems of maintaining at least, improving where possible, the educational standards of our schools. At no time can we forget that this department exists for the benefit of the children of school age, and that in educating them we mold the future of the people of Boston and even the future of the city. In our schools today are youngsters who will direct the destinies of the City, State and Federal Governments of tomorrow.

I bring to the chair no revolutionary educational methods nor do I bring suggestions of startling revisions of our teaching system. Rather, I promise to my associates, and to the people of Boston, that no effort will be spared to uphold standards of our teaching and teaching staff.

Nevertheless, a limitation must be kept before our minds at all times. We cannot allow this Department to become an overpowering financial burden upon the taxpayers of the City. Every dollar expended must be carefully checked, and every function and department of the school system must be made to prove that its merit is equal to its cost. With this principle in mind, we must give added scrutiny to the make-up of our 1936 budget, realizing as we work that the present tax rate is distinctly burdensome upon those who must pay it.

Problems of this sort demand and will receive careful attention and consideration. Research into present and future needs, careful analysis of budgets and expenditures, the realization that the good of the system supersedes any desires of individuals in or out of the service—these must be our standards.

Knowledge of the problems which confront us is discouraging neither to the members of the School Committee nor of the School Department. They present, rather, a challenge to our ability and to our sense of duty. None are insurmountable.

GRAND JURY INVESTIGATION

The activities of the School Committee and Department have been much in the public eye during the last few weeks. A Grand Jury was called to investigate to determine whether or not any irregularities or violations had been committed.

The same Grand Jury completed its service last Saturday and was discharged from further investigation, but did not complete its duty. It left behind it a statement which was grossly unfair to the members of the School Committee. It charged that irregularities existed within our school system and that inertia, looseness and possibly corruption have been prevalent. It further recommended that some members of the School Committee as now constituted should be ousted.

I have always understood that the purposes and duties of a Grand Jury are that of an investigating body, that is, to investigate any violations of the law and to return to the Court after such investigations their findings, namely, a no bill or an indictment. Another purpose for which the Grand Jury was constituted was to protect the names of innocent men and women so that no unnecessary publicity be given to them resulting in irreparable and wrongful injury to their reputation.

This Grand Jury went beyond the purposes for which it was constituted in issuing a veiled statement leaving a cloud behind them and a doubt in the minds of the public as to what members of the School Committee they had in mind when recommending an ouster. And although no member of the District Attorney's office was charged with any violations, this same Grand Jury went beyond its limit and was extremely generous in the use of its adjectives in the praise of the District Attorney's office in the conduct of its investigation. Why? The Grand Jury was ill advised especially in view of the fact that it admitted that nothing had come to light criminally and that this was the only angle that the Grand Jury and the District Attorney's office could touch upon.

Their attack was not only ill advised but grossly unfair and unjustified. If the Grand Jury was in possession of any evidence of irregularities or violations of trust on the part of any member of the School Committee, it was the duty of that Grand Jury to name the man. They did not do it. Their failure to name the man indicates either a lack of courage on their part or a lack of facts upon which to base a conclusion.

The public has received no evidence except a statement which was a conclusion which censures and slurs the members of the Committee. Let fairness and justice prevail. Let no man or body of men dare asperse the character of any public official unless he or it is in possession of testimony or evidence that warrants such actions.

In conclusion I wish to state again my thanks to the members of the Committee for the honor which is mine. I welcome the additional responsibilities which the Chairmanship imposes and shall

endeavor to so conduct myself as your Chairman as to reflect credit upon the Boston School Department.

ADOPTION OF RULES AND REGULATIONS

The following two orders were offered:

ORDERED, That the Rules of the School Committee and the Regulations of the Public Schools of last year which involve the expenditure of money, are hereby adopted for the present year until otherwise ordered.

ORDERED, That the Rules of the School Committee and the Regulations of the Public Schools of last year which do not involve the expenditure of money, are hereby adopted for the present year until otherwise ordered.

Mr. Smith: Before I vote on this question I would like a ruling from the Chair on Section 16 of the Rules which reads as follows:

Sect. 16. 1. The sessions of the School Committee shall be open, but the School Committee may, at any time, by a four-fifths vote, go into executive session. It shall however pass no votes in executive session.

I want a ruling from the Chair before I vote on accepting these rules. I will vote yes if the Chair rules that this section will be strictly enforced.

Chairman: The Chair will strictly enforce every rule and regulation of the School Committee.

Mr. Smith: And that the practice of holding conferences before public meetings will be abolished?

Chairman: If the members vote to have such a conference in accordance with the rules, I shall rule it as possible.

Mr. Smith: In that case I am going to move that Section 16 be stricken out and that the following be inserted in place thereof:

Sect. 16. 1. The sessions of the School Committee shall be open at all times to the public and to the press, but the School Committee may at any time, by a four-fifths vote, go into executive session to discuss anything which might prove damaging to a person's character, etc. It shall, however, pass no votes in executive session.

Mr. Smith's motion was seconded by Dr. Lyons.

Dr. Lyons: I am in hearty accord with the gentleman's motion. On May 19, 1930 and on many occasions since, I offered the following order with a brief statement:

"The Boston School Committee took a great forward step in confirming the confidence of the people in its devotion to their interests when it provided for a complete examination of its administration by establishing the Survey Committee. Much good has come of it. It is to be hoped that we shall now continue the march of progress by the passing of the order which I am about to present, which will bring to the people's view in public meeting the complete manner in which the administration of their schools is carried on.

"I therefore offer the following:

"ORDERED, That the Rules are hereby amended as follows:

"Sect. 16, par. 1. Strike out the paragraph and substitute in place thereof the following:

"Sect. 16. 1. The meetings of the School Committee shall be open but the Committee may hold executive session by a majority vote for the discussion of the fitness and qualifications of its members, officers, and employees, and all matters relating to character and morals, but no votes shall be taken in executive session.

"As a Committee, speaking for the school system generally, we have gone through a hard period, a severe test—all sorts of investigations from within and without—and there have been all sorts of public criticisms of the school system generally and of the School Committee particularly and necessarily, as the responsibility for anything that happens to the school system is placed where it rightfully belongs—on the shoulders of the Committee. I feel that the people of Boston, the taxpayers, would like very much to have us show a continuation of effort and present in the future all matters pertaining to public business here in this hall where the public will be welcome, where they may get an insight to the workings of this Committee. I think particularly that the feeling which I had during the starting of the Survey Committee, our investigating body, the feeling that we hadn't anything to hide and that we were perfectly willing to iron out any matters that we might find were not beneficial to the public interest; that if we discovered conditions of which we were not aware and that needed correction, that it would be of extreme interest to the people to know about these things and enable them to better estimate our value as public servants. I think if meetings are held in public it will expedite business instead of retarding it. It is going to make this Committee sit up and pay even greater attention to business. Incidentally I think it will give the public the privilege and the right to sit in here and hear all their public business discussed."

Dr. Lyons, continuing: I am in hearty accord with Mr. Smith's motion and I want to point out that if the suggestions which I made on many occasions during the past two years had been followed, we would not have had the difficulties in which we now find ourselves.

Mr. Tobin: Before voting on Mr. Smith's order, I desire time to thoroughly study the records, so for that reason I move that Mr. Smith's order be laid over for a period of two weeks. I feel it would be a mistake for the Committee to take hasty action on a measure as important as the measure presented by Mr. Smith tonight.

On question from the Chair, Mr. Smith agreed to the proposal to lay the order over to the next public meeting.

Dr. Lyons: I am glad Mr. Smith agrees to that. I do think we ought to cut the Gordian knot here and now and hold these meetings here in public, with the understanding that anything that per-

tains to the reputation of individuals, shall be discussed in executive session.

Mr. Smith: In the meantime I shall attend no conferences of the School Committee until the meeting two weeks from now.

The Chairman stated that at the next public meeting the proposed amendment to the Rules presented by Mr. Smith will be taken up.

Mr. Tobin: I will state my position on the question now. It may not even be popular with the public, but at the same time I am elected a member of this School Committee to perform my duties and assignments as I see them. In every legislative body it is necessary to submit every proposition that comes before it to a sub-committee in order that when the legislative body comes into session, it shall have something concrete on which to act, with definite recommendations from the sub-committee. This School Committee, due to the fact that it is comprised of only five members, must study its own problems as a Committee of the Whole before they are brought into the open. I am willing to be convinced in the event that I am wrong, but I do not think the members of this Committee should act on any proposition of this character without proper consideration.

Dr. Lyons: I agree heartily with some of the things the Chairman has said about the statement of the Grand Jury. I also will have to say this, in justice to them, that I think the thing that pleased me in the Jury statement was the fact that the only cure for our ills is open public meetings, and it is the only thing that has not been taken advantage of and which should have been done years ago.

Mr. Tobin: I would like for the benefit of the press and for the public who are present to state that the Committee never takes a vote in conference. It merely discusses the problem, studies it in detail and comes before the public with a concrete proposition. Every rule, law, and regulation that calls for presenting any order in public is lived up to and all business of the Committee eventually comes to the open public meeting.

Dr. Mackey: I am heartily in accord with that motion and have been for the past four years, but as Mr. Tobin has just said, I feel that strict confidence should be given to any personal matters, and we all realize that personal matters come before the Committee in relation to the employees as well as the pupils. As a member of this Committee I never want to have anyone's name slandered, either employee or a pupil in the school.

Chairman: Is it understood that the proposed amendment lies over?

It was so agreed.

Dr. Lyons: I just want to bring to the attention of the two previous speakers that incorporated in Mr. Smith's motion is complete and full protection for any matters that might need private session, as was incorporated in my order in 1930, and now specifically takes care of cases where personality or character might be involved. We have to admit here that there is never lengthy discussion here in public

meeting, for example: we sit in conference on all financial matters. They are not discussed at length here. We come down here and vote. That is the way it has been with me for six years.

Mr. Smith: Mr. Chairman, I move that Section 18 which has to do with the order of business be re-arranged and amended to read as follows:

Sect. 18. 1. The order of business at meetings of the School Committee shall be as follows, unless the School Committee shall direct otherwise:

(a.) Approval of minutes of preceding meetings, as published and distributed under Sect. 17.

(b.) Communications from the Mayor, City Council and other city departments.

(c.) Communications from the Superintendent, Board of Superintendents or other officers of the School Committee.

(d.) Reports of committees.

(e.) Unfinished business of the preceding meeting.

(f.) Motions, orders, resolutions, communications, petitions, new business, etc.

Dr. Lyons: May I ask what you are trying to attain in that motion?

Mr. Smith: I am trying to amend Section 18. As it stands now, the first thing we take up is unfinished business. By all the laws of Roberts or any authority that I have done business under, unfinished business should be the next to the last item before new business. For instance, on unfinished business you might have letters from the Mayor or the City Council,—this is under unfinished business. Under these rules you take up unfinished business before communications.

Dr. Lyons: May I say here that under the established procedure, unfinished business has been taken up toward the close of the meeting.

Chairman: The only unfinished business taken up first at the meetings is the appointments to the teaching and administrative staff which have been laid over at a previous public meeting.

Mr. Smith: Suppose you haven't any appointments?

Dr. Lyons: To my knowledge we never touch the unfinished business memorandum until the end of the meeting. So as the Chairman has stated what you might term unfinished business at the beginning of the meeting is appointments of a previous meeting which have been laid over under the rules and should be acted upon. I would amend the motion to the extent that if the rules indicate that unfinished business in general comes first, the order of business make clear what our procedure actually has been.

Mr. Tobin: I move that this order presented by Mr. Smith be laid over for a period of two weeks in order that I may have an opportunity to study the changes involved.

The order was laid over.

Mr. Tobin: If I am not out of order, I would like to speak on the question of open public meetings once again. I think that the public can appreciate that it is

most difficult for a body to take up a question such as Mr. Smith has proposed here tonight and give to it the proper consideration that the measure justifies. I know that when I was Chairman of the School Committee, this Committee sometimes met in conference as many as four nights a week and the conferences lasted sometimes three or four hours. That will give to the public a small idea of the tremendous amount of printed matter that would be necessary in order to make public all phases of these questions which must be discussed before we can come to a conclusion. Therefore I trust and hope that the Committee is going to give serious thought to this question of having open public meetings on every question that comes before it with the exception of those items which deal with the personal element.

Chairman: Do I understand, Mr. Smith, that you vote in favor of the present Rules and Regulations, subject to your right to amend Sections 16 and 18?

Mr. Smith: Yes.

The Chairman declared the two orders—order adopting the rules and regulations which involve the expenditure of money, and order adopting the rules and regulations which do not involve the expenditure of money—passed, Mr. Smith reserving his rights on the question.

ELECTION OF TREASURER

The Committee proceeded to the election of a Treasurer of the Corporation.

The Secretary was directed to call the roll and the members as their names were called respectively voted as follows:

For HENRY J. SMITH—Dr. Mackey, Messrs. Sullivan and Tobin—3.

For MAURICE J. TOBIN—Mr. Smith—1.

NOT VOTING—Dr. Lyons—1.

The Chair declared Mr. Henry J. Smith duly elected Treasurer of the Corporation.

Mr. Smith: I wish to thank the members of the School Committee for this manifestation of confidence.

COMMITTEE ON NAMING OF SCHOOL BUILDINGS

Chairman: The Committee as a Whole will act as the Committee on Naming of School Buildings during 1936.

Dr. Lyons: I compliment you on that decision. I think it is a very good plan.

APPROVAL OF APPOINTMENTS

The Chairman stated the question was on approving the appointments of a director and teachers, as reported by the Superintendent and laid over at the meeting of Dec. 16, 1935.

In this connection, Mr. Smith made the following statement:

I shall not vote on any motions or appointments that have been laid over from the preceding Committee. I was not a member of that Committee and consequently

do not feel qualified to pass judgment tonight on such motions or appointments.

The appointment of James A. Ecker as Director of Music was approved by the following vote:

YEAS—Messrs. Lyons, Mackey, Sullivan, and Tobin—4.

NOT VOTING—Mr. Smith—1.

The remaining appointments were approved.

DEATHS

The Superintendent reported the death of the following-named teacher:

Bigelow District—Alice E. Thornton, assistant, elementary, Dec. 25, 1935.

Placed on file.

The Superintendent reported the death of the following-named master emeritus:

Robert Gould Shaw District—Francis A. Morse master emeritus, Dec. 25, 1935.

Placed on file.

The Superintendent reported the death of the following-named teacher who had been retired on pension:

Norcross District—Bertha L. Arnold, Nov. 18, 1935.

Placed on file.

The Superintendent reported the deaths of the following-named teachers who had been retired on pension under the provisions of the Boston Retirement System:

Girls' Latin School—Edward H. Atherton, Aug. 8, 1935.

Joseph H. Barnes Intermediate District—Mary L. Sweeney, Oct. 17, 1934.

Julia Ward Howe District—Mary E. Deane, Jan. 25, 1935.

Placed on file.

RETIREMENTS ON PENSION

A communication was received from the Superintendent, under date of Jan. 6, 1936, reporting that in accordance with the provisions of Section 11 of Chapter 521 of the Acts of 1922 and the order passed Feb. 6, 1933 (see p. 19), he has made application for the retirement of Edward J. Carroll, Master, Lewis Intermediate District, because of ordinary disability.

Placed on file.

A communication was received from the Superintendent, under date of Jan. 6, 1936, reporting the retirement from active service on account of ordinary disability of Edward J. Carroll, Master, Lewis Intermediate District, a member of the Boston Retirement System, to take effect Nov. 30, 1935, as certified by the Boston Retirement Board under date of Dec. 2, 1935.

Placed on file.

A communication was received from the Superintendent, under date of Jan. 6, 1936, reporting the retirement from active service of Lillian Tishler, assistant, elementary, Franklin District, a member of the Boston Retirement System, to take effect Dec. 31, 1935, as cer-

tified by the Boston Retirement Board under date of Dec. 31, 1935. Placed on file.

The Superintendent offered the following:

ORDERED, That the following-named teachers are hereby retired on pension in accordance with the provisions of Chapter 589 of the Acts of 1908, as amended by Chapter 617 of the Acts of 1910, Chapter 569 of the Acts of 1912, and Chapter 304 of the Special Acts of 1915, the date of retirement and rate of pension to be as hereinafter specified:

Edward Everett District—Florence A. Goodfellow, master's assistant, Dec. 31, 1935, \$600.

James J. Chittick District—Nellie M. Howes, master's assistant, Dec. 31, 1935, \$600.

Passed unanimously.

APPOINTMENTS

The following appointments by the Superintendent, certified by him as being in accordance with the rules and regulations to take effect on the dates stated, were presented:

(FROM THE ELIGIBLE LIST)

(To fill vacancy caused by increase in numbers)

William Barton Rogers Intermediate District—Myrtle E. Starkie, assistant, intermediate, Feb. 3, 1936.

Laid over.

(To fill vacancy caused by promotion)

Clarence R. Edwards Intermediate District—Pearl Starbird, assistant, intermediate, Feb. 3, 1936.

Laid over.

(To fill vacancies caused by resignations)

John Winthrop District—Frances A. Keefe, assistant, intermediate, Feb. 3, 1936.

Mary E. Curley Intermediate District—Angela M. Cannata, assistant, intermediate, Feb. 3, 1936.

Laid over.

LIST OF TEACHERS APPROVED FOR TEMPORARY SERVICE

The Superintendent submitted, under the provisions of section 265 paragraph 2 of the regulations, the following additions to the list of teachers approved by him from which assignments may be made for temporary service:

Day High Schools—Edwina M. Barry, Elizabeth A. Beahan, Catherine F. Brady, Dorothy M. Mutch, Marie J. Scanlin, Mary A. Thompson.

Day Intermediate Schools—John J. Casey, Sallie E. Langan, Gertrude R. McCarron, John R. O'Brien, Samuel Reznick, Hyman Sobell, A. Patricia Trayers.

Day Elementary Schools—Marie H. Crowley, Eileen M. McCarthy. Special Classes—Dorothy H. Clarke.

Department of Household Science and Arts—Ruth L. Hennessey, Evelyn N. Kelley, Loretta B. MacDonald, teachers of sewing.

Department of Physical Education—Joseph J. Hughes. Approved.

TEACHING ASSISTANTS

Day Intermediate Schools—Ethel Bickoff.

Day Elementary Schools—Kathryn F. Doherty, Edith E. Drew, Margaret M. Fitzgerald, Elizabeth I. Garvin, Dorothy Gouzoule, Marcella J. Laundrie.

Approved.

TEMPORARY SCHOOL NURSE

Department of School Hygiene—Joanna McQuaid, temporary school nurse, Dec. 17, 1935.

Approved.

EVENING SCHOOLS

Term 1935-36

A communication was received from the Superintendent, under date of Jan. 6, 1936, reporting that subject to the approval of the School Committee, he has appointed the following-named clerical assistants for the evening school term 1935-1936, to take effect Jan. 6, 1936:

Brighton Evening Commercial High School—Marie M. Burke.

Central Evening High School—Mary E. Croke.

Dorchester Evening Commercial High School—Catherine A. Gildea.

East Boston Evening Commercial High School—Germaine M. Guay.

Girls' Evening Commercial High School—Ruth F. Farrell.

Roxbury Evening Commercial High School—Dorothy E. Brooks.

South Boston Evening Commercial High School—Mary A. Walsh.

West Roxbury Evening Commercial High School—Josephine F. Hughes.

Bigelow Evening School—Bertha A. Qurzon.

Edward Everett Evening School—Mary G. Shaughnessy.

Franklin Evening School—William J. Gorman.

Joseph H. Barnes Evening School—Margaret L. Dwyer.

Lewis Evening School—Eleanor L. Broughal.

Michelangelo Evening School—Helen F. Datow.

Phillips Brooks Evening School—Ethyl T. Malloy.

Washington Evening School—Sarah A. Neagle.

Boston Trade School (Evening Classes)—Mary P. McGillicuddy;

Helen P. Cooney, (temporary).

Approved.

TEACHER COACHES

Term 1935-36

(To take effect Oct. 1, 1935)

Public Latin School—Charles S. Fitzgerald.

Brighton High School—Thomas A. Scanlon.

Charlestown High School—Robert W. Ford.

Dorchester High School for Boys—William J. Pendergast.

English High School—William H. Ohrenberger.

High School of Commerce—William F. Fleming.

Hyde Park High School—Edward F. Sherlock.

Jamaica Plain High School—James L. Duffy.

Mechanic Arts High School—James H. Holland.

Roxbury Memorial High School (Boys)—Thomas Campbell.

South Boston High School—Stephen V. White.

Boston Trade School—Henry J. Tilton.

Approved.

Coach

(To take effect Oct. 1, 1935)

East Boston High School—Friedrick L. O'Brien.

Approved.

TRANSFERS

A communication was received from the Superintendent, under date of Jan. 6, 1936, reporting that subject to the approval of the School Committee, he has made the following transfers of teachers:

Anna V. Doyle, assistant, kindergarten, William Lloyd Garrison District, to the same position in the William E. Endicott District. Jan. 2, 1936.

Irma E. Loewenstein, assistant, kindergarten, one session, Edmund P. Tieson District, to the position of assistant, kindergarten, two sessions, William E. Endicott District, Jan. 3, 1936.

Approved.

LEAVES OF ABSENCE

On the report of the Superintendent, leave of absence was granted each of the following-named teachers for the periods specified:

Boston Trade School—Leo J. McCarthy, senior instructor, Dec. 2, 1935, one day, court summons.

Longfellow District—Mary A. McCarthy, master's assistant, Dec. 9, 1935, one-half day, court summons.

Ulysses S. Grant District—Maxine H. Cohen, assistant, kindergarten, two sessions, Dec. 5, 1935, one-half day, court summons.

Department of Music—Esther G. O'Connor, assistant, Dec. 4, 1935, one-half day, court summons.

On the report of the Superintendent, leave of absence under a suspension of the regulations was granted each of the following-named teachers for the period specified:

Girls' Latin School—Ida A. Cohen assistant, Dec. 2, 1935 to Mar. 13, 1936, without pay.

Bennett District—Edith D. Rodgers, assistant, elementary, Nov. 7, 1935 to Jan. 31, 1936, without pay.

Clarence R. Edwards Intermediate District—Louise C. Leary, assistant, intermediate, Dec. 2, 1935 to Feb. 12, 1936, without pay.

Theodore Lyman District—Thomas F. Luby, sub-master, Dec. 2, 1935 to Feb. 28, 1936, without pay.

ASSIGNMENT

A communication was received from the Superintendent, under date of Jan. 6, 1936, reporting that subject to the approval of the School Committee, he has assigned Mary D. McCusker, assistant, elementary, John A. Andrew District, to Speech Improvement Classes, without change of rank or salary, to take effect Jan. 8, 1936, and to continue during the school year ending Aug. 31, 1936, unless earlier terminated by the Superintendent with the approval of the School Committee.

Placed on file and the assignment approved, to take effect on the date stated.

DESIGNATION

A communication was received from the Superintendent, under date of Jan. 6, 1936, reporting that he has made the following designation of a teacher to serve in the position indicated until such time as it shall be filled otherwise in accordance with the rules and regulations, but not beyond Aug. 31, 1936:

Dearborn District — Evelyn R. Hurwitch, assistant, kindergarten, as acting first assistant, kindergarten (vice Abigail Linnehan, absent on leave), Oct. 14, 1935.

Placed on file.

TERMINATION OF SERVICE IN AFTERNOON KINDERGARTENS

A communication was received from the Superintendent, under date of Jan. 6, 1936, reporting that subject to the approval of the School Committee, he has terminated the service of the following-named teachers in the afternoon sessions of the kindergartens indicated, to take effect on the dates stated:

Henry L. Pierce District—Kathleen C. Daly, assistant, kindergarten, Dec. 31, 1935.

Ulysses S. Grant District—Maxine H. Cohen, Jennie M. Penta, assistants, kindergarten, Dec. 9, 1935.

Placed on file and the termination of service approved.

TEACHER OF PHYSICALLY HANDICAPPED CHILDREN

A communication was received from the Superintendent, under date of Jan. 6, 1936, reporting that subject to the approval of the School Committee, he has assigned Kathryn S. Harvey, temporary teacher, for home instruction of physically handicapped children, to take effect January 7, 1936.

Approved.

HONORARY TITLE OF DIRECTOR EMERITUS

The Superintendent offered the following:

ORDERED, That the rank of Director Emeritus is hereby conferred upon John A. O'Shea, said title being in consideration of his years of faithful and efficient service in the Boston public schools.

Passed unanimously.

Chairman: The School Committee owes a great deal of gratitude to Mr. O'Shea for the loyal service which he has rendered to this School Department. He was ever a faithful and trusted employe and did much to bring forward the Music Department of the Boston public schools.

TEMPORARY ASSISTANCE

On motion, it was

ORDERED, That during the current financial year the Superintendent is hereby authorized to

employ such temporary and emergency secretaries, clerical assistants and librarians in the schools as he may deem advisable.

On motion, it was ORDERED, That during the current financial year the Secretary is hereby authorized to employ such temporary assistance in the offices of the Superintendent-Secretary, and at such compensation as she may deem advisable.

PETITION FOR ADDITIONAL LEGISLATION

On motion, it was ORDERED, That the Chairman is hereby authorized for and in behalf of this Committee, to petition the General Court for legislation to provide for increased appropriating power.

TRANSFER OF APPROPRIATION

The Superintendent submitted a communication addressed to him by the Superintendent of Construction, Mr. William W. Drumme, under date of January 2, recommending that the Committee approve a transfer in the sum of \$9000 from the appropriation for the Joseph H. Barnes Intermediate District, East Boston (construction of nine-classroom addition to East Boston High School—Item 7, 1934) to the appropriation for the new Lucy Stone School, John Marshall District. Mr. Drumme asked that this request be substituted for his previous request for a transfer in the sum of \$6,500 for the same purpose.

Approved for transmission to the Board of Commissioners of School Buildings in accordance with the provisions of Section 7 of Chapter 351 of the Acts of 1929.

PROMOTION OF EMPLOYEE IN SUPPLY ROOM

A communication was received from the Business Manager, under date of Jan. 6, 1936, recommending with the approval of the Division of Civil Service, the promotion of John L. Bowen to the rank of Storekeeper, at a salary of thirty-six dollars (\$36) per week, to take effect Jan. 10, 1936.

Placed on file.

ORDERED, That the rank of John L. Bowen, Laborer, is hereby changed to Storekeeper, and his salary fixed at thirty-six dollars (\$36) per week, to take effect Jan. 10, 1936.

EXTENSION OF CONTRACTS, APPROVAL OF SUMMARIZED REQUISITION ON CITY AUDITORS, AND OTHER ITEMS

A communication was received from the Business Manager, under date of Jan. 6, 1936, recommending the passage of the accompanying eleven orders, as follows:

ORDERED, That the contract for semi-bituminous coal between the School Committee and the

Brighton Coal Company under date of May 18, 1935, and providing for the delivery of semi-bituminous coal from June 16, 1935, to December 31, 1935, is hereby continued to June 15, 1936, as provided for in Section 1 of the contract.

ORDERED, That the contract for semi-bituminous coal between the School Committee and the Massachusetts Wharf Coal Company under date of May 14, 1935, and providing for the delivery of semi-bituminous coal from June 16, 1935, to December 31, 1935, is hereby continued to June 15, 1936, as provided for in Section 1 of the contract.

ORDERED, That the contract for semi-bituminous coal between the School Committee and the Metropolitan Coal Company under date of May 14, 1935, and providing for the delivery of semi-bituminous coal from June 16, 1935, to December 31, 1935, is hereby continued to June 15, 1936, as provided for in Section 1 of the contract.

ORDERED, That the contract for semi-bituminous coal between the School Committee and E. S. Morse and Company under date of May 9, 1935, and providing for the delivery of semi-bituminous coal from June 16, 1935, to December 31, 1935, is hereby continued to June 15, 1936, as provided for in Section 1 of the contract.

ORDERED, That the contract for semi-bituminous coal between the School Committee and the Standard Coal Company under date of May 13, 1935, and providing for the delivery of semi-bituminous coal from June 16, 1935, to December 31, 1935, is hereby continued to June 15, 1936, as provided for in Section 1 of the contract.

ORDERED, That the contract for anthracite coal between the School Committee and the Standard Coal Company, under date of May 13, 1935, and providing for the delivery of anthracite coal from June 16, 1935 to December 31, 1935, is hereby continued to June 15, 1936, as provided for in Section 1 of the contract.

ORDERED, That the contract for nut and slack coal between the School Committee and the White Fuel Corporation, under date of November 6, 1935, and providing for the delivery of nut and slack coal from June 16, 1935 to December 31, 1935, is hereby continued to June 15, 1936, as provided for in Section 1 of the contract.

ORDERED, That the contract for heavy fuel oil between the School Committee and Arthur H. Ballard, Incorporated, under date of May 15, 1935, and providing for the delivery of oil from June 16, 1935 to December 31, 1935, is hereby continued to June 15, 1936, as provided for in Section 1 of the contract.

ORDERED, That the contract for heavy fuel oil between the Petroleum Heat and Power Company, under date of May 15, 1935, and providing for the delivery of oil from June 16, 1935, to December 31, 1935, is hereby continued to June 15, 1936, as provided for in Section 1 of the contract.

ORDERED, That the contract for medium fuel oil between the School

Committee and Arthur H. Ballard, Incorporated under date of May 15, 1935 and providing for the delivery of oil from June 16, 1935 to December 31, 1935, is hereby continued to June 15, 1936, as provided for in Section 1 of the contract.

ORDERED, That the contract for light fuel oil between the School Committee and the Pennsylvania Oil Company, under date of May 31, 1935, and providing for the delivery of oil from June 16, 1935, to December 31, 1935, is hereby continued to June 15, 1936, as provided for in Section 1 of the contract.

Dr. Lyons: May I ask the total amount involved?

There being no amount mentioned in the order, the Business Manager explained that it is the custom at this time each year to extend these fuel contracts to cover the heating season, so as to carry over until new proposals are advertised and awards determined. The authority for extension is provided in the contracts through a special clause.

Dr. Lyons: May I ask the Business Manager what is the total amount involved?

Business Manager: To cover the rest of the heating season, probably \$150,000.

Dr. Lyons: You haven't that there in figures?

Business Manager: No. These orders provide for the extension of the contracts from one financial year to another. The figure of \$150,000 is an estimate for the balance of the heating season. The contracts have to be made for the current year and the usual procedure is to allow these contracts to run for the entire fuel year. In other words, when these contracts carry through December 31, it is the custom to extend them to the termination of the fuel year which will be in the spring.

Dr. Lyons: Yes, but how much money is involved in these orders that we are asked now to pass?

Business Manager: In order to answer correctly, I would have to know now how much coal and fuel oil we will use between January 1 and April 15. I don't know that now exactly.

Chairman: Will the Business Manager return a report to the Committee at his early convenience?

Business Manager: Yes, gladly, but even then it will have to be my best estimate.

Dr. Lyons: That is all that I want.

Mr. Tobin: One point I want to bring out; namely, that this procedure is not at all unusual. It is customary to have these bids run for the entire fuel year, from fall to spring. Under the law it is impossible to approve any contract to go beyond the end of any financial year, so any bids put in in the fall or summer of the year carry through to the end of the fuel year by agreement of the School Committee to renew the contracts for the remainder of said year.

Dr. Lyons: My purpose in bringing up the question was to open it up for public discussion and let the people know what we are doing.

The communication was placed on file and the eleven orders passed.

A communication was received from the Business Manager, under date of Jan. 6, 1936, recommending the passage of the accompanying six orders:

ORDERED, That the School Committee hereby acknowledges the valuable assistance rendered by the Sealer of Weights and Measures in checking the weights of coal delivered by contractors in the several school buildings during the past year.

ORDERED, That the School Committee hereby requests the Sealer of Weights and Measures to check the weights of coal to be delivered to the several school buildings during the current year.

ORDERED, That the Business Manager is hereby authorized to employ such temporary assistance in his office and at the Supply Room, at such compensation as he may deem advisable, during the current financial year.

ORDERED, That during the financial year 1936 any member of the School Committee is hereby authorized to accept, enter into and execute on behalf of the School Committee, contracts for equipment, supplies and other items, which contracts have been prepared and approved by the Business Manager.

ORDERED, That during the financial year 1936 any member of the School Committee is hereby authorized to approve summarized requisitions and special drafts on the City Auditor prepared by the Business Manager and which cover all pay rolls, vouchers and other documents calling for the expenditure of money, each of which has been previously approved in writing by the Business Manager as provided for in the statutes.

ORDERED, That under the provisions of Chapter 231 of the Acts of 1932, J. George Herlihy, Assistant Business Manager, shall act as Business Manager, during the current financial year, only during the time that the Business Manager is absent or otherwise unable to act, and shall, during such time, exercise all the powers and perform all the duties of said Business Manager.

The communication was placed on file and the six orders passed.

DEATH OF CUSTODIAN

A communication was received from the Schoolhouse Custodian, under date of Jan. 6, 1936, reporting the death on Dec. 31, 1935, of William G. Ryberg, custodian, B. F. Tweed School-house, and recommending that all money due him be paid to his widow, Mary T. Ryberg.

Placed on file.

On motion, it was

ORDERED, That the salary due William G. Ryberg, late custodian of the B. F. Tweed Schoolhouse, be paid to his widow, Mary T. Ryberg.

LEAVES OF ABSENCE TO CUSTODIANS

A communication was received from the Schoolhouse Custodian, under date of Jan. 6, 1936, recommending that the leave of absence granted Vincent Gilligan, custodian, Mozart School-house, be extended for the further period Jan. 1 to Feb. 29, 1936, inclusive, on one-half net compensation, because of personal illness.

Placed on file and leave of absence on one-half net compensation granted for the further period.

A communication was received from the Schoolhouse Custodian, under date of Jan. 6, 1936, recommending that leave of absence on one-half net compensation be granted the following-named custodians for the period specified because of personal illness:

John P. Barton, William Cullen Bryant Schoolhouse, Dec. 19, 1935.

Emil W. Meyer, Theodore Roosevelt Schoolhouse, Jan. 3 to Feb. 6, 1936, inclusive.

Placed on file and leave of absence on one-half net compensation granted for the periods specified.

TRANSFERS OF CUSTODIANS

A communication was received from the Schoolhouse Custodian, under date of Jan. 6, 1936, recommending that the following-named custodians, who stand at the head of their respective lists, be appointed as indicated, to take effect on the dates specified:

Paul E. Butler, from the George Bancroft to the Lucretia Crocker Schoolhouse, Jan. 12, 1936.

John A. Callanan, from the Choate Burnham to the Atherton Schoolhouse and Portables Nos. 24, 178, and 201, Jan. 12, 1936.

Adolph Casper, from the Aaron Davis to the Choate Burnham Schoolhouse, Jan. 12, 1936.

Walter S. Harvey, from the Ellen H. Richards to the John Greenleaf Whittier Schoolhouse, Jan. 12, 1936.

Hilary Johnson, from the Woodrow Wilson Schoolhouse to the Dorchester High School for Boys and Portables Nos. 2, 129, 149, and 203, Jan. 12, 1936.

Edward A. King, from the Franklin to the Thomas N. Hart Schoolhouse, Jan. 12, 1936.

Richard G. McCarthy, from the William H. Kent to the Ellen H. Richards Schoolhouse, Jan. 12, 1936.

Carl I. Priest, from the Hugh O'Brien and Ralph Waldo Emerson Schoolhouses, to the Woodrow Wilson Schoolhouse, Jan. 12, 1936.

James S. Reardon, from the William Bradford to the Franklin Schoolhouse, Jan. 12, 1936.

John J. Timmins, from the Bigelow to the Phillips Brooks Schoolhouse, Jan. 5, 1936.

Francis J. Wachenheim, from the Atherton to the Hillside Schoolhouse, Jan. 12, 1936.

Placed on file and the transfers approved, to take effect on the dates stated.

STATEMENT OF NEWLY-ELECTED MEMBER

Mr. Smith: I appreciate the fact that, being the new member on this Committee, the ordinary procedure for me to follow would be

to remain silent for the first few months of my term and become acquainted by experience with the many duties of a School Committee man. However, these are extraordinary times, and I feel that I should make a statement at this my first meeting.

Fundamentally, the most important duty of a School Committee is to provide for excellence in the instruction to be given the pupils. In order to protect these pupils, I intend therefore to take means to determine, to the best of my ability, the qualifications of education, honesty and integrity of the various candidates for appointment or advancement in the school system before I vote to confirm such appointments or advancements, during the next four years.

I wish further to state to the thousands of my friends and supporters who voted for me in the last election, and to the citizens of Boston, that no act of mine as their School Committee man for the next four years will cause them any embarrassment, nor one moment of regret.

UNFINISHED BUSINESS

The six orders laid over at the meeting of Dec. 16, 1935 (see pp. 178-179) making changes in the Authorized List of Text Books, were taken up and passed, Mr. Smith not voting.

The order laid over at the meeting of Dec. 16, 1935 (see p. 179) dropping from the Authorized List of Text Books "A History of American Progress," was taken up and passed, Mr. Smith not voting.

The order laid over at the meeting of Dec. 16, 1935 (see p. 180) amending the course of study in English by dropping from the list of books for "Prose Narrative for Class Study and Rapid Reading" in Grade IX, "Captains Courageous," was taken up and passed, Mr. Smith not voting.

The order laid over at the meeting of Dec. 16, 1935 (see p. 181), naming the Patrick F. Gavin School in the Shurtleff District, was taken up and passed, Mr. Smith not voting.

The Committee adjourned.

Attest:

ELLEN M. CRONIN,
Secretary.

MEN FOR SNOW REMOVAL.

Upon January 23 the Mayor approved the request of the Public Works Department for hiring men as follows:

To the Mayor of Boston.

The snowstorm which came over the week-end has necessitated the employment of emergency men to supplement the work of the city employees in clearing streets. It has been necessary to hire 4,000 men in the Highway and Sanitary Divisions and I respectfully request your approval for the employment of these men for a period of ten days from January 20, 1936, with wages at the rate of \$5 per day.

Respectfully yours,

C. J. CARVEN,
Commissioner of Public Works.

OVERSEERS OF THE PUBLIC WELFARE, CITY OF BOSTON.

FIRE DEPARTMENT ORDERS.

General Order No. 3.

I. RETIREMENT.

The following retirement, effective at 8 a. m., Wednesday, January 15, 1936, is published for the information of the department:

Foreman of plumbers, John J. Riley, Maintenance Division.

Mr. Riley was appointed to the department on November 3, 1888. He was promoted to apparatus operator, June 10, 1927, and to foreman of plumbers, June 24, 1932. He leaves the department with the best wishes of his associates.

II. PROMOTION.

The following promotion, which took effect January 10, 1936, is hereby announced for the information of the department:

Hoseman John J. Martin of Engine Company 44 to third engineer.

III. NEW ASSIGNMENT CARD.

As announced in General Order No. 55, series of 1935, a new assignment card dated January 14, 1936, for Box 3765, Milton avenue and Highland street, is being issued to the department today. Company commanders will return the old card for this box to headquarters on or before Saturday, January 18, 1936. The company number is to be marked on the back of these cards.

IV. FIRE ALARM BOX REMOVED FROM SERVICE.

Fire Alarm Box 12-1632, located in the Grand Opera House, Washington street, has been removed from service.

V. BOSTON AUTOMATIC FIRE ALARM COMPANY.

Permission has been granted the Boston Automatic Fire Alarm Company to

reinstate on their running cards the following signal number:

Signal No. 85—Building, 101 and 103 High street. Apparatus to respond: Engine 25, Ladder 8, District 3. Nearest city box is 1421.

A new page 2, dated December 26, 1935, for the Boston Automatic Fire Alarm Book, is being issued to the department today. This card will take the place of old page 2, dated October 21, 1935. Company commanders will return the old card in the envelope provided to Fire Department Headquarters, on or before Saturday, January 18, 1936.

The following Boston Automatic Fire Alarm Signals have been discontinued as of January 6, 1936:

Signal 1286—Building, 7 and 8 Bosworth street.

Signal 1287—Building, 33 and 35 Province street, basement.

VI. AKRON VAPOR NOZZLES.

Akron vapor nozzles to be used in extinguishing oil and gasoline fires have been assigned to the following companies and are now available for service:

Large Size Nozzles: One No. 1035 to Engine 9; two No. 1035 to Engine 31; two No. 1035 to Engine 44; two No. 1035 to Engine 47.

Small Size Nozzles: One No. 1020 to Engine 1; one No. 1020 to Engine 8; one No. 1020 to Engine 9; one No. 1020 to Engine 17; one No. 1020 to Engine 33; one No. 1020 to Engine 37; one No. 1020 to Engine 41; one No. 1020 to Engine 48; one No. 1020 to Engine 50.

Capt. John J. Crehan, drill master, will visit each company which is equipped with these nozzles and instruct the officers and members in the proper operation of the nozzles.

VII. BOOSTER TANKS.

The attention of the department is called to General Order No. 84 issued

under date of October 17, 1929, concerning Booster Tanks on apparatus, with particular notice being given to cold weather precautions. The order read in part as follows:

"Cold Weather Precautions.

"During freezing weather, apparatus equipped with Booster Tanks will, upon arrival at fire, empty water from pump, tank and line by opening pump drain, tank valve marked T and line drain marked L. D., if this unit is not called on for operation or if they are to be kept at fire for any length of time. Also in the event of extreme long response where there is danger of freezing on road, drains should be opened on leaving quarters and tanks can be refilled on return.

"Company commanders will be held strictly accountable for the carrying out of the foregoing rules and instructions."

VIII. COMMENDATIONS.

On behalf of the members of the department, the Fire Commissioner gratefully acknowledges the receipt of \$100 from Mrs. Alice E. Sias, 115 Bay State road, Boston, as a donation to the Boston Fireman's Relief Association.

Hoseman Louis Cohen of the Fire Prevention Division is hereby commended for extinguishing a fire in an automobile, at Box 3572, on December 26, 1935, while off duty.

Ladderman Henry F. McDonald of Ladder Company 31 is hereby commended for responding to and working with Engine Company 5 of this department at a fire in Chelsea on December 27, 1935, while off duty.

Hoseman Everett J. Hassell of Engine Company 48 is hereby commended for responding to and working at fire, Box 3736, December 31, 1935, while off duty.

Ladderman Charles F. McCarthy of Ladder Company 9 and Hoseman Edward B. Nolan of Engine Company 36 are hereby commended for extricating and removing Hoseman John J. Murphy who was severely injured at fire, two alarms, Box 4145, January 1, 1936, when a metal ceiling and timbers fell upon him, pinning him to the floor. Ladderman McCarthy and Hoseman Nolan performed commendable work under dangerous conditions.

Apparatus Operator George Brady of Engine Company 50 is hereby commended for responding to and working at fire, second alarm, Box 4145, January 1, 1936, while off duty.

Lieut. John C. J. Merrill of Ladder Company 28 is hereby commended for extinguishing an awning fire before the arrival of apparatus, at Box 3364, January 4, 1936, while off duty.

Ladderman Walter Weston of Ladder Company 19 is hereby commended for extinguishing an awning fire at 669 Tremont street, January 8, 1936, while off duty. His prompt action prevented the necessity of sounding an alarm.

Deputy Chief John J. Kenney of Division 1 is hereby commended for assisting in operations at fire, Box 2376, January 8, 1936, while off duty.

By order of Fire Commissioner EDWARD F. McLAUGHLIN.

THOMAS H. DOWNEY,
Acting Chief of Department.

General Order No. 4.

I. PRESIDENT'S BIRTHDAY BALL.

Members of the department are undoubtedly well informed concerning the

monster ball to be held at Boston Garden on Thursday evening, January 30th, President Roosevelt's Birthday, for the purpose of raising funds to combat the scourge of infantile paralysis. Through the press and radio the program for the evening of the ball has been explained and outlined. Large committees of public-spirited men and women are devoting their time and effort to make this ball a financial success so that a substantial sum may be raised for the purpose of giving medical attention and care to those who have the misfortune to be stricken with this dreadful disease.

Throughout the Nation similar balls are being conducted on the same evening with the same object, and it can be said that nowhere will there be so elaborate a program of an evening's entertainment as will be presented in Boston for those who go to Boston Garden on Thursday evening, January 30th, 1936. Two of the finest orchestras in Boston will provide music for dancing. Leading stars of the stage and screen will be present and participate in the entertainment program. His Honor the Mayor is deeply and earnestly interested in the success of this event. He will attend the ball in company with many distinguished guests, including representatives of foreign countries. The committee in charge of the ball has given assurance that this ball will be one of the most colorful and interesting events ever held in the City of Boston.

In order that all who desire to attend the ball, as well as to aid in the worthy cause for which the affair is sponsored, all tickets have been popularly priced at only one dollar. This year the money will go to agencies for the study and care of this disease. Seventy per cent, seventy cents of every dollar will be expended here in our own community for the treatment of this particular disease and the other thirty per cent will go to a National Board for research work and study, to prevent and stamp out this terrible malady. Every one knows the physical handicaps that follow in the wake of infantile paralysis and we are all familiar with the heroic and courageous fight President Roosevelt has waged since he became afflicted with this sickness. He, like many others, knows the agony and suffering that accompanies those who are stricken, but out of his affliction was borne a positive and determined purpose to devote his efforts to help his fellow sufferers. The disease is not only a children's sickness but strikes adults as well, and our sympathy should go out to all and any one who is attacked.

As already stated his Honor Mayor Mansfield has given his hearty endorsement and support of this affair and has assured the committee that the city employees would not be found wanting in response to this appeal. In order that members of the department may give their assistance to this cause, tickets have been placed in the hands of every district chief and division head today and he will immediately interview every member of his command as to his wishes in purchasing a ticket. All returns must be made to the Fire Commissioner on or before Wednesday, January 29. Members purchasing tickets will fill out the stub on the ticket, give it to the district chief or division head, who will see that the stubs are returned to the Fire Commissioner's office not later than Wednes-

day, January 29, in order that the purchaser may participate in the drawing to be held on the evening of the ball. A new automobile, a fur coat, an electric washing machine and a frigidaire are among the prizes that have already been donated.

It is hoped that members of the department will support this most worthy endeavor. The time for helping is short, only a few days. Members are urged to show an enthusiastic interest in this project and to arouse similar interest among their friends. A large sale of tickets by and through members of the department is earnestly desired. Additional tickets can be obtained at Department Headquarters.

Disease, like death, is no respecter of time or persons. By aiding in this cause you are helping yourself, your family, your neighbor, perhaps your own child.

By order of Fire Commissioner EDWARD F. McLAUGHLIN.

THOMAS H. DOWNEY,
Acting Chief of Department.

STREETS FOR COASTING.

The Mayor has approved the following vote of the Board of Street Commissioners of the City of Boston:

Voted, That until otherwise ordered by this Board, coasting be allowed during the winter seasons, not later than 10 o'clock p. m., under the regulations herein set forth and under such restrictions that the Police Department may deem proper to impose, in the following-named streets:

Police Division 1.

Allen, Brighton, Norman, Poplar, Parkman, North Anderson streets; Chambers street, from Poplar street to Spring street.

Police Division 6.

Silver street, between Dorchester and F streets, also from F street to E street; F street, between West Third and West First streets; East Third street, between N and P streets; East Fifth street, between I and K streets; East Seventh street, between G and H streets; H street, between Emerson and East First streets.

Police Division 7.

Sumner street to Jeffries street; Cottage street to Marginal street; Brooks street, between Lexington and Saratoga streets; Putnam street, between Lexington and Saratoga streets; Breed street to Ashley street; Homer street to Moore street; Byron street to Coleridge street.

Police Division 9.

TRAFFIC COMMISSION RULINGS.

Voted, That as urgently required by considerations of public safety and convenience, during the period of L Street Bridge repairs, estimated to be five (5) days, vehicles are excluded from the following street, effective January 20, 1936:

Summer Street, South Boston.

From the northwesterly end of the L Street Bridge to the southeasterly end of the L Street Bridge.

PROCEEDINGS OF CITY COUNCIL.

Monday, January 20, 1936.

Regular meeting of the City Council in the Council Chamber, City Hall, at 2 p. m., President FITZGERALD presiding. Absent, Coun. Brackman, Gleason, Peter A. Murray, Norton and Wilson.

APPOINTMENT BY THE MAYOR.

Subject to confirmation by the Council, the Mayor submitted the following:

Weighter of Goods: Gerrard Vaughn, 3 Cuffin street, Brighton.

Laid over a week under the law.

VETO OF PAYMENT TO MOTHER OF DAVID McDONALD.

The following was received:

City of Boston,
Office of the Mayor, January 15, 1936.
To the City Council.

Gentlemen,—I return herewith disapproved and without my signature the order adopted by your Honorable Body on January 6, 1936, favoring legislation for the payment of money to the mother of David McDonald.

This matter has been before the City Council and the Mayor on several occasions and has never been approved. In 1932 the then Corporation Counsel advised the Mayor that there was "neither legal nor moral liability upon the City to pay any money to the mother of David McDonald." It also appears that Harrington, at the time of the killing of McDonald, was not occupied in the performance of police duty and was acting as a private citizen. Under these circumstances I am constrained to veto the order.

Respectfully yours,
FREDERICK W. MANSFIELD, Mayor.

The question came on placing the message on file.

Coun. ROBERTS—Mr. President, I rise to a point of order, that the resolution of the City Council was merely a request for the enactment of certain legislation in behalf of the mother of David McDonald, and I don't see how that can be vetoed. That is my point.

President FITZGERALD—Under joint rule 7B of the Legislature, no resolution for such special legislation shall be entertained unless it is adopted by the City Council and approved by the Mayor.

The message was placed on file.

PETITIONS REFERRED.

The following petitions were received and referred to the committees named, viz.:

Claims.

Robert O. Andrews, for compensation for damage to car by city wagon No. 113.

Carmino A. Barra, for compensation for damage to property at 31 Waverly street, Brighton, by employees of Park Department.

Nathan L. Ginsberg, for compensation for damage to car by city team.

Stephen G. Grady, for compensation for damage to property at 2 Chestnut terrace, Jamaica Plain by ash truck.

Jack Jaguel, for compensation for damage to car caused by an alleged defect in Washington street.

Cathern Mahony, for compensation for damage to car by paint, in Women's Convenience Station, Roxbury.

Delia A. Morrison, for compensation for injuries caused by an alleged defect in Huntington avenue.

Mrs. Tekla W. Ormsby, for compensation for damage to property at 3 Beethoven street, caused by city employees.

Alexander Reina, for compensation for injuries caused by an alleged defect in Tremont street.

G. Thoresen, for refund on refuse tickets.

Effie Tingos, for compensation for injuries caused by an alleged defect at 20 Davison street.

Trimount Manufacturing Company, for compensation for damage to property at 55-71 Amory street, Roxbury, caused by break in water pipe.

Raymond J. Trull, for compensation for injuries caused by an alleged defect at 114 Hemenway street.

APPOINTMENT OF ACTING HEALTH COMMISSIONER.

Notice was received from the Mayor of the appointment of Dr. Frederic A. Washburn as Acting Health Commissioner in place of Dr. Francis X. Mahoney, deceased.

REPORT OF COMMITTEE ON MUNICIPAL LIGHTING.

Coun. DOWD, for the Committee on Municipal Lighting, submitted the following:

Report on message of the Mayor (referred January 13) together with proposed contracts with the Boston Consolidated Gas Company for furnishing gas, and for equipment and lighting of gas street lamps, recommending passage of the accompanying order, viz.:

Ordered, That in accordance with the provisions of section six of chapter 486 of the Acts of 1909, a public hearing be given by the City Council on Tuesday, February 4, 1936, at two o'clock p. m., on the proposed contracts with the Boston Consolidated Gas Company for furnishing gas, and for the equipment and lighting of gas lamps; and that the City Clerk be directed to give notice of said hearing by advertising the same in the daily newspapers and seven days before the date of said hearing in the *City Record*; the expense of said hearing and advertising to be charged to the appropriate items for City Council, Incidental Expenses.

The report was accepted and said order passed.

RECESS.

President FITZGERALD declared a recess subject to the call of the Chair at 2.33 p. m. The members reassembled and were called to order by President FITZGERALD at 2.39 p. m.

CONFIRMATION OF EXECUTIVE APPOINTMENTS.

President FITZGERALD called up, under unfinished business, No. 1 on the calendar, viz.:

1. Action on appointments submitted by the Mayor January 13, 1936, of John Mahoney, to be a Weighter of Coal; and Walter T. Curran, John J. Heavey and William F. Heavey, to be Weighters of Goods.

The question came on confirmation. Committee, Coun. Finley and George A. Murray. Whole number of ballots 14, yes 13, no 1, and the appointments were confirmed.

PAYMENTS TO BEREAVED FAMILIES.

Coun. FITZGERALD offered the following:

Resolved, That the City Council of Boston hereby approves the enactment of legislation whereby the City of Boston may be authorized to pay a sum of money to the father of Joseph Taylor, who was drowned while bathing in the Charles river, provided that such legislation includes a referendum to the Mayor and City Council.

Resolved, That the City Council of Boston hereby approves the enactment of legislation whereby the City of Boston may be authorized to pay a sum of money to the mother of John McGonagle, who died from injuries sustained by the falling of a wall at the Morton Street Playground, provided that such legislation includes a referendum to the Mayor and City Council.

The resolves were passed under suspension of the rule.

ADDITIONAL MEN ON SNOW REMOVAL.

Coun. TOBIN offered the following:
Ordered, That the Commissioner of Public Works be requested, through his Honor the Mayor, to immediately place 2,000 additional men at work on snow removal.

Coun. TOBIN—Mr. President, this order provides for the appointment of 2,000 additional men, to be paid by the city, for emergency work on snow removal. It is apparent at the present time that there are not enough men to take care of the situation and that more can be employed and paid by the city, especially in districts such as Dorchester, where they have no contracts. There has been con-

siderable discussion with regard to the removal of snow to the effect that it can be taken care of by W. P. A. employees. The rules issued on the matter, however, provide as follows:

1. Skilled workers may be used only to make up time.

2. White-collar workers cannot be used.

3. Trucks, paid out of Federal Funds, cannot be used.

4. No supervisors or foremen, receiving pay beyond the Security Wage rates, may be employed.

5. No non-relief workers, or non-relief foreman, may be used.

6. Regular W. P. A. hours will be worked. No overtime, no Sunday work.

7. Worker's time to be charged to regular W. P. A. projects.

8. Letter must be written by sponsor, requesting permission, and giving number of men to be employed, and nature of emergency.

9. In all cases, W. P. A. personnel must not be allowed to stand around. *They must work.*

10. If workers are needed after Thursday, another request will have to be made to this office for permission to use them after that date.

It is obvious that the use of W. P. A. employees is unfair both to the employees themselves and to the city. This is work that has to be done in a hurry. I advise you, therefore, Mr. President, to appoint a committee and to see the Mayor, and to see if 2,000 more men cannot be put on the work tonight.

The order was passed under suspension of the rule.

APPOINTMENT OF ADDITIONAL PATROLMEN.

Coun. AGNEW offered the following:
Ordered, That the Police Commissioner be requested, through his Honor the Mayor, to appoint immediately two hundred patrolmen to fill existing vacancies in the Police Department and to insure the residents of Boston the protection to which they are entitled.
Passed under suspension of the rule.

COASTING AT ARNOLD ARBORETUM.

Coun. FINLEY offered the following:
Ordered, That the Park Commission be requested, through his Honor the Mayor, to allow coasting at the Arnold Arboretum.
Passed under suspension of the rule.

CONVENIENCE STATION, FOREST HILLS.

Coun. FINLEY for Coun. MURRAY and FINLEY offered the following:

Ordered, That the trustees of the Boston Elevated Railway Company be requested, through his Honor the Mayor, to re-open the convenience station at the Forest Hills station immediately.

Passed under suspension of the rule.

TRAFFIC SIGNALS, WARD 7.

Coun. KERRIGAN offered the following:
Ordered, That the Traffic Commission be requested, through his Honor the Mayor, to install automatic traffic signals at the junction of Pond street and Columbia road, Ward 7.
Passed under suspension of the rule.

SOLDIERS' RELIEF.

Coun. KERRIGAN offered the following:
Ordered, That under the provisions of chapter 115 of the General Laws, and acts in amendment thereof or in addition thereto, the amounts set forth in the list of allowances hereto annexed, for the month of January, 1936, of aid to soldiers and sailors and their families residing in the City of Boston or having a settlement therein, be hereby approved and paid until otherwise ordered, unless the person named shall previously become ineligible to receive said aid.

Passed under suspension of the rule.

ELIMINATION OF OLD AGE ASSISTANCE RECIPIENTS FROM POLL TAX LISTS.

Coun. ROBERTS offered the following:

Ordered, That the Board of Assessors be requested, through his Honor the Mayor, to eliminate all recipients of old age assistance from the poll tax lists.

Passed under suspension of the rule.

Coun. GALLAGHER—Mr. Chairman, I move that we adjourn.

Coun. TOBIN—Mr. President, before we adjourn I wonder if action could not be taken on the snow-removal order, having a committee appointed to see his Honor the Mayor.

President FITZGERALD—That will be taken care of.

Coun. GALLAGHER'S motion was carried, and the Council adjourned at 2.45 p. m., to meet on Monday, January 27, 1936, at 2 p. m.

NOTICE OF HEARING.

CITY OF BOSTON.

OFFICE OF THE CITY CLERK, JANUARY 22, 1936.

In accordance with the provisions of section 6 of chapter 486 of the Acts of 1909, a public hearing will be given by the City Council in the City Council Chamber, City Hall, on Tuesday, February 4, 1936, at two o'clock p. m., on the proposed contracts with the Boston Consolidated Gas Company for furnishing gas for street lights, and for the equipment and lighting of gas lamps.

By order of the City Council.

(Jan. 25-Feb. 1.) W. J. DOYLE, City Clerk.

CITY OF BOSTON.

BOSTON TRAFFIC COMMISSION.

CHANGES IN TRAFFIC REGULATIONS.

Voted, That the Revised Traffic Rules and Regulations, as adopted by the Boston Traffic Commission on October 31, 1935, and on November 6, 1935, are amended as follows, effective January 27, 1936:

Section 24, Part 1, is amended by adding the following:

Foss Street, Charlestown.

From Chelsea street to Water street. Temple Street.

From Derne street to Cambridge street.

Section 41 is amended by adding the following:

North Beacon Street, Brighton.

At Parsons street.

WILLIAM P. HICKEY,

(Jan. 18-25.)

Commissioner.

CITY OF BOSTON.

SUPPLY DEPARTMENT.

PROPOSALS FOR FLASHLIGHT EQUIPMENT.

The Supply Department of the City of Boston invites proposals for furnishing flashlight equipment to the various city departments. The bidder must use the form of proposals to be obtained at the office of the Superintendent of Supplies, Room 801, City Hall Annex, and the successful bidder must furnish a bond for one quarter the total estimated amount of the bid with a surety company authorized to do business in Massachusetts as surety for the faithful performance of the contract. *There will be a charge of twenty cents (\$0.20) for each blank proposal taken out.* The bid, with a certified check for \$100, payable to and to become the property of the City of Boston if the proposal is not carried out, must be left at the office of the Superintendent of Supplies, before 12 m., Tuesday, February 4, 1936, at which time and place they will be publicly opened and read. A duplicate bid, without check, must be left at the office of the City Auditor prior to the time named for opening bids. The Superintendent reserves the right to accept or reject any or all bids, or any part of a bid, and to award the contract as he deems for the best interests of the city. All contracts made subject to appropriations to meet payments thereunder.

D. FRANK DOHERTY,

(Jan. 25.) Superintendent of Supplies.

CITY OF BOSTON.

FIRE DEPARTMENT.

PROPOSALS FOR REMODELING UNIFORM SACK COATS, BOSTON FIRE DEPARTMENT.

The Fire Commissioner of the City of Boston, hereinafter designated as Commissioner, 60 Bristol street, invites proposals from citizens of the United States and corporations and other legal associations wherein the controlling interest to the extent of at least over one half is owned by a citizen or citizens of the United States, for doing the following stated work, the remodeling of the collars, necks and fronts of approximately 974 of the present stand-up front, privates sack coats of the Boston Fire Department, so that the collars will be of a turned-down roll-collar type, like sample to be seen at Maintenance Division, 70 Bristol street. The work to be done in accordance with specifications and sample, which may be obtained at Fire Headquarters, 60 Bristol street. Proposals will be received at the office of the Fire Commissioner, 60 Bristol street, where the same will be publicly opened and read at 12 o'clock noon, February 5, 1936. Proposals must be in duplicate, sealed, and marked "Proposals for Uniform Alterations," one of which is to be deposited at the office of the Fire Commissioner, and contain a certified check, made payable to the City of Boston, for two hundred (200) dollars, said check to be forfeited if the bidder fails to carry out his proposal; the other proposal is to be deposited at the office of the City Auditor previous to the time stated for the opening of the bids. The successful bidder will be required to furnish a bond in the sum of 40 per cent of the estimated total amount of the contract price, of an approved surety company doing business in the State of Massachusetts. The contract is made subject to appropriation to meet payments thereunder. The Fire Commissioner reserves the right to reject any or all bids or to award the contract as he deems best.

EDWARD F. McLAUGHLIN,

(Jan. 25.)

Fire Commissioner.

W. P. A.

PROJECT 65-14-6027-5659-1731.

CITY OF BOSTON.

SUPPLY DEPARTMENT.

PROPOSALS FOR FURNISHING HARD, DRY FILL.

The Supply Department of the City of Boston invites proposals for furnishing the Boston Airport, Park Department, hard, dry fill, as per specifications to be obtained at the Supply Department, Room 801, City Hall Annex. *There will be a charge of twenty cents (\$0.20) for each blank proposal taken out.* The bidder must leave his proposal and a certified check for \$300 payable to and to become the property of the City of Boston if the proposal is not carried out, at the office of the Supply Department. A duplicate bid, without check, must be left at the office of the City Auditor prior to the time named for opening bids. The bids will be publicly opened and read on Friday, January 31, 1936, at 12 m., at Room 801, City Hall Annex. The successful bidder must furnish a bond for one quarter the total estimated amount of the contract with a surety company authorized to do business in Massachusetts, as surety for the faithful performance of the contract. The Superintendent reserves the right to accept or reject any or all bids, or any part of a bid, and to award the contract as he deems for the best interests of the city. All contracts made subject to appropriations to meet payments thereunder.

D. FRANK DOHERTY,

(Jan. 25.)

Superintendent of Supplies.

CITY OF BOSTON.

ASSESSING DEPARTMENT.

TO TAXPAYERS.

ASSESSORS' NOTICE, CITY HALL ANNEX, BOSTON, January 1, 1936.

Attention is called to the Assessors' Notice posted upon City Hall and various other places throughout the city, relative to making returns on personal property subject to taxation. *Returns should be made not later than February 15.*

EDWARD T. KELLY,

TIMOTHY W. MURPHY,

MICHAEL J. BROPHY,

Assessors of Boston.

(Jan. 4-11-18-25—Feb. 1-8-15.)

THE SCHOOL COMMITTEE OF THE CITY OF BOSTON.

ADMINISTRATION BUILDING, 15 BEACON STREET, OFFICE OF THE BUSINESS MANAGER.

PROPOSALS FOR FURNISHING SUPPLIES AND EQUIPMENT FOR PHYSICAL EDUCATION IN BOSTON PUBLIC SCHOOLS.

The School Committee of the City of Boston invites bids for furnishing supplies and equipment for physical education in Boston public schools. Proposal forms are obtainable at the office of the Business Manager of the School Committee, tenth floor, 15 Beacon street. Envelopes containing proposals must be sealed and plainly marked "Proposal for Furnishing Supplies and Equipment for Physical Education." The bid must be in duplicate. One copy signed by the bidder and accompanied by a certified check for \$50 payable to the City of Boston must be left at the office of the Business Manager on or before 12 o'clock m. on Thursday, February 6, 1936. Copies filed with the Business Manager will be publicly opened and read at 12 o'clock m. of the day stated. The other copy, also signed by the bidder, must be filed with the City Auditor, City Hall, Boston, Mass., previous to the time named for the opening of bids. The School Committee reserves the right to reject any or all bids, and to accept such bid or part of bid as may be deemed best for the interests of the city. The successful bidder will be required to furnish a bond for not less than 50 per cent of the amount of the contract.

ALEXANDER M. SULLIVAN,

Business Manager of the School Committee.

(Jan. 25.)

SUPPLY DEPARTMENT.

PROPOSALS FOR FURNISHING X-RAY MATERIALS.

The Supply Department of the City of Boston invites proposals for furnishing to the various city departments, X-Ray materials, as per specifications to be obtained at the office of the Superintendent of Supplies, Room 801, City Hall Annex. *There will be a charge of twenty cents (\$0.20) for each blank proposal taken out.* The bidder must leave his proposal with a certified check for \$300, payable to and to become the property of the City of Boston if the proposal is not carried out, at the above office. A duplicate bid, without check, must be left at the office of the City Auditor prior to the time named for opening bids. The bids will be publicly opened and read Thursday, February 6, 1936, at 12 m., at Room 801, City Hall Annex. The successful bidder must furnish a bond for one quarter of the total estimated amount of the contract with a surety company authorized to do business in Massachusetts as surety for the faithful performance of the contract. The Superintendent reserves the right to accept or reject any or all bids, or any part of a bid, and to award the contract as he deems for the best interests of the city. All contracts made subject to appropriations to meet payments thereunder.

D. FRANK DOHERTY,

(Jan. 25.)

Superintendent of Supplies.

SUPPLY DEPARTMENT.

PROPOSALS FOR ENGINE, MACHINE AND CYLINDER OILS.

The Supply Department of the City of Boston invites proposals for furnishing engine, machine and cylinder oils, as required, to the various city departments. The bidder must use the form of proposal to be obtained at the office of the Superintendent of Supplies, Room 801, City Hall Annex, and the successful bidder must furnish a bond for one quarter the total estimated amount of the bid with a surety company authorized to do business in Massachusetts as surety for the faithful performance of the contract. *There will be a charge of twenty cents (\$0.20) for each blank proposal taken out.* The bid, with a certified check for \$200, payable to and to become the property of the City of Boston if the proposal is not carried out, must be left at the office of the Superintendent of Supplies, before 12 m., Wednesday, February 5, 1936, at which time and place they will be publicly opened and read. A duplicate bid, without check, must be left at the office of the City Auditor prior to the time named for opening bids. The Superintendent reserves the right to accept or reject any or all bids, or any part of a bid, and to award the contract as he deems for the best interests of the city. No. 5

MAYOR MANSFIELD OPENS DRIVE FOR SALE OF TICKETS FOR PRESIDENT ROOSEVELT'S BIRTHDAY BALL — ADDRESS BEFORE CITIZENS' COMMITTEE, OF WHICH HE IS GENERAL CHAIRMAN, STARTS WORK WITH ENTHUSIASM THAT WARRANTS PREDICTION OF GREATER SUCCESS THAN FOR ANY PREVIOUS YEAR — EXPLAINS NEED FOR FUNDS TO BATTLE INFANTILE SCOURGE AND HOW SUM SECURED WILL BE DISTRIBUTED.

The following is the radio speech of Mayor Frederick W. Mansfield over Station WBZ on January 24:

Mr. Maynard, Ladies and Gentlemen of the Radio Audience.

As Mayor of the City of Boston and as General Chairman of the Birthday Ball for the President Committee, I am pleased tonight from Station WBZ to open, officially, the drive for the sale of tickets for this most worthy cause.

As Mr. Maynard has informed you,— information which I feel should be repeated,— 70 per cent of the proceeds of the ball will be distributed locally to care for needy infantile cases. The local committee will retain that amount to be expended in this community. It will give the local authorities the opportunity to concentrate their moneys with those hospitals, doctors and societies that are putting forth every effort to combat this dreaded disease.

The remaining 30 per cent will be turned over to the National Committee of the Birthday Ball for delivery to President Franklin D. Roosevelt to be presented by him to a national commission to widen research efforts to bring under control the disease itself. It might be well to mention here that the Harvard Infantile Paralysis Commission received \$10,000 from this 30 per cent fund during the past year.

Leaders from all walks of life have accepted the invitation to serve on the National Committee, and here locally I have received whole-hearted response from all who have been asked to serve.

Collector of Port Joseph A. Maynard kindly consented to serve as chairman for the Birthday Ball to be held here in Boston and we feel that under his direction we will have even greater success than last year when the net proceeds were \$12,315.41.

A most excellent committee of one hundred and fifty ladies and gentlemen who are giving willingly of their time so that this most worthy cause might be a great success have been working earnestly for the past several weeks. To all members of this committee I extend my heartfelt thanks for their willing assistance and cooperation. To the Press and radio stations of this city I am deeply grateful, for without the valuable aid of these two agencies we could not hope for success. To all the musical units, military organizations, decorators, and to all others who are assisting I extend my sincere thanks.

As for the ball itself. It will take place on the evening of Thursday, January 30, at the Boston Garden. It is expected that over 20,000 persons (the largest ever assembled at an affair of this kind) will be in attendance that evening.

A famous orchestra and two well-known bands have indicated their willingness to take part and those attending will enjoy the finest music to be heard in Boston in years. Music will be but one feature of the evening, which, in addition to dancing, will include a military drill, personal appearances of famous men and women of stage and screen as well as carefully selected entertainment. Mr. Maynard has informed you of the prizes to be awarded to the holders of lucky tickets. These prizes alone should be reason enough to assure a banner attendance.

It is the desire of our National Leader, President Roosevelt, that the tickets for these social events of January 30 be priced at a low figure and accordingly the committee here in Boston have set the price of one dollar each per ticket. In this way a vast majority of our fellow citizens can contribute to this most worthy cause and at the same time receive the greatest value for their money in the way of entertainment and enjoyment that has ever been offered in this city.

One of the real features of the evening will be a special message via radio by President Roosevelt at 11.30 p. m. to all those assembled in the Garden. It is expected that the President will speak to over 5,000,000 people at that time.

I am informed by the National Committee that over five thousand balls and entertainments will be held throughout the country on the evening of January 30, and it is my hope that the gala affair to be held at the Boston Garden will be the most successful of all, from both a financial and attendance standpoint.

I urge upon my fellow citizens to show by their attendance and the purchase of tickets that they are interested in this most worthy cause and that they are willing to cooperate to the end that we of Boston may assist in combating one of the most dreaded diseases menacing our nation and thus help to rehabilitate the victims of infantile paralysis.

"O Boston, fair City enthroned like a radiant queen,
From thy hills looking down on the ship-teeming plain of the ocean,
May thy future be bright, thy skies beam with light all serene,
Ensured by thy sons' and thy daughters' unselfish devotion!"

From Boston Centennial Poem by
NATHAN HASKELL DOLE.

MUNICIPAL SERVICE.

Complaints, inquiries or suggestions regarding the work of municipal departments should be made in writing to the officials directly in charge. The failure of such official to make reply within a reasonable length of time should be brought to the attention of the Mayor. Communications should be directed as follows:

TO THE BOARD OF STREET COMMISSIONERS, Room 401, City Hall Annex, for information relative to the laying out, relocation, widening and the discontinuance of highways; the taking of real property for municipal purposes; the assessments of betterments for streets and sewers; the plotting of undeveloped area for streets and the opening of private ways; the granting of licenses for the storage or sale of merchandise in

public streets; the making of specific repairs in public streets; the naming of public streets; the planting and removal of trees in public ways; the issuing of licenses for the storage of gasoline, oil and other inflammable substances or explosive compounds; the use of the public ways for any permanent or temporary obstruction or projection in, under or over the same, including the location of conduits, poles and posts for telephone, telegraph, street railway or illuminating purposes, signs, marquis, bay windows, coal holes and vaults.

TO THE BOSTON TRAFFIC COMMISSION, 134 North street, for information relative to regulation of vehicular street traffic on all or any streets, ways, highways, roads and parkways under the control of the City of Boston, the issuing of all permits in connection therewith.

TO THE COMMISSIONER OF PUBLIC WORKS, Room 511, City Hall Annex, for information as to the watering, cleaning, lighting and repairing of streets, the construction and care of sewers and catch-basins, the operation of the ferries, the maintenance of bridges and drawbridges and the removal of ashes and offal.

TO Room 604, City Hall Annex, for information relative to the supplying or metering of water and the water charges of the city.

TO THE HEALTH DEPARTMENT, Room 1107, City Hall Annex, for information relative to the inspection of milk, vinegar, meat, fish and vegetables, the issuance of permits for stables, slaughter houses, etc., smoke nuisances, the existence of contagious diseases, of public health nuisances.

TO THE BOARD OF PARK COMMISSIONERS, 33 Beacon street, for information as to the care of the Common, Public Garden, Franklin Park, Franklin Field, Commonwealth avenue, Back Bay Fens, Marine Park, the Airport, and the small parks and playgrounds in general throughout the city, and as to the extermination of gypsy moths and the charges made for such service. Applica-

tion may be made to this department for information regarding the public baths and gymnasiums maintained by the city, and with regard to municipal indoor concerts and band concerts, also information relative to Mt. Hope, Evergreen, Fairview and other public cemeteries owned by the City of Boston.

TO THE SCHOOL COMMITTEE, 15 Beacon street, for information relative to the operation of the schools in the city.

TO THE DEPARTMENT OF SCHOOL BUILDINGS, 11 Beacon street, for information as to the construction and repair of school buildings.

TO THE BOARD OF EXAMINERS, Room 1001, City Hall Annex, for information regarding the licensing of persons having charge or control of the work of construction, alteration, removal or tearing down buildings.

TO THE STATISTICS DEPARTMENT, Room 76, City Hall, for historical, geographical, political and population facts about Boston; the personnel and accomplishments of present and past municipal administrations; and such similar information as may be found concerning other American municipalities in its Municipal Officials' Reference Library.

TO THE WIRE DIVISION OF THE FIRE DEPARTMENT, 60 Bristol street, for all information relative to the erection of poles, building of conduits, the installation of all overhead and underground construction and electrical apparatus, as well as for general information relative to the entire division. To Room 103, City Hall Annex, for permits for the installing of wires and electrical apparatus within buildings of the City of Boston, and for the payment of fees incident to the granting of the privileges above named, and which must be paid in advance.

TO THE BOARD OF ZONING ADJUSTMENT, Room 30, City Hall, relative to changes in the boundary lines of zoning districts of the City of Boston as established by chapter 488 of the Acts of 1924, and amendments thereto.

MAYOR MANSFIELD ISSUES STATEMENT TO CITIZENS OF BOSTON CONCERNING PUBLICATION BY BOSTON CONSOLIDATED GAS COMPANY CONCERNING RATES—CHARGES BOOKLET MAY GIVE CONSUMERS WRONG IMPRESSION—POINTS TO FACTS PUBLIC OUGHT TO KNOW.

Upon January 24 Mayor Mansfield issued the following statement as warning to Boston citizens:

I understand that the Boston Consolidated Gas Company is sending all its customers through the mails a booklet which may give gas consumers wrong impressions. The following are facts which customers ought to know:

1. The proposed rate is not in effect. The Department of Public Utilities has not as yet approved or disapproved the schedule. When the schedule was filed I protested vigorously against it, and presented through the Law Department a full analysis of the position of the company and the effect of the proposed rates upon the consumers.

2. Under the proposed rates all consumers using less than 4,000 cubic feet of gas, and now paying less than \$4.50 a month, would have an increase in their bills. Such consumers constitute 92 per cent of the general residential consumers. Less than 8 per cent would have a decreased bill based upon the company's own figures. Customers now receiving bills of less than \$4.50 per month would have increases varying up to 60 cents a month, or up to 75 per cent over the present rates.

3. The present rates and the proposed rates both contain a provision for a minimum bill of \$7 a year, and in addition a concealed service charge. Under the present rate the service charge is 50 cents a month, under the proposed rate the service charge would vary from 50 cents to \$1.10 a month.

4. Experts believe that the Boston Consolidated Gas Company pays its holding company, the Massachusetts Gas Company, owning all of the stock of the Boston Consolidated Gas Company, over a million dollars a year above the fair price of gas.

5. Based upon expert opinion, there is every reason to believe that it costs the company as low as 36 cents a month (which is more than amply provided for by the minimum bill) to serve customers in certain apartment houses and tenement districts, and that the claim of the company that it costs \$1.60 a month to serve each customer is arbitrary and unfair to small consumers.

6. Based upon the opinion of experts, there is every reason to believe that the Gas Company earned almost 8½ per cent on the value of its property used for gas business in 1934, 11½ per cent in 1933, 13½ per cent in 1932 and 12½ per cent in 1931, all depression years.

LAND TAKING IN DORCHESTER AND HYDE PARK

The Mayor has approved the order of the Board of Street Commissioners for the taking of land for a public improvement, consisting of the laying out and construction of Ridge road, Dorchester and Hyde Park districts, as a highway, from Cummins Highway to Blake street, with the name of Ridlon road or some other distinctive name, bounded and described as follows:

A highway named Ridlon road is hereby laid out, from Cummins Highway to Blake street, and ordered constructed, the cost thereof to be charged to Federal Funds.

Said highway and the land, exclusive of trees or structures standing upon or affixed thereto, in which an easement for street purposes is hereby taken, is bounded and described as follows:

Part between Cummins Highway and Greenfield road:

Northerly by Cummins Highway, forty-one and 85-100 feet; southeasterly by the southeasterly line of said Ridlon road as hereby laid out, two hundred ninety-four and 33-100 feet; southwesterly by Greenfield road, forty-one and 49-100 feet; and northwesterly by the northwesterly line of said Ridlon road as hereby laid out, two hundred seventy and 99-100 feet.

Part between Greenfield road and Blake street:

Northeasterly by Greenfield road, forty-one and 49-100 feet; southeasterly by the southeasterly line of said Ridlon road as hereby laid out, three hundred eight and 97-100 feet; easterly by the easterly line of said Ridlon road as hereby laid out, sixty-one and 49-100 feet on a curve of

forty-seven and 65-100 feet radius; northeasterly by the northeasterly line of said Ridlon road as hereby laid out, one hundred sixty-four and 16-100 feet; again easterly by the easterly line of said Ridlon road as hereby laid out, sixty-four and 28-100 feet on a curve of ninety-three and 10-100 feet radius; again easterly by the easterly line of said Ridlon road as hereby laid out, seventy-five and 52-100 feet; again easterly by the easterly line of said Ridlon road as hereby laid out, thirty-five and 38-100 feet on a curve of fifty and 66-100 feet; again northeasterly by the northeasterly line of said Ridlon road as hereby laid out, one hundred twenty-eight and 59-100 feet; southeasterly by Blake street, forty and 62-100 feet on a curve of nine hundred seventy-four and 28-100 feet radius; southwesterly by the southwesterly line of said Ridlon road as hereby laid out, one hundred thirty-five and 65-100 feet; westerly by the westerly line of said Ridlon road as hereby laid out, sixty-three and 30-100 feet on a curve of ninety and 66-100 feet radius; again westerly by the westerly line of said Ridlon road as hereby laid out, seventy-five and 52-100 feet; again westerly by the westerly line of said Ridlon road as hereby laid out, thirty-six and 66-100 feet on a curve of fifty-three and 10-100 feet radius; again southwesterly by the southwesterly line of said Ridlon road as hereby laid out, one hundred sixty-four and 16-100 feet; again westerly by the westerly line of said Ridlon road as hereby laid out, one hundred thirteen and 10-100 feet on a curve of eighty-seven and 65-100 feet radius; northwesterly by the northwesterly line of said Ridlon road as hereby laid out, three hundred and twenty feet.

Voted, That this Board determines that no person sustains damages in his estate by the making of the public improvement, consisting of the laying out and construction of Ridlon road (formerly Ridge road), Hyde Park-Dorchester, under the order of the Board of January 24, 1936, and awards no damages therefor.

POLICE DEPARTMENT ORDERS.

General Order No. 140.

A trial board, consisting of Captains Campbell, McGrath and Gleavy, having heard by reference a complaint made by Thomas M. Towle, captain, Division 2, against James J. Gallagher, patrolman, Division 2, for alleged violation of Rule 41 of the Rules and Regulations of the Police Department, to wit:

Charge: Conduct unbecoming an officer.

Specification: In that on the 19th day of January, 1936, the said Patrolman James J. Gallagher, while in uniform, and on duty, was under the influence of intoxicating liquors to such an extent that he would be unable to perform police duty, if called upon so to do, tending to bring into disrepute and criticism himself and his associates in the Police Department,—

has submitted the following finding and recommendation:

"The Board, having heard and carefully considered all the evidence as presented, accepts the plea of guilty. The Board has also considered the favorable recommendation of Patrolman Gallagher's commanding officer, as well as the testimony of one of this officer's sergeants to the effect that after two warnings Patrolman Gallagher showed marked improvement and refrained from the use of liquor for a long period of time. Captain Towle testified that this man is a good police officer, neat, clean and respectful, and that he has the ability to become a worth-while member of the department. Therefore, the Board respectfully recommends that the said Patrolman James J. Gallagher be suspended from duty for a period of fifteen days, effective as of January 20, 1936, at 12:45 o'clock a. m., and that at the expiration of the said period of suspension the said Patrolman James J. Gallagher be ordered to perform 210 hours of punishment duty."

The commissioner accepts the finding and the recommendation of the Trial Board and hereby orders that the said Patrolman James J. Gallagher be suspended from duty for a period of fifteen days, effective as of January 20, 1936, at 12:45 o'clock a. m., and that at the expiration of the said period of suspension the said Patrolman James J. Gallagher perform 210 hours of punishment duty.

Civil Service Rule 23, section 3, requires approval of the Civil Service Commission before reinstatement.

Rule 23.

"Section 3. With the consent of the Commissioner upon good cause shown, an appointing officer may reinstate in the same position or in a position in the same class and grade any person who has been separated from the service; provided, however, that the Commissioner shall not allow reinstatement of a person discharged for cause."

The Superintendent of Police will promulgate this order.

EUGENE M. MCSWEENEY,
Commissioner.

PROPOSALS ADVERTISED.

Bids have been asked by advertisement in the *City Record* for the following departments. The attention of contractors and others is especially called to the closing time of receipt of such proposals. This will be published weekly.

FIRE DEPARTMENT.

Advertises for proposals for remodeling uniform sack coats for the Fire Department. Surety bond will be required in a sum equivalent to 40 per cent of the contract price. Blank forms for proposals may be obtained at the office of the Fire Commissioner, 50 Bristol street, Boston. Bids, accompanied by certified check in the sum of \$200, to be filed at the same office. Duplicate bid, without check, to be filed with the City Auditor.

Bids close Wednesday, February 5, at 12 m.

PENAL INSTITUTIONS DEPARTMENT.

Advertises for proposals for repairs to tubes, boiler No. 2, House of Correction, Deer Island. Surety bond will be required in a sum equivalent to the full amount of the contract price. Blank forms for proposals may be obtained at the office of the Penal Institutions Department, Room 803, City Hall Annex, Boston. Bids, accompanied by certified check in the sum of \$200, to be filed at the same office. Duplicate bid, without check, to be filed with the City Auditor.

Bids close Friday, February 7, at 12 m.

Advertises for proposals for furnishing repairs to side walls and fire box, boiler No. 2, House of Correction, Deer Island. Surety bond will be required in a sum equivalent to the full amount of the contract price. Blank forms for proposals may be obtained at the office of the Penal Institutions Department, Room 803, City Hall Annex, Boston. Bids, accompanied by certified check in the sum of \$300, to be filed at the same office. Duplicate bid, without check, to be filed with the City Auditor.

Bids close Friday, February 7, at 12 m.

PUBLIC WORKS DEPARTMENT.

Advertises for proposals for sewerage works in Stony Brook, section 14, from 404 feet northeast of Mt. Hope street to 156 feet southwest of Mt. Hope street, West Roxbury. Surety bond will be required in a sum equivalent to the full amount of the contract price. Blank forms for proposals may be obtained at the office of the Public Works Department, Room 508, City Hall Annex, Boston. Bids, accompanied by certified check in the sum of \$3,000, to be filed at the same office. Duplicate bid, without check, to be filed with the City Auditor.

Bids close Tuesday, February 18, at 12 m.

SCHOOL COMMITTEE.

Advertises for proposals for furnishing supplies and equipment for physical education in the schools. Surety bond will be required in a sum equivalent to 50 per cent of the contract price. Blank forms for proposals may be obtained at the office of the Business Manager, School Committee, 15 Beacon street, Boston. Bids, accompanied by certified check in the sum of \$50, to be filed at the same office. Duplicate bid, without check, to be filed with the City Auditor.

Bids close Thursday, February 6, at 12 m.

SUPPLY DEPARTMENT.

Advertises for proposals for furnishing flashlight equipment to the various city

departments. Surety bond will be required in a sum equivalent to 25 per cent of the contract price. Blank forms for proposals may be obtained at the office of the Supply Department, Room 801, City Hall Annex, Boston. Bids, accompanied by certified check in the sum of \$100, to be filed at the same office. Duplicate bid, without check, to be filed with the City Auditor.

Bids close Tuesday, February 4, at 12 m.

Advertises for proposals for furnishing engine, machine and cylinder oils to the various city departments. Surety bond will be required in a sum equivalent to 25 per cent of the contract price. Blank forms for proposals may be obtained at the office of the Supply Department, Room 801, City Hall Annex, Boston. Bids, accompanied by certified check in the sum of \$200, to be filed at the same office. Duplicate bid, without check, to be filed with the City Auditor.

Bids close Wednesday, February 5, at 12 m.

Advertises for proposals for furnishing X-ray materials to the various city departments. Surety bond will be required in a sum equivalent to 25 per cent of the contract price. Blank forms for proposals may be obtained at the office of the Supply Department, Room 801, City Hall Annex, Boston. Bids, accompanied by certified check in the sum of \$300, to be filed at the same office. Duplicate bid, without check, to be filed with the City Auditor.

Bids close Thursday, February 6, at 12 m.

Advertises for proposals for furnishing contractors' supplies to the Water Division, Public Works Department. Surety bond will be required in a sum equivalent to 25 per cent of the contract price. Blank forms for proposals may be obtained at the office of the Supply Department, Room 801, City Hall Annex, Boston. Bids, accompanied by certified check in the sum of \$100, to be filed at the same office. Duplicate bid, without check, to be filed with the City Auditor.

Bids close Friday, February 7, at 12 m.

Advertises for proposals for furnishing Ford dump trucks to the Park Department, Municipal Airport. Surety bond will be required in a sum equivalent to 25 per cent of the contract price. Blank forms for proposals may be obtained at the office of the Supply Department, Room 801, City Hall Annex, Boston. Bids, accompanied by certified check in the sum of \$300, to be filed with the same office. Duplicate bid, without check, to be filed with the City Auditor.

DEPARTMENT CHANGES.

The following changes in the number, rating and compensation of the city employees have been made during the week ending Thursday, January 30:

DEPARTMENT OF SCHOOL BUILDINGS.

The following three persons have been approved for appointment at \$2,300 a year as Clerks of Works for the duration of the work on the building they are assigned to; same to be a temporary appointment only: Thomas F. Sheehan, Fred Murray, Francis R. McCarthy.

FIRE DEPARTMENT.

Change of rating of Francis G. Lynch from inspector in the Exterior Division to inspector in the Interior Division of the Wire Division, without any increase in salary, has been approved.

Approval has been given to make application on the Department of Civil Service for one clerk, with bookkeeping experience, to fill the vacancy in the office of the Maintenance Division, caused by the death of Bookkeeper-Clerk William J. Hurley on June 7. There is \$2,400 allowed in the 1936 budget for this position and the new clerk would be paid at the rate of \$1,000 a year, which would result in the saving of \$1,400.

Hoseman Henry J. Phelan of the Maintenance Division has been promoted to engineer in the Motor Squad with increase in salary from \$2,100 to \$2,300 a year.

Hoseman Joseph Schein of Engine Company 49 has been promoted to apparatus operator with an increase in salary from \$2,100 to \$2,200 a year.

HEALTH DEPARTMENT.

Approval has been given for the transfer of Irene McDonnell from laboratory technician (part time) at \$12 a week at the City Hospital to milk bacteriologist at \$1,500 a year, for permanent appointment, *vice* Frederick Bartlett, deceased, effective January 31.

Approval has been given for a leave of absence, without pay, for Katherine Burke, clerk, to continue for six months, because of illness.

HOSPITAL DEPARTMENT.

The following persons have been employed at the Boston City Hospital for the week ending Thursday, January 23:

To Fill Vacancy.

ASKS MAYOR'S AID IN SECURING AN AMERICAN HUSBAND.

The Mayor has received the following letter and because apparently it is written in good faith he does not care to disclose the name or the address of the writer:

January 9, 1936.

DEAR MR. MAYOR,—Would you be so kind as to put me in touch with an American gentleman who would marry me and give me a home in any part of U. S. A. I have always liked and admired American people and there is nothing I would like better than to marry one. I am eighteen years of age, have a good head for business and am a very good housekeeper. I am fond of all outdoor sports including tennis, horse-riding, skating, etc. I am also fond of dancing and all music. I have been engaged this winter as a crooner in a local dance-land and would in short do my utmost to make anyone happy in return for a good home. I am of Irish parentage. Trusting you will do your best to find me a husband, gangsters barred, I am,

Yours very truly,

CLAIMS ALLOWED.

The Mayor, upon recommendation of the Corporation Counsel, has approved the following claims:

Helen F. Barry, 335 Savin Hill avenue, Dorchester, in the sum of \$17.50, as compensation for damage to property at above address, caused by backing up of sewer, December 15, 1934.

Ellen L. Hickey, 9 Greenmount street, Dorchester, the sum of \$15, as compensation for damage to property at 1187 Dorchester avenue, caused by broken water pipe on Greenmount street, August 20, 1935.

Bernard F. Goldberg, 60 Cheney street, Roxbury, in the sum of \$10, as compensation for damage to automobile, caused by defect in highway in front of 49 Cheney street, June 15, 1935.

Patricia McNabb, 7 Hillcrest street, West Roxbury, in the sum of \$100, as compensation for personal injuries, caused by tripping over raised concrete slab in sidewalk on Hillcrest street, near the corner of Elgin street, August 10, 1935.

OVERSEERS OF THE PUBLIC WELFARE, CITY OF BOSTON.

*Contract awarded.

CIRCULAR LETTER NO. 1.

CITY OF BOSTON,
OFFICE OF THE MAYOR, January 25, 1936.

To All Heads of Departments.

In the absence of exceptionally extenuating circumstances no city employee who has resigned and has collected his accumulated retirement money will be reinstated.

Yours truly,

FREDERICK W. MANSFIELD, Mayor.

TRAFFIC COMMISSION RULINGS.

Voted, That as urgently required by considerations of public safety and convenience, for a trial period of sixty (60) days, parking of vehicles is prohibited in the following street, effective January 29, 1936:

Bedford Street.

Northerly side, from Chauncy street to Harrison avenue.

CONSTRUCTION WORK.

The Mayor has approved the request of the Public Works Department for the following construction work:

A surface drain of 15-inch pipe and four catch-basins (W. P. A. Project 65-14-5410; Work Project 5281) in Corey street, between Addington road and Weld street, in the West Roxbury district, at an estimated cost of \$12,000.

A catch-basin drain of 10-inch pipe, one catch-basin and one drop inlet (W. P. A. Project 65-14-4953; Work Project 5770) in Oakview terrace, between 340 feet southeast of Belmore terrace and end of street, in the West Roxbury district, at an estimated cost of \$3,500.

A surface drain of 10-inch pipe and one catch-basin (W. P. A. Project 65-14-4953; Work Project 5819) in Thurlow street between Dent street and 110 feet northeasterly in the West Roxbury district, at an estimated cost of \$2,500.

A surface drain of 10-inch pipe and fifteen catch-basins (W. P. A. Project 65-14-5410; Work Project 5281) in Church street, between Centre street and town of Brookline line, in the West Roxbury district, at an estimated cost of \$8,000.

A sanitary sewer of 10-inch pipe and a surface drain of 12-inch pipe (W. P. A. Project 65-14-4953; Work Project 5770) in Mount Hope street, between American Legion Highway and Canterbury street, in the West Roxbury district, at an estimated cost of \$4,000.

A sanitary sewer of 10-inch pipe and a surface drain of 10-inch pipe (W. P. A. Project 65-14-4953; Work Project 5770) in Cowing street, between Alleylene street and Partridge street, in the West Roxbury district, at an estimated cost of \$3,500.

CIRCULAR LETTER NO. 2.

CITY OF BOSTON,

OFFICE OF THE MAYOR, January 27, 1936.
To All Heads of Departments.

GENTLEMEN,—The 1936 Community Fund Campaign to raise funds for deserving private charities has been launched in Boston. The money which is raised by this campaign will be used for the most worthy charitable purposes and will be divided among nearly one hundred deserving private charities. I hope that every city and county employee will contribute within his means and write to ask you if you will endeavor to interest all of the employees in your department to this end.

Of course they know that there is nothing obligatory about this and that any contributions which they may make will be purely voluntary and that they are free to make them or not as they please. It is suggested that they contribute 1 per cent of their yearly salaries divided into such periodical payments as will be most convenient for them. This seems to be a very moderate and reasonable request and I earnestly urge that you do all in your power to see that it is complied with by all those who can afford to do so.

I further suggest the appointment by you of some person in your department to whom shall be delegated the duty of assisting the committee in charge of this campaign. When such a person is appointed please have him communicate with City Treasurer John H. Dorsey, who will represent the Mayor.

Yours truly,

FREDERICK W. MANSFIELD,
Mayor.

 New Bedford, Thursday, December 10.

Rules for Examinations.

All examinations shall be given in English.

Applicants for Class B or journeyman's certificate must be at least eighteen years of age and have had at least two years' practical experience or the equivalent in the installation of wires, conduits, apparatus, fixtures and other appliances for carrying or using electricity for light, heat or power purposes.

Applicants for Class A or master's certificate must be at least twenty-one years of age and have had at least two years' experience in the business of installing wires, conduits, apparatus, fixtures and other appliances for carrying or using electricity for light, heat or power purposes.

Examinations shall consist of applicant's knowledge of the National Electrical Code and practical electrical work.

All persons desiring to be examined, either for a master or journeyman certificate, shall have application on file at least ten days previous to the date of such examination.

Applicants for examination will be required to obtain at least 70 per cent in order to obtain a certificate.

Applicants who fail to obtain the required 70 per cent will not be entitled to re-examination until a period of three months has elapsed, and those who receive less than 50 per cent, or who fail on the practical demonstration, will not be re-examined for a period of six months.

Any person found referring to notes or books, or misbehaving during an examination, will be debarred from that examination.

Notice will be sent to applicants for certificates when and where examination will be held and only those so notified will be examined on that day.

STEPHEN C. GARRITY,
 PAYSON SMITH,
 JAMES M. HURLEY,
 ALBERT FRANK,
 WALTER J. KENEFICK,
State Examiners of Electricians.

For application blanks or other information apply to State Examiners of Electricians, Room 303, 14 Beacon St., Boston, Mass.

Passing Requirements: At least 70 per cent in each subject in order to become eligible.

Physical fitness to be determined by physical examination.

MAYOR MANSFIELD COMES TO
AID OF STATE ADMINISTRATOR ROTCH.

The following is a copy of telegram sent by Mayor Mansfield to Harry L. Hopkins:

January 23, 1936.

HARRY L. HOPKINS, Esq., Public Works Administrator, Washington, D. C.

I think Rotch presented his resignation because he was harassed, persecuted and abused without justification and for purely political reasons and that if he could be assured of non-interference and were allowed to do his work without continual bickering and annoyance he would be glad to retain his present position. He has been an excellent administrator, has done fine work under difficult circumstances and has always been most sympathetic and helpful in all relief problems confronting the City of Boston. Sincerely hope you will not accept his resignation, but will prevail upon him to remain, and that you will assure him that the administration has full and complete confidence in him.

FREDERICK W. MANSFIELD,
Mayor of Boston.

MAYOR MANSFIELD CITES SNOW-
REMOVAL FIGURES TO RE-
FUTE FINANCE COMMISSION.

Upon January 23 the Mayor issued the following statement:

Figuring the cost of removing snow by the inch is something new in municipal procedure. Storms vary in kind and effect but it is perfectly obvious that the snow from ten storms of four inches each with sufficient interval of time between could be removed with a minimum cost, whereas one concentrated storm of 12 inches or more might cost more than the other ten storms combined.

The figures are in no way comparable and offer no reliable basis for computing cost. In the latest juggling of figures the Finance Commission has taken the cost as known for the year 1935 and compares it with the cost as estimated for one storm in 1936. Basing its figures on the estimate given by Mr. Carven that this present storm would cost about \$300,000 it arrives at a certain conclusion. That conclusion is absolutely worthless because it appears that we have already spent on this storm over \$350,000 and that Mr. Carven now estimates in the light of actual working conditions that it will cost about \$500,000. I suggest that the Finance Commission, before guessing how much we are going to spend to remove snow, wait until actual figures are available.

Although the official report of the Weather Bureau indicates that the storm of Sunday was 12 inches and that the previous storm of the day before had practically disappeared, yet as a practical matter the snow from Saturday's storm had to be moved by plows and the total precipitation from January 18 to January 20, 1936, was 13.9 inches. The actual cost of moving the snow this year up to the present time was about \$350,000, or slightly over \$25,000 per inch, and not \$18,000 as guessed at by the Finance Commission.

AMENDED DAMAGES.

The Mayor has approved the following vote of the Board of Street Commissioners:

Voted, That the order of the Street Commissioners and Mayor of October 17, 1932, as amended, determining damages caused by the making of the public improvement consisting of the widening, relocation and construction of Weld street, be, and the same hereby is, amended, by adding to said order the amount \$578 as an award to Edward J. and Susan M. McGowan; that the amount \$578 be, and the same hereby is, awarded to Edward J. and Susan M. McGowan for the damages so sustained.

DOUBLE TAXATION NOT THE WHOLE
TAX CONFLICT.

Double taxation, which to most people means two taxes on the same thing from different sources,—Federal and State or two states,—is only a part of the problem of conflicting taxation, says James W. Martin, Research Director of the Interstate Commission on Conflicting Taxation. The commission, set up by the Interstate Assembly representing the various states, which was called together by the American Legislators' Association in 1933, will report results of its subsequent study of conflicting taxation early in 1935.

CITY AND COUNTY EMPLOYEES OVER-SUBSCRIBE 1935 PLEDGES.

The following was announced from the Mayor's office on January 24:

Mayor Frederick W. Mansfield today expressed pleasure at the final showing of city and county employees in the 1935 Community Fund Campaign. Asked by the Mayor to contribute one per cent of their annual salaries to the campaign, employees of the City of Boston and County of Suffolk over-subscribed their original pledges of \$190,000. And that "better times indicate an even more laudable percentage of giving in 1936" was the prophecy of Treasurer Dorsey, who is chairman of the City and County Employees' Division of the campaign. The drive will be held from January 26 to February 10, inclusive, and the splendid support given the 1935 campaign is accepted as a definite promise of the complete success of the present drive by Mayor Mansfield. The nearly perfect percentage of past contributive efforts has been a stabilizing factor in the maintenance of the many local hospitals, health and social agencies in which the Mayor has interested himself. All city and county departments have been asked once more to unite in pledging their support towards the success of the 1936 campaign.

Treasurer Dorsey cited the sustained cooperation of municipal and county employees with the various charitable drives in past years, adding that "they will certainly do their part to support the 1936 Community Fund efforts." The treasurer stated that, whereas the original pledges for 1935 totalled \$190,000, the amount actually received was \$194,307.98, the final 1935 payments having been acknowledged in the concluding report of William L. Dowling, vice chairman of the division, who is attached to the City Treasurer's office.

The contribution of employees to the 1935 campaign represented a gift which indicated a high sense of civic responsibility, campaign officials told Mayor Mansfield, who served as Honorary Chairman of the City and County Employees' Group. The Mayor is a member of the Board of Directors of the Community Federation of Boston, the permanent fund-raising organization of the one hundred private hospitals, health and social agencies participating in the 1936 Community Fund Campaign. Both his Honor and Treasurer Dorsey have accepted similar positions in the 1936 drive, Mr. Dowling, as vice chairman, receiving the contributions of employees at the City Treasurer's office.

AMENDED DAMAGES.

The Mayor has approved the following vote of the Board of Street Commissioners:

Voted, That the order of the Street Commissioners and Mayor of November 4, 1935, determining damages caused by the making of the public improvement, consisting of the laying out and construction of Colbert, formerly Central street, be, and the same hereby is, amended, by striking from said order the amount \$1 awarded to John O. Cummings in said order and inserting in place thereof the amount \$50; that the amount \$50 be, and the same hereby is, awarded to John O. Cummings for the damages so sustained.

CITY EMPLOYEE WHO RESCUED PRISONER IN HARBOR AWARDED MEDAL FOR HEROISM.

Upon January 25 the Mayor made public the following letter:

MR. JAMES L. FOLEY, Steamer "Michael J. Perkins," Penal Institutions Department.

DEAR MR. FOLEY,—It gives me great pleasure to inform you that the trustees of the Humane Society of the Commonwealth of Massachusetts has voted to award a medal to you in recognition of your heroic act on October 19, 1935, when, at the risk of your own life, you jumped overboard and rescued a prisoner who was being taken to Deer Island and who, apparently while insane, had attempted suicide by jumping into the water. The medal will be formally presented to you by a trustee of the society in the Mayor's office, and in the presence of the Mayor and Penal Institutions Commissioner Douglass on Monday, January 27, 10.30 a. m.

Yours truly,

FREDERICK W. MANSFIELD, Mayor.

The following is a copy of letter from the Humane Society of the Commonwealth of Massachusetts, 73 Ames Building, to Mayor Frederick W. Mansfield:

BOSTON, January 22, 1936.

HON. FREDERICK W. MANSFIELD, Office of the Mayor, Boston.

MY DEAR MR. MAYOR,—I am pleased to inform you that the trustees of this society have just awarded a medal to James L. Foley, about whom you wrote me on October last.

According to our usual custom in such cases, I shall leave the manner of presenting this medal to your discretion. I can forward the medal to you and you can give it to Foley, or, as we have done several times in the past, if you would like to have a more formal presentation, I am sure one of our trustees would be glad to come to your office and present our medal, through you, to Foley.

Awaiting your pleasure in the matter, I am,

Respectfully yours,

ELLERY H. CLARK,

Secretary to the Standing Committee.

NO MONEY AT PRESENT FOR NEW COURTHOUSE.

Upon January 24 the Mayor made public the following statement on the New Courthouse Project:

All friends of the new Courthouse Project will be disappointed in Governor Curley's latest assurances from Washington. Apparently the money which he assured us was to be allotted by Presidential order has disappeared and now all we have is another conjecture that as soon as money is available it will be allotted.

Friends of this much needed project ought not to be lulled into a sense of false security by these assurances. Up to the present moment the facts are that there is no money whatever available for this project and there will be none unless the present Congress passes new Legislation.

The hope that the failure of projects in other states would release funds to be allotted here is very faint, as I was informed by Colonel Boman, when I was in Washington, that the dead-line on the

surrendering of allocations which thus might be released for projects in other places was January 15. Unless some change has been made in this date it is obviously too late to rely upon these releases.

BUILDINGS RAZED.

The Mayor has approved the request of the Building Department to raze the following structures as fire menaces or nuisances:

The building at 1251 Centre street, Ward 20.

The buildings at 31 and 33 Rochester street, Ward 3, are unsafe, dangerous and a fire hazard. The owner, the Home Savings Bank of 75 Tremont street, Boston, has been notified of the unsafe condition of the buildings, but nothing has been done to remove the cause of complaint.

CITY OF BOSTON.

PENAL INSTITUTIONS DEPARTMENT.

PROPOSAL FOR REPAIRS TO SIDE WALLS AND FIRE BOX, BOILER No. 2, HOUSE OF CORRECTION, DEER ISLAND.

The Penal Institutions Department of the City of Boston invites proposals for repairs to side walls and fire box of boiler No. 2 at the House of Correction, Deer Island. Specifications for these repairs may be obtained at the office of the Penal Institutions Commissioner, 803 City Hall Annex, Boston. The bidder must leave his proposal with a certified check for \$300, payable to and to become the property of the City of Boston, if the proposal is not carried out, at the above office. A duplicate bid, without check, must be left at the office of the City Auditor prior to the time named for opening bids. The bids will be publicly opened and read on Friday, February 7, 1936, at 12 m., at Room 803, City Hall Annex. The successful bidder must furnish a bond for the total amount of the contract with a surety company authorized to do business in Massachusetts as surety for the faithful performance of the contract. The Penal Institutions Commissioner reserves the right to accept or reject any or all bids, or any part of a bid, and to award the contract as he deems for the best interests of the city. All contracts made subject to appropriations to meet payments thereunder.

JOHN J. DOUGLASS,

(Feb. 1.) Penal Institutions Commissioner.

CITY OF BOSTON.

SUPPLY DEPARTMENT.

PROPOSALS FOR SURGICAL DRESSINGS.

The Supply Department of the City of Boston invites proposals for furnishing surgical dressings, as required, to the various city departments. The bidder must use the form of proposal to be obtained at the office of the Superintendent of Supplies, Room 801, City Hall Annex, and the successful bidder must furnish a bond for one quarter the total estimated amount of the bid with a surety company authorized to do business in Massachusetts as surety for the faithful performance of the contract. There will be a charge of twenty cents (\$0.20) for each blank proposal taken out. The bid, with a certified check for \$200, payable to and to become the property of the City of Boston if the proposal is not carried out, must be left at the office of the Superintendent of Supplies, before 12 m., Friday, February 14, 1936, at which time and place they will be publicly opened and read. A duplicate bid, without check, must be left at the office of the City Auditor prior to the time named for opening bids. The Superintendent reserves the right to accept or reject any or all bids, or any part of a bid, and to award the contract as he deems for the best interests of the city. All contracts made subject to appropriations to meet payments thereunder.

D. FRANK DOHERTY,

(Feb. 1.) Superintendent of Supplies.

CITY OF BOSTON.

PUBLIC WORKS DEPARTMENT.

NATIONAL INDUSTRIAL RECOVERY PROJECT,
P. W. A. DOCKET No. 4193.

NOTICE TO CONTRACTORS.

Sealed proposals, addressed to the Commissioner of Public Works of the City of Boston and indorsed "Sewerage Works in Stony Brook, Section 14, from 404 feet northeast of Mt. Hope Street to 156 feet southwest of Mt. Hope Street, West Roxbury," will be received at Room 508, 5th floor, City Hall Annex, Boston, Mass., before 12 o'clock noon (E. S. T.), on Tuesday, February 18, 1936, and at that time and place will be publicly opened and read. Bids must be made upon the prescribed proposal form.

Plans, specifications and contract forms may be obtained at Room 508, City Hall Annex, upon payment of the sum of two (2) dollars (non-returnable). Each proposal must be accompanied by a properly certified check in the sum of three thousand (3,000) dollars payable to the City of Boston. Proposals must be made in duplicate, the sealed duplicate, without check, to be deposited by the bidder with the City Auditor previous to the time named for opening the proposals. All checks, except that of the bidder to whom the contract is awarded, will be returned within three (3) days after the awarding of the contract. The project is to be financed and constructed under the terms of the National Industrial Recovery Act, of 1933, and chapter 366 of the Acts of 1933, as amended, of the Commonwealth of Massachusetts, and attention is called to the construction regulations prescribed by the P. W. A.

The rate per hour of the wages to be paid to mechanics, teamsters, chauffeurs and laborers in the work to be performed under the contract shall not be less than the rate of wages in the schedule determined by the Commissioner of Labor and Industries of the Commonwealth, a copy of which schedule is annexed to the form of contract referred to herein. Copies of said schedule may be obtained, without cost, upon application therefor, at Room 508, City Hall Annex.

The employment agency designated by the Government is the State Public Employment Office, 100 Nashua street, Boston. The right is reserved by the City of Boston, Mass., acting through the Commissioner of Public Works, to reject any or all bids, or to accept any bid which he deems most advantageous, subject to the approval of the State Director, P. W. A. No bidder may withdraw his bid for a period of thirty (30) days after the date set for the opening thereof. A surety bond by a company satisfactory to the Commissioner and the State Director P. W. A. and in an amount equal to one hundred (100) per cent of the contract price will be required from the successful bidder.

C. J. CARVEN,
(Feb. 1-8.) *Commissioner of Public Works.*

CITY OF BOSTON.

HOSPITAL DEPARTMENT.

TO PURCHASERS OF OLD X-RAY FILMS.

The Trustees of the Boston City Hospital invite sealed proposals for the purchase of old X-ray films from the Boston City Hospital. The films to be purchased may be seen at the hospital at 11 a. m. on February 10 and February 11, 1936. Proposals to be addressed "The Boston City Hospital, Proposal for Purchase of Old X-Ray Films," and left at the office of the Superintendent, 818 Harrison avenue, not later than 12 o'clock noon on Thursday, February 13, 1936, at which time and place said proposals will be publicly opened and read. Payment is to be made before removal of films. The Trustees reserve the right to reject any and all proposals.

JAMES W. MANARY, M. D.,
(Feb. 1.) *Superintendent.*

NOTICE OF HEARING.

CITY OF BOSTON.

OFFICE OF THE CITY CLERK, JANUARY 22, 1936.

In accordance with the provisions of section 6 of chapter 486 of the Acts of 1909, a public hearing will be given by the City Council in the City Council Chamber, City Hall, on Tuesday, February 4, 1936, at two o'clock p. m., on the proposed contracts with the Boston Consolidated Gas Company for furnishing gas for street lights, and for the equipment and lighting of gas lamps.

By order of the City Council.
(Jan. 25-Feb. 1.) W. J. DOYLE, *City Clerk.*

CITY RECORD

OFFICIAL CHRONICLE OF BOSTON MUNICIPAL AFFAIRS.

VOL. 28.

SATURDAY, FEBRUARY 8, 1936.

No. 6

FINANCE COMMISSION CHAIRMAN SINKING TO NEW DEPTHS OF VITUPERATION AND ABUSE, SAYS MAYOR MANSFIELD IN REPLY TO CHARGE HE IS MAKING GIFT OF STREET TO TELEPHONE COMPANY—CHARGE TERMED PARTICULARLY VICIOUS AND INTENDED TO MISLEAD PUBLIC—POINTS TO FACT HE HAS NO POWER TO DISPOSE OF CITY STREET TO ANYONE WITHOUT CONCURRENCE OF CITY COUNCIL, AND IT IS HIS BELIEF NO EXCHANGE OF LAND CAN BE EFFECTED BY THE CITY WITHOUT LEGISLATIVE APPROVAL—MAKES PUBLIC FACTS IN CASE.

Upon February 6 the following statement was issued from the Mayor's office:

The chairman of the Finance Commission is sinking to new depths of vituperation and abuse. His insinuations that the Mayor is making a gift of a city street to the Telephone Company is particularly vicious and is intended only to mislead the public. In the first place, the Mayor has no power to give any city street to anybody. That can only be done by an order passed by the City Council and approved by the Mayor, and the question of the ceding of this street is now before the City Council for consideration. Furthermore, I think no exchange of land can be made by the city without legislative approval.

The facts in regard to the street in question are these: On November 29, 1935, the Street Commissioners passed an order commending as a public improvement discontinuation of Perkins street, the widening of Pearl street, and the widening of Chardon street. Perkins street is a public street about 17 feet wide running from Pearl street to Congress street. There are no sewers or water mains in the street and the property on both sides is owned by the Telephone Company.

At the time the Telephone Company erected its new building in Bowdoin square, the city was contemplating the widening of Chardon street and requested the Telephone Company to keep its line back when the new building was erected so as to allow for subsequent widening on that side. The company agreed and set the building back, with the expectation that there would be a taking by the city, which has never been made. There were about 1,009 square feet of land involved in this widening. In Perkins street there are about 3,646 square feet of land. Pearl street is now about 50 feet in width, and some day probably will be widened. The Telephone Company owns all of the land on one side of Pearl street, from High to Franklin, excepting where Perkins street crosses, and only on a small portion of that land is there any building.

Land on Perkins Street.

The Telephone Company proposed to deed to the city the land on Chardon street, amounting to 1,009 square feet, a 10-foot strip of land on Pearl street, between High and Franklin, in return for the land in Perkins street. The company would thus be giving to the city about 4,219 square feet, and the city would be giving to the company 3,646 square feet less 170 square feet of Perkins street, which would be thrown into the widening of Pearl street if that street should be widened.

The Street Commissioners report to me that Perkins street to all intents and purposes is already abandoned, that the surrounding buildings have been destroyed, excepting one, and that it is in reality a menace to the city, as it is poorly lighted and the city would be liable for accidents there.

I sent the whole matter to the City Council in a communication of December 9, 1935, and as I have already stated it is still pending.

The briefest examination of the record would show to any fair-minded person that this is no attempt to give away a city street. It is a proposal submitted to the City Council for permission to abandon officially a street which is already practically abandoned and of no further value to the city, and to convey the land comprising the street in return for other land which would be of far more value to the city.

The insinuation that I am treasurer and attorney for a corporation which is trying to force the Telephone Company to pay some money is wholly unintelligible to me and particularly low and dastardly. I am treasurer and attorney of no corporation that is attempting to secure money from the Telephone Company.

As to Assessed Values.

When I issued my statement this afternoon I had not seen a copy of the report of the Finance Commission rendered to the City Council.

The Finance Commission's report is just as misleading as the statement of the chairman, which I answered earlier in the day.

(Continued on page 123.)

"O Boston, fair City enthroned like a radiant queen,
From thy hills looking down on the ship-teeming plain of the ocean,
May thy future be bright, thy skies beam with light all serene,
Ensured by thy sons' and thy daughters' unselfish devotion!"

From Boston Centennial Poem by
NATHAN HASKELL DOLE.

MUNICIPAL CALENDAR.

Meeting of the City Council Monday, February 10, 1936, at 2 p. m.

Meetings of the Transit Department are held on Monday and Thursday of each week at 11 a. m.

Board of Zoning Adjustment. Public hearings and executive meetings are held on the first Friday of each month, Room 30, City Hall, at 2 p. m.

MUNICIPAL SERVICE.

Complaints, inquiries or suggestions regarding the work of municipal departments should be made in writing to the officials directly in charge. The failure of such official to make reply within a reasonable length of time should be brought to the attention of the Mayor. Communications should be directed as follows:

TO THE BOARD OF STREET COMMISSIONERS, Room 401, City Hall Annex, for information relative to the laying out, relocation, widening and the discontinuance of highways; the taking of real property for municipal purposes; the assessments of betterments for streets and sewers; the plotting of undeveloped area for streets and the opening of private ways; the granting of licenses for the storage or sale of merchandise in

public streets; the making of specific repairs in public streets; the naming of public streets; the planting and removal of trees in public ways; the issuing of licenses for the storage of gasoline, oil and other inflammable substances or explosive compounds; the use of the public ways for any permanent or temporary obstruction or projection in, under or over the same, including the location of conduits, poles and posts for telephone, telegraph, street railway or illuminating purposes, signs, marquees, bay windows, coal holes and vaults.

TO THE BOSTON TRAFFIC COMMISSION, 134 North street, for information relative to regulation of vehicular street traffic on all or any streets, ways, highways, roads and parkways under the control of the City of Boston, the issuing of all permits in connection therewith.

TO THE COMMISSIONER OF PUBLIC WORKS, Room 511, City Hall Annex, for information as to the watering, cleaning, lighting and repairing of streets, the construction and care of sewers and catch-basins, the operation of the ferries, the maintenance of bridges and drawbridges and the removal of ashes and offal.

TO Room 604, City Hall Annex, for information relative to the supplying or metering of water and the water charges of the city.

TO THE HEALTH DEPARTMENT, Room 1107, City Hall Annex, for information relative to the inspection of milk, vinegar, meat, fish and vegetables, the issuance of permits for stables, slaughter houses, etc., smoke nuisances, the existence of contagious diseases, of public health nuisances.

TO THE BOARD OF PARK COMMISSIONERS, 33 Beacon street, for information as to the care of the Common, Public Garden, Franklin Park, Franklin Field, Commonwealth avenue, Back Bay Fens, Marine Park, the Airport, and the small parks and playgrounds in general throughout the city, and as to the extermination of gypsy moths and the charges made for such service. Applica-

tion may be made to this department for information regarding the public baths and gymnasiums maintained by the city, and with regard to municipal indoor concerts and band concerts, also information relative to Mt. Hope, Evergreen, Fairview and other public cemeteries owned by the City of Boston.

TO THE SCHOOL COMMITTEE, 15 Beacon street, for information relative to the operation of the schools in the city.

TO THE DEPARTMENT OF SCHOOL BUILDINGS, 11 Beacon street, for information as to the construction and repair of school buildings.

TO THE BOARD OF EXAMINERS, Room 1001, City Hall Annex, for information regarding the licensing of persons having charge or control of the work of construction, alteration, removal or tearing down buildings.

TO THE STATISTICS DEPARTMENT, Room 76, City Hall, for historical, geographical, political and population facts about Boston; the personnel and accomplishments of present and past municipal administrations; and such similar information as may be found concerning other American municipalities in its Municipal Officials' Reference Library.

TO THE WIRE DIVISION OF THE FIRE DEPARTMENT, 60 Bristol street, for all information relative to the erection of poles, building of conduits, the installation of all overhead and underground construction and electrical apparatus, as well as for general information relative to the entire division. To Room 103, City Hall Annex, for permits for the installing of wires and electrical apparatus within buildings of the City of Boston, and for the payment of fees incident to the granting of the privileges above named, and which must be paid in advance.

TO THE BOARD OF ZONING ADJUSTMENT, Room 30, City Hall, relative to changes in the boundary lines of zoning districts of the City of Boston as established by chapter 488 of the Acts of 1924, and amendments thereto.

MORTALITY REPORT.

For the week ending February 1, 1936:
Population as of July, 1935, Massachusetts State Census, 817,713; population estimated July, 1935, United States Census Bureau, 801,880; number of deaths (stillbirths excluded): Residents, 220; nonresidents, 50; total, 270.

Death rate per 1,000 of population: All deaths, 17.51; nonresidents deducted, 14.27.

Death rate per 1,000 of population:

Last week, 16.02; corresponding week last year, 18.56.

Deaths by age periods, sex, etc.: Under one year, 21; one year to four years, inclusive, 8; sixty years and over, 140. Total deaths: Male, 137; female, 133; deaths in hospitals and institutions, 158; deaths of colored, 8.

MAYOR MANSFIELD'S REPLY.

(Continued from page 121.)

For example, it says that the land along each side of Perkins street has an average assessed valuation of \$33. That statement is wholly misleading. The land on the northwesterly side of Perkins street runs through to Franklin street and is assessed from the Franklin street front, and is valued at \$45 a foot. The land on the opposite side of Perkins street is assessed from its frontage on Pearl street and also from Congress street at the other end of Perkins street. Being assessed from Pearl and Congress streets the land is valued at \$22 a foot. The Finance Commission has added the \$45 and \$22 and then divided by two to get an average of about \$33. But it is easily seen that if the Franklin street land did not run back to Perkins street and separate owners occupied the land on that street, the land would be assessed for far less than the Franklin street valuation. The same is true of the other corner. If instead of being assessed back from Pearl street and back from Congress street the owners were assessed on Perkins street frontage they would be assessed far less. I am informed by the assessors that if Perkins street were abandoned the value would be about \$22 a foot and not \$33, and figured on this basis the land underlying Perkins street would have an assessed value of \$80,000. On the other hand, a 10-foot strip off the front of Pearl street, from High street to Franklin street, would have an assessed valuation of approximately \$50 a foot, according to my information from the assessors. This strip would be about 338 feet long by 10 feet wide, or 3,380 square feet, which, at a \$50 a foot valuation, would have a total assessed value of about \$170,000. The land on Chardon street is assessed for about \$20,000. Add this to the \$170,000, the valuation of the Pearl street property, and the total valuation which the city would receive if this conveyance were effected would be about \$190,000, as against a valuation of Perkins street, as computed above, of about \$80,000. Even if the Finance Commission's assessed valuation of Perkins street were correct and its total valuation were \$120,000, the city would still be getting land valued at about \$70,000 more than that in return for Perkins street.

As for the reiterated charges of the Finance Commission about other matters, all I care to say is that they are old stuff which has already been exploded. Most of them refer to snow equipment, which I take to be a closed book since Judge Weed's finding. The other relates to the Dolan case which is pending before the Supreme Court, about which I refuse to talk.

STREETS FOR COASTING.

The Mayor has approved the following votes of the Board of Street Commissioners:

Voted, That the order of the Board of Street Commissioners of January 20, 1936, and approved by the Mayor January 20, 1936, designating coasting streets in the different sections of the city, be, and the same hereby is, amended, as follows:

Police Division 17.

So as to add to said paragraph the words:

Fairview street, from Primrose street to the Arnold Arboretum Gate.

Dwinell street, between Corey street and Lyall street; intending thereby to authorize coasting on said street.

FINANCE COMMISSION AGAIN PUTTING ON SHOW, IS CHARGE OF MAYOR MANSFIELD IN REPLY TO ACCUSATIONS. MAYOR CALLS ATTENTION OF CITIZENS TO FACT A CASE IS PENDING IN COURT AND ASKS DELAY IN FORMING OPINION.

Upon February 5 the Mayor issued the following statement relative to the Finance Commission:

A few weeks ago the Finance Commission was staging a show in an alleged investigation of the purchase of snow-removal equipment by the city. The air was filled with accusations, innuendoes and epithets directed by the commission and its chairman against the Mayor and the present administration.

At that time I requested the people of Boston to reserve their judgment until the evidence was in. A case, brought by ten taxable inhabitants, was pending at that time in court. When that case was tried before Mr. Justice Weed of the Superior Court, the Mayor, the Purchasing Agent for the city and the present

administration were completely exonerated and the taxpayers' suit dismissed. With that finding by Judge Weed the entire case which the Finance Commission had been attempting to build up fell to the ground.

A somewhat similar situation exists now. The Finance Commission is putting on another show. A case is pending in court which presently, I assume, will be heard. Until that time I again suggest to the people that they reserve their judgment until the case is presented to a fair and impartial tribunal and the evidence is all in. It will then be shown whether or not there is any more foundation for the Finance Commission's charges and accusations in this case than there was in the false barrage set up in the snow-equipment case.

Feldman, Agatha Francis, Angeline M. Giorgione, Katherine F. Gordon, Allan A. Grant, William S. Gushee, Alice D. Hart, Della Hatton, Mary Hurley, Annie E. Immick, Esther N. Jackson, Coleman Joyce, Katherine I. Joyce, William L. Kelley, Margaret Kiley, Katherine G. Krohn, David E. Leahy, Helen F. Lenehan, Joseph P. Leonard, Gertrude E. Mansfield, Rita M. Maroney, Betty Miller, John Minton, John A. Molineaux, Catherine E. Mullen, Henry G. Mullen, Joseph W. Murphy, Dorothy R. Macdonald, Mary L. Macdonald, Marion E. McAuley, Edmund J. McCarthy, Stephen J. McMahon, Hugh W. McNulty, Lillian McPeake, Elenore J. Nowell, John C. Piggott, John R. Powers, Joseph Reardon, Grace L. Rogers, Edward S. Ryan, Thomas Ryan, Joseph W. Scally, Mary R. Smith, Sam Steinman, Josephine Sullivan, Mary E. Sullivan, Walter F. Sullivan, Lillian Taylor, Katherine P. Toomey, Agnes G. Towle, Mildred A. Walker, Margaret Warren, L. Lorimer Williams, Kathryn McGrath, John F. Mungoven.

Approval has been given for the continued temporary employment of the following persons as clerks, up to and including February 29, at \$900 a year:

Philip Barber, Samuel G. Berger, Mary M. Cauley, John N. Chagaris, Thomas J. Connaughton, William P. Cox, Mary E. Cronin, Russell E. Cullivan, Helen A. Curley, Mary E. Dillon, Timothy H. Donohue, Anna M. Doyle, Charles H. Drew, Jr., Helen T. Fadden, Christopher J. Fay, Thomas P. Flanagan, Mary O. Greene, Anne Halligan, Frederick T. Hurley, Thomas P. Keeley, Mary P. Kelley, Mary R. Kelley, Stanislaw Kiwaczynska, Margaret Leahy, William J. Miller, Edward F. Murphy, William V. McCarthy, Hazel L. McCoy, John J. MacDonald, Bernard McGovern, Julius Needleman, Thomas W. Quigley, Michael J. Rizzo, Eben Rosenfield, Arthur Sawyer, John T. Scanlon, Lazard T. Seiff, Helen T. Severance, Helen C. Skapinsky, Jacob Speigel, George W. Stuart, Edward L. Sullivan, Thomas J. Sullivan, Agnes V. Sweeney, Mary Tatro, Alfred C. Troy, Florence R. Tyner, Ruth H. Walker, Lillian R. Welsh.

Approval has been given for the continued temporary employment of the following persons as clerk-typists, up to and including February 29, at \$900 a year:

Alice Banard, Edna E. Condon, Selena B. Godfrey, David Goldfine, Thelma Goldkrand, Celia Govenor, Goldie Karp, Muriel L. Kraft, Mary F. Langdon, Myra H. McCarthy, Mary A. O'Hare, Honora M. O'Neil, Alice W. Short, Margaret Slater, Eleanor K. Stafford, Katherine Travers, Julia Wood.

Approval has been given for the continued provisional temporary employment of the following persons as assistants to social workers, up to and including February 29, at \$1,000 a year:

Daniel I. Cronin, James F. Dunn, Domenic Esposito, Frederick Hadge, Frances G. Kelly, Edward V. Lahey,

James B. Mullin, Francis X. Morrissey, Charles A. Saya, Mary R. Shea, Lillian R. Zilg.

Approval has been given for the continued provisional temporary employment of the following persons as social workers, up to and including February 29, at \$1,000 a year:

Phoebe Cannon, Kathleen Conley, Margaret Connors, Virginia Grimes, Mary F. Kenney, John H. McNulty, Mary E. Norton, Helen F. O'Connell, E. Frances O'Neil, Howard Pierce, Virginia E. Prout, Mary E. Robertson, Eva R. Sacco, Peter Siragusa.

Approval has been given for the temporary employment of Patrick J. Reynolds as an engineer, for a period of one month, at \$42 a week.

Approval has been given for the reinstatement of John R. McGillivray as a permanent social worker, effective January 21, at \$1,800 a year.

PARK DEPARTMENT.

Approval has been given for the continued temporary employment of the following men, for a period of three months, at \$30 a week; Laurence A. Hughes, chauffeur; Frank Petitti, checker.

Approval has been given for the continued temporary employment, for a period of three months, of William B. Fitzgerald as inspector, landscape projects, at \$1,500 a year.

PENAL INSTITUTIONS DEPARTMENT.

The following appointment has been made:

House of Correction.

William Doogan, officer, \$1,600 a year and maintenance, temporary.

Cassidy, chauffeur, 1½ days, \$8.59; J. Dillon, chauffeur-laborer, 1½ days, \$5.63; G. Ryan, chauffeur-laborer, 4 days, \$20; M. Keene, laborer, 2½ days, \$13.75; J. Kenney, repairer, 1½ days, \$8.20; E. F. O'Brien, chauffeur, 1½ days, \$5.91; J. E. O'Brien, chauffeur, 1½ days, \$9.84. Total \$175.20.

CLAIMS DISAPPROVED.

The Law Department has disapproved forty-nine claims against the City of Boston. These claims are classified as follows:

Fire Department, five claims; Health Department, one claim; Hospital Department, one claim; Park Department, three claims; Public Works Department, thirty-six claims; Transit Department, two claims; Welfare Department, one claim.

EXTENSION OF CONTRACTS.

PUBLIC WORKS DEPARTMENT.

The Marine Company have been granted a further extension of the time of completion of the contract for repairing hull, etc., of ferryboat "Daniel A. MacCormack," from January 24, 1936, to February 21, 1936. This extension is requested for the reason that the necessary painting could not be done on account of the inclement weather.

NEW "WHITE WAY" INAUGURATED IN EAST BOSTON.

The new "White Way" system of street lighting on Bennington street, East Boston, from Day square to Breed square, was put into service on the evening of Thursday, February 6. Twenty-six new lamps have been installed; sixteen existing lamps have been changed from wooden poles to concrete poles, and two existing lamps have been relocated. This makes a total of forty-four electric lamps in the "White Way." Thirty-nine gas lamps which have been eliminated by this installation are to be removed.

EXTRA WORK UNDER CONTRACT.

The Marine Company has been directed to perform the following extra work under contract for repairing hull, etc., ferryboat "Daniel A. MacCormack." Items ordered: Furnish labor and materials to make a movable opening in the monitor side of the ferryboat "Daniel A. MacCormack." Although this is in addition to the work contemplated in the original contract, it is incidental thereto. Estimated cost of extra work, \$250.

RELOCATION OF STREETS.

The Mayor has approved the following vote of the Board of Street Commissioners:

Voted, That the names of the following public ways in the City of Boston, be, and the same are hereby, changed, as follows, and that said ways be hereafter known under the names respectively assigned thereto in this order:

Berry street, West Roxbury district, from Canterbury street to Cummins Highway; new name, Mt. Calvary road.

Astor street, Roxbury district, from Massachusetts avenue to Hemenway street; new name, Burbank street.

CONTRACTS AWARDED.

Permission to award contracts for work, materials and supplies, in accordance with recommendations of department heads, has been approved by the Mayor.

HOSPITAL DEPARTMENT.

Upon February 4 the Mayor approved the following request from Dr. James W. Manary of the City Hospital:

BOSTON, January 10, 1936.

HON. FREDERICK W. MANSFIELD,
Mayor of Boston.

DEAR SIR,—Proposals for extermination of all vermin (excepting rats and mice) at Main Hospital, South Department, Haymarket Square and East Boston Relief Stations, Boston City Hospital, were opened at the hospital on Wednesday, December 18, 1935.

The following bids were received: Paramount Laboratories, Incorporated, \$298 per month; Liberty Exterminating Service, Incorporated, \$297 per month; Columbian Insecticide Company, \$275 per month; Sanitary Exterminating Company, Incorporated, \$275 per month; Sanitary Maintenance Company, \$200 per month.

Subject to your approval, the trustees have awarded the contract to the Sanitary Maintenance Company, the lowest bidder, at \$200 per month.

Respectfully yours,

JAMES W. MANARY,
Superintendent.

INSTITUTIONS DEPARTMENT.

Upon February 3 the Mayor approved the following request from the Institutions Department:

BOSTON, January 28, 1936.

HON. FREDERICK W. MANSFIELD,
Mayor of Boston.

MY DEAR MR. MAYOR,—In response to advertisement in the *City Record* on January 8, 1936, for proposals for erecting fire escapes on two Federal barracks used by the Long Island Hospital, the following bids were received and opened at 12 o'clock noon on January 28.

Builders Iron Works, \$1,175; American Architectural Iron Company, \$1,190; Boston Iron Works, \$1,200; Security Fence Company, \$1,269; Hub Steel and Iron Works, \$1,285; West End Iron Works, \$1,887; Progressive Iron Works, \$2,323.

Inasmuch as the second lowest bidder, the American Architectural Iron Company, has done work at the Long Island Hospital before to our satisfaction, and (2) inasmuch as the difference between the two bids is only \$15, and (3), and most important, inasmuch as the American Architectural Iron Company requires only thirty days, whereas the lowest bidder requires fifty days, I would recommend that the bid be given to the American Architectural Iron Company. It is important that we thus protect our inmates with no unnecessary delay.

Yours very sincerely,

FREDERIC A. WASHBURN,
Commissioner.

SUPPLY DEPARTMENT.

Upon January 29 the Mayor approved the following request from the Supply Department:

BOSTON, January 28, 1936.

HON. FREDERICK W. MANSFIELD,
Mayor of Boston.

DEAR MR. MAYOR,—On January 4, 1936, your Honor approved my request

quest of January 2, 1936, to award a contract to the Charles N. Wood Company for the following:

One 7 to 10 ton dump truck, four-wheel drive and full plowing equipment, Walter (Park Department), \$11,591.91; two 3 to 5 ton dump trucks, including full plowing equipment, four-wheel drive, Walter (Park Department), \$12,177; one 3 to 5 ton platform truck, including full plowing equipment, four-wheel drive, Walter (Park Department), \$6,040.48; six 3 to 5 ton dump trucks, four-wheel drive, Walter (Public Works Department), \$36,531; two sand spreaders, Hvass (Park Department), \$737.55; grand total, \$67,077.94.

Mr. William P. Long, chairman of the Park Department, has requested that his department receive three 3 to 5 ton dump trucks, including full plowing equipment, four-wheel drive, Walter, instead of two 3 to 5 ton dump trucks, including full plowing equipment, four-wheel drive, Walter, and one 3 to 5 ton platform truck, including full plowing equipment, four-wheel drive, Walter.

I therefore respectfully request your approval to award a contract to the Charles N. Wood Company, as follows:

One 7 to 10 ton dump truck, four-wheel drive and full plowing equipment, Walter (Park Department), \$11,814, less a discount of \$105, less a cash discount of \$117.09; net total, \$11,591.91.

Three 3 to 5 ton dump trucks, including full plowing equipment, four-wheel drive, Walter (Park Department), \$19,099.50, less a discount of \$315, less a cash discount of \$187.84; net total, \$18,596.66.

Six 3 to 5 ton dump trucks, four-wheel drive, Walter (Public Works Department), \$37,530, less a discount of \$630, less a cash discount of \$369; net total, \$36,531.

Two sand spreaders, Hvass (Park Department), \$745, less a cash discount of \$7.45; net total, \$737.55; grand total, \$67,457.12.

Respectfully yours,

D. FRANK DOHERTY,
Superintendent of Supplies.

Upon January 29 the Mayor approved the following request from the Supply Department:

BOSTON, January 28, 1936.

HON. FREDERICK W. MANSFIELD,
Mayor of Boston.

DEAR MR. MAYOR,—Subject to your approval, I request your permission for the provisional temporary appointment of the following typists to this department for a period of three months:

Anna L. Barry, Dorothy Bellis, Ethel M. Coupe, Marjorie E. Grabert, Ida A. Gurevich, Blanche J. Long.

The compensation to be paid the above typists is at the rate of \$900 per year.

Respectfully yours,

D. FRANK DOHERTY,
Superintendent of Supplies.

Upon January 29 the Mayor approved the following request from the Supply Department:

BOSTON, January 28, 1936.

HON. FREDERICK W. MANSFIELD,
Mayor of Boston.

DEAR MR. MAYOR,—On January 4, 1936, your Honor approved my request of January 2, 1936, to award a contract to the Mack Motor Truck Company, for the following:

Twenty 3 to 5 ton dump trucks, Model BMS (Public Works Department), \$118,137.50; four 3 to 5 ton dump trucks, Model BMS (Park Department), \$22,860; one 3 to 5 ton platform truck, Model BMS (Park Department), \$5,340; grand total, \$146,337.50.

Mr. William P. Long, chairman of the Park Department, has requested that his department received five dump trucks with regulation bodies, instead of four with regulation bodies, and one with platform body.

I therefore respectfully request your approval to award a contract to the Mack Motor Truck Company for the following:

Twenty 3 to 5 ton dump trucks, Model BMS (Public Works Department), \$119,600; less allowance for turn-in, \$1,950; net total, \$117,650. Five 3 to 5 ton dump trucks, Model BMS (Park Department), \$28,575; grand total, \$146,225.

Respectfully yours,

D. FRANK DOHERTY,
Superintendent of Supplies.

Upon February 4 permission to award contracts to lowest bidders, as indicated, was approved by the Mayor for furnishing tea to the various city departments for the period ending June 30, 1936:

Martin L. Hall Company, a low bidder, 1,125 pounds Formosa Oolong tea, at a price of \$0.19 a pound, \$213.75; Edward C. Perry, the lowest bidder, 9,430 pounds Ceylon Pekoe tea, at a price of \$0.28 a pound, \$2,640.40.

Bids, opened December 23, were as follows:

Approximate Amounts on All Items.

1,125 Pounds Formosa Oolong Tea, In Bulk, Original Packages, Per Pound.—Delano Potter & Co., Incorporated, 19 cents; total, \$213.75; W. S. Quimby Company, 19.25 cents; total, \$216.56; Webster-Thomas Company, 21 cents; total, \$236.25; Dwinell-Wright Company, 19 cents; total, \$213.75; Edward C. Perry, 19 cents; total, \$213.75; alternate, 22 cents; total, \$247.50; Standard Brands, Incorporated, 23.5 cents; House Flag, bid irregular; total, \$264.38; Martin L. Hall Company, 19 cents*; total, \$213.75.

9,430 Pounds Ceylon Pekoe Tea, In Original Packages, Per Pound.—Delano Potter & Co., Incorporated, 30.5 cents; total, \$2,876.15; grand total, \$3,089.90; W. S. Quimby Company, 30.6 cents; total, \$2,885.58; grand total, \$3,102.14; Webster-Thomas Company, 32.4 cents; total, \$3,055.32; grand total, \$3,291.57; Dwinell-Wright Company, 29.25 cents; total, \$2,758.28; grand total, \$2,972.03; Edward C. Perry, 28 cents*; total, \$2,640.40; grand total, \$2,854.15; alternate, 30 cents; total, \$2,829; grand total, \$3,076.50; Standard Brands, Incorporated, 32 cents, Dikelle, no copy filed at auditor's office, total, \$3,017.60; grand total, \$3,281.98; Martin L. Hall Company, 33 cents, total, \$3,111.90; grand total, \$3,325.65.

Cash Discount in Ten Days.—Delano Potter & Co., Incorporated, 3 per cent; W. S. Quimby Company, 2 per cent; Standard Brands, Incorporated, 2 per cent, bidding on their own teas; Martin L. Hall Company, 3 per cent.

* Contract awarded.

Upon February 4 the Mayor approved the following request from the E. R. A. Supply Department:

CITY OF BOSTON,
E. R. A. SUPPLY DEPARTMENT,
BOSTON, August 5, 1935.

HON. FREDERICK W. MANSFIELD,
Mayor of Boston.

DEAR MR. MAYOR,—In order that F. E. R. A. projects may be carried out with as little delay as possible, I believe that the purchasing of material and equipment for these projects should be handled on an emergency basis.

Requisition A842, dated July 27, 1935, has been received from the Park Department, covering the purchase of 4,000 pounds of grass seed for the golf links at the George Wright Golf Course, Hyde Park.

The following bids were received: Hovey & Co., \$1,240; Collins Seed Company, \$1,191; Thomas W. Emerson, \$1,160; Joseph Breck & Sons Corporation, \$1,032.

Inasmuch as the low bidder, Joseph Breck & Sons Corporation at \$1,032 has met all of the specifications, I respectfully request that you approve an award to them for this amount without publicly advertising for bids.

Respectfully yours,

D. FRANK DOHERTY,
Superintendent of Supplies.

TREASURY DEPARTMENT.

The Mayor has approved the following awards by the City Treasurer:

BOSTON, January 31, 1936.

HON. FREDERICK W. MANSFIELD,
Mayor of Boston.

DEAR SIR,—John H. Dorsey, City Treasurer, opened bids this day for \$2,000,000 City of Boston revenue notes, dated February 3, 1936, and due November 3, 1936.

Four bids were submitted as follows:

Jackson & Curtis:

Hallgarton & Co., Wilmerding & Co., Bond & Goodwin bid .68 per cent plus a premium of \$33.

Edward B. Smith & Co.:

Lazard Freres & Co., Incorporated, R. W. Pressprich & Co., Goldman Sachs & Co., Washburn & Co. bid .68 per cent plus a premium of \$34.

Leavitt & Co. bid .71 per cent plus a premium of \$22.

Halsey Stuart & Co., Incorporated:

Bancamerica-Blair Corporation, Hemphill Noyes & Co., Stranahan Harris & Co., Incorporated, G. M. P. Murphy & Co. bid .80 per cent plus a premium of \$32.

The award was made to the syndicate headed by Jackson & Curtis, who bid sixty-eight hundredths per cent plus a premium of \$33. Their bid represented the lowest net cost to the City of Boston.

Respectfully yours,

JOHN H. DORSEY,
City Treasurer.

WITHOUT ADVERTISING.

Upon varying dates, as indicated, the Mayor approved contracts with firms and contractors for supplies and labor, etc. Communications from the several heads of departments were as follows:

PUBLIC WORKS DEPARTMENT.

Upon February 4 the Mayor approved the following request of the Public Works Commissioner:

Boston, February 1, 1936.

HON. FREDERICK W. MANSFIELD,
Mayor of Boston.

DEAR MR. MAYOR,—On January 13, 1936, your Honor submitted to the City Council two proposed contracts for (1) furnishing illuminating gas for street lighting and (2) lighting, extinguishing and maintaining gas lamps, each for the term of five years from the date of approval of such contracts. The matter of approval of these contracts is now pending before the City Council and I understand that a public hearing will be given on said contracts on February 4, 1936. At the present time the Boston Consolidated Gas Company is the only company that can furnish gas for the street lamps. In order that there may be no interruption in the service of lighting the city streets, I respectfully request your authority to award the following contracts, without inviting proposals therefor by advertisement:

1. Contract for furnishing illuminating gas for street lighting to the Boston Consolidated Gas Company for a term beginning on the first day of February, 1936, and terminating on the earlier of the following dates: (1) the last day of February, 1936; (2) the effective date of said five-year contract for furnishing gas, if such contract should become effective, at the present rate of \$8.42 per lamp per year for single burner, 60 candle-power lamps.

2. Contract for equipment and the lighting and extinguishing of gas lamps for the City of Boston to the Boston Consolidated Gas Company for a term beginning on the first day of February, 1936, and terminating on the earlier of the following dates: (1) the last day of February, 1936; (2) the effective date of said five-year contract for equipment and lighting and extinguishing gas lamps, if such contract should become effective, at the present rate of \$14.70 per lamp per year.

Respectfully yours,

C. J. CARVEN, •
Commissioner of Public Works.

LAND-TAKING IN HYDE PARK.

The Mayor has approved the order of the Board of Street Commissioners for the taking of land for a public improvement, consisting of the laying out and construction of Pine street, Hyde Park district, as a highway, over and including the private way known as Folsom street, from Hyde Park avenue to Dana avenue, with the name of Pingree street or some other distinctive name, bounded and described as follows:

A highway named Pingree street is hereby laid out, from Hyde Park avenue to Dana avenue, over and including the private ways known as Pine street and Folsom street, and ordered constructed, the cost thereof to be charged to Federal Funds.

Said highway and the land, exclusive of trees or structures standing upon or affixed thereto, in which an easement for

street purposes is hereby taken, is bounded and described as follows:

Easterly by Hyde Park avenue, forty and 60-100 feet; southerly by the southerly line of said Pingree street as hereby laid out, two hundred two and 71-100 feet; easterly by the easterly line of said Pingree street as hereby laid out, two hundred one and 33-100 feet; southerly by Dana avenue, twenty and 57-100 feet; westerly by the westerly line of said Pingree street as hereby laid out, two hundred thirty-five and 61-100 feet; and northerly by the northerly line of said Pingree street as hereby laid out, one hundred ninety-three and 87-100 feet.

Voted, That this Board determines that no person sustains damages in his estate by the making of the public improvement, consisting of the laying out and construction of Pingree street (formerly Pine street and Folsom street), Hyde Park district, as a highway, from Hyde Park avenue to Dana avenue, under the order of the Board of February 3, 1936, and awards no damages therefor.

RETIREMENT BOARD REPORT.

Boston, January 31, 1936.

To the Auditor.

At meetings of the Boston Retirement Board, held on January 15 and January 22, 1936, the retirement from active service of the following-named members of the Retirement System was approved to become effective at the close of business, January 31, 1936:

PARK DEPARTMENT.

Patrick H. Long, sodder, salary at time of retirement, \$1,560 a year.

Daniel J. Mahoney, stableman, salary at time of retirement, \$1,560 a year.

PUBLIC WORKS DEPARTMENT.

Michael J. Daly, assistant machinist, salary at time of retirement, \$1,872 a year.

Timothy Dwyer, teamster, salary at time of retirement, \$1,560 a year.

John H. McGee, engineer, salary at time of retirement, \$2,200 a year.

Frank W. Tucker, draftsman, salary at time of retirement, \$2,400 a year.

SCHOOL DEPARTMENT.

Mary I. Harrington, elementary assistant, salary at time of retirement, \$2,304 a year.

Abigail Linnehan, kindergarten assistant, salary at time of retirement, \$2,304 a year.

Attest:

WILFRED J. DOYLE, *Chairman.*

LAND-TAKING IN HYDE PARK.

The Mayor has approved the order of the Board of Street Commissioners for the taking of land for a public improvement, consisting of the laying out and construction of Roanoke road, Hyde Park district, as a highway, from Wood avenue to Blake street, with the name of Mariposa street, or some other distinctive name, bounded and described as follows:

A highway named Mariposa street is hereby laid out, from Wood avenue to Blake street, and ordered constructed, the cost thereof to be charged to Federal Funds.

Said highway and the land, exclusive of trees or structures standing upon or affixed thereto, in which an easement for

street purposes is hereby taken, is bounded and described as follows:

Westerly by Wood avenue, fifty-five and 95-100 feet; northeasterly by the northeasterly line of said Mariposa street as hereby laid out, by three measurements, four hundred forty-two and 29-100 feet, four hundred eighty-two and 74-100 feet, and two hundred forty-eight and 4-100 feet; easterly by the easterly line of said Mariposa street as hereby laid out, by three measurements, ninety-seven and 16-100 feet on a curve of one hundred sixty-seven and 1-100 feet radius, eighty-eight and 50-100 feet, and seventy-three and 89-100 feet on a curve of one hundred twenty-seven and 1-100 feet radius; again northeasterly by the northeasterly line of said Mariposa street as hereby laid out, one hundred twelve and 73-100 feet; southeasterly by Blake street, forty and 38-100 feet; southwesterly by the southwesterly line of said Mariposa street as hereby laid out, one hundred eighteen and 21-100 feet; westerly by the westerly line of said Mariposa street as hereby laid out, by three measurements, ninety-seven and 16-100 feet on a curve of one hundred sixty-seven and 1-100 feet radius, eighty-eight and 50-100 feet, and seventy-three and 89-100 feet on a curve of one hundred twenty-seven and 1-100 feet radius; southwesterly by the southwesterly line of said Mariposa street as hereby laid out, by three measurements, two hundred forty-six and 48-100 feet, four hundred eighty-two and 4-100 feet, and four hundred four and 4-100 feet.

Voted, That this Board determines that no person sustains damages in his estate by the making of the public improvement consisting of the laying out and construction of Mariposa street (formerly Roanoke road), Hyde Park district, as a highway, from Wood avenue to Blake street, under the order of the Board of January 31, 1936, and awards no damages therefor.

REVISION OF ASSESSMENTS.

The Mayor has approved the following votes of the Board of Street Commissioners of the City of Boston:

In the matter of the application for revision of assessments levied on account of the construction of sewerage works the Board of Street Commissioners, acting under the provisions of chapter 359 of the Acts of the year 1896, and deeming it just and proper that such action should be taken on said applications,

Order, That the amounts hereinafter specified, being the annual apportionments of said assessments for the years specified below, be, and the same are hereby, abated:

Louisa Bohn, 1933-1934-1935, apportionments, Plan 1930-31, Lot 8, Johnson street, assessed June 12, 1931: 1933, \$15.40; 1934, \$14.80; 1935, \$14.20.

In the matter of the application for revision of assessments levied on account of the construction of sewerage works the Board of Street Commissioners, acting under the provisions of chapter 359 of the Acts of the year 1896, and deeming it just and proper that such action should be taken on said applications,

Order, That the amounts hereinafter specified, being the annual apportionments of said assessments for the years specified below, be, and the same are hereby, abated:

Minnie Thibeau, 1934-35 apportionments, Plan 1933-9, Part 3, Lot 26, Waldemar avenue, assessed January 25, 1934, \$12.24; \$13.86.

TRAFFIC COMMISSION RULINGS.

Voted, That as urgently required by considerations of public safety and convenience, during the period of the Sportsmen's Show, February 1, 1936, to February 8, 1936, inclusive, vehicles must be parked with right rear wheels to the curb in Huntington avenue, northwest roadway, northwest side, from opposite Garrison street to West Newton street; and parking of vehicles is prohibited in West Newton street, southwest side, from Falmouth street to Huntington avenue.

Voted, That as urgently required by considerations of public safety and convenience, during the period of gas main construction, vehicles are excluded from the following street, from 7 p. m. February 4, 1936, to 6 a. m. February 5, 1936: Winter Street.

From Tremont street to Washington street.

Voted, That as urgently required by considerations of public safety and convenience, during the period of gas main construction, vehicles are excluded from the following street, from 7 p. m. February 5, 1936, to 6 a. m. February 6, 1936: Winter Street.

From Tremont street to Washington street.

POLICE DEPARTMENT ORDERS.*General Order No. 141.*

The Department of Civil Service and Registration will hold an examination for promotion to the Grade of Captain in the Boston Police Department, according to the following notice received by this office:

"This examination will be held on February 18, 1936.

1. This examination is open to the lieutenants in the Boston Police Department who have served as such, in accordance with the civil service rules, for at least one year immediately preceding the date of examination. A candidate who has been off duty for over three months during the period prescribed can be admitted only by permission of the Commissioner of Civil Service.

2. Subjects and weights of examination: Seniority, 5; report, 2; practical questions, 10; personality and fitness, as determined by an oral interview, 3; total, 20.

3. Applicants will be required to obtain at least 70 per cent in each subject in order to become eligible.

4. Physical examination.

5. Application blanks may be obtained from the office of the Boston Police Commissioner. The vouchers on these blanks need not be filled out. When completed, applications should be sent to the Division of Civil Service, Rooms 143-152, State House, Boston. Applications must be placed on file not later than Saturday, February 8, 1936, at 12 noon.

6. Applicants will be notified of the time and place of examination.

THOMAS H. GREEN, *Chairman*,
GEORGE M. HARLOW,
FRANK A. BAYRD,
Associate Commissioners."

This notice may be construed to include all persons with the rank of lieutenant, including lieutenant-inspector.

Persons concerned will notice particularly that applications when filled out are to be returned to the office of the Civil Service Commission, State House, Boston,

not later than Saturday, February 8, 1936, at 12 noon, ten days before the date set for the examination.

Commanding officers will promulgate this order not only by reading it at roll call, but by posting a copy thereof in a conspicuous and accessible place in a station house, where it may be easily read, and it shall remain posted until after the date of the examination.

Commanding officers will secure a fresh copy from the superintendent, if the posted copy becomes mutilated or destroyed.

The Superintendent of Police will promulgate this order.

EUGENE M. MCSWEENEY,
Commissioner.

General Order No. 142.

Patrolman Herbert L. Morrison, attached to Division 7, is commended for the prompt and intelligent action taken by him on the occasion of a woman who had attempted to commit suicide by drinking "mercurochrome" in her home on January 29, 1936.

The commissioner is pleased to recognize and commend Patrolman Morrison for his resourcefulness in applying his knowledge in this emergency. His prompt response may possibly have prevented the loss of life.

The Superintendent of Police will promulgate this order.

EUGENE M. MCSWEENEY,
Commissioner.

General Order No. 143.

The commissioner's attention has been drawn to the excellent police duty performed on January 21, 1936, by Patrolmen John I. Callahan and Paul I. Fraher, both of the Bureau of Criminal Investigation, and Patrick H. McLaughlin of Division 4 (detailed to the Bureau of Criminal Investigation), in the pursuit and capture of a man wanted by the police, who was driving an automobile in the South End when observed by these officers.

The officers gave chase and captured the fugitive, who was armed with a fully-loaded revolver. Also, in the car were found burglar's tools, a quantity of cigars and razors, and two overcoats which were identified as part of the clothing stolen in a recent break in Boston.

The commissioner is pleased to recognize and commend the keen observation, initiative and intelligence shown in effecting this important arrest, and in addition the above-named officers are each granted three days' additional vacation.

The Superintendent of Police will promulgate this order.

EUGENE M. MCSWEENEY,
Commissioner.

General Order No. 144.

On December 18, 1935, Sergt. James J. Crowley and Patrolmen Daniel F. Donovan, Jr., Andrew J. Mullen and Joseph F. Hart, all of Division 1, arrested a group of five men, who, working together, had broken into a large number of stores in the North and West End districts and had stolen a great amount of property.

The patient, persistent and persevering efforts of these officers, who gave generously of their own time, not only resulted

in the recovery of a large part of the stolen property and the arrest of the criminals, but destroyed definite plans which they had formulated to break into and enter many other dress and fur shops in this city.

The commissioner is pleased to recognize the initiative and intelligence of these officers in accomplishing these important arrests, and commends each of them.

The Superintendent of Police will promulgate this order.

EUGENE M. MCSWEENEY,
Commissioner.

General Order No. 145.

The commissioner directs the attention of the force to the splendid performance of four officers of Division 1, namely, Sergt. James J. Crowley and Special Officers Andrew J. Mullen, Daniel F. Donovan, Jr., and Joseph F. Hart.

These men, on their own initiative, planned and executed a search for Anthony Repucci who, with one Edward Guaranelli, murdered a State Prison officer, Walter R. Doucette, on December 23, 1935, while he was transporting these two prisoners from Dedham jail to Charlestown State Prison.

The tireless efforts of these four officers, and their relentless pursuit of the murderer Repucci, resulted in his capture in Providence, Rhode Island, on January 2, 1936, and his conviction of murder in the second degree in the Suffolk Superior Criminal Court, where a sentence of life imprisonment was imposed on January 27, 1936.

The commissioner feels that the work of these officers is an inspiration to the entire force, and is proud to commend them and to grant each officer one week's additional vacation.

The commissioner is not unmindful of the untiring efforts of Capt. John J. Mullen of Division 1 and the intelligent and persistent manner in which he directed the work of the men in his division in running down all clues involved in the capture of these convicted murderers. Therefore, the commissioner is pleased to commend Capt. John J. Mullen.

The entire conduct of this case reflects distinct credit upon Division 1.

The Superintendent of Police will promulgate this order.

EUGENE M. MCSWEENEY,
Commissioner.

LOW FATALITY RATE IN PROVIDENCE.

The fatality rate in Providence in 1934 was the lowest in all the years since modern traffic problems have existed, according to figures compiled by the city's traffic bureau. It is believed that the activity herein described was one of the many which have contributed toward this result. Certainly, if speeds can be consistently held down or reduced, there is small doubt that accidents will be decreased.

Traffic authorities in Providence decided in 1932 that a plan of monthly "sampling" of vehicular speeds by actual measurements be carried out, covering about fifty-four locations, none of which should be in congested traffic. This system was worked out and tested in that year, and has been in full operation during 1933 and 1934.

Physical fitness to be determined by physical examination.

STENOGRAPHIC SERVICE.

FOR STATE AND CITIES AND TOWNS OUTSIDE OF BOSTON AND VICINITY, MARCH 7, 1936.

Last date for filing applications, Monday, February 24, 1936, at 5 p. m.

FOR STATE, BOSTON, AND CITIES AND TOWNS IN THE VICINITY OF BOSTON, MARCH 21, 1936.

Last date for filing applications, Saturday, March 7, 1936, at 12 noon.

This is the regular examination for the stenographic service of the state and of all cities and of such towns in the state as are classified under Civil Service. On March 7, the examination will be held in various centrally located cities. On March 21, the examination will be held in Boston, and all persons who reside within commuting distance will be notified for examination on this day.

Persons qualifying in the examination may have their names placed on the state list as well as on the list for the city or town in which they reside.

Applicants must be not less than sixteen years of age at the time of filing application.

The subjects of examination with their respective weights will be as follows: Training and experience, (2); spelling, (2); arithmetic, (2); grammar, (2); filing, (1); word knowledge, (1); stenography, (10); total, (20).

The dictation is given at the following rates of speed: 80, 100 and 120, the dictation at each rate of speed consisting of a letter of about 300 words in length. Each applicant may select any two of the three speed tests for transcription. The transcription is marked for both speed and accuracy. Applicants are required to obtain at least 70 per cent in accuracy of transcription of one speed test.

Applicants will also be required to obtain at least 65 per cent in spelling, at least 50 per cent in each of the other subjects, and at least 70 per cent in general average in order to become eligible.

The minimum salary, with maintenance, is \$1,320 a year; the maximum salary, with maintenance, is \$1,800 a year; the minimum salary, without maintenance, is \$1,680 a year; the maximum salary, without maintenance, is \$2,160 a year.

Duties: To examine blood and spinal fluid, quantitatively for non-protein-nitrogen, total protein, urea, chlorides, dextrose, calcium, etc., and particularly for blood oxygen saturation and carbon dioxide combining power; and alcohol, bromides, barbitol, ether and carbon monoxide. To examine urine, feces, and vomitus qualitatively for lead, mercury, arsenic, etc.

Entrance Requirements: Applicants must have had two years' technical laboratory experience.

Subjects and Weights: Training and experience, (3); practical questions, (4); personality and fitness, as determined by an oral interview, (3); total, (10).

Passing Requirements: At least 70 per cent in each subject in order to become eligible.

Physical fitness to be determined by physical examination.

FIRE DEPARTMENT ORDERS.

General Order No. 8.

I. RETIREMENT.

The following retirement is hereby announced to take effect at 8 a. m., Saturday, February 1, 1936:

Captain Patrick J. Laffey, Ladder Company 11.

Captain Laffey was appointed to the department on April 17, 1896. He was promoted to lieutenant September 29, 1905, and to captain July 12, 1920. He leaves the department with the best wishes of his associates.

II. PROMOTION.

The following promotion is hereby announced, to take effect at 8 a. m., Friday, January 31, 1936:

Hoseman Joseph Schein, Engine Company 49, to apparatus operator.

III. TRANSFERS.

The following transfers are hereby announced, to take effect at 8 a. m., Friday, January 31, 1936:

Capt. Michael G. Foley, from Ladder 20 to Engine 2.

Capt. Philip S. Bates, from Engine 36 to Engine 18.

Capt. Joseph H. McLaughlin, from Ladder 26 to Ladder 11.

Lieut. William J. Rooney, from Ladder 23 to Ladder 6.

Lieut. John J. Barry, from Engine 46 to Ladder 23.

Lieut. Francis B. Hanron, from Ladder 30 to Ladder 26.

Apparatus Operator Eugene H. Mason, from Engine 49 to Engine 48.

John P. Driscoll, from Ladder 11 to Ladder 12.

Thomas G. Dundon, from Ladder 25 to Ladder 11.

Charles Hohman, from Ladder 6 to Ladder 25.

John A. Kearney, from Ladder 23 to Ladder 6.
Walter S. Fields, from Ladder 9 to Engine 50.
Charles L. McEachern, from Engine 6 to Engine 39.
James L. Donovan, from Engine 39 to Engine 6.
James G. Boles, from Rescue 3 to Ladder 27.

IV. FIRE ALARM BOX REMOVAL.

Box 12-7413, Shurtleff and Clinch Schools, Dorchester and West Seventh streets, has been removed from service and Box 7413 has been auxilialized. Company commanders will make the necessary correction on assignment cards and a new assignment card for Box 7413, Dorchester street, opposite West Seventh street, auxiliary Patrick F. Gavin School, will be issued to the department at a later date.

V. INDEX TO GENERAL ORDERS.

The index to General Orders for the year 1935 is being issued to the department today.

VI. ACTING DISTRICT CHIEF.

Capt. William E. Dolan of Ladder Company 10 is hereby designated as Acting District Chief of District 12, effective as of 8 a. m., Thursday, January 30, 1936, and Capt. Francis Kehoe of Engine 42 is relieved from this duty.

VII. MAYOR'S LETTER REGARDING RESIGNATION.

The Fire Commissioner is in receipt of a circular letter from his Honor Mayor Mansfield, which is hereby published for the information of the department:

"OFFICE OF THE MAYOR,
CITY HALL, BOSTON,
January 25, 1936.

To All Heads of Departments.

In the absence of exceptionally extenuating circumstances no city employee who has resigned and has collected his accumulated retirement money will be reinstated.

Yours truly,

FREDERICK W. MANSFIELD,
Mayor."

VIII. AMERICAN DISTRICT TELEGRAPH COMPANY.

The following signal number is to be added to the assignment cards of the American District Telegraph Company in this department:

Signal No. 343—Recording and Statistical Corporation, 160 Washington Street North. Apparatus to respond: Engines 8-31, Ladder 1, District Chief 4. Nearest city box 1211.

IX. BOSTON AUTOMATIC FIRE ALARM ASSIGNMENT CARD.

A new Boston Automatic Fire Alarm assignment card, page 4, dated January 16, 1936, is being issued to the department today, to take the place of old page 4, dated March 13, 1933.

Company commanders will return the old card to Department Headquarters, in the envelopes provided, on or before Tuesday, February 4, 1936.

X. COMMENDATIONS.

Apparatus Operator Thomas E. Tierney of Engine Company 3 is hereby commended for responding to and working at fire, Box 7411, January 22, 1936, while off duty.

Capt. George F. Doyle of Ladder Company 15 is hereby commended for extinguishing a fire at 282 Massachusetts avenue, January 24, 1936, before the arrival of apparatus, and while off duty.

By order of Fire Commissioner EDWARD F. McLAUGHLIN.

HENRY A. FOX,
Chief of Department.

General Order No. 10.

I. 1936 COMMUNITY FUND CAMPAIGN.

The Fire Commissioner is in receipt of a letter from his Honor Mayor Frederick W. Mansfield, which is hereby published for the information of the department:

"OFFICE OF THE MAYOR,
CITY HALL, BOSTON,
January 27, 1936.

To All Heads of Departments.

GENTLEMEN,—The 1936 Community Fund Campaign to raise funds for deserving private charities has been launched in Boston. The money which is raised by this campaign will be used for the most worthy charitable purposes and will be divided among nearly one hundred deserving private charities. I hope that every city and county employee will contribute within his means and write to ask you if you will endeavor to interest all of the employees in your department to this end.

Of course they know that there is nothing obligatory about this and that any contributions which they may make will be purely voluntary, and that they are free to make them or not as they please. It is suggested that they contribute 1 per cent of their yearly salaries divided into such periodical payments as will be most convenient for them. This seems to be a very moderate and reasonable request and I earnestly urge that you do all in your power to see that it is complied with by all those who can afford to do so.

I further suggest the appointment of some person in your department to whom shall be delegated the duty of assisting the committee in charge of this campaign. When such a person is appointed please have him communicate with City Treasurer John H. Dorsey, who will represent the Mayor.

Yours truly,

FREDERICK W. MANSFIELD,
Mayor.

Throughout the city all persons in private employ are being canvassed to make a contribution amounting to at least 1 per cent of their salaries to this fund to help charitable organizations which are now crippled and handicapped by lack of funds. Members of the Fire Department are asked to join with other city workers and employees of private concerns and contribute to this fund.

In view of the fact that the employees of the Fire Department have enjoyed uninterrupted employment, it is hoped that members of the department will give this appeal careful and favorable consideration. The Fire Commissioner looks to the members of the department to show the same generous spirit of cooperation which has characterized their response to worthy appeals in the past.

In order that the sacrifice will not impose a hardship upon the contributors it has been arranged that the payment of the total sum may be divided in forty

equal payments for forty weeks, beginning Monday, February 10, 1936. The following table illustrates the approximate total payment to be made for the different rates of pay, together with the weekly payment:

ANNUAL SALARY.	Approximate Total Contribution. (One Per Cent of Annual Salary.)	Weekly Contribution for Forty Weeks.
\$7,500.....	\$75 00	\$1 85
\$6,500.....	\$65 00	\$1 60
\$4,500.....	\$45 00	\$1 10

\$1,400.....	\$14 00	\$0 35
\$1,200.....	\$12 00	\$0 30
\$1,100.....	\$11 00	\$0 25
WEEKLY RATE.		
\$48 30.....	\$25 18	\$0 60
\$45 00.....	\$23 40	\$0 55
\$42 00 (7 days).....	\$21 90	\$0 50
\$42 00 (6 days).....	\$21 00	\$0 50
\$39 00.....	\$19 50	\$0 45
\$37 50.....	\$18 75	\$0 45
\$36 00.....	\$18 00	\$0 45
\$35 00 (7 days).....	\$18 25	\$0 45
\$33 00.....	\$16 50	\$0 40
\$18 00.....	\$9 36	\$0 20

Pledge cards are being distributed to the department today. Company commanders and heads of divisions will personally interview each member of his command (including men on sick or injured leave, etc.), explaining to him the purpose of the appeal and ask him to make the contribution requested. All cards are to be returned to the Fire Commissioner on or before Friday, February 7, 1936. In no case are deductions to be made on the pay roll. Company commanders and heads of divisions, for their own information, will make a list of all who contribute to the Community Fund. Each week on the regular pay day the money donated will be collected from the contributors and company commanders and heads of divisions will forward the receipts to headquarters one each week. Miss Mary C. Kelley has been assigned by the commissioner to accept the money and give a receipt for it. Delivery of money at headquarters should be made on any week day and must be made between the hours of 9 and 11 a. m.

This appeal for funds is a most worthy one and deserves the support of every member of the department. What the members of the department do in the way of responding to this call for aid will reflect great credit upon themselves individually and on the Fire Department as a unit.

By order of Fire Commissioner EDWARD F. McLAUGHLIN.

HENRY A. FOX,
Chief of Department.

David M. Brackman.

Public Welfare.

James E. Agnew, chairman.
George W. Roberts.
Robert Gardiner Wilson, Jr.
James F. Finley.
Peter A. Murray.

APPOINTMENT BY THE MAYOR.

Subject to confirmation by the Council the Mayor submitted the following appointment, viz.:
Weigher of Coal: William Smith, 26 Green street, Charlestown.
Laid over a week under the law.

AUTOMATIC TRAFFIC LIGHTS.

The following was received:

City of Boston,
Office of the Mayor, January 25, 1936.
To the City Council.

Gentlemen,—I herewith transmit two letters from the Traffic Commissioner relative to your orders of January 13, 1936 concerning the installation of automatic traffic signals at the following locations:

1. Adjacent to St. Ann's Church, Neponset avenue.
2. Adjacent to St. Mark's Church, Dorchester avenue.
3. At the junction of Savin Hill avenue and Dorchester avenue, Ward 13.

Respectfully,
FREDERICK W. MANSFIELD, Mayor.

City of Boston,
Traffic Commission, January 24, 1936.
Hon. Frederick W. Mansfield,
Mayor of Boston.

Dear Sir,—I have the honor to acknowledge receipt of Council order dated January 13, 1936, which reads as follows:

"Ordered, That the Traffic Commissioner be requested, through his Honor the Mayor, to install automatic traffic signals adjacent to St. Ann's Church, Neponset avenue, and St. Mark's Church, Dorchester avenue."

St. Ann's Church is located on one corner of the intersection of Ashmont street, Freeport street, and Neponset avenue, Dorchester. This intersection is on a list of locations where this Commission has recommended the installation of traffic signals if sufficient funds become available.

I assume that the Council order for a traffic signal adjacent to St. Mark's Church, Dorchester avenue, Dorchester, contemplates a signal to protect pedestrians directly in front of the church, since the nearest intersection, that of Dorchester avenue, Roseland street, and St. Mark's street, carries a very light volume of cross traffic, which would not warrant the installation of a traffic signal. It is the opinion of the engineers of this Commission that conditions in Dorchester avenue immediately in front of St. Mark's Church are not sufficiently hazardous to justify the installation of a signal.

There are no funds available for the installation of automatic traffic signals at the above locations.

Respectfully yours,
WILLIAM P. HICKEY, Commissioner.

City of Boston,
Traffic Commission, January 24, 1936.
Hon. Frederick W. Mansfield,
Mayor of Boston.

Dear Sir,—I have the honor to acknowledge receipt of Council order dated January 13, 1936, which reads as follows:

"Ordered, That the Traffic Commission be requested, through his Honor the Mayor, to install automatic traffic signals at the junction of Savin Hill avenue and Dorchester avenue, Ward 13."

The intersection of Dorchester avenue and Savin Hill avenue is an important traffic junction and presents a very definite accident hazard. This Commission has recommended the installation of a traffic signal at this location if money is appropriated for a program of installing signals.

There are no funds available for the installation of automatic traffic signals at the above location.

Respectfully yours,
WILLIAM P. HICKEY, Commissioner.

Placed on file.

COASTING AT ARNOLD ARBORETUM.

The following was received.

City of Boston,
Office of the Mayor, January 25, 1936.
To the City Council.

Gentlemen,—I herewith transmit a letter from the Chairman of the Park Department relative to your order of January 20, 1936, concerning coasting at the Arnold Arboretum.

Respectfully,
FREDERICK W. MANSFIELD, Mayor.

City of Boston,
Park Department, January 24, 1936.
Hon. Frederick W. Mansfield,
Mayor of Boston.

Dear Sir,—I have your memorandum of January 23, with enclosure, order from the City Council, that the Park Commission be requested to allow coasting at the Arnold Arboretum.

Some years ago this department made arrangements to allow the children of the Forest Hills and Rosindale sections to coast on the hill that is known as the Walter street hill. The Arnold Arboretum authorities offered no objection to the use of this hill if it was confined to the children. It would not be possible to allow of adult coasting in this area owing to the fact that a large amount of damage has been done in former years to the priceless shrubs and trees.

I shall be pleased to take this matter up with the Police Department and the Arnold Arboretum authorities and make arrangements for children under fifteen years of age to use this hill for coasting purposes, if same is agreeable to you.

Very respectfully yours,
WILLIAM P. LONG, Chairman.

Placed on file.

FOREST HILLS CONVENIENCE STATIONS.

The following was received:

City of Boston,
Office of the Mayor, January 27, 1936.
To the City Council.

Gentlemen,—I transmit herewith a letter from the Trustees of the Boston Elevated Railway relative to your order of January 20th concerning the reopening of convenience stations at the Forest Hills Station.

Respectfully,
FREDERICK W. MANSFIELD, Mayor.

Boston, January 24, 1936.
Mr. John F. Gilmore, Jr.,
Assistant Secretary, Mayor's Office.

Dear Sir,—Replying to your letter of January 23, with order of the City Council requesting the reopening of the convenience stations at Forest Hills Station, the toilet equipment at Forest Hills Station and at several of our other rapid transit stations was damaged by an unknown person or persons and the toilets were made unusable, which necessitated closing them temporarily.

Repairs were made as quickly as possible and the convenience stations have been reopened.

Very truly yours,
H. I. HARRIMAN, Chairman.

Placed on file.

ANNUAL BUDGET.

The following was received:

City of Boston,
Office of the Mayor, January 25, 1936.
To the City Council.

Gentlemen,—Under the provisions of section 3 of the City Charter the Mayor is required to submit a budget within thirty days after the beginning of the fiscal year.

Under the provisions of chapter 267 of the Special Acts of 1916, the city may raise by taxation for general municipal purposes, exclusive of schools, an amount not in excess of \$6.52 on each \$1,000 of the average valuation for the past three years, less abatements. For 1936 this statutory authorization produces an amount slightly less

than \$11,000,000. Since the city budget for 1935 totaled \$42,292,642.34, it is evident that the existing tax limit is inadequate to provide for the needs of the city. As a result it has been necessary to appeal annually to the Legislature for an increase in the statutory tax limit.

Boston is the only city in the Commonwealth which is forced to make an annual petition of this kind. Believing that Boston should enjoy the same privileges, insofar as appropriations are concerned, as the other cities of the Commonwealth, I have each year requested the Legislature to remove this tax limit. As a result of these requests a recess committee was appointed by the Legislature last session to study this matter and the committee has concurred with me in this regard and has so reported to the present session of the Legislature. However, until action is taken by the Legislature it is impossible for me to submit to your Honorable Body the annual budget in full segregated form.

In order to avoid any question being raised as to the submission of a budget within the time limit stated in the city charter, I submit herewith a budget in lump sum form.

Respectfully,
FREDERICK W. MANSFIELD, Mayor.

APPROPRIATIONS AND TAX ORDERS FOR THE FINANCIAL YEAR 1936.

Ordered, That to meet the current expenses payable during the financial year beginning with the first day of January, 1936, for performing the duties and exercising the powers devolved by statute or ordinance, or by vote of the City Council during the year, upon the City of Boston or County of Suffolk, or the departments or officers thereof, and to meet their respective obligations for interest on debt, sinking fund requirements and maturing debt not provided for by sinking fund, the respective sums of money specified in the tables and schedules hereinafter set out be, and the same are hereby, appropriated for the several departments and for the objects and purposes hereinafter stated.

Ordered, That the appropriation for Water Service, current expenses and the payment to the state under the provisions of chapter 488 of the Acts of 1895 and acts in addition or amendment thereto, and for the interest and debt requirements or for loans issued for water purposes be met by the income of said works and any excess over income from taxes; that the appropriation for Printing Department be met by the department income and any excess over income from taxes; and the appropriation for *City Record* be met by the income of said publication and any excess over income from taxes; and the appropriation for the Sumner Traffic Tunnel be met by the income from tolls and any excess over income from taxes; that the other appropriations hereinafter specified be met out of the money remaining in the treasury at the close of business on December 31, 1935, exclusive of the money raised by loan or needed to carry out the requirements of any statute, gift, trust or special appropriation, and by the income of the financial year beginning January 1, 1936, and taxes to the amount of \$15,539,325.19, and that said amount be raised by taxation on the polls and estates in the City of Boston.

Ordered, That all sums of money which form no part of the income of the city, but shall be paid for services rendered or work done by any department or division for any other department or division, or for any person or corporation other than the City of Boston be paid into the general treasury, and that all contributions made to any appropriation be expended for the objects and purposes directed by the several contributors thereof.

Ordered, That all taxes raised to meet the appropriations of the city and all taxes assessed for meeting the city's proportion of the state tax for the year 1936, or for any other taxes or assessments payable to the Commonwealth, shall be payable in two equal instalments, on July first and on October first of 1936; that interest shall be charged on apportioned taxes remaining unpaid after the second day of November, 1936, in accordance with the provisions of chapter 59, section 57, of the General Laws, as amended by chapter 254, section 42, of the Acts of 1933, until paid, except the taxes assessed upon shares of national banks, which shall bear interest at the rate of 12 per cent per annum from the first day of October, 1936, until paid, and that all interest which shall have become due on taxes shall be added to and be part of such taxes.

Ordered, That except as the appropriation for any purpose or item shall be increased by additional appropriations or transfers lawfully made, no money shall be expended by any department for any of the purposes or items designated in the tables and schedules hereinafter set out in excess of the amount set down as appropriated for such specific purpose or item; and except as aforesaid no salaries or wages shall be paid in excess of the rates specified in said tables and schedules.

VETO OF POLICE OFFICER PENSIONS.

The following was received:

City of Boston,
Office of the Mayor, January 16, 1936.
To the City Council.

Gentlemen,—I return herewith disapproved and without my signature the order adopted by your Honorable Body on January 13, 1936, favoring the enactment of legislation relative to pensions payable to certain police officers of the city who had heretofore retired on account of disability.

This seems to me to be undesirable legislation for the City of Boston, as it opens the door to former employees not only of the Police Depart-

AMBULANCE STATION, CHARLESTOWN.

The following was received:

City of Boston,
Office of the Mayor, January 23, 1936.
To the City Council.
Gentlemen,—I transmit herewith a letter from Mr. Joseph P. Manning, President of the Trustees of the Hospital Department, relative to your order of January 6, 1936, concerning the establishment of an ambulance station in the Charlestown district.

Respectfully,
FREDERICK W. MANSFIELD, Mayor.

City of Boston,
Hospital Department, January 20, 1936.
Hon. Frederick W. Mansfield,
Mayor of Boston.
Dear Mr. Mayor,—At a meeting of the Board of Trustees held on January 17th, an order of the City Council was presented, whereby the trustees are requested to establish an ambulance station in the Charlestown district.

The trustees deemed it inadvisable to establish an ambulance station in the Charlestown district at this time.

Yours sincerely,
JOSEPH P. MANNING,
President, Board of Trustees.

Placed on file.

APPROPRIATION FOR BOSTON HOUSING AUTHORITY.

The following was received:

City of Boston,
Office of the Mayor, January 25, 1936.
To the City Council.
Gentlemen,—I have received a request from the newly created and recently organized Boston Housing Authority for an appropriation of \$10,000 for the purpose of defraying the initial costs and expenses incident to the organizing of said board, and in furtherance of the performance of its duties as prescribed in chapter 449 of the Acts of 1935. In compliance with the request, I respectfully recommend adoption of the accompanying order by your Honorable Body.

Respectfully,
FREDERICK W. MANSFIELD, Mayor.

Ordered, That the sum of \$10,000 be, and hereby is, appropriated, to be expended, by the Boston Housing Authority in accordance with chapter 449, section 26-T, of the Acts of 1935, for the purpose of defraying the initial cost and expenses of said Housing Authority, including the expenses of preparing plans and making surveys and the like in connection with one or more proposed projects of said Housing Authority, and in the general prosecution of its duties, said sum to be charged to the Reserve Fund, when made.

Referred to Executive Committee.

PAYMENT OF SNOW CONTRACTORS.

Coun. DOWD offered the following:

Ordered, That his Honor the Mayor instruct the Public Works Commissioner not to pay any of the snow contractors until such time as he ascertains whether or not they paid the prevailing rate of wages to the snow shovelers.

Coun. DOWD—Mr. President, it has been called to my attention by several citizens who work for snow contractors that the contractors are not paying the prevailing rate of wages. My interpretation of the contract is that they shall pay for all snow shoveling at the rate of 62½ cents an hour, and until such time as the Public Works Commissioner definitely decides that they have lived up to the specifications of their contract I think no contractor should be paid.

The order was passed under suspension of the rule.

SALE OF LAKESHORE ROAD PROPERTY.

The following was received:

City of Boston,
Office of the Mayor, January 23, 1936.
To the City Council.
Gentlemen,—I am in receipt of the attached letter, with inclosures, from the Superintendent of Public Buildings recommending the sale of certain property located on Lakeshore road, Brighton, for the sum of \$1,372.37. Accordingly I recommend the passage of the accompanying order.

Respectfully,
FREDERICK W. MANSFIELD, Mayor.

City of Boston,
Public Buildings Department, January 3, 1936.
Hon. Frederick W. Mansfield,
Mayor of Boston.

Dear Sir,—In accordance with the provisions of chapter 3, Ordinances of 1935, concerning Tax Title property, I respectfully submit herewith copy of an offer received from Lloyd A. Murray for the redemption of property located on Lakeshore road, Brighton, Ward 22, known as Chandler's pond, Land Court Case No. 5500.

I also inclose a copy of the tax list on the above-described property setting forth the taxes, interest and costs due through December 15, 1935.

Although the offer is slightly less than the actual cost to the city, I feel it would be to the city's best interest to accept this offer of the former owner of record and I recommend that an order to this effect be drawn up and submitted to the City Council. Attached herewith is a form of order suggested by the Law Department for the sale of Tax Title properties.

Respectfully yours,
ROSWELL G. HALL,
Superintendent of Public Buildings.

Attention of Major Hall.

Boston, January 2, 1936.
Dear Major Hall,—I, Lloyd A. Murray, being the former owner of record, do hereby apply for a deed of redemption to the property located in Brighton, on Lakeshore road, known as Chandler's pond, better known as property situated on the northerly side of Lakeshore road, of assessors' plan, Book 5292, page 453, containing 582,723 feet, Land Court case No. 5500 now owned by the City of Boston.

I hereby offer the amount of taxes for the years:

1930.....	\$203 28
1931.....	207 90
1932.....	234 30
1933.....	216 48
1934.....	244 86
1935.....	244 20
Demand and expense.....	21 35

\$1,372 37

to the City of Boston, for a deed to the above property.

Yours truly,
LLOYD A. MURRAY,
340 Washington Street,
Norwood, Mass.

Ward 22, File 395.
Frederick E. Ordway.
About 582,723 feet on northerly side Lakeshore Road.
1930 City Deed (sale September 9, 1931).

YEAR.	Tax.	Costs.	Interest.	Total.
1930....	\$203 28	\$12 46	\$85 68	\$301 42
1931....	207 90	35	70 72	278 97
1932....	234 30	35	61 10	295 75
1933....	216 48	35	39 06	255 89
1934....	244 86	35	24 50	269 71
1935....	244 20	35	3 06	247 61
	<u>\$1,351 02</u>	<u>\$14 21</u>	<u>\$284 12</u>	<u>\$1,649 35</u>
Plus Land Court Costs.....				20 75
				<u>\$1,670 10</u>

Figured to December 15, 1935.

Whereas, The City of Boston by a decree of the Land Court, Suffolk Registry District, dated March 13, 1935, foreclosed the right of redemption under a tax deed recorded with Suffolk Deeds, Book 5292, page 453, to about 582,723 square feet of land situate on the northerly side of Lakeshore road as is more fully described in said tax deed; and

Whereas, The City of Boston no longer needs for public purposes the said parcel of land described in said tax deed; and

Whereas, An offer to purchase the said premises has been made by Lloyd A. Murray in the sum of \$1,372.37; now, therefore, it is hereby

Ordered, That the Superintendent of Public Buildings be, and he hereby is, authorized, with the approval of the Mayor, to sell all the city's right, title and interest in said parcel of land for the sum of \$1,372.37; and it is hereby further

Ordered, That the said Superintendent of Public Buildings of the City of Boston be, and he hereby is, authorized to execute and deliver in the name and behalf of the City of Boston to the purchaser thereof a written instrument satisfactory in form to the Law Department, conveying all right, title and interest of the said City of Boston in said premises upon the payment to it of \$1,372.37.

Referred to the Committee on Public Lands.

SOUNDING OF AUTOMOBILE HORNS.

The following was received:

City of Boston,
Office of the Mayor, January 27, 1936.
To the City Council.

Gentlemen,—On September 30, 1935, I submitted to your Honorable Body a proposed amendment to the ordinances limiting the use of automobile horns to certain hours of the day. On November 15, 1935, that order was rejected after a report by the Chairman of the Committee on Ordinances which indicated, in effect, that the committee thought a more comprehensive ordi-

nance prohibiting the ringing of bells and all other noises should be considered rather than one limited to the prohibition of automobile horn blowing.

Examination of our present ordinance indicates that we have now a general ordinance such as was referred to by the chairman of the committee and may be found in chapter 39, section 49.

That section prohibits the ringing of any bell or the use of any musical or noise-making instrument without a license and "except as a warning of danger." It is that exemption which we now desire to strengthen because the automobile horn is supposed to be used as a warning of danger. But everyone knows that automobile horns are used when there is no danger and that causes a great deal of disquieting noises. In view of the protests that are coming to me from hospitals, hotels and other institutions, I earnestly urge upon your Honorable Body the adoption of the amendment to the ordinance which was rejected on November 15, 1935. A copy of the order is hereto annexed.

Respectfully,
FREDERICK W. MANSFIELD, Mayor.

Be it ordained, etc.

Section 92 of chapter 39 of the Ordinances of the City of Boston is hereby amended by adding thereto the following:

The sounding of automobile horns between the hours of 11 p. m. and 7 a. m. anywhere in the City of Boston is hereby prohibited except in cases of extreme emergency,

so that said section shall read as follows:

The commissioner of public works shall at the request of the hospital authorities, place and maintain a sign or signs displaying the words, "Warning! Hospital—Make no Noise," at such points as he may determine on public streets and places in the vicinity of hospitals accommodating more than fifty patients. No foot traveller, driver of a vehicle, motorman of a street car or operator of a motor vehicle shall make any unnecessary noise in the vicinity of such hospitals so as to unreasonably disturb patients therein.

The sounding of automobile horns between the hours of 11 p. m. and 7 a. m. anywhere in the City of Boston is hereby prohibited except in cases of extreme emergency.

Referred to the Committee on Ordinances.

PETITIONS RECEIVED.

The following petitions were received and referred to the committees named, viz.:

Claims.

Martin J. Barker, for compensation for damage to property at 8 Merrill street, Dorchester, caused by city truck.

Leo Coffey, for compensation for injuries caused by an alleged defect at 224 Lamartine street.

John J. Connors, for compensation for injuries caused by an alleged defect at 224 Lamartine street.

Frances G. Isaacs, for compensation for damage to car by city truck.

Joseph X. McLaughlin, for compensation for injuries caused by an alleged defect at 1663 Blue Hill avenue.

Railway Express Agency, for compensation for damage to truck by city wagon.

Timothy Regan, for compensation for damage to car caused by an alleged defect in Shawmut avenue.

St. Paul's Italian M. E. Church, for compensation for damage to property on Saratoga street, caused by defective cesspool.

Shawmut Specialty Company, for compensation for damage to truck by city truck.

Mrs. Francis J. Stanwood, for compensation for injuries caused by an alleged defect in Boston Common.

Mrs. R. G. Massell, for compensation for injuries caused by defect in south passageway in Kenmore Square Subway.

Annie McInnis, for compensation for damage to property at 2 Lime street, Boston, caused by leak in water main.

Executive.

Petitions for children under fifteen years of age to appear at places of public amusement, viz.:

Ruth M. McShane, Municipal Building, South Boston, February 20.

Aaron Richmond, Jordan Hall, January 31, February 1.

MINORS' LICENSES.

Applications were received from seventy-one newsboys and four bootblacks for minors' licenses. Licenses granted under usual conditions.

APPOINTMENT OF DR. WILLIAM B. KEELER.

Notice was received from the Mayor of the appointment of Dr. William B. Keeler of 5 Wyoming street, Roxbury, as Health Commissioner, to take the place of Doctor Mahoney, deceased, said appointment to take effect at beginning of business Tuesday, January 21, 1936.

Placed on file.

APPOINTMENT OF SECOND ASSISTANT ASSESSOR.

Notice was received from the Board of Assessors of reinstatement of Hilda G. Smith as second assistant assessor to fill a vacancy.
Placed on file.

SPECIAL ELECTION.

A precept was received from the House of Representatives of the Massachusetts Legislature for the calling of a special election to be held Tuesday, March 10, 1936, to fill the vacancy caused by death of Representative Leo M. Birmingham of Boston, Ward 22.
Placed on file.

Coun. GALLAGHER offered the following:
Ordered, That meetings of the citizens of the twenty-second representative district in the County of Suffolk (Ward 22 of the City of Boston) qualified to vote for state officers, be held, in the several polling places in said ward designated for the purpose by the Board of Election Commissioners, on Tuesday, March 10, 1936, to give in their votes for one representative to the General Court, to fill a vacancy.

The polls at said meetings shall be opened at eight o'clock a. m. and closed at eight o'clock p. m.

Ordered, That the City Clerk be directed to give notice of said meetings by publishing the same as required by law.

Passed under suspension of the rule.

POLE LOCATION, EASTERN MASSACHUSETTS STREET RAILWAY COMPANY.

Notice was received from the Metropolitan District Commission of order granting to Eastern Massachusetts Street Railway Company location for poles and wires, etc., in Veterans of Foreign Wars Parkway, West Roxbury.
Placed on file.

DELIVERY OF OIL AND COAL.

Coun. DOWD offered the following:
Ordered, That the City Council request his Honor the Mayor to request the oil and coal companies doing business with the City of Boston to place on emergency wagons in order to deliver the oil and coal at once.

Coun. DOWD—Mr. President, since I have been in public office I know of no time in the history of the city when coal and oil deliveries were so far behind as they are at the present time. These oil and coal companies are under contract with the city. They are paid good money and are certain of getting their money. Still, they take the stand that, as long as people are on public welfare, they can wait anywhere from ten to fifteen days for their oil and coal. During the last few days a number of families have been unable to get their oil and coal, and if councilors called up on their behalf they did not get any satisfaction. I may say this, that there is only one concern in Boston, to my mind, living up to the contract, and that is the Lynch concern of South Boston. I have received this postal card:

"My dear Mr. Dowd:

My coal order was placed with the company January 6 and I have not received it as yet. I have six children and we have been practically on the verge of freezing for the last three or four days."

That was dated January 26. Now, Mr. President, that is just as acute an emergency as the removal of snow, and to my mind even greater. This so-called oil contractor in Dorchester, it appears, has a real estate office there, and I cannot find any place where he has a coal or oil station. In other words, I assume that he took the contract and sublet it to some other individual. I say that the situation shown by this postal card is appalling—from January 6 to January 26, twenty days, this Babcock Coal Company had the order and nothing was delivered. I say it is about time that these people who get the contract should have it borne in upon them that the people on welfare are just as human as they are, and because they are on welfare is no reason why they should be disregarded. But these people are simply trying to make a good thing out of it, and that is all they think of. Therefore, I ask the Mayor of Boston to get in touch with every oil and coal company doing business in the city, and, if necessary, place a dozen or more trucks at the disposal of such concerns, in order that fuel may be delivered at once to needy people.

Coun. AGNEW—Mr. President, I respectfully ask that that order of Councilor Dowd's be referred to the Committee on Public Welfare, so that we may hold a special meeting of the committee at once, and some of these people who have been neglected can appear before the committee. I think in that way we can arrive at a definite and immediate conclusion.

Coun. DOWD—Mr. President, there will be no difficulty about the Committee on Public Welfare taking note of the criticism I have made and calling the committee together at once. But in the meantime I insist that my order go to the Mayor, because regardless of that the committee can call

its meeting. I hope they will call their meeting, but at the same time I trust that the order will go through this afternoon.

The order was passed under suspension of the rule.

President FITZGERALD—The Committee on Public Welfare will take notice to have a special meeting at once.

AID TO SINGLE PERSONS.

Coun. DOWD offered the following:
Ordered, That his Honor the Mayor request the Welfare Department to rescind the order now in effect of refusing aid to single persons under thirty years of age and advising them to go to the Home Welfare or the Industrial Aid.

Coun. DOWD—Mr. President, the brain trust originating in Washington are passed down the line until they reach Boston. Down in the Welfare Department they have a little group of brain trusters. For instance, take the case of many W. P. A. workers who have not been paid for three, four or five weeks, the Welfare Department will not aid them. There are families with six or seven children that have been getting \$13.75 a week, and then when the money is not forthcoming the Welfare Department says it will not aid them, because the Government should. Now, it is not the man's fault that he is not getting his money. It is the fault of these socialites and autocrats, with men like Hopkins and Ickes at the head, who are responsible for it. But if the Mayor requests them to do something, perhaps something will be done about it. The men down at Hawkins street, getting \$2,700 to \$3,500, nice salaries, have announced, in the case of single persons under thirty years of age, that they will not even allow them to file an application for aid. Despite all orders these brain trusters say that anybody under thirty years of age can take care of himself. The Government apparently has said, in the case of anybody under thirty years of age, "We will not place them at work." Now, men under thirty have got to eat, the same as men with large families. But they are discredited by the brain trusters and autocrats down at 43 Hawkins street, who will not allow them even to make application. They tell them to go to the Family Welfare or the Industrial Aid, and they will take care of them. But when a man or woman goes there, they will not take care of them. It simply means passing the buck, to discourage them from going back. I never saw such a disheartening spectacle as I saw last Thursday night, at ten minutes past twelve, when two boys of eighteen and twenty, born in Boston, American citizens, came to my house and told me the story of their treatment by the Welfare, and they said that unless they got some money they would have to sleep on the Common. No man with any humanity in him could turn them out, as a matter of common decency, and I was compelled to keep the two boys in my house that night. I say it is about time that these abominable, hard-boiled, autocratic welfare visitors should be driven from the city. They don't stop to think that they are supported by the taxpayers of Boston. The same group were around two months ago to every member of the Council, saying, "We are being abused. We have been trying to get our step-rate increase and cannot get it." And every member of the Council went to the Mayor, who appointed a committee, and they finally succeeded in getting their \$100 additional. And it is now these same autocratic visitors who say, "We don't care for any politician." Thank God that there are a few politicians in Boston that can take care of them. The Mayor of Boston does not know about this neglect, because he gave specific orders in my presence that every single man or woman should be taken care of. But they are sent to the Industrial Aid. Well, of course, they get desperate. If a man does not have a dollar and does not see any help coming, does not have a meal ticket, in many cases he does not care whether he sleeps in the icy Charles river or on the Public Garden. I say that our people under thirty that are single people under thirty years of age have to be taken care of, the same as families with ten or twelve children. But they get the go-around. When the Committee on Public Welfare is holding its meeting this week or next week I want to be there. I want to ask those visitors under what section of the charter they go into people's houses and try to go into every room. Supposing there is a young girl of seventeen or eighteen sleeping in a room and they are not allowed to go in there, the aid of the family is shut off. I want to find out under what statute they are acting, to find out under what provisions of the charter they go in and enoop around. If they see a piece of roast beef there they tell the people, "You cannot afford to buy any more beef. It is too expensive." I say it is bad enough to have socialites and autocrats dominating the Government, but I don't think the time has come when they should dominate the poor people of the City of Boston. You and I don't know what is going to become of us. Today we are here but a year from now we may be on the Welfare rolls. We would then expect fair and humane treatment. And I say to these autocrats who are issuing their orders that the least they can do is be advised by the Mayor. I am sure that the Mayor when he knows of this condition will order them to rescind that order at once, like the original one. And so I hope the Committee on Public Welfare will take this up.

I say to you, Mr. President, that it is abominable, that it is an outrage, to have these officials acting as they do. You all know what is going on. Every member of the Council has had the same experience that I have had with them.

The order was passed under suspension of the rule.

NON-DESTRUCTION OF FOOD.

Coun. DOWD offered the following:
Ordered, That the City Council request his Honor the Mayor to request State Administrator Arthur T. Rotch to see to it that the 160 tons of food now on the way to Boston be delivered properly and not destroyed.

Coun. DOWD—Mr. President, I recall an unusual incident of about a year ago December. We had 250 tons of food sent to Boston, and I received word that they were over at the freight yard and going to waste. I sent one of our city messengers down to talk to Mr. Rotch,—it was at a time when I was putting out several hundred Christmas baskets,—thinking that it would be a good idea to get any cabbage, turnips and other vegetables that might be lying around in the freight yard and distribute them to the poor of Boston. But Mr. Rotch in his plain, blunt manner, advised us that we could get nothing. Naturally we expected that answer. But, lo and behold! About six weeks later sixty-two carloads of food was dumped into Boston Harbor. It was sent for the poor of Boston to eat and eventually found its way into Boston Harbor. Now, 160 tons of food is coming to Boston. I want to see that distributed in the proper channels. They can't give it all to W. P. A. because there are not enough on W. P. A. to take it, as 25 per cent of the W. P. A. don't need food. They are wealthy in their own right. So this order is simply a request of the Mayor to ask Mr. Rotch to see that the food is sent to the proper authorities to be distributed to the poor of Boston, regardless of whether they are on W. P. A. or not.

The order was passed under suspension of the rule.

INFORMATION FROM MR. ROTCH.

Coun. DOWD offered the following:
Ordered, That his Honor the Mayor request State Administrator Arthur T. Rotch of the W. P. A. to advise us concerning the following items:

1. The elimination of aliens on supervisory and executive positions.
2. The raising of laborer's pay from \$55 to \$65 per month.

Coun. DOWD—Mr. President, there are only a few letters of the alphabet that have been missed in the two years. I suggest now that they form a new alphabet and have an L. A. O., "Leave Americans Off." On June 12 this campaign against Mr. Rotch started in the Boston City Council. There were no congressmen to aid us then and no Governor. But a campaign was started, and on August 11 Councilor Dowd introduced that order asking the President of the United States to remove Mr. Arthur G. Rotch. Since then that movement has been supplemented by various organizations, various Congressmen, and partly by the Governor of the State, who after all is a humane man and knows the pulse and heart beats of the people. After reading about the attitude of his Honor the Mayor, I felt that it would be rather embarrassing and merely an empty gesture to put another order into the Council requesting the removal of Mr. Rotch, whose resignation is now on Mr. Hopkins' desk. The Mayor has stated very plainly that, in his opinion, Mr. Rotch is being persecuted by politicians. Well, I don't know whether he means me or not, and, furthermore, I don't care. I am not interested in contests going on between the Mayor and the Governor. But I am interested in the people of Boston. So far as persecution is concerned, the only man in the state who has persecuted my people and the people of other races, as represented by sons of immigrants, is the man who would array class against class, and that man is the present State Administrator, Mr. Rotch, who is following out the dictates of his socialist boss, Harry Hopkins. It is easy enough to prove that statement, gentlemen. You will find there sons of immigrants, to the extent of 95 per cent, swinging a pick or handling a shovel, and making \$13.50 a week, while these socialites and autocrats are holding the other 5 per cent of the jobs. You know, Mr. Rotch takes the attitude that nobody knows anything but the highbrows and blue-bloods, although the fact is that the average immigrant, with any kind of education, has more brains in his little finger and more practical experience than all these blue-bloods and highbrows. But they are the ones that compose the administrative force, 5 or 10 per cent, while the Murphys, Selvittellas, Dowds and Brackmans compose the other 90 to 95 per cent. I see no logical reason why they should go to the State House and take a person off the civil service, who already has a good position, for one of these better paid jobs, none whatsoever. There are plenty of men and women in the State of Massachusetts who are not working, who have families, and who are entitled to whatever remuneration they can get in such a position. Mr. Rotch goes further and says, "We won't tell you what salaries we are paying." What right has he got to take that position?

We are doing the paying and he is only a public official, and these salaries are a matter of public record. I do not wish to embarrass the Mayor, because I know the troubles he is having, but I have drafted this letter to send to Congressmen McCormack and Tinkham and to our senators:

January 27, 1936.

Congressman John W. McCormack,
House of Representatives,
Washington, D. C.

My dear Congressman:

It has been brought to my attention that the resignation of Mr. Arthur G. Rotch, State W. P. A. Administrator, is now on the desk of Harry L. Hopkins awaiting his acceptance.

May I urge you, as our Representative to Washington, to request Mr. Hopkins to accept this resignation immediately because of the fact that Mr. Rotch has carried his office in an autocratic, plutocratic, and high-handed manner since his appointment. He has rated class against class in the assignment of men and women to relief work.

Trusting to hear from you, I am,
Sincerely yours,

JOHN F. DOWD,
Councillor.

I trust that our congressmen and senators will realize the public feeling in the State of Massachusetts and the City of Boston against Mr. Rotch. I know that he has a difficult job, we all realize that, but we all know also the notices that come out in the daily papers, that so many thousand men and women are going to be placed at work. We find on a showdown, with all the thousands of applications on file, that those being employed are now 5,000 below the peak, although an overwhelming demand for work and for aid still persists and is growing. I say, stop kidding the public. Only last week three hundred men were fired, and on the census project forty-five were laid off. It requires a terrific struggle to get placed on the pay roll. How long this sort of thing is to continue I don't know. Take the music project, which was supposed to take care of 1,000 individuals. Isn't it odd that they had to bring a native of England, a Mr. Simpson, to Boston, to head the music project? And that wasn't enough. Another gentleman who left Germany fourteen months ago was placed as his assistant, supervising the music project. When you go to any of the projects you will not find a foreman on the job who knows what the English language is. I don't know how long the people of America, Massachusetts and Boston are going to stand for that type of treatment. After all, we are taking the brunt of it. There is not a man or woman in the gallery who does not have the opinion that if a member of the Council desired to do it he or she could go to work. I wish to God that every councillor here could place every man and woman who needs it in a job. I would be only too glad to do what I could. But under the present statutes and administration we are powerless to do anything. Everyone is powerless to do anything except our State Administrator, who is running things with a high hand, in an autocratic and plutocratic manner. Mr. Rotch's resignation should be accepted and somebody with red blood, who understands the soul, the pulse and the heart beat of the common people, should be placed in his position. The sooner they stop kidding the public, the better. Take this delay on the pay rolls. Do you think it is necessary? Oh, no. They are pretty cute, cunning and conniving. They are delaying the pay rolls for one reason—to discourage a man or woman who is trying to get on the W. P. A. pay rolls. That is the only reason why they are delaying, Mr. President and gentlemen. They can pay 100,000 people, if they so desire, but they don't want to do it. So, despite the fact that the Mayor says Mr. Rotch is being persecuted, I say to the Mayor that the only people being persecuted are the poor people of the City of Boston. The only ones persecuted are the men and women going to work or trying to get work for a five-day week, for the mere pittance of \$13.75, while the select, the elite, the highbrows and bluebloods, the chosen people, can roll to work in their Cadillacs and Pierce-Arrows and receive anywhere from \$40 to \$60 a week—all under the guise of relief. Mr. President, the people of Boston are not going to stand it much longer. Every one in the Council, with the possible exception of two or three, feels as I do in regard to this matter; and if the administration at Washington knows what is politically wise it will accept the resignation of Arthur G. Rotch.

The order was passed under suspension of the rule.

MANAGERS OF OLD SOUTH ASSOCIATION.

Coun. SHATTUCK offered the following:
Ordered, That the City Council proceed to the election of two members of the Board of Managers of the Old South Association in Boston, as provided in chapter 222 of the Acts of 1877.

On motion of Coun. SHATTUCK, the order was referred to the Executive Committee.

BIDS SUBMITTED TO SUPPLY DEPARTMENT.

Coun. GALLAGHER, for Coun. Wilson, offered the following:

Ordered, That the Corporation Counsel be requested, through his Honor the Mayor, to advise the City Council by virtue of what authority in the city charter, or otherwise, bids submitted to the Supply Department, following advertising, are not a matter of public record after the same have been opened.

Passed under suspension of the rule.

SHUTTING OFF WATER FOR NON-PAYMENT.

Coun. GALLAGHER, for Coun. Wilson, offered the following:

Ordered, That his Honor the Mayor be requested to instruct the Water Division of the Public Works Department to discontinue the practice of shutting off water for non-payment of water bills so far as buildings occupied by families are concerned.

Passed under suspension of the rule.

CLASSIFICATIONS OF CLERKS.

Coun. GALLAGHER, for Coun. Wilson, offered the following:

Ordered, That his Honor the Mayor be, and hereby is, respectfully requested to provide for requested change in the classification relative to clerks in the office of the clerk of the Boston Municipal Civil Court in the budget for 1936.

Passed under suspension of the rule.

INFORMATION AS TO TRUCKS.

Coun. GALLAGHER, for Coun. Wilson, offered the following:

Ordered, That the Park Commission be requested, through his Honor the Mayor, to advise the City Council:

1. The total number of trucks which will be under the supervision of the Park Department as and when the trucks included in the recent order passed by the City Council have been purchased.

2. The number of men now available in the Park Department holding a Civil Service rating as chauffeur.

3. The location of each garage, whether public or private, where trucks owned by the city and under the supervision of the Park Department are now garaged, together with the monthly rate paid in each case.

Ordered, That the Commissioner of Public Works be requested, through his Honor the Mayor, to advise the City Council:

1. The total number of trucks which will be under the supervision of the Public Works Department as and when the trucks included in the recent order passed by the City Council have been purchased.

2. The number of men now available in the Public Works Department holding a Civil Service rating as chauffeur.

3. The location of each garage, whether public or private, where trucks owned by the city and under the supervision of the Public Works Department are now garaged, together with the monthly rate paid in each case.

Severally passed under suspension of the rule.

INFORMATION AS TO TAX-TITLE PROPERTIES.

Coun. GALLAGHER, for Coun. Wilson, offered the following:

Ordered, That the Superintendent of Public Buildings be requested, through his Honor the Mayor, to furnish the information requested in the following order passed by the City Council on November 12, 1935:

"Ordered, That the Superintendent of Public Buildings be requested, through his Honor the Mayor, to furnish the City Council at once with a complete list of all properties formerly assessed to private owners the titles of which, because of tax sales following the non-payment of taxes, are now vested in the City of Boston, and give in each case:

- a. Street and number.
- b. Whether the parcel is vacant land.
- c. The assessed value placed on the property by the Board of Assessors for the year immediately preceding the tax sale.
- d. The 1935 assessed valuation.
- e. The amount actually owed to the city as of the date of the tax sale.
- f. The date on which the property was sold or bought in by the city for unpaid taxes."

Ordered, That the Superintendent of Public Buildings be requested, through his Honor the Mayor, to advise the City Council forthwith as to the exact progress, if any, made with reference to a survey of city-owned tax-title property following the passage on October 7, 1935, of an ordinance relating to the maintenance, operation and sale of such property by the Public Building Department.

Severally passed under suspension of the rule.

SERVICE OF SINGLE MEN AT C. C. C. CAMPS.

Coun. BRACKMAN offered the following:

Ordered, That his Honor the Mayor be requested to instruct the Commissioner of Soldiers' Relief to abandon the rule whereby single men who apply for soldiers' relief are obliged to serve at C. C. C. camps.

Coun. BRACKMAN—Mr. President, it has come to my attention that single men who apply for Soldiers' Relief are required to go to C. C. C. camps. This is manifestly unfair to a great many single men, who like to remain in the city because of the opportunities sometimes offered to get a position. Where they go away to these camps such possibility is removed. A great many of the men, also state to me that, having served overseas during the war, they do not now want to be connected with a military camp or anything of that nature. For that I do not blame them. I think it grossly unfair that these men who do not have families are obliged to go to C. C. C. camps, and I hope the Council will adopt the order.

The order was passed under suspension of the rule.

HIRING OF SNOW SHOVELERS THROUGH MUNICIPAL BUREAU.

Coun. PETER FITZGERALD offered the following:

Ordered, That his Honor the Mayor be requested to issue instructions to all contractors who have received contracts for the hauling of snow for the City of Boston, that they must hire their snow shovelers through the Municipal Employment Bureau, and failure to do so will constitute sufficient cause for the cancellation of the contract.

Coun. PETER J. FITZGERALD—Mr. President, a week ago the Municipal Employment Bureau received instructions from the Public Works Department to hire two hundred twenty-five men. These men received small slips from the office telling them to report to Coleman Brothers, 588 Albany street, at six o'clock. Upon arriving there an individual in the office told them that they were going to work, but finally, after waiting until eight or nine o'clock, a foreman of Coleman Brothers told them that he had received no instructions whatever to hire any one from the Municipal Employment Bureau. It seems to me if certain contractors receive orders to hire men from the Municipal Employment Bureau they should be obliged to hire them from the Bureau. Many of those men went to Albany street without a nickel in their pockets and waited around until nine or nine thirty o'clock without obtaining a job, men who needed the work and in a number of cases were in need of food. It seems to me when we appropriate money here for purposes of this kind and contractors receive orders authoritatively through a department that they are to hire men through the Municipal Employment Bureau, they should obey those orders. From my brief observation as a member of the Council it appears to me that contractors feel that when they have once received a contract from the city it becomes a mere matter of routine and that they do not need to pay any further attention to what the members of the City Council may think or what our heads of departments may say. I might inform them that the power of the Council does not necessarily depend on the statute book. There are ways and means of making employing contractors or anybody else who flouts the power of the Council in different ways, toe the mark. When the City Council appropriates money for such purposes as this, to be carried out under the direction or supervision of a Municipal Bureau, contractors who receive the benefit of such appropriation should be willing to employ men and women as directed, and certainly should cooperate with the proper department of the city. That certainly should be the attitude of any firm or contractor receiving revenue out of the public treasury. I can recall two or three years ago, when the Municipal Employment Bureau was merely a hang-out, under a man named Shields, who was referred to in private and in this body as a Cossack, one of the most inhumane men who ever headed any department of the city, and the very last man who should be appointed under any city administration to be placed over people unfortunately out of work. We now have a very different department, and I sincerely hope the Council will pass this order and that the Mayor will force these contractors to live up to the requirements of their contracts, and, if they do not do so, void the contracts.

The order was passed under suspension of the rule.

TENNIS CHAMPION TOURNAMENT.

Coun. ROSENBERG offered the following:

Ordered, That the Park Commissioner, through his Honor the Mayor, be requested to make the necessary arrangements to hold the Championship Tournament of the National Public Playgrounds Tennis Association at Franklin Field in Dorchester. This tournament will take place in August of this year.

Passed under suspension of the rule.

INFORMATION AS TO ELECTRIC STREET LIGHTING.

Coun. ROSENBERG offered the following:
Ordered, That the Commissioner of Public Works, through his Honor the Mayor, request the Edison Electric Illuminating Company to furnish the following information to the members of the Boston City Council.

How many electric lights will be necessary to supplant the 9,500 gas lights now in use in the City of Boston?

Passed under suspension of the rule.

RETIREMENT OF MAURICE J. POWER.

Coun. MELLEN offered the following:
Resolved, That the City Council of Boston hereby approves the enactment of legislation authorizing the crediting of certain service to Maurice J. Power upon his retirement, provided that such legislation includes a referendum to the Mayor and City Council.

Coun. SHATTUCK—Mr. President, it seems to me we ought not to pass such a resolution under suspension of the rule. There has been no statement as to what the bill is, except that it refers to certain services of somebody. We don't know who the somebody is or what the service has been, or why he should be credited with something to which he may not be entitled by right. That is the sort of thing, it seems to me, we ought not to pass without knowing anything about it, without even an explanation from the gentleman who offered it.

President FITZGERALD—The matter will be referred to the Executive Committee, and we can then discuss it.

Referred to Executive Committee.

AUTOMATIC SIGNALS, WARD 16.

Coun. McGRATH offered the following:
Ordered, That the Traffic Commission be requested, through his Honor the Mayor, to install automatic traffic signals at the following locations in Ward 16:

Dorchester avenue, in front of the Gibson Street Playground.

Neponset avenue, in front of the Neponset Playground.

Adams street, in front of the Mary Hemenway Playground.

Passed under suspension of the rule.

EMPLOYMENT OF SNOW SHOVELERS.

Coun. NORTON offered the following:
Ordered, That the Public Works Commissioner, through his Honor the Mayor, make new arrangements for the employment of snow shovelers.

Coun. NORTON—Mr. President, that has to do with the matter of employing men working on the removal of snow. I don't know how many members of the Council had the experience that I did, but out my way there were about a thousand who wanted to go to work shoveling snow, and perhaps 250 went. It seems to me that some arrangement might be made whereby preference should be given to men with families, and so on, instead of, in some cases, employing boys of sixteen or seventeen years of age. The arrangement for this sort of thing certainly would be very much improved by judicious handling of the question.

The order was passed under suspension of the rule.

STANDARDIZING CITY HOSPITAL SALARIES.

Coun. NORTON offered the following:
Ordered, That the Trustees of the Boston City Hospital, through his Honor the Mayor, be requested to consider the advisability of standardizing the salaries of telephone operators and ambulance drivers.

Passed under suspension of the rule.

SEGREGATION OF DEER ISLAND PRISONERS.

Coun. NORTON offered the following:
Ordered, That the Mayor of Boston consider the advisability of leading a movement for the proper segregation of prisoners confined at Deer Island.

Coun. NORTON—Mr. President, I understand that there was recently a case of a Boston youth who was fined \$15 for playing handball in improper garb, and was en route to the jail at Deer Island. The jail officials interested themselves in the matter and raised the money to liberate the boy, rather than see him thrown in with dope fiends and incorrigibles, with older criminals of perhaps thirty-five or forty. There are men being sent down every week, with whom there is nothing fundamentally wrong, and certainly the contact that they get down there can do them no good. I certainly trust that his Honor the Mayor will

take some action in the matter, and that some arrangement can be made for segregation of the prisoners.

The order was passed under suspension of the rule.

FEDERAL SLUM CLEARANCE PROJECTS.

Coun. NORTON offered the following:
Ordered, That the Mayor of Boston be requested to consider the advisability of reconsidering the matter of seeking legislation to tax Federal slum clearance projects in Boston.

Coun. NORTON—Mr. President, the Mayor of Boston has filed a bill in the Legislature to give the City of Boston power, provided the Federal Government puts through slum clearance projects in Boston, to tax those projects. I think the City of Boston officials should be the last ones to do anything that will interfere in an attempt to give the people who dwell in the slum areas better housing. The last investigation that was made showed that in a certain area the amount of money paid in by the city for police protection, hospitalization, education, fire protection, and so on, was ten times as much as the city took in from that district in the way of taxation, proving that no city can afford to have large slum areas. We know the effect on our population of bad housing conditions. For example, in 1931, 451 children were born in the Charlestown area; in the same year 751 were born in the Hyde park area. Three times the number of children died in the first year in Charlestown as did out in Hyde Park, where they got a little of God's sunlight and air. The older I get and the more I see of unfortunates in jail and other institutions, the more I am inclined to think that in many cases they are creatures of environment and circumstances. All the information we obtain points to that. So I ask the Mayor of Boston to reconsider the bill he filed in the Legislature which provides in effect for the taxing of Federal slum projects if and when they come to Boston.

Coun. MELLEN—Mr. President, may I say that, having in mind the amounts of money spent by the city for Police Department, Fire Department and other agencies in these so-called slum areas, certainly affords no argument, from an economic standpoint, why the City of Boston should not receive taxes from such areas that may have been converted into Federal housing projects.

Coun. NORTON—Well, Mr. President, I hope to have the opportunity of arguing that economic question with my brother member.

Coun. MELLEN—And I shall be very glad to do so.

The order was referred to the Legislative Committee.

UNEMPLOYED HOME OWNERS.

Coun. NORTON offered the following:
Ordered, That the Mayor of Boston be requested to study the matter of allowing unemployed home owners in certain instances to work off their taxes by performing work for the city, a certain percentage of the wage being paid to the worker and a certain percentage retained to be applied to taxes.

Coun. NORTON—Mr. President, the worst-off man in Boston belongs to the group who own their little homes but are out of work, and who cannot receive relief because of having a little equity in their homes. I understand that in some of the large cities an arrangement is made whereby such a man can work off part of his taxes through work for the city. We have today a large group of such home owners in certain wards of this city, men who are unable to pay their taxes and who are unable to get relief. Such men and their families cannot eat the houses. It does seem that it should be possible to work out some way whereby these men can get a few days' work a month and save their homes, working off a part, if not all, of their taxes. It does seem as though Boston should give such people a chance of this kind, rather than take the homes for unpaid taxes.

The order was passed under suspension of the rule.

PREFERENCE TO FORMER CITY EMPLOYEES.

Coun. NORTON offered the following:
Ordered, That the Mayor of Boston be requested to consider the advisability of giving preference in employment to old city employees let go during the first part of his administration.

Passed under suspension of the rule.

FIXING OF BOSTON STREETS.

Coun. NORTON offered the following:
Ordered, That the Mayor of Boston consider the advisability of fixing every street in Boston at the present time when the Federal Government stands ready to pay the wages of the men provided the city supplies the raw materials.

Passed under suspension of the rule.

TAKING OF CHELSEA DIVISION.

Coun. NORTON offered the following:
Ordered, That the Mayor of Boston be requested to consider the advisability of opposing the

taking over of the Chelsea-Revere division of the Eastern Massachusetts Street Railway Company by the Boston Elevated Railroad Company at an upset price of \$1,500,000.

Coun. NORTON—Mr. President, the Governor has held up the matter of the Boston Elevated Street Railway taking over the Chelsea-Revere branch of the Eastern Massachusetts Street Railway for \$1,500,000. Can any other such case be pointed out in the country where local communities or districts are paying one and one-half million dollars to take over one street railway and turn it over to another? Because, after all, this money comes out of the people of Boston and surrounding communities. The City of Boston spends today over \$1,000,000 yearly to help make up the deficit of the Boston Elevated Railway System. In 1918 the men on State street went to the Legislature and had the Boston Elevated System turned over to Boston and surrounding communities with a guaranty of 5 per cent on the investment. That was supposed to be the last time when a thing of that sort was done, and yet here we have the proposition that the Eastern Massachusetts shall turn over its Chelsea division to the Boston Elevated and that \$1,500,000 shall be paid for the same—which merely means unloading on the taxpayers of Boston a much larger deficit. I think a system of transfers for Revere-Chelsea residents might be worked so that they could have a ten-cent fare to Boston.

The order was passed under suspension of the rule.

INFORMATION IN RE SNOW REMOVAL.

Coun. AGNEW, for Coun. Wilson, offered the following:

Ordered, That the Commissioner of Public Works be requested, through his Honor the Mayor, to advise the City Council promptly with reference to the following desired information:

1. The number of miles of accepted streets under the jurisdiction of the Public Works Department in Boston for snow-removal work.

2. The number of miles of accepted streets in Ward 17 covered

a. By Division 9, the Gibson street yard.

b. By Division 6, the Hancock street yard.

3. The name of the Division Engineer in charge of snow removal in that section of the city which includes Ward 17, according to the new arrangement for snow-removal administration most recently announced by the special committee on snow removal appointed by the Mayor.

4. The number of regular employees available in each of the eleven city yards for snow-removal work when called for.

5. The number of city emergency men put to work at each of the eleven city yards, in addition to regular city employees on

a. January 19, 1936.

b. January 20, 1936.

c. January 21, 1936.

d. January 22, 1936.

6. As to which city yards is snow-removal work supplemented by contract snow removal.

7. The number of city-owned trucks now available for snow removal work in each of the city yards.

8. The number of hired trucks working out of each city yard as of Wednesday, January 22, 1936, in addition to city-owned trucks.

Passed under suspension of the rule.

CRITICISM OF SNOW-REMOVAL WORK.

Coun. ROSENBERG—Mr. President, I would ask unanimous consent to make a statement. No objection.) Mr. President, the last snow-storm demonstrated the inefficiency and incompetency of Public Works Commissioner Christopher J. Carven, and he should be removed or ordered to resign his post. I desire at the outset of my remarks to affirm my conviction that his Honor Mayor Mansfield is honest, conscientious, and is doing all in his power for the care and welfare of the people of Boston. In the conduct of the city's affairs, the Mayor must rely to a great extent upon the heads of the various departments. These men must, of necessity, be efficient and expert in their respective fields. When the time arrives that their work is not up to the standard required of them, they should be dropped and another take their place. In a great many instances the job is either too big for them or they have outgrown their usefulness. In my short experience in the City Council the one man who has not advanced with the times is Public Works Commissioner Carven. I want to relate my experience. On Monday, at an early hour in the morning, I appeared at the Gibson Street Yards in Dorchester. There I found the streets lined with trucks ready for work, but no trucks moving, to speak about. Yet there were over a thousand men who had stormed this particular yard looking for work. These men would not be out in the streets freezing themselves and waiting for an opportunity to shovel snow unless they were in need of money for themselves and their families. But there were no orders from Commissioner Carven to put an emergency force to work. After a great clamor, with trucks waiting, about one hundred fifty emergency crew were put on about 10 a. m. at this yard. Thousands of these men should have been hired late Sunday night or early Monday morning and put to work, for there

was an ample accumulation of snow to warrant the hiring of an emergency force. It would have then been easier and quicker to remove the snow before it had caked and hardened, thus having made the streets of Boston and its suburbs easier and more accessible. The emergency force would have been placed to work late Sunday if there had been an efficient Public Works Commissioner at the helm. What did the commissioner think, that there was going to be a rain-fall, that through a miracle the snow would disappear? It was his duty to keep himself informed as to the weather conditions. This he could have done by a little exertion in calling the United States weather man. Where were you, Commissioner, while these thousands of poor and hungry citizens were out looking for emergency snow work? Undoubtedly sitting quietly in your home by your fireside or eating your meals among ideal surroundings. Snow such as struck the city last week required an act of emergency in its removal. An emergency calls for a large force to remove the snow as quickly as possible to clear the highways and byways of Boston and vicinity. This must be done to protect both home residents and property. Rather than wait to be snowed in, the proper and logical move is to get the snow removed as quickly as possible and in the least possible time. In view of the weather report the commissioner would have been justified in putting a large force of emergency men to work even if he had to employ 5,000 or 10,000 rather than to wait for an act of God to do the work the Mayor had placed upon his shoulders. Real Americans want work, not welfare. Why not give it to them when the opportunity arises? The members of the Council are the ones who receive the complaints from the residents of the districts when the snow clogs up the streets and is not properly removed. It is you and I who get the blame and are called to an accounting by our constituents. I, for one, am going to fight against those who do not do their duty as public officials. Commissioner Carven had the power and authority to put men to work in an emergency. Unfortunately, he had neither the vision nor the foresight to do it. In order to protect the taxpayers of Boston, in addition to the good work the Mayor is doing, it is important that the men who are heads of departments keep abreast with the times. When his Honor the Mayor finds that a department head who is unable or unwilling to do that which is required of him, he should be fired. While it is true that Commissioner Carven has been in the service of the city fifty-one years, I want it understood that I am not objecting to his length of service, what I do say is that he has failed to keep in step with the times and therefore should get out. As a matter of fact, the longer a man is in the service of the city, if he keeps himself mentally and physically fit, he is an asset to the taxpayers of Boston. I desire at this time to praise the good work of Foreman King of the Gibson Street Yards, and Foreman McLean of the Hancock Street Yards and their associates for the good work they did in handling the snow removal in Dorchester with the limited men and trucks at their disposal. We residents and taxpayers of Boston, in these modern days, are entitled to the best equipment, men or machinery that money can produce. I believe that it is our duty to see to it that his Honor the Mayor is helped and encouraged in securing these results.

Coun. DOWD—Mr. President, I would ask unanimous consent to make a statement. I do not intend to enter into any controversy with my colleague from Ward 14, but I rise because of the fact that I believe it to be unfair to attack the Public Works Commissioner in the matter of removal of snow. I have been in the Council since the inception of this charter, and in every big snowstorm we have had the same situation. After such a snowstorm there is always complaint, and as long as we remain a city the size of Boston we will always have the same complaint to contend with. In so far as Commissioner Carven is concerned, let me say that he has given fifty-one years of faithful service to the City of Boston. I personally believe, with the inadequate equipment that they had to combat the storm with, they have done a first-class job in clearing the main arteries. Of course, the side streets of Boston never have been cleaned and will not be. To do so would cost the taxpayers of Boston \$5,000,000 or \$6,000,000. I disagree entirely with their method of putting men at work. Because John Dowd is a councilor and may have some friends or people who know him, is that any reason why I should say that those men should go to work while other citizens remain idle? I think that is an unjust and unfair principle. When the next snowstorm comes the system should be put into effect by the Mayor and the commissioner whereby men with families, who need the work most, should be given the preference, and the first chance should be given to the men who first appear on the scene in the morning. Simply because men may know Councilors Agnew or Finley or other members of this body is no reason why they should go to work in preference to others, absolutely none. I say that is an unfair way of putting men at work. The councilor says that Commissioner Carven was sitting in comfort by his fireside. I happen to know that he was down here on Sunday planning for this work, because I was here myself for four hours and saw him in action. He was doing his best to arrange for men being placed at work to clear up the snow, but his activities were interfered with, because ten tax-

payers had gotten out an injunction and he had to spend Monday, Tuesday and Wednesday, when he should have been superintending the job of clearing the streets, at the Superior Court. I do not believe that members of this Council feel that Commissioner Carven should resign, that he is incompetent. I have had occasion to know something about his work since he has been Public Works Commissioner, and I know that he is an efficient and hard-working man. I have had my differences with him and probably shall again, but when he is attacked as he has been today in this body I feel that I should stand up here and express my own opinion of him. My opinion is that this last storm in Boston has been better handled this year than such storms were in previous years. The only storm, in my opinion, that was handled better was eight or nine years ago, when the then Mayor Nichols provided \$400,000 of snow-removal equipment. Our Council has ordered \$675,000 worth of equipment. But, due to the action of certain individuals, and because of an injunction in the Superior Court, the Mayor of Boston has not seen fit to order the equipment until the judge has made his decision, and the Mayor's judgment in that matter, in my opinion, is very wise. I do not believe, and other members of this Council who know Mr. Carven do not believe, that he is incompetent or inefficient. His work in that department has proven that he is not, and members of this Council, to my mind, have never entertained the notion that he should resign. Unfortunately, the man was in court those three days. Under the conditions I believe that the City of Boston did a really good job. Of course, more men might have been placed at work. They put five hundred at work from the South End yard, and I had occasion to see something of the work done there. But I say that the method adopted has at times been unfortunate for citizens of Boston. They should put at work the men who first arrive on the job, where they have worthy men and have families, and should not place them at work because they know City Councilors. I certainly, for one, place my faith in the present Public Works Commissioner, and I only hope when he does retire that we will get in his place a man as competent as he is.

RECESS.

The Council voted, on motion of Coun. GALLAGHER, to take a recess at 3.23 p. m., subject to the call of the Chair. The members reassembled in the Council Chamber and were called to order by President FITZGERALD at 4.41 p. m.

EXECUTIVE COMMITTEE REPORTS.

Coun. GALLAGHER, for the Executive Committee, submitted the following:

Report on order (referred today) that Council elect two members of Board of Managers of Old South Association in Boston—that same ought to pass.

The report was accepted and the order was passed.

President FITZGERALD—The question now comes on the election of two members of the Old South Association, and the Clerk will call the roll.

The Clerk called the roll, and Coun. Agnew, Brackman, Dowd, Finley, John I. Fitzgerald, Peter J. Fitzgerald, Gallagher, Kerrigan, Kilroy, McGrath, Mellen, George A. Murray, Norton, Roberts, Rosenberg and Shattuck, all voted for Coun. Shattuck and George A. Murray as members of the Old South Association, and they were declared unanimously elected.

2. Report on petitions (referred today) for children under fifteen years of age to appear at places of public amusement, viz.:

Ruth M. McShane, Municipal Building, South Boston, February 20; Aaron Richmond, Jordan Hall, January 31, February 1,—recommending that leave be granted under usual conditions.

Report accepted; leave granted under usual conditions.

3. Report on resolve (referred today) that Council approve enactment of legislation authorizing the crediting of certain service to Maurice J. Power upon his retirement, provided that such legislation includes referendum to Mayor and Council—that same ought to pass.

Report accepted; said resolve passed.

4. Report on message of Mayor and order (referred today) transferring \$10,000 to be expended by Boston Housing Authority—that same ought to pass.

The report was accepted, and the question came on the passage of the order.

On motion of Coun. GALLAGHER the order was assigned to the next meeting of the Council.

CONFIRMATION OF EXECUTIVE APPOINTMENT.

Coun. AGNEW moved to take up, under unfinished business, No. 1 on the calendar, viz.:

1. Action on appointment submitted by the Mayor January 20, 1936, of Gerrard Vaughn, to be a Weigher of Goods.

The question came on confirmation. Committee, Coun. Agnew and Mellen. Whole number of ballots 14, yes 13, no 1, and the appointment was confirmed.

REPORT OF COMMITTEE ON JITNEY LICENSES.

Coun. DOWD, for the Committee on jitney Licenses, submitted the following:

1. Report on petition of Boston Elevated Railway (referred December 9) to operate jitneys between Cottage Farm Bridge and Kenmore square—that same leave be granted.

Report accepted; leave granted on usual conditions.

REINSTATEMENT IN E. R. A. OR W. P. A.

Coun. KERRIGAN offered the following:

Ordered, That the local W. P. A. Administrator be requested, through his Honor the Mayor, to reinstate at once any person who left the E. R. A. or W. P. A. to enter private employment and who now are out of work.

Passed under suspension of the rule.

RESTORATION TO WELFARE ROLLS.

Coun. KERRIGAN offered the following:

Ordered, That the Overseers of Public Welfare be requested, through his Honor the Mayor, to immediately restore to their rolls for welfare aid persons who were employed on E. R. A. or W. P. A. projects and who have since been laid off.

Passed under suspension of the rule.

PENSIONS TO CERTAIN FIREMEN.

Coun. DOWD, for Coun. Selvitella, offered the following:

Resolved, That the City Council of Boston hereby favors House Bill 564 for the enactment of legislation relative to pensions payable to certain firemen of the City of Boston heretofore retired on account of disability, provided that such legislation includes a referendum to the Mayor and City Council.

Coun. SHATTUCK—Mr. President, I move reference of the resolution to the Committee on Legislative Matters.

Coun. DOWD—Mr. President, that resolution was left with me by Councilor Selvitella to offer and defend in his absence, inasmuch as he had private business to attend to and had to leave. But I understand that there is a hearing on the matter at the State House tomorrow morning, and if so, if we do not act at this time it may be too late. I don't know whether that is authentic or not, but I am so advised.

Coun. SHATTUCK—Mr. President, this is a rather important proposed amendment to the Pension Act. We have received no information as to the effect, purpose or object of it. The resolution, in the form in which it has been presented, says that the City Council favors this proposed enactment. I do not believe we should, under suspension of the rule, without a hearing and without an examination into the facts, favor the passage of an act of that importance. Therefore, it seems to me it should be referred to our Committee on Legislative Matters, the standing committee that we have to consider such subjects, and hold hearings if necessary. I therefore so move.

The resolution was referred to the Committee on Legislative Matters.

Adjourned, at 5.42 p. m., on motion of Coun. BRACKMAN, to meet on Monday, February 3, 1936, at 2 p. m.

FINANCING SEWAGE WORKS BY SPECIAL ASSESSMENT IN IOWA.

The cost of constructing sewage disposal plants in a number of states, and in Iowa in particular, may be levied against the various lots, parts of lots or parcels of ground draining to or susceptible to drainage to, the site of the disposal plant. Such assessments must be in proportion to the benefits to each property and must not, in any case, exceed one-fourth of the fair value of the property in question. These special assessments are payable in the same manner as other municipal improvement costs; that is, in ten annual equal installments, paid at the same time and place as the March 1 installment of ordinary taxes in Iowa. Any property owner may pay off the unpaid portion of such tax at any time. Interest on the deferred payments must not exceed 6 per cent.

PROCEEDINGS OF CITY COUNCIL.

Monday, February 8, 1936.

Regular meeting of the City Council in the Council Chamber, City Hall, at 2 p. m., President FITZGERALD in the chair. Absent, Coun. Peter A. Murray.

JURORS DRAWN.

Coun. AGNEW in the chair.

Jurors were drawn under the law, Coun. MELLEN presiding at the box in the absence of the Mayor, as follows:

Eighty traverse jurors, Superior Criminal Court, to appear March 2, 1936:

Harold L. Coolin, Ward 1; Herbert H. Lewis, Ward 1; Melvin E. Saunier, Ward 1; Robert H. Smith, Ward 1; James Leo Duggan, Ward 2; Michael J. Riley, Ward 2; Matthew N. Rogers, Ward 2; Patrick Shepard, Ward 2; John Sergi, Ward 3; Anthony Venesi, Ward 3; William Zine, Ward 3; Ralph S. Coburn, Ward 4; James H. Monaghan, Ward 4; Isaac Smith, Ward 4; Arthur W. Adams, Ward 5; Frederick J. Deane, Ward 5; John W. Flansburg, Ward 5; Walter H. Kingsley, Ward 5; James F. Landie, Ward 5; Francis R. Duffy, Ward 6; Charles H. Fitzgerald, Ward 6; Maurice J. Goggin, Ward 6; Frank J. Hegan, Ward 6; Albert J. Kvicala, Ward 6; Thomas Lee, Ward 6; Pierre Scheurweghs, Ward 6; Henry J. Hurley, Ward 7; George Alexander McKenna, Ward 7; John Grady, Ward 8; William E. Stewart, Ward 8; Charles E. Francis, Ward 9; William L. Thornton, Ward 9; Daniel J. Daly, Ward 10; Matthew J. Heiler, Ward 10; John J. Kenneally, Ward 10; John J. Hufnagel, Ward 11; William J. Parlon, Ward 11; Harold P. Poppleton, Ward 11; John J. Ryan, Ward 11; Gordon H. Seabury, Ward 11; Peter A. Christian, Ward 12; Abraham M. Finkelstein, Ward 12; Archibald M. McLeod, Ward 12; Franklin E. Blanchard, Jr., Ward 13; John J. Ireland, Ward 13; William C. Kein, Ward 13; Charles Lindenfelzer, Ward 13; John J. O'Brien, Ward 13; James Sallaway, Ward 13; William H. Valade, Ward 13; Jacob Cohen, Ward 14; Joel G. Knapp, Ward 14; Joseph C. Shea, Ward 14; Henry P. Whalen, Ward 14; James R. Creed, Ward 15; Richard H. Little, Ward 15; George F. Simmons, Ward 15; Harry O. Phillips, Ward 15; Eugene Leo Murphy, Jr., Ward 16; William L. Wilson, Ward 16; Winthrop A. Hallett, Ward 17; Louis S. Lavena, Ward 17; Robert C. Levenson, Ward 17; Leo R. Thompson, Ward 17; Alexander H. Lindsay, Ward 18; James C. Masterson, Ward 18; William A. Estella, Ward 19; Charles E. Churchill, Ward 20; Francis P. Dolan, Ward 20; Louis B. McCarthy, Ward 20; Edward T. Mueller, Ward 20; Robert H. Smith, Ward 20; George T. Staples, Ward 20; George A. Titcomb, Ward 20; John A. Donovan, Ward 21; Gordon L. Heath, Ward 21; Charles H. Lowney, Jr., Ward 21; Martin Lustig, Ward 21; Johan F. Stenberg, Ward 21; William C. Johnston, Ward 22.

One hundred traverse jurors, Superior Civil Court, January sitting, to appear March 2, 1936:

Michael DeLuca, Ward 1; Frank J. Duffy, Ward 1; Edward LaChance, Ward 1; Lewis B. Leary, Ward 1; Edward A. Aaron, Ward 2; James B. Brophy, Ward 2; John Daley, Ward 2; George E. Doherty, Ward 2; Frank A. Goggins, Ward 2; Francis Keenan, Ward 2; James F. Monahan, Ward 2; Henry Charles Reed, Ward 2; Anthony C. Santos, Ward 2; George Wall, Ward 2; Frank C. DiMare, Ward 3; William L. McLaughlin, Ward 3; Erl V. Beale, Ward 4; Henry F. Douglass, Ward 4; Joseph B. Lynch, Ward 4; Charles E. Riley, Ward 4; Carl Svenson, Ward 4; Daniel F. Connort, Ward 5; Charles V. B. Jenkinson, Ward 5; Charles W. Baker, Ward 6; William F. Callahan, Ward 6; Edward H. Cogan, Ward 6; Philip P. Fuhs, Ward 6; James E. McManus, Ward 6; Arthur F. Coughlin, Ward 7; William M. Flaherty, Ward 7; George F. McGarry, Ward 7; Henry E. Enross, Ward 8; Charles Adams, Ward 9; Chester A. Brigham, Ward 9; Robert P. Browne, Ward 9; Frank F. Johnston, Ward 9; John Joseph McGee, Ward 9; Walter J. Murdo, Ward 9; Albert L. Regele, Ward 9; George J. Horther, Ward 10; George E. Jones, Ward 10; James J. Nolan, Ward 10; Fred Rognes, Ward 10; Henry W. Carter, Ward 11; William R. Lehrer, Ward 11; Frederick F. Parker, Ward 11; William J. Phillips, Ward 11; Robert V. Brooking, Ward 12; William A. Copson, Jr.,

Ward 12; Walter J. Dobson, Ward 12; John A. Goodrich, Ward 12; Moses Simon, Ward 12; William E. Surrey, Ward 12; Lawrence Costello, Ward 13; John H. Ricker, Ward 13; Morris Goodman, Ward 14; George Hirschfeld, Ward 14; James Krigman, Ward 14; Harry L. Shufro, Ward 14; Michael F. Sullivan, Ward 14; Robert E. Barry, Ward 15; Clarence H. Cash, Ward 15; Frank A. Manchester, Ward 15; James T. Curran, Ward 16; Frederic Pearson, Ward 16; John J. Skelley, Ward 16; George Y. Berry, Jr., Ward 17; Joseph T. Logan, Ward 17; John E. Morris, Ward 17; Percival S. Rice, Ward 17; Frederick H. Vackert, Ward 17; Joseph Budd, Ward 18; Louis A. Carcano, Ward 18; Martin R. Lee, Ward 18; James Nichols, Ward 18; Howard R. McCarter, Ward 18; Edwin M. Charlton, Ward 19; John E. Chellman, Ward 19; George A. Fraser, Ward 19; Thomas Glynn, Ward 19; George F. Hickox, Ward 19; Thomas C. Manning, Ward 19; William L. Nicoll, Ward 19; Henry D. C. Bell, Ward 20; Frank Bryant, Ward 20; Samuel C. Clough, Ward 20; Edwin L. Cleveland, Ward 20; William Dalglish, Ward 20; Paul E. Tiernan, Ward 20; William F. Watt, Ward 20; Harry S. Arnold, Ward 21; Solomon J. Barnett, Ward 21; Robert C. Bundy, Ward 21; Samuel Levy, Ward 21; Henry E. MacFarlane, Ward 21; Frank L. Maguire, Ward 22; Charles A. McCarthy, Ward 22; Albert J. Reynolds, Ward 22; Walter E. Sell, Ward 22; Douglas C. Thompson, Ward 22.

TRAFFIC SIGNALS, WARD 7.

The following was received:

City of Boston,
Office of the Mayor, February 1, 1936.
To the City Council.

Gentlemen,—I transmit herewith a communication from the Traffic Commissioner relative to your order of January 20, 1936, concerning the installation of automatic traffic signals at the junction of Pond street and Columbia road, Ward 7.

Respectfully,
FREDERICK W. MANSFIELD, Mayor.

City of Boston,
Traffic Commission, January 27, 1936.
Hon. Frederick W. Mansfield,
Mayor of Boston.

Dear Sir,—I have the honor to acknowledge receipt of Council order dated January 20, 1936, which reads as follows:

"Ordered, That the Traffic Commission be requested, through his Honor the Mayor, to install automatic traffic signals at the junction of Pond street and Columbia road, Ward 7."

The volume of vehicular traffic using Pond street is not sufficient to warrant the installation of a signal for the purpose of controlling it.

During school hours a considerable number of children cross Columbia road at this point to and from St. Margaret's Parochial School. The children are protected at these times by the presence of a police officer who holds vehicular traffic in Columbia road to permit the children to cross in safety.

The cost of the installation of a signal at this location is estimated to be \$2,000.

Respectfully yours,
WILLIAM P. HICKEY, Commissioner.

Placed on file.

SALE OF LAND IN BROOKLINE.

The following was received:

City of Boston,
Office of the Mayor, January 31, 1936.
To the City Council.

Gentlemen,—By an act of the legislature dated March 30, 1846, the City of Boston acquired property for aqueduct purposes in a certain part of the town of Brookline. The Commissioner of Public Works of the City of Boston has notified me that the land is no longer required for City of Boston purposes.

I submit herewith a letter from the Commissioner of Public Works with regard thereto. I am also submitting herewith an order for the abandonment of certain rights and easements in the aqueduct and recommend that said order be passed by your Honorable Body.

Respectfully,
FREDERICK W. MANSFIELD, Mayor.

City of Boston,
Public Works Department,
December 3, 1935.

To His Honor the Mayor.

The Cochituate aqueduct belonging to the City of Boston and located in the town of Brookline, in private land between the Chest-

nut Hill pumping station and the old Brookline reservoir on Boylston street, is no longer required for City of Boston purposes. It has not been used since 1895, and as it will never be used again, this property can be disposed of.

This letter is sent to your Honor in view of the probable sale of portions of the land over this aqueduct to parties who are negotiating for purchase.

Very truly yours,
C. J. CARVEN,
Commissioner of Public Works.

Whereas, The City of Boston acting under the authority of an act of the Legislature dated March 30, 1846, acquired property for aqueduct purposes in a certain part of the town of Brookline more fully described in a taking recorded in Norfolk Deeds, Book 181, page 203; and

Whereas, The Commissioner of Public Works of the City of Boston has notified the City Council of the City of Boston that a portion of the said aqueduct property is no longer needed for public purposes: Now, therefore, it is hereby

Ordered, That his Honor the Mayor be, and he hereby is, authorized in the name and behalf of the City of Boston, and by a written instrument in form satisfactory to the law Department of the City of Boston to release all its right, title and interest in and to a portion of said aqueduct property in the following described parcel of land owned by Margaret A. O'Neill, to wit, a certain parcel of land in Brookline, County of Norfolk, Commonwealth of Massachusetts, bounded and described as follows:

Northerly by Crafts road, ten and 57-100 (10.57) feet; and by land of the town of Brookline, by two lines measuring respectively ninety-six and 27-100 (96.27) feet and twenty-six and 67-100 (26.67) feet; westerly by land of the town of Brookline and by Eliot street, nine and 47-100 (9.47) feet; northerly again by Eliot street, by three lines measuring respectively ninety and 26-100 (90.26) feet, forty-three and 03-100 (43.03) feet, and about one hundred eighty (180) feet; southeasterly on land of town of Brookline, about three hundred and ten (310) feet; southwesterly on Reservoir road, fifty-nine (59) feet; westerly by lots 7 and 6 on plan dated November 24, 1925, recorded with Norfolk Deeds, Book 1681, page 141, one hundred forty-eight and 67-100 (148.67) feet; southerly by lots 6 and 4 on said plan by two lots measuring ninety-seven and 35-100 (97.35) feet, and two hundred one and 24-100 (201.24) feet; westerly by other land of said O'Neill, one hundred two and 97-100 (102.97) feet, to the point of beginning, containing about 718,000 square feet.

A portion of said premises is shown on plan of land in Norfolk Book of plan 85, plan 413, and the remainder of said premises is shown on plan by H. F. Bryant & Son, dated November 24, 1925, and recorded with Norfolk Deeds, Book 1681, page 141.

It is hereby further ordered that his Honor the Mayor be, and he hereby is, authorized to deliver to the said Margaret O'Neill the said release in form and with conditions satisfactory to the Law Department of the City of Boston upon the payment to the City of Boston by the said Margaret A. O'Neill of the sum of one dollar.

Referred to the Committee on Public Lands.

APPOINTMENTS BY THE MAYOR.

The following was received:

City of Boston,
Office of the Mayor, February 3, 1936.
To the City Council.

Gentlemen,—Subject to confirmation by your Honorable Body I hereby appoint Myers Rosenberg of 576 Blue Hill avenue, Dorchester, and John E. Desmond of 54 Parklawn road, West Roxbury, to be constables of the City of Boston, without authority to serve civil process and to serve without bond.

Respectfully,
FREDERICK W. MANSFIELD, Mayor.

The appointments were laid over for one week under the law.

INFORMATION RE SNOW REMOVAL.

The following was received:

City of Boston,
Office of the Mayor, February 3, 1936.
To the City Council.

Gentlemen,—I herewith transmit a letter from the Commissioner of Public Works, relative to your order of January 27, 1936, concerning snow removal.

Respectfully,
FREDERICK W. MANSFIELD, Mayor.

City of Boston,
Public Works Department,
February 1, 1936.

Mr. John F. Gilmore, Jr.,
Assistant Secretary, Mayor's Office.

Dear Sir,—I beg leave to acknowledge receipt of your note with attached order of City Council and to submit the following information in connection with same:

"Ordered, That the Commissioner of Public Works be requested, through his Honor the Mayor, to advise the City Council promptly with reference to the following desired information:

1. The number of miles of accepted streets under the jurisdiction of the Public Works Department in Boston for snow-removal work. Answer, 680 miles.

2. The number of miles of accepted streets in Ward 17 covered.

a. By Division 9, Gibson street yard. Answer, 27½ miles.

b. By Division 6, Hancock street yard. Answer, 16½ miles.

3. The name of the Division Engineer in charge of snow-removal work in that section of the city which includes Ward 17, according to the new arrangement for snow-removal administration most recently announced by the special committee on snow removal appointed by the Mayor. Answer, William T. Morrissey, Acting Division Engineer, Highway Division.

4. The number of regular employees available in each of the eleven city yards for snow-removal work when called for. Answer, District 1-32; District 2-20; District 3-13; District 4-46; District 5-53; District 6-50; District 7-84; District 8-80; District 9-40; District 11-23.

5. The number of city emergency men put to work at each of the eleven city yards, in addition to regular city employees on—Answer, a. January 19, 1936, none; b. January 20, 1936, District 1-110; District 2-250; District 3-205; District 4-195; District 5-200; District 6-200; District 7-200; District 8-200; District 9-200; District 11-212. c. January 21, 1936, District 1-165; District 2-50; District 3-45; District 4-105; District 5-210; District 6-125; District 7-100; District 8-180; District 9-160; District 11-31. d. January 22, 1936, District 1-0; District 2-0; District 3-0; District 4-0; District 5-10; District 6-22; District 7-58; District 8-40; District 9-22; District 11-0.

6. As to which city yards is snow-removal work supplemented by contract snow removal. Answer, District yards 1, 3 and 8.

7. The number of city-owned trucks now available for snow-removal work in each of the city yards. Answer, District 1-2; District 2-2; District 3-1; District 4-2; District 5-8; District 6-22; District 7-4; District 8-8; District 9-3; District 11-3.

8. The number of hired trucks working out of each city yard as of Wednesday, January 22, 1936, in addition to city-owned trucks. Answer, District 1-41; District 2-11; District 3-21; District 4-51; District 5-32; District 6-26; District 7-49; District 8-66; District 9-47; District 11-19.

Respectfully yours,

C. J. CARVEN,
Commissioner of Public Works.

Placed on file.

SUPPLANTING OF GAS STREET LIGHTS.

The following was received:

City of Boston,
Office of the Mayor, February 3, 1936.
To the City Council.

Gentlemen,—I herewith transmit a letter from the Commissioner of Public Works, relative to your order of January 27, 1936, concerning information as to how many electric lights will be necessary to supplant the 9,500 gas lights now in use in the City of Boston.

Respectfully,

FREDERICK W. MANSFIELD, Mayor.

City of Boston,
Public Works Department,
February 1, 1936.

Mr. John F. Gilmore, Jr.,
Assistant Secretary, Mayor's Office.

Dear Sir,—I beg leave to acknowledge your note with attached order of City Council reading as follows:

"To request the Edison Electric Illuminating Company to furnish information as to how many electric lights will be necessary to supplant the 9,500 gas lights now in use in the City of Boston."

and to forward a copy of the letter from the Edison Electric Illuminating Company in answer to my request for said information.

"We are unable to give the information requested."

"First." Approximately 509 of these 9,500 gas lamps are located in the Charlestown dis-

trict, which territory is supplied exclusively by the Charlestown Gas and Electric Company.

"Second. We supply lamps ordered by the city and we have no way of knowing how many lamps the city would order to replace the gas lamps in the territory supplied by the Edison Company."

"This information should properly come from the Public Works Department, Lighting Service Division, but we are of the opinion that they could not satisfactorily supply this information without making a complete survey of the lighting requirements of all of the streets and definitely determine the locations of electric lights, that would replace the present gas lamps."

Respectfully yours,

C. J. CARVEN,
Commissioner of Public Works.

Placed on file.

DELIVERY OF FUEL TO WELFARE RECIPIENTS.

The following was received:

City of Boston,
Office of the Mayor, January 31, 1936.
To the City Council.

Gentlemen,—I herewith transmit a letter from the Overseers of the Public Welfare, relative to your order of December 16, 1935, concerning unsatisfactory delivery of fuel orders to welfare recipients.

Respectfully,

FREDERICK W. MANSFIELD, Mayor.

City of Boston,
Overseers of the Public Welfare,
January 31, 1936.

Mr. John F. Gilmore, Jr.,
Assistant Secretary, Mayor's Office.

Dear Sir,—This department received on December 20, 1935, your letter regarding fuel deliveries by Alfred E. Ventola and the Babcock Coal Company.

This department has received some complaints regarding lateness of delivery of fuel by these companies but on investigation we have found that the delay was not unreasonable. Deliveries by these companies have been satisfactory.

Very truly yours,

DANIEL A. MURPHY,
Acting Executive Director.

Coun. WILSON—Mr. President, with reference to that response from the Mayor, I ask that it be sent to the Executive Committee and that the Purchasing Agent of the city be requested to attend the meeting of the committee, in view of the fact that I understand the oil contracts, the Ventola and one other, have been extended in spite of continued slow deliveries in the cold weather we have had. I would like to go into that question. Therefore, I ask that this communication be referred to the Executive Committee.

President FITZGERALD—The message will be referred to the Executive Committee and the messenger will notify the Purchasing Agent to attend the meeting of the committee. Referred to Executive Committee.

LETTER FROM ARTHUR G. ROTCH.

The following was received:

City of Boston,
Office of the Mayor, February 3, 1936.
To the City Council.

Gentlemen,—I herewith transmit a letter from Mr. Arthur G. Rotch, Works Progress Administrator for Massachusetts, relative to your order of January 27, 1936, concerning the following items:

1. The elimination of aliens on supervisory and executive positions.

2. The raising of laborers' pay from \$55 to \$65 per month.

Respectfully,

FREDERICK W. MANSFIELD, Mayor.

February 1, 1936.

Mr. John F. Gilmore, Jr.,

Assistant Secretary, Mayor's Office.

Dear Mr. Gilmore,—I have your letter of January 30 in which you state that his Honor the Mayor has directed you to forward copies of the order of the City Council of January 27 which asks my advice on the following items:

1. The elimination of aliens on supervisory and executive positions. The Federal Regulations state that there shall be no discrimination. I quote Executive Order No. 7046 which states that workers where qualified by training and experience are not to be discriminated against on any grounds whatsoever.

2. The raising of laborers' pay from \$55 to \$65 per month. In regard to the question of raising laborers' pay from \$55 to \$65 per month, the Security Wage in cities of 100,000 or over is \$55 per month and I should have no authority to raise it to \$65 per month.

According to your request I am sending this report to you in quadruplicate.

Very truly yours,

ARTHUR G. ROTCH,
Works Progress Administrator for
Massachusetts.

Placed on file.

PETITIONS REFERRED.

The following petitions were received and referred to the committees named, viz.:

Claims.

John P. Cormican, to be reimbursed for execution issued against him on account of his acts as operator of car of Fire Department.

James E. Curran, for compensation for damage to car by city car.

Sadie Fincke, for compensation for damage to property at 1145 Blue Hill avenue, caused by bursting of water main.

John Leary, for compensation for injuries caused by an alleged defect at 103 Commerce street.

Arthur W. Marcon, for compensation for damage to car by city wagon.

Herbert W. Marshall, for compensation for injuries caused by an alleged defect in Clementine park.

Merchants & Miners Transportation Company, for compensation for damage to car by city car.

Dominick and Frances Norvilas, for compensation for damage to property at 725 East Seventh street, caused by flow of water into cellar when fireman opened hydrant.

Francis Powers, for compensation for loss of clothing at City Hospital.

Isabel M. Virott, for compensation for damage to car by fire engine.

Edith Wexler, for compensation for damage to property at 77 King street, Dorchester, caused by freezing of water supply pipe.

William L. Villone, for compensation for injuries caused by an alleged defect at 72 Florida street.

Executive.

Petition of Annie A. Sullivan, to be paid annuity on account of death of her husband, Cornelius J. Sullivan.

Petition of James Mackenzie, laborer Public Works Department, in Paving Division, for retirement.

STREET RAILWAY POLICE.

Notice was received from the City of Cambridge of appointment of street railway police, upon petition of Boston Elevated Railway.

Placed on file.

INCREASE FOR LUCY STONE SCHOOL.

Notice was received from the Emergency Finance Board enclosing amended vote passed by Emergency Finance Board January 24, 1936, authorizing an increase of \$9,000 in P. W. A. Docket Mass. 1089 for the construction of the Lucy Stone School.

Placed on file.

EXCHANGE OF LAND.

The following was received:

The Finance Commission
City of Boston,

February 3, 1936.

To the Honorable the City Council.

Gentlemen,—I have been directed by the Finance Commission to request you to defer action upon the order before your Honorable Body, submitted by Mayor Mansfield, relating to the exchange of land between the City of Boston and the New England Telephone and Telegraph Company. The Finance Commission is investigating this matter and expects to have a report upon it for your Honorable Body at a later date.

Yours very truly,

ROBERT E. CUNIFF, Secretary.
Referred to the Committee on Public Lands.

SOLDIERS' RELIEF.

Coun. KERRIGAN, for the Committee on Soldiers' Relief, submitted report recommending passage of order for payment of aid to

soldiers and sailors and their families in the City of Boston for the month of February, 1933.

Report accepted; said order passed.

REPORT OF COMMITTEE ON CLAIMS.

Coun. SELVITELLA, for the Committee of Claims, submitted the following:

1. Report on petition of Martin F. Walsh (referred January 4) to be reimbursed for amount of execution issued against him on account of his acts as operator of motor vehicle belonging to the Park Department recommending passage of the accompanying order, viz.:

Ordered, That the sum of ten dollars be allowed and paid to Martin F. Walsh in reimbursement for amount of execution issued against him on account of his acts as operator of a motor vehicle belonging to the Park Department, City of Boston, said sum to be charged to the Reserve Fund.

Report accepted; said order passed.

2. Report on petition of Martin F. Walsh (referred January 4) to be reimbursed for amount of execution issued against him on account of his acts as operator of motor vehicle belonging to Park Department, recommending passage of the accompanying order, viz.:

Ordered, That the sum of twenty-eight dollars and fifty cents be allowed and paid to Martin F. Walsh in reimbursement for amount of execution issued against him on account of his acts as operator of a motor vehicle belonging to the Park Department, City of Boston, said sum to be charged to the Reserve Fund.

Report accepted; said order passed.

3. Report on petition of George F. Smith (referred January 4) to be reimbursed for amount of judgment issued against him on account of his acts as operator of a motor truck belonging to Sanitary Division, Public Works Department—recommending passage of accompanying order, viz.:

Ordered, That the sum of one hundred and fifty dollars be allowed and paid to George F. Smith, in reimbursement for amount of judgment issued against him on account of his acts as operator of a motor truck belonging to the Sanitary Division, Public Works Department, said sum to be charged to the Reserve Fund.

Report accepted; said order passed.

4. Report on petition of William J. Hart (referred January 4) to be reimbursed for amount of execution issued against him on account of his acts as operator of motor vehicle belonging to Police Department—recommending passage of accompanying order, viz.:

Ordered, That the sum of eighty-four dollars and seventy-five cents be allowed and paid to William J. Hart in reimbursement for amount of execution issued against him on account of his acts as operator of a motor vehicle belonging to the Police Department, City of Boston, said sum to be charged to the Reserve Fund.

Report accepted; said order passed.

5. Report on petition of William J. Hart (referred January 4) to be reimbursed for amount of execution issued against him on account of his acts as operator of motor vehicle belonging to Police Department—recommending passage of accompanying order, viz.:

Ordered, That the sum of twenty-two dollars and fifty cents be allowed and paid to William J. Hart in reimbursement for amount of execution issued against him on account of his acts as operator of a motor vehicle belonging to the Police Department, City of Boston, said sum to be charged to the Reserve Fund.

Report accepted; said order passed.

REQUEST FOR MASSACHUSETTS MAN AS HEAD OF W. P. A.

Coun. DOWD offered the following:

Ordered, That the Boston City Council request his Honor the Mayor to consider the advisability of requesting President Roosevelt and Harry L. Hopkins to place a Massachusetts man at the head of the W. P. A. in Massachusetts.

Coun. DOWD—Mr. President, I don't know what can be said in reference to this at the present time. I suppose the only thing we can do is to protest, as the Boston City Council, against the selection of a New York man to be the head of the W. P. A. in Massachusetts. I will admit that he cannot be any worse than Mr. Rotch was. Nevertheless, I think Colonel Tom Sullivan, the local adminis-

trator of the City of Boston, sums up the entire thing when he said, "It is a hell of a situation when no Massachusetts man can be selected for a Massachusetts job." I say to the President and to Mr. Hopkins that it is a direct insult to the people of Massachusetts. I was very much interested in a statement in the Boston Post last week that "15,000 W. P. A. state jobs are vacant. Massachusetts lagging far behind quota." In other words, this reliable paper, the Boston Post, and the Boston American, have come out definitely with a statement that there should be 15,000 more jobs allocated to the state and the city. Under the E. R. A. we had 28,440 jobs in the City of Boston, and we were led to believe with the incoming of the W. P. A., that practically every one without a position would be put to work. But there is no question about the fact that men and women are not being put at work, but are being dropped. I have said that for the last few months and I now reiterate the statement despite the fact that we have been told that \$4,000,000 has been allocated to the State of Massachusetts and the City of Boston. Nobody else is going to work, Mr. President. The people are simply being kidded and I believe an immediate investigation or inquiry should be made.

The order was passed under suspension of the rule.

SURVEY OF SOUTH BOSTON SCHOOLS.

Coun. KERRIGAN offered the following:

Ordered, That the Superintendent of Schools, through his Honor the Mayor, be requested to make a survey of the school situation in the South Boston district, with a view to enabling children in the lower grades to attend schools immediately adjacent to their homes; and to make a special study of conditions at the new Patrick E. Gavin School.

Passed under suspension of the rule.

RECREATIONAL CENTER, SOUTH BOSTON.

Coun. GEORGE A. MURRAY offered the following:

Resolved, That the City Council of Boston hereby favors the enactment of legislation authorizing the city to borrow the sum of \$500,000 outside the debt limit for the erection of a recreational center in that section of Boston known as South Boston, provided, that said legislation includes a referendum to the Mayor and City Council.

Coun. GEORGE A. MURRAY—Mr. President, a committee of representative South Boston citizens this morning waited upon Mayor Mansfield suggesting that in South Boston a new recreational center is much needed. There is pending at the present time a bill in the Massachusetts Legislature which authorizes the City of Boston to borrow some \$500,000 outside the debt limit for the specific purpose of erecting a gymnasium and recreational center in South Boston. The situation in that section has existed for a good many years. Back in 1921 Mayor Peters granted or set aside some \$400,000 for the purpose of erecting a gymnasium, but Mayor Curley later saw fit to divert that money for some other purpose. In 1921 they had gone so far as to obtain property at the corner of C street and Broadway and raze the building for that specific purpose. In South Boston alone we have some 5,300 young people between the ages of sixteen and twenty-five who, if they want to go to a gymnasium, either have to come in town and pay, or go to the South End or Roxbury. In addition, we have men who aspire to be police officers and firemen, and who need the training that such an institution would give. I trust that this Honorable Body will pass this resolution.

The resolution was passed under suspension of the rule.

HEALTH UNIT, DORCHESTER.

Coun. ROSENBERG offered the following:

Ordered, That the trustees of the George White Fund, through his Honor the Mayor, consider the advisability of erecting a Health Unit in Dorchester, in the vicinity of Blue Hill avenue and Talbot avenue, Ward 14.

Coun. ROSENBERG—Mr. President, recently publicity has been given to the fact that the trustees of the White Fund are planning the erection of a planetarium, erecting a beautiful building and installing an instrument by means of which people can look at a representation of the sky, the stars and the planets. Instead of the trustees putting up a building of that nature, I think at the present time there is much more need in Ward 14, the third largest ward in the City of Boston, in the interest of the poor children and fami-

lies, to erect a health unit for the benefit of our people. I believe the passage of this resolution by the members of the Council may have some effect in bringing to Ward 14 a health unit, which is badly needed in that community.

Coun. WILSON—Mr. President, with reference to that order it might be perfectly all right for me to speak at this time of an order of a similar nature which I have planned to introduce, requesting the Mayor to make arrangements, either through a W. P. A. project or the George R. White Fund, to provide a health unit in 1936 for the central Dorchester district. Those of us who have served the Dorchester district in the Council for the past eight or ten years have heard repeated requests by those in the various Dorchester wards that that section, comprising one fourth part of the city, be given proper recognition through the construction of such health units as we find in Roxbury, Charlestown and the North and West Ends. One of the primary reasons alleged why such a health unit has not been constructed in Dorchester is because of the claim that the people of the various wards cannot agree as to where the structure should be erected. Therefore, while it might be said that Ward 17 is perhaps the most central of the five Dorchester wards, I have so phrased my order as to ask that the health unit be constructed in some central location in Dorchester. I do not insist that it be constructed in Ward 17 necessarily, but I do think that a section comprising one quarter of the city should have such a unit. I too, was interested to read the plan for the construction of a planetarium, because for the past four or five years we have been told that the reason why a health unit was not constructed in the Dorchester section was that the amount of money available in the White Fund was not sufficient for the upkeep of the units already erected. Apparently, however, there is a quarter of a million dollars available in that very fund for this planetarium, which may be a very beautiful thing, with its domed roof and its pictures of the stars. But we in Dorchester feel that it is much more necessary in the interest of the people to have a health unit. In explaining my position in regard to not insisting that such a health unit be placed in Ward 17, I also know that the councilor who has already spoken would not insist that the structure should be placed in his ward. I know that any representative of Dorchester would willingly agree to have the health unit placed in any part of that section that was reasonably available to all the Dorchester people. What we desire is a Dorchester structure of this nature, accessible to our people and, therefore, we urge it at this time, when there seems to be in this White Fund a quarter of a million dollars available for the purpose.

Coun. DOWD—Mr. President, I think some two years ago when as president of the Council I was brought in close contact with the George R. White Fund, the subject of a planetarium was brought up. I do not now believe you, Mr. President, while I realize that this Council has no jurisdiction whatever in the matter, are going to lend your voice or vote to the spending of \$250,000 for the building of a planetarium. Thousands of our youngsters in Dorchester and other districts are in need of physical care. I said at the time when former Mayor Curley spent in your district the money that was used for the Prado that it was illegal, and I don't think anything in the nature of a Prado or a planetarium should be built from that fund. I, for one, wish to voice my objection to the erection of a planetarium. In the first place, I believe it is absolutely illegal, having in mind the purposes for which this money was left, whereas, I believe that the construction of health units is absolutely legal. I agree with the gentlemen from Dorchester that if a quarter of a million dollars is to be spent, it should be spent for something useful, not for a high-brow planetarium, where the highbrows of this city can go to look at the stars.

Coun. NORTON—Mr. President, I would be as much interested as anybody in having the White Fund used for health units in various sections, such as Dorchester, Hyde Park, Roslindale, West Roxbury or Roxbury. But I think we want to keep our minds on this fact, that the Boston City Hospital has more patients than any like hospital in the world. We have too many patients in the Boston City Hospital. It should today be decentralized, and sections of the hospital placed in different parts of the city. We are talking here today of using the White Fund for more health units. It would be a wonderful thing if we could have them, but we cannot under the present set-up. George R. White left money for certain purposes, but that money cannot be spent for the maintenance

of the project for which the money is used. We attempted to have Mrs. Bradbury, Mr. White's sister, leave enough money for the upkeep, but failed. So it seems to me that it behooves members of the Council to decentralize the City Hospital, instead of placing more of these buildings in Dorchester, Forest Hills, or north of Commonwealth avenue. We cannot get the money, it seems, for the upkeep of the units, and the reason why we stopped building such units was because the city has to pay for the upkeep. Under the terms of the will we cannot pay for the upkeep from the White money. Mr. President, we want to keep our eye on decentralization of the City Hospital. In regard to the proposed planetarium, I understand that they intend to put a quarter of a million into it. When it comes to a question of spending money for a planetarium or for a hospital certainly I would give the hospital the preference. Nevertheless, instead of having that money lie idle, I want to see it employed and see people get some benefit from it. We have 25,000 children in the Boston schools not properly clothed, who will carry through their lifetime the scars of this depression. I would rather take the money for that purpose, but the court says you cannot do it. It must be used for these other purposes and until the court gives a more liberal interpretation of the White will, what can we do? In the matter of municipal buildings we want to keep our minds on this fact. Ninety per cent of the crime comes from 10 per cent of the area where people do not have a chance to get light and air and proper recreation. Much benefit to all of our citizens would be obtained through additional municipal buildings and additional use of land in our city for recreation. Boston has thousands of pieces of property this year, as it will have next year, that we don't know what to do with. I have introduced orders here looking to the taking of such areas and using them for recreational spaces, the building of sand boxes for children, and so on. We lose large numbers of children in my section every year through accidents on the streets. I saw a truck run over the head of a little youngster, six years of age, in my ward. That sort of thing is happening all the time. If such youngsters had an opportunity to be off in little playgrounds these accidents would not happen. But they have to play on the street. That is the only opportunity they have to indulge in athletic games which mean so much in their development. We would not have Leopold and Loeb cases if more such opportunities were given to our young people, if they were given a chance to play and exercise more freely. I think it will be eventually driven into the heads of our city officials that much more opportunity should be afforded in the way of playgrounds and municipal buildings in our city, that these questions should be tackled from the municipal standpoint. That is the consensus of the best minds in America.

President FITZGERALD—How do you account for the fact that those two boys were the sons of millionaires?

The order was passed under suspension of the rule.

WIDENING BLUE HILL AVENUE.

Coun. ROSENBERG offered the following: Ordered, That the Board of Street Commissioners and the Park Commissioner, through his Honor the Mayor, consider the advisability of widening Blue Hill avenue, from Seaver street to the American Legion Highway.

Coun. ROSENBERG—Mr. President, one of the great problems facing every community today is the diminution of accidents on the highway. I don't know how many of the councilors are acquainted, although I believe a great many are, with the situation on Blue Hill avenue, from Seaver street to the American Legion Highway. On the American Legion Highway you have traffic in one direction going along one side, and in the other direction on the opposite side. But on Blue Hill avenue, going from Seaver street to the highway, you have vehicles traveling both north and south on one side of the street. The automobiles have to cross over the car tracks. That highway is becoming one of the super highways for suburban travel in and out of Boston. I believe by widening Blue Hill avenue, from Seaver street to the American Legion Highway, we will remedy the dangerous condition that now exists there, and will also be able to place men at work, possibly on a W. P. A. project. We will also be able to get the widening done without expense for land taking, because taking a small slice off Franklin Park, which nobody will miss, will result in great benefit not only

to those traveling in automobiles, but to the people of the community in general.

The order was passed under suspension of the rule.

DRINKING FOUNTAIN, FRANKLIN PARK.

Coun. ROSENBERG offered the following: Ordered, That the Park Commissioner, through his Honor the Mayor, be requested to install a drinking fountain at, or near, the Columbia Mall entrance to Franklin Park.

Passed under suspension of the rule.

CLUB HOUSE, FRANKLIN FIELD.

Coun. ROSENBERG offered the following: Ordered, That the Park Commissioner, through his Honor the Mayor, consider the advisability of the erection of a club house and convenience station on Franklin Field at, or near, the baseball grandstand.

Passed under suspension of the rule.

GROCERY ORDERS FOR RELIEF APPLICANTS.

Coun. ROSENBERG offered the following: Ordered, That his Honor the Mayor instruct the Overseers of the Public Welfare Department to furnish all applicants for relief with a grocery order while the application is being investigated.

Passed under suspension of the rule.

BUS LINE TO CITY POINT.

Coun. ROSENBERG offered the following: Ordered, That the trustees of the Boston Elevated be requested, through his Honor the Mayor, to establish a bus line from Morton street and Blue Hill avenue, to run along Blue Hill avenue to Columbia road, through Edward Everett square and terminating at City Point, during the summer months.

Passed under suspension of the rule.

RELIEF ROLL VETERANS RECEIVING BONUS.

Coun. SELVITELLA offered the following: Ordered, That the Commissioner of Soldiers' Relief be requested, through his Honor the Mayor, not to strike from the relief rolls veterans who receive the soldiers' bonus, but who are in debt for legitimate purposes, and that before any veteran is stricken from the rolls a careful investigation be made of his financial condition.

Passed under suspension of the rule.

RESOLUTION IN RE NEUTRALITY.

Coun. SELVITELLA offered the following: Whereas, There are pending before the present session of Congress bills to enact legislation involving neutrality, and

Whereas, Various nations are endeavoring to influence the United States to establish sanctions and embargoes in the present European conflict; and

Whereas, The United States is now at peace with all nations; therefore, be it

Resolved, That the City Council of the City of Boston hereby protests against the passage by the Congress of the United States of any act of legislation that will interfere with the spirit and the letter of absolute neutrality, meaning entire abstinence from any participation expressed or implied with any belligerents, remaining the common friend of all, favoring none to the detriment of the other; and be it further

Resolved, That the City Council of Boston hereby protests against the passage of any legislation which might tend to interfere or restrict trade with the warring nations and that no act should extend beyond embargoes on arms, ammunitions and implements of war, and be it further

Resolved, That the City Clerk be, and hereby is, instructed and directed to forward a copy of these resolutions to the Committee on Foreign Relations at Washington, D. C., and to each member of Congress from Massachusetts.

Referred to the Committee on Rules.

WAITING ROOM, SAVIN HILL.

Coun. PETER J. FITZGERALD offered the following:

Ordered, That the Board of Trustees of the Boston Elevated Railway be requested,

through his Honor the Mayor, to erect a waiting room at the bus terminal located on South Sydney street, at the Savin Hill Station of the Dorchester Rapid Transit Line.

Passed under suspension of the rule.

REOPENING OF CHARLESTOWN STAIRWAY.

Coun. Mellen offered the following: Ordered, That the Commissioner of Public Works be requested, through his Honor the Mayor, to reopen the stairway leading from the High Bridge to Water street, Charlestown, making same available for public use.

Passed under suspension of the rule.

HEALTH UNIT, DORCHESTER.

Coun. WILSON offered the following: Ordered, That his Honor the Mayor be requested to make arrangements, either as a W. P. A. project or under the provisions of the George Robert White Fund, to provide for a health unit during 1936 in the central Dorchester district.

Passed under suspension of the rule.

RECESS.

The Council, at 3.20 p. m., at direction of the President, took a recess subject to the call of the Chair. The members reassembled in the Council Chamber at 5.01 p. m.

EXECUTIVE COMMITTEE REPORTS.

Coun. GALLAGHER, for the Executive Committee, submitted the following:

1. Report on petition of James Mackenzie (referred February 3) for retirement as laborer in Paving Division, Public Works Department—recommending passage of accompanying order, viz:

Ordered, That the Retirement Board for Laborers be hereby authorized and requested to retire, under the provisions of chapter 765 of the Acts of 1915, James Mackenzie, employed as laborer in the Paving Division of the Public Works Department.

Report accepted; said order passed.

2. Report on message of Mayor in re delivery of fuel orders to welfare recipients—that same be placed on file.

Report accepted; said message placed on file.

APPROPRIATION FOR BOSTON HOUSING AUTHORITY.

On motion of Coun. AGNEW, the Council took up assignment No. 2 on the calendar, viz:

2. Ordered, That the sum of \$10,000 be, and hereby is, appropriated, to be expended by the Boston Housing Authority in accordance with chapter 449, section 26-T, of the Acts of 1935, for the purpose of defraying the initial cost and expenses of said Housing Authority, including the expenses of preparing plans and making surveys and the like in connection with one or more projects of said Housing Authority, and in the general prosecution of its duties, said sum to be charged to the Reserve Fund, when made.

The order was passed, yeas 15, nays 5: Yeas—Coun. Agnew, Brackman, Doherty, Dowd, Finley, John I. Fitzgerald, Peter J. Fitzgerald, Gallagher, Gleason, Kerrigan, Kilroy, George A. Murray, Norton, Rosenberg, Selvittella—15.

Nays—Coun. McGrath, Mellen, Roberts, Shattuck, Wilson—5.

President FITZGERALD called up, under unfinished business, No. 1 on the calendar, viz:

1. Action on appointment submitted by the Mayor January 27, 1936, of William Smith, to be a Weigher of Coal.

The question came on confirmation. Committee, Coun. Selvittella and Agnew. Whole number of votes 19; yeas 14, no 5, and the appointment was confirmed.

SNOW REMOVAL FROM SIDEWALKS.

Coun. WILSON offered the following:

Ordered, That the Police Commissioner be requested, through his Honor the Mayor, to officially notify captains of all police divi-

sions in the City of Boston to enforce existing ordinance provisions relative to removal of snow and ice from sidewalks throughout the city.

Coun. WILSON—Mr. President, speaking very briefly, we received plenty of complaints, some well merited, concerning dilatoriness in snow removal so far as roadways are concerned, but I find throughout different sections of the city innumerable instances where some of the very persons who complain most about the slowness of snow removal from the streets have not even yet shovelled their own sidewalks. It seems to me that, acting with discretion, the different police divisions in the City of Boston could enforce existing ordinances for the removal of snow, at least within twenty-four hours of the snowfall, and could also enforce the ordinance requiring ice-covered sidewalks to be sprinkled with gravel or sand. I can enumerate innumerable cases in my ward, also, of sidewalks in front of unimproved land, much of it down-grade and for distances of 100, 200 or 300 feet, where the owner has not yet removed the snow and ice from the sidewalk. I think, under the general police regulations of the City of Boston, we have a right to expect every home owner and every owner, especially of vacant land, to clear the sidewalk and make it reasonably safe for pedestrians, and I think when we consider the length of time that has elapsed since the snowstorm, it is high time that the work should be done.

The order was passed under suspension of the rule.

CONTRACT FOR SAND AND GRAVEL.

Coun. NORTON offered the following:
Ordered, That the Mayor of Boston be requested to consider the advisability of awarding the annual contract for sand and gravel, everything else being equal, to concerns employing Boston help and paying taxes in Boston.

Coun. NORTON—Mr. President, about \$20,000 a year is spent on sand and gravel in Boston. The contract is now before the Superintendent of Supplies, and this order simply asks, everything else being equal, that preference be given to Boston concerns hiring Boston people.

The order was passed under suspension of the rule.

COAL AND OIL SAMPLED BY EXPERTS.

Coun. NORTON offered the following:
Ordered, That the Mayor of Boston be requested to consider the advisability of having Technology experts or other qualified experts take samples of the coal and oil now being delivered to welfare recipients; this work to augment the regular work of the Sealer of Weights and Measures.

Passed under suspension of the rule.

OPERATION OF ELEVATED BUSES, HYDE PARK.

Coun. NORTON offered the following:
Ordered, That the Council Joint Committee be requested to consider the advisability of considering the matter of allowing the Boston Elevated Railroad Company permission to operate on River street, Hyde Park, from Cleary square, Hyde Park, to the Dedham line, as soon as possible.

Coun. SELVITELLA—Mr. President, is that petition in the committee?

Coun. NORTON—Yes.

Coun. SELVITELLA—I understand that everything before the committee has been acted on.

Coun. NORTON—I am simply asking the Joint Committee to consider this.

Coun. SELVITELLA—We haven't anything to consider.

Coun. NORTON—Mr. President, I understood from the Clerk of Committees before I introduced that order that there had been received from the Elevated road a petition asking the Council to approve the running of buses on River street, Hyde Park. I can send for the clerk.

Coun. SELVITELLA—Well, I will take your word for it.

The order was passed under suspension of the rule.

SUMS LEFT IN VARIOUS FUNDS.

Coun. NORTON offered the following:
Ordered, That the Corporation Counsel, through his Honor the Mayor, furnish the Council with any available information that he may have regarding the amounts of money,

if any, still left in the Police Strike Fund, the Halifax Disaster Fund and other public funds of such a nature, and if money still remains in said funds, what is proposed to do with the same.

Passed under suspension of the rule.

REPAIR OF STREETS WITH W. P. A. FUNDS.

Coun. NORTON offered the following:
Ordered, That the Mayor of Boston be requested to consider the advisability of fixing every non-major street in Boston with the assistance of W. P. A. funds.

President FITZGERALD—The Chair will have to rule that that should be referred to the Committee on Rules in order to get some action.

Coun. NORTON—All right, Mr. President. I introduced the order to decentralize the Welfare Department about 350 times, and I shall be glad to introduce this order 3,000 times in order to get action.

The order was referred to the Committee on Rules.

OPPOSITION TO PURCHASE OF CHELSEA DIVISION.

Coun. NORTON offered the following:
Ordered, That the Mayor of Boston be requested to consider the advisability of opposing the purchase by the Boston Elevated Railroad of the Chelsea-Revere Branch of the Eastern Massachusetts Railway system.

Coun. NORTON—Mr. President, that bill is being held up at the present time. Last week we were informed by the Elevated that last year's deficit on the Elevated was about \$2,000,000, a considerable part of which was paid by the city. There is a bankrupt road which proposes to take over another streak of rust of another bankrupt road in order to guarantee a good income to the stockholders at the expense of the City of Boston.

The order was passed under suspension of the rule.

SUBSTITUTION OF BUSES.

Coun. NORTON offered the following:
Ordered, That the Boston Elevated Railway Company be requested to make a study of the matter of substituting buses wherever possible for the so-called electric car.

Passed under suspension of the rule.

STANDARDIZING SALARIES, CITY HOSPITAL.

Coun. NORTON offered the following:
Ordered, That the trustees of the Boston City Hospital, through his Honor the Mayor, be requested to consider the advisability of standardizing, if possible, the salaries of ambulance drivers and telephone operators.

Passed under suspension of the rule.

PREFERENCE TO FORMER EMPLOYEES.

Coun. NORTON offered the following:
Ordered, That the Mayor of Boston be requested to consider the advisability of giving preference in employment to those city employees who had worked for the City for many years and were let go during the first part of his administration.

President FITZGERALD—That order has been introduced many times, and will be referred to the Committee on Rules.

Coun. NORTON—And it will continue to be introduced many times, Mr. President, until action is taken. As some of the newer members may not know, this has to do particularly with old employees of the city who were let go in the honeymoon of the present administration. One who had been in the city's service for thirty-eight years was allowed to go; another who had been in the city's employ for twenty-five years as superintendent of ferries. I am merely asking the Mayor to give these men preference in employment. When a man, for instance, fifty years of age, who has been for twenty-five years in the city's service, is sent out in times like this, with nothing, it is hard.

President FITZGERALD—We have had the committee working on the Mayor—Coun. Tobin and Dowd and the Chair—in relation to this matter.

Coun. NORTON—But nothing has been done. There is a man, as I say, who was for thirty-eight years working for the city, and he is now walking the streets and talking to himself.

President FITZGERALD—Well, perhaps if this is referred to the Committee on Rules some action may be taken upon it.

Coun. NORTON—I hope so.

The order was referred to the Committee on Rules.

SENATE BILL 103.

Coun. NORTON offered the following:
Ordered, That the Legislative Committee of the Council be requested to consider the advisability of indorsing Senate Bill No. 103.

Coun. BRACKMAN—Mr. President, I would suggest that that order be referred to the Executive Committee.

President FITZGERALD—The order will be referred to the Legislative Committee.

Coun. NORTON—The idea is simply that the Legislative Committee shall consider the bill. It is an interesting one, and I think the President can explain it.

The order was referred to the Committee on Legislative Matters.

GARMENT-MAKING PROJECT.

Coun. NORTON offered the following:
Ordered, That the Mayor of Boston be requested to consider the advisability of requesting the W. P. A. to start a garment-making project in Boston. Thousands of school children are not properly clothed for the winter months and thousands of old people are in the same predicament.

Coun. NORTON—Mr. President, there are 25,000 children in the public schools of Boston today that are not properly clothed for winter. I understand also that Boston is one of the few large cities in the country where they do not have women working at the sewing of such garments. Here is a statement that I have received from an expert on this question, and I ask that it be included in our record, so that the Mayor can have this information. It comes from one who is supposed to be well informed on the problem.

(There being no objection, the following letter, submitted by Coun. Norton, was included in the minutes:

Councilor Clement A. Norton,
Hyde Park, Mass.

My dear Mr. Norton.—I read of your protest about improperly clothed school children in this morning's newspaper.

Last spring I prophesied, in letters directed to certain department chiefs, that the city administration and the E. R. A. were going to send the school children of Boston "to a masquerade ball this winter dressed in sun suits and pillow slips."

It may be of interest and help to you, in your present endeavor for adequately clothed children, to know that last winter a group of interested citizens, foreseeing the very misfortune which has now occurred, inaugurated a "garment-cutting service" to work in conjunction with the E. R. A. Sewing Project. This service was to cut and facilitate the provision of needed garments of all types, for the school children this year. So important did the matter seem that a small fund was raised and a staff of three expert cutters donated to the E. R. A. for the month of February. Their function was to facilitate just this needed production of proper garments.

The work done not only greatly increased the number of properly cut garments, but resulted also in three hundred new women being put to work on the sewing project to sew up the garments being thus properly supplied.

The work received the praise of Harry L. Hopkins, of Mrs. Ellen S. Woodward in charge of women's work in Washington, of Mrs. Alice B. Stritch in charge of the Boston project, of the various district "supervisors" in charge of the sewing units, and in fact all of the rank and file who came to benefit by it.

In spite of this, and in spite of the obvious need which you are now so rightly calling to public attention, no effort was made by the City Welfare Department, nor by local city officials, nor by the E. R. A. to continue the work, after the small donation which carried it through February ran out.

Our request was only for three salaries for the staff, at the prevailing E. R. A. rate, as project supervisors. This was to include the services of two members of the staff, who were in great need but too proud to say so, and for a third member who was definitely not in need but whose services were indispensable.

In spite of the most concerted presentation of the case to all the public office holders connected, no action was taken.

Under the pretence that there already was an adequate cutting service, this much needed unit for proper garment-making was not continued. This attitude of indifference and make-believe was maintained, although we showed that the vaunted cutting service of the E. R. A. was turning out a tenth of what we had been producing and only one tenth the variety of needed garments,—often most ill-fitting.

There was no question about the issue. A month's demonstration had shown exactly the work that could be done. Letters of indorsement from those mentioned above had been received. The Red Cross, too, had cooperated with us in indorsing the need of a trained and expert cutting service, such as we provided.

The welfare of the children of Boston for this winter seemed to be one of the least things that those in office seemed to care about.

I said then and I repeat as all too true that the officials in charge were willing to send the children of Boston to a costume party dressed in sun suits and pillow slips.

I am sure any efforts you can make even at this late date to install a proper garment-making division in the Boston project will be most appreciated by all. I should be glad to confer with you on this and show you the entire records of the matter, if you should care to call on me.

The order was passed under suspension of the rule.

Adjourned at 5.15 p. m., on motion of Coun. ROBERTS, to meet on Monday, February 10, 1936, at 2 p. m.

CIVIL SERVICE EXAMINATIONS. (STATE.)

STATE EXAMINERS OF ELECTRICIANS.
Examinations, 1936.

Examinations will be held at the following points and on the following dates:

Boston, Monday, March 2.
Fall River, Wednesday, March 4.
Fall River, Thursday, March 5.
Boston, Monday, April 6.
Springfield, Wednesday, April 8.
Boston, Monday, May 4.
Worcester, Wednesday, May 6.
Boston, Monday, June 8.
Boston, Monday, September 14.
Worcester, Wednesday, September 16.
Springfield, Thursday, October 15.
Pittsfield, Friday, October 16.
Boston, Monday, November 2.
Lowell, Wednesday, November 4.
Boston, Monday, December 7.
New Bedford, Wednesday, December 9.
New Bedford, Thursday, December 10.

Rules for Examinations.

All examinations shall be given in English.

Applicants for Class B or journeyman's certificate must be at least eighteen years of age and have had at least two years' practical experience or the equivalent in the installation of wires, conduits, apparatus, fixtures and other appliances for carrying or using electricity for light, heat or power purposes.

Applicants for Class A or master's certificate must be at least twenty-one years of age and have had at least two years' experience in the business of installing wires, conduits, apparatus, fixtures and other appliances for carrying or using electricity for light, heat or power purposes.

Examinations shall consist of applicant's knowledge of the National Electrical Code and practical electrical work.

All persons desiring to be examined, either for a master or journeyman certificate, shall have application on file at least ten days previous to the date of such examination.

Applicants for examination will be required to obtain at least 70 per cent in order to obtain a certificate.

Applicants who fail to obtain the required 70 per cent will not be entitled to re-examination until a period of three months has elapsed, and those who receive less than 50 per cent, or who fail on the practical demonstration, will not be re-examined for a period of six months.

Any person found referring to notes or books, or misbehaving during an examination, will be debarred from that examination.

Notice will be sent to applicants for certificates when and where examination will be held and only those so notified will be examined on that day.

STEPHEN C. GARRITY,
PAYSON SMITH,
JAMES M. HURLEY,
ALBERT FRANK,
WALTER J. KENEFFIC,

State Examiners of Electricians.

For application blanks or other information apply to State Examiners of Electricians, Room 303, 14 Beacon St., Boston, Mass.

1934 PAVING BRICK SHIPMENTS DOUBLE 1933.

According to reports received in December by the National Paving Brick Association, Washington, D. C., the total shipments of paving brick used in 1934 were expected to attain a total of 125,000,000, at least double the quantity used in brick pavements in 1933. O. W. Renkert, of Canton, Ohio, president of the association, accounts for this 100 per cent increase over the previous year by citing several factors responsible for expanding the use of vitrified brick as a street and highway surfacing material. The construction of widened arteries of traffic in and through municipalities has been favorable to the heavy-duty type of pavement, such as brick. Relief to traffic is provided where there is the most congestion, and employment is afforded in populated districts where distress is the greatest.

CITY OF BOSTON.

SUPPLY DEPARTMENT.

PROPOSALS FOR SURGICAL SUPPLIES.

The Supply Department of the City of Boston invites proposals for furnishing surgical supplies, as required, to the various city departments. The bidder must use the form of proposal to be obtained at the office of the Superintendent of Supplies, Room 801, City Hall Annex, and the successful bidder must furnish a bond for one quarter the total estimated amount of the bid with a surety company authorized to do business in Massachusetts as surety for the faithful performance of the contract. There will be a charge of twenty-five cents (\$0.25) for each blank proposal taken out. The bid, with a certified check for \$300, payable to and to become the property of the City of Boston if the proposal is not carried out, must be left at the office of the Superintendent of Supplies, Room 801, City Hall Annex, before 12 m., Tuesday, February 25, 1936, at which time and place they will be publicly opened and read. A duplicate bid, without check, must be left at the office of the City Auditor prior to the time named for opening bids. The Superintendent reserves the right to accept or reject any or all bids, or any part of a bid, and to award the contract as he deems for the best interests of the city. All contracts made subject to appropriations to meet payments thereunder.

D. FRANK DOHERTY,
Superintendent of Supplies.
(Feb. 8.)

CITY OF BOSTON.

SUPPLY DEPARTMENT.

PROPOSALS FOR FURNISHING FRUITS AND VEGETABLES.

The Supply Department of the City of Boston invites proposals for furnishing to the various city departments, fruits and vegetables, as per specifications to be obtained at the office of the Superintendent of Supplies, Room 801, City Hall Annex. There will be a charge of thirty cents (\$0.30) for each blank proposal taken out. The bidder must leave his proposal with a certified check for \$300, payable to and to become the property of the City of Boston if the proposal is not carried out, at the above office. A duplicate bid, without check, must be left at the office of the City Auditor prior to the time named for opening bids. The bids will be publicly opened and read on Thursday, February 20, 1936, at 12 m., at Room 801, City Hall Annex. The successful bidder must furnish a bond for one quarter the total estimated amount of the contract with a surety company authorized to do business in Massachusetts as surety for the faithful performance of the contract. The Superintendent reserves the right to accept or reject any or all bids, or any part of a bid, and to award the contract as he deems for the best interests of the city. All contracts made subject to appropriations to meet payments thereunder.

D. FRANK DOHERTY,
Superintendent of Supplies.
(Feb. 8.)

SUPPLY DEPARTMENT.

PROPOSALS FOR TOWELING.

The Supply Department of the City of Boston invites proposals for furnishing the Park Department the following:

75,000 yards, more or less, of toweling as per specifications to be obtained at the Supply Department, Room 801, City Hall Annex. There will be a charge of twenty cents (\$0.20) for each proposal taken out. The bidder must leave his proposal and a certified check for \$200, payable to and to become the property of the City of Boston if the proposal is not carried out, at the office of the Supply Department. A duplicate bid, without check, must be left at the office of the City Auditor prior to the time named for opening bids. The bids will be publicly opened and read on Monday, February 17, 1936, at 12 m., at Room 801, City Hall Annex. The successful bidder must furnish a bond for one quarter the total estimated amount of the contract with a surety company authorized to do business in Massachusetts as surety for the faithful performance of the contract. The Superintendent reserves the right to accept or reject any or all bids, or any part of a bid, and to award the contract as he deems for the best interests of the city. All contracts made subject to appropriations to meet payments thereunder.

(Feb. 8.)

CITY OF BOSTON.
PUBLIC WORKS DEPARTMENT.

NATIONAL INDUSTRIAL RECOVERY PROJECT,
P. W. A. DOCKET No. 4193.

NOTICE TO CONTRACTORS.

Sealed proposals, addressed to the Commissioner of Public Works of the City of Boston and indorsed "Sewerage Works in Stony Brook, Section 14, from 404 feet northeast of Mt. Hope Street to 156 feet southwest of Mt. Hope Street, West Roxbury," will be received at Room 508, 5th floor, City Hall Annex, Boston, Mass., before 12 o'clock noon (E. S. T.), on Tuesday, February 18, 1936, and at that time and place will be publicly opened and read. Bids must be made upon the prescribed proposal form.

Plans, specifications and contract forms may be obtained at Room 508, City Hall Annex, upon payment of the sum of two (2) dollars (non-refundable). Each proposal must be accompanied by a properly certified check in the sum of three thousand (3,000) dollars payable to the City of Boston. Proposals must be made in duplicate, the sealed duplicate, without check, to be deposited by the bidder with the City Auditor previous to the time named for opening the proposals. All checks, except that of the bidder to whom the contract is awarded, will be returned within three (3) days after the awarding of the contract. The project is to be financed and constructed under the terms of the National Industrial Recovery Act, of 1933, and chapter 366 of the Acts of 1933, as amended, of the Commonwealth of Massachusetts, and attention is called to the construction regulations prescribed by the P. W. A.

The rate per hour of the wages to be paid to mechanics, teamsters, chauffeurs and laborers in the work to be performed under the contract shall not be less than the rate of wages in the schedule determined by the Commissioner of Labor and Industries of the Commonwealth, a copy of which schedule is annexed to the form of contract referred to herein. Copies of said schedule may be obtained, without cost, upon application therefor, at Room 508, City Hall Annex.

The employment agency designated by the Government is the State Public Employment Office, 100 Nashua street, Boston. The right is reserved by the City of Boston, Mass., acting through the Commissioner of Public Works, to reject any or all bids, or to accept any bid which he deems most advantageous, subject to the approval of the State Director P. W. A. No bidder may withdraw his bid for a period of thirty (30) days after the date set for the opening thereof. A surety bond by a company satisfactory to the Commissioner and the State Director P. W. A. and in an amount equal to one hundred (100) per cent of the contract price will be required from the successful bidder.

C. J. CARVEN,
(Feb. 1-8.) Commissioner of Public Works.

PROPOSALS FOR HAY, GRAIN AND STRAW.

Sealed proposals will be received at the office of the Superintendent of Supplies, Room 801, City Hall Annex, until 12 m., Wednesday, February 19, 1936, at which time and place they will be publicly opened and read, for furnishing hay, grain and straw to the various city departments. There will be a charge of twenty cents (\$0.20) for each blank proposal taken out. The bidder must include the cost of delivery. The bidders are requested to bid on United States No. 2 timothy hay. Hay must be no less than 40 per cent green. The grade of hay must comply with the federal hay grades, and No. 2 white oats to test no less than thirty-six pounds to bushel graded under federal standards. The hay and oats must be weighed by sworn weighers and on the scales designated by the Superintendent of Supplies. All articles covered by this contract shall be the growth production of the United States. The bidder must use the form of proposal to be obtained at Room 801, City Hall Annex. Proposals must be accompanied by a certified check for \$200. A duplicate bid, without check, must be left at the office of the City Auditor prior to the time named for opening bids. The successful bidder must furnish a bond for one quarter the total estimated amount of the bid with a surety company authorized to do business in Massachusetts as surety for the faithful performance of the contract. The Superintendent reserves the right to accept or reject any or all bids, or any part of a bid, and to award the contract as he deems for the best interests of the city. All contracts made subject to appropriations to meet payments thereunder. No reservations or stipulations submitted by the various bidders will be considered by the Superintendent.

CITY RECORD

OFFICIAL CHRONICLE OF BOSTON MUNICIPAL AFFAIRS.

VOL. 28.

SATURDAY, FEBRUARY 15, 1936.

No. 7

BOSTON SHOWN, BY CITY HOSPITAL DATA, TO BE FAST WORKING OUT OF THE DEPRESSION — LESS DEMAND FOR TREATMENT BY HOSPITAL FACILITIES SHOWN BY STATISTICS OF 1935 THAN IN 1934 — FROM 1929 TO LAST YEAR THE NUMBER HAD GROWN FROM YEAR TO YEAR, TAXING TO LIMIT THE HOSPITAL STAFF AND ENTIRE ORGANIZATION — BETTER TIMES IN HEALTH AND FINANCES INDICATED FOR 1936.

If statistics compiled at the Boston City Hospital may be taken as a financial barometer, then Boston is certainly working out of the depression at an increasingly rapid rate.

The figures show that there had been a steady increase in the number of citizens using and needing hospital aid from 1929 up to 1934. In 1934 the peak year for work at the hospital showed that 173,430 persons had received treatment both as bed patients and out-patients. So rapid was the increase up to that year that the Mayor and the Hospital authorities found the entire staff much overworked most of the time and a constantly increasing demand for more beds, more facilities and more buildings.

According to the figures for 1935, however, there were 38,000 less persons seeking and obtaining medical aid at the hospital than in the previous year. In 1935 a total of 135,500 persons applied for and obtained treatment.

Of this number, 82,569 were treated at the Main Hospital buildings, 31,670 were patients at the Haymarket Square Relief Station and 21,261 patients at the East Boston Relief Station.

In 1934 the total number of patients was 173,430, with 124,392 being treated at the Main Hospital on Harrison avenue, 31,073 at the Haymarket Square Relief Station and 17,965 at the East Boston Relief Station.

As another indication of the fact that the City Hospital is a very busy place, during the year 1935 ambulances from the Boston City Hospital made 9,175 errands of mercy trips to convey sick and injured people into the hospital for treatment.

Hospital officials revealed that the figure is 199 less than that of 1934, when 9,374 patients were brought into the hospital by the fleet of ambulances maintained by the hospital at their garage on Albany street.

It has been shown also that more trips were made to Roxbury than to any other part of the city. Records showed that 1,864 runs were made to Roxbury and that the South End was second with 1,526. Dorchester had 1,413 trips and South Boston had but 851.

Fewer runs were made to West Roxbury than any other part of the city, the ambulances having been called to that section of the city but 34 times all year. Mattapan was next low with 108 and Roslindale third low with 117. Seven times the ambulances were called upon to go out of the city to get Boston settled patients and bring them to the City Hospital.

The general health of South Boston folks, as far as calls for ambulances can be considered, showed a great improvement in 1935 over 1934. There were 161 fewer calls to the peninsular district than in 1934. The other districts all averaged slight decreases in calls for ambulances, with West Roxbury still holding the low with 36 runs for the 12 months. In January of this year 972 ambulance trips were made.

"O Boston, fair City enthroned like a radiant queen,
From thy hills looking down on the ship-teeming plain of the ocean,
May thy future be bright, thy skies beam with light all serene,
Ensured by thy sons' and thy daughters' unselfish devotion!"

From Boston Centennial Poem by
NATHAN HASKELL DOLE.

A rate of \$2 per inch of 12 lines (set solid) has been established for such advertisements as under the law must be printed in the *City Record*. Advertising and other copy must be in hand by Thursday of each week to insure its publication in the Saturday issue.

Copies for sale at the Statistics Department, Room 73, City Hall.

MUNICIPAL CALENDAR.

Meeting of the City Council Monday, February 17, 1936, at 2 p. m.

Meetings of the Transit Department are held on Monday and Thursday of each week at 11 a. m.

Board of Zoning Adjustment. Public hearings and executive meetings are held on the first Friday of each month, Room 30, City Hall, at 2 p. m.

MUNICIPAL SERVICE.

Complaints, inquiries or suggestions regarding the work of municipal departments should be made in writing to the officials directly in charge. The failure of such official to make reply within a reasonable length of time should be brought to the attention of the Mayor. Communications should be directed as follows:

TO THE BOARD OF STREET COMMISSIONERS, Room 401, City Hall Annex, for information relative to the laying out, relocation, widening and the discontinuance of highways; the taking of real property for municipal purposes; the assessments of betterments for streets and sewers; the plotting of undeveloped area for streets and the opening of private ways; the granting of licenses for the storage or sale of merchandise in

public streets; the making of specific repairs in public streets; the naming of public streets; the planting and removal of trees in public ways; the issuing of licenses for the storage of gasoline, oil and other inflammable substances or explosive compounds; the use of the public ways for any permanent or temporary obstruction or projection in, under or over the same, including the location of conduits, poles and posts for telephone, telegraph, street railway or illuminating purposes, signs, marquis, bay windows, coal holes and vaults.

TO THE BOSTON TRAFFIC COMMISSION, 134 North street, for information relative to regulation of vehicular street traffic on all or any streets, ways, highways, roads and parkways under the control of the City of Boston, the issuing of all permits in connection therewith.

TO THE COMMISSIONER OF PUBLIC WORKS, Room 511, City Hall Annex, for information as to the watering, cleaning, lighting and repairing of streets, the construction and care of sewers and catch-basins, the operation of the ferries, the maintenance of bridges and drawbridges and the removal of ashes and offal.

TO ROOM 604, City Hall Annex, for information relative to the supplying or metering of water and the water charges of the city.

TO THE HEALTH DEPARTMENT, Room 1107, City Hall Annex, for information relative to the inspection of milk, vinegar, meat, fish and vegetables, the issuance of permits for stables, slaughter houses, etc., smoke nuisances, the existence of contagious diseases, of public health nuisances.

TO THE BOARD OF PARK COMMISSIONERS, 33 Beacon street, for information as to the care of the Common, Public Garden, Franklin Park, Franklin Field, Commonwealth avenue, Back Bay Fens, Marine Park, the Airport, and the small parks and playgrounds in general throughout the city, and as to the extermination of gypsy moths and the charges made for such service. Applica-

tion may be made to this department for information regarding the public baths and gymnasiums maintained by the city, and with regard to municipal indoor concerts and band concerts, also information relative to Mt. Hope, Evergreen, Fairview and other public cemeteries owned by the City of Boston.

TO THE SCHOOL COMMITTEE, 15 Beacon street, for information relative to the operation of the schools in the city.

TO THE DEPARTMENT OF SCHOOL BUILDINGS, 11 Beacon street, for information as to the construction and repair of school buildings.

TO THE BOARD OF EXAMINERS, Room 1001, City Hall Annex, for information regarding the licensing of persons having charge or control of the work of construction, alteration, removal or tearing down buildings.

TO THE STATISTICS DEPARTMENT, Room 76, City Hall, for historical, geographical, political and population facts about Boston; the personnel and accomplishments of present and past municipal administrations; and such similar information as may be found concerning other American municipalities in its Municipal Officials' Reference Library.

TO THE WIRE DIVISION OF THE FIRE DEPARTMENT, 60 Bristol street, for all information relative to the erection of poles, building of conduits, the installation of all overhead and underground construction and electrical apparatus, as well as for general information relative to the entire division. To Room 103, City Hall Annex, for permits for the installing of wires and electrical apparatus within buildings of the City of Boston, and for the payment of fees incident to the granting of the privileges above named, and which must be paid in advance.

TO THE BOARD OF ZONING ADJUSTMENT, Room 30, City Hall, relative to changes in the boundary lines of zoning districts of the City of Boston as established by chapter 488 of the Acts of 1924, and amendments thereto.

Richardson, teamsters-chauffeurs, 1 day, \$5.50 each; W. C. Mackie, teamster-chauffeur, 1 day, \$5.25; T. A. Bowes, teamster-chauffeur, 1 day, \$5; J. F. Cassidy, teamster-chauffeur, 1½ days, \$9.37; J. J. McKenna, teamster-chauffeur, 1 day, \$5; H. Applebaum, J. P. Callahan, M. J. Clisham, J. T. Connor, J. J. Corrigan, J. J. Cribben, J. F. Dargon, F. H. Donahue, E. P. Donnelly, E. L. Duffy, C. Fleming, E. J. Gallagher, William C. Gardner, J. J. Gorman, P. J. Hession, C. J. Hourihan, William E. Leary, A. Luper, J. J. Mahoney, J. F. Miley, P. J. Mulligan, William McManus, T. P. Noone, F. J. O'Brien, J. J. O'Driscoll, J. M. Palma, M. J. Ridge, E. P. Rowan, T. J. Sullivan, teamsters-laborers, 1 day, \$5 each; William, F. Carmody, yard laborer, 1 day, \$5; William H. Casey, F. Forte, D. F. Hart, I. Sternberg, laborers, 1 day, \$5 each. Total, \$743.54.

PROCEEDINGS OF CITY COUNCIL.

Tuesday, February 4, 1936.

Meeting of the City Council in the Council Chamber, City Hall, at 2 p. m., to give a hearing, under section 6 of chapter 486 of the Acts of 1909, on the proposed contracts with the Boston Consolidated Gas Company for furnishing gas and for the equipping and lighting of gas lamps.

Coun. DOWD presided in the absence of President Fitzgerald, and a quorum was present.

The clerk read the order under which the hearing was held, as follows:

Ordered, That in accordance with the provisions of section 6 of chapter 486 of the Acts of 1909, a public hearing be given by the City Council on Tuesday, February 4, 1936, at two o'clock p. m., on the proposed contracts with the Boston Consolidated Gas Company for furnishing gas, and for the equipment and lighting of gas lamps; and that the City Clerk be directed to give notice of said hearing by advertising the same in the daily newspapers and seven days before the date of said hearing in the *City Record*; the expense of said hearing and advertising to be charged to the appropriate items for City Council, Incidental Expenses.

Statements were made by Grace McKenzie McCarthy, Public Works Commissioner Christopher J. Carven and his assistant, Richard N. Power, and President D. D. Barnum, president of the Boston Consolidated Gas Company.

This closed the hearing.

Adjourned at 4.25 p. m.

AMENDED DAMAGES.

The Mayor has approved the following vote of the Board of Street Commissioners:

Voted, That the order of the Street Commissioners and Mayor of October 28, 1930, determining damages caused by the making of the public improvement, consisting of the widening and relocation of North Harvard street, be, and the same hereby is, amended, by striking from said order the name James Tierney (two awards) in said order and inserting in place thereof the name Union Savings Bank of Boston; that the amount \$425 be, and the same hereby is, awarded to Union Savings Bank of Boston for the damages so sustained.

VISITORS BARRED FROM VISITING LONG OR DEER ISLAND UNTIL SPINAL MENINGITIS QUARANTINE IS LIFTED.

Upon February 7 the Mayor issued the following statement:

Two cases of cerebrospinal meningitis were reported at Long Island Hospital on February 6, at 4.15 p. m., by Dr. Gaylord Anderson, state officer in charge of communicable diseases. The spinal fluid from these two patients had been sent to the State Hospital by Doctor Clay, resident physician at Long Island, and the examination of the fluid resulted in the notification by Doctor Anderson.

One of the patients is an inmate who had not been off the Island for several months. The other was a nurse who had visited Boston three times in the last two weeks. The first time she went shopping, the second time she visited friends in Boston and the third time she visited her mother at Salem. The Salem Board of Health has been notified.

Appropriate steps have been taken for segregation, taking cultures of all patients and the temperatures of all individuals who have been in contact with either of these patients. Doctor Clay reported last night that the patients were isolated, that he had plenty of nurses and also plenty of serum.

Orders have been issued that until the danger is passed there would be no visitors either to Long Island or Deer Island, no workmen are to go to Long Island and no workmen are to go from Deer Island to Long Island. All persons who have been going daily from Deer Island to Long Island and returning at night are to be segregated and daily cultures and

temperatures taken. No persons who have been to Long Island from Deer Island shall be allowed to leave Deer Island until further notice. These instructions have been issued by Health Commissioner Dr. William B. Keeler, Dr. F. A. Washburn of the Institutions Department and John J. Douglass for the Penal Institutions Department.

POLICE DEPARTMENT ORDERS.

General Order No. 146.

A trial board, consisting of Captains Campbell, McGrath and Towle, having heard by reference a complaint made by Mathew Killen, captain, Division 15, against Alfred Walton, patrolman, Division 15, for alleged violation of Rule 41 of the Rules and Regulations of the Police Department, to wit:

Charge: Neglect of duty.

Specification 1: In that, while on duty and in uniform, he failed to signal the station house from 12.10 a. m. to 1.35 a. m., January 20, 1936 (Police Day).

Specification 2: In that on the thirtieth day of January, 1936, the said Patrolman Walton, not being engaged in an emergency police case, failed to signal the station at the end of his tour of duty and failed to give justifiable reason for such neglect,—

has submitted the following finding and recommendation:

"The Board, having, heard and carefully considered all the evidence as presented, accepts the plea of guilty to Specification 1 and finds the said Patrolman Alfred Walton guilty of Specification 2. The Board has also considered the testimony of Patrolman Walton's captain and other superior officers that he (Walton) is a constant drinker of intoxicating liquors, but not to an extent which would warrant his being brought before a trial board on such a charge; and the promise of Patrolman Walton to refrain from the use of intoxicating liquors in the future and to make every effort to perform his duties properly. Therefore, the Board respectfully recommends that the said Patrolman Walton be ordered to perform 210 hours of punishment duty."

The commissioner accepts the finding and the recommendation of the Trial Board and hereby orders that the said Patrolman Alfred Walton perform 210 hours of punishment duty.

The Superintendent of Police will promulgate this order.

EUGENE M. MCSWEENEY,
Commissioner.

CIVIL SERVICE EXAMINATIONS. (STATE AND CITY SERVICE.)

STENOGRAPHIC SERVICE.

FOR STATE AND CITIES AND TOWNS OUTSIDE OF BOSTON AND VICINITY, MARCH 7, 1936.

Last date for filing applications, Monday, February 24, 1936, at 5 p. m.

FOR STATE, BOSTON, AND CITIES AND TOWNS IN THE VICINITY OF BOSTON, MARCH 21, 1936.

Last date for filing applications, Saturday, March 7, 1936, at 12 noon.

This is the regular examination for the stenographic service of the state and of all cities and of such towns in the state as are classified under Civil Service. On March 7, the examination will be held in various centrally located cities. On March 21, the examination will be held

in Boston, and all persons who reside within commuting distance will be notified for examination on this day.

Persons qualifying in the examination may have their names placed on the state list as well as on the list for the city or town in which they reside.

Applicants must be not less than sixteen years of age at the time of filing application.

The subjects of examination with their respective weights will be as follows: Training and experience, (2); spelling, (2); arithmetic, (2); grammar, (2); filing, (1); word knowledge, (1); stenography, (10); total, (20).

The dictation is given at the following rates of speed: 80, 100 and 120, the dictation at each rate of speed consisting of a letter of about 300 words in length. Each applicant may select any two of the three speed tests for transcription. The transcription is marked for both speed and accuracy. Applicants are required to obtain at least 70 per cent in accuracy of transcription of one speed test.

Applicants will also be required to obtain at least 65 per cent in spelling, at least 50 per cent in each of the other subjects, and at least 70 per cent in general average in order to become eligible.

CIVIL SERVICE EXAMINATIONS. (STATE.)

STATE EXAMINERS OF ELECTRICIANS.

Examinations, 1936.

Examinations will be held at the following points and on the following dates:

Boston, Monday, March 2.
Fall River, Wednesday, March 4.
Fall River, Thursday, March 5.
Boston, Monday, April 6.
Springfield, Wednesday, April 8.
Boston, Monday, May 4.
Worcester, Wednesday, May 6.
Boston, Monday, June 8.
Boston, Monday, September 14.
Worcester, Wednesday, September 16.
Springfield, Thursday, October 15.
Pittsfield, Friday, October 16.
Boston, Monday, November 2.
Lowell, Wednesday, November 4.
Boston, Monday, December 7.
New Bedford, Wednesday, December 9.
New Bedford, Thursday, December 10.

Rules for Examinations.

All examinations shall be given in English.

Applicants for Class B or journeyman's certificate must be at least eighteen years of age and have had at least two years' practical experience or the equivalent in the installation of wires, conduits, apparatus, fixtures and other appliances for carrying or using electricity for light, heat or power purposes.

Applicants for Class A or master's certificate must be at least twenty-one years of age and have had at least two years' experience in the business of installing wires, conduits, apparatus, fixtures and other appliances for carrying or using electricity for light, heat or power purposes.

Examinations shall consist of applicant's knowledge of the National Electrical Code and practical electrical work.

All persons desiring to be examined, either for a master or journeyman certificate, shall have application on file at least ten days previous to the date of such examination.

Applicants for examination will be required to obtain at least 70 per cent in order to obtain a certificate.

Applicants who fail to obtain the required 70 per cent will not be entitled to re-examination until a period of three months has elapsed, and those who receive less than 50 per cent, or who fail on the practical demonstration, will not be re-examined for a period of six months.

Any person found referring to notes or books, or misbehaving during an examination, will be debarred from that examination.

Notice will be sent to applicants for certificates when and where examination will be held and only those so notified will be examined on that day.

STEPHEN C. GARRITY,
PAYSON SMITH,
JAMES M. HURLEY,
ALBERT FRANK,
WALTER J. KENEFICK,
State Examiners of Electricians.

For application blanks or other information apply to State Examiners of Electricians, Room 303, 14 Beacon St., Boston, Mass.

URBAN POPULATION, APRIL 1, 1930.

As defined by the Census Bureau, the urban population is, in general, that residing in cities and other incorporated places having 2,500 inhabitants or more, the remainder being classified as rural.

The total urban population of the UNITED STATES is 68,954,823 (34,154,760 males and 34,800,063 females), of whom 62,836,605 (31,162,570 males and 31,674,035 females) are white; of these whites 52,109,746 (25,520,483 males and 26,589,263 females) are native; 33,497,232 (16,515,816 males and 16,981,416 females) of these latter are of native parentage and 18,612,514 (9,004,667 males and 9,607,847 females) are of foreign or mixed parentage; there are 10,726,859 (5,642,087 males and 5,084,772 females) foreign-born white; there are 5,193,913 (2,479,158 males and 2,714,755 females) Negroes; other races, 924,305 (513,032 males and 411,273 females).

The urban population is 56.2 per cent of the total population of the country; native white, 54.6 per cent and foreign-born white, 80.3 per cent; Negroes, 43.7 per cent.

The total urban population of New England is 6,311,976 or 77.3 per cent of the total population of New England. Of the 4,660,339 native white, 2,089,031 are of native parentage and 2,571,308 are of foreign or mixed parentage; foreign-born whites number 1,564,769; Negro, 81,443; other races, 5,425.

DOUBLE TAXATION NOT THE WHOLE TAX CONFLICT.

Double taxation, which to most people means two taxes on the same thing from different sources,—Federal and State or two states,—is only a part of the problem of conflicting taxation, says James W. Martin, Research Director of the Interstate Commission on Conflicting Taxation. The commission, set up by the Interstate Assembly representing the various states, which was called together by the American Legislators' Association in 1933, will report results of its subsequent study of conflicting taxation early in 1935.

CONTRACTS AWARDED.

Permission to award contracts for work, materials and supplies, in accordance with recommendations of department heads, has been approved by the Mayor.

FIRE DEPARTMENT.

Upon February 8 approval was given to award a contract to the Rosenfield Uniform Company for remodeling approximately 974 uniform sack coats. Bids were opened Wednesday, February 5, and were as follows:

Rosenfield Uniform Company, \$2.25 each; total, \$2,191.50; M. Linsky & Brothers, \$2.60 each; total, \$2,532.40; Donohue & Riordan, \$3.15 each; total, \$3,068.10.

PENAL INSTITUTIONS DEPARTMENT.

Upon February 7 permission was given to award a contract to the S. & T. Construction Company for repairs to side walls and fire box of boiler No. 2, at the House of Correction, Deer Island. Bids were opened February 1 and were as follows:

S. & T. Construction Company, \$1,785; F. C. Dolan and Sons, \$1,864; David L. Macfarlane, \$1,886; Bernard F. Hanrahan, \$2,145; D. A. Rossano, \$2,700; New England Boiler Setting Company, \$2,993.

Permission has been given to the Daniel Russell Boiler Works, Incorporated, for repairs to tubes of boiler No. 2 at the House of Correction, Deer Island. Bids, opened February 7, were as follows:

Daniel Russell Boiler Works, Incorporated, if lap-welded tubes are used, \$1,136; if seamless steel tubes are used, \$1,185; Hodge Boiler Works, \$1,294; Boston Marine Works, Incorporated, \$1,350; Massachusetts Welding Company, \$1,489.

PUBLIC WORKS DEPARTMENT.

Upon February 6 approval was given to award a contract to Roy B. Rendle & Co., Incorporated, for constructing a water pipe trestle and fender at Chelsea Bridge North, the lowest bidder, at an estimated cost of \$24,200, P. W. A. Docket No. Mass. 1123-R. The following bids were received January 21:

Roy B. Rendle & Co., Incorporated, \$24,200; W. H. Ellis & Sons Company, \$24,728; Bay State Dredging and Contracting Company, \$25,682.50; V. Barletta Company, \$27,060; Rendle Contracting and Dock Building Company, \$27,850; George M. Byrne, \$30,717.

SUPPLY DEPARTMENT.

Upon February 6 permission was given to award a contract to the Ingersoll-Rand Company for one Model 105 Ingersoll-Rand, or equal, air compressor, mounted on four rubber tires, with tools, for the Sewer Division. The division engineer of the Sewer Division, with the approval of the Commissioner of Public Works, recommended, after careful study of the bids, that the city purchase the Model 105 Ingersoll-Rand air compressor for its own best interests.

Bids, opened December 27, were as follows:

Tools.

One Model 105 Ingersoll-Rand, or Equal, Compressor, Mounted on Four Rubber Tires.—Ingersoll-Rand Company of New England, \$2,000,* \$50 extra for Massachusetts Standard receiver*; Clark-Wilcox Company, \$2,000, \$50 extra for Massachusetts Standard receiver; The Equipment Company, \$2,000, \$50 extra for Massachusetts Standard receiver; Perrin-Seamans & Co., \$2,000, \$50 extra for Massachusetts Standard receiver; George E. Pearson Company, \$2,050, Schramm with Massachusetts tank; Chicago Pneumatic Tool Company, \$2,050,

Chicago Pneumatic with Massachusetts air receiver; Charles J. McCarty Company, Incorporated, \$2,000, \$50 extra for Massachusetts Standard receiver; P. I. Perkins Company, \$1,900, Davey; Walter W. Field & Son, Incorporated, \$2,050, Worthington with Massachusetts tank; Worthington Pump and Machinery Corporation, \$2,050, Worthington; Acme Power and Equipment Company, \$2,050, Chicago Pneumatic; Gustavo Preston Company, \$1,640, Chrysler; Hayes Pump and Machinery Company, \$2,050, Chicago Pneumatic; Dance Company, Incorporated, \$2,050, LeRoi-Rix.

Three 50-Foot Lengths Three-Quarter Inch Air Hone with Heavy Drill Couplings Attached, Per Foot.—Ingersoll-Rand Company of New England, \$42, lot*; Clark-Wilcox Company, \$42, lot; The Equipment Company, \$42, lot; Perrin-Seamans & Co., \$42, lot; George E. Pearson Company, \$42, lot; Chicago Pneumatic Tool Company, \$42, lot; Charles J. McCarty Company, Incorporated, \$42, lot; P. I. Perkins Company, \$42, lot; Walter W. Field & Son, Incorporated, \$42, lot; Worthington Pump and Machinery Corporation, \$42, lot; Acme Power and Equipment Company, \$42, lot; Gustavo Preston Company, \$42, lot, Thor make; Hayes Pump and Machinery Company, \$42, lot; Dance Company, Incorporated, \$42, lot.

One CC45 Paving Breaker.—Ingersoll-Rand Company of New England, \$215*; Clarke-Wilcox Company, \$215; The Equipment Company, \$215; Perrin-Seamans & Co., \$215; George E. Pearson Company, \$215, Cleveland C-7; Chicago Pneumatic Tool Company, \$215, C. P. 116; Charles J. McCarty Company, Incorporated, \$215; P. I. Perkins Company, \$215, Cleveland C-7; Walter W. Field & Son, Incorporated, \$215, Worthington No. 10; Worthington Pump and Machinery Corporation, \$215; Acme Power and Equipment Company, \$215, C. P. 116 or C. P. 117; Gustavo Preston Company, \$215, Thor make; Hayes Pump and Machinery Company, \$215, C. P. 116 or C. P. 117; Dance Company, Incorporated, \$215.

Twelve One and One-Eighth Inch Solid Hex. Moll Points, 14 Inches Long Under Collar, Each.—Ingersoll-Rand Company of New England, \$2.25*; Clark-Wilcox Company, \$2.25; The Equipment Company, \$2.25; Perrin-Seamans & Co., \$2.25; George E. Pearson Company, \$2.25; Chicago Pneumatic Tool Company, \$2.25; Charles J. McCarty Company, Incorporated, \$2.25; P. I. Perkins Company, \$2.25; Walter W. Field & Son, Incorporated, \$2.25; Worthington Pump and Machinery Corporation, \$2.25; Acme Power and Equipment Company, \$2.25; Gustavo Preston Company, \$2.25, Thor make; Hayes Pump and Machinery Company, \$2.25; Dance Company, Incorporated, \$2.25.

Twelve One and One-Eighth-Inch Solid Hex. Moll Points, 18 Inches Long Under Collar, Each.—Ingersoll-Rand Company of New England, \$2.50*; Clark-Wilcox Company, \$2.50; The Equipment Company, \$2.50; Perrin-Seamans & Co., \$2.50; George E. Pearson Company, \$2.50; Chicago Pneumatic Tool Company, \$2.50; Charles J. McCarty Company, Incorporated, \$2.50; P. I. Perkins Company, \$2.50; Walter W. Field & Son, Incorporated, \$2.50; Worthington Pump and Machinery Corporation, \$2.50; Acme Power and Equipment Company, \$2.50; Gustavo Preston Company, \$2.50, Thor make; Hayes Pump and Machinery Company, \$2.50; Dance Company, Incorporated, \$2.50.

Two 3-Inch by 14-Inch Deepening Chisels, One and One-Eighth Inch Shank, Each.—Ingersoll-Rand Company of New England, \$7.50*; Clark-Wilcox Company, \$7.50; The Equipment Company, \$7.50; Perrin-Seamans & Co., Incorporated, \$7.50; George E. Pearson Company, \$7.50; Chicago Pneumatic Tool Company, \$7.50; Charles J. McCarty Company, Incorporated, \$7.50; P. I. Perkins Company, \$7.50; Walter W. Field & Son, Incorporated, \$7.50; Worthington Pump and Machinery Corporation, \$7.50; Acme Power Equipment Company, \$7.50; Gustavo Preston Company, \$7.50, Thor make; Hayes Pump and Machinery Company, \$7.50; Dance Company, Incorporated, \$7.50.

Two 2-Inch by 12-Inch Frost Chisels, One and One-Eighth Inch Shank, Each.—Ingersoll-Rand Company of New England, \$2.25*; Clark-Wilcox Company, \$2.25; The Equipment Company, \$2.25; Perrin-Seamans & Co., Incorporated, \$2.25; George E. Pearson Company, \$2.25; Chicago Pneumatic Tool Company, \$2.25; Charles J. McCarty Company, Incorporated, \$2.25; P. I. Perkins Company, \$2.25; Walter W. Field & Son, Incorporated, \$2.25; Worthington Pump and Machinery Corporation, \$2.25; Acme Power Equipment Company, \$2.25; Gustavo Preston Company, \$2.25, Thor make; Hayes Pump and Machinery Company, \$2.25; Dance Company, Incorporated, \$2.25.

One S49 Jack Hammer.—Ingersoll-Rand Company of New England, \$190*; Clark-Wilcox Company, \$190; The Equipment Company, \$190; Perrin-Seamans & Co., Incorporated, \$190; George E. Pearson Company, \$190, Cleveland H77; Chicago Pneumatic Tool Company, \$190, C. P. 10; Charles J. McCarty Company, Incorporated, \$190; P. I. Perkins Company, \$190, Cleveland H77; Walter W. Field & Son, Incorporated, \$190, Worthington 36; Worthington Pump and Machinery Corporation, \$190; Acme Power Equipment Company, \$190, C. P. 10 rock drill; Gustavo Preston Company, \$190, Thor make; Hayes Pump and Machinery Company, \$190, C. P. 10; Dance Company, Incorporated, \$190.

Grand Total and Net Total.—Ingersoll-Rand Company of New England, \$2,573.50; Clark-Wilcox Company, \$2,573.50; The Equipment Company, \$2,573.50; Perrin-Seamans & Co., Incorporated, \$2,573.50; George E. Pearson Company, \$2,573.50; Chicago Pneumatic Tool Company, \$2,573.50; Charles J. McCarty Company, Incorporated, \$2,573.50; P. I. Perkins Company, \$2,423.50; Walter W. Field & Son, Incorporated, \$2,573.50; Worthington Pump and Machinery Corporation, \$2,573.50; Acme Power Equipment Company, \$2,573.50; Gustavo Preston Company, \$2,163.50; Hayes Pump and Machinery Company, \$2,573.50; Dance Company, Incorporated, \$2,573.50.

* Contract awarded.

Upon February 8 permission was given to award a contract to F. I. Perkins Company for two portable air compressors for the Water Division.

After examination of the bids the division engineer of the Water Division, with the approval of the Commissioner of Public Works, recommended that the city purchase two Davey compressors for the best interests of the Water Division. Bids, opened January 23, were as follows:

Two Portable Air Compressors, Capacity 120 Cubic Feet, Mounted on Ford Chassis With Dual Rear Wheels, Each.—Sandberg

Truck Equipment Company, \$2,625; alternate bid, \$2,800; \$50 extra for Massachusetts Standard air receiver; Worthington Pump and Machinery Corporation, \$2,800, \$50 extra for Massachusetts Standard tank; Chicago Pneumatic Tool Company, \$2,625, \$50 extra for Massachusetts Standard air receiver; alternate bid, \$2,800, \$50 extra for Massachusetts Standard air receiver; F. I. Perkins Company, quotation No. 1, \$2,600; quotation No. 2, \$2,050*; \$110 each, extra if platform body wanted*; Dance Company, Incorporated, \$2,675; Massachusetts Motor Car Company, \$2,264.91; The Equipment Company, \$2,625, Ingersoll Rand, Model 85; \$2,800, Ingersoll Rand, Model 105; \$50 extra for Massachusetts Standard tank if required; Charles J. McCarty Company, Incorporated, \$2,625, Ingersoll Rand, Model 85; \$2,800, Ingersoll Rand, Model 105; \$50 extra for Massachusetts Standard tank; Gustavo Preston Company, \$2,294; Perley W. Smith, \$2,625; alternate No. 1, \$2,800; alternate No. 2, \$2,800; Gardner-Denver Company, \$2,675, price includes Massachusetts code air receiver; Bowers Motor Sales, \$2,625, any standard make desired; Hayes Pump and Machinery Company, \$2,625, \$50 extra for Massachusetts Standard air receiver; alternate No. 1, \$2,000, \$25 extra for Massachusetts Standard air receiver; alternate No. 2, \$2,800, \$50 extra for Massachusetts Standard air receiver; Clark-Wilcox Company, \$2,625, Ingersoll Rand, Model 85; \$2,800, Ingersoll Rand, Model 105; \$50 extra for Massachusetts tank; O. K. Clutch and Machinery Company, \$2,221; Dyar Sales and Machinery Company, \$2,625, Ingersoll Rand, Model 85; \$2,800, Ingersoll Rand, Model 105; \$50 extra for Massachusetts Standard tank; Walter W. Field & Son, Incorporated, \$2,800, \$50 extra for Massachusetts Standard tank; Ingersoll Rand Company, \$2,625, Ingersoll Rand, Model 85; \$2,800, Ingersoll Rand, Model 105; \$50 extra for Massachusetts Standard air receiver; Acme Power Equipment Company, \$2,625, \$50 extra for Massachusetts Standard tank; alternate bid, \$2,800, \$50 extra for Massachusetts Standard tank.

Name of Compressor.—Sandberg Truck Equipment Company, Chicago Pneumatic; Worthington Pump and Machinery Corporation, Worthington, Model 105; Chicago Pneumatic Tool Company, Chicago Pneumatic; F. I. Perkins Company, Davey; Dance Company, Incorporated, Le Rei-Rix 105; Massachusetts Motor Car Company, Chrysler; The Equipment Company, Ingersoll Rand, Model 85; Ingersoll Rand, Model 105; Charles J. McCarty Company, Incorporated, Ingersoll Rand, Model 85; Ingersoll Rand, Model 105; Gustavo Preston Company, Chrysler; Perley W. Smith, Schramm; Gardner-Denver Company, Gardner-Denver; Hayes Pump and Machinery Company, Chicago Pneumatic; Clark-Wilcox Company, Ingersoll Rand, Model 85; Ingersoll Rand, Model 105; O. K. Clutch and Machinery Company, Ingersoll Rand, Model 85; Ingersoll Rand, Model 105; Walter W. Field & Son, Incorporated, Worthington; Ingersoll Rand Company, Ingersoll Rand, Model 85; Ingersoll Rand, Model 105; Acme Power Equipment Company, Chicago Pneumatic.

Cash Discount, Ten Days.—Gustavo Preston Company, 1 per cent; Gardner-Denver Company, deduct \$50 if regular Acme type tank is satisfactory; O. K. Clutch and Machinery Company, 1 per cent.

* Contract awarded.

WITHOUT ADVERTISING.

Upon varying dates as indicated the Mayor approved contracts with the firms mentioned for work and supplies, etc. Communications from the heads of the departments concerned are as follows:

PUBLIC WORKS DEPARTMENT.

Boston, February 10, 1936.

To the Mayor of Boston.

Your approval is respectfully requested to the award of a contract, without advertising, to B. F. Hanrahan of 3 Bennington street, East Boston, for removing snow and ice from the plazas and ramps at both ends of the Sumner Tunnel as ordered and also from the drops on the Boston and East Boston sides of the South Ferry, payment to be at cost plus 15 per cent on labor together with actual cost of trucks, as follows:

Foremen, \$1 an hour; laborers, 50 cents an hour; 2-ton trucks and under, \$1.55 an hour; over 2 and including 4-ton trucks, \$2.30 an hour; over 4-ton trucks, \$2.95 an hour.

This work is occasioned only after heavy snowstorms and, in my opinion, no advantage would be gained by public advertisement.

Yours respectfully,

C. J. CARVEN,
Commissioner of Public Works.

E. R. A. SUPPLY DEPARTMENT.

Boston, January 21, 1936.

HON. FREDERICK W. MANSFIELD,
Mayor of Boston.

DEAR MR. MAYOR.—In order that F. E. R. A. and W. P. A. projects may be carried on with as little delay as possible, I believe that the purchasing of material and equipment for these projects should be handled on an emergency basis, and without advertising for bids.

Therefore, informal bids were taken on furnishing precast concrete plank, of a design known as the "Tucker Precast Concrete Plank," for a building at Long Island covering an area of seventy-three feet long by thirty-four feet four inches wide, to be placed in the floor and the roof, approximately 4,491 square feet. Therefore, informal bids were taken as follows:

Edward A. Tucker and Walter S. Fox, \$1,311.75; Federal-American Cement Tile Company, \$1,131.

Building Commissioner Roemer would not approve either type until a test could be made of each type, which could not be made until the planks were twenty-eight days old. The tests were made and the concrete plank, as manufactured by E. A. Tucker, has been approved by the Building Department.

I respectfully request that you approve an award of a contract without advertising for bids to E. A. Tucker and Walter S. Fox, amounting to \$1,311.75.

Respectfully yours,

D. FRANK DOHERTY,
Superintendent of Supplies.

CITY PURCHASING UNDER THE CODES.

Caught between two fires, American cities are feeling the influence of the National Industrial Recovery Act codes in their purchasing in a way they had not foreseen. On one side taxpayers ask for economy in budget-making. On the other, application of codes, which has resulted in collective price-fixing, has increased prices of supplies for city use to an almost prohibitive point.

FIRE DEPARTMENT ORDERS.

General Order No. 11.

I. PROMOTIONS.

The following promotions, which will take effect at 8 a. m., Friday, February 7, 1936, are hereby announced:

Engineer George L. Lyons, Motor Squad, to engineer in charge, Motor Squad.

Hoseman Henry J. Phelan, of the Maintenance Division, to engineer, Motor Squad.

II. PRESIDENT'S BIRTHDAY BALL OF 1936.

The Fire Commissioner wishes to extend his sincere thanks to all members of the department who contributed to the President's Birthday Ball Fund of 1936. It is most gratifying to note that \$1,461 was donated in 1936 as compared with \$1,060 last year. This is in keeping with the generous spirit shown by the members of this department to all worthy appeals for assistance.

III. INCOME TAX.

Report cards on income taxes are being distributed to the department today. These cards will be filled out by all those who received a salary of \$2,100 or more during the year ending December 31, 1935.

All that is necessary to fill in is the name and address in the space provided at the top of the card. The company to which the signer was attached on December 31, 1935, is to be placed in the upper right-hand corner of the card. No other information on the card is to be filled out. All cards are to be returned to Headquarters on or before Monday, February 10, 1936.

IV. BOSTON AUTOMATIC FIRE ALARM SIGNAL.

The Boston Automatic Fire Alarm service at the following location has been discontinued as of February 4, 1936:

Signal 81, building 281-285 Franklin street.

V. EXAMINATION FOR PROMOTION TO DISTRICT CHIEF.

The Department of Civil Service and Registration of the Commonwealth of Massachusetts announces that an examination for promotion to the grade of District Chief in the Boston Fire Department will be held on Saturday, March 7, 1936.

This examination will be open to captains in the Boston Fire Department who have served as such in accordance with Civil Service Rules for at least two years immediately preceding the date of examination. Applicants who have been off duty for over three months during the period prescribed can be admitted only by permission of the Commissioner of Civil Service.

The subjects and weights of the examination are as follows: Seniority, 5; report, 2; practical questions, 10; personality and fitness as determined by an oral interview, 3; total, 20.

Applicants must obtain at least 70 per cent in each subject in order to become eligible.

Physical examination.

Applications may be obtained at the office of the Fire Commissioner, 60 Bristol street, Boston. The vouchers on these blanks need not be filled out. When completed, applications should be sent to the Division of Civil Service, Rooms 143-152 State House, Boston, Mass.

Applications must be placed on file not later than Monday, February 24, 1936, at 5 p. m. Applicants will be notified of the time and place of the examination.

Exchange of time off will be allowed so that the officers desiring to take the examination will be allowed to do so without interfering with the efficiency of the department.

VI. EXAMINATION FOR PROMOTION TO CAPTAIN.

The Department of Civil Service and Registration of the Commonwealth of Massachusetts announces that an examination for promotion to the grade of captain in the Boston Fire Department will be held on Saturday, March 14, 1936.

This examination will be open to lieutenants in the Boston Fire Department who have served as such, in accordance with Civil Service Rules, for at least two years immediately preceding the date of examination. A candidate who has been off duty for over three months during the period prescribed can be admitted only by permission of the Commissioner of Civil Service.

The subjects and weights of the examination are as follows: Seniority, 5; report, 2; practical questions, 10; personality and fitness as determined by oral interview, 3; total, 20.

Applicants must obtain at least 70 per cent in each subject in order to become eligible.

Physical examination.

Application blanks may be obtained at the office of the Fire Commissioner, 60 Bristol street, Boston. The vouchers on these blanks need not be filled out. When completed, applications should be sent to the Division of Civil Service, Rooms 143-153 State House, Boston. Applications must be placed on file not later than Saturday, February 29, 1936, at 12 noon. Applicants will be notified of the time and place of examination.

Changes of time off will be allowed so that the officers desiring to take this examination may do so without lessening the efficiency of the department.

VII. EXAMINATION FOR PROMOTION TO LIEUTENANT.

The Department of Civil Service and Registration announces that an examination for promotion to the grade of lieutenant in the Boston Fire Department will be held on Saturday, March 28, 1936. If the number of men to take the examination is too large for one day, another date will probably be assigned by the Civil Service Department.

This examination is open to permanent men in the Boston Fire Department who have served as such, in accordance with Civil Service Rules, for at least five years immediately preceding the date of examination. A candidate who has been off duty for over three months during the period prescribed can be admitted only by permission of the Commissioner of Civil Service.

The subjects and weights of the examination are as follows: Seniority, 5; report, 2; practical questions, 8; total, 15.

Applicants must obtain at least 70 per cent in each subject in order to become eligible.

Physical examination.

Application blanks may be obtained at the office of the Fire Commissioner, 60 Bristol street, Boston. The vouchers on these blanks need not be filled out. When completed, applications should be sent to the Division of Civil Service, Rooms 143-152 State House, Boston. Applications must be placed on file not later than

Saturday, March 14, 1936, at 12 noon. Applicants will be notified of the time and place of the examination.

VIII. COMMENDATIONS.

At 3.35 p. m., January 29, 1936, the department responded to Box 7422 for a fire in a dwelling house at 7 Brewster street, South Boston.

On arrival of the apparatus at the scene of the fire it was found that several people were trapped on the third floor of the building. Ladders were raised to the front windows, but large volumes of smoke issuing from the windows made it impossible to enter through them. Ladder work could not be accomplished in the rear of the building and there were no windows in the sides. The only entrance to the building which could be effected was through the front stairway, which was the only stairway in the building. Members of Engine Company 1 and Ladder Company 5 entered through this stairway, which was heavily charged with heat and smoke, reached the third floor and carried a mother and three children to the street. These rescues were made under extremely dangerous conditions at considerable personal risk to each of the men concerned. Each of the men taking part suffered severely from inhalation of heat and smoke.

Because of the great hazard to which these men exposed themselves in the performance of their duty, the Fire Commissioner is pleased to commend them highly and refer this rescue to the Board of Merit for consideration. Members of the department who took part in the rescue work are as follows:

District Chief Edward G. Chamberlain, District 6; Ladderman Michael J. Goggin, Ladder Company 5; Ladderman John M. Keeley, Ladder Company 5; Hoseman Michael E. Sheehan, who was off duty at the time, Rescue Company 1; Apparatus Operator Alfred H. Outerbridge, Engine Company 1; Ladderman James J. McDonald, Ladder Company 5.

Hoseman David Burke of Engine Company 49 is hereby commended for using artificial respiration to revive a woman at 4577 Washington street, February 3, 1936, while off duty. The woman was unconscious as a result of breathing illuminating gas from open jets of a gas stove at the foregoing location and the prompt action of Hoseman Burke in shutting off the gas, ventilating the premises, calling for an inhalator and his use of the prone pressure method of resuscitation undoubtedly saved the woman's life.

By order of Fire Commissioner
EDWARD F. McLAUGHLIN.

HENRY A. FOX,
Chief of Department.

TO SELL JUNK.

The following request has been approved:

BOSTON, January 31, 1936.

HON. FREDERICK W. MANSFIELD,
Mayor of Boston.

DEAR SIR,—Permission is hereby requested to sell to Raymond E. Henchey, 11 Mystic street, Charlestown, the following old material: Approximately five tons old lead-covered cable at \$54 per net ton.

The approximate total value of this old material is \$270.

Yours very truly,

EDWARD F. McLAUGHLIN,
Fire Commissioner.

REVISION OF ASSESSMENTS.

The Mayor has approved the following order of the Board of Street Commissioners:

In the matter of the application for revision of assessment levied on account of the construction of sewerage works the Board of Street Commissioners, acting under the provisions of chapter 359 of the Acts of the year 1896, and deeming it just and proper that such action should be taken on said application, *Order*, That the amount hereinafter specified, being the annual apportionment of said assessment for the year specified below, be, and the same is hereby, abated.

John. G. Ray, 1935 apportionment, Plan 1929-50, Lot 22, Regis road, assessed June 12, 1931, \$14.20.

TRAFFIC COMMISSION RULINGS.

Voted, That as urgently required by considerations of public safety and convenience, during the period of gas main construction, vehicles are excluded from the following street, from 7 p. m., February 6, 1936, to 6 a. m. February 7, 1936, and from 7 a. m. to 5 p. m. on February 9, 1936:

Winter Street.

From Tremont street to Washington street.

Voted, That as urgently required by considerations of public safety and convenience, during the period of gas main construction, vehicles are excluded from the following street, from 7 p. m. February 10, 1936, to 6 a. m. February 11, 1936:

West Street.

From Washington street to Tremont street.

Voted, That as urgently required by considerations of public safety and convenience, during the period of gas main construction, vehicles are excluded from the following street, from 7 p. m. February 11, 1936, to 6 a. m. February 12, 1936, and from 7 p. m. February 12, 1936, to 6 a. m. February 13, 1936:

West Street.

From Washington street to Tremont street.

Voted, That as urgently required by considerations of public safety and convenience, the following temporary rules, which were adopted January 9, 1936, and were effective January 13, 1936, for a trial period of thirty (30) days during the period of building construction at the Quincy Market, are hereby extended for a further trial period of thirty (30) days from February 12, 1936:

The following streets are one-way in the direction indicated:

Merchants Row.

From South Market street to State street.

South Market Street.

From Commercial street to Merchants row.

Voted, That as urgently required by considerations of public safety and convenience, the following temporary rule, which was adopted January 15, 1936, for a trial period of thirty (30) days, is hereby extended for a further trial period of thirty (30) days from February 14, 1936:

Parking of vehicles is prohibited between the hours of 7 a. m. and 6 p. m. in the following street:

CHANGES IN CONTRACTS.

HOSPITAL DEPARTMENT.

Matthew Cummings Company, contractor for Surgical Operating and Ward Building, has been instructed to add to the contract the sum of \$1,388.95 for removing old wire fence and excavating old tennis court to a depth of one foot; replace with loam and seed for grass; seed the area on the west of the new building bounded by the new building, the sidewalk, the old wire fence and the new curb of parking area. Original contract, \$1,182,458.08; corrected contract, as per order No. A-1842, \$1,202,209.09; now added, \$1,388.95; corrected contract, \$1,203,598.04; total added, \$27,460.96; total deducted, \$6,321.

PATHOLOGIST AT LONG ISLAND HOSPITAL.

The following request has been approved:

BOSTON, January 24, 1936.

HON. FREDERICK W. MANSFIELD,
Mayor of Boston.

MY DEAR MR. MAYOR,—In the pathological work at the Long Island Hospital it is necessary to have more professional assistance. The pathologist on salary is not at the hospital every day. He is a part-time man. He is a first-class pathologist, enthusiastic and attentive to his work, but he needs a house officer regularly assigned to him to assist him in carrying on the work, and on the days when he is not there supervise the technicians.

We wish to check up on all persons in the institution much more frequently than we have in the past. We wish to have one urinalysis per year on all patients and inmates, at least two urinalyses and one blood count per year on all chronic patients, and as many blood and urine tests on patients with special or acute disease as seem clinically necessary. We have fallen far short of this goal to date and are not performing our full duty by these unfortunate people.

Doctor Wolbach, Professor of Pathology at Harvard Medical School and Consultant in Pathology at the Long Island Hospital, is of the opinion that he can procure a capable young physician for this position of house officer in pathology without a salary. I therefore request permission to establish this position and to furnish the man to be appointed to it with maintenance at the Long Island Hospital.

Yours very sincerely,

FREDERIC A. WASHBURN, M. D.,
Commissioner.

EXTENSION OF CONTRACTS.

PUBLIC WORKS DEPARTMENT.

The Worthington Pump and Machinery Corporation has been granted an extension of time of completion of the contract for new pump for No. 1 pumping unit, Calf Pasture pumping station, dated August 19, 1935, from January 31, 1936, to March 15, 1936, a period of forty-four days. This extension of time is occasioned by unforeseen difficulty in removing parts of the old masonry foundations and preparing new foundations for placing the pump. This has, in turn, held up the making of templates for the pipe connections. In addition, it has been found impossible, to date, because of a leaky gate, to unwater and clean the pump well, which should be done before a final test run for acceptance of the pump is made.

MASSACHUSETTS BAY COLONY.

The first chartered colony in New England, charter granted by Charles I on March 4, 1629. About a year before, a patent had been granted to six prominent men of Dorchester, west of England, among whom was Capt. John Endicott. He sailed in June, 1628, with a party of fifty or sixty persons, arriving in September and settling at Naumkeag, afterward named Salem. In the spring of 1629, the Bay Company fitted out three ships conveying about four hundred persons and arriving at Salem in June. Endicott sent a small party to effect a settlement on the Bay in Mishawum, afterward named by the settlers Charlestown, the first town in New England to assume the town polity, Plymouth and Salem being governed by a governor and council. Endicott was appointed in London as the first resident governor on April 30, 1629. The Massachusetts Bay Company was reorganized in London on October 20, 1629, when John Winthrop was chosen as governor. He arrived at Salem on June 12, 1630, soon proceeded to Charlestown with a large following and finding that place unsuitable, finally settled in Boston. Winthrop served thirteen years as governor in four different periods ending in 1649 and Endicott fifteen years at various times ending in 1665. Other governors were Thomas Dudley, Richard Bellingham, John Haynes, Henry Vane, John Leverett and Simon Bradstreet, the latter serving twelve years until 1692 when the Bay Colony and the Plymouth Colony were merged, becoming the Royal Province of Massachusetts Bay, which existed eighty-two years to 1774, the governors being appointed by the King.

The name, Massachusetts, is Indian and signifies "near the big hills."

POPULATION OF CITIES OF OVER 300,000, 1930.

New York, 6,930,446, an increase of 1,310,398 or 23.3 per cent over 1920, divided thus: Brooklyn Borough, 2,560,401; Manhattan, 1,867,312; Bronx, 1,265,258; Queens, 1,079,129; Richmond, \$158,346. Other cities, with increase over 1920: Chicago, 3,376,438 (increase 674,733 or 25.0 per cent); Philadelphia, 1,950,961 (increase 127,182 or 7.0 per cent); Detroit, 1,568,662 (inc. 574,984 or 57.9 per cent); Los Angeles, 1,238,048 (inc. 661,375 or 114.7 per cent); Cleveland, 900,429 (inc. 103,588 or 13.0 per cent); St. Louis, 821,960 (inc. 49,063 or 6.3 per cent); Baltimore, 804,874 (inc. 71,048 or 9.7 per cent); Boston, 781,188 (inc. 33,128 or 4.4 per cent); Pittsburgh, 669,817 (inc. 81,474 or 13.8 per cent); San Francisco, 634,394 (inc. 127,718 or 25.2 per cent); Milwaukee, 578,249 (inc. 121,102 or 26.5 per cent); Buffalo, 573,076 (inc. 66,301 or 13.1 per cent); Washington, 486,869 (inc. 49,298 or 11.3 per cent); Minneapolis, 464,356 (inc. 83,774 or 22.0 per cent); New Orleans, 458,762 (inc. 71,543 or 18.5 per cent); Cincinnati, 451,160 (inc. 49,913 or 12.4 per cent); Newark, 442,337 (inc. 27,813 or 6.7 per cent); Kansas City, Mo., 399,746 (inc. 75,336 or 23.2 per cent); Seattle, 365,583 (inc. 50,271 or 15.9 per cent); Indianapolis, 364,161 (inc. 49,967 or 15.9 per cent); Rochester, N. Y., 328,132 (inc. 32,382 or 10.9 per cent); Jersey City, 316,715 (inc. 18,612 or 6.2 per cent); Louisville, 307,745 (inc. 72,854 or 31.0 per cent); Portland, Oregon, 301,815 (inc. 43,527 or 16.9 per cent).

PROCEEDINGS OF SCHOOL COMMITTEE.

Jan. 20, 1936.

A regular meeting of the School Committee of the City of Boston was held in the Administration Building, 15 Beacon Street, at 7:40 o'clock, the Chairman presiding.

Present. Messrs. Lyons, Mackey, Smith, Sullivan and Tobin.

AMENDMENT AND APPROVAL OF MINUTES

On motion, the minutes of Jan. 6, 1936, were amended on page 8 to provide that the transfer of Anna V. Doyle shall read to take effect Jan. 3, 1936, and the transfer of Irma E. Loewenstein shall read to take effect Jan. 2, 1936.

The reading of the minutes of the meetings of Dec. 16 and 27, 1935, and Jan. 6, 1936, was omitted, the Committee approving them as printed, as amended.

APPROVAL OF APPOINTMENTS

The Chairman stated the question was on approving the appointments of teachers, as reported by the Superintendent and laid over at the previous meeting.

The appointments were approved.

DEATHS

The Superintendent reported the deaths of the following-named teachers:

Edmund P. Tileston District—Gertrude M. Glynn, first assistant, kindergarten, Jan. 3, 1936.

Wells District—Aloys B. Tierney, master's assistant, Jan. 5, 1936. Placed on file.

The Superintendent reported the he has assigned the following-named teachers who had been retired on pension:

Bowditch District—Mary E. MacDonald, Jan. 5, 1936.

George Putnam District—Amaritta E. Esilman, Dec. 17, 1935.

Norcross District—Mary R. Roberts, Jan. 1, 1936; Susan E. Mace, Jan. 8, 1936.

Placed on file.

RESIGNATION

The following resignation, reported by the Superintendent to take effect on the date stated, was presented:

Speech Improvement Classes—Alice H. Kelley, assistant, Dec. 23, 1935.

Accepted.

RETIREMENT ON PENSION

A communication was received from the Superintendent, under date of Jan. 20, 1936, reporting the retirement from active service of M. Isabel Harrington, assistant, elementary, Gaston District, a member of the Boston Retirement System, to take effect Jan. 31, 1936, as certified by the Boston Retirement Board, under date of Jan. 15, 1936.

Placed on file.

LIST OF TEACHERS APPROVED FOR TEMPORARY SERVICE

The Superintendent submitted, under the provisions of Section 265, paragraph 3 of the regulations, the following additions to the list of teachers approved by him from which assignments may be made for temporary service:

Day High Schools—Paul G. Crotty, P. Joseph Mullen, Eileen E. O'Neill, Mary G. Sweeney.

Day Intermediate Schools—Claire M. Fitzpatrick, Helen E. Hartford, Mary E. Haverty, Leo A. Hogan, Mary A. Mulcahy.

Kindergartens—Lillian A. Cohen, Nora Levine, Rose Perlmuter.

Continuation and South End Intermediate Schools—Matilda A. Camer, Edith Keeler, Francis X. Murphy, Katherine A. Riley.

Boston Trade School—George Gold.

Speech Improvement Classes—Ruth L. Goldman.

Classes for Conservation of Eyesight—Florence I. B. Herman, Dorothy M. Killion, Evelyn V. Penta.

Department of Music—Thomas F. Devenney.

Approved.

Teaching Assistants

Day Elementary Schools—Isabel A. Downey, Patricia F. Kelleher, Marion J. Welch.

Approved.

TEMPORARY TEACHERS

Dorchester High School for Boys—George Thomson, co-operative instructor, Jan. 3, 1936.

East Boston High School—Frank J. Celona, co-operative instructor, Dec. 23, 1935.

South Boston High School—George Thomson, co-operative instructor, Jan. 16, 1936.

Approved.

SPECIAL ASSISTANTS

(New appointment)

Continuation School—Patrick J. Fahy, mechanical department, Jan. 15, 1936.

Approved.

On motion of the Superintendent, it was

ORDERED, That the employment of George Thomson as special assistant in the mechanical department, Continuation School, on Jan. 10, 1936 (one day), is hereby authorized, compensation for such service to be at the rate of four dollars (\$4) per day.

TOOLKEEPER

A communication was received from the Superintendent, under date of Jan. 20, 1936, reporting that subject to the approval of the School Committee, he has appointed George M. Oliver as toolkeeper in the Saturday morning class for apprentices in sheet metal work in the South Boston High School, to take effect Jan. 4, 1936.

Approved.

DEPARTMENT OF EXTENDED USE OF PUBLIC SCHOOLS

Term 1935-36

A communication was received from the Superintendent, under date of Jan. 20, 1936, reporting that he has assigned the following-named persons to serve in the Department of Extended Use of the Public Schools for the term 1935-36.

Leaders—Mary Milgroom, Jan. 2, 1936; George H. Kearney, Anna T. Mulry, Eleanor L. Prendergast, Jan. 15, 1936; Marjorie V. Muller, Jan. 17, 1936.

Assistant Leaders—Peter J. Lydon, Nov. 30, 1935; Walter E. Healy, Dec. 1, 1935; Rosina Harcourt, Jan. 3, 1936.

General Helpers—Henry F. Bamberg, James M. Barry, John M. Boyle, Edith M. Davis, George F. Fuller, Morris M. Goldberg, William F. A. Graham, William L. Hughes, Samuel Levin, John J. Mahoney, John F. McCarthy, Charles J. Moloney, Julia A. Murphy, Robert Murphy, Joseph P. O'Reilly, David Wyman, Jan. 11, 1936; Walter E. Healy, Dec. 23, 1935; Edward Dowd, Isadore Ginsburg, Jan. 15, 1936.

Helpers—Edward Dowd, George F. Fuller, Peter A. Hoban, John M. Hogarty, George A. Kelley, John J. Keohane, Ambrose T. Waul, Jan. 11, 1936.

Attendants—Daniel J. Campbell, Henry F. Lyons, Jan. 6, 1936.

Approved.

TRANSFERS

A communication was received from the Superintendent under date of Jan. 20, 1936, reporting that subject to the approval of the School Committee, he has made the following transfers of teachers:

Frances M. Garvey, assistant, special class, Samuel Adams District, to the same position in the Henry Grew District, Jan. 27, 1936.

Jane Hay, assistant, intermediate, Hyde District, to the position of assistant, elementary, in the Theodore Roosevelt Intermediate District, Jan. 27, 1936.

Helen Kapff, assistant special class, Hancock District, to the same position in the Samuel Adams District, Jan. 27, 1936.

Gladys M. MacFaden, assistant, kindergarten, Theodore Lyman District, to the same position in the Edmund P. Tileston District, Jan. 27, 1936.

Frances L. Quinn, first assistant, kindergarten, Henry Grew District, to the same position in the Edmund P. Tileston District, Jan. 27, 1936.

Madeline R. Sullivan, assistant, kindergarten, Edward Everett District, to the same position in the Gilbert Stuart District, Jan. 27, 1936.

Ida G. Thurston, first assistant, kindergarten, Norcross District, to the same position in the Henry Grew District, Feb. 3, 1936.

Mary F. Watson, assistant, kindergarten, Beethoven District, to the same position in the Lowell District, Jan. 27, 1936.

Approved.

LEAVES OF ABSENCE

On the report of the Superintendent, leave of absence for study

was granted each of the following-named teachers for the term specified:

Public Latin School—Thomas R. Pennypacker, junior master, from Feb. 3, 1936, to August 31, 1936, for study.

Michelangelo Intermediate District—Theresa O'Neil, assistant, intermediate, from Feb. 3, 1936, to August 31, 1936, for study.

HOME INSTRUCTION OF PHYSICALLY HANDICAPPED CHILDREN

A communication was received from the Superintendent, under date of Jan. 20, 1936, reporting that subject to the approval of the School Committee, he has assigned Doris P. Kennard, temporary teacher, for home instruction of physically handicapped children, to take effect Jan. 20, 1936.

Approved.

DESIGNATIONS

A communication was received from the Superintendent, under date of Jan. 20, 1936, reporting that he has made the following designations of teachers to serve in the positions indicated until such time as they shall be filled otherwise in accordance with the rules and regulations but not beyond Aug. 31, 1936:

John Winthrop District—Mary E. Nugent, assistant, elementary, as acting master's assistant (vice Anna T. O'Brien, absent on leave), Dec. 9, 1935.

Wells District—Frances W. Weeks, assistant, elementary, as acting master's assistant, Jan. 6, 1936.

Placed on file.

TERMINATION OF SERVICE IN TWO-SESSION KINDERGARTEN

A communication was received from the Superintendent, under date of Jan. 20, 1936, reporting that, subject to the approval of the School Committee, he has terminated the service of the following-named teacher in the afternoon sessions of the kindergarten indicated, to take effect on the date stated:

Norcross District—Ida G. Thurston, first assistant, kindergarten, Jan. 31, 1936.

Placed on file and the termination of service approved.

ESTABLISHMENT OF CLASSES IN PIPEWELDING

On motion of the Superintendent, it was

ORDERED, That during the school year ending Aug. 31, 1936, the Superintendent is hereby authorized, in his discretion and in cooperation with the State Department of Education, to conduct classes in pipewelding for plumbers and steamfitters, in the Boston Trade School on Wednesday and Friday evenings from 7:30 o'clock to 10 o'clock, the cost of the instructors' salaries to be covered by federal funds administered by the Commissioner of Education,

by special distribution to the City of Boston, and reimbursement made by the State Department of Education to the City of Boston for all other expenses in connection with the maintenance of the classes in the amount of fifty per cent (50%).

On motion of the Superintendent, it was

ORDERED, That the employment of not more than two instructors in the classes in pipewelding for plumbers and steamfitters, conducted in the Boston Trade School, is hereby authorized; compensation to be at the rate of five dollars (\$5) a session of two and one-half hours.

A communication was received from the Superintendent, under date of Jan. 20, 1936, reporting that subject to the approval of the School Committee and in accordance with the foregoing orders, he has appointed the following-named persons to the classes in pipewelding for plumbers and steamfitters in the Boston Trade School, to take effect on the date stated:

J. Walter Callahan, George V. Sharp, temporary instructors, Jan. 22, 1936.

Approved.

DISCONTINUANCE AND ESTABLISHMENT OF SPECIAL CLASSES

A communication was received from the Superintendent, under date of Jan. 20, 1936, reporting that he has discontinued a special class in the Hancock School, Hancock District.

Placed on file.

A communication was received from the Superintendent, under date of Jan. 20, 1936, reporting that subject to the approval of the School Committee, he has established an additional special class, in the Damon School, making two in all in the Henry Grew District, to take effect Jan. 27, 1936.

Approved.

BOUNDARY LINES

On motion of the Superintendent, it was

ORDERED, That the boundary lines of the following-named schools are hereby amended to read as follows:

The Dorchester High School for Girls receives girls who reside within the limits of the following-named districts: Frank V. Thompson Intermediate; Grover Cleveland Intermediate; Oliver Wendell Holmes Intermediate; Solomon Lewenberg Intermediate; and Woodrow Wilson Intermediate.

The Jeremiah E. Burke High School for Girls receives girls who reside within the limits of the following-named districts: Christopher Gibson; Edward Everett; John Winthrop; Mather, north of the Grover Cleveland boundary; Phillips Brooks, east of Blue Hill avenue; Theodore Roosevelt Intermediate, east of Elm Hill avenue; and William E. Russell.

The Roxbury Memorial High School (Girls) receives girls who reside within the limits of the fol-

lowing-named districts: Dearborn; Dillaway; Hugh O'Brien; Hyde; Jefferson; Lewis Intermediate; Martin; Phillips Brooks, west of Blue Hill avenue; and Theodore Roosevelt Intermediate, west of Elm Hill avenue.

The Superintendent explained that these are minor changes, merely to strike out small angles in the district lines that were not taken care of before.

PAYMENT OF SALARY DUE AT DEATH

On motion of the Superintendent, it was

ORDERED, That the salary due Kathryn E. G. Barry, late assistant, elementary, in the Hancock District, be paid to her sister, Deborah F. Barry.

TRANSFERS OF APPROPRIATIONS

The following communication was presented:

City of Boston—Department of School Buildings

January 13, 1936.

School Committee,
City of Boston,
15 Beacon Street,
Boston, Mass.

Under date of January 8th, 1936, the School Committee forwarded to the Board of Commissioners of School Buildings the following proposed order:

ORDERED, That from the sum of \$145,000 appropriated by the School Committee, April 9, 1934 (see p. 51), for Item 7, 1934—Joseph H. Barnes Intermediate District, East Boston: Construction of nine-classroom addition to East Boston High School, the sum of \$9,000 is hereby transferred and added to the appropriation in the sum of \$185,000 for the new Lucy Stone School, Dorchester, John Marshall District, P. W. A. Docket Number Mass. 1089, which appropriation was made by the School Committee November 18, 1935, out of the sum appropriated by the City Council by order passed on October 3, 1935, and October 28, 1935, and approved by the Mayor October 29, 1935.

The above order was necessary in order to provide the money for the erection of the Special Class Center, John Marshall District, Lucy Stone School. The amount approved for this school was not sufficient to meet the lowest bid for the same and it was necessary to provide additional money. The above sum was transferred from the balance remaining from former appropriation for the Joseph H. Barnes Intermediate District (East Boston High School Addition) to make up the deficit and the Board of Commissioners of School Buildings voted to approve said transfer.

Very truly yours,

Board of Commissioners of School Buildings,

By Richard J. Lane,
Chairman.

Placed on file.

The following was offered:

ORDERED, That from the sum of \$145,000 appropriated by the

School Committee April 9, 1934 (see p. 51), for Item 7, 1934—Joseph H. Barnes Intermediate District, East Boston: Construction of nine-class-room addition to East Boston High School, the sum of \$9,000 is hereby transferred and added to the appropriation in the sum of \$185,000 for the New Lucy Stone School, Dorchester, John Marshall District, P.W.A. Docket Number Mass. 1089, which appropriation was made by the School Committee November 18, 1935, out of the sum appropriated by the City Council by order passed on October 3, 1935, and October 28, 1935, and approved by the Mayor October 29, 1935.

Passed by the following vote:
YEAS—Messrs. Lyons, Mackey, Smith, Sullivan, and Tobin—5.
NAYS—0.

The following communication was presented:

City of Boston—Department of School Buildings
January 20, 1936

School Committee,
City of Boston,
15 Beacon Street,
Boston, Mass.

Gentlemen:

Under date of January 16, 1936 the School Committee of the City of Boston forwarded to the Board of Commissioners of School Buildings the following proposed order:

ORDERED, That of the amounts appropriated by the School Committee under date of February 7, 1927 (see pp. 40-41), the following amount is hereby transferred to the 1925 item of school accommodations listed below:

FROM

Item 4, 1927—Bennett District, Brighton: Land for intermediate school\$1,594.62

TO

Item 11, 1925—John Marshall District, Dorchester: Construction of twelve-room building, kindergarten and Grades 1 to VI (Item 24, 1923, as amended June 19, 1923; Item 31, 1923; Item 18, 1924)\$1,594.62

This is necessary to meet the balance due on an execution of Court which was issued November 30, 1935. The amount of the execution with expert services is \$7050. A reserve balance on this account was kept open in this department in the sum of \$5,455.38 but it is necessary to transfer the sum called for in the order to meet the balance due under this execution.

This is another instance of being obliged to meet an obligation which was larger than the reserve set up and shows how necessary it is to keep sufficient balances in this department to meet obligations such as this transfer.

The Board of Commissioners of School Buildings acting under authority of Chapter 351 of the Acts of 1929 have voted to approve the foregoing order.

Very truly yours,
Board of Commissioners of School Buildings,

By Richard J. Lane

Placed on file.

The following was offered:

ORDERED, That of the amounts appropriated by the School Committee under date of February 7, 1927 (see pp. 40-41), the following amount is hereby transferred to

the 1925 item of school accommodations listed below:

FROM

Item 4, 1927—Bennett District, Brighton: Land for intermediate school\$1,594.62

TO

Item 11, 1925, John Marshall District, Dorchester: Construction of twelve-room building, kindergarten and Grades 1 to VI, Item 24, 1923, as amended June 19, 1923; Item 31, 1923; Item 18, 1924)\$1,594.62

Passed by the following vote:
YEAS—Messrs. Lyons, Mackey, Smith, Sullivan and Tobin—5.
NAYS—0

EXTENSION OF COAL CONTRACTS

A communication was received from the Business Manager, under date of Jan. 17, 1936, reporting that at the meeting of Jan. 6, 1936, he submitted orders extending fuel contracts, as is customary, to cover the heating season of 1935-36. Dr. Lyons wished to know the total amount involved in extending these contracts; however, as this is a question that the Business Manager or no other authority could answer accurately, the answer would have to be an estimate. The Business Manager gave as his estimate at the meeting of Jan. 6, 1936, the sum of \$150,000. The amount involved in extending these fuel contracts to cover the same period in 1935 was \$152,683.65. The Business Manager now believes that his estimate was conservative based on past experience. Weather conditions always enter into the consumption of fuel over any given period during the heating season.

Placed on file.

LEAVES OF ABSENCE TO CUSTODIANS

A communication was received from the Schoolhouse Custodian, under date of Jan. 20, 1936, recommending that the leave of absence on one-half net compensation granted to Robert W. Green, custodian of the Martha A. Baker School-house, be extended for the further period Jan. 1 to Mar. 14, 1936, because of personal illness.

Placed on file and leave of absence on one-half net compensation granted for the period specified.

A communication was received from the Schoolhouse Custodian, under date of Jan. 20, 1936, recommending that the following-named custodians be granted leave of absence on one-half net compensation for the periods specified because of personal illness:

John D. Devine, custodian, Phineas Bates School-house, Jan. 3 to 11, 1936.

Robert T. F. Griffin, custodian, William Brewster School-house, Dec. 8 to 11, 1935.

James V. Manning, custodian, Henry L. Higginson School-house, Jan. 14 to 16, 1936.

James D. McMahan, custodian, Rochambeau School-house, Jan. 13 to 18, 1936.

William G. Ryberg, custodian, B. F. Tweed School-house, Dec. 11 to 31, 1935.

Placed on file and leave of absence on one-half net compensation granted for the periods specified.

TRANSFERS OF CUSTODIANS

A communication was received from the Schoolhouse Custodian, under date of Jan. 20, 1936, recommending that the transfer of James S. Reardon from the William Bradford to the Franklin School-house, approved at the meeting of Jan. 6, 1936 (see p. 12), be rescinded.

Placed on file and the action approving the transfer rescinded.

A communication was received from the Schoolhouse Custodian, under date of Jan. 20, 1936, recommending that George F. Dever, custodian, Philip H. Sheridan School-house, who stands at the head of the list, be appointed to the Franklin School-house, to take effect Jan. 17, 1936.

Placed on file and the transfer approved, to take effect on the date stated.

ADDITIONAL COMPENSATION TO CUSTODIANS

A communication was received from the Schoolhouse Custodian, under date of Jan. 20, 1936, recommending the passage of an accompanying order to provide for additional labor required of the custodian of the Girls' High Annex because of the regular occupancy of that building for W. P. A. Educational Activities.

Placed on file.

On motion, it was

ORDERED, That beginning Dec. 1, 1935, the custodian of the Girls' High Annex be allowed two dollars (\$2) per school day in addition to his regular compensation as certified each week by the Schoolhouse Custodian to the Business Manager, during such time as the building is occupied by W. P. A. educational activities.

A communication was received from the Schoolhouse Custodian, under date of Jan. 20, 1936, recommending the passage of an accompanying order to provide for additional compensation to the custodian of the Glenway Schoolhouse for extra services required of him because of the regular occupancy of the Glenway School Annex by the Public Welfare Department.

Placed on file.

On motion, it was

ORDERED, That beginning Dec. 1, 1935, the custodian of the William E. Endicott and Glenway Schoolhouses be allowed five dollars (\$5) per week in addition to his regular compensation as certified each week by the Schoolhouse Custodian to the Business Manager, during such time as the building is occupied by the Department of Public Welfare of the City of Boston.

The Superintendent stated that the Welfare Department will reimburse the School Department for this expenditure.

CHARLESTOWN FREE SCHOOL FUND

A statement of the receipts and expenditures of the Charlestown Free School Fund for the year ending Dec. 31, 1935, as submitted by the Treasurer of the Corporation, for that year, Mr. Frederick R. Sullivan, was presented, the balance to new account being \$11,078.93.

Placed on file and the Chairman authorized to approve the same and to certify the sums and securities belonging to said Fund and in the possession of the Treasurer.

On motion, it was

ORDERED, That the Chairman of this Committee, as President of the Corporation, is hereby authorized to certify to the transfer of the custody of the several bonds, bank books, and cash belonging to the Charlestown Free School Fund, amounting to \$11,078.93, from the former Treasurer, Mr. Frederick R. Sullivan, to the present Treasurer, Mr. Henry J. Smith.

On motion, it was

ORDERED, That Mr. Henry J. Smith, Treasurer of the School Committee of the City of Boston, shall have the right of access to Safe No. 6238 in the vaults of the Security Safe Deposit Company, standing in the name of The School Committee of the City of Boston.

UNFINISHED BUSINESS

The following motion offered by Mr. Smith at the meeting of Jan. 6, 1936, was taken up:

That Section 16 of the Rules be stricken out and that the following be inserted in place thereof:

Sect. 16. 1. The sessions of the School Committee shall be open at all times to the public and to the press but the School Committee may at any time, by a four-fifths vote, go into executive session to discuss anything which might prove damaging to a person's character, etc. It shall, however, pass no votes in executive session.

Dr. Lyons: I don't quite grasp the difference between Mr. Smith's proposed amendment and the present rule.

Mr. Smith: I asked a ruling of the Chair two weeks ago tonight as to the Chair's interpretation of Section 16. The Chair interpreted that the Committee could go into executive session for any matter at all by four-fifths vote of the Committee. I said if that is your interpretation I shall make this motion—that it only go into executive session to discuss a person's character or something private about candidates or employees of the School Department.

Dr. Lyons: It is a pretty broad field, of course. I said I was in hearty accord with Mr. Smith's purpose and I am now, but it is such a broad field that we may differ as to what might prove to be discussion of an individual's character, or other things which might come out in very commonplace matters. I wish, Mr. Chairman, Mr. Smith, that we could reach some decision tonight that we may establish procedure to be followed. That is where the difficulty now is.

Chairman: If I understand Dr. Lyons rightly, what he seeks is a clearer explanation of just what Mr. Smith means by "personal matters." What matters, for example, would you take out of our present docket to put into conference or executive session?

Mr. Smith: I haven't your present docket, not having attended the conference tonight, so I cannot answer your question intelligently.

Dr. Lyons: I am still in hearty accord with your purpose. I say, as far as I am concerned, most matters on this conference sheet could be discussed in open meeting, but among those are some on which we might get far afield and into discussion of personalities—that is the thing I am trying to iron out. I don't see why we can't allow present Section 16 to stand. Of course as it reads it isn't quite as binding as your proposal, but it actually would be as binding because if your motion carries we still will have to decide what has reference to individuals, and what we should discuss downstairs.

Chairman: I think you are right.

Dr. Lyons: I cannot see how we are going to iron that out. We have the teeth in there now.

Chairman: Isn't it, rather than changing a word in the regulations, more a changing of the matter which the members would want to bring into public meeting? I have understood for two years that every item that came to us in conference could, at the option of any member of the Committee, be brought down to public meeting. Many of our items have been brought to public meeting and the fact that some were not was because no member of the Committee saw fit to exercise such an option, or thought it necessary to exercise such an option. There have been no restrictions on any member. If the members wish to make greater use of the public meeting, I think it would be helpful at the present time to this Committee, and I think also it would give the people of Boston a better idea of what we are trying to do in the School Department.

Dr. Lyons: May I ask how about our budget, for example?

Chairman: If you want my idea—our budget has taken long hours in previous years. I feel that sitting down around a table we can accomplish more, get the work done more quickly and more effectively than we could in public meeting. I believe we should take the budget up in conference, and when we have discussed it thoroughly, put the item in public meeting in cases where there is disagreement between members—put arguments on both sides before the public, so that not only the public but the people within the School Department can get an idea of what the Committee is thinking concerning their expenditures.

Dr. Lyons: I was just about to bring out the privilege of a member to discuss in public meeting whatever he sees fit. If Section 16 remains as it is and such a matter as the budget were to be gone over—I can see the Chair-

man's point there—we couldn't have public meetings here where we must go through regular procedure, ordinary processes, notification to members in advance, etc., I wonder how the members would consider in a matter such as the budget, allowing the Press in the conference room, the Press bringing to the public whatever news you might feel you had to give.

Mr. Smith: What objections have you to discussing the budget in public meeting?

Dr. Lyons: I haven't any.

Mr. Tobin: I think that probably Mr. Smith misunderstands Dr. Lyons' intention. The budget comprises about two hundred pages and consists of thousands of items. The School Committee for the past several years, due to the depression, has gone over this budget in great detail and compelled each department head and the Board of Apportionment to prove the need for every appropriation requested. In considering these matters in Committee we were enabled to arrive at an impartial judgment. I think that if we came into open public meeting, all the self-interested minority groups that were affected would be able to bring pressure upon the Committee that might result in expenditures far in excess of those necessary during the past several years. I feel that the School Committee should be entitled to the same privilege enjoyed by every deliberative assembly in the world. Every legislative body has to refer to committees detailed study of problems that come before the body for consideration. It would be impossible for me to give the consideration I feel the budget requires here in the open public meeting. I feel that I can study those problems in the quiet of the Committee with the officers of the Board,—the Business Manager, Secretary, and Superintendent of Schools, in much better fashion for the benefit of the entire system than to attempt to do it right out here in the open public meeting. There are many other matters that come before the Committee for consideration, such as the suspension of the rules to give preference to particular groups. I think those matters are not in order until such time as the majority of the members of the Committee are prepared to suspend the rule. I feel the rules are adequate; more liberal on subject of publicity than you will find affecting the deliberations of any legislative group in this country or any other part of the world, and for this reason I prefer to see the rules stand as they are at the present time.

Dr. Lyons: I threw that on the table for discussion—the only way to get procedure started. Under those conditions I'd like to ask Mr. Smith again how he'd feel about that. After Mr. Tobin's explanation, I still say, Mr. Smith, that I am perfectly satisfied to take that budget downstairs. I would like to see how you feel about Mr. Tobin's explanation. I think it has some merit, great merit perhaps.

Mr. Tobin: I'd like to point out that the entire budget in its finished form has to come before this body in public meeting. Within

one day it is printed and made available to any citizens of the city who desire to read it. Every single item down to the expenditure of the last penny is there. It describes in detail the number of teachers in each school building, the amount of money paid to each teacher—probably as detailed a budget as is made available in any public department in the whole of the United States. In the Legislature, the Committee on Ways and Means spends four to five months in executive session going over the individual items presented by the respective departments, and comes out at the end of their deliberations, probably in the month of May, after meeting five days a week, with a completed budget, and that is presented to the Legislature for its consideration. To attempt to go through such a tremendous budget in the open public meeting would call for the printing of twenty to thirty pages of conference notes each night. The cost alone would be prohibitive, and I feel that since the School Committee comes into open public meeting with its entire budget, every item in detail, those who have any objections have an opportunity to express themselves before the passage of that budget.

Mr. Smith: Are we compelled by law to print in the Boston Record the minutes of the meeting?

Mr. Tobin: Section 17 reads: The minutes of the School Committee shall be published and distributed under the direction of the secretary.

Mr. Smith: That doesn't answer my question.

Chairman: Under the law the minutes must be published in the City Record.

Mr. Smith: Mr. Tobin spoke of pressure of minority groups in the discussion of this budget. Of course I feel that minority groups have a license to be heard also. I cannot see why we cannot accomplish just as much down here in the open meeting as we can in a conference on the matter of the budget. After all, we don't have to brook any interference from the floor. We are a committee in ourselves. Nobody can address us from the floor unless we give permission. I don't see why we cannot accomplish just as much down stairs as upstairs.

Dr. Lyons: May I ask the member who hasn't attended the conference tonight if he will take a copy of the conference sheet that we had before us tonight—

Mr. Smith: A copy was just handed to me. I don't have to turn a page. Item 3 is a report on the eligibility of a certain gentleman—

Dr. Lyons: I'd say that was out.

Mr. Smith: I would say it ought to be discussed in executive session.

Dr. Lyons: How about Item 1, Legislative matters?

Mr. Smith: Perfectly all right in the open.

Dr. Lyons: May I ask if any member sees objection to public discussion of legislative matters so that it might be inadvisable for us to take up legislative matters on which we are working far ahead of hearings? Might it adversely affect what we wanted done? Would there be possibility of that?

Chairman: No objection, but I

want to say—we receive information on legislative matters from Mr. Downey who acts as our legislative agent. We have discussion upstairs. Now any member can bring those matters down to public meeting—can go on public record as they do in the Legislature on those same matters. I don't see where the wording of our Rules and Regulations—where changing the wording changes the power that any member now has to bring those matters down here.

Dr. Lyons: I agree with you, but our purpose tonight is to try to get under way. Why couldn't we start by having legislative matters presented here in the future? On second thought, I do see one objection. Say information is brought to the Committee in conference concerning a matter which is before the Legislature and where immediate action or interest on the part of the Committee is necessary. That could not be put off until the next public meeting, but so far as I am concerned, simply in order to make a start, I am willing to agree that legislative matters shall be discussed down here if Mr. Smith desires that procedure.

Mr. Smith: If you want to start something, I'd like a vote on my motion.

Mr. Tobin: In order to clarify my position: If the question was merely one of disposing of the Committee's business in public, I would be heartily in favor of Mr. Smith's motion. I have been a member of the Committee for the past four years and long before now would have proposed it if I thought it advisable. Every appointment the Committee makes is made in public. Every dollar appropriated is appropriated in public. Every transfer of money from one item to another is made in public. Every bit of business that actually affects the Boston School Department has to be conducted here in public meeting. But under the present provision the Boston School Committee is given opportunity to study these questions as a committee of the whole prior to bringing the completed form into the public meeting, and to deprive them of that privilege would place them under a handicap not to be found in any other deliberative assembly in the world. I don't think we should change the rules and regulations. I have full appreciation of the fact that my position is misunderstood by the public, but I have a duty to perform as a member of the Committee, and I do so for the best interests of the School Department and for the orderly presentation of the business of the School Committee.

Dr. Mackey: Four years ago when I first aspired to the office of member of the School Committee, due to the statements of a former member who had preceded me by some years, that he had thought it was advisable, I thought we should have all public meetings—

Mr. Tobin: We do have public meetings on every item—

Dr. Mackey: At all meetings we have had some conference with relation to personal matters. As a candidate for office I was of the

opinion of my predecessor, but after attending some ten or twelve conferences and getting familiar with the procedure, I agreed with the men and women who preceded me over a period of years, that conferences are necessary. Under the section as I understand it—Section 16—it is now the privilege of any member of this Committee to bring any item, personal, budgetary, or otherwise, before the public meeting. As Chairman of the Committee last year, I can remember numerous vital issues that came to the Committee on notice of an hour or so, when the members were called by the Secretary to meet with the Mayor, the Governor, or the Municipal legislative committee. Now as I understand the rules twenty-four hours' advance notice of public meeting is required. I know, as a member for four years, that it is impossible on occasions to give such notice. Therefore, not only for the citizens but for the pupils and the best interests of the Committee, I am voting against the motion to amend.

Dr. Lyons: I am opposed to the change in Section 16, but I assure Mr. Smith that I shall be glad to take into public meeting on any occasion any matter that I think should be discussed here. Most matters can be but I will reserve my decision to the immediate day, knowing from experience that many matters, even on some parts of our budget, might bring in personalities.

Chairman: Has Mr. Smith's motion been seconded?

It was pointed out that it had been seconded by Dr. Lyons at the previous meeting.

Dr. Lyons: With the feeling that I seconded that motion last time and having considered it very carefully in the interim, I shall have to withdraw that seconding. I cannot see what is to be gained by the motion. I think every tooth that is in Mr. Smith's order is in the present rule.

Mr. Tobin: I don't think Mr. Smith should be denied the opportunity to have it placed before the Committee, so out of courtesy to the new member, I shall second his motion, with the intention of voting against it, in order that it may be brought before the Committee for vote.

Dr. Lyons: I had thought of that but I thought I would prefer to withdraw it rather than to vote against it.

Question came on the passage of the following motion offered by Mr. Smith at the previous meeting:

That Section 16 of the Rules be stricken out and that the following be inserted in place thereof:

Sec. 16. 1. The sessions of the School Committee shall be open at all times to the public and to the press but the School Committee may at any time, by a four-fifths vote, go into executive session to discuss anything which might prove damaging to a person's character, etc. It shall, however, pass no votes in executive session.

The motion failed of passage by the following vote:

YEAS—Mr. Smith—1.

NAYS—Messrs. Lyons, Mackey, Sullivan and Tobin—4.

Dr. Lyons: I'd like to say that I still will bring to public meeting all matters that should be discussed here. The particular items we can determine only by going over the docket.

Mr. Tobin: I'd like to state that always when I have disagreed with any proposition in conference I have exercised my right to take it into public meeting.

Mr. Smith: I'd like to ask those in the majority who voted against my motion, if they would agree to inviting the Press into our conferences. I am sure no member of the Press would violate any confidence and it would give the public a feeling of assurance that nothing that would be detrimental to their welfare would be done in conference. I would therefore move: That the Press be invited to sit in on all conferences of the School Committee.

Dr. Lyons: I second the motion. I have mentioned it before and am in hearty sympathy with it. I will say this, qualifying my statement, I appreciate that in conference there may be many matters that should not be made public but I am perfectly satisfied to place my trust in the members of the Press and their sense of equity and realization of those matters, and leave it to their good judgment until such time as that confidence may be violated. With the Press present, if matters of a personal nature come up, either with an explanation, perhaps unnecessary to them at any time, that these are matters we would not want spread in the Press or on public records, I believe our wishes would be recognized by them and agreement lived up to.

Mr. Smith: I might add that I have complete confidence in the Press. However, we of course would reserve to ourselves the right that in case of anything of a personal nature which we would not want to take up before the Press, by a four-fifths vote or otherwise, to go into executive session, or ask the Press to leave the room for the moment. The Committee still would have that privilege.

Mr. Tobin: While I am inclined to agree with Mr. Smith's proposal, this is the first time I have heard it and in order that I may vote with intelligence on the question I ask that it be laid on the table for two weeks, to be taken up at the next public meeting of the School Committee.

Dr. Mackey: I second the motion, and would state as well that with all confidence in the Press, I realize that the divulging of names in relation to personal matters is a stimulus to the Press and the reporters present to gain the first story. That is no more than fair. I can say that each and every member of the Press, as I would do, would want to, as we call it, "shoot the story." The Press has always been welcome as far as I am concerned and has always received any information I could give. Therefore I say the same as Mr. Smith—our meetings are open to the Press except when we are discussing what we consider matters of a personal nature. I'd like

to have the motion held over for two weeks to decide whether or not I will change my opinion on the question.

The motion presented by Mr. Smith that the Press be invited to sit in on all conferences of the School Committee, was thereupon laid over to the next public meeting.

The Committee took up the following motion offered by Mr. Smith at the meeting January 6, 1936:

That Section 18 of the Rules be amended to read as follows:

Sec. 18. 1. The order of business at meetings of the School Committee shall be as follows, unless the School Committee shall direct otherwise:

(a) Approval of minutes of preceding meetings, as published and distributed under Section 17.

(b) Communications from the Mayor, City Council and other city departments.

(c) Communications from the Superintendent, Board of Superintendents, or other officers of the School Committee.

(d) Reports of committees

(e) Unfinished business of the preceding meeting.

(f) Motions, orders, resolutions, communications, petitions, new business, etc.

Mr. Smith: May I explain to the members again that the only change I am making is taking from the first order of business on the docket "Unfinished business of the preceding meeting" and substituting for it "Approval of minutes of the preceding meeting" and then I am placing "Unfinished business" down next to the last in the order of business.

Chairman: I see no objection to it. If you recall the explanation last week, "Unfinished business" has included appointments laid over from the previous meeting. If you would substitute in there "Appointments laid over from a previous meeting" and then next to the last "Unfinished business"—

Mr. Smith: What objection is there to placing all unfinished business next to the last? Just because it has always been done that way is no reason.

Mr. Tobin: I would like to hear from the Secretary on it.

Secretary: I don't think it makes any material difference whether appointments laid over are taken up at the beginning or at the end of the meeting, but I do think unfinished business should be the last item, not the second last.

Mr. Smith: I thought it should come before new business.

Secretary: As a matter of fact under the established procedure, all new business has preceded unfinished business.

Mr. Tobin: I would like to have Mr. Smith explain to the members of the Committee the reasons for this proposed change.

Mr. Smith: There is nothing in Section 18 that has anything to do with approval of the minutes of the previous meeting. It is not even listed. It should be the first order of business and probably always has been, but nevertheless it is not stated in your printed or-

der of business. That is the first. The only change I have suggested is to take "(a) Unfinished business" and put it in between "d" and "e," in other words, call "a," "e" and "e," "f."

Dr. Mackey: May I ask, Mr. Smith, why you want that?

Mr. Smith: In the first place, every organization takes up and approves the minutes of the preceding meeting at the start, does it not? Now there is no provision made for that in this section. I think there should be.

Dr. Mackey: As I understand it, we are following the rules of the Massachusetts House of Representatives, are we not, Miss Cronin?

Secretary: Practically. But each body may of course establish its own order of business.

Dr. Lyons: I just want to ask—Mr. Smith knows, no doubt, that we follow the procedure he suggests. What the member wants is to have it inserted in the section?

Mr. Smith: That is all.

Dr. Lyons: I don't see any objection to inserting it. It has always been followed in my six years on the Board—first item, approval of minutes of the preceding meeting.

Mr. Smith: That is the first thing. Have you Section 18 there? According to the way it is printed there "a" is "Unfinished business of the preceding meeting." I propose that "a" should be thrown back here in next to the last place. Miss Cronin has suggested to me that it be in the last place.

Chairman: May I put your question? The order of business as it comes up before us—it is the same business whether it comes first, last, always, or ever. May we vote on Mr. Smith's motion?

Mr. Tobin: Just one point has occurred to me and that is, the bulk of our unfinished business has to do with nominations laid over under the rules for a period of two weeks. I feel that it would be better to have appointments which are laid over taken up at the start of the meeting rather than at the end of the meeting.

Mr. Smith: Not under my setup. Old business will come in before new business.

Dr. Lyons: I will state again in regard to that section, I don't see the need of changing it. I am ready to vote. I agree with the previous speaker. To me it seems necessary to have appointments which have been laid over come at the beginning of the meeting as has been done.

Dr. Mackey: As to the proposed amendment; we will take first appointments. At conference these appointments are reported by the Superintendent. We go down to the public meeting. Those appointments are brought before the meeting and as a rule are laid over to the next public meeting. The next meeting comes. We will assume that we have a long docket, and I have yet to see a night on which we have completed every item on our docket, in a period of four years;—if we did not get to the unfinished business and the item—approval of appointments, etc.—those candidates would be delayed in beginning service for two or three weeks, with consequent

loss of salary. There is one item alone where unfinished business should continue to be Item "a", and there are others that I can bring forward on the same basis.

Mr. Tobin: I'd like to amend Mr. Smith's motion to read, substituting for "a," the Committee shall place first in the order of business, approval of minutes of the previous meeting, and that each succeeding item on the docket be continued in its present alphabetical order.

Mr. Smith: I second the motion.

Dr. Lyons: As I understand it, the thing is that the rule remains as it is, simply inserting "approval of minutes" as item (a).

Question came on the passage of the order as amended, to read:

ORDERED, That Section 18 of the Rules be amended to read as follows:

Sect. 18. 1. The order of business at meetings of the School Committee shall be as follows, unless the School Committee shall otherwise direct:

(a) Approval of minutes of the previous meeting.

(b) Unfinished business of the preceding meeting.

(c) Communications from the mayor, city council, and other city departments.

(d) Communications from the superintendent, board of superintendents, or other officers of the School Committee.

(e) Reports of committees.

(f) Motions, orders, resolutions, communications, petitions, etc.

The motion passed by the following vote:

YEAS—Messrs. Lyons, Mackey, Smith, Sullivan, and Tobin—5.

NAYS—0.

Mr. Tobin: If it would be in order to revert to the original proposal of Mr. Smith, I'd like to state that the discussion we have had here on a matter that we didn't have an opportunity to study in detail in conference, because Mr. Smith did not attend, is typical of the cases we would have in public at all times. That is the motive that has actuated me in proposing that this Committee retain unto itself the privilege enjoyed by every deliberative assembly.

Dr. Lyons: The discussion we had here tonight was for one purpose only—to try to get business under way. Now, may I ask what the attitude of the new member is to be?

Mr. Smith: I made a statement that I would not attend a conference until my motion was acted upon. My motion was acted upon and rejected tonight. Now if a conference is called, I shall abide by the Rules and Regulations and attend.

LIBRARY PRIVILEGES. THOMAS GARDNER SCHOOL DISTRICT

Superintendent: Mr. Chairman, may I make one statement? The children who live in the Thomas Gardner District in Allston, whether they attend parochial or public school, have been practically deprived of library service because their district is so far

from the branch library and can be reached only by crossing two very dangerous traffic arteries. The Master of the school, Miss O'Brien, and Mr. Lord, Librarian of the Boston Public Library, have arrived at an agreement by which the Library will send once a week an attendant from the Library with books that the children may borrow on their cards for a two-week period. A room will be furnished by the School Committee in the Thomas Gardner building and will be open on that afternoon to children whether in the parochial or public school. The room will never be open under our present agreement as a community library, but only for the children.

The Committee adjourned.
Attest:

ELLEN M. CRONIN,
Secretary.

COST OF UNEMPLOYMENT RELIEF.

The annual cost of various types of unemployment relief made by the National Industrial Conference Board, based on 3,500,000 relief cases, have been estimated at from a little less than \$1,000,000,000 for direct relief of the type received by more than half of the persons now on the relief rolls to over \$8,000,000,000 for public works relief, with full-time employment, at the "prevailing wage" rate. According to the report released February 28 the story is:

"The average cost of direct relief per case during the third quarter of the past year was at the rate of slightly over \$280 per year. At this annual rate the total cost for 3,500,000 cases would amount to \$989,000,000. The average cost of work relief has been around 50 per cent greater than the cost of direct relief. The average for the third quarter of 1934 was slightly over \$35 per month, or around \$420 per year. Continuous employment for 3,500,000 persons during a period of twelve months would cost \$1,475,000,000.

GOVERNMENT REPORTS ON ELECTRIC RATES.

Two government bodies reported on electric rates in February. Indeed, the joint legislative committee of New York included gas as well as power and light rates, finding them all unfavorable to the consumer. This was on February 15, and twelve days prior to this the Electric Rate Survey of the Federal Power Commission made public a set of comparative tables showing the widely differing rates effective on January 1, 1935, in the 191 cities of 50,000 or more, constituting 49 per cent of the residential customers in the United States. All communities of 1,000 or more will eventually be covered by June 30 next.

This latter survey, under the direction of William E. Mosher, shows that cities owning their own plants charge less than do the commercial utilities. In cities of 100,000 or more having the lowest rates, this was invariably the case. In these cities where rates were highest, Jacksonville was the only municipally served city.

A SQUARE DEAL IN ASSESSMENTS FOR TAXATION.

Many cities are finding it greatly to their advantage to have their tax valuations periodically overhauled. The first criterion of any assessment is equity. For every citizen who wants through "pull" or however else to get off easy, there are twenty, nay a hundred who want a fair and square deal for all.

The appraisal of city real estate is a highly technical affair.

Few things are more important than the equalization of assessments. Particularly in cities that are cramped by an inflexible debt or tax limit, an honest, full value assessment may be a great boon. Without the slightest raise in the tax rate a substantially greater tax yield may be had.

HISTORICAL DATA ABOUT WARDS.

The term "ward" first appears in a fire-protection order, approved by the Town on August 29, 1679, dividing the Town into 4 quarters with 2 wards each. The 8 wards had previously been military districts.

On August 11, 1713, the Selectmen "agreed upon a distribution of the Town into distinct Wards or Precincts."

On February 1, 1715, it was "voted to make a new division of the Town into eight distinct Wards."

On March 9, 1735, it was voted to divide the Town into 12 wards to facilitate the work of the Overseers of the Poor.

On March 13, 1822, the Selectmen divided the Town into 12 wards on the basis of the U. S. Census of 1820.

By an ordinance which took effect on the second Monday of December, 1838, there was a revision of the wards.

On April 29, 1850, the City Council accepted Chap. 167 of the Acts of 1850, which altered the wards on the basis of legal voters rather than on the number of inhabitants.

By ordinance taking effect on November 15, 1865 new ward lines were established.

In the annexation period, 1865-1875, the number of wards was increased from twelve to twenty-one.

By Chap. 243, Acts 1875, the City Council was ordered to cause a new division of the City into twenty-four wards in the year 1875 in such manner as to include an equal number of voters in each ward. This division was made, taking effect on December 13, 1875. On May 27, 1876, the City Council, in accordance with Chap. 242, Acts of 1876, divided one of the wards in two, making a total of 25 wards for the City.

By ordinance passed April 20, 1895, under authority of Chap. 437, Acts of 1888, and Section 96 of Chap. 417, Acts of 1893, ward lines were established on the basis of the number of voters registered at the City election of 1894, there still being 25 wards.

The annexation of Hyde Park, effective January 1, 1912, made an additional ward.

By enactment of December 28, 1914, under authority of Chap. 630, Acts of 1914, the City Council redivided the City into 26 wards.

The latest redivision, established December 30, 1924, under authority of Chap. 410, Acts of 1924, consists of 22 wards.

CITIES MAY SHARE VIRGINIA LIQUOR PROFITS.

Virginia cities are likely to have a new source of revenue if the state continues to pile up profits at the present rate. The liquor control act gives them two-thirds of the profits above \$1,675,000 per year after deducting sums for creating a surplus up to \$1,000,000. Profits from the liquor stores, says the *United States Municipal News*, have upset all previous estimates and "have confounded, as well, estimates of the members of the A. B. C. Board themselves who at the outset of the state's experiment said they feared no profits at all would result during the first year of operation."

SUPPLY DEPARTMENT.

PROPOSALS FOR FURNISHING ROOFING MATERIALS.

The Supply Department of the City of Boston invites proposals for furnishing to the Park Department, George Wright Golf Course, West street, Hyde Park, Mass., roofing materials, as per specifications to be obtained at the office of the Superintendent of Supplies, Room 801, City Hall Annex. *There will be a charge of twenty cents (\$0.20) for each blank proposal taken out.* The bidder must leave his proposal with a certified check for \$100, payable to and to become the property of the City of Boston if the proposal is not carried out, at the above office. A duplicate bid, without check, must be left at the office of the City Auditor prior to the time named for opening bids. The bids will be publicly opened and read on Thursday, February 27, 1936, at 12 m., at Room 801, City Hall Annex. The successful bidder must furnish a bond for one quarter the total estimated amount of the contract with a surety company authorized to do business in Massachusetts as surety for the faithful performance of the contract. The Superintendent reserves the right to accept or reject any or all bids, or any part of a bid, and to award the contract as he deems for the best interests of the city. All contracts made subject to appropriations to meet payments thereunder.

D. FRANK DOHERTY,

(Feb. 15.) Superintendent of Supplies.

W. P. A.

PROPOSALS FOR FURNISHING BUILDING MATERIALS.

The Supply Department of the City of Boston invites proposals for furnishing to the Park Department, George Wright Golf Course, West street, Hyde Park, Mass., building materials as per specifications to be obtained at the office of the Superintendent of Supplies, Room 801, City Hall Annex. *There will be a charge of twenty cents (\$0.20) for each blank proposal taken out.* The bidder must leave his proposal with a certified check for \$100, payable to and to become the property of the City of Boston if the proposal is not carried out, at the above office. A duplicate bid, without check, must be left at the office of the City Auditor prior to the time named for opening bids. The bids will be publicly opened and read on Friday, February 28, 1936, at 12 m., at Room 801, City Hall Annex. The successful bidder must furnish a bond for one quarter the total estimated amount of the contract with a surety company authorized to do business in Massachusetts as surety for the faithful performance of the contract. The Superintendent reserves the right to accept or reject any or all bids, or any part of a bid, and to award the contract as he deems for the best interests of the city. All contracts made subject to appropriations to meet payments thereunder.

D. FRANK DOHERTY,

(Feb. 15.) Superintendent of Supplies.

CITY OF BOSTON.

POLICE DEPARTMENT.

P. W. A. DOCKET No. 8200.

Sealed proposals will be received at the office of the Police Commissioner of the City of Boston until twelve o'clock noon, Eastern Standard time, March 4, 1936, for the installation of signal equipment for the Police Department of the City of Boston, at which time and place they will be publicly opened and read.

Specifications and form of proposal will be available to prospective bidders at the office of Jackson & Moreland, engineers, upon the deposit of thirty-five dollars (\$35), which deposit will be returned upon surrender of the documents to Jackson & Moreland within one week after the day upon which bids are received.

Proposals must be accompanied by a certified check payable to Eugene M. McSweeney, Police Commissioner, in the amount of two thousand dollars (\$2,000) which certified check, or the amount thereof, will be returned to the successful bidder upon execution and delivery of the agreement and bond and to each unsuccessful bidder within thirty calendar days from the day upon which the proposals are received, in each case upon application to the Property Clerk at Police Headquarters. A surety bond in an amount equal to one hundred (100) per cent of the contract price will be required.

The project is to be financed and constructed under the terms of the National Industrial Recovery Act and chapter 366, Massachusetts Acts of 1933, and attention is called to the Construction Regulations prescribed by P. W. A. Attention is called to the fact that not less than the minimum wage rates prescribed by the Federal Emergency Administration of Public Works must be paid on this project. The employment agency designated by the Government for this project is Massachusetts State Employment Service, 100 Nashua Street, Boston, Mass.

The rate per hour of the wages to be paid to mechanics, teamsters, chauffeurs and laborers in the work to be performed under the contract shall not be less than the rate of wages in the schedule determined by the Commissioner of Labor and Industries of the Commonwealth, a copy of which schedule is annexed to the form of contract referred to herein. Copies of said schedule may be obtained, without cost, upon application therefor at the office of the Police Commissioner or the office of Jackson & Moreland.

The right is reserved to reject any or all bids.

No award can be made without the approval of the Director, P. W. A. (Mass.)

By order of the POLICE COMMISSIONER OF BOSTON.

E. M. MCSWEENEY,
Police Commissioner.Jackson & Moreland,
Engineers,
31 St. James Ave.,
Boston, Mass.

SEALED PROPOSALS FOR \$2,425,000 CITY OF BOSTON LOANS.

GROUP "A"—\$675,000 COUPON SERIAL BONDS.
GROUP "B"—\$1,750,000 COUPON SERIAL BONDS.

BONDS EXEMPT FROM TAXATION IN MASSACHUSETTS AND FROM THE FEDERAL INCOME TAX.

TREASURY DEPARTMENT.
OFFICE OF THE CITY TREASURER.

CITY HALL, BOSTON, MASS., February 12, 1936.

In pursuance of the authority given by orders of the City Council of Boston and Acts of Massachusetts, the undersigned will receive proposals until 12 o'clock m., Eastern Standard Time, Monday, February 24, 1936, for the purchase of all but no part of the following described coupon serial bonds.

Group "A." Coupon Serial Bonds.

Bidder to name rate of interest in multiples of $\frac{1}{4}$ of 1 per cent; no bid to be less than par and accrued interest.

DEPARTMENTAL EQUIPMENT, \$675,000.

Order of the City Council of Boston of December 3, 1935. Payable \$135,000 annually, April 1, 1937, to April 1, 1941, inclusive.

Group "B." Coupon Serial Bonds.

Bidder to name rate of interest in multiples of $\frac{1}{4}$ of 1 per cent; no bid to be more than $\frac{3}{4}$ per cent or less than par and accrued interest, and a different rate of interest may be bid for all but no part of each purpose loan to be issued.

RECONSTRUCTION OF WATER PIPE TRENTLE AT CHELSEA NORTH BRIDGE, \$20,000.

Order of the City Council of Boston of October 29, 1935. Payable \$2,000 annually, April 1, 1937, to April 1, 1946, inclusive.

QUINCY MARKET BUILDING, FOUNDATION, IMPROVEMENTS, ETC., \$200,000.

Order of the City Council of Boston of November 22, 1935. Payable \$14,000 annually, April 1, 1937, to April 1, 1941, inclusive, and \$13,000 annually, April 1, 1942, to April 1, 1951, inclusive.

NEW INTERMEDIATE SCHOOL, ELIOT SQUARE, ROXBURY, \$400,000.

Order of the City Council of Boston of October 29, 1935. Payable \$20,000 annually, April 1, 1937, to April 1, 1956, inclusive.

NEW INTERMEDIATE SCHOOL, PHILLIPS BROOKS DISTRICT, DORCHESTER, \$400,000.

Order of the City Council of Boston of October 29, 1935. Payable \$20,000 annually, April 1, 1937, to April 1, 1956, inclusive.

CHELSEA STREET AND EASTERN AVENUE BRIDGE, \$300,000.

Order of the City Council of Boston of October 9, 1935. Payable \$15,000 annually, April 1, 1937, to April 1, 1956, inclusive.

SOUTH BOSTON HIGH SCHOOL ADDITION, \$200,000.

Order of the City Council of Boston of October 29, 1935. Payable \$10,000 annually, April 1, 1937, to April 1, 1956, inclusive.

SPECIAL CLASS SCHOOL, JOHN MARSHALL DISTRICT, DORCHESTER, \$100,000.

Order of the City Council of Boston of October 29, 1935. Payable \$5,000 annually, April 1, 1937, to April 1, 1956, inclusive.

ENGLISH HIGH SCHOOL, ALTERATIONS, NEW CATERIA, \$50,000.

Order of the City Council of Boston of October 29, 1935. Payable \$3,000 annually, April 1, 1937, to April 1, 1946, inclusive, and \$2,000 annually, April 1, 1947, to April 1, 1956, inclusive.

NEW DORCHESTER DISTRICT PUBLIC WELFARE BUILDING, \$40,000.

Order of the City Council of Boston of October 15, 1935. Payable \$2,000 annually, April 1, 1937, to April 1, 1956, inclusive.

NEW EAST BOSTON DISTRICT PUBLIC WELFARE BUILDING, \$40,000.

Order of the City Council of Boston of October 15, 1935. Payable \$2,000 annually, April 1, 1937, to April 1, 1956, inclusive.

All loans will be issued in Coupon Bond Certificates of \$1,000 each, and will be paid on the dates specified for each loan, all with interest payable semi-annually on the first days of April and October in each year, at the office of the City Treasurer, Boston.

In comparing bids, preference will be given to the bidder whose bid provides for the lowest net interest cost to the City (total interest for the duration of the loan from April 1, 1936, less the amount of premium bid).

The bonds will be dated April 1, 1936, and will be ready for delivery and payment on or about

April 1, 1936. Interest will begin April 1, 1936, and will cease on the dates on which the bonds are payable.

These bonds are exempt from taxation in Massachusetts and from the Federal Income Tax.

Proposals must be sealed and addressed to John H. Dorsey, City Treasurer, Boston, Mass., endorsed "Proposals for Loans." Each proposal must be accompanied by a certified check on a Boston National Bank or Trust Company, or by cash, equal to 1 per cent of the amount of loans bid for, the check made payable to the City of Boston, John H. Dorsey, City Treasurer. The check or cash of any bidder to whom an award is made will be retained as part payment for the loans awarded. All other checks or cash will be returned. Accrued interest from April 1, 1936, to date of delivery is to be paid by the purchaser.

All proposals will be opened in the office of the City Treasurer, Monday, February 24, 1936, at 12 o'clock m., Eastern Standard Time. The City Treasurer reserves the right to reject any or all bids or to accept such bid or bids as may seem to him to be the most advantageous to the City.

JOHN H. DORSEY,
City Treasurer.

CITY RECORD

OFFICIAL CHRONICLE OF BOSTON MUNICIPAL AFFAIRS.

VOL. 28.

SATURDAY, FEBRUARY 22, 1936.

No. 8

MANNER AND METHODS EMPLOYED BY CITY IN FIXING ASSESSED VALUATIONS DESCRIBED BY CHAIRMAN EDWARD T. KELLY IN ADDRESS IN LECTURE COURSE—EMPHASIZES FACT THAT FAIR CASH VALUE MUST BE FOREMOST IN CONSIDERATION AT ALL TIMES WHEN RATES ARE BEING DETERMINED—DESCRIBES INFLUENCES GOVERNING BOARD IN DETERMINATIONS.

The following address on real estate valuations and how they are arrived at in Boston was delivered by Edward T. Kelly, chairman of the Board of Assessors for the city, in one of his series of lectures in the real estate practice course at Harvard University. The title was, "How the City Fixes Assessment Valuations."

He spoke as follows:

"It is generally agreed that all of our taxes are too high. There is less fault found with the assessments when the tax rate is \$20 than when the rate is \$37 per \$1,000, the tax rate in Boston. But an analysis would show that the taxpayer has in mind the amount of the tax bill, rather than the valuation itself. True, the demand for real estate is lessened when the expenses increase, and the taxes are one of the largest items of expense. But, on the other hand, expenses and earnings as well must be considered over a reasonable period of time, and not during the period of depression alone.

"There are mistaken theories in the minds of many that valuations are placed at a percentage of the full value. The law is quite clear on this point and the assessors are obliged to assess all property, both real estate and personal, at its full and fair cash value and in just proportion.

Fair Cash Value.

"Trouble, of course, comes from trying to arrive at fair cash or market value when there is little, if any, market. But whatever the market may be determined, the assessment must be at full value and not at any percentage of that value.

"The words of the statute are 'Fair Cash Value.' If the words 'cash value' alone were the words of the statutes, perhaps all assessments would reasonably represent the actual selling price, but the Legislature in their wisdom included the word 'fair,' undoubtedly having in mind high values during inflation, as well as distress values during a depression.

"The high values of 1925-26-27-28, when money was free and the demand for homes and business space was great, values naturally soared, and the assessors kept abreast of the times but were careful to keep in mind that many values were not fair and held their values somewhat behind what appeared to be cash value at the time.

"What was true during high values is equally true during the period of a depression. Forced and distress sales, frequently made because owners were without employment and could no longer carry on, hardly indicated fair cash value. Again, the assessors keeping abreast of the times, attempted to follow the fair value.

"Much criticism has followed this policy of all assessors, and those who more nearly reached the high values of the earlier years were the ones obliged to make the larger reductions. If these conditions were not sufficient to satisfy the new purchasers at the lower prices litigation in the courts was found to follow.

Tax Appeals Board.

"The Board of Tax Appeals, the court to whom all questions of appeal because of over-valuation are made, have many pending cases and it will be some years before they are finally disposed of.

"In addition to the word 'fair' cash value, the words 'just proportion' also appear in the statutes. This means that all of the taxpayers must be assessed in like proportion. A recent decision in the New York courts says, in substance, that, if the taxpayer is not assessed at a higher value than similar property is, he is not entitled to a reduction.

"The law provides that there must be three principal assessors. There may be more, but there cannot be less than three. Undoubtedly, to avoid the concentration of authority under one head and to have the combined judgment of at least three persons in the performance of so important a function, was the intent of the law.

"Every year the assessors or assistants visit every dwelling and other kind of property, for the purpose of placing a valuation upon the same, and also to assess the tangible property found therein.

"This work starts January 1 and takes about six weeks to complete. During this period all the inhabitants are called upon to make sworn returns of all tangible personal property owned by them on January 1, to the end that a full and fair assessment may be made on this class of property.

"Failure to file these returns results in the assessors making their own estimate of this class of property in their Dooming Board, and, once they have determined the value, no reduction of the same may be made unless the amount exceeds by 50 per cent the amount which would have been assessed had the taxpayer seasonably filed a list of his property. This tangible personal property includes and relates to the amount on hand January 1.

(Continued on page 175.)

"O Boston, fair City enthroned like a radiant queen,
From thy hills looking down on the ship-teeming plain of the ocean,
May thy future be bright, thy skies beam with light all serene,
Ensured by thy sons' and thy daughters' unselfish devotion!"

From Boston Centennial Poem by
NATHAN HASKELL DOLE.

Advertising.

A rate of \$2 per inch of 12 lines (set solid) has been established for such advertisements as under the law must be printed in the *City Record*. Advertising and other copy must be in hand by Thursday of each week to insure its publication in the Saturday issue.

Copies for sale at the Statistics Department, Room 73, City Hall.

MUNICIPAL CALENDAR.

Meeting of the City Council Monday, February 24, 1936, at 2 p. m.

Meetings of the Transit Department are held on Monday and Thursday of each week at 11 a. m.

Board of Zoning Adjustment. Public hearings and executive meetings are held on the first Friday of each month, Room 30, City Hall, at 2 p. m.

MUNICIPAL SERVICE.

Complaints, inquiries or suggestions regarding the work of municipal departments should be made in writing to the officials directly in charge. The failure of such official to make reply within a reasonable length of time should be brought to the attention of the Mayor. Communications should be directed as follows:

To THE BOARD OF STREET COMMISSIONERS, Room 401, City Hall Annex, for information relative to the laying out, relocation, widening and the discontinuance of highways; the taking of real property for municipal purposes; the assessments of betterments for streets and sewers; the plotting of undeveloped area for streets and the opening of private ways; the granting of licenses for the storage or sale of merchandise in

public streets; the making of specific repairs in public streets; the naming of public streets; the planting and removal of trees in public ways; the issuing of licenses for the storage of gasoline, oil and other inflammable substances or explosive compounds; the use of the public ways for any permanent or temporary obstruction or projection in, under or over the same, including the location of conduits, poles and posts for telephone, telegraph, street railway or illuminating purposes, signs, marquis, bay windows, coal holes and vaults.

To THE BOSTON TRAFFIC COMMISSION, 134 North street, for information relative to regulation of vehicular street traffic on all or any streets, ways, highways, roads and parkways under the control of the City of Boston, the issuing of all permits in connection therewith.

To THE COMMISSIONER OF PUBLIC WORKS, Room 511, City Hall Annex, for information as to the watering, cleaning, lighting and repairing of streets, the construction and care of sewers and catch-basins, the operation of the ferries, the maintenance of bridges and drawbridges and the removal of ashes and offal.

To Room 604, City Hall Annex, for information relative to the supplying or metering of water and the water charges of the city.

To THE HEALTH DEPARTMENT, Room 1107, City Hall Annex, for information relative to the inspection of milk, vinegar, meat, fish and vegetables, the issuance of permits for stables, slaughter houses, etc., smoke nuisances, the existence of contagious diseases, of public health nuisances.

To THE BOARD OF PARK COMMISSIONERS, 33 Beacon street, for information as to the care of the Common, Public Garden, Franklin Park, Franklin Field, Commonwealth avenue, Back Bay Fens, Marine Park, the Airport, and the small parks and playgrounds in general throughout the city, and as to the extermination of gypsy moths and the charges made for such service. Applica-

tion may be made to this department for information regarding the public baths and gymnasiums maintained by the city, and with regard to municipal indoor concerts and band concerts, also information relative to Mt. Hope, Evergreen, Fairview and other public cemeteries owned by the City of Boston.

To THE SCHOOL COMMITTEE, 15 Beacon street, for information relative to the operation of the schools in the city.

To THE DEPARTMENT OF SCHOOL BUILDINGS, 11 Beacon street, for information as to the construction and repair of school buildings.

To THE BOARD OF EXAMINERS, Room 1001, City Hall Annex, for information regarding the licensing of persons having charge or control of the work of construction, alteration, removal or tearing down buildings.

To THE STATISTICS DEPARTMENT, Room 76, City Hall, for historical, geographical, political and population facts about Boston; the personnel and accomplishments of present and past municipal administrations; and such similar information as may be found concerning other American municipalities in its Municipal Officials' Reference Library.

To THE WIRE DIVISION OF THE FIRE DEPARTMENT, 60 Bristol street, for all information relative to the erection of poles, building of conduits, the installation of all overhead and underground construction and electrical apparatus, as well as for general information relative to the entire division. To Room 103, City Hall Annex, for permits for the installing of wires and electrical apparatus within buildings of the City of Boston, and for the payment of fees incident to the granting of the privileges above named, and which must be paid in advance.

To THE BOARD OF ZONING ADJUSTMENT, Room 30, City Hall, relative to changes in the boundary lines of zoning districts of the City of Boston as established by chapter 488 of the Acts of 1924, and amendments thereto.

MORTALITY REPORT.

For the week ending February 15, 1936:
Population as of July, 1936, Massachusetts State Census, 817,713; population estimated July, 1936, United States Census Bureau, 801,880; number of deaths (stillbirths excluded): Residents, 202; nonresidents, 47; total, 249.

Death rate per 1,000 of population: All deaths, 16.15; nonresidents deducted, 13.10.

Death rate per 1,000 of population:

Last week, 15.17; corresponding week last year, 15.56.

Deaths by age periods, sex, etc.: Under one year, 17; one year to four years, inclusive, 3; sixty years and over, 137. Total deaths: Male, 138; female, 111; deaths in hospitals and institutions, 141; deaths of colored, 11.

FIXING ASSESSED VALUATIONS.

(Continued from page 173)

"The procedure regarding real estate is somewhat different. After the assessors have completed their street canvass of real estate and of personal property, the books are returned to the office and the valuations finally determined.

"The books contain a description of the property, showing the area, character of the building, value of the land, value of the building and the name of the owner of record, as shown at the registry of deeds or probate. These names are obtained by an examination of the records and an abstract of each recorded deed, for all assessments must be made to the owner of record on January 1.

"Failure to assess to the true owner of record may result in an invalid tax, with a consequent loss of revenue to the city."

FIRE DEPARTMENT ORDERS.

General Order No. 12.

I. ARTHUR W. DeLESKEY.

It is with deep regret that the Fire Commissioner announces the death on February 9, 1936, of Hoseman Arthur W. DeLeskey of Engine Company 13. Hoseman DeLeskey was appointed to the department, September 27, 1907.

The funeral was held from his late residence, 42 Julian street, Roxbury, on February 12, 1936, after services at 2 p. m. The Chief of Department made the customary detail and the members of Engine Company 13 were excused from duty in order to attend the funeral.

II. NEW ASSIGNMENT CARD FOR Box 7413.

As announced in General Order No. 8, c. s., a new assignment card for Box 7413, Dorchester street, opposite West Seventh street, auxiliary Patrick F. Gavin School, is being issued to the department today. Company commanders will return the old cards for this box to headquarters on or before February 18, 1936. The company number should be marked on the back of each card.

III. BOSTON AUTOMATIC ASSIGNMENT.

The following signal number is to be added to the running cards of the Boston Automatic Fire Alarm Company:

Signal No. 81.—Building 615 Albany street. Apparatus to respond: Engine 3, Ladder 3, Chief of District 7. Nearest city box is 1654.

IV. HOT-AIR HEATING SYSTEMS IN GARAGES.

The following communication which was received from the State Fire Marshal is hereby published for the information of the department:

THE COMMONWEALTH OF MASSACHUSETTS,
DEPARTMENT OF PUBLIC SAFETY,
COMMONWEALTH PIER,
BOSTON, February 8, 1936.

To: Heads of Fire Departments and Building Inspectors in Massachusetts.
Subject: Hot-air heating systems in garages.

1. This is to certify that in accordance with the provisions of section 25 of the current rules and regulations of this department governing the construction and maintenance of buildings or other structures used as garages, and

the storage, keeping, and use of gasoline in connection therewith, I hereby approve of the heating of a garage by hot air, provided that the hot air is brought into the garage at a point at least six feet above the floor level of the garage, and that no return air to the furnace is taken from the garage.

STEPHEN C. GARRITY,
State Fire Marshal.

V. LICENSE APPROVAL SHEETS.

District chiefs will return to headquarters on or before February 18, 1936, all yellow license approval forms now in their possession for a necessary check-up.

VI. COMMENDATIONS.

The Fire Commissioner is in receipt of a letter from his Honor the Mayor concerning the purchase of tickets by members of this department for the President's Birthday Ball which he is pleased to publish for the information of the department:

February 6, 1936.

HON. EDWARD F. McLAUGHLIN,
Fire Commissioner.

DEAR COMMISSIONER,—The statement of the sale of tickets for the President's Birthday Ball shows that the Fire Department made an unusually fine effort in accounting for the gratifying total of \$1,461.

I wish to congratulate you for this splendid work and through you every employee in your department who co-operated in the success of this event.

Yours truly,

FREDERICK W. MANSFIELD, Mayor.

The Fire Commissioner is pleased to acknowledge a check for \$2,000 which was contributed to the Boston Firemen's Relief Fund by the Summer Street Firemen's Fund. A letter received from Mr. Arthur S. Johnson, treasurer of the Summer Street Firemen's Fund, is hereby published for the information of the department:

January 14, 1936.

MR. EDWARD F. McLAUGHLIN,
Fire Commissioner.

DEAR MR. McLAUGHLIN,—The Summer Street Firemen's Fund at their annual meeting held yesterday, January 13, voted to send the Boston Firemen's Relief Fund two thousand dollars (\$2,000) for their care of the members of the Fire Department who need help.

Will you kindly send me the latest statement of the Firemen's Relief Fund so that I can have it on file.

Yours very truly,

ARTHUR S. JOHNSON,
Treasurer.

Ladderman James E. Capeless of Ladder Company 5 is hereby commended for extinguishing a fire in the building at 853 East Fifth street on February 7, 1936, before the arrival of fire apparatus. Ladderman Capeless was off duty at the time.

Hoseman Robert E. Roach of Engine Company 21 is hereby commended for responding to and working at fire, Box 3147, second alarm, February 8, 1936, while off duty.

By order of Fire Commissioner EDWARD F. McLAUGHLIN.

HENRY A. FOX,
Chief of Department.

PROPOSALS ADVERTISED.

Bids have been asked by advertisement in the *City Record* for the following departments. The attention of contractors and others is especially called to the closing time of receipt of such proposals. This will be published weekly.

POLICE DEPARTMENT.

Advertises for proposals for the installation of signal equipment. Surety bond will be required in a sum equivalent to the full amount of the contract price. Blank forms for proposals may be obtained at the office of Jackson & Moreland, 31 St. James avenue, Boston. Bids, accompanied by certified check in the sum of \$2,000, to be filed with the Police Commissioner, 154 Berkeley street, Boston.

Bids close Wednesday, March 4, at 12 m.

SUPPLY DEPARTMENT.

Advertises for proposals for furnishing drugs to the various city departments. Surety bond will be required in a sum equivalent to 25 per cent of the contract price. Blank forms for proposals may be obtained at the office of the Supply Department, Room 801, City Hall Annex, Boston. Bids, accompanied by certified check in the sum of \$300, to be filed at the same office. Duplicate bid, without check, to be filed with the City Auditor.

Bids close Monday, February 24, at 12 m.

Advertises for proposals for furnishing surgical supplies to the various city departments. Surety bond will be required in a sum equivalent to 25 per cent of the contract price. Blank forms for proposals may be obtained at the office of the Supply Department, Room 801, City Hall Annex, Boston. Bids, accompanied by certified check in the sum of \$300, to be filed at the same office. Duplicate bid, without check, to be filed with the City Auditor.

Bids close Tuesday, February 25, at 12 m.

Advertises for proposals for furnishing Class B iron castings. Surety bond will be required in a sum equivalent to 25 per cent of the contract price. Blank forms for proposals may be obtained at the office of the Supply Department, Room 801, City Hall Annex, Boston. Bids, accompanied by certified check in the sum of \$200, to be filed at the same office. Duplicate bid, without check, to be filed with the City Auditor.

Bids close Wednesday, February 26, at 12 m.

Advertises for proposals for furnishing and delivering Class E iron castings. Surety bond will be required in a sum equivalent to 25 per cent of the contract price. Blank forms for proposals may be obtained at the office of the Supply Department, Room 801, City Hall Annex, Boston. Bids, accompanied by certified check in the sum of \$200, to be filed at the same office. Duplicate bid, without check, to be filed with the City Auditor.

Bids close Wednesday, February 26, at 12 m.

Advertises for proposals for furnishing to the Park Department, George Wright Golf Course Clubhouse, Hyde Park, Massachusetts Standard hot water tank. Surety bond will be required in a sum equivalent to 25 per cent of the contract price. Blank forms for proposals may be obtained at the office of the Supply Department, Room 801, City Hall Annex, Boston. Bids, accompanied by certified check in the sum of \$100, to be filed at the

same office. Duplicate bid, without check, to be filed with the City Auditor.

Bids close Thursday, February 21, at 12 m.

Advertises for proposals for furnishing roofing materials to the Park Department, George Wright Golf Course, Hyde Park. Surety bond will be required in a sum equivalent to 25 per cent of the contract price. Blank forms for proposals may be obtained at the office of the Supply Department, Room 801, City Hall Annex, Boston. Bids, accompanied by certified check in the sum of \$100, to be filed at the same office. Duplicate bid, without check, to be filed with the City Auditor.

Bids close Thursday, February 21, at 12 m.

Advertises for proposals for furnishing building materials to the Park Department, George Wright Golf Course, Hyde Park. Surety bond will be required in a sum equivalent to 25 per cent of the contract price. Blank forms for proposals may be obtained at the office of the Supply Department, Room 801, City Hall Annex, Boston. Bids, accompanied by certified check in the sum of \$100, to be filed at the same office. Duplicate bid, without check, to be filed with the City Auditor.

Bids close Friday, February 22, at 12 m.

Advertises for proposals for furnishing surgical supplies to the various city departments. Surety bond will be required in a sum equivalent to 25 per cent of the contract price. Blank forms for proposals may be obtained at the office of the Supply Department, Room 801, City Hall Annex, Boston. Bids close Monday, March 2, at 12 m.

LAND-TAKING IN DORCHESTER.

The Acting Mayor has approved the order of the Board of Street Commissioners for the taking of land for a public improvement consisting of the laying out and construction of Belton street, Dorchester district, as a highway, from Gallivan Boulevard to Milton street, bounded and described as follows:

A highway named Belton street is hereby laid out, from Gallivan Boulevard to Milton street, and ordered constructed, the cost thereof to be charged to Federal Funds.

Said highway and the land, exclusive of trees or structures standing upon or affixed thereto, in which an easement for street purposes is hereby taken, is bounded and described as follows:

Northerly by Gallivan Boulevard, thirty-five and 39-100 feet; easterly by the easterly line of said Belton street as hereby laid out, five hundred forty and 93-100 feet; southerly by Milton street, thirty-five and 85-100 feet, and westerly by the westerly line of said Belton street as hereby laid out, five hundred fifty-three and 97-100 feet.

Voted, That this Board determines that no person sustains damages in his estate by the making of the public improvement consisting of the laying out and construction of Belton street, Dorchester district, as a highway, from Gallivan Boulevard to Milton street, under the order of the Board of February 13, 1936, and awards no damages therefor.

DEPARTMENT CHANGES.

The following changes in the number, rating and compensation of the city employees have been made during the week ending Thursday, February 20.

ASSESSING DEPARTMENT.

Approval has been given to appoint one male second assistant assessor by reinstatement from the list of suspended second assistant assessors, the name of the one chosen being Joseph F. Flynn at \$5 a day.

HOSPITAL DEPARTMENT.

The following persons have been employed at the Boston City Hospital for the week ending Thursday, February 13:

Temporary.—Anita Osberg, cleaner, \$15 a week; John Gustafson, orderly, \$16.50 a week; Roy Casavant, supervisor, \$32 a week; Samuel Odiorne, male nurse, \$32 a week; Thomas Birmingham, ambulance driver, \$34.50 a week; Leo Murray, orderly, \$16.50 a week; Josephine Kulek, Sylvia Lavache, Mary B. McAuley, Jemima Mahan, Harry Plenty, Millie Quan, Grace Scott, Doris Southerland, Frances Sullivan, Tina Ventham, Doris Broadbridge, Anne Carroll, Margaret Fitzpatrick, Mary Gannon, Mary Belmore, Leola Bertrand, Patricia Curran, Elizabeth Doherty, Patricia Doucette, Gertrude Gleason, Aldona Grublin, Josephine Kass, Florence McMaster, Katherine McNamara, Mildred Moxon, W. Graves Piper, Eleanor Sexton, Edie Twilley, Florence Wenham, Evelyn Burns, Dorothy Hoyle, special nurses, \$4.50 a day.

The following changes have occurred:

Harry Reardon, temporary porter at \$16 to permanent elevator man at \$16 a week; Ellen Corcoran, temporary cleaner at \$12 to \$15 a week, temporary; Dr. William Butler, resident radiologist, \$1,000 a year.

South Department.

Catherine Tuxbury, special nurse, \$4.50 a day; Peter Rogers, temporary orderly at \$13 at South to Haymarket as transfer porter, \$13 a week, temporary.

Haymarket Square Relief Station.

George Daynes, temporary house cleaner, \$16.50 a week.

HOSPITAL DEPARTMENT (Sanatorium Division).

The following persons have been appointed at the Sanatorium Division for the week ending Thursday, February 13:

Joseph Farren, choreman (patient) (temporary), \$240 a year; Joseph Coveney, maid (patient) (temporary), \$300 a year; Michael Connors, Lena DeSolo, maids (patients) (temporary), \$240 a year; Sydney McQueen, Joseph Mercante, Coleman Flaherty, male nurses (patients) (temporary), \$480 a year; Rose DelMonte, maid (patient) (temporary), \$240 a year; Albert W. Stackpole, assistant engineer (temporary), \$7.50 a day.

The following person has ceased to be employed:

Edward Hulén, maid (patient), \$300 a year.

INSTITUTIONS DEPARTMENT.

The following changes have been made in the personnel for the week ending Thursday, February 13:

Central Office.

Transfer: Sadye Feingold, clerk and stenographer, temporary, \$1,200 a year, from clerk and stenographer, temporary, in Child Welfare Division, at \$1,200 a year.

Long Island Hospital.

Appointments: Ethel M. Aikens, Martha P. Bradley, Eileen M. Butler, Lois E. Clark, Mary G. Connor, Matilda Cooper, Jane L. Harris, Pearl Kapala, Helen G. Leahy, Maude MacDonald, Vera G. Palmeter, Theresa C. Phaneuf, staff nurses, temporary, \$960 a year; Rose M. Quigley, institution employee, attendant, temporary, \$600 a year; Dorothy W. Walsh, staff nurse, temporary, \$960 a year; Emery J. Brundige, John A. DeChellis, Harold G. Jones, Paul Kodad, Edward J. Lamphier, Leroy A. Lutton, Charles A. Rice, institution employees, attendants, temporary, \$600 a year; Eugenie Jenkins, institution employee, waitress, temporary, \$316 a year; Harry E. Hibbard, institution employee, porter, temporary, \$526 a year; Laura E. Johnson, Josephine C. Brennan, institution employees, laundresses, temporary, \$600 a year; Mildred E. Everett, institution employee, clerk and stenographer, \$600 a year, temporary; Catherine E. McGrail, institution employee, telephone operator and clerk, \$600 a year, temporary; Helen A. Belot, institution employee, housemaid, temporary, \$500 a year; William J. Barry, institution employee, helper in store, temporary, \$600 a year; Edward Phillips, institution employee, helper in kitchen, temporary, \$526 a year; Mary Reardon, Rose Lundergan, institution employees, laundresses, temporary, \$600 a year.

Course Completed: Mary E. Mason, student nurse, \$600 a year.

Resignation: Helen McCann, institution employee, waitress, temporary, \$316 a year.

Employment Terminated: Helen A. Belot, institution employee, housemaid, temporary, \$500 a year; Charles H. Rice, Harold G. Jones, institution employees, attendants, temporary, \$600 a year.

PUBLIC BUILDINGS DEPARTMENT.

The temporary employment of Cecile V. Doyle as telephone operator at \$1,200 a year has been extended for a period of one month from February 15.

NO NEW CASES OF MENINGITIS AT LONG ISLAND HOSPITAL.

Upon February 17 the following was made public from the office of the Mayor:

BOSTON, February 17, 1936.

HON. JOHN I. FITZGERALD,
Acting Mayor of Boston.

DEAR SIR,—No cases of cerebrospinal meningitis have been reported at Deer Island since the threatened outbreak at Long Island.

Therefore I am releasing today sixty-six persons who were regarded as possible contacts with the meningitis cases at Long Island. These persons had been going from Deer Island to Long Island daily, to perform work, and returning to Deer Island each night. They have been held in isolation for the past eleven days. Their cultures have been found to be negative and they have shown no rise in temperature.

We have been making a special study of five suspicious cultures, but one of which might be regarded as suspicious of being a possible carrier. The case will be held under observation and is the only one not released.

The "no visitors" order to Deer Island will be enforced for a few days longer.

Respectfully submitted,

WILLIAM B. KEELER, M. D.,
Health Commissioner.

The following is a copy of a letter received by the Acting Mayor from the Health Commissioner:

BOSTON, February 18, 1936.

HON. JOHN I. FITZGERALD,
Acting Mayor of Boston.
Re Cerebrospinal Meningitis.

DEAR SIR,—I have to report a case of cerebrospinal meningitis at Long Island Hospital, in the case of William Linehan, an inmate, who died on February 18. He was sick only one day.

This is the first case reported since February 9. All precautions are being taken by Doctor Clay at Long Island and the Health Department doctors, under the direction of Dr. Karl Bailey, have almost finished culturing each person at Long Island.

The quarantine at Long Island will continue to be strictly enforced.

Yours respectfully,

WILLIAM B. KEELER,
Health Commissioner.

EXTENSION OF CONTRACTS.

FIRE DEPARTMENT.

Permission has been given the Hodge Boiler Works to extend the time of completion of the contract for repairs to boiler on fireboat, Engine 47, to March 1. The reason for this request for an extension is because of extra work which was found after the contract was started and which must be done, namely, renewing of staybolts, scaling the boiler, electric welding and removing the old and furnishing and installing one three-flanged tee for the bottom blow of boiler which is a special steel casting in accordance with the United States Marine Requirements.

CONTRACTS AWARDED.

Permission to award contracts for work, materials and supplies, in accordance with recommendations of department heads, has been approved by the Mayor.

SUPPLY DEPARTMENT.

Upon February 8 the Acting Mayor approved the following request of the Superintendent of Supplies:

BOSTON, February 8, 1936.

HON. FREDERICK W. MANSFIELD,
Mayor of Boston.

DEAR MR. MAYOR.—Attached please find summary of advertised bids on three radio transmitters for the Fire Department, which bids were publicly opened and read on December 24, 1935.

As per letter of recommendation from the Fire Commissioner, I respectfully ask permission to award this contract to the Collins Radio Company, Cedar Rapids, Iowa, the lowest bidder, at a price of \$1,040 each.

The amount of the contract will be \$3,120.

Respectfully yours,

D. FRANK DOHERTY,
Superintendent of Supplies.

Upon February 13 permission was given by the Acting Mayor to award a contract to the Whiting Milk Companies for ice cream mix for the Boston City Hospital and the Long Island Hospital during 1936. For the best interests of the City of Boston, it was recommended that this contract be awarded to the Whiting Milk Companies, the second lowest bidder, at a price of \$0.83 per gallon, less 10 per cent cash discount for payment in ten days, for the following reasons: The Whiting Milk Companies is a Boston concern, paying taxes in Boston, and employing several hundred residents

and taxpayers of Boston, and the difference in price between their bid and that of the lowest bidder, a Malden concern, is \$0.0172 per gallon, or a total difference of \$237.02. The approximate amount of the contract was \$10,293.66.

Privilege of purchasing on same terms and conditions extended to February 1, 1937. Bids, opened January 31, were as follows:

Approximately 13,780 Gallons Ice Cream Mix, Per Gallon.—Whiting Milk Companies, 83 cents*; Eastland Farms, Incorporated, 82 cents; H. P. Hood & Sons, Incorporated, 85 cents.

Total.—Whiting Milk Companies, \$11,437.40*; Eastland Farms, Incorporated, \$11,299.60; H. P. Hood & Sons, Incorporated, \$11,713.

Cash Discount, Ten Days.—Whiting Milk Companies, 10 per cent*; Eastland Farms, Incorporated, 11 per cent; H. P. Hood & Sons, Incorporated, 10 per cent.

Net Total.—Whiting Milk Companies, \$10,293.66; Eastland Farms, Incorporated, \$10,056.64; H. P. Hood & Sons, Incorporated, \$10,541.70.

* Contract awarded.

Upon February 13 permission was given by the Acting Mayor to award a contract to contractors as indicated for paper drinking cups for the various city departments during 1936.

On the first item of 2,225,000 American Sanitary, one-piece, flat-bottom, paper drinking cups, or equal, all bidders quoted the same price of \$1.70 per thousand on flat-bottom cups, as requested in the specifications. Therefore permission was given to award one half of this item to the Massachusetts Envelope Company and the other half to the Fort Hill Paper Company. The other two items were awarded to the Blue Hill Spring Water Company, the lowest bidder. The approximate totals of awards were as follows:

Massachusetts Envelope Company, \$1,891.25; Fort Hill Paper Company, \$1,891.25; Blue Hill Spring Water Company, \$70.85. Total, \$3,853.35.

Cash Discount, Ten Days.—American Fire Equipment Company, Incorporated, 2 per cent; U. S. Rubber Products, Incorporated, 3 per cent; Archer Rubber Company, 2 per cent.

Upon February 13 permission was given by the Acting Mayor to award a contract to the Tobias Hat and Cap Company for furnishing uniform caps for the Fire Department during 1936. The approximate amount of the contract was \$1,640.25.

Privilege of purchasing on same terms and conditions extended to February 1, 1937. Bids, opened January 30, were as follows:

Approximate Amounts on All Items.

225 Officers' Summer Uniform Caps. Each.—Tobias Hat and Cap Company, \$2.35; Bosch Cap Company, \$2.40; Donohue & Riordan, \$2.40; Wentworth-Forman Company, Incorporated, \$2.40; Bradford Novelty Hat Company, \$2.40.

90 Officers' Winter Uniform Caps, Each.—Tobias Hat and Cap Company, \$2.35; Bosch Cap Company, \$2.40; Donohue & Riordan, \$2.40; Wentworth-Forman Company, Incorporated, \$2.40; Bradford Novelty Hat Company, \$2.40.

500 Privates' Uniform Caps, Each.—Tobias Hat and Cap Company, \$1.80; Bosch Cap Company, \$1.85; Donohue & Riordan, \$1.85; Wentworth-Forman Company, Incorporated, \$1.85; Bradford Novelty Hat Company, \$1.85.

Total.—Tobias Hat and Cap Company, \$1,640.25; Bosch Cap Company, \$1,681; Donohue & Riordan, \$1,681; Wentworth-Forman Company, Incorporated, \$1,681; Bradford Novelty Hat Company, \$1,681.

Cash Discount, Ten Days.—Tobias Hat and Cap Company, 2 per cent; Bosch Cap Company, 2 per cent; Donohue & Riordan, 2 per cent; Wentworth-Forman Company, Incorporated, 2 per cent; Bradford Novelty Hat Company, 2 per cent.

Upon February 14 the Acting Mayor approved permission to award a contract to the Hood Rubber Company for rubber flooring for the W. P. A. project at the

Overseers of the Public Welfare Department. The lowest bid received on the specifications as supplied by the Supply Department was a total price of \$2,240, and four concerns quoted this price. As the Overseers of the Public Welfare Department desire this material at once on the W. P. A. project, permission was given to award this contract to the Hood Rubber Company, Incorporated, Watertown, one of the lowest bidders, at a total price of \$2,240. Hood Rubber Company, Incorporated, can make immediate delivery.

Bids, opened February 13, were as follows:

Approximately 5,000 Square Feet Rubber Tile (Floor), Per Square Foot.—Bloom, South & Gurney, Incorporated, 38 cents, 3/16 inch; Hood Rubber Company, Incorporated, 38 cents, 3/16 inch*; Stedman Rubber Flooring Company, 36 cents, 3/16 inch thick, Standard sizes; Danbury Rubber Company, 33.6 cents, 3/16 inch; John H. Pray & Sons Company, 36.75 cents; Albert E. Pulsifer & Son, 36 cents, 3/16 inch, to match tile and base in present building; American Tile and Rubber Company, care of Panther Panco Rubber Company, Incorporated, 36 cents, 3/16 inch.

Approximately 1,000 Linear Feet Base, Per Linear Foot.—Bloom, South & Gurney, Incorporated, 45 cents, 6 inches high by 1/4 inch thick; Hood Rubber Company, Incorporated, 44 cents, cove base, 6 inches high by 1/4 inch wall*; alternate, 25 cents, 1/8 inch wall to match present color; 20 cents, 1/8 inch wall, plain black; Stedman Rubber Flooring Company, 44 cents, 6 inches high by 1/4 inch thick; alternate, 20 cents, 6 inches by 5/32 inch thick, plain black; Danbury Rubber Company, 33.6 cents, cove, 3/16 inch; John H. Pray & Sons Company, 44.9 cents; Albert E. Pulsifer & Son, 44 cents, 1/4 inch thick, 6 inches high, cove base; alternate, 25 cents, 1/8 inch rubber, marble; 20 cents, 1/8 inch rubber, plain black; American Tile and Rubber Company, care of Panther Panco Rubber Company, Incorporated, 44 cents.

Total.—Bloom, South & Gurney, Incorporated, \$2,350; Hood Rubber Company, Incorporated, \$2,240; \$2,050; \$2,000; Stedman Rubber Flooring Company, \$2,240; \$2,000; Danbury Rubber Company, \$2,016; John H. Pray & Sons Company, \$2,286.50; Albert E. Pulsifer & Son, \$2,240; \$2,050; \$2,000; American Tile and Rubber Company, care of Panther Panco Rubber Company, Incorporated, \$2,240.

Cash Discount, Ten Days.—Hood Rubber Company, Incorporated, 2 per cent; Stedman Rubber Flooring Company, 2 per cent; Danbury Rubber Company, 2 per cent; John H. Pray & Sons Company, 2 per cent; Albert E. Pulsifer & Son, 2 per cent; American Tile and Rubber Company, care of Panther Panco Rubber Company, Incorporated, 2 per cent.

Color and sizes to match present building at 43 Hawkins street.

Upon February 14 permission was given to award a contract to the Stilphen Motor Company for furnishing six Ford 1½-ton dump trucks for the W. P. A. Project at the Airport, Park Department, at a price of \$853.52 each, for dump trucks with Anthony No. 5 body, 7 feet long, 2 yards capacity and No. 7 hoist. The above recommendation has the approval of the Superintendent of the Airport, and the engineer of the Park Department, as they state that these trucks are perfectly satisfactory for their

needs. In order to keep the men on the W. P. A. Project now in force at the Airport gainfully employed, it is desired by the Park Department that these trucks be purchased at once. The amount of the contract was \$5,121.12.

Bids, opened February 7, were as follows:

6 Ford Trucks, One and One-Half-Ton Dump, One Hundred and Thirty-One and One-Half Inches, One and One-Half-Ton Chassis and Closed Cab, Each.—Bowers Motor Sales, \$915; total, \$5,490; Massachusetts Motor Car Company, \$885, 129-inch, 6-cylinder motor, Dodge; total, \$5,310; Reardon & Woodward, Incorporated, \$916.38; total, \$5,498.28; alternate, \$926.41, 2-yard, St. Paul No. 454 with No. 37 U. B. hoist; total, \$5,558.46; Coombs & McBeath, Incorporated, \$916.41, Perin-Walsh body, 7-foot dump, Model No. 454, No. 37 U. B. hoist; total, \$5,498.46; \$924.41, Perin-Walsh body, 8-foot dump, Model No. 454, No. 37 U. B. hoist; total, \$5,546.46; Stilphen Motor Company, \$853.52; total, \$5,121.12; Anthony No. 5 body, No. 7 hoist, capacity, 7 feet, 2 yards; alternate, \$876.11; total, \$5,256.66; Anthony No. 5 body, No. 7 hoist, capacity, 8 feet, 2 yards; alternate, \$863.52; total, \$5,181.12; Wood, capacity, 2 yards, 7 feet, C4 body, No. 256 hoist; alternate, \$876.11; total, \$5,256.66; Wood, capacity, 2 yards, 8 feet, D6 hoist, C4 body; alternate, \$877.52; total, \$5,265.12; St. Paul, No. 454 body, capacity, 2 yards, 7 feet, with No. 36 U. B. hoist; alternate, \$867.15; total, \$5,202.90; Heil body, capacity, 7 feet, 2 yards, F1 10, with F1 No. 1 hoist; Prescott Motor Company, \$911, Perin-Walsh body and hoist; total, \$5,466; \$876, Wood body and hoist; total, \$5,256; \$876, C-12, Wood hydraulic body with No. D-6 Wood hoist; total, \$5,256; \$911, Perin-Walsh, 2-yards, dump body and hoist; total, \$5,466.

Cash Discount, Ten Days.—Bowers Motor Sales, 1 per cent; Reardon & Woodward, Incorporated, one-half of 1 per cent; alternate, one-half of 1 per cent.

Upon February 17 permission was given by the Acting Mayor to award a contract to the lowest bidder in each district for furnishing crushed stone for the various city departments during 1936. As it is impossible to give definite estimates as to how much crushed stone will be used in the various districts during 1936, the following approximate totals of awards are based on the amount of crushed stone delivered in the various districts during 1935:

William J. Barry Company, District 1, South Boston, 2,700 tons at \$1.75 a ton, \$4,725; Districts 6 and 9, Dorchester and Ashmont, 8,500 tons at \$1.75 a ton, \$14,875. Total, \$19,600.

Rowe Contracting Company, District 2, East Boston, 2,800 tons at \$1.78 a ton, \$4,984.

Concrete Materials Company, District 3, Charlestown, 2,700 tons at \$1.78 a ton, \$4,806.

West Roxbury Trap Rock Company, District 4, Brighton, 4,400 tons at \$1.81 a ton, \$7,964; District 5, West Roxbury, 5,300 tons at \$1.75 a ton, \$9,275; District 7, Roxbury, 4,300 tons at \$1.75 a ton, \$7,525. Total, \$24,764.

Metropolitan Crushed Stone Company, Districts 8 and 10, City Proper, 3,900 tons at \$1.75 a ton, \$6,825; District 11, Hyde Park, 3,700 tons at \$1.75 a ton, \$6,475. Total, \$13,300.

Approximate grand total, \$67,454.

Privilege of purchasing on same terms and conditions extended to February 1, 1937. Bids, opened January 30, were as follows:

Per Ton of 2,000 Pounds.

District 1, South Boston.—Rowe Contracting Company, \$1.78; Metropolitan Crushed Stone Company, \$1.81; West Roxbury Trap Rock Company, \$1.78; William J. Barry Company, \$1.75*; General Crushed Stone Company, \$1.84.

District 2, East Boston.—Rowe Contracting Company, \$1.78*; Concrete Materials Company, \$1.84; Metropolitan Crushed Stone Company, \$2; West Roxbury Trap Rock Company, \$1.90; General Crushed Stone Company, \$1.84.

District 3, Charlestown.—Rowe Contracting Company, \$1.81; Concrete Materials Company, \$1.78*; Metropolitan Crushed Stone Company, \$1.90; West Roxbury Trap Rock Company, \$1.90; General Crushed Stone Company, \$1.84.

District 4, Brighton.—Rowe Contracting Company, \$1.83; Metropolitan Crushed Stone Company, \$1.85; West Roxbury Trap Rock Company, \$1.81*; William J. Barry Company, \$1.85; General Crushed Stone Company, \$1.84.

District 5, West Roxbury.—Rowe Contracting Company, \$1.82; Metropolitan Crushed Stone Company, \$1.81; West Roxbury Trap Rock Company, \$1.75*; William J. Barry Company, \$1.80.

Districts 6 and 9, Dorchester and Ashmont.—Rowe Contracting Company, \$1.80; Metropolitan Crushed Stone Company, \$1.81; West Roxbury Trap Rock Company, \$1.78; William J. Barry Company, \$1.75*.

District 7, Roxbury.—Rowe Contracting Company, \$1.78; Metropolitan Crushed Stone Company, \$1.81; West Roxbury Trap Rock Company, \$1.75*; William J. Barry Company, \$1.80.

District 8, City Proper.—Rowe Contracting Company, \$1.78; Metropolitan Crushed Stone Company, \$1.75*; West Roxbury Trap Rock Company, \$1.78; William J. Barry, \$1.80; General Crushed Stone Company, \$1.81.

District 10, City Proper.—Rowe Contracting Company, \$1.80; Metropolitan Crushed Stone Company, \$1.75*; West Roxbury Trap Rock Company, \$1.78; William J. Barry Company, \$1.80; General Crushed Stone Company, \$1.84.

District 11, Hyde Park.—Rowe Contracting Company, \$1.85; Metropolitan Crushed Stone Company, \$1.75*; West Roxbury Trap Rock Company, \$1.78; William J. Barry, \$1.80.

Cash Discount, Ten Days.—Rowe Contracting Company, 2 per cent; Concrete Materials Company, 2 per cent; Metropolitan Crushed Stone Company, 2 per cent; West Roxbury Trap Rock Company, 2 per cent; William J. Barry Company, 2 per cent; General Crushed Stone Company, 2 per cent.

* Contract awarded.

Upon February 18 permission was given by the Acting Mayor to award a contract to Kirkman & Son, Incorporated, for 500 boxes bath soap, half-ounce pieces, 1,000 pieces to box, for the Park Department. Bids, opened February 10, were as follows:

500 Boxes Bath Soap, Half-Ounce Pieces, 1,000 Pieces to Box, Per Box.—Kirkman & Son, Incorporated, \$2.30; total, \$1,095; 11 cents per box may be deducted if exemption certificate covering 5 per cent Federal excise tax is filled out and signed and forwarded to bidder; Armour & Co., \$2.79; total, \$1,395; thirty

days delivery only; Swift & Co., \$2.687; total, \$1,343.50; discount, 2 per cent, ten days; Colgate-Palmolive-Peet Company, \$2.86, Poso Floating Soap; total, \$1,430; discount, 2 per cent, ten days. This last item is subject to 16 cents per case Federal oil tax and to 13 cents per case Federal excise tax. Unless bidder is furnished with exemption certificates complying with Federal procedure, these taxes must be added to the price quoted. Price quoted will apply on deliveries to June 1, 1936, only.

Upon February 18 permission was given by the Acting Mayor to award a contract to the Eastern Clay Goods Company for furnishing sewer pipes for the Sewer Division during 1936. The approximate amount of the contract was \$3,000.

Privilege of purchasing on same terms and conditions extended to February 1, 1937. Bids, opened January 28, were as follows:

Straight Pipe, Branches, Bends, T's, Stoppers, Etc.

All earthenware pipe 15 inches in diameter and over shall be double strength, standard list prices, adopted by Eastern Manufacturers, January 2, 1928.

Single Strength, Approximate Value of \$2,000, Discount from List Prices.—Portland Stone Ware Company, 4 inches to 24 inches, 69 per cent; William C. Norcross Company, 65 per cent; The Whittemore Company, 68 per cent; C. H. Spring Company, Incorporated, 62 per cent; Eastern Clay Goods Company, 72 per cent.

Double Strength, Approximate Value of \$1,000, Discount from List Prices.—Portland Stone Ware Company, 15 inches, 65 per cent; 18 inches to 24 inches, 63 per cent; William C. Norcross Company, 15 inches, 56 per cent; 18 inches to 24 inches, 53 per cent; The Whittemore Company, 57 per cent; C. H. Spring Company, Incorporated, 50 per cent; Eastern Clay Goods Company, 62 per cent.

Cash Discount, Ten Days.—Portland Stone Ware Company, 3 per cent; William C. Norcross Company, 2 per cent, 10th proximo; The Whittemore Company, 5 per cent; C. H. Spring Company, Incorporated, 2 per cent; Eastern Clay Goods Company, 2 per cent.

WITHOUT ADVERTISING.

Upon varying dates as indicated the Acting Mayor approved contracts with firms and contractors for labor and supplies, etc. Communications from the heads of the several departments were as follows:

POLICE DEPARTMENT.

Public Works Project No. 8200, Boston Police Communication System.

Two-Way Radio System, General Electric Company Contract, Dated May 29, 1934.

BOSTON, January 27, 1936.

HON. FREDERICK W. MANSFIELD,
Mayor of Boston.

DEAR MR. MAYOR,—I am forwarding you herewith five signed copies of an amendment to the above contract, said amendment comprising the following:

A. The General Electric Company's proposal signed by E. O. Shreve, dated November 27, 1935, to which are attached:

1. Amendment of April, 1935, to Jackson & Moreland Specification 49-2 for a two-way radio-telephone system.

2. Copy of letter, dated October 3, 1935, from T. S. Knight of General Electric Company to E. L. Moreland, with attached memorandum.

B. The Police Department's acceptance of said proposal, signed by the Police Commissioner, dated January 27, 1935.

This contract amendment involves a change in project-scope as set forth in my accompanying letter of even date. I request that upon approval of the application for change in project-scope by the Emergency Finance Board and the Director of P. W. A. (Mass.), you approve the execution of this contract amendment with the General Electric Company without advertisement, for the following reasons:

This contract amendment provides for the elimination of spare and service equipment and the granting of the concessions by the Police Commissioner as set forth therein in respect to the contract provisions and specification requirements, and in consideration thereof provides for the completion of the two-way radio system for the entire city and the equipment of seventy-seven cars with two-way radio within the contract price of \$89,800, which price originally provided a complete one-way system plus the two-way feature in one division and in five cars only, the remaining cars to be equipped with one-way radio.

The contract amendment includes a suitable warranty for five years, to protect the Police Department in the event of interference on account of reduced receiver selectivity as compared with the selectivity requirements of the original specification.

My engineers, Jackson & Moreland, have reviewed this contract amendment in the light of experience with the equipment already furnished and operating and they have advised me that in their opinion—

1. The concessions by the Police Department do not impair the city's interests.

2. The amendment will provide an entirely satisfactory two-way radio system for the entire city.

3. The estimated value of the additional radio apparatus provided by the amendment is approximately \$30,000 greater than the estimated value of the spare and service equipment to be eliminated.

4. The revision of this contract on the basis of the proposed amendment is at least as favorable to the city, all things considered, as any new contract which might reasonably be expected as a result of cancellation and readvertisement.

I am attaching to each copy of the amendment one copy of a letter, dated January 10, 1936, from the State Director, P. W. A. (Mass.), addressed to me, stating that a supplemental agreement satisfactory to P. W. A. Legal Department incorporating the proposed changes will be approved by P. W. A.

Very truly yours,

E. M. MCSWEENEY,
Police Commissioner.

PUBLIC WORKS DEPARTMENT.

BOSTON, February 13, 1936.

To the Mayor of Boston.

On February 7, 1936, at 1.30 p. m. a serious accident occurred to the draw span operating machinery of the Northern Avenue Bridge, South Boston side, damaging some steel members to such an extent as to place the bridge out of commission and said bridge will be out of use until the necessary repairs are made. It is most essential for proper traffic service to the property owners in South Boston using said bridge that

repairs be made immediately. The work would require a firm skilled in bridge repairs, etc., and the best equipped firm in or around Boston for this type of work is the Boston Bridge Works, Incorporated, 300 Binney street, Cambridge, said firm being well equipped to do this work promptly and economically, having the necessary experienced steel men and the equipment and material required to do the work, in stock.

I respectfully request approval to award a contract, without advertising, to the Boston Bridge Works, Incorporated, to perform the necessary repairs at day labor prices, material to be furnished at a reasonable cost, also the use of any equipment at cost; the approximate expense is \$3,200. This is emergency work requiring immediate repairs, and no advantage will be gained by advertising the repair work and any advertising will necessarily delay the time in completing repairs and reopening the bridge, which is inadvisable.

Respectfully yours,

C. J. CARVEN,
Commissioner of Public Works.

SUPPLY DEPARTMENT.

BOSTON, February 12, 1936.

HON. JOHN I. FITZGERALD,
Acting Mayor of Boston.

DEAR SIR,—In order that F. E. R. A. and W. P. A. projects may be carried on with as little delay as possible, I believe that the purchasing and renting of materials and equipment should be handled on an emergency basis.

Requisitions Nos. 39, 40, 41, 42, 43, dated January 22, 1936, have been received from the W. P. A. Sewing Department, covering the rental of 1,250 chairs for the sum of \$1,620 as outlined below:

100 chairs, November 9, 1935, to April 9, 1936, \$150; 300 chairs, November 16, 1935, to April 16, 1936, \$450; 200 chairs, December 1, 1935, to April 1, 1936, \$240; 150 chairs, December 14, 1935, to April 14, 1936, \$150; 500 chairs, December 27, 1935, to April 27, 1936, \$600.

These chairs have already been in use by the Sewing Projects for a period of four months at a rental price of 30 cents per chair per month from Byron Jackson.

Therefore I would respectfully request that permission be granted me to award this contract to Byron Jackson, 27 Haymarket square, Boston, the lowest bidder on the first contract, without publicly advertising, at a rental price of 30 cents per chair per month, as this concern has supplied the chairs now on rental.

The total amount of the contract for the rental of these chairs for the periods mentioned above is \$1,620.

Respectfully yours,

D. FRANK DOHERTY,
Superintendent of Supplies.

BOSTON, February 13, 1936.

HON. JOHN I. FITZGERALD,
Acting Mayor of Boston.

DEAR SIR,—In order that W. P. A. projects may be carried on with as little delay as possible, I believe that the purchasing of material and equipment for these projects should be handled on an emergency basis. Requisitions Nos. 6, 29 and 30, dated January 27, 1936, have been received from the Park Department covering the purchase of hard pine lumber

for emergency repairs on Columbia Station Bridge, also for seats at the Roberts Playground, Dorchester, Work Projects 2310 and 2145. The amount is approximately 27,460 square feet. As this is an emergency order, informal bids were asked from the following concerns and duly posted on our bid board:

Curtis & Pope, George McQuesten, Hawkins Lumber Company, Kirley Lumber Company, William Curtis & Sons, Cronin Lumber Company, Barney & Carey, Pope Lumber Company.

The following total bids were received:

Blacker & Shepard, \$2,393.30, less 2 per cent; Curtis & Pope, \$2,393.30, less 2 per cent; Barney & Carey, \$2,393.30, less 2 per cent; George McQuesten Company, \$2,393.30, less 2 per cent.

Inasmuch as all bids are equal, I respectfully request permission to award this contract to the George McQuesten Company, without publicly advertising, at a total price of \$2,393.30, less 2 per cent cash discount.

Respectfully yours,

D. FRANK DOHERTY,
Superintendent of Supplies.

BOSTON, February 17, 1936.

HON. JOHN I. FITZGERALD,
Acting Mayor of Boston.

DEAR SIR,—In order that W. P. A. projects may be carried on with as little delay as possible, I believe that the purchasing of materials and equipment for these projects should be handled on an emergency basis.

Requisition No. 33, dated January 15, 1936, has been received from the W. P. A. Public Welfare Department, covering the purchase and installation of a pneumatic tube system, as per specifications and plan, to be used at 43 Hawkins street, Boston, Mass. The specifications and plan cover an addition to the existing 1½-inch Lamson Pneumatic System now installed in the Public Welfare Building.

The Lamson Company, Incorporated, of Syracuse, N. Y., were the only bidders. This firm has their tube system patented and are the sole manufacturers.

Therefore I respectfully request permission to award this contract to the Lamson Company, Incorporated, the manufacturers and only bidder, without publicly advertising, at a total price of \$1,375 delivered and installed, as per specifications and plan.

Respectfully yours,

D. FRANK DOHERTY,
Superintendent of Supplies.

CONSTRUCTION WORK.

The Mayor has approved the request of the Public Works Department for the following construction work:

A surface drain of 15-foot by 13-foot concrete, relay 28 feet of 12-inch pipe sanitary sewer and build two manholes (P. W. A. Project 4193Q) in Stony brook section No. 14, between 400 feet north-east of Mt. Hope street and 150 feet southwest of Mt. Hope street, in the West Roxbury district, at an estimated cost of \$60,000.

A surface drain of 20-inch pipe and two catch-basins (W. P. A. Project 65-14-4953, Work Project 5770) in Neponset avenue, between Water street and 600 feet southeasterly, in the Hyde Park district, at an estimated cost of \$12,000.

CIVIL SERVICE EXAMINATIONS.
(STATE.)STATE EXAMINERS OF ELECTRICIANS.
Examinations, 1936.

Examinations will be held at the following points and on the following dates:

Boston, Monday, March 2.
Fall River, Wednesday, March 4.
Fall River, Thursday, March 5.
Boston, Monday, April 6.
Springfield, Wednesday, April 8.
Boston, Monday, May 4.
Worcester, Wednesday, May 6.
Boston, Monday, June 8.
Boston, Monday, September 14.
Worcester, Wednesday, September 16.
Springfield, Thursday, October 15.
Pittsfield, Friday, October 16.
Boston, Monday, November 2.
Lowell, Wednesday, November 4.
Boston, Monday, December 7.
New Bedford, Wednesday, December 9.
New Bedford, Thursday, December 10.

Rules for Examinations.

All examinations shall be given in English.

Applicants for Class B or journeyman's certificate must be at least eighteen years of age and have had at least two years' practical experience or the equivalent in the installation of wires, conduits, apparatus, fixtures and other appliances for carrying or using electricity for light, heat or power purposes.

Applicants for Class A or master's certificate must be at least twenty-one years of age and have had at least two years' experience in the business of installing wires, conduits, apparatus, fixtures and other appliances for carrying or using electricity for light, heat or power purposes.

Examinations shall consist of applicant's knowledge of the National Electrical Code and practical electrical work.

All persons desiring to be examined, either for a master or journeyman certificate, shall have application on file at least ten days previous to the date of such examination.

Applicants for examination will be required to obtain at least 70 per cent in order to obtain a certificate.

Applicants who fail to obtain the required 70 per cent will not be entitled to re-examination until a period of three months has elapsed, and those who receive less than 50 per cent, or who fail on the practical demonstration, will not be re-examined for a period of six months.

Any person found referring to notes or books, or misbehaving during an examination, will be debarred from that examination.

Notice will be sent to applicants for certificates when and where examination will be held and only those so notified will be examined on that day.

CIVIL SERVICE EXAMINATIONS.
(STATE SERVICE.)BOILER INSPECTOR, DEPARTMENT OF PUBLIC
SAFETY, MARCH 28, 1936.

Last date for filing applications, Saturday, March 14, 1936, at 12 noon.

The minimum salary is \$2,040 a year; the maximum salary is \$2,640 a year.

Entrance Requirements: Applicants must be not less than twenty-five years of age at the time of filing application, and according to section 6, chapter 22, of the General Laws, must be not over forty-five years of age at the time of appointment. A certificate of date of birth must be filed with the application unless one has been filed with a previous application. Applicants must possess a first-class engineer's license.

Subjects and Weights: Training and

experience, 8; arithmetic (embracing percentage, decimals, square and cubic measurements) and the solution of practical engineering formulae, 2; report, 2; practical questions on engineering, elementary mechanics and State Boiler Laws, 8; total, 20.

Passing Requirements: At least 50 per cent in arithmetic and in report, at least 70 per cent in experience, in practical questions, and in general average in order to become eligible.

Applicants are advised to study the Steam Boiler Laws issued by the Department of Public Safety.

Physical fitness to be determined by physical examination.

Applicants must be able to enter the manhole of a boiler 15 inches by 11 inches. Applicants will be rejected if unable to enter such a manhole.

BUILDING INSPECTOR, DEPARTMENT OF
PUBLIC SAFETY, MARCH 28, 1936.

Last date for filing applications, Saturday, March 14, 1936, at 12 noon.

The minimum salary is \$2,040 a year; the maximum salary is \$2,640 a year.

Entrance Requirements: Applicants must be not less than twenty-five nor over fifty years of age at the time of filing application. A certificate of date of birth must be filed with the application unless one has been filed with a previous application. Applicants must have not less than four years' experience in the inspection of materials and methods of building construction or in a skilled trade involving the practical application of methods of building construction.

Duties: To enforce the provisions of chapter 143 of the General Laws relating to the construction, maintenance and operation of public buildings, theaters, halls, churches, schools, etc. The provisions of law which they enforce relate particularly to the safe occupancy of these buildings, sufficient egress therefrom, prevention of fire and of the spread of fire, and the ventilation and sanitation of buildings. They are also called upon to enforce certain provisions of chapter 143 of the General Laws relating to unsafe buildings and their condemnation in cities and towns having no building inspector. To enforce the provisions of chapter 143 relating to inspection of elevators in cities and towns having no building inspector and the provisions of law relating to the operation of motion picture machines. To examine applicants for licenses to operate motion picture machines. They are subject to detail by the commissioner at his discretion for temporary duty in the Division of State Police. To perform such other related incidental or emergency duties as may be assigned.

Subjects and Weights. Training and experience, 3; practical questions, 4; personality and fitness, as determined by an oral interview, 3; total, 10.

Passing Requirements: At least 70 per cent in each subject of the examination in order to become eligible.

Physical fitness to be determined by physical examination.

HEARINGS STENOGRAPHER, STATE BOARD OF
TAX APPEALS, MARCH 28, 1936.

Last date for filing applications, Saturday, March 14, 1936, at 12 noon.

Requisition is for a female, but the examination is open to both males and females.

The minimum salary is \$1,620 a year; the maximum salary is \$1,980 a year.

Duties: To take hearings of the board and do other stenographic work. Applicants must be able to take shorthand at the rate of 180 words a minute.

Subjects and Weights: Training and experience, 2; spelling, 2; arithmetic, 2; grammar, 2; filing, 1; word knowledge, 1; stenography, 10; total, 20. The dictation will be given at the following rates of speed: 150 and 180 words a minute. The transcription will be marked for both speed and accuracy. Applicants are required to obtain at least 70 per cent in accuracy of transcription.

Applicants will also be required to obtain at least 70 per cent in spelling, at least 50 per cent in each of the other subjects, and at least 70 per cent in general average in order to become eligible.

PROCEEDINGS OF CITY COUNCIL.

Monday, February 10, 1936.

Regular meeting of the City Council in the Council Chamber, City Hall, at 2 p. m., Coun. GALLAGHER in the chair.

Absent, Coun. Gleason, Peter A. Murray and Roberts.

APPOINTMENTS BY THE MAYOR.

Subject to confirmation by the Council, the Mayor submitted the following appointments, viz.:

Weigher of Goods: Edward C. Coulon, 1429A Cambridge street, Cambridge.

Weigher of Coal: Francis J. LeClair, 158 Bright street, Waltham.

Laid over a week under the law.

VETO OF SOUTH BOSTON RECREATIONAL CENTER.

The following was received:

City of Boston,

Office of the Mayor, February 5, 1936.

To the City Council.

Gentlemen,—I return herewith disapproved and without my signature the resolution adopted by your Honorable Body on February 3, 1936, favoring legislation authorizing the city to borrow \$500,000 outside the debt limit for the erection of a recreational center in South Boston provided that said legislation includes a referendum to the Mayor and the City Council. Were such legislation to be passed and then presented to the City Council and the Mayor for approval I should be compelled, because of the necessity not to add to the taxpayers' burden, to veto any order adopted by the Council in pursuance of such legislation.

It seems unfair, therefore, to give to the Legislature the impression that such legislation might be acceptable to the city when I am of opinion that the city cannot afford at the present time to expend a half million dollars for this purpose. For these reasons I am constrained to veto this resolution but I beg to add that the problem of providing a gymnasium combined with certain other municipal facilities for the South Boston district is now under examination by me and that I hope soon to be able to present a plan that will be acceptable to the City Council and pleasing to the residents of South Boston.

Respectfully,

FREDERICK W. MANSFIELD, Mayor.

Placed on file.

VETO OF ORDER RE MAURICE J. POWER.

The following was received:

City of Boston,

Office of the Mayor, February 7, 1936.

To the City Council.

Gentlemen,—I return herewith disapproved and without my signature the order adopted by your Honorable Body on January 27, 1936, approving the enactment of legislation authorizing the crediting of certain service rendered by Maurice J. Power upon his eventual retirement, provided that such legislation includes a referendum to the Mayor and the City Council.

Maurice J. Power was formerly employed in the Treasury Department of the city from November 1, 1906, to June 1, 1920, when he resigned for private reasons. On April 1, 1923, he returned to the employ of the city and is now first assistant assessor. Upon his return to the employ of the city he will be entitled upon his retirement (which would not occur until July 21, 1942) to have his retirement allowance computed only from April 1, 1923, the date of his return to the city service, but if the legislation referred to were passed the Retirement Board would be authorized to include in that computation his prior service to the city from 1906 to 1920.

I am constrained to veto this resolution as bad in policy as it would immediately open the door to a drive by all other present city employees who had formerly worked for the city, had been out of the service for a time and then returned to the city's employ after the Retirement Act went into effect. I am informed that there are 266 such persons in the employ of the city and it is obvious that the approval of this resolution and of the legislation suggested would establish a precedent which would be difficult to ignore

if all of the other employees similarly situated should make similar requests. Presumably all of these employees resigned voluntarily, knowing what they were doing and all, I think, are exceedingly fortunate in having been reinstated to the city service. To grant the additional compensation which the resolution contemplates upon their retirement would be unfair to the taxpayer.

Respectfully,

FREDERICK W. MANSFIELD, Mayor.

Placed on file.

SINGLE MEN ON SOLDIERS' RELIEF AT C. C. C. CAMPS.

The following was received:

City of Boston,

Office of the Mayor, February 4, 1936.

To the City Council.

Gentlemen,—I herewith transmit a letter from the Commissioner of the Soldiers' Relief Department, relative to your order of January 27, 1936, concerning the abandonment of the rule whereby single men who apply for soldiers' relief are obliged to serve at C. C. C. camps.

Respectfully,

FREDERICK W. MANSFIELD, Mayor.

City of Boston,

Soldiers' Relief Department,

February 3, 1936.

Hon. Frederick W. Mansfield,
Mayor of Boston.

Sir,—I have your letter of January 30, 1936, with attached City Council order of January 27, 1936, to the effect that your Honor instruct the Commissioner of Soldiers' Relief to abandon the rule whereby single men who apply for soldiers' relief are obliged to serve at Civilian Conservation camps.

It has been the policy of this department to request single veterans who apply for assistance or who are on the rolls of this department to register for enrollment in the Civilian Conservation Corps, as we have considered such enrollments jobs for the veterans. This has been practically the only source of employment open for single veterans.

Any veteran, however, who had a good reason not to enroll has been excused. For instance, if a veteran has other prospects of work in view, or is living with aged parents who have nobody else to care for them, it is not expected that he enroll in the Civilian Conservation Corps.

We have heard from many of the veterans who have been in the Civilian Conservation Corps camps and they have advised us that it has been a blessing for them to have the opportunity of enrollment.

It is my carefully considered opinion that it is for the best interests of all concerned to retain this policy with respect to single veterans. If for any good and legitimate reason a veteran should not be expected to register for such enrollment, it is a perfectly simple matter to excuse him from doing so and in that event we are only too glad to assist him.

Respectfully yours,

CHARLES H. CAREY, Commissioner.

Placed on file.

RESTORATION TO WELFARE ROLLS.

The following was received:

City of Boston,

Office of the Mayor, February 6, 1936.

To the City Council.

Gentlemen,—I transmit herewith a letter from the Overseers of the Public Welfare relative to your order of January 27, 1936, concerning a request to restore to Welfare Department rolls persons who were employed on E. R. A. and W. P. A. projects and who have since been laid off.

Respectfully,

FREDERICK W. MANSFIELD, Mayor.

City of Boston,

Overseers of the Public Welfare,

February 5, 1936.

Mr. John F. Gilmore, Jr.,

Assistant Secretary, Mayor's Office.

Dear Sir,—This is to acknowledge receipt of your communication of January 30, 1936, inclosing the following order from the City Council, dated January 27, 1936:

"Ordered, That the Overseers of Public Welfare be requested, through his Honor the Mayor, to immediately restore to their rolls for welfare aid persons who were employed on E. R. A. or W. P. A. projects and who have since been laid off."

It is the policy of this department to aid all persons living in the city who are in

distress and this policy covers the E. R. A. and W. P. A. workers who have been released from their project work.

Yours truly,

JOHN C. L. DOWLING,
Executive Director.

Placed on file.

TRAFFIC SIGNALS, WARD 16.

The following was received:

City of Boston,

Office of the Mayor, February 6, 1936.

To the City Council.

Gentlemen,—I transmit herewith a letter from the Traffic Commissioner, relative to your order of January 27, concerning the installation of traffic signals at certain locations in Ward 16.

Respectfully,

FREDERICK W. MANSFIELD, Mayor.

City of Boston,

Traffic Commission, February 5, 1936.

Hon. Frederick W. Mansfield,

Mayor of Boston.

Dear Sir,—I have the honor to acknowledge receipt of Council order dated January 27, 1936, which reads as follows:

"Ordered, That the Traffic Commission be requested, through his Honor the Mayor, to install automatic traffic signals at the following locations in Ward 16:

Dorchester avenue, in front of the Gibson Street Playground.

Neponset avenue, in front of the Neponset Playground.

Adams street, in front of the Mary Hemenway Playground."

I regret to state that there are no funds available for the installation of traffic signals at these locations.

Respectfully yours,

WILLIAM P. HICKEY, Commissioner.

Placed on file.

PUBLIC WORKS DEPARTMENT TRUCKS.

The following was received:

City of Boston,

Office of the Mayor, February 5, 1936.

To the City Council.

Gentlemen,—I transmit herewith a letter from the Commissioner of Public Works, relative to your order of January 27, 1936, concerning Public Works Department trucks.

Respectfully,

FREDERICK W. MANSFIELD, Mayor.

City of Boston,

Public Works Department, February 5, 1936.

Mr. John F. Gilmore, Jr.,

Assistant Secretary, Mayor's Office.

Dear Sir,—I beg leave to acknowledge receipt of your note of January 30 with attached City Council order dated January 27, and reading as follows:

Ordered, That the Commissioner of Public Works be requested, through his Honor the Mayor, to advise the City Council:

1. The total number of trucks which will be under the supervision of the Public Works Department as and when the trucks included in the recent order passed by the City Council have been purchased. Answer: 259.

2. The number of men now available in the Public Works Department holding a civil service rating as chauffeur. Answer: 310. This number includes chauffeur-mechanics and chauffeur-laborers, also all persons operating motor equipment.

3. The location of each garage, whether public or private, where trucks owned by the city and under the supervision of the Public Works Department are now garaged, together with the monthly rate paid in each case. Answer:

Arborway Garage, 209 South street, Jamaica Plain, \$10.50. Barter Brothers Garage, 112 Tremont street, Brighton, \$17. Bay State Garage, 270 Main street, Charlestown, \$8. Centre Street Garage, 710 Centre street, Jamaica Plain, \$74. Chardon Street Garage, 80 Chardon street, Boston, \$18.50. Dailey's Garage, 623 Fourth street, South Boston, \$8. Dorchester Taxi Garage, 1089 Dorchester avenue, Dorchester, \$8. Dudley Street Garage, 350 Dudley street, Roxbury, \$81.50. Eagle Square Garage, 444 Chelsea street, East Boston, \$59.50. Eustis Square Garage, 1046 Harrison avenue, Boston, \$17. Fields Corner Garage, 286 Adams street, Dorchester, \$31.50. Forsyth Street Garage, 70 Forsyth street, Boston, \$9. Frank's Garage, 803 Shawmut avenue, Roxbury, \$8. Granite Avenue Garage, 17 Granite avenue, Dorchester, \$151. Griffin's Garage, 166 Pleasant street, Dorchester, \$9. Humboldt Garage, 126 Humboldt avenue, Roxbury, \$10.50. International Garage, 1443 Dor-

chester avenue, Dorchester, \$65. Jamaica Pond Garage, 740 Centre street, Jamaica Plain, \$18.50. John Manning, 2000 Washington street, Roxbury, \$104.50. J. J. McCarthy, 115 Boston street, Dorchester, \$27.50. Kiley & Powers, 387 Market street, Brighton, \$33. Mahoney's Garage, 1218 Hyde Park avenue, Hyde Park, \$26.50. H. J. Lennon Garage, 86 South street, Jamaica Plain, \$8. M. McGinnis Garage, 34 Brookley road, Jamaica Plain, \$21. Modern Garage, 222 Quincy street, Dorchester, \$175. O'Connor's, 726 Broadway, South Boston, \$47.50. O'Sullivan's Garage, 195 Bowdoin street, Dorchester, \$8. Parker Hill Garage, 30 Pontiac street, Roxbury, \$8. Pope's Hill Garage, 80 Neponset avenue, Dorchester, \$55. Roxbury Crossing Service Station, 1205 Columbus avenue, Roxbury, \$17. Roslindale Square Garage, 8 Robert street, Roslindale, \$17. Steeves' Garage, 450 Washington street, Dorchester, \$10.50. Terminal Garage, 85 Zeigler street, Roxbury, \$46. Townfield Garage, 21 Christopher street, Dorchester, \$8. Willow Court Garage, 21 Clapp street, Dorchester, \$19.50. Public Works Department Garages, 624 Albany street, City Proper, 162 Hancock street, Dorchester.

Respectfully yours,

C. J. CARVEN,
Commissioner of Public Works.

Placed on file.

LOAN FOR SEWERAGE WORKS.

The following was received:

City of Boston,
Office of the Mayor, February 8, 1936.

To the City Council.

Gentlemen,—I have received from the Commissioner of Public Works a recommendation that a loan appropriation of \$1,000,000 be authorized for sewerage works. Under statutory provisions all construction work for sewerage purposes must be financed by a bond issue. The commissioner proposes, if his recommendation is approved, to apportion the loan in the following manner:

1. For sewerage works for the Federal Housing Project in Old Harbor Village	\$200,000
2. For sewerage works, catch-basins, manholes and small and emergency projects, and Calf Pasture pump replacements	249,000
3. For sewerage works for a portion of W. P. A. projects for materials, equipment, supervision, etc.	249,000
4. For general sewerage works requiring construction as soon as possible, as specified below	302,000
	\$1,000,000

I am advised by the City Auditor that on the 7th instant there was an unencumbered balance of approximately \$12,000 available for sewerage works. In view of the fact that the weekly charge for pay rolls against this loan is roughly \$4,000, the balance remaining will be exhausted before the end of the current month.

In view of existing financial conditions I cannot see my way clear to recommend an increase in the debt of the city to an amount which would be required to cover the entire program recommended by the Commissioner of Public Works. While a portion of this program must be carried out, I feel that other items may be deferred, especially that portion which provides for the construction of sewerage works in the section in South Boston where a Federal Housing Project is contemplated. From present indication considerable delay will attend the development of this project; consequently, it would appear inadvisable for the city at this time to incur debt for construction work in this area. After surveying carefully the entire program submitted by the commissioner, I am of the opinion that \$500,000 is the limit of the appropriation which should be made at this time. I submit herewith a loan order in this amount and respectfully recommend its adoption by your Honorable Body.

Respectfully,
FREDERICK W. MANSFIELD, Mayor.

Ordered, That under the provisions of chapter 426 of the Acts of 1897, as amended by chapter 204 of the Acts of 1908, and by chapter 178 of the Acts of 1930, the sum of \$500,000 be, and hereby is, appropriated, to be expended under the direction of the Commissioner of Public Works, for Sewerage Works, and that the City Treasurer be au-

thorized to issue, from time to time, upon request of the Mayor, bonds or certificates of indebtedness of the city to said amount.

Referred to the Committee on Finance.

BUNKER HILL MEMORIAL TABLETS.

The following was received:

City of Boston,
Office of the Mayor, February 8, 1936.
To the City Council.

Gentlemen,—I am in receipt of the attached communication from the chairman of the Art Commission in which he requests that his commission be authorized to expend a sum not in excess of \$9,000 from the income of the Phillips Street Fund for the improvement and embellishment of the Bunker Hill Memorial Tablets in Winthrop square, Charlestown. The Phillips Street Fund is a trust fund of the city which was established under the will of Jonathan Phillips who died in July, 1860, and who provided in his will that the sum of \$20,000 should be given to the City of Boston "as a Trust Fund, the income of which will be annually expended to adorn and embellish the streets and public places in said city."

At the present time there remains in the income of the Phillips Street Fund an unexpended balance of approximately \$11,500, a sum amply sufficient to cover the work proposed. In view of the historical importance of the tablets, and the fact that the contemplated work will greatly improve the general appearance of the square in which they are located, I feel that the work should be carried forward, especially since there is ample income in the proposed fund to cover the expenditure. I submit herewith an appropriation order making available the funds requested by the Art Commission and respectfully recommend its adoption by your Honorable Body.

Respectfully,
FREDERICK W. MANSFIELD, Mayor.

City of Boston,
Art Commission, February 6, 1936.
Hon. Frederick W. Mansfield,
Mayor of Boston.

Dear Sir,—This is a request that the sum of \$9,000 (nine thousand dollars) be appropriated and expended under the direction of the Art Commission for the improvement and embellishment of the Bunker Hill Memorial Tablets, Winthrop square, Charlestown, said amount to be charged, if deemed proper, to the Phillips Street Fund income.

The present bronze tablets bear the sacred names of the American soldiers killed in the first great battle of the American Revolution. At present these tablets are set on two inadequate cast-iron monuments which are in a shocking state of disrepair.

It is proposed to enframe the present tablets in bronze and set them on enduring granite. It is also proposed to widen the opening and steps between the two monuments. This would not only be a great improvement in itself but would also help to open up the vista of the noble shaft on Bunker Hill beyond.

The request to fix up the tablets came originally from the City Council. After careful and prolonged study we are now ready to act. Drawings have been prepared and estimates obtained. The proposed work has the approval of the Park Department.

If possible we would like to get going immediately so that the work may be completed before June 17, 1936, when a re-dedication of the tablets might be in order.

Respectfully yours,
ROBERT P. BELLOWES,
Chairman, Boston Art Commission.

Ordered, That the sum of \$9,000 be, and the same hereby is, appropriated, to be expended under the direction of the Art Commission, for Bunker Hill Memorial Tablets, Winthrop square, Charlestown, improvement and embellishment of, said amount to be charged to the income of the Phillips Street Fund.

Referred to Executive Committee.

PETITIONS REFERRED.

The following petitions were received and referred to the committees named, viz.:

Claims.

Morris Baker, for compensation for damage to car by city truck.

Joseph T. Canniff, for compensation for damage to car caused by an alleged defect in Charles street.

Morris Chasen, for compensation for damage to property at 2 and 4 Baird street, Dorchester, caused by bursting of water pipe.

Caroline Conroy, for compensation for injuries caused by city men shoveling snow.

Louis DeFant, for compensation for damage to car caused by fall of snow from roof of Mayhew School.

Dorchester Theatre Company, for compensation for damage to property at 1524 Dorchester avenue, caused by snow-removal machine.

Forest Hills Cemetery, for compensation for damage to property at Forest Hills Cemetery, caused by change of grade of land.

Mary Gabriel, for compensation for damage to property at 6 Ohio street, caused by backing up of sewage.

Francis H. Goodwin, for compensation for injuries caused by an alleged defect at Tynedale street and Belgrade avenue.

George W. Goodman, for compensation for damage to car by city car.

Katherine E. Ingersoll, for compensation for injuries caused by city men shoveling snow.

Annie Katz, for compensation for damage to coat by catching on ash can on Summer street.

Marie Matera, for compensation for injuries caused by an alleged defect in Health Unit, East Boston.

Agnes McCann, for compensation for injuries caused by an alleged defect in Curtis Hall, Jamaica Plain.

Mrs. Vina Mednitsky, for compensation for injuries caused by an alleged defect in Boston Sanatorium.

Sulkin Spice Company, for compensation for damage to property caused by city car No. A4659.

L. A. Waltz, for compensation for glasses broken by patient at City Hospital.

Mrs. Virginia D'Agostino, for compensation for damage to property at 1 Emmons street, East Boston, caused by bursting of water pipe.

Joseph Locke, to be reimbursed for snow-removal job for which he was not paid.

Executive.

Petitions for children under fifteen years of age to appear at places of public amusement, viz.:

Joseph Verdi, East Boston High School, February 12.

Hazel Boone, Auditorium, February 13.

Sander Bieber, Sarah Greenwood School Hall, February 6.

DISMISSAL OF CONSTABLE.

Notice was received from the Mayor of dismissal of Sidney E. Sullivan, 7 Mt. Everett street, Dorchester, as constable of City of Boston at close of business, February 3, 1936.

Placed on file.

APPROVAL OF CHANGE IN P. W. PROJECT 8200.

Notice was received from the Emergency Finance Board of vote passed February 4 approving change in contract on Public Works Project 8200 for installation of a Police Communications System.

Placed on file.

MAYOR'S ABSENCE FROM CITY.

Notice was received from the Mayor of his absence from the city from February 9 to and including February 28.

Placed on file.

TEMPORARY ROUTE, EASTERN MASSACHUSETTS STREET RAILWAY COMPANY.

Notice was received from the Department of Public Utilities of order of said department granting temporary route to Eastern Massachusetts Street Railway Company on Chelsea street, between Chelsea-Boston boundary line and in and around City square; on Washington Street North, between City square and Haymarket square circle; also on Warren avenue, between City square and Warren Bridge, on Warren Bridge, on Beverly street, between Warren Bridge and Washington Street North.

Placed on file.

SIDEWALK ASSESSMENTS.

Communications were received from the Commissioner of Public Works together with orders assessing half cost of constructing sidewalks against owners of estates bordering thereon, viz.:

Half Cost.
North Harvard street, Ward 22.....\$615 74
Hobson street, Ward 22.....743 38
The orders were severally passed.

EXCHANGE OF LAND WITH NEW ENGLAND TELEPHONE & TELEGRAPH COMPANY.

The following was received:

City of Boston,
Finance Commission,
February 6, 1936.

To the Honorable the City Council.

Gentlemen,—On December 9, 1935, Mayor Mansfield submitted a special message to the City Council, as it then existed, recommending what he described as "an exchange of land" between the City of Boston and the New England Telephone & Telegraph Company. This matter by reference of last year's council to you is now before you for action.

The Finance Commission does not believe that the so-called "exchange" on the terms suggested by the Mayor "is in the interests of the City of Boston," as the Mayor claimed it to be when he asked the Council to authorize it. The commission is rather inclined to believe that it is wholly in the interests of the New England Telephone & Telegraph Company, and that the Mayor has asked the Council to make a gift to that company which has a potential value of approximately \$120,000. The Finance Commission therefore recommends to your Honorable Body that you decline to approve "the so-called exchange" on the terms in which it has been presented to you.

The commission bases its recommendation on the following facts:

The "exchange" consists, on the one side, of the gift by the telephone company to the city of a narrow strip on the Chardon street side of a parcel occupied by the telephone company in Bowdoin square, bounded by Cambridge and Chardon streets; plus the gift for a widening of Pearl street of a 10-foot strip on Pearl street, between High and Franklin streets, property which the telephone company now owns. On the other side "the exchange" consists of a gift by the city to the telephone company of Perkins street in its entirety. Perkins street extends from Congress street to Pearl street and cuts in two a large area owned by the telephone company.

The telephone company indicates in a letter from Charles S. Pierce, its vice president and general counsel, to Mayor Mansfield, which is before you, that it is not the present intention of the telephone company to erect a new building on the land wanted. From the wording of the letter it is fair to assume that no building would be erected on it for some years. There is therefore no immediate prospect, if the deal is consummated, of furnishing an opportunity to citizens to earn additional wages. There is also no immediate prospect of new taxes to the city which would result from the erection of a new building.

When the telephone company built a new building at Cambridge and Chardon streets several years ago, the company set back the new building on the Chardon street side. So far as the city is concerned, it was a voluntary set-back. There was talk of the widening of Chardon street at the time as there had been before and has been since, but no definite action relating to it has been taken up to the present time. It is doubtful if, in the event Chardon street were widened, the best widening that might be possible would encroach on any part of the telephone company's lot. Though a sidewalk has been built over that portion of the telephone company's lot which is not used for its building, no obligation has been incurred by the city, and none need necessarily be incurred. The area of this portion is about 1,000 feet. Its value at the per foot rate of assessment just previous to the erection of the building was \$20,000. It should be borne in mind, however, that the determination that the widening of Chardon street should take place on the side occupied by the telephone company has only been made, so far as any official records reveal, by the telephone company itself.

In the matter of the Pearl street widening, again apparently it is the telephone company that first determined that Pearl street should be widened and that the widening should take place on the side owned by the telephone company. There has been no public demand for a widening of Pearl street. No public convenience would be served by such a widening.

ing. It is not a main thoroughfare. It is simply a short street leading from Post Office square to a point on Atlantic avenue which faces the center of a large mercantile block. Its traffic consists almost entirely of persons wishing to enter the buildings abutting on it. Without promotion by a selfish interest, it is probable that, for as far into the future as it is possible now to see, there would be no demand or necessity for its widening.

At the present time, therefore, or at any time in the future, the grant of a 10-foot strip on Pearl street by the telephone company to the city is not required by the city's needs. It will be of no value to the city if there is no widening of Pearl street except as public convenience and necessity determine that widening. The only value to the grant would be to the telephone company in carrying out whatever plan that company has for the future development of its property as, for instance, to permit the company to erect a building higher than would be permitted by law if the street remains at its present width. Widening streets simply to conform to plans of one abutter on a street should not be countenanced.

The order spoken of by the Mayor in his letter to you which the Street Commissioners passed on November 29, 1935, and which widened Chardon and Pearl streets only at the points where the telephone company's lots are located followed a letter of the vice-president of the telephone company to the Mayor dated November 25, 1935. In this letter Vice President Pierce stated, respecting the company's property on Chardon street, "the city ought to acquire the land"; respecting Pearl street, the letter stated "it ought to be eliminated." Four days later the Street Commissioners adopted an order complying with the telephone company's demand.

This order which was adopted so promptly after Mr. Pierce's letter was intended therefore to pave the way for the making by the city of a very substantial gift to the telephone company.

Another feature of it is that it, in effect, accomplishes the commitment of the city to the widening of two streets which, if ratified by you now, at some future date will cost the city many hundreds of thousands of dollars. It also will commit the city to widen on the side where the telephone company owns. It need hardly be argued that no street widening should be permitted to be dictated by an interest outside the city corporation, and none should be started without a complete plan and without prospect of its fulfillment.

If the two street widenings mentioned are eliminated from consideration in the grant of Perkins street by the city to the telephone company, the only consideration left relates to what the city should receive for such a gift. The area of it is approximately 3,646 square feet. The average assessed value of the land bordering on it is \$33 per foot. At this average per foot value, Perkins street is worth \$120,318.

The Finance Commission believes the city should charge the telephone company approximately this amount of money for the sale of the street to the company. The commission believes the city should not commit itself either to the widening of Chardon street or of Pearl street as the telephone company has decided both should be widened. No consideration, therefore, should be given to an allowance by the city for the land that the telephone company has allowed to become used as Chardon street, nor to an allowance for the land which the telephone company has decided should become the widening of Pearl street.

The commission desires to point out that there have been instances in the past when abutting property owners were required to pay substantial sums to the city for the closing of public ways when such things were entirely in the interest of the abutters. In 1922, when the corporation which desired to erect the Chamber of Commerce building requested the city to close a portion of Leather court, the city acquiesced but on the insistence of Mayor Curley, who was in office at the time, the corporation was required to pay the city \$4,095.68 for the portion of the street closed and given by the city to the corporation. Later, when the corporation which desired to construct the Atlantic National Bank building requested the city to close up Bath street and a portion of Congress street, so that the corporation might use the land contained in those streets for its building, the city on the insistence of Mayor Curley collected \$48,000 for the land given to the corporation.

There is precedent, therefore, for the refusal by the city to close Perkins street without a large cash payment by the telephone company. If it is decided to close Perkins street for such a cash payment, it should be done in such a

way that the city will be free to widen both Chardon and Pearl streets only when public convenience requires such widenings and in a manner not dictated by one property owner's selfish interest.

Respectfully submitted,
E. MARK SULLIVAN, Chairman,
PHILIP A. CHAPMAN,
ROBERT ROBINSON,
JAMES E. MAGUIRE,
JOSEPH A. SCOLPONETTI,
The Finance Commission.

Coun. JOHN I. FITZGERALD—Mr. President, I think each member of the City Council has a copy of this report on his desk. It is a very misleading document in reference to the land owned by the New England Telephone Company situated on Pearl street and Congress street and the land that they own on Chardon street. I don't know where the Finance Commission received its information from. There is a paragraph in the report that they sent to the Mayor that I don't see here, stating that the Mayor—

Coun. TOBIN—Mr. Chairman, is there any business before the body at the present time?

Chairman GALLAGHER—The gentleman from the West End has the floor, and he is talking on a communication submitted by the Finance Commission.

Coun. TOBIN—Has the communication been placed on file?

Chairman GALLAGHER—Not as yet.

Coun. JOHN I. FITZGERALD—There is a paragraph in that communication wherein they intimate that the Mayor had an ulterior motive in connection with this proposed exchange of land. I will simply state that I personally am the one who was instrumental in trying to get this land taken, in view of the fact that it is in the district which I have the privilege of representing. They state in the communication that the widening of Chardon street was done without any written agreement with the City of Boston at that time. The truth of the matter is that the question of the widening of Chardon street was before the City Council, advocated by the present Governor, then Mayor of Boston, and later taken up by his successor, Malcolm Nichols, and the only reason why it did not go through was the widening of Staniford street to Chardon street. The telephone company were requested to place their line back, so that some of that land there could be used by the city, and they proceeded to do that and built a very fine building on Bowdoin square, placing many hundreds of men at work. They also went ahead on Chardon street, believing that the city would carry out its agreement. Harvard College—and we have in our membership a man who is treasurer of that institution—owns property across from the building on Chardon street, and agreed, in connection with the widening, to turn it over without extra cost more than the amount the land was assessed for. This was an agreement that should have been carried out by the city. The exchange of this land they claim is not an equal exchange. They say that the Pearl street land is of no use. There are many large real estate owners who own land on Pearl street that they intend to build upon at some future date. The Federal Reserve Company has built on Pearl street, and has left a large strip of land for widening the street, that they intend to give to the city gratis. The telephone company is going to do the same thing. The New England Telephone Company has been planning to put up a modern building as soon as this question is out of the way. There has been no ulterior motive on anybody's part. This is simply something that ought to be done. I have no hesitancy in standing up here for it. I favor and advocate the widening of Chardon street. I believe it can be done now cheaper than at any other time. The City of Boston should do progressive things. Just because there is a depression does not mean that we should stand still. I also think it is unfair of the Finance Commission to take it out of the members here. One of our members now is threatened with indictment. For what? For doing what every man in politics since the foundation of this country has always done. When a constituent approaches us and asks to be introduced to this, that or the other person, it has been the policy of everybody, since the foundation of this government and since the beginning of the world, to try to comply with a reasonable request. Every man occupying a position of trust, an elective office, is bothered by his constituents, friends and relatives, to be introduced to this, that or the other person. They may be trying to obtain a position, or something of the sort. But merely because a member of the City Council does a little favor of that sort, it is

certainly unfair for the Finance Commission to take it out of him and make it appear that he has been guilty of a dereliction of duty. Certainly, the Mayor, too, has been unfairly criticized in this matter. He has acted honestly. I first brought it to his attention, and until then he knew nothing about it. His only interest was to see that the necessary requirement was carried out. I spoke to his Honor the Mayor when a representative of the telephone company asked me, as a representative of that district in the Council, what should be done about it, and I arranged for him to have a talk with the Mayor, so that he could present the telephone company's side of the story. Then the Mayor sent his communication to the City Council. There was nothing wrong about it. He had nothing to do with it, except to look into it when it was brought to his attention. I take the responsibility. This is particularly a time when we should want to do things for this city. If the telephone company erects a modern building there, it will mean that thousands will be employed. As far as Perkins street is concerned this street extends from Congress street to Pearl street and the Pearl street end existed as a dead-end passageway as early as 1826. On January 23, 1826, a petition was presented to the city authorities by Benjamin L. Weld asking that an avenue for foot passengers be opened from Congress street to Pearl street, which was reported favorably but no action taken by the city until October 20, 1847, at which time it was voted to take this passageway as a street and pay to the owners thereof the sum of \$1,500. The passageway as sold to the city was 17 feet 2 inches wide at the Pearl street end and 12 feet at the Congress street end with a jog midway of about 5 feet. It was not until September 12, 1853, that it was named Perkins street and in December, 1853, the city widened the Congress street end easterly from Congress street for about 118 feet, thus eliminating the 5-foot jog and making Perkins street about 17 feet wide for its entire length, and the consideration paid for the land taken at that time was \$2,649.15. Perkins street in conjunction with Channing street and Wendell street was of considerable importance at one time, as they formed a continuous way from Federal street to Broad street and existed long before Franklin street. After the fire of 1872 Franklin street was extended from Federal street to Broad street and immediately Perkins street ceased to have any value except as a rear entrance for the surrounding buildings for loading and unloading freight. Recently the telephone company has acquired the entire block, bounded by High, Federal, Franklin and Pearl streets (with, of course, the exception of Perkins street), and have razed all the buildings except one at the corner of Pearl and Franklin streets and turned the entire area into an open-air parking space on both sides of Perkins street and as this street is not in the best condition it creates something of a menace to the city as it is still a public street and the city would be liable for accidents occurring if it could be shown that the construction was not good. In my opinion the street is now valueless to the city as a public way, but would be of value as taxable area if owned by private citizens, as it contains 3,646 square feet and the average assessment per foot in the entire block is in the neighborhood of \$18. The company wants to erect buildings. The original proposition was to build one gigantic building, but they have now changed their plans and wish to build three buildings. Nobody in Boston has objected to it. Hearings were advertised in the papers for three weeks, and nobody appeared in opposition. The Finance Commission said nothing. They didn't appear before the Committee on Public Lands when it was before the committee, but now, when it has been here for almost two months, they come forward with this statement. I believe they have been misinformed, and do not have a true picture of the situation. I want to say again—and I am not a defender of the Mayor—that he knew nothing about the matter until I brought it to his attention. I also think it is unfair for the Finance Commission to take the attitude they do towards this corporation, which is proposing to do so much in this city. Certainly, if there is anything that is not right, it is very odd that it has not been brought out before this; and if there is anything that is not right, I would be the last one to stand in the way of a public hearing where the whole story might be told. I know nothing wrong about this matter, and I know that the Mayor does not, either. But certainly important improvements in this city at a time like this should not be stopped unless there is some good reason for it. In times of depression we should do everything we can

to encourage important projects. I think we all have in mind occasions in the past where the City of Boston has given land so that building that would add to the business of our city and add to the taxes in our treasury might be put through. I have in mind the Boston Garden down there on Haverhill street, where land was turned over, simply because it did mean so much to our city. Some of us also remember when a very large tract of land was bought—I think \$125,000 was paid for it, and it was given to the Statler Hotel as a park. That was a very fine thing for the City of Boston. We also know what was done down at Tamworth street, and also at Winthrop square, in connection with the Boston American building. The city has done numerous things to help business, to help people who were ready and willing to spend hundreds of thousands of dollars in the erection of buildings. But now we have this storm raised about a very small matter, a case where the city is getting its money's worth and more, simply because there is a row between the Mayor and the Finance Commission, and the City Council are asked to stand idly by and do nothing to help in a project that will mean progress in this city.

The communication from the Finance Commission was placed on file.

Later in the session Coun. SHATTUCK said:

Mr. President, I ask unanimous consent to make a statement.

Chairman GALLAGHER—If there is no objection, the gentleman may proceed.

Coun. SHATTUCK—In the remarks of the gentleman from Ward 3 (Coun. Fitzgerald), earlier in this afternoon, there was a slight inaccuracy which I want to correct. He referred to some property on Chardon street, opposite the telephone building, belonging to Harvard College, and, as I understand, stated something to this effect, that the college had agreed, in connection with the widening, to turn the property over to the city without any extra cost beyond the amount the land was assessed for. While undoubtedly the college would be willing to turn it over for the assessed value, or substantially less, no agreement has been made or asked for. Therefore, I simply want to correct the record in that respect,—that no such agreement has been made or asked for.

CLEARING OF HIGHWAYS BY ELEVATED.

Coun. BRACKMAN offered the following: Ordered, That his Honor the Mayor request the Law Department to take action against the Boston Elevated for failure to comply with its contract for the clearing of snow from certain highways.

Coun. BRACKMAN—Mr. President, as I understand it, the Boston Elevated has had a contract with the City of Boston to clear certain highways in this city in the event of a snowstorm. Among those streets in my district, I believe, are Blue Hill avenue, Warren street and Humboldt avenue. During the time that I have been in the Council the road has never removed snow from those highways, but the city has had to go in and do it with its own teams and men. Therefore, I think we should, through his Honor the Mayor, ask the Law Department to enforce that contract, and I think if such undertakings were enforced all over the city it would be much better all around.

Coun. WILSON—Mr. President, I am no defender of the Elevated, but I would suggest that this matter be referred to the Executive Committee and that we call in Commissioner Carven. It is my understanding, so far as the contract between the Elevated and the City is concerned, that there has been some sort of agreement between the two under which the Elevated has been removing snow from streets not included in the contract and certain streets that were included in the contract have been dropped. I think the councilor, and all of us, would like to know the exact set-up of that arrangement at the present time. I certainly would. Therefore, I would suggest reference to the Executive Committee and the calling in of Commissioner Carven.

Coun. BRACKMAN—Mr. President, if that is the situation I think we would all like to know it, because some of our streets are not being taken care of while others perhaps not so important are.

The order was referred to the Executive Committee, and Chairman GALLAGHER suggested that the City Messenger invite Public Works Commissioner Carven to attend the meeting of the committee.

SIGNAL LIGHTS, WARD 14.

Coun. ROSENBERG offered the following:

Ordered, That the Traffic Commissioner be requested, through his Honor the Mayor, to install signal lights at the intersection of Washington street, Harvard and Bowdoin streets, Dorchester, Ward 14.

Coun. ROSENBERG—Mr. President, speaking on this particular order, it has been called to my attention that at the intersection of Washington, Harvard and Bowdoin streets, there have been within the last year three deaths and some twenty serious accidents. In view of that situation I have introduced this order, so that we may, if possible, have signal lights installed and cut down the future chance for such fatality and accidents. I notice that the newspapers of Boston have been conducting campaigns for safety driving, and one of the important adjuncts to such a campaign is the installation of signal lights at these danger points, not only in Dorchester but in other sections of our city, points where there is apt to be dangerous automobile traffic and congestion.

The order was passed under suspension of the rule.

WAITING BOOTHS, FRANKLIN PARK STATION.

Coun. ROSENBERG offered the following: Ordered, That the trustees of the Boston Elevated be requested, through his Honor the Mayor, to consider the advisability of enclosing the waiting booths at the Franklin Park station on Blue Hill avenue.

Passed under suspension of the rule.

INFORMATION FROM BOSTON CONSOLIDATED GAS COMPANY, LIGHTING OF STREETS BY GAS.

Coun. ROSENBERG offered the following:

Ordered, That the Commissioner of Public Works be requested, through his Honor the Mayor, to secure for the City Council the following information from the Boston Consolidated Gas Company: What will be the cost per unit of furnishing light for the 9,500 gas lamps now in use, said lighting to be contracted for by the year?

Coun. ROSENBERG—Mr. President, speaking on this particular order, the proposed Boston Consolidated Gas Company's lighting contract has been submitted to the City Council and to the Lighting Committee, and a hearing was held within a few days on the matter by the City Council. I am not at the present time speaking either for or against the contract, but I notice that in the contract submitted to us the rate per unit for a five-year term was \$20.50; that for a three-year contract the rate per unit was \$21.66; and that under a third alternative of the contract, under which in the five-year term the number of gas lights could be reduced 50 per cent the price for one year for the 9,500 lights would be \$26.21, with the option that if the number was reduced 50 per cent in the second, third, fourth and fifth year, the price of the 4,750 gas lights retained would be \$26.21 per light; and then there was a fourth alternative of a three-year contract, with the option of reducing by 50 per cent the number of gas lights during the second and third years, the cost per light to be \$28.16 per year. At the public hearing held in the Council Chamber last Tuesday, the Commissioner of Public Works said that at the present time the City of Boston, operating on a month to month basis, is paying something like \$23.12 per unit, I believe, and that we would have a better figure if we had a contract for one year. We were also informed that if there was to be a change from gas light to electric light in the City of Boston it would take between six months and a year to transfer the service over. Therefore, I have introduced this order in order to learn what it would cost the city to have the gas contract for a period of one year.

The order was passed under suspension of the rule.

RENOVATION OF LOCKER BUILDING.

Coun. ROSENBERG offered the following:

Ordered, That the Park Commissioner, through his Honor the Mayor, be requested to consider the advisability of renovating the locker building on Franklin Field with W. P. A. funds.

Passed under suspension of the rule.

SURVEY OF LIGHTING CONDITIONS.

Coun. ROSENBERG offered the following:

Ordered, That the Commissioner of Public Works be requested, through his Honor the Mayor, to make a survey of the lighting conditions of the streets of the City of Boston and determine the street locations of overhead lighting service and also underground service. Also to determine the cost of replacing the 9,500 gas lamps now in use with electric lights.

Passed under suspension of the rule.

DISCONTINUANCE OF GROCERY ORDERS.

Coun. DOWD offered the following:

Ordered, That his Honor the Mayor request the Welfare Department to discontinue in its entirety the issuance of grocery orders to Welfare recipients.

Passed under suspension of the rule.

INFORMATION FROM PUBLIC WELFARE OVERSEERS.

Coun. DOWD offered the following:

Ordered, That his Honor the Mayor request the Overseers of the Public Welfare Department to submit to the City Council the financial make-up of the budget of three persons amounting to \$8.83.

Coun. DOWD—Mr. President, I am awfully anxious to determine just how the mathematicians or dietitians, presumably employed at a fairly decent salary by the Public Welfare Department arrived at this figure. I was also of the opinion that a family of three needed \$9 a week, until we found the figures set forth by the so-called mathematicians and dietitians who are on the pay roll of the city, paring that figure down, so that now, instead of \$9 a week, a family of three is to get but \$8.83, saving 17 cents on the family, as well as corresponding amounts on families of four, five, six, seven and eight. I say that whatever distinguished gentlemen or ladies arrived at this figure should certainly be given a gold medal by his Honor the Mayor and the Overseers of Public Welfare, because it was only a short time ago that Director Dowling appeared before the members of the Council and agreed with the Council that families of three, four and five could not really get proper nourishment on the amount of money paid out at the present time. And still we now find that these mathematicians and dietitians say that a family of three shall not get \$9 a week any more, but have cut it down to \$8.83. I am very anxious to find out how that is figured, to find out who the mathematicians and dietitians are, and it might be very interesting, when their salaries come up before us in the budget to place them on an \$8.83 a week basis and see if they can get along with it.

Coun. WILSON—I would suggest to the gentlemen that probably this is worked out along the lines of the pari-mutuels on the race tracks!

The order was passed under suspension of the rule.

Coun. DOWD offered the following:

Ordered, That his Honor the Mayor consider the advisability of increasing the allotment of money made to dependent aid cases by the Public Welfare Department as follows:

Present rate, one person, \$4 to \$5; suggested rate, one person, \$6; present rate, two persons, \$7; suggested rate, two persons, \$8; present rate, three persons, \$9; suggested rate, three persons, \$10; present rate, four persons, \$10; suggested rate, four persons, \$12; present rate, five persons, \$12; suggested rate, five persons, \$14; present rate, six persons, \$13; suggested rate, six persons, \$16; present rate, seven persons or over, \$15; suggested rate, seven persons or over, \$18.

Coun. DOWD—Mr. President, the schedule rates paid by the Welfare Department, according to statistics and records produced from all over this country show us conclusively that it is absolutely impossible for the poor people of Boston to exist on the money that they are being allowed at the present time. One person under the age of forty, in most cases, gets \$4 a week, and one person over forty \$5 a week. I would like to see the amount increased in one case from \$4 to \$5, and in the other case from \$5 to \$6. Two persons, according to the Welfare Department, get \$7 a week. I think that amount should be increased to \$8. Three persons get \$9 a week, and I should like to see them receive \$10. Four persons get \$10, and I think they are entitled to \$12. Five persons get \$12, according to the present rate,

and I think they should be allowed \$14. Six persons now receive \$13, and I believe they should receive \$16. Seven persons or over get \$15, and I feel that they should get at least \$18. When you get above seven persons you have a sad picture—a mother and father with perhaps ten or more children, and receiving only \$15 a week, which is the limit. To my mind any fair-minded citizen knows that it is absolutely impossible for a family of such size to get along on \$15 a week, especially with the cost of foodstuffs rising as they have in the past few months. I think \$18 is little enough for any such family to get along. It would mean approximately an increase in the Welfare budget of a million dollars a year, but I am firmly convinced that the time has come when this Mayor or the Mayor to be will be faced with one great problem, and that will be the feeding of the poor of Boston. Another problem, of course, is the health of the people of Boston, and a third problem is the retention of every city employee without the loss of a single cent in his pay. I do feel that from now on, while we have to stop borrowing money that we can possibly avoid borrowing inside or outside the debt limit, the attitude of any Mayor must be that the poor of Boston shall be properly clothed and fed. There is not an individual councilor who does not realize the seriousness of the situation in his dealing with his constituents. I suppose a family of ten will now be cut down by the mathematicians and dietitians to \$9.63! But I believe our taxpayers will certainly not object one iota to spending an extra million dollars even in these times for the proper care of those in this city who are less fortunate than themselves. Money must be spent to provide clothes and food for the unfortunate, and I certainly don't think the taxpayers will object to doing it. There are 26,000 of those poor souls on welfare today, and they should be better taken care of. I am merely asking that the Mayor see that this schedule is revised, so that we can get an increase ranging from 10 to 25 per cent.

The order was passed under suspension of the rule.

OLD AGE PENSIONS.

Coun. DOWD offered the following:

Ordered, That the Boston City Council memorialize its Congressmen and United States Senators requesting them to petition for Federal legislation for an old age pension in the amount of sixty dollars per month at the age of sixty years.

Coun. DOWD—Mr. President, I know that this Council has been against memorializing our Congressmen and United States Senators, but I think the time has come in the life of America when, both in Republican and Democratic national platforms, we must take a decided stand on the question of what we are going to do with the men and women of America who reach the age of sixty. We all know that today the man or woman even reaching the age of forty, when it comes to giving a job, is turned out on account of age. We have heard a great deal about the Townsend plan. I agree with it in some respects but not in others. I do say, however, that it would be worth while for the City Council to go on record as petitioning our Congressmen and our United States Senators to favor legislation whereby when a man or woman reaches the age of sixty, he or she shall receive an old age pension to the amount of \$60 per month. Even that is hardly enough for them to get along on. The present state law provides a pension of \$35 a month, but that is nothing but a joke. You and I know that a man or woman of sixty or sixty-five requires medical attention and a different kind of food from that which we can eat. So that amount certainly is not sufficient. I would like, therefore, to have this Council go on record as saying that the people of Boston and of America believe in taking care of our men and women at least to this extent when they reach the age of sixty. With the stopping of the E. R. A. and the W. P. A. there must certainly be some alternative provided, and I certainly trust that we will go on record as in favor of allowing each man or woman of sixty, those who have reached the late years of their lives, a little comfort and luxury, so that here in Boston they may have something to look forward to besides going to Long Island, dying down there.

Chairman GALLAGHER—The order will be referred to the Committee on Rules.

Coun. DOWD—Mr. President.

Chairman GALLAGHER—No debate is in order under the rules.

Coun. DOWD—Mr. President, with unanimous consent I would like to make a statement. I believe this is one order, at least, that should not be treated in that manner, and I would like to see the members of the Council go on record upon it. Never since I have been a member of the Council have I appealed from a decision of the Chair, but this is one law I am interested in and one law that I am not going to allow to be pigeonholed. I am certain that if my father and mother were both living and I was not in a position to take care of them, I would not want to have them die in the poorhouse. This Government owes something to our old people, and, therefore, I am going to ask for suspension of the rule and the passage of the order.

Chairman GALLAGHER—The Chair will say that the rule cannot be suspended, and that under Rule 12 there is no appeal.

Coun. DOWD—I move you, sir, that the chairman of the Committee on Rules be instructed by you in your wisdom to call a meeting of the committee immediately so that we can act on this this afternoon.

Chairman GALLAGHER—The Chair will take the matter up with the Committee on Rules.

PROPOSED RESCISSION OF SECTION 40, CHAPTER 271.

Coun. DOWD offered the following:

Ordered, That the Legislative Committee of the Boston City Council be requested to petition the Legislature to rescind section 40, chapter 271, of the General Laws of Massachusetts.

Coun. DOWD—Mr. President, the law referred to is a law on our statute books which forbids any governor, lieutenant-governor, member of the Legislature, councilor or other elected official, anybody in public life, to appeal to any public utility company on behalf of anybody who wishes a position or who desires reinstatement as an employee in such a company. That law has been on the books for some time. As a matter of fact, there is hardly a man in public life who has not violated the provisions of that law. I have done so in behalf of constituents of mine whom I wished to have placed in the Edison company, the gas company, the telephone company, or some other corporation, appealing on behalf of constituents who needed work. That law, however, says that if we do so our action is punishable by fine of \$50 or \$80 or imprisonment. However, the law is simply a joke and should be removed from the statute books of this state. In other words, am I, in public office, to be penalized because I make such an appeal on behalf of somebody whom I know is worthy and qualified, and in dire need? Time after time I have so appealed, and there has been no prosecution of myself or anybody else. Therefore, I am asking our Legislative Committee to petition for legislation to rescind this law, so that you and I and any man in public life can so act in such cases without fear of being placed in jail for soliciting a job.

The order was referred to the Committee on Legislative Matters.

FINANCIAL STANDING OF FUEL CONTRACTORS.

Coun. WILSON offered the following:

Ordered, That the Superintendent of Supplies be requested, through his Honor the Mayor, in calling for 1936 bids for the furnishing of fuel to needy families through the Public Welfare Department, to require on all proposals definite information as to the financial standing, number of available trucks and, in general, the ability of prospective fuel contractors to comply with contract requirements both honestly and promptly.

Coun. WILSON—Mr. President, I am encouraged in offering such an order today because, while we were told a week ago by the Superintendent of Supplies that, although he had been in office since the first of November, no City Council orders had been transferred from the Mayor's office to him, I now bear in mind that the Mayor is out of town and under our present Acting Mayor this might go through and the order might be placed in the possession of the Superintendent of Supplies. I have in mind what was brought out last week. The situation has not improved. I received, under date of January 9, the following letter:

"I am asking you to please help us get some good coal because these black rocks and slate stop up the stove, and will not burn, and lots of coal dust is mixed in with it. We have put up with this since the season started. It is a shame to put such stuff on us because

we are poor. It is a shame to use the city money to pay for such stuff. All in this district are complaining. So I ask for the sake of all, please help us if you can. Mr. Gleason is the person I should write to, but he is too sick and I respect him. Will you turn this letter over to the proper person? It will be a great favor. The stuff called coal was sent from Babcock Coal Company. You should see such stuff.

Signed, A Poor Welfare Family, Roxbury, Mass.

I offer that today, especially in view of the fact that I want Mr. Doherty to receive the letter from the Mayor's office, and the letter itself I desire to have placed in the record.

The order was passed under suspension of the rule.

NEW BUILDING CODE.

Coun. WILSON offered the following:

Ordered, That the Committee on Legislative Matters of the City Council be instructed to at once consider the advisability of opposing the enactment of House Bill 1273, concerning a proposed new building code for the City of Boston.

Coun. WILSON—Mr. President, I offer this order so that the Committee on Legislative Matters of the City Council may be instructed to take action which will perhaps have some effect in the guidance of the Legislature on this matter. I hope the committee will act with reasonable promptness, because this involves the building law of the City of Boston. If I am correctly informed, this particular bill gives to some eight men the power to make a law concerning the requirements of the City of Boston in this matter. The bill comprises fifty-eight pages and the rules and regulations incorporated cover thirty-two chapters and some three hundred pages. I believe, from the information I have received, that the bill should not pass. In the first place, if we are to have such a bill it should be a state-wide law, and not aimed at the City of Boston, bearing in mind that most cities and towns have no building law, while Boston has a very excellent building law at present. In the second place, the thirty-two chapters of rules and regulations should be incorporated into the bill and printed and given to the public to look over, analyze and be heard. It should be available for public study and examination. Third, I believe if this bill is passed, a referendum should be attached to it to be passed upon by the City of Boston on election day. Again, while the figures may not be wholly correct, there are estimates to the effect that if this particular bill should pass in reference to the City of Boston, we may expect to see the fire insurance rates on every building in Boston raised possibly 33-1-3 per cent.

The order was referred to the Committee on Legislative Matters.

HIGH FREQUENCY ACCIDENT INTERSECTIONS.

Coun. NORTON offered the following:

Ordered, That the Mayor consider the advisability of requesting a W. P. A. study be made of the 150 high frequency accident intersections in Boston.

Coun. NORTON—Mr. President, I feel that when such a study is made it will result in pointing out these high-frequency accident intersections. It would certainly seem to be an extremely valuable piece of work.

The order was passed under suspension of the rule.

INFORMATION FROM DAVID B. SHAW.

Coun. NORTON offered the following:

Ordered, That Election Commissioner David B. Shaw, through his Honor the Mayor, be requested to advise the Council in reference to Superintendent Patrick Campbell's statement that Boston's elementary school enrollment was declining because people were moving to the suburbs, inasmuch as Commissioner Shaw recently reported Boston's population had actually increased to a total of 820,190.

Coun. NORTON—Mr. President, on May 31, 1935, last, I received from the chief of the population division of the Department of Commerce the latest figures for Boston, showing a population of 781,000. Mr. Shaw's survey, in which 475 persons were employed and which cost the city \$53,000, showed, as he claims, that instead of actually decreasing, as the Federal statisticians claimed, the population of Boston has increased and now stands at 820,190. I am asking Mr. Shaw for his proof of these figures. Of course, on such a huge undertaking there is little or no proof. But here are the Federal statisticians, working under Uncle Sam, who give us the figure of

781,000, and our Superintendent of Schools, Mr. Patrick T. Campbell, also states that there is a noticeable movement of children into the suburbs from Boston, causing a decrease in elementary school attendance, showing a decrease in Boston's population. Only yesterday I had a little squabble with the Honorable David B. Shaw on the matter of population and asked him to be kind enough to answer Superintendent Campbell.

The order was passed under suspension of the rule.

CLOTHES-MAKING PROJECT.

Coun. NORTON offered the following:

Ordered, That the Mayor of Boston be requested to consider the advisability of requesting the W. P. A. officials to start a clothes-making project in Boston.

Coun. NORTON—Mr. President, we are one of the very few large cities that have no such project. Certainly, with 25,000 children in the schools improperly clothed in the winter period and with most of the other large cities carrying on such projects, we should fall in line, considering the great importance of the matter. If other cities can have such clothes-making projects, we should certainly start one here.

The order was passed under suspension of the rule.

PAYMENT OF OWNERS OF TRUCKS.

Coun. NORTON offered the following:

Ordered, That the Public Works Commissioner, through his Honor the Mayor, be requested to furnish the Council with information relative to the manner in which owners of trucks, working in the last snowstorm, were paid off by private contractors for work on Boston's streets.

Coun. NORTON—Mr. President, I understand that some of these men who did sixty hours work with their trucks got paid for forty of them, not only one but a dozen have complained. I think that men who went out at midnight in the cold and struggled with the snowstorm are entitled to get paid for what they did. I suppose we could hear the story in executive session, and I would respectfully ask that the messenger be instructed to invite the Commissioner of Public Works to the executive session of the Council.

The order was passed under suspension of the rule.

Chairman GALLAGHER—The City Messenger will invite the Commissioner of Public Works to be present at our meeting.

NO MORE ENTRANTS INTO TEACHERS COLLEGE.

Coun. NORTON offered the following:

Ordered, That the Mayor of Boston be requested to consider the advisability of requesting the Boston School Committee to consider the advisability of arranging for no more entrance classes into Boston's Teachers College until the 1,000 or more teachers now unemployed are provided for.

Coun. NORTON—Mr. President, I see no reason for admitting more young people into our Boston Teachers College until the 1,000 unemployed teachers already graduated have been provided for. The superintendent has admitted that only a handful of teachers can be hired in Boston for years to come, perhaps in our lifetime. It is time for us to face the problem. Councillor Dowd has spoken of feeding the poor. I hope he sticks to his idea that no more money will be raised outside the debt limit. Of course, we are here to serve the people, and here is the situation that confronts us in this matter. If we allow our young people to enter the Teachers College next year, it will be in the face of the fact that a thousand have at the present time been graduated from that college, at a cost of perhaps a million dollars, and with little possibility of obtaining teaching work in their lifetime.

The order was passed under suspension of the rule.

INFORMATION FROM CORPORATION COUNSEL.

Coun. NORTON offered the following:

Ordered, That the Corporation Counsel, through his Honor the Mayor, be requested to furnish the Council with the following information:

"Did the city, in the recent Gas Company case before the Massachusetts Department of Public Utilities claim that the Gas Company property was over-valued and before the

Massachusetts Board of Tax Appeals claim that it was under-valued?

"Did the city, in the Gas Company case, request a reduction in rates in the petition as filed?"

Coun. NORTON—Mr. President, I have been informed, although I have not had time to look it up, that the city did not ask the Department of Public Utilities to decrease the present gas rate structure in Boston; furthermore, that the city, at the very time when it was contending before the Department of Public Utilities that the property of the Boston Consolidated Gas Company was over-valued, before the Massachusetts Department of Tax Appeals was claiming that the company's property was under-valued. In other words, the Department of Public Utilities states, under date of January 23, 1936:

"The fact that the Mayor of Boston, in cases involving the gas company's property before the State Board of Tax Appeals, resisted the company's petitions for substantial abatements in taxable valuations, appears inconsistent with the position which he has taken before this department in this case."

I am merely asking in this order that the Corporation Counsel inform the Council regarding these apparent inconsistencies.

The order was passed under suspension of the rule.

FOOD ORDERS FOR WELFARE RECIPIENTS.

Coun. AGNEW offered the following:

Ordered, That the Welfare Department be requested, through his Honor the Mayor, to increase the allowance on food orders for welfare recipients.

Passed under suspension of the rule.

WARD 6 IMPROVEMENTS.

Coun. GEORGE A. MURRAY offered the following:

Ordered, That the Commissioner of Public Works be requested, through his Honor the Mayor, to repave with smooth pavement O street, Ward 6.

Ordered, That the Commissioner of Public Works be requested, through his Honor the Mayor, to repave with smooth pavement East Fifth street, Ward 6.

Severally passed under suspension of the rule.

RECESS.

The Council voted at 3.15 p. m., on motion of Coun. MELLEEN, to take a recess subject to the call of the Chair. The members re-assembled in the Council Chamber and were called to order by Chairman GALLAGHER at 4.26 p. m.

EXECUTIVE COMMITTEE REPORTS.

Coun. GALLAGHER, for the Executive Committee, submitted the following:

1. Report on petitions (referred today) for children under fifteen years of age to appear at places of public amusement, viz.:

Joseph Verdi, East Boston High School, February 12; Hazel Boone, Auditorium, February 13; Sander Bieber, Sarah Greenwood School Hall, February 6,—recommending that leave be granted on usual conditions.

Report accepted; leave granted on usual conditions.

2. Report on message of Mayor and order (referred today) for appropriation of \$9,000 from Phillips Fund for Bunker Hill Memorial Tablets—that same ought to pass.

Report accepted; said order passed, yeas 15, nays 0.

CONFIRMATION OF EXECUTIVE APPOINTMENT.

Coun. FINLEY called up, under unfinished business, No. 1 on the calendar, viz.:

1. Action on appointments submitted by the Mayor February 4, 1936, of Myers Rosenberg and John E. Desmond to be Constables, without authority to serve civil process and to serve without bond.

The question came on confirmation. Committee, Coun. Finley and Mellen. Whole number of ballots 15, yeas 14, no 1, and the appointments were confirmed.

REPORT OF COMMITTEE ON JITNEY LICENSES.

Coun. SELVITELLA, Acting Chairman, submitted the following report, viz.:

1. Report on petition (referred December 9, 1935) of Boston Elevated Railway to operate motor vehicles between junction of Hyde Park avenue and Pine street and Dedham line,—recommending that leave be granted.

Report accepted; leave granted under usual conditions.

FENCE ALONG NEW HAVEN TRACKS.

Coun. McGRATH offered the following:

Ordered, That the New York, New Haven & Hartford Railroad Company be requested, through his Honor the Mayor, to construct a right of way with a seven-foot guard fence along its tracks from Harrison square to the Savin Hill Playground in Dorchester, said right of way to be open to the public, also a seven-foot fence to be erected upon the request of the Mayor at any location along the railroad right of way considered hazardous to the safety of children.

Coun. McGRATH—Mr. President, about a week ago in my district two children walking along the railroad tracks were killed. There is no fence there, and it is a short cut to the Savin Hill Playground, having been as a matter of custom so used for years. Therefore, I ask the Mayor at this time to request the New Haven road to build a 7-foot fence there in the Harrison square section, or in any other part of Boston where there are similar conditions, to protect the lives of children and others who might otherwise be killed. There and at the Columbia Station there is absolutely no protection to children taking these short cuts. I think this is a good order to pass.

The order was passed under suspension of the rule.

UNREGISTERED TRUCKS IN SNOW REMOVAL.

Coun. WILSON offered the following:

Ordered, That the Commissioner of Public Works be requested, through his Honor the Mayor, not to pay for the use of unregistered trucks or improperly registered trucks on snow-removal work.

Passed under suspension of the rule.

AUTOMATIC TRAFFIC SIGNALS.

Coun. McGRATH offered the following:

Ordered, That the sum of \$50,000 be, and the same hereby is, appropriated, to be expended under the direction of the Boston Traffic Commission, for automatic traffic signals at various intersections and points in Dorchester and in other suburban sections of the city, and that to meet said appropriation the City Treasurer be authorized to issue, from time to time, upon request of the Mayor, bonds or certificates of indebtedness of the City of Boston to the said amount.

Coun. McGRATH—Mr. President, I have listened in my short experience in the Council to orders that have been introduced for traffic lights upon which a report seems to continually come back from the Traffic Commission that there are "no funds." I introduced an order here about three weeks ago asking that a traffic light be set up near St. Ann's and St. Mark's churches, in my district. The report came back that there was not sufficient traffic on Dorchester avenue near St. Mark's Church to call for a traffic light. Within six months two women have been killed there, and last week a little girl was injured. I have therefore introduced this order, not only for the benefit of my section, but to perhaps help out the rest of the councilors, to borrow this money so that these lights may be installed where needed. In my district, which has approximately 18,000 voters and a large population, we have no traffic lights. I think we are entitled to better recognition. While we all want to protect the taxpayers in our city, we must also look out for the reasonable protection of our people in this respect. I am speaking for the other members as well as myself when I ask that this order be passed.

The order was referred to the Committee on Finance.

Adjourned, at 4.36 p. m., on motion of Coun. PETER J. FITZGERALD, to meet on Monday, February 17, 1936, at 2 p. m.

MASSACHUSETTS CIVIL SERVICE EXAMINATIONS.

The Massachusetts Civil Service Commission announces examinations for desirable positions open in the Boston and Metropolitan districts as follows:

CLERK OF WORKS, BOSTON, MARCH 14, 1936.

Last date for filing applications, Saturday, February 29, 1936, at 12 noon.

At the present time, there are approximately seven vacancies in the Boston School Buildings Department at \$2,300 a year, all of which will be temporary in that they will continue only for the duration of the building under construction.

Duties: To inspect building construction to see that it conforms with plans and specifications. To submit weekly reports on progress of jobs. To estimate the needed materials for any given period, and to expedite their delivery. To make inspections of concrete. To be resident on the job at all times during all periods of construction.

Entrance Requirements: Applicants must have at least three years' experience as a builder or superintendent of construction in the erection of first-class fireproof buildings, or at least three years' experience as a structural engineer on buildings in the process of construction.

Subjects and Weights: Training and experience, 2; practical questions, 3; total, 5.

Passing Requirements: Applicants must obtain at least 70 per cent in each subject in order to become eligible.

Physical fitness to be determined by physical examination.

Civil Service Rule 9, Section 4: Any person possessing the required qualifications who has taken an examination may make new application for the same service at any time, and his status shall be determined by the result of the last examination taken. If any person fails to fulfill all the requirements, his examination shall be treated as a failure.

NURSE, BOSTON HEALTH DEPARTMENT, MARCH 14, 1936.

Last date for filing applications, Saturday, February 29, 1936, at 12 noon.

Salary: \$1,400 a year.

Duties: The duties include tuberculosis, child hygiene, communicable diseases, as well as work in the parochial schools.

Entrance Requirements: Applicants must be registered nurses under the State Division of Registration of Nurses.

Subjects and Weights: Training and experience, 3; practical questions, 4; personality and fitness, as determined by an oral interview, 3; total, 10.

Passing Requirements: Applicants must obtain at least 70 per cent in each subject in order to become eligible.

Physical fitness to be determined by physical examination.

Civil Service Rule 9, Section 4: Any person possessing the required qualifications who has taken an examination may make new application for the same service at any time, and his status shall be determined by the result of the last examination taken. If any person fails to fulfill all the requirements, his examination shall be treated as a failure.

MEDICAL INSPECTOR, BOSTON HEALTH DEPARTMENT, MARCH 14, 1936.

Last date for filing applications, Saturday, February 29, 1936, at 12 noon.

Salary: \$1,800 a year.

Duties: The diagnosis of all reportable diseases, as required by law in the State

of Massachusetts and of the various methods of immunization against many of these diseases. To analyze cases of persons reported ill due to ingestion of suspected tainted food. To speak publicly on health subjects.

Applicants should have a knowledge of the various cultural methods of diagnosis and sources of infection and manner of spread of reportable diseases, as well as laws and regulations covering their control. They should also be familiar with the activities and functions of the Health Units maintained by the City of Boston.

Entrance Requirements: Applicants must be registered physicians under the State Division of Registration in Medicine.

Subjects and Weights: Training and experience, 3; practical questions, 4; personality and fitness, as determined by an oral interview, 3; total, 10.

Passing Requirements: Applicants must obtain at least 70 per cent in each subject in order to become eligible.

Physical fitness to be determined by physical examination.

Civil Service Rule 9, Section 4: Any person possessing the required qualifications who has taken an examination may make new application for the same service at any time, and his status shall be determined by the result of the last examination taken. If any person fails to fulfill all the requirements, his examination shall be treated as a failure.

MORE ROOM FOR HOSPITAL PATIENTS.

The Acting Mayor has approved the following request of the Institutions Commissioner:

BOSTON, February 10, 1936.

ACTING MAYOR JOHN I. FITZGERALD, Mayor's Office.

MY DEAR MR. FITZGERALD,—We are getting crowded at the Long Island Hospital, and we particularly do not wish to be crowded at this time. We have provided for extension in the inmate group by obtaining from the Federal Government two barracks at Fort Strong for a nominal rental. I now wish to take over the hospital at Fort Strong to provide more room for the hospital patients. I believe this building can be obtained at a nominal rental, as were the barrack buildings. I think this matter is sufficiently urgent to be termed an emergency, and I will therefore ask your approval of my approaching the Federal authorities on this matter, and as soon as I receive your authority I shall take the matter up with the local Commandant of Harbor Defenses and ask him to get telegraphic authority from Washington.

We have examined the hospital building and find it can be put in condition for use at very small expenditure. We shall be obliged to buy a moderate amount of hospital furniture and the maintenance will mean a somewhat larger force, but I believe we shall not be doing our duty by the patients unless we take immediate steps to relieve the overcrowding.

We are very fortunate indeed to have this building right at hand and available. That and the barracks save the City of Boston a very large expenditure for new construction. I should very much appreciate prompt action on this request. I feel sure that Mayor Mansfield would approve.

Yours very sincerely,

FREDERIC A. WASHBURN, M. D.,
Commissioner.

PROCEEDINGS OF SCHOOL COMMITTEE.

Feb. 3, 1936.

A regular meeting of the School Committee of the City of Boston was held in the Administration Building, 15 Beacon Street, at 7:40 o'clock p. m., the Chairman presiding.

Present: Messrs. Lyons, Mackey, Smith, and Sullivan.

Chairman: I would state that Mr. Tobin was present tonight at the conference but was obliged to leave early to attend the dinner in honor of Doctor Marsh, President of Boston University. He very much regretted being absent from this meeting.

APPROVAL AND AMENDMENT OF MINUTES

The reading of the minutes of the previous meeting was omitted, the Committee approving them as printed.

On motion, the minutes of June 26, 1935 (see p. 97) as amended Nov. 18, 1935 (see p. 159) were further amended to provide that the appointment from the eligible list of Edward W. Dixon as trade instructor in the Boston Trade School, to take effect Sept. 1, 1935, shall read "fourth year."

TUITION OF NON-RESIDENT PUPILS

Communications were received from Robert O. Small, Director, Division of Vocational Education, reporting that on the basis of information received, the following tuition rates are approved and effective for non-resident pupils in attendance upon the schools and classes indicated, to take effect Jan. 1, 1936:

Charlestown High School, co-operative industrial course, \$235 per year.

Boston Trade School, \$210 per year.

Trade School for Girls, \$185 per year.

Jamaica Plain High School, co-operative agricultural course, \$100 per year.

Placed on file.

A communication was received from R. O. Small, Director, Division of Vocational Education, under date of Jan. 30, 1936, reporting that a tuition rate of \$.25 per hour of service is approved and effective Sept. 1, 1935, for non-resident pupils attending the Continuation School, under authority of Section 24, Chapter 71, General Laws.

Placed on file.

ACCEPTANCE OF NEW SCHOOL

A communication was received from the Superintendent of Construction, Department of School Buildings, under date of Jan. 20, 1936, reporting that he has accepted for occupancy, as of Jan. 20, 1936, the Patrick F. Gavin School, South Boston.

Placed on file.

DEATHS

The Superintendent reported the deaths of the following-named director and teachers:

Department of Practice and Training—Katherine L. King, director, Jan. 30, 1936.

Gaston District—Frances A. Gallagher, master's assistant, Jan. 30, 1936.

Hyde District—Theresa A. Becker, assistant, elementary, Jan. 30, 1936.

Placed on file.

The Superintendent reported the death of the following-named teacher who had been retired under the provisions of the Boston Retirement System:

Department of Manual Arts—Kate E. Coney, Jan. 29, 1936.

Placed on file.

RESIGNATION

The following resignation, reported by the Superintendent to take effect on the date stated, was presented:

Mather District—Ida M. Rizzo, assistant, intermediate, Dec. 23, 1935.

Accepted.

APPOINTMENTS

The following appointments by the Superintendent, certified by him as being in accordance with the rules and regulations, to take effect on the dates stated, were presented:

(FROM THE ELIGIBLE LIST)

(To fill vacancies caused by increase in numbers)

Public Latin School—Richard E. Burton, Alfred H. Rosenthal, junior masters, Feb. 24, 1936; Albert L. Taylor, junior master (from assistant, intermediate, Thomas N. Hart District), Feb. 24, 1936.

Brighton High School—Mary P. Hopkins, assistant, Feb. 24, 1936.

East Boston High School—Florence I. Dunn, Mary A. Gaughan, assistants, Feb. 24, 1936.

High School of Commerce—Eugene L. McLaughlin, junior master, Feb. 24, 1936.

Hyde Park High School—Diana C. Horwitz, assistant, Feb. 24, 1936.

Jamaica Plain High School—Marguerite P. Gray, assistant, Feb. 24, 1936.

Jeremiah E. Burke High School for Girls—Mary E. Thompson, assistant, Feb. 24, 1936.

Roxbury Memorial High School (Boys)—Albert F. Landrigan, junior master, Feb. 24, 1936.

South Boston High School—Julia A. Maguire, assistant, Feb. 24, 1936.

Laid over.

(To fill vacancies caused by deaths or resignations)

High School of Commerce—Daniel J. Donovan, junior master, Feb. 24, 1936.

Bigelow District—Gertrude C. Foley, assistant elementary, Feb. 24, 1936.

Donald McKay Intermediate District—Bernard J. Kilroy, assistant, intermediate, fifth year, Feb. 24, 1936; Thomas J. Lynch, assistant, intermediate, Feb. 24, 1936.

Gaston District—Louise M. Healy, assistant, elementary, Feb. 24, 1936.

Hancock District—Alma A. C.

Fenocketti, assistant, elementary, Feb. 24, 1936.

Mather District—Joseph Lapidus, assistant, intermediate, seventh year, Mar. 2, 1936.

William E. Russell District—Catherine L. Cusick, assistant, elementary, Feb. 24, 1936.

Laid over.

(TWO-SESSION KINDERGARTENS)

Christopher Gibson District—Bernice Loewenstein, assistant, kindergarten, two sessions (from assistant, kindergarten, one session), Feb. 3, 1936.

Theodore Lyman District—Mary L. Holmes, first assistant, kindergarten, two sessions (from first assistant, kindergarten, one session), Jan. 27, 1936.

Laid over.

Dr. Mackey: In relation to the foregoing proposed appointments which will be laid over under the rules for action at the next meeting, I want to go on record as believing that no four women should be taken off of any one list when there are on the men's lists of the same group, qualified candidates. That is my feeling even though a suspension of the regulations is necessary. These are regulations over which our Superintendent has no jurisdiction—he has acted in accordance with the regulations, so he is not responsible. Nevertheless, I feel that it is the duty of our Committee to suspend the regulations to meet the conditions as they arise and I want to go on record emphatically as saying that at this time two men and two women should be placed, instead of four women. A suspension of the regulations of this Committee will allow the Superintendent to act accordingly.

Dr. Lyons: May I ask the Superintendent a question? If this Committee should vote now to suspend the regulations, would you appoint two men and two women?

Superintendent: I should find myself unable to do that unless the Committee ordered me to do so; then of course I should obey orders.

Chairman: Am I correct in saying that these appointments are made in accordance with the regulations?

Superintendent: Absolutely in accordance with the regulations.

Chairman: And for us to change our regulations at this time would work a hardship on these young women who started out this year with the understanding that under these regulations they would receive appointment as vacancies occurred.

Superintendent: That is true.

Chairman: Then I see no objection to these appointments.

Mr. Smith: I cannot see any reason why the regulations should be suspended, and I shall vote against suspension.

Superintendent: Might it not be well to state for the benefit of the public just what regulation we are talking about?

Chairman: Will you explain it, Mr. Superintendent?

Superintendent: In all the girls' schools and in all the mixed schools, girls and boys, the num-

ber of junior masters (men) who may be employed is strictly defined and limited by regulations. Investigation has shown that every girls' or mixed high school that had a vacancy in biology had its full complement of men. The Superintendent therefore was unable to present to the Committee the names of men for appointment to those schools. There were four names on the women's list, therefore the Superintendent presented those four names in accordance with the regulations. Last year the Committee made concession to this extent—that if there are no names of women on the list and a vacancy occurs in a school which already has its full complement of men, the Superintendent may then, since it would be doing no injury to any individual, present the name of a man, and the school would be allowed to carry that extra junior master. But that of course would count against that school the next year when some other appointment might come up, when it would be found that the school had its full complement and more of men. That is the reason why the Superintendent was obliged to present these names from the women's list tonight.

Dr. Mackey: May I ask the Superintendent if it is a fact that as a rule we have very few appointments in the subject of Biology?

Superintendent: Very few.

Dr. Mackey: Then these men, as I understand, one is married and has three children—are not likely to receive appointments, for we probably will not have many appointments in Biology during the next two or three years.

Superintendent: One cannot forecast.

Dr. Mackey: I realize that, but on the basis of the past and as a matter of average, I feel and I want to go on record to that effect, that the man who has children is entitled to some consideration. He is the individual who leaves money to the neighborhood grocer, the neighborhood druggist, and otherwise. This is an unusual situation, four appointments from one group on the list at one time.

Mr. Smith: I won't quarrel with Dr. Mackey but I don't think that any one of us knows what responsibility or responsibilities any of those four young women whose appointments are before us may have. I know none of the young women. I know nothing about them, whether they have any responsibilities or not; but certainly there may be arguments on their side along the same line that the Doctor has presented for the men.

Chairman: I think you are right, Mr. Smith. Our test is the place on the list and the position that is open in the particular school, and while it is a great delight to appoint people to positions when you feel that thereby some responsibilities are relieved, I still don't think that responsibilities may be set up as a reason for appointment.

following additions to the list of teachers approved by him from which assignments may be made for temporary service:

Day High Schools—Harry Kemelman, Ralph Simes.

Day Intermediate Schools—Mary G. Micciche, Edward W. Palmer, Alice A. Tyner.

Day Elementary Schools—Evelyn J. Martin, Florence E. Rubin.

Continuation and South End Intermediate Schools—James J. Deery, Dorothy M. Killion, John T. Murphy.

Boston Clerical School—Antonio E. F. Donadio.

Boston Trade School—Paul G. Crotty, Samuel Reznick.

Disciplinary Day School—Mary G. Micciche.

Classes for Conservation of Eyesight—Elizabeth J. Gallagher, Gertrude Kramer.

Department of Household Science and Arts—Edith H. McPeake, Kathleen E. Sheerin, teachers of sewing; Helen M. Curran, Ruth L. Hennessey, teachers of millinery.

Approved.

Teaching Assistants

Day Intermediate Schools—Pearl L. Roberts.

Day Elementary Schools—Nancy B. Carino, Veronica A. Croke, Gertrude L. Cusack, Sylvia Ginns, Mary E. McDermott, Marion H. Sheehan.

Kindergartens—Ethel R. Ellis, Doris M. Gorman, Ann A. Mackie.

Approved.

TEMPORARY TEACHERS

East Boston High School—William Harrison, co-operative instructor, Jan. 13, 1936.

South Boston High School—George Thomson, co-operative instructor, Jan. 16, 1936.

Trade School for Girls—Ann E. Moran, trade assistant, Jan. 14, 1936.

Approved.

SPECIAL ASSISTANTS

(New Appointment)

High School of Practical Arts—Emily Markarian, industrial department, Feb. 24, 1936.

Approved.

Day School for Immigrants—Mary E. McDermott, special assistant, Jan. 20, 1936.

Approved.

EVENING SCHOOLS

Term 1935-36

Brighton Evening Commercial High School—William J. Cunningham, assistant, Jan. 9, 14, and 30, 1936 (three evenings).

Charlestown Evening Commercial High School—John C. Ronan, assistant, Jan. 28 and 30, 1936 (two evenings).

Dorchester Evening High School—Katherine M. Blessington, Eileen M. Weller, assistants, Jan. 6, 1936; Frank D. Shea, assistant, Jan. 27, 1936, (one evening).

Roxbury Evening Commercial High School—William F. Walsh, assistant, Jan. 6, 1936.

South Boston Evening Commercial High School—Lewis A. Newton, assistant, Jan. 6, 1936.

West Roxbury Evening Commercial High School—William F. Walsh, assistant, Jan. 13, 1936, (one evening).

Bigelow Evening School—Mary F. McCarthy, assistant, Jan. 30, 1936, (one evening).

Brighton Evening School—Margaret A. Kelly, assistant, Jan. 6, 1936.

Edward Everett Evening School—Cathryn J. Lauinger, Eleanor L. McGourty, assistants, Jan. 6, 1936; Florence M. Lappin, assistant, Jan. 16, 1936; Helen E. Corliss, assistant, Jan. 27, 1936.

Franklin Evening School—Helen M. Friedel, assistant, Jan. 13, 1936 (one evening).

Grover Cleveland Evening School—Etta Bell, assistant, Jan. 27, 1936 (one evening).

Joseph H. Barnes Evening School—M. Evelyn Russell, assistant, Jan. 13 and Jan. 14, 1936 (two evenings).

Lewis Evening School—Louise C. Macdonald, assistant, Jan. 9, 1936 (one evening); Mary E. McDermott, assistant, Jan. 13, 1936.

Phillips Brooks Evening School—Helen M. C. Mullen, assistant, Jan. 14, 1936 (one evening).

Washington Evening School—Dorothy E. Colburn, assistant, Jan. 13, 1936; Alice E. McMurrough, assistant, Jan. 28, 1936 (one evening).

Washington Irving Evening School—Dorothy E. Colburn, assistant, Jan. 9, 1936 (one evening).

Approved.

Boston Trade School (Evening Classes)—Henry B. Kelley, assistant, Jan. 6, 1936.

Approved.

White, assistants, intermediate; Alice V. Watson, clerical assistant; to the same positions in the Patrick F. Gavin Intermediate District, Feb. 3, 1936; Ella G. Fitzgerald, assistant, elementary, to the same position in the Gaston District, Feb. 3, 1936; Joanna T. Daly, Cecilia A. O'Shea, Marguerite S. Clapp, Helena F. Dwyer, assistants, elementary, to the same positions in the Norcross District, Feb. 3, 1936.

Approved.

Margaret C. Dubar, assistant, Joseph H. Barnes Evening School, to the same position in the Bigelow Evening School, Jan. 6, 1936.

Irene F. McDonald, assistant, Brighton Evening Commercial High School, to the same position in the South Boston Evening Commercial High School, Jan. 6 to Jan. 16, 1936, (six evenings).

Mary F. Sullivan, assistant, Dorchester Evening Commercial High School, to the same position in the South Boston Evening Commercial High School, Jan. 9, 1936, (one evening).

Approved.

EMPLOYMENT IN PIPEWELDING CLASSES

On motion of the Superintendent, it was

ORDERED, That the employment of Henry D. Fallona in connection with the organization and administration of classes in pipewelding in the Boston Trade School, on Wednesday and Friday evenings, from Jan. 22 to June 24, 1936, is hereby authorized, compensation for such service to be at the rate of one dollar and fifty cents (\$1.50) per session, the cost

to be covered by Federal funds administered by the Commissioner of Education by special distribution to the City of Boston.

LEAVES OF ABSENCE

On the report of the Superintendent, leave of absence was granted each of the following-named teachers for the period specified:

English High School—Walter L. Leighton, junior master, Jan. 30, 1936, one-half day, court summons.

Roxbury Memorial High School (Boys)—Charles M. Doherty, co-operative instructor, Jan. 6, 1936, one day, court summons.

On the report of the Superintendent, leave of absence under a suspension of the regulations was granted the following-named teacher for the term specified:

Girls' Latin School—Ida A. Cohen, assistant, from Mar. 16, 1936, to June 30, 1936, without pay.

ASSIGNMENTS

A communication was received from the Superintendent, under date of Feb. 3, 1936, reporting that subject to the approval of the School Committee, he has assigned the following-named teachers to classes attended exclusively by boys in grades above the third in the district herein stated:

Thomas N. Hart District—Evelyn M. Chisholm, assistant, intermediate, Jan. 2, 1934; Albert L. Taylor, assistant, intermediate, Dec. 6, 1933.

Placed on file and the assignments approved, to take effect on the dates stated.

DESIGNATIONS

A communication was received from the Superintendent, under date of Feb. 3, 1936, reporting that he has made the following designations of teachers to serve in the positions indicated until such time as they shall be filled otherwise in accordance with the rules and regulations but not beyond Aug. 31, 1936:

Beethoven District—Barbara W. Jennings, assistant, kindergarten, as acting first assistant, kindergarten (vice Marion E. Godfrey, absent on leave), Jan. 13, 1936.

Edmund P. Tileston District—Audrea Bishop, assistant, kindergarten, as acting first assistant, kindergarten, Jan. 2, 1936.

Jefferson District—Mary E. O'Donnell, assistant, elementary, as acting master's assistant (vice Anna T. McCloskey, absent on leave), Jan. 2, 1936.

Wendell Phillips District—Alice K. Schulenkorf, assistant, elementary, as acting master's assistant (vice Martha T. O'Hea, absent on leave), Jan. 2, 1936.

Placed on file.

HOME INSTRUCTION OF PHYSICALLY HANDICAPPED CHILDREN

A communication was received from the Superintendent, under date of Feb. 3, 1936, reporting that subject to the approval of the

School Committee, he has assigned the following-named temporary teachers for home instruction of physically handicapped children, to take effect on the dates stated:

Mary K. Rogers, Jan. 27, 1936; Regina S. Hickey, Feb. 3, 1936. Approved.

TERMINATION OF SERVICE IN AFTERNOON KINDERGARTEN

A communication was received from the Superintendent, under date of Feb. 3, 1936, reporting that subject to the approval of the School Committee, he has terminated the service of the following-named teacher in the afternoon sessions of the kindergarten indicated, to take effect on the date stated.

Christopher Gibson District—Mary J. Gill, assistant, kindergarten, Jan. 31, 1936.

Placed on file and the termination of service approved.

EMERGENCY EMPLOYMENT IN AFTERNOON KINDERGARTEN

On motion of the Superintendent, it was

ORDERED, That the employment of Barbara W. Jennings, assistant, kindergarten, one session, Beethoven District, is hereby authorized in the afternoon sessions of the kindergarten in that district, to take effect Jan. 22, 1936, and to continue during the absence of Marion E. Godfrey, first assistant, kindergarten, two sessions; and that she be allowed and paid additional compensation at the rate of two dollars (\$2) per session for such service.

ESTABLISHMENT OF PATRICK F. GAVIN INTERMEDIATE DISTRICT

On motion of the Superintendent, it was

ORDERED, That the Shurtleff District is hereby re-named the Patrick F. Gavin Intermediate District.

ATTENDANCE AT CONVENTION

On motion of the Superintendent, it was

ORDERED, That Frederick J. Gillis, Assistant Superintendent, is hereby authorized to attend the annual meeting of the Department of Superintendence of the National Education Association, to be held at St. Louis, Mo., Feb. 22 to 27, 1936, inclusive, at an expense to the city not to exceed one hundred seventy-five dollars (\$175).

APPROPRIATIONS AND EXPENDITURES TO JAN. 1, 1936

A communication was received from the Business Manager, under date of Dec. 31, 1935, submitting the final statement on the cost of maintenance of the public schools for the financial year 1935, showing the appropriations, the expenditures and the balances for the financial year 1935, the expenditures for the financial year 1934, and the increases and decreases in the several items.

Placed on file.

AMENDMENT TO SCHEDULE OF EXTRA COMPENSATION FOR CUSTODIAN SERVICE

A communication was received from the Assistant Schoolhouse Custodian, under date of Feb. 3, 1936, recommending that the Schedule of Extra Compensation for Custodian Service be amended in accordance with an accompanying order.

Placed on file.

On motion, it was ORDERED, That paragraph 9 of Section 1 of the Schedule of Extra Compensation for Custodian Service is hereby amended, to take effect Jan. 1, 1936, as follows:

School	Number of As-
William Barton Rogers...	sistants Au-
	thorized
	2

LEAVES OF ABSENCE TO CUSTODIANS

A communication was received from the Assistant Schoolhouse Custodian, under date of Feb. 3, 1936, recommending that the following-named custodians be granted leave of absence on one-half net compensation for the periods specified because of personal illness:

John P. Barry, custodian, Elihu Greenwood Schoolhouse, Jan. 24 (one-half day) to Jan. 26, 1936, inclusive.

Emil W. Meyer, custodian, Theodore Roosevelt Schoolhouse, Feb. 7 to 29, 1936, inclusive.

Placed on file and leave of absence on one-half net compensation granted for the periods specified.

TRANSFERS OF CUSTODIANS

A communication was received from the Assistant Schoolhouse Custodian, under date of Feb. 3, 1936, recommending that the following-named custodians, who stand at the head of their respective lists, be appointed as indicated, to take effect Feb. 9, 1936:

John F. Barry, from the Old Edward Everett to the Philip H. Sheridan Schoolhouse.

John J. Downey, from the Williams to the William Brewster Schoolhouse.

Martin J. Flynn, from the Nahum Chapin to the William H. Kent Schoolhouse.

Henry J. Mahoney, from the Winship to the Bigelow Schoolhouse.

Charles F. Sullivan, from the Lowell Mason to the Henry L. Higginson Schoolhouse.

John J. Timmins, from the Phillips Brooks to the Hugh O'Brien and Ralph Waldo Emerson Schoolhouses.

Placed on file and the transfers approved, to take effect on the date stated.

TENTATIVE COMPENSATION OF CUSTODIAN

A communication was received from the Assistant Schoolhouse Custodian, under date of Feb. 3, 1936, recommending that a tentative gross compensation of one hundred two dollars (\$102) per

week, be established for the custodian of the Patrick F. Gavin Schoolhouse, to take effect Jan. 24, 1936, and to continue until such time as the areas upon which the compensation is based are certified.

Placed on file.

On motion, it was

ORDERED, That the tentative gross compensation of the custodian of the Patrick F. Gavin School is hereby established at the rate of one hundred two dollars (\$102) per week, to take effect Jan. 24, 1936, and to continue until such time as the areas are certified.

REPORT ON AUDIT OF BOOKS AND ACCOUNTS

A communication was received from Charles E. Di Pesa & Company, under date of Feb. 3, 1936, submitting report on the audit of the books and accounts of the fourteen school centers for the period ending Dec. 31, 1935.

Placed on file.

UNFINISHED BUSINESS

Mr. Smith: There is on the calendar a motion which I offered two weeks ago, laid over until tonight, that the Press be invited to all our conferences. Out of deference to Mr. Tobin who is absent tonight, who two weeks ago moved that this motion be laid over, I move at this time that my original motion be put over for another two weeks.

The motion passed.

PROTEST AGAINST REORGANIZATION OF SCHOOLS IN SOUTH BOSTON

Superintendent: Mr. Chairman, I would like the privilege of making a brief public statement in reply to the strictures which have appeared in the Press on the new Patrick F. Gavin School organization in South Boston. I haven't read fully all of the articles but they seem to be strongly averse to the establishment of that organization. May I say that the establishment of a girls' intermediate school in South Boston was in answer to the well-known desire of the people of South Boston to maintain one-sex schools in this section. The only solution was the one which we have attempted to find by establishing on the site of the old Shurtleff School the Patrick F. Gavin Intermediate School for the girls of South Boston. No child will have to travel more than one and one-half miles to reach this intermediate school. The same condition exists in other sections of the city. There is one intermediate school in Charlestown; two in East Boston, widely separated. The same could be said of the Grover Cleveland Intermediate School in Dorchester. The William Barton Rogers is the only intermediate school in Hyde Park, more than a mile and a half from parts of that district. The Robert Gould Shaw School in West Roxbury is more than a mile and a half from the remote ends of that district, and there has been no complaint there.

These girls from South Boston now instead of being required to make four trips a day will make but two trips—one to and one from school—which will make the total travel less than that to which they have been accustomed. In regard to luncheons, it is hoped that the girls will bring luncheons from home. There will be on sale in the school milk, crackers, cocoa, and hot soup. No attempt will be made to offer for sale expensive luncheons.

Today Mr. Muldoon, the Assistant Superintendent in charge, traveled in his car through various parts of South Boston to get the actual distances from several points to the Patrick F. Gavin Intermediate School. The farthest point from the school is at the corner of Second Street and Farragut Road. Traveling from this point by way of Third Street, P Street, and Fourth Street, to Dorchester Street, the speedometer showed one and six-tenths miles. From that same point to the Oliver Hazard Perry School is three-quarters of a mile; so the children, and there are very few coming from that farthest point, would not travel a much greater distance to the Patrick F. Gavin School than they do now to the Oliver Hazard Perry. From a point practically in the middle of the Oliver Hazard Perry District, through Fourth Street and Dorchester Street, it is one and one-tenth miles. It must be understood that the Oliver Hazard Perry School is the farthest end of the district at the edge of Old Harbor Bay.

I would like to clear up an impression that seems to exist among some people in South Boston. Word has gone around without authority that some children from Grades I to VI in the Oliver Hazard Perry and Gaston Districts will be transferred either to the Norcross or to the Patrick F. Gavin School. May I make it clear that only girls in Grades VII, VIII, and IX, in the Oliver Hazard Perry, Gaston, John A. Andrew, Norcross Schools, and the former Shurtleff School, will be transferred to the Patrick F. Gavin Intermediate School? Girls in grades below the seventh will not be affected except that in the Gaston District girls now housed in the portables in the yard of the Gaston School will hereafter be housed in the Gaston School, main building.

Chairman: Thank you, Mr. Campbell.

Dr. Mackey: May I say to the Secretary of the South Boston Citizens' Association, Mr. Brooks, who is now present, that by eliminating those portables in South Boston we are going to house those children under proper, healthful, and sanitary conditions. Also, our Superintendent, who has very well taken care of the district, has assured me that these young children will not have to travel any excessive distances. By law, we are not allowed to provide transportation for school children within a two-mile limit, therefore we are within the limit. I know that this Committee is very glad to hear any complaints from our organizations.

Chairman: It has been the policy of School Committees during the last few years to arrange for hear-

ings in conference. I would, therefore, like to extend to your committee or your representatives an invitation to come to our next conference to present any facts or evidence that you may care to present.

Dr. Mackey: If you care to come in, Mr. Brooks, will you address or send a letter—

Chairman: Very glad to extend an invitation to Mr. Brooks, Doctor.

Superintendent: Perhaps it might be helpful if Mr. Brooks will arrange to talk it over with the Superintendent and get all the facts in regard to these children in South Boston.

It was so agreed.

The Committee adjourned.

Attest:

ELLEN M. CRONIN,
Secretary.

BOSTON CITIZENS ASSEMBLE AT FANEUIL HALL TO OBSERVE NATAL DAYS OF WASHINGTON AND LINCOLN WITH APPROPRIATE EXERCISES AND PATRIOTIC TABLEAUX.

The following is the program of exercises held under the auspices of the City of Boston commemorative of the births of George Washington and Abraham Lincoln. They were held in Faneuil Hall on Sunday, February 16, with Director of Public Celebrations, Arthur J. O'Keefe, assistant secretary to Mayor Mansfield, in charge.

Committee of Arrangements (from Citizens' Public Celebrations Association): Chairman, M. Henry McInerney; Henry F. Brennan, Constantino F. Ciampa, Joseph A. F. O'Neil, John B. Archibald, Fred E. Mann; together with President of the Association, John C. Brodhead; Vice President, James F. Winston; Treasurer, Henry J. D. Small; Secretary, E. B. Mero.

Sub-Committees: Reception to Guests, John C. Brodhead, M. Henry McInerney, John B. Archibald. Platform and Seating, Henry F. Brennan. Flag Ceremony, Capt. Robert Dallahan, Military Instructor, Brighton High School. Ushers, Constantino F. Ciampa. Tableaux, Joseph A. F. O'Neil; with Curtis B. Rhea. Program, Publicity, Printing, Arthur J. O'Keefe, E. B. Mero. Hall, Radio, Transportation, Mr. O'Keefe.

TRAFFIC COMMISSION RULINGS.

Voted, That as urgently required by considerations of public safety and convenience, during the period of snow dumping, estimated to be two (2) days, the following street is one way in the direction indicated, effective February 17, 1936:

Dorchester Avenue, City Proper and South Boston.

From Summer street to West First street.

DOUBLE TAXATION NOT THE WHOLE TAX CONFLICT.

Double taxation, which to most people means two taxes on the same thing from different sources,—Federal and State or two states,—is only a part of the problem of conflicting taxation, says James W. Martin, Research Director of the Interstate Commission on Conflicting Taxation. The commission, set up by the Interstate Assembly representing the various states, which was called together by the American Legislators' Association in 1933, will report results of its subsequent study of conflicting taxation early in 1935.

READVERTISEMENT.

CITY OF BOSTON.

SUPPLY DEPARTMENT.

PROPOSALS FOR SURGICAL SUPPLIES.

The Supply Department of the City of Boston invites proposals for furnishing surgical supplies, as required, to the various city departments. The bidder must use the form of proposal to be obtained at the office of the Superintendent of Supplies, Room 801, City Hall Annex, and the successful bidder must furnish a bond for one quarter the total estimated amount of the bid with a surety company authorized to do business in Massachusetts as surety for the faithful performance of the contract. *There will be a charge of twenty-five cents (\$0.25) for each blank proposal taken out.* The bid, with a certified check for \$300, payable to and to become the property of the City of Boston if the proposal is not carried out, must be left at the office of the Superintendent of Supplies, Room 801, City Hall Annex, before 12 m., Monday, March 2, 1936, at which time and place they will be publicly opened and read. A duplicate bid, without check, must be left at the office of the City Auditor prior to the time named for opening bids. The Superintendent reserves the right to accept or reject any or all bids, or any part of a bid, and to award the contract as he deems for the best interests of the city. All contracts made subject to appropriations to meet payments thereunder.

D. FRANK DOHERTY,
(Feb. 22.) Superintendent of Supplies.

36,000 TRAFFIC DEATHS IN 1934.

The automobile casualty toll for 1934 was 36,000 persons killed in 882,000 personal-injury collisions on streets and highways, according to the Travelers Insurance Company. Pedestrians accounted for 44 per cent of the fatalities.

The death gain was 16 per cent against an increase of only 6 per cent in registrations and gasoline consumption. Fast driving is given as the dominant factor. Alcohol is known to have figured with 3.16 per cent of the drivers and 4.46 per cent of the pedestrians, compared with 2.43 and 2.99 per cent respectively in 1933.

Despite figures indicating that nine out of ten cars involved in accidents were in good condition, three out of every four cars inspected were found to be defective, says the report. Defects were as follows: Brakes bad on 29 per cent of the cars; tires fair to poor on 56 per cent; lamps needed adjustment or replacement on 63 per cent.

CITY OF BOSTON.

POLICE DEPARTMENT.

P. W. A. DOCKET No. 8200.

Sealed proposals will be received at the office of the Police Commissioner of the City of Boston until twelve o'clock noon, Eastern Standard time, March 4, 1936, for the installation of signal equipment for the Police Department of the City of Boston, at which time and place they will be publicly opened and read.

Specifications and form of proposal will be available to prospective bidders at the office of Jackson & Moreland, engineers, upon the deposit of thirty-five dollars (\$35), which deposit will be returned upon surrender of the documents to Jackson & Moreland within one week after the day upon which bids are received.

Proposals must be accompanied by a certified check payable to Eugene M. McSweeney, Police Commissioner, in the amount of two thousand dollars (\$2,000) which certified check, or the amount thereof, will be returned to the successful bidder upon execution and delivery of the agreement and bond and to each unsuccessful bidder within thirty calendar days from the day upon which the proposals are received, in each case upon application to the Property Clerk at Police Headquarters. A surety bond in an amount equal to one hundred (100) per cent of the contract price will be required.

The project is to be financed and constructed under the terms of the National Industrial Recovery Act and chapter 366, Massachusetts Acts of 1933, and attention is called to the Construction Regulations prescribed by P. W. A. Attention is called to the fact that not less than the minimum wage rates prescribed by the Federal Emergency Administration of Public Works must be paid on this project. The employment agency designated by the Government for this project is Massachusetts State Employment Service, 100 Nashua Street, Boston, Mass.

The rate per hour of the wages to be paid to mechanics, teamsters, chauffeurs and laborers in the work to be performed under the contract shall not be less than the rate of wages in the schedule determined by the Commissioner of Labor and Industries of the Commonwealth, a copy of which schedule is annexed to the form of contract referred to herein. Copies of said schedule may be obtained, without cost, upon application therefor at the office of the Police Commissioner or the office of Jackson & Moreland.

The right is reserved to reject any or all bids.

No award can be made without the approval of the Director, P. W. A. (Mass.)

By order of the POLICE COMMISSIONER OF BOSTON.

E. M. MCSWEENEY,
Police Commissioner.

Jackson & Moreland,
Engineers,
31 St. James Ave.,
Boston, Mass.
(Feb. 15-22.)

RECEIPTS AND EXPENDITURES, FISCAL POPULATION OF BOSTON, BY SEX, NATIVITY, ETC., 1930.

Total population, 781,188 (383,454 males and 397,734 females); ratio of males to females, 96.4 to 100 as against 97.2 to 100 in 1920. Native white, 529,400 (260,419 males and 268,981 females) or 67.77 per cent; sex ratio, 96.8 to 100. Of the 529,400 native whites, 200,130, or 37.80 per cent, are of native parentage; 248,653, or 46.97 per cent, are of foreign parentage and 80,617, or 15.23 per cent, are of mixed parentage (i. e., one half native). Foreign-born whites, 229,356 (111,261 males and 118,095 females) or 9,563 less than in 1920; sex ratio 94.2 to 100. The foreign-born whites are 29.36 per cent of total population. Negroes, 20,574 (10,223 males and 10,351 females) or 2.63 per cent of population; sex ratio, 98.8 to 100. The Negro population has increased 4,224 since 1920 and 4,993 since 1915. Other races, 1,858 females; 55 to 64 years, 63,416 (30,671 (1,551 males and 307 females), or 0.24 per cent, comprise 1,595 Chinese, 69 Japanese, 43 Indian, 26 Mexican and 125 miscellaneous. Total foreign white which is 61.19 per cent of all inhabitants. stock, 478,009 (viz., 229,356 plus 248,653) which is 61.19 per cent of all inhabitants.

SAND, CINDERS AND SALT IN DULUTH.

About 385 miles of sidewalk are sanded every year and about 250 miles of streets are snow-plowed and sanded. Ordinarily, flat grades are not sanded, this work being confined to steep grades where dangerous ice conditions exist. During the past season the maintenance department used about 500 cubic yards of cinders, 500 cubic yards of sand, and 5 tons of calcium chloride on the streets.

The use of salt, or sodium chloride, has been discontinued entirely, because of its injurious effect on concrete walks and pavements. The action of salt is not clearly understood, but it is much more active during cold weather than in summer, and is apparently due to the formation of crystals after penetrating the surface, the force of which disintegrates the concrete. Calcium chloride does not seem to be entirely free from this difficulty, but is much less active than sodium chloride.

PUBLIC DEBT, JANUARY 1, 1933.

Gross funded debt, January 1, 1933, \$165,758,499.95 (including \$119,999.95 issued by State for enlargement of Court House); sinking funds, \$35,737,619.21; other redemption means, \$3,078,263.28; net debt, \$126,942,617.46 or \$7,588,429.94 more than on January 1, 1932. Of said debt (net) \$79,310,526.63 or 62.48 per cent was City debt; \$46,199,623.96 or 36.39 per cent, Rapid Transit debt (representing 4½ per cent investment); \$994,466.87 or 0.78 per cent, County debt; \$438,000 or 0.35 per cent, Water debt.

Debt paid in 1932 was \$9,935,301 but there was an increase in total gross debt of \$5,437,698.99.

Net debt per capita, \$160.62 (approx.); net debt, exclusive of Rapid Transit debt, \$80,742,993.50 or \$102.17 per capita (approx.).

Per capitas are based on U. S. Census Bureau's estimated population on January 1, 1933.

Loans authorized but not issued (within debt limit), \$1,898,000; same outside of debt limit, \$2,680,000; total, \$4,578,000.

POPULATION OF COUNTIES, 1930.

(1) Middlesex (11 cities and 43 towns), 934,924 or 156,572 over 1920; (2) Suffolk (3 cities and 1 town), 879,536 or 44,014 over 1920; (3) Essex (8 cities and 26 towns), 498,040 or 15,884 over 1920; (4) Worcester (4 cities and 57 towns), 491,242 or 36,107 over 1920; (5) Bristol (4 cities and 16 towns), 364,590 or 5,585 over 1920; (6) Hampden (4 cities and 19 towns), 335,496 or 35,191 over 1920; (7) Norfolk (1 city and 27 towns), 299,426 or 80,345 over 1920; (8) Plymouth (1 city and 26 towns), 162,311 or 5,343 over 1920; (9) Berkshire (2 cities and 30 towns), 120,700 or 7,667 over 1920; (10) Hampshire (1 city and 22 towns), 72,801 or 3,202 over 1920; (11) Franklin (26 towns), 49,612 or 251 over 1920; (12) Barnstable (15 towns), 32,305 or 5,635 over 1920; (13) Dukes (7 towns), 4,953 or 581 over 1920; (14) Nantucket (1 town), 3,678 or 881 over 1920. Total for the 14 counties (39 cities and 316 towns), 4,249,614 or 397,258 (i. e., 10.3 per cent) over 1920. Of said total, 2,940,335 (i. e., 69.19 per cent) were in the cities and 1,309,279 (i. e., 30.81 per cent) in the towns. The four counties, Suffolk, Middlesex, Essex and Bristol, contain 63.00 per cent of the State's inhabitants.

If the municipalities having a population of 5,000 or over are properly called urban, then the percentage of urban population in the entire State reaches the notable figure of 90.71, while the rural shows but 9.29 per cent.

POPULATION OF NEW ENGLAND, 1930.

Total population, 8,166,341 (4,024,657 males and 4,141,684 females); total white, 8,065,113 (3,972,465 males and 4,092,648 females); total native white, 6,230,803 (3,067,723 males and 3,163,080 females); native white of native parentage, 3,167,082 (1,572,885 males and 1,594,197 females); native white of foreign or mixed parentage, 3,063,721 (1,494,838 males and 1,568,883 females); foreign-born white 1,834,310 (904,742 males and 929,568 females); Negro, 94,086 (46,963 males and 47,123 females); Indian, 2,466 (1,273 males and 1,193 females); Chinese, 3,794 (3,233 males and 561 females); Japanese, 352 (277 males and 75 females); Mexican, 107 (69 males and 38 females); all other races, 423 (377 males and 46 females).

POPULATION OF UNITED STATES, 1930.

Total inhabitants of continental United States, 122,775,046, or 62,137,080 males and 60,637,966 females. Total native white, 95,497,800 or 48,010,145 males and 47,487,655 females; native white of native parentage 70,136,614 or 35,460,001 males and 34,676,613 females; native whites of foreign parentage, 16,999,221 (8,438,676 males and 8,560,545 females); native whites of mixed parentage, 8,361,965 (4,111,468 males and 4,250,497 females); foreign-born whites, 13,366,407, or 7,153,709 males and 6,212,698 females; total foreign white stock, 38,727,593, or 19,703,853 males and 19,023,740 females; Negroes, 11,891,143, or 5,855,669 males and 6,035,474 females; Mexicans, 1,422,533, or 758,674 males and 663,859 females; Indians, 332,397, or 170,350 males and 162,047 females; Japanese, 138,834, or 81,771 males and 57,063 females; Chinese, 74,954, or 59,802 males and 15,152 females; all others, 50,978, or 46,960 males and 4,018 females.

ANNEXATIONS OF BOSTON.

East Boston in 1637; South Boston in 1804, being set off from Dorchester; Roxbury in 1868, a city of Norfolk County since March, 1846; Dorchester in 1870, a town since September, 1630; Charlestown in 1874, a city of Middlesex County since February, 1847; Brighton in 1874, set off from Cambridge and incorporated as a town of Middlesex County in February, 1807; West Roxbury in 1874, set off from Roxbury and incorporated as a town of Norfolk County in May, 1851; Hyde Park in 1912, a town of Norfolk County since April, 1868.

These annexations, which added 24,312 acres of land to the original land of Boston, were by area as follows: East Boston, 1,435 acres; South Boston, 795; Roxbury, 2,450; Dorchester, 5,600; West Roxbury, 8,075; Brighton, 2,664; Charlestown, 424; Hyde Park, 2,869. Filled land increased the area later by 1,396 acres. In 1875 the annexed territory had a population of 201,250, or 58.86 per cent of city's total; in 1910 its population had increased to 477,311, or 71.18 per cent, Hyde Park not included. By 1915 the total was 549,139, or 73.67 per cent of city. By 1925 the total was 607,519, or 77.92 per cent.

BOSTON INCORPORATED AS A CITY, 1822.

The act of incorporation was passed by the Legislature on February 23, 1822. On March 4 following, the voters of Boston accepted said act, chapter 110, 1821-22, as its first city charter by a majority of 916 in a total vote of 4,678. The vote was 2,797 yeas, 1,881 nays. Previous attempts to incorporate as a city had been made in 1650, 1659, 1667, 1708, 1744, 1762, 1784, 1791, 1804 and 1815. The charter was revised in 1854, 1885 and 1909. Amendments to the 1909 charter were enacted in 1910, 1912, 1914, 1918, 1919, 1921, 1922 and lastly in 1924 (see "Municipal Register" for 1928, pages 19-43).

POPULATION OF MASSACHUSETTS, 1930.

Total population, 4,249,614 (2,071,672 males and 2,177,942 females); total white, 4,192,926 (2,042,213 males and 2,150,713 females); total native white, 3,138,290 (1,532,751 males and 1,605,539 females); native white of native parentage, 1,429,784 (702,983 males and 726,801 females); native white of foreign or mixed parentage, 1,708,506 (829,768 males and 878,738 females); 1,202,191 (584,705 males and 617,486 females) of them being of foreign parentage; foreign-born white, 1,054,636 (509,462 males and 545,174 females); Negro, 52,365 (26,097 males and 26,268 females); Indian, 874 (458 males and 416 females); Chinese, 2,973 (2,530 males and 443 females); Japanese, 201 (151 males and 50 females); Mexican, 66 (43 males and 23 females); all other races, 209 (180 males and 29 females).

AIRPORTS AND LANDING FIELDS IN THE UNITED STATES.

The latest report of the Aeronautics branch of the Department of Commerce, dated January 1, 1934, states that there were 2,188 airports and landing fields in the United States on that date, an increase of 71 since January 1, 1933. These figures do not include new airports which are being established in the various states by the State Civil Works Administration Committees.

No. 9

BOSTON'S NEW CITY HOSPITAL SURGICAL BUILDING, WITH DATE OF COMPLETION FIXED FOR ABOUT MARCH 15 BY ARCHITECTS, WILL BE TURNED OVER TO MAYOR MANSFIELD, THE TRUSTEES AND THE SUPERINTENDENT, DR. JAMES W. MANARY, FOR DEDICATION AND OPENING SHORTLY THEREAFTER — STRUCTURE WILL BE MOST COMPLETE OF ANY OF KIND IN WORLD — BUILT AT A COST OF \$1,300,000, \$200,000 UNDER APPROPRIATION FOR WORK — WILL HAVE ACCOMMODATIONS FOR 300 BEDS AND TAKE CARE OF EVERY DEMAND OF SURGERY ON PART OF CITIZENS.

When Mayor Mansfield and the citizens of Boston are called on to dedicate and inspect the new City Hospital Surgical Building, as now proposed for early in April, Boston will have practically completed the program of complete re-hospitalization of the hospital service, planned and undertaken by the trustees and carried on to completion over a period of years. With the completion of this unit Boston will have a city hospital service comparable with the best anywhere in the world.

This building is ten stories high and will have accommodations for 300 beds, a structure as large as many complete hospital units in some of the large cities of the country. When completed it will be such a complete unit as to be able to take care of all surgical cases, of whatever nature, including emergency operations and ambulance cases, as well as main operating rooms for eye, ear, nose, and general surgical attention of citizens.

The building has been under construction since the fall of 1934, and the work has gone along so rapidly that it will be completed on March 15, according to the anticipations of the architects, the James H. Ritchie Associates. At the time of completion it will be turned over to Dr. James W. Manary, the superintendent.

Another fact concerning the construction of the building is that it is being completed at a cost of \$1,300,000, which is \$200,000 under the appropriation set aside for the work. This completion includes also alterations to the power house.

More than \$75,000 of the unused money will be added to the fund of \$150,000 for medical supplies to make it one of the finest hospital units in the world. Nearly \$20,000 alone will be spent on surgical instruments.

An increase of more than 15 per cent in hospital personnel will be needed to run this new first-class, fireproof, steel addition, which will replace the ancient accident and surgical buildings.

New quarters for the dental, oral, X-ray, and eye clinics in this building will enlarge these departments. The latest scientific equipment to treat these particular diseases also has been added.

The operating rooms have been laid out with an eye toward greater efficiency. Each operating room has its own anæsthesia room, four bedrooms for patients, and, for the first time, oxygen piped to the room from a central tank in the basement. The old method of giving oxygen was by delivering it in tanks. There will also be pressure and vacuum pipes available to assist the doctors in operations.

All the electric outlets in the operating and sterilizing rooms are of the non-explosive type because of the dangerous gases used there. Floors in these rooms have been divided into squares by brass strips which have been wired to the steel frames of the building to provide a ground for any electric spark. This will prevent an explosion of any spark with the gases being used, such as occurred recently in a nearby hospital.

Visitors, especially students, may view operations from a gallery which is entirely separated from the operating room by a glass shield set in a balcony above the room.

"O Boston, fair City enthroned like a radiant queen,
From thy hills looking down on the ship-teeming plain of the ocean,
May thy future be bright, thy skies beam with light all serene,
Ensured by thy sons' and thy daughters' unselfish devotion!"

From Boston Centennial Poem by
NATHAN HASKELL DOLE.

CITY RECORD.

Published weekly under legislative act by the City of Boston, Massachusetts.

FRANK H. CUSHMAN, *Editor*, Room 73, City Hall.

Advertising.

A rate of \$2 per inch of 12 lines (set solid) has been established for such advertisements as under the law must be printed in the *City Record*. Advertising and other copy must be in hand by Thursday of each week to insure its publication in the Saturday issue.

Copies for sale at the Statistics Department, Room 73, City Hall.

MUNICIPAL CALENDAR.

Meeting of the City Council Monday, March 2, 1936, at 2 p. m.

Meetings of the Transit Department are held on Monday and Thursday of each week at 11 a. m.

Board of Zoning Adjustment. Public hearings and executive meetings are held on the first Friday of each month, Room 30, City Hall, at 2 p. m.

MUNICIPAL SERVICE.

Complaints, inquiries or suggestions regarding the work of municipal departments should be made in writing to the officials directly in charge. The failure of such official to make reply within a reasonable length of time should be brought to the attention of the Mayor. Communications should be directed as follows:

TO THE BOARD OF STREET COMMISSIONERS, Room 401, City Hall Annex, for information relative to the laying out, relocation, widening and the discontinuance of highways; the taking of real property for municipal purposes; the assessments of betterments for streets and sewers; the plotting of undeveloped area for streets and the opening of private ways; the granting of licenses for the storage or sale of merchandise in

public streets; the making of specific repairs in public streets; the naming of public streets; the planting and removal of trees in public ways; the issuing of licenses for the storage of gasoline, oil and other inflammable substances or explosive compounds; the use of the public ways for any permanent or temporary obstruction or projection in, under or over the same, including the location of conduits, poles and posts for telephone, telegraph, street railway or illuminating purposes, signs, marquees, bay windows, coal holes and vaults.

TO THE BOSTON TRAFFIC COMMISSION, 134 North street, for information relative to regulation of vehicular street traffic on all or any streets, ways, highways, roads and parkways under the control of the City of Boston, the issuing of all permits in connection therewith.

TO THE COMMISSIONER OF PUBLIC WORKS, Room 511, City Hall Annex, for information as to the watering, cleaning, lighting and repairing of streets, the construction and care of sewers and catch-basins, the operation of the ferries, the maintenance of bridges and drawbridges and the removal of ashes and offal.

TO Room 604, City Hall Annex, for information relative to the supplying or metering of water and the water charges of the city.

TO THE HEALTH DEPARTMENT, Room 1107, City Hall Annex, for information relative to the inspection of milk, vinegar, meat, fish and vegetables, the issuance of permits for stables, slaughter houses, etc., smoke nuisances, the existence of contagious diseases, of public health nuisances.

TO THE BOARD OF PARK COMMISSIONERS, 33 Beacon street, for information as to the care of the Common, Public Garden, Franklin Park, Franklin Field, Commonwealth avenue, Back Bay Fens, Marine Park, the Airport, and the small parks and playgrounds in general throughout the city, and as to the extermination of gypsy moths and the charges made for such service. Applica-

tion may be made to this department for information regarding the public baths and gymnasiums maintained by the city, and with regard to municipal indoor concerts and band concerts, also information relative to Mt. Hope, Evergreen, Fairview and other public cemeteries owned by the City of Boston.

TO THE SCHOOL COMMITTEE, 15 Beacon street, for information relative to the operation of the schools in the city.

TO THE DEPARTMENT OF SCHOOL BUILDINGS, 11 Beacon street, for information as to the construction and repair of school buildings.

TO THE BOARD OF EXAMINERS, Room 1001, City Hall Annex, for information regarding the licensing of persons having charge or control of the work of construction, alteration, removal or tearing down buildings.

TO THE STATISTICS DEPARTMENT, Room 76, City Hall, for historical, geographical, political and population facts about Boston; the personnel and accomplishments of present and past municipal administrations; and such similar information as may be found concerning other American municipalities in its Municipal Officials' Reference Library.

TO THE WIRE DIVISION OF THE FIRE DEPARTMENT, 60 Bristol street, for all information relative to the erection of poles, building of conduits, the installation of all overhead and underground construction and electrical apparatus, as well as for general information relative to the entire division. To Room 103, City Hall Annex, for permits for the installing of wires and electrical apparatus within buildings of the City of Boston, and for the payment of fees incident to the granting of the privileges above named, and which must be paid in advance.

TO THE BOARD OF ZONING ADJUSTMENT, Room 30, City Hall, relative to changes in the boundary lines of zoning districts of the City of Boston as established by chapter 488 of the Acts of 1924, and amendments thereto.

Geehan, Theodore Clifford, Aldo Cocchi, emergency auto mechanics-drivers, 3 days, \$15 each; Hugh Bagley, laborer, 1 day, \$5; Patrick Burke, gardener, 1 day, \$5.50; Frank Brennan, John Brennan, gardeners-laborers, 1 day, \$5 each; Louis A. Bird, garage floorman and auto washer, 1 day, \$5; Joseph Bradley, gardener-laborer, 2 days, \$11; James D. Carroll, Neil Canney, gardeners-laborers, 34 days, \$16.25 each; John J. Connolly, 3d, gardener-laborer, 1 day, \$5; William Cullinane, laborer, 1 day, \$5; Martin Connolly, Coleman Curran, gardeners-laborers, 1 day, \$5 each; John Connolly, gardener-laborer, 34 days, \$16.25; James Connolly, gardener-laborer, 34 days, \$17.50; Patrick M. Connington, gardener-laborer, 34 days, \$16.25; Thomas J. Costello, gardener, 14 days, \$8.75; George E. Coffin, aero mechanic, 3 days, \$15; John Dillon, gardener-laborer, 1 day, \$5; Thomas F. Dolan, gardener, 1 day, \$5.50; Jeremiah Donovan, scytheman, 1 day, \$5; James C. Dunne, chief carpenter, 24 days, \$13.52; William F. Donoghue, gasoline engine operator, 14 days, \$9; James T. Doherty, gardener-laborer, 34 days, \$16.25; Harris W. Dauphinee, aero mechanic, 1 day, \$5; John Dunning, auto washer, 34 days, \$16.25; John Elliott, gardener-laborer, 24 days, \$13.13; Michael Fay, Laurence Fitzgerald, John Flynn, gardeners-laborers, 1 day, \$5 each; Michael Farrell, gardener-laborer, 34 days, \$16.25; Matthew Gateley, laborer, 1 day, \$5; Patrick Goode, gardener-laborer, 1 day, \$5; John W. Goode,

gardener-laborer, 1½ days, \$8.75; Charles F. Conroy, laborer, 1½ days, \$9.38; William P. Graham, gardener-laborer, 3½ days, \$16.25; Daniel G. Gorman, gardener-laborer, 1 day, \$5; John H. Gorman, tree climber, 1½ days, \$9.38; George Hughes, laborer, 1 day, \$5; Barnabus Jennings, gardener-laborer, 3½ days, \$16.25; Thomas Kelley, gardener-laborer, ½ day, \$2.50; John J. Kernan, gardener-laborer, 1 day, \$5; Michael J. Kilday, gardener-laborer, 1 day, \$5.50; Patrick Kelliher, John F. Kiley, gardeners-laborers, 1 day, \$5 each; George F. Keough, gardener-laborer, 3½ days, \$17.50; Michael Lynch, parkkeeper, 3½ days, \$17.88; Mark J. Lally, gardener-laborer, 1 day, \$5; John Matchett, laborer, 1 day, \$5; John McDevitt, Coleman McDonough, gardeners-laborers, 1 day, \$5 each; Patrick J. McDermott, machinist, 1½ days, \$9.75; Henry P. McCoy, gardener, 1½ days, \$5.63; John F. McCart, Hubord McKiernan, gardeners-laborers, 1½ days, \$8.75 each; Thomas F. McNulty, Arthur E. Mayo, laborers, 1 day, \$5 each; Patrick J. Mulvey, John D. Murphy, gardeners-laborers, 1½ days, \$7.50 each; John J. Murphy, gardener, 1 day, \$6; William M. Mullen, chauffeur, 2 days, \$10.50; John P. Nagle, chauffeur, 2½ days, \$14.44; James Norton, laborer, 1 day, \$5; Thomas O'Connell, John Prior, gardeners-laborers, 1 day, \$5 each; Fred P. Scanlon, chauffeur, 2½ days, \$13.13; Frank Starinsky, Thomas Stokes, laborers, 1 day, \$5 each; James Sullivan, gardener-laborer, 1 day, \$5; Michael Tighe, scytheman, ½ day, \$3.75; John Toosi, gardener-laborer, 1 day, \$5; Walter F. Varley, gasoline engine operator, 1½ days, \$9.63; Daniel Walraven, gardener, ½ day, \$4.13; Martin Walsh, gardener, 1½ days, \$9; Michael Walsh, gardener, 1 day, \$5.50; Martin Welch, scytheman, 1 day, \$5; Joseph M. Walsh, chauffeur and working foreman, 3½ days, \$17.76.

Public Works Department (Bridge Service).

For the week ending Tuesday, February 18:

P. J. Jacobs, mechanic, 1 day, \$6; J. T. Mahan, E. Hayes, J. J. Murphy, T. B. Lally, J. J. Shea, C. E. Melanson, T. V. Sullivan, J. A. McKenna, P. McGuire, J. J. Gately, M. J. Landrigan, J. A. Delorey, 2½ days, \$15 each; C. M. McGowan, chauffeur, 2 days, \$11; P. R. Tully, chauffeur, 2½ days, \$13.75; J. P. Considine, chauffeur, 2½ days, \$15.13; W. Wenzel, chauffeur, 2½ days, \$15; W. A. Gormley, laborer, 2½ days, \$12.50; J. J. Griffin, laborer, 1 day, \$5. Total, \$258.38.

Public Works Department (Ferry Service).

For the week ending Tuesday, February 18:

H. M. Dykstra, G. M. Fischer, C. T. Pettiti, W. F. Hooley, L. Lane, deckhands, ½ day, \$2.63 each; G. F. Burke, J. J. Cunningham, J. J. Murray, J. C. McGilvary, mechanics, ½ day, \$3 each. Total, \$25.15.

Public Works Department (Sanitary-Service).

For the week ending Monday, February 21:

John A. Fulford, chauffeur, 3½ days, \$20.62; Michael Kaczka, chauffeur, 4½ days, \$25.44; Joseph F. Lighthall, teamster-chauffeur, 2½ days, \$12.50; Lawrence J. O'Neill, chauffeur, 4½ days, \$25.44;

James V. Ross, chauffeur, 3½ days, \$19.25; George F. Smith, chauffeur, 4½ days, \$26.12; Andrew F. Beahn, chauffeur, 3 days, \$15.75; John S. Carroll, chauffeur, 4½ days, \$25.44; Patrick J. Connelly, chauffeur, 3 days, \$15.75; James J. Connors, chauffeur, 2½ days, \$13.12; James D. Ferguson, chauffeur, 3 days, \$15.75; George S. Gifford, teamster-chauffeur, ½ day, chauffeur, 2½ days, \$15.12; Richard Lanahan, chauffeur, 3 days, \$15.75; Patrick McCauliffe, chauffeur, 3 days, \$15; John Carroll, teamster-laborer, 1 day, \$5; John J. Clancy, Daniel J. Collins, James P. Darich, Michael J. Duffy, Bartholomew J. Faherty, Charles H. Hatch, John J. Hurley, teamster-laborers, 3 days, \$15 each; Henry J. King, teamster-chauffeur, 1½ days, \$7.50; Richard J. Lombard, teamster-chauffeur, 3 days, \$15; William Mahoney, teamster-chauffeur, 1 day, \$5; James McKenzie, Thomas P. Ryan, teamster-laborers, 3 days, \$15 each; James Scully, teamster-laborer, 2 days, \$10; John Stapleton, teamster-laborer, 1 day, \$5; Michael Wallace, John Zuccola, Patrick A. Eagan, teamster-laborers, 3 days, \$15 each; Patrick J. Loftus, teamster-laborer, 2½ days, \$12.50; Stephen McDonough, teamster-laborer, 3 days, \$15; William J. McCarthy, William J. Clancy, teamster-laborers, 1 day, \$5 each; Richard J. Fitzgerald, teamster-laborer, 1½ days, \$7.50; F. C. Barry, teamster-chauffeur, 1 day, \$5.50; R. L. Cass, Max Levine, J. J. McDonald, teamster-chauffeurs, 4 days, \$22 each; William A. White, teamster-chauffeur, 4½ days, \$25.44; L. V. Kilduff, teamster-chauffeur, 4 days, \$21; R. F. Booth, teamster-chauffeur, 3 days, \$15; F. J. Murphy, teamster-chauffeur, 1 day, \$5; A. P. Charbonnier, teamster-laborer, 2½ days, \$12.50; J. P. Charbonnier, H. F. Collett, Edward Davis, D. J. Dempsey, teamster-laborers, 3 days, \$15 each; J. W. DeRoche, F. W. Gallagher, teamster-laborers, 2½ days, \$12.50 each; J. L. Gould, teamster-laborer, 1 day, \$5; James Holloran, teamster-laborer, 3 days, \$15; William McGahey, teamster-chauffeur, 2 days, \$10; P. W. Sheehan, J. F. Sweeney, Daniel Kelley, teamster-laborers, 3 days, \$15 each; H. Berlocki, teamster-chauffeur, 3½ days, \$19.25; G. Brookfield, teamster-chauffeur, 3 days, \$16.50; Thomas Conlon, teamster-chauffeur, 4½ days, \$24.75; Frank Donlon, teamster-chauffeur, 5 days, \$27.50; James Finnell, teamster-chauffeur, 2½ days, \$13.75; William Haugh, teamster-chauffeur, 4½ days, \$24.75; Michael Harrity, teamster-chauffeur, 3½ days, \$19.25; J. Hohn, teamster-chauffeur, 4½ days, \$24.75; Thomas Kelly, teamster-chauffeur, 4 days, \$22; William Lyons, teamster-chauffeur, 5 days, \$27.50; Patrick Manning, teamster-chauffeur, 1½ days, \$8.25; G. Melarias, J. McDonald, teamster-chauffeurs, 5 days, \$27.50 each; McFadden, teamster-chauffeur, 2½ days, \$13.75; M. McGinley, teamster-chauffeur, 4 days, \$22; P. McKennon, R. Watson, teamster-chauffeurs, 5 days, \$27.50 each; D. Dolan, teamster-chauffeur, 3½ days, \$18.37; J. Driscoll, teamster-chauffeur, 3 days, \$15.75; J. Marley, teamster-chauffeur, 3½ days, \$18.37; A. Murphy, teamster-chauffeur, 2½ days, \$13.12; J. Murphy, teamster-chauffeur, 2 days, \$10.50; J. Nolan, teamster-chauffeur, 3½ days, \$18.37; J. Ryan, teamster-chauffeur, 5½ days, \$30.25; Wilhelm, teamster-chauffeur, 2½ days, \$12.50; J. Donnelly, teamster-chauffeur, 5 days, \$27.50; John Bohone, teamster-laborer, 2½ days, \$12.50; Brewster, A. Buckley, teamster-laborers, 3 days, \$15 each; Cadigan, Edward Cass, teamster-laborers, 2½ days, \$12.50 each;

Patrick Clifford, J. Connors, teamster-laborers, 2 days, \$10 each; J. Costello, teamster-laborer, 3½ days, \$17.50; J. Coughlin, teamster-laborer, 4 days, \$20; Charles Crowley, teamster-laborer, 1 day, \$5; E. Darley, teamster-laborer, 2½ days, \$12.50; J. Dever, teamster-laborer, 1½ days, \$7.50; B. Doherty, teamster-laborer, 2½ days, \$12.50; J. Donaghue, teamster-laborer, 2 days, \$10; James Donohoe, teamster-laborer, 2½ days, \$12.50; Henry Fallon, teamster-laborer, 2 days, \$10; J. Farrell, teamster-laborer, 3 days, \$15; Michael Fay, teamster-laborer, 2½ days, \$12.50; J. Fitzgibbon, D. Foley, teamster-laborers, 2 days, \$10 each; W. Frieburger, teamster-laborer, 3 days, \$15; W. Handren, teamster-laborer, 5½ days, \$27.50; J. Harrington, teamster-laborer, 2 days, \$10; Killion, teamster-laborer, 3 days, \$15; John Hurley, teamster-laborer, 1½ days, \$6.25; Kast, Kavanaugh, teamster-laborers, 2½ days, \$12.50 each; J. J. Kelley, teamster-laborer, 2 days, \$10; J. Keohane, teamster-laborer, 3 days, \$15; E. Knight, teamster-laborer, 3½ days, \$17.50; John Lyons, teamster-laborer, 2 days, \$10; Thomas Madden, W. Magoun, teamster-laborers, 2½ days, \$12.50 each; J. Moylan, teamster-laborer, 2 days, \$10; John Mullen, teamster-laborer, 3 days, \$15; J. T. Murphy, teamster-laborer, 4½ days, \$23.75; Edward Murray, teamster-laborer, 2½ days, \$12.50; McDermott, teamster-laborer, 1 day, \$5; McMachen, O. Malley, teamster-laborers, 2½ days, \$12.50 each; John Page, teamster-laborer, 2 days, \$10; M. Reiley, teamster-laborer, 3½ days, \$15.62; T. L. Ryan, teamster-laborer, 2½ days, \$12.50; M. Salmon, teamster-laborer, 2 days, \$10; J. Seeger, teamster-laborer, 3 days, \$15; W. Staudigl, teamster-laborer, 2 days, \$10; Sutherland, teamster-laborer, 2½ days, \$12.50; T. Twoomey, teamster-laborer, 2 days, \$10; T. J. Twoomey, teamster-laborer, 4½ days, \$23.75; C. Walsh, teamster-laborer, 2 days, \$10; J. Welch, J. Young, laborers, 2½ days, \$12.50 each; J. O'Brien, laborer, 3 days, \$15; W. Owen, laborer, 2 days, \$10; G. Freedman, teamster-chauffeur, 3½ days, \$19.25; S. Doherty, teamster-chauffeur, 3 days, \$15; Martin Davern, teamster-chauffeur, 1 day, \$5.50; Charles Haid, teamster-chauffeur, 1 day, \$5; Thomas Monohan, teamster-chauffeur, 1 day, \$5.25; J. C. -Bresnahan, teamster-laborer, 1 day, \$5; Edward Casey, Daniel Collins, James Crowell, Martin Dolan, teamsters-laborers, 1 day, \$5 each; John Gately, teamster-laborer, 2½ days, \$12.50; James Hurley, teamster-laborer, 1 day, \$5; Thomas Kilroy, teamster-laborer, ½ day, \$2.50; J. J. Murray, William McCarthy, teamsters-laborers, 1 day, \$5 each; John Shine, teamster-laborer, 2 days, \$10; Charles Walthers, P. Kennedy, teamsters-laborers, 1 day, \$5 each; E. Currie, teamster-chauffeur, 5½ days, \$30.25; B. F. O'Rourke, teamster-chauffeur, 4½ days, \$26.12; William C. Hughes, carpenter, 4½ days, \$27; G. E. Campbell, blacksmith, 4½ days, \$28.50; J. M. O'Leary, blacksmith-wheelwright, 5 days, \$30; J. F. Beath, drillman repairer, 4½ days, \$27; T. P. McGrath, blacksmith's assistant, 4 days, \$22; J. J. O'Neil, blacksmith, 4½ days, \$26.12; F. W. Mendum, wagon repairer, 2½ days, \$15.81; J. A. Donovan, plow repairer, 4½ days, \$24.37; T. F. Kelly, assistant storekeeper, 4½ days, \$22.50; P. DiBartholomeo, horseshoer-blacksmith, 2½ days, \$12.75; John O'Neill, temporary wheelwright-carpenter, 3½ days, \$21; C. H. Melendy, stableman, 2 days, \$10; J. J. Best, R.

H. Brown, teamsters-chauffeurs, 2½ days, \$14.44 each; B. A. Clements, teamster-chauffeur, 2 days, \$11; N. A. Cornwell, teamster-chauffeur, 1½ days, \$8.25; D. Cunningham, teamster-chauffeur, 2 days, \$11; P. Napoletano, A. B. Nuzzo, teamsters-chauffeurs, 2½ days, \$14.44 each; D. C. O'Loughlin, teamster-chauffeur, 3 days, \$16.50; A. Andrews, J. J. Sweeney, teamsters-chauffeurs, 2 days, \$10.50 each; G. D. Harrington, teamster-chauffeur, 2 days, \$10; R. A. Hurley, teamster-chauffeur, 1½ days, \$10.75; J. J. Meads, R. J. Nugent, teamsters-chauffeurs, 2 days, \$10 each; J. H. Burns, C. B. Capillo, teamsters-laborers, 1½ days, \$7.50 each; J. A. Collins, teamster-laborer, ½ day, \$2.50; P. J. Connolly, M. J. Connors, M. Cronin, D. J. Dalton, J. DeLuca, J. DiPasquale, P. H. Feeney, J. A. Foley, P. H. P. Furey, T. J. Gallagher, J. P. Gilligan, W. J. H. Green, R. E. Griffin, G. Guilfredo, teamsters-laborers, 2 days, \$10 each; C. Joyce, teamster-laborer, 1½ days, \$5.62; E. A. Kehoe, A. J. McDonald, D. P. McLaughlin, J. J. McManamin, M. O'Connell, teamsters-laborers, 2 days, \$10 each; D. A. Palmistesta, teamster-laborer, 1½ days, \$7.50; J. M. Ryan, J. J. Smith, N. P. Smith, J. H. Sullivan, teamsters-laborers, 2 days, \$10 each; A. Rogers, yard laborer, 2 days, \$10; C. Ciacco, E. Goode, G. P. Heath, J. H. Cummings, laborers, 2 days, \$10 each; E. O'Connell, watchman, 2½ days, \$12.50; J. J. Bellew, teamster-chauffeur, 5 days, \$27.50; P. W. Blackadar, teamster-chauffeur, 2½ days, \$13.75; M. T. Cotter, teamster-chauffeur, 3½ days, \$20.28; N. P. Coyle, teamster-chauffeur, 4½ days, \$24.75; T. C. Earl, teamster-chauffeur, 4 days, \$22; M. S. Fontes, T. F. Hunt, teamsters-chauffeurs, 2½ days, \$13.75 each; T. P. Killion, teamster-chauffeur, 4½ days, \$24.75; William P. McNulty, teamster-chauffeur, 4½ days, \$22.69; T. H. Nugent, teamster-chauffeur, 3 days, \$16.50; M. J. Pico, teamster-chauffeur, 5½ days, \$30.94; J. Repucci, teamster-chauffeur, 2½ days, \$13.75; J. F. J. Richardson, teamster-chauffeur, 1 day, \$5.50; T. J. Watson, teamster-chauffeur, 1½ days, \$8.25; W. C. Mackie, teamster-chauffeur, 3 days, \$15.75; T. A. Bowes, teamster-chauffeur, 1 day, \$5; J. F. Cassidy, teamster-chauffeur, 3 days, \$15; J. J. McKenna, teamster-chauffeur, 2½ days, \$12.50; T. L. Patterson, teamster-chauffeur, 3½ days, \$17.50; H. Applebaum, teamster-laborer, 2½ days, \$12.50; J. P. Callahan, teamster-laborer, 3½ days, \$17.50; D. Cashman, teamster-laborer, 4 days, \$20; T. Cassidy, teamster-laborer, 1 day, \$5; J. G. Climo, teamster-laborer, 4 days, \$20; M. J. Clisham, teamster-laborer, 3½ days, \$17.50; J. T. Connor, teamster-laborer, 1 day, \$5; J. J. Corrigan, J. J. Cribben, teamsters-laborers, 2½ days, \$12.50 each; J. P. Crilley, J. J. Cronin, teamsters-laborers, 1 day, \$5 each; J. F. Dargon, F. H. Donahue, teamsters-laborers, 3 days, \$15 each; E. P. Donnelly, E. L. Duffy, C. Fleming, teamsters-laborers, 2½ days, \$12.50 each; M. J. Foley, T. J. Frane, teamsters-laborers, 1 day, \$5 each; William C. Gardner, teamster-laborer, 2½ days, \$12.50; William H. Getz, teamster-laborer, 1½ days, \$7.50; J. Goldstein, teamster-laborer, 3 days, \$15; J. J. Gorman, E. F. Greenhall, teamsters-laborers, 2½ days, \$12.50 each; J. Hegarty, teamster-laborer, 1 day, \$5; P. J. Hession, teamster-laborer, 1½ days, \$7.50; C. J. Hourihan, teamster-laborer, 2½ days, \$12.50; S. S. Jacobs, teamster-laborer, 1 day, \$5; L. F. Keegan, team-

ster-laborer, 2½ days, \$13.12; J. F. King, teamster-laborer, 1 day, \$5; William E. Leary, teamster-laborer, 3 days, \$15; P. C. Lenz, teamster-laborer, 2½ days, \$12.50; A. Luper, teamster-laborer, 4½ days, \$23.12; T. J. Maher, teamster-laborer, 2½ days, \$12.50; J. J. Mahoney, teamster-laborer, 3 days, \$15; S. F. Melia, teamster-laborer, 1½ days, \$7.50; J. F. Miley, teamster-laborer, 2½ days, \$12.50; P. J. Mulligan, teamster-laborer, 1½ days, \$7.50; M. J. McCarthy, teamster-laborer, 2½ days, \$12.50; J. F. McCormack, P. F. McDonough, teamsters-laborers, 1 day, \$5 each; J. J. McEnrue, teamster-laborer, 2½ days, \$12.50; William McManus, teamster-laborer, 3 days, \$15; J. A. McMeniman, teamster-laborer, 1 day, \$5; J. McNally, teamster-laborer, 2½ days, \$12.50; T. P. Noone, teamster-laborer, 3½ days, \$17.50; F. J. O'Brien, teamster-laborer, 3 days, \$15; J. J. O'Driscoll, teamster-laborer, 1 day, \$5; M. O'Meara, teamster-laborer, 1½ days, \$7.50; J. M. Palma, teamster-laborer, 2½ days, \$12.50; William J. Rogers, teamster-laborer, 4½ days, \$23.12; E. P. Rowan, teamster-laborer, 1 day, \$5; P. Shugrue, teamster-laborer, 1½ days, \$7.50; J. F. Sullivan, teamster-laborer, 1 day, \$5; T. J. Sullivan, J. Wilmouth, teamsters-laborers, 2½ days, \$12.50 each; William F. Carmody, yard laborer, 3½ days, \$18.43; M. Gilmore, tallyman, 2½ days, \$12.50; William J. Brady, laborer, 2½ days, \$12.50; William H. Casey, laborer, 4½ days, \$20.62; D. F. Hart, J. Sternberg, laborers, 2½ days, \$12.50 each; Joseph P. Kolf, chauffeur, 1 day, \$5.50. Total, \$4,042.71.

Public Works Department (Sewer Service).

For the week ending Thursday, February 20:

William H. Armstrong, Edmund J. Morgan, William J. Burke, William H. Synnott, masons, 22½ hours, \$19.69 each; Patrick J. Galvin, Jeremiah McCarthy, masons, 23 hours, \$20.13 each; Arthur C. McCauley, brick mason, 23 hours, \$17.25; John R. McCormack, stonecutter, 22½ hours, \$16.88; Leslie F. Perry, brick-mason, 22½ hours, \$16.88; Joseph Fareto, Dennis Callaghan, sewer cleaners, 2 days, \$12 each; John M. Donnelly, sewer cleaner, ½ day, \$3; Michael Mooney, Thomas E. Hanrahan, Thomas Duffy, Leo A. Kilduff, Jeremiah J. Brosnan, John H. Waters, John J. Sullivan, sewer cleaners, 2 days, \$12 each; Daniel J. McKenna, sewer cleaner, 1 day, \$6; Daniel Sullivan, sewer cleaner, 11 hours, \$8.25; Patrick Foley, sewer cleaner, 23 hours, \$17.25; William J. Leary, sewer cleaner, 20 hours, \$15; Charles A. Hussey, Louis Paglia, James F. Giblin, sewer cleaners, 2 days, \$11 each; Thomas F. Connolly, sewer cleaner, 22 hours, \$15.13; John J. Sheehy, chauffeur-mechanic, 34 hours, \$25.50; Joseph F. Burke, chauffeur-mechanic, 18 hours, \$13.50; James J. Doherty, chauffeur, 34 hours, \$23.38; Charles F. Caffrey, Daniel A. Donovan, Cornelius J. Sullivan, Patrick Gallagher, Augustine Frati, Hollis I. Reed, Dana W. Currier, Edward Francis, chauffeurs, 2 days, \$11 each; John J. Duran, chauffeur, 1 day, \$5.50; William B. Aitken, Maurice R. Billotte, chauffeur, 2 days, \$11 each; Martin J. McGovern, chauffeur-laborer, 22 hours, \$15.13; James J. Kelly, teamster-chauffeur, 23 hours, \$15.81; Edgar V. Sargent, chauffeur-laborer, 20 hours, \$13.75; James L. Curry, Jeremiah F. Walsh, Louis Brunetto, Joseph Clougherty,

Peter King, laborers, 2 days, \$10 each; Joseph F. Power, laborer, 1 day, \$5; James J. O'Leary, laborer, ½ day, \$2.50; Martin J. Day, Daniel J. Kane, laborers, 1 day, \$5 each; Francis J. McDonald, laborer, ½ day, \$2.50; Benjamin Deseo, Patrick Beatty, Angelo Lago, Orazio Morganello, laborers, 2 days, \$10 each; Harold T. Hurley, chauffeur-laborer, 2 days, \$10; Matthew J. Moylan, chauffeur-teamster, 2 days, \$10; John J. Shea, laborer, 2 days, \$10; William McCarthy, laborer, 11½ hours, \$7.19; Patrick Dillon, Anthony Carnilla, Pasquale DeAmico, laborers, 22 hours, \$13.75 each; Joseph P. Miley, laborer, 28 hours, \$17.50; John F. Burke, Peter McGowan, laborers, 22 hours, \$13.75 each; James W. Courtney, laborer, 10 hours, \$6.25; Joseph M. Conlon, John Greene, James F. Clark, John O'Callaghan, Joseph Reardon, Pellegrino Collaruso, laborers, 23 hours, \$14.38 each; James Kiley, James J. Culhane, laborers, 1 day, \$5 each; Joseph F. Curtin, laborer-locksmith, 18 hours, \$11.25; Frank P. Toomey, laborer-locksmith, 32 hours, \$20; Edward J. White, yardman, 1½ days, \$7.50; James Riley, chauffeur-laborer, 1½ days, \$8.25. Total, \$981.20.

Public Works Department (Sumner Traffic Tunnel).

For the week ending Tuesday, February 18:

Dennis J. Galvin, chauffeur, 1 day, \$5.25.

Public Works Department (Water Service).

For the week ending Tuesday, February 18:

F. Cassidy, chauffeur, 2½ days, \$14.44; J. P. O'Hara, chauffeur, 2 days, \$11.50; F. DeAngelo, repairer 1½ days, \$7.50; J. McGregor, repairer, 2½ days, \$16.50; William O'Hara, repairer, 1½ days, \$6.75; J. McGovern, repairer, 2½ days, \$15.82; J. Carlin, repairer, 1½ days, \$6.56; J. Grant, repairer, 2½ days, \$14.44; J. Kenney, repairer, 1½ days, \$6.56; E. F. O'Brien, repairer, 1½ days, \$7.85; J. E. O'Brien, repairer, 1½ days, \$5.91; J. Murphy, machinist, 2½ days, \$15.75; Joseph Sullivan, machinist, 2½ days, \$15.10; F. Higgins, machinist, 2½ days, \$15.10; J. Dillon, laborer, 2½ days, \$13.13; B. Meehan, laborer, 1½ days, \$6.88; G. Ryan, laborer, 2½ days, \$13.75; M. Keene, laborer, 2½ days, \$13.13. Total, \$206.70.

For the week ending Thursday, February 20:

J. Murphy, machinist, 2½ days, \$15.75; J. Sullivan, F. Higgins, machinists, 2½ days, \$15.10 each; F. DeAngelo, repairer, 1½ days, \$7.50; J. McGregor, repairer, 2½ days, \$16.50; W. O'Hara, repairer, 1½ days, \$6.75; J. McGovern, repairer, 2½ days, \$15.82; J. Carlin, repairer, 1½ days, \$6.56; J. Grant, repairer, 2½ days, \$14.44; J. Kenney, repairer, 1½ days, \$6.56; E. O'Brien, repairer, 1½ days, \$6.56; E. F. O'Brien, repairer, 1½ days, \$5.91; F. Cassidy, chauffeur, 2½ days, \$14.44; P. O'Hara, chauffeur, 2 days, \$11.50; J. Dillon, M. Keene, laborers, 2½ days, \$13.13 each; B. Meehan, laborer, 1½ days, \$6.88; G. Ryan, laborer, 2½ days, \$13.75. Total, \$206.70.

POLICE DEPARTMENT ORDERS.

General Order No. 147.

The Superintendent of Police is hereby directed to make the following details for duty at the Special Primary on Tues-

day, February 25, 1936, to be held in Ward 22 of this city:

1. The necessary number of patrolmen from Police Division 14, to attend the several polling places in that division on Special Primary Day, February 25, 1936, to preserve order and protect voters in the full exercise of their rights.

2. One sergeant to report at the office of the Board of Election Commissioners, City Hall Annex, Court square, in ample season, prepared to proceed from that place at 7.30 o'clock a. m., Tuesday, February 25, 1936, in a motor vehicle to be provided for the purpose, with ballot boxes, etc., to the sixteen precincts in Ward 22, and deliver same to the police officer detailed in each precinct.

3. One patrolman to each of the sixteen precincts in Ward 22 at the hours hereinafter stated, Tuesday, February 25, to receive ballot boxes, etc., from sergeant detailed on truck, in such case provided; such detail to continue until the ballots are counted and the result declared. They are then to bring the ballots and returns to the Election Commissioners' office on Tuesday, February 25, 1936.

4. Hours set for officers, so detailed, to report at precincts in Ward 22, on February 25, 1936:

Precincts 1, 2, 3, 4 and 5, 8.15 a. m.

Precincts 6, 7, 8 and 9, 8.30 a. m.

Precincts 10, 11, 12, 15 and 16, 8.40 a. m.

Precincts 13 and 14, 9 a. m.

5. The commanding officer concerned will take notice that it is of the greatest importance, also, that the patrolmen herein detailed report at the polling places in the various precincts promptly according to schedule.

Failure for any reason of an officer to be on hand at a polling place at the appointed time delays the sergeant on the motor vehicle in his delivery of the ballot boxes, ballots, etc., and interferes, as is plainly seen, with the balance of the delivery schedule.

6. Cards with the ward and precinct number and location of voting booth printed thereon have been forwarded to the police division concerned, on which the division commander will write the name, the division number, and the number of the officer detailed at the time stated on the morning of February 25, at the voting booth of each respective precinct on his division. This card, to be given to the officer so detailed at the voting booth, will be retained in his possession until delivered by him to an employee of the Board of Election Commissioners, who will arrive accompanying a sergeant on motor vehicle from the Election Commissioners' office on the morning of February 25, with ballot boxes, etc., as hereinbefore stated. This card, when returned by such employee to the office of the Election Commissioners will be its receipt that the ballot boxes, ballots, etc., have arrived at their proper destination.

7. On receipt by the patrolman from the sergeant, detailed on motor vehicle, as herein provided, of registering ballot box, voting lists and such other documents as may have been received from Election Commissioners' office, the patrolman detailed at polling place will deliver same to the warden or clerk of the precinct, allowing no person to take or examine them before such delivery, and hand the key of the registering ballot box to the warden. On delivery of the ballots to the warden, the patrolman will take from him a receipt for the

ballots, which receipt will be returned to the Election Commissioners.

8. After the warden has opened the box and allowed the election officers and the public to see that it is empty, the box is to be again locked and the key given to the patrolman who is to retain it until after the polls have closed, except that, at the request of the warden, the patrolman may allow him to open the box for the purpose of pressing down the ballots, in order to make room for more ballots, after which the patrolman will see that the box is again locked and the key returned to the police officer.

9. The patrolman will obtain from the warden copies of poster, which will be sent to the latter, in relation to smoking and the use of liquor in polling places, and post same in conspicuous places where they may be easily read. Tacks will be sent for the purpose.

10. The warden will deliver to the patrolman detailed at the polling booth for his use at that place a copy of the descriptive voting list, which must be returned to the warden at the close of the polls.

11. When the polls are opened the patrolman will mark in the place indicated on the tag attached to the key the figures which the register shows before any ballots are cast.

12. At 8 p. m., Tuesday, February 25, 1936, when the polls close, a sergeant will report in Ward 22, to meet motor vehicle at last point of morning distribution; thence to proceed to each of the several precincts in Ward 22, and receive registering ballot box (which must be locked) and key thereof, voting lists envelope, signed by the warden and other election officers, unused ballot envelope, sealed and certified (containing unused and spoiled ballots), stamps for marking spoiled ballots, and receipts for ballots and check lists, carry them to the Election Commissioners' office and deliver same to some member of the Board of Election Commissioners.

13. When the polls are closed the patrolman will mark on the same tag the figures which the register shows after all ballots have been cast. He will then hand the key to the warden, who will open the box and take out all the ballots to be sorted and counted. The warden will then cause the voting lists, including the list used by the police officer, to be sealed up in an envelope, the envelope to be certified by the signatures of himself and other election officers, and the same returned to the Election Commissioners, as described in section 12 of this order. The patrolman will not allow this envelope to be put into the ballot box. The sergeant, who will report on motor vehicle, will keep it about his person until delivery at the office of the Election Commissioners.

14. It is important that the patrolman sees that the voting lists envelope is signed by the warden, clerk and all the inspectors. The patrolman will also see that the special book for signatures of voters is returned in the registering ballot box.

15. In case a patrolman is detailed to relieve another after the close of the polls, the commanding officer will see that he is instructed as to the duty of bringing the official returns, the box of ballots cast, and the press return to the Election Commissioners' office as soon as they are delivered to him by the election officers.

16. When the ballots have all been

counted the ballots thus counted, tally sheets and nothing else (the ballots to be in their separate party envelopes), shall be placed by the warden in the leatheroid box sent for that purpose, which must be sealed up and signed by all the election officers. The patrolman will particularly see that this box is properly sealed up and that all the election officers have signed their names to the certificate on the box. The patrolman will then bring the box, official return, record book, press return and stamps for marking defective ballots to the City Hall Annex, Court square, and deliver same to the Election Commissioners. The patrolman is directed not to allow the official return or record book to be placed in the leatheroid box.

17. While the polls remain open an officer of rank will visit the polling place in each precinct of Ward 22, at stated intervals, to be designated by the captain of Division 14, and in case of any disturbance will report the fact to the commanding officer at the station house without delay. If additional men are needed beyond the number available in that division, the officer in charge will communicate immediately with headquarters.

18. Attention is called to the fact that the polls at the Special Primary in Ward 22 on Tuesday, February 25, 1936, shall open at 10 o'clock a. m., and close at 8 o'clock p. m.

19. The commanding officer of Division 14 will see that the officers detailed for duty on Special Primary Day are furnished with a copy of the circular issued by the Board of Election Commissioners, entitled: "Instructions to Police Officers on Primary . . . Days."

20. The counting of ballots will be done on one table, only, with two inspectors counting and two inspectors watching the count.

NOTES.

1. Attention is again called to the last paragraph of the circular, "Instructions to Police Officers on Primary . . . Days," which reads: "The police officer is directed not to allow the official return or record book to be placed in the leatheroid box."

That this may not happen in any of the precincts of Ward 22 at the coming Special Primary, the officer of rank who will visit the polling places of the division (provided for in section 17 of this order) shall at an appropriate time call to the attention of the police officer and of the warden on duty at the polls that the official return and record book are not to be placed in the leatheroid box.

They shall be handed to the police officer who will deliver them as set out in the paragraph immediately following.

2. The officer going to the office of the Board of Election Commissioners with the leatheroid box, after the counting of the ballots, will take with him, in a separate package, the official return and record book, which he shall safely deliver to the Election Commissioners with the leatheroid box, as provided in section 16 of this order.

3. The police shall enforce the order that smoking is prohibited within the confines of the polling places during the entire day, while the polls are open, as well as after they are closed.

Particular attention by officers on duty at the polls will be shown to this.

IMPORTANT.

The following additional matter has been brought particularly to the attention of the Police Commissioner, in writing, by the Board of Election Commissioners:

"May we further ask that an additional police officer be detailed outside of each of the sixteen (16) polling places. This request is made to prevent continued violations of the election laws relative to the distribution of campaign literature within 150 feet of a polling place; and to remedy conditions at polling places which in the past have brought complaints from voters, who stated that their exits and entrances were hampered by campaign workers and loiterers outside the polling places."

The Superintendent of Police will promulgate this order.

EUGENE M. MCSWEENEY,
Commissioner.

FIRE DEPARTMENT ORDERS.

General Order No. 14.

I. ANNUAL BALL.

The fifty-seventh annual ball of the Boston Fire and Protective Departments will be held on Monday evening, February 24, 1936, at the Boston Garden. It is hoped that this ball will be the most successful, both financially and socially, in the history of the Boston Fire Department. This can be best accomplished by every member of the department doing his part in aiding the Ball Committee which has been untiring in its efforts. The ball last year was a success financially and in attendance because of the cooperation shown by the members of the department.

The commissioner has taken a very personal interest in the ball again this year and looks forward to the same cooperation which was received last year. He has arranged a special concert to be given by the Boston Fire Department Band from 8 to 9 o'clock. Special numbers have been prepared and the instructors of the band have worked hard in preparation of this occasion. It is the commissioner's earnest desire that the members of the Fire Department and their families appear at the ball on that evening and enjoy the program which has been prepared.

One of the important features and attractions of the ball is the grand march. The commissioner is most anxious that this march be a representative one and that all members of the department who are off duty will participate. He expects that every officer who is off duty, deputy chiefs, district chiefs, captains, lieutenants, as well as privates, will appear in uniform and take part in the march. It should be remembered by every member of the department that the annual ball is conducted for the benefit of the Boston Firemen's Relief Fund, of which each man and his family is a beneficiary. It is the duty and obligation of each member of the department to do his part to make the ball a success. The commissioner looks forward to seeing the largest representation of officers and men in uniform in the grand march than ever before.

The floor marshal is Edward J. C. Powers of Ladder Company 8. The chief of aides is Captain John H. Leary of Ladder Company 12. Members of

the department detailed to the ball will report to the chief of aides, Boston Garden, at 7 p. m., Monday, February 24, 1936, unless otherwise ordered.

Trustees, aides and members detailed to the ball will be granted detailed leave from 4 p. m. February 24 to 8 a. m. February 25, 1936.

Members detailed will attend strictly to the duties assigned to them.

Members of the band who are on the day tour of duty will be relieved at 4 p. m. Members of the band who are on the night tour of duty will be excused from roll call and will report back to company quarters at 2 a. m., February 25. Members of the band who are on a twenty-four-hour tour of duty will be excused from 4 p. m. February 24 to 2 a. m. February 25. Members of the band will report at Boston Garden at 7 p. m. and enter from Nashua street directly opposite the Post Office. A special room is reserved in the Garden for the checking of clothes and instruments. No one but members of the band will be allowed in this room. Ladies and others will not be allowed to enter.

For officers, regulation uniform, sack coat and white gloves will be worn. For privates, regulation uniform, sack coats, black shirt and tie and white gloves will be worn on this occasion. This applies to all privates in uniform whether acting as aides or not.

II. JAMES E. GOODE.

It is with deep regret that the Fire Commissioner announces the death on February 17, 1936, of Ladderman James E. Goode of Ladder Company 29. Ladderman Goode was appointed to the department on September 6, 1918.

The funeral was held from his late residence at 120 Belnel road, Mattapan, at 8 a. m. February 20, 1936, followed by services at the church of the Most Precious Blood, Hyde Park. The chief of department made the customary detail to act as a funeral escort and the members of Ladder Company 29 were excused from duty in order to attend the funeral.

III. TRANSFERS.

The following transfers are hereby announced, to take effect at 8 a. m. February 23, 1936:

Frank A. Fitzgerald, from Engine 7 to Ladder 23; Walter E. Kelley, from Ladder 23 to Engine 7.

IV. BOSTON AUTOMATIC FIRE ALARM.

The following signal number of the Boston Automatic Fire Alarm Company has been discontinued as of February 17, 1936:

Signal No. 238; Building, 116-126 Merimac street.

V. COMMENDATIONS.

Hoseman Ernest L. Alexander of Engine Company 5 is hereby commended for responding to and working at fire, Box 12-6186, second alarm, February 14, 1936, while off duty.

Ladderman Ralph M. Dean of Ladder Company 31 is hereby commended for responding to and working at fire, Box 12-6186, second alarm, February 14, 1936, while off duty.

By order of Fire Commissioner EDWARD F. McLAUGHLIN.

HENRY A. FOX,
Chief of Department.

ADDITIONS TO CONTRACT.

PUBLIC BUILDINGS DEPARTMENT.

Daniel Cunningham Construction Company, Incorporated, has been allowed to make changes in the contract for repairs at the Quincy Market as follows: Use wood posts and bracing to support construction instead of brick piers as shown on revised plans 02D-02E, substitute Weatherwood insulation as equal to and suitable for purpose of material specified, rearrange frame structure for temporary use as shown by revised plans 02A, 02B, 02C, insulate inside of exterior walls of revised Unit C of temporary quarters, with 1-inch Weatherwood insulation, or equal, similar to that used in Units A and B, and omit the staining of interior woodwork in C, add \$210.43; extend date of completion from December 21, 1936, to December 31, 1936, on account of labor trouble January 9, 1936, to January 20, 1936, ten days' extension, install plumbing in section K as shown on revised drawing 03A dated January 13, 1936, and as per schedule, add \$729.52; omit women's toilet, first floor, section D, deduct \$679.85; change structural steel work as shown by revised drawing F-6 dated December 24, 1935, and schedule prepared by J. R. Worcester & Co. dated December 17, 1935, add \$656.84. Net addition, \$916.94, and the amount of \$916.94 will be added therefor, making the account as follows: Contract price, \$375,400; total additions, \$916.94; amount of contract, \$376,316.94.

CONTRACT AMENDED.

The Bethlehem Shipbuilding Corporation, Limited, has been allowed to amend the contract for repairs to steamer "Stephen J. O'Meara" as follows: Torch entire bottom of hull below the upper guard, wire-brush surface and apply one extra coat of good copper paint, \$160; secure steering engine to hull of vessel, build transom under the fore and aft end of steering engine, and properly secure to hull with non-corrosive metal fastening, engine to be secured to this transom in the same manner, \$350; advance main shaft 1/8 inch to line-up piston, \$120; straighten propeller blades on outer edges, \$70; skim off H. P. and I. P. piston rods to insure good surface for metallic packing, \$75; overhaul metal packing on two low-pressure valve stems and low-pressure piston rods, \$120; repacking stern gland, \$35; replace and refasten retaining plate on bottom of rudder post trunk, \$30; take low-pressure piston rod to shop for machining, \$70; removal of low-pressure valve stem rod and remachining, \$110; calk and make tight, not to exceed three, stay bolts in boiler, \$5-\$1,145. The contractor shall furnish all labor and materials necessary for doing the work set forth in said items and the city shall allow in full payment thereof the sums set forth therein. It is further agreed that the time for completion of said contract be, and hereby is, extended to and including March 2, 1936.

CITY PURCHASING UNDER THE CODES.

Caught between two fires, American cities are feeling the influence of the National Industrial Recovery Act codes in their purchasing in a way they had not foreseen. On one side taxpayers ask for economy in budget-making. On the other, application of codes, which has resulted in collective price-fixing, has increased prices of supplies for city use to an almost prohibitive point.

day, February 25, 1936, to be held in Ward 22 of this city:

1. The necessary number of patrolmen from Police Division 14, to attend the several polling places in that division on Special Primary Day, February 25, 1936, to preserve order and protect voters in the full exercise of their rights.

2. One sergeant to report at the office of the Board of Election Commissioners, City Hall Annex, Court square, in ample season, prepared to proceed from that place at 7.30 o'clock a. m., Tuesday, February 25, 1936, in a motor vehicle to be provided for the purpose, with ballot boxes, etc., to the sixteen precincts in Ward 22, and deliver same to the police officer detailed in each precinct.

3. One patrolman to each of the sixteen precincts in Ward 22 at the hours hereinafter stated, Tuesday, February 25, to receive ballot boxes, etc., from sergeant detailed on truck, in such case provided; such detail to continue until the ballots are counted and the result declared. They are then to bring the ballots and returns to the Election Commissioners' office on Tuesday, February 25, 1936.

4. Hours set for officers, so detailed, to report at precincts in Ward 22, on February 25, 1936:

Precincts 1, 2, 3, 4 and 5, 8.15 a. m.

Precincts 6, 7, 8 and 9, 8.30 a. m.

Precincts 10, 11, 12, 15 and 16, 8.40 a. m.

Precincts 13 and 14, 9 a. m.

5. The commanding officer concerned will take notice that it is of the greatest importance, also, that the patrolmen herein detailed report at the polling places in the various precincts promptly according to schedule.

Failure for any reason of an officer to be on hand at a polling place at the appointed time delays the sergeant on the motor vehicle in his delivery of the ballot boxes, ballots, etc., and interferes, as is plainly seen, with the balance of the delivery schedule.

6. Cards with the ward and precinct number and location of voting booth printed thereon have been forwarded to the police division concerned, on which the division commander will write the name, the division number, and the number of the officer detailed at the time stated on the morning of February 25, at the voting booth of each respective precinct on his division. This card, to be given to the officer so detailed at the voting booth, will be retained in his possession until delivered by him to an employee of the Board of Election Commissioners, who will arrive accompanying a sergeant on motor vehicle from the Election Commissioners' office on the morning of February 25, with ballot boxes, etc., as hereinbefore stated. This card, when returned by such employee to the office of the Election Commissioners will be its receipt that the ballot boxes, ballots, etc., have arrived at their proper destination.

7. On receipt by the patrolman from the sergeant, detailed on motor vehicle, as herein provided, of registering ballot box, voting lists and such other documents as may have been received from Election Commissioners' office, the patrolman detailed at polling place will deliver same to the warden or clerk of the precinct, allowing no person to take or examine them before such delivery, and hand the key of the registering ballot box to the warden. On delivery of the ballots to the warden, the patrolman will take from him a receipt for the

ballots, which receipt will be returned to the Election Commissioners.

8. After the warden has opened the box and allowed the election officers and the public to see that it is empty, the box is to be again locked and the key given to the patrolman who is to retain it until after the polls have closed, except that, at the request of the warden, the patrolman may allow him to open the box for the purpose of pressing down the ballots, in order to make room for more ballots, after which the patrolman will see that the box is again locked and the key returned to the police officer.

9. The patrolman will obtain from the warden copies of poster, which will be sent to the latter, in relation to smoking and the use of liquor in polling places, and post same in conspicuous places where they may be easily read. Tacks will be sent for the purpose.

10. The warden will deliver to the patrolman detailed at the polling booth for his use at that place a copy of the descriptive voting list, which must be returned to the warden at the close of the polls.

11. When the polls are opened the patrolman will mark in the place indicated on the tag attached to the key the figures which the register shows before any ballots are cast.

12. At 8 p. m., Tuesday, February 25, 1936, when the polls close, a sergeant will report in Ward 22, to meet motor vehicle at last point of morning distribution; thence to proceed to each of the several precincts in Ward 22, and receive registering ballot box (which must be locked) and key thereof, voting lists envelope, signed by the warden and other election officers, unused ballot envelope, sealed and certified (containing unused and spoiled ballots), stamps for marking spoiled ballots, and receipts for ballots and check lists, carry them to the Election Commissioners' office and deliver same to some member of the Board of Election Commissioners.

13. When the polls are closed the patrolman will mark on the same tag the figures which the register shows after all ballots have been cast. He will then hand the key to the warden, who will open the box and take out all the ballots to be sorted and counted. The warden will then cause the voting lists, including the list used by the police officer, to be sealed up in an envelope, the envelope to be certified by the signatures of himself and other election officers, and the same returned to the Election Commissioners, as described in section 12 of this order. The patrolman will not allow this envelope to be put into the ballot box. The sergeant, who will report on motor vehicle, will keep it about his person until delivery at the office of the Election Commissioners.

14. It is important that the patrolman sees that the voting lists envelope is signed by the warden, clerk and all the inspectors. The patrolman will also see that the special book for signatures of voters is returned in the registering ballot box.

15. In case a patrolman is detailed to relieve another after the close of the polls, the commanding officer will see that he is instructed as to the duty of bringing the official returns, the box of ballots cast, and the press return to the Election Commissioners' office as soon as they are delivered to him by the election officers.

16. When the ballots have all been

counted the ballots thus counted, tally sheets and nothing else (the ballots to be in their separate party envelopes), shall be placed by the warden in the leatheroid box sent for that purpose, which must be sealed up and signed by all the election officers. The patrolman will particularly see that this box is properly sealed up and that all the election officers have signed their names to the certificate on the box. The patrolman will then bring the box, official return, record book, press return and stamps for marking defective ballots to the City Hall Annex, Court square, and deliver same to the Election Commissioners. The patrolman is directed not to allow the official return or record book to be placed in the leatheroid box.

17. While the polls remain open an officer of rank will visit the polling place in each precinct of Ward 22, at stated intervals, to be designated by the captain of Division 14, and in case of any disturbance will report the fact to the commanding officer at the station house without delay. If additional men are needed beyond the number available in that division, the officer in charge will communicate immediately with headquarters.

18. Attention is called to the fact that the polls at the Special Primary in Ward 22 on Tuesday, February 25, 1936, shall open at 10 o'clock a. m., and close at 8 o'clock p. m.

19. The commanding officer of Division 14 will see that the officers detailed for duty on Special Primary Day are furnished with a copy of the circular issued by the Board of Election Commissioners, entitled: "Instructions to Police Officers on Primary . . . Days."

20. The counting of ballots will be done on one table, only, with two inspectors counting and two inspectors watching the count.

NOTES.

1. Attention is again called to the last paragraph of the circular, "Instructions to Police Officers on Primary . . . Days," which reads: "The police officer is directed not to allow the official return or record book to be placed in the leatheroid box."

That this may not happen in any of the precincts of Ward 22 at the coming Special Primary, the officer of rank who will visit the polling places of the division (provided for in section 17 of this order) shall at an appropriate time call to the attention of the police officer and of the warden on duty at the polls that the official return and record book are not to be placed in the leatheroid box.

They shall be handed to the police officer who will deliver them as set out in the paragraph immediately following.

2. The officer going to the office of the Board of Election Commissioners with the leatheroid box, after the counting of the ballots, will take with him, in a separate package, the official return and record book, which he shall safely deliver to the Election Commissioners with the leatheroid box, as provided in section 16 of this order.

3. The police shall enforce the order that smoking is prohibited within the confines of the polling places during the entire day, while the polls are open, as well as after they are closed.

Particular attention by officers on duty at the polls will be shown to this.

IMPORTANT.

The following additional matter has been brought particularly to the attention of the Police Commissioner, in writing, by the Board of Election Commissioners:

"May we further ask that an additional police officer be detailed outside of each of the sixteen (16) polling places. This request is made to prevent continued violations of the election laws relative to the distribution of campaign literature within 150 feet of a polling place; and to remedy conditions at polling places which in the past have brought complaints from voters, who stated that their exits and entrances were hampered by campaign workers and loiterers outside the polling places."

The Superintendent of Police will promulgate this order.

EUGENE M. MCSWEENEY,
Commissioner.

FIRE DEPARTMENT ORDERS.

General Order No. 14.

I. ANNUAL BALL.

The fifty-seventh annual ball of the Boston Fire and Protective Departments will be held on Monday evening, February 24, 1936, at the Boston Garden. It is hoped that this ball will be the most successful, both financially and socially, in the history of the Boston Fire Department. This can be best accomplished by every member of the department doing his part in aiding the Ball Committee which has been untiring in its efforts. The ball last year was a success financially and in attendance because of the cooperation shown by the members of the department.

The commissioner has taken a very personal interest in the ball again this year and looks forward to the same co-operation which was received last year. He has arranged a special concert to be given by the Boston Fire Department Band from 8 to 9 o'clock. Special numbers have been prepared and the instructors of the band have worked hard in preparation of this occasion. It is the commissioner's earnest desire that the members of the Fire Department and their families appear at the ball on that evening and enjoy the program which has been prepared.

One of the important features and attractions of the ball is the grand march. The commissioner is most anxious that this march be a representative one and that all members of the department who are off duty will participate. He expects that every officer who is off duty, deputy chiefs, district chiefs, captains, lieutenants, as well as privates, will appear in uniform and take part in the march. It should be remembered by every member of the department that the annual ball is conducted for the benefit of the Boston Firemen's Relief Fund, of which each man and his family is a beneficiary. It is the duty and obligation of each member of the department to do his part to make the ball a success. The commissioner looks forward to seeing the largest representation of officers and men in uniform in the grand march than ever before.

The floor marshal is Edward J. C. Powers of Ladder Company 8. The chief of aides is Captain John H. Leary of Ladder Company 12. Members of

the department detailed to the ball will report to the chief of aides, Boston Garden, at 7 p. m., Monday, February 24, 1936, unless otherwise ordered.

Trustees, aides and members detailed to the ball will be granted detailed leave from 4 p. m. February 24 to 8 a. m. February 25, 1936.

Members detailed will attend strictly to the duties assigned to them.

Members of the band who are on the day tour of duty will be relieved at 4 p. m. Members of the band who are on the night tour of duty will be excused from roll call and will report back to company quarters at 2 a. m., February 25. Members of the band who are on a twenty-four-hour tour of duty will be excused from 4 p. m. February 24 to 2 a. m. February 25. Members of the band will report at Boston Garden at 7 p. m. and enter from Nashua street directly opposite the Post Office. A special room is reserved in the Garden for the checking of clothes and instruments. No one but members of the band will be allowed in this room. Ladies and others will not be allowed to enter.

For officers, regulation uniform, sack coat and white gloves will be worn. For privates, regulation uniform, sack coats, black shirt and tie and white gloves will be worn on this occasion. This applies to all privates in uniform whether acting as aides or not.

II. JAMES E. GOODE.

It is with deep regret that the Fire Commissioner announces the death on February 17, 1936, of Ladderman James E. Goode of Ladder Company 29. Ladderman Goode was appointed to the department on September 6, 1918.

The funeral was held from his late residence at 120 Belnel road, Mattapan, at 8 a. m. February 20, 1936, followed by services at the church of the Most Precious Blood, Hyde Park. The chief of department made the customary detail to act as a funeral escort and the members of Ladder Company 29 were excused from duty in order to attend the funeral.

III. TRANSFERS.

The following transfers are hereby announced, to take effect at 8 a. m. February 23, 1936:

Frank A. Fitzgerald, from Engine 7 to Ladder 23; Walter E. Kelley, from Ladder 23 to Engine 7.

IV. BOSTON AUTOMATIC FIRE ALARM.

The following signal number of the Boston Automatic Fire Alarm Company has been discontinued as of February 17, 1936:

Signal No. 238; Building, 116-126 Merimac street.

V. COMMENDATIONS.

Hoseman Ernest L. Alexander of Engine Company 5 is hereby commended for responding to and working at fire, Box 12-6186, second alarm, February 14, 1936, while off duty.

Ladderman Ralph M. Dean of Ladder Company 31 is hereby commended for responding to and working at fire, Box 12-6186, second alarm, February 14, 1936, while off duty.

By order of Fire Commissioner EDWARD F. McLAUGHLIN.

HENRY A. FOX,
Chief of Department.

ADDITIONS TO CONTRACT.

PUBLIC BUILDINGS DEPARTMENT.

Daniel Cunningham Construction Company, Incorporated, has been allowed to make changes in the contract for repairs at the Quincy Market as follows: Use wood posts and bracing to support construction instead of brick piers as shown on revised plans 02D-02E, substitute Weatherwood insulation as equal to and suitable for purpose of material specified, rearrange frame structure for temporary use as shown by revised plans 02A, 02B, 02C, insulate inside of exterior walls of revised Unit C of temporary quarters, with 1-inch Weatherwood insulation, or equal, similar to that used in Units A and B, and omit the staining of interior woodwork in C, add \$210.43; extend date of completion from December 21, 1936, to December 31, 1936, on account of labor trouble January 9, 1936, to January 20, 1936, ten days' extension, install plumbing in section K as shown on revised drawing 03A dated January 13, 1936, and as per schedule, add \$729.52; omit women's toilet, first floor, section D, deduct \$679.85; change structural steel work as shown by revised drawing F-6 dated December 24, 1935, and schedule prepared by J. R. Worcester & Co. dated December 17, 1935, add \$656.84. Net addition, \$916.94, and the amount of \$916.94 will be added therefor, making the account as follows: Contract price, \$375,400; total additions, \$916.94; amount of contract, \$376,316.94.

CONTRACT AMENDED.

The Bethlehem Shipbuilding Corporation, Limited, has been allowed to amend the contract for repairs to steamer "Stephen J. O'Meara" as follows: Torch entire bottom of hull below the upper guard, wire-brush surface and apply one extra coat of good copper paint, \$160; secure steering engine to hull of vessel, build transom under the fore and aft end of steering engine, and properly secure to hull with non-corrosive metal fastening, engine to be secured to this transom in the same manner, \$350; advance main shaft 1/8 inch to line-up piston, \$120; straighten propeller blades on outer edges, \$70; skim off H. P. and I. P. piston rods to insure good surface for metallic packing, \$75; overhaul metal packing on two low-pressure valve stems and low-pressure piston rods, \$120; repacking stern gland, \$35; replace and refasten retaining plate on bottom of rudder post trunk, \$30; take low-pressure piston rod to shop for machining, \$70; removal of low-pressure valve stem rod and remachining, \$110; calk and make tight, not to exceed three, stay bolts in boiler, \$5-\$1,145. The contractor shall furnish all labor and materials necessary for doing the work set forth in said items and the city shall allow in full payment thereof the sums set forth therein. It is further agreed that the time for completion of said contract be, and hereby is, extended to and including March 2, 1936.

CITY PURCHASING UNDER THE CODES.

Caught between two fires, American cities are feeling the influence of the National Industrial Recovery Act codes in their purchasing in a way they had not foreseen. On one side taxpayers ask for economy in budget-making. On the other, application of codes, which has resulted in collective price-fixing, has increased prices of supplies for city use to an almost prohibitive point.

CONTRACTS AWARDED.

Permission to award contracts for work, materials and supplies, in accordance with recommendations of department heads, has been approved by the Mayor.

SUPPLY DEPARTMENT.

Upon February 24 the Acting Mayor approved the request for permission to award contracts to lowest bidders, as indicated, for butter, eggs, etc., for the various city departments during March, 1936. The approximate totals of awards were as follows:

Lewis-Mears Company, \$6,309.63; Swift & Co., \$6,139.70; Batchelder & Snyder Company, Incorporated, \$126.75; Armour & Co., \$65.57. Total, \$12,641.65.

Bids, opened February 19, were as follows:

Approximate Amounts on All Items.

650 Cases, 19,500 Dozen, Nearby Fresh Henney Eggs, Per Dozen.—Lewis-Mears Company, 30.9 cents*; Batchelder & Snyder Company, Incorporated, 31 cents; Swift & Co., 30.90 cents.

32 Cases, 960 Dozen, Boston First Eggs, Per Dozen.—Lewis-Mears Company, 27.8 cents*; Batchelder & Snyder Company, Incorporated, 28 cents; Swift & Co., 27.90 cents.

216 Tubs, 13,824 Pounds, 90-Score Butter, Per Pound.—Armour & Co., 37.85 cents; Lewis-Mears Company, 37.8 cents; Batchelder & Snyder Company, Incorporated, 39.50 cents; Swift & Co., 37.63 cents.*

40 Tubs, 2,560 Pounds, 88-Score Butter, Per Pound.—Armour & Co., 36.85 cents; Lewis-Mears Company, 36.8 cents; Batchelder & Snyder Company, Incorporated, 37.50 cents; Swift & Co., 36.63 cents.*

45 Boxes, Philadelphia Cream Cheese, 12 3-Ounce Packages to Box, Per Box.—Armour & Co., 78 cents*; Lewis-Mears

Company, 85 cents; Batchelder & Snyder Company, Incorporated, 85 cents.

10 Pounds Cream Cheese in 5-Pound Bricks, Per Pound.—Armour & Co., 26.86 cents*; Lewis-Mears Company, 27 cents; Batchelder & Snyder Company, Incorporated, 30 cents.

50 Pounds Young America Cheese, Per Pound.—Armour & Co., 18.36 cents*; Lewis-Mears Company, 18.75 cents; Batchelder & Snyder Company, Incorporated, 23 cents.

75 Pounds Pimento Cheese, Per Pound.—Armour & Co., 23.47 cents; Lewis-Mears Company, 23 cents*; Batchelder & Snyder Company, Incorporated, 24.50 cents.

650 Pounds Medium Old Yellow Cheddar Cheese, Per Pound.—Armour & Co., 19.86 cents; Lewis-Mears Company, 21 cents; Batchelder & Snyder Company, Incorporated, 19.50 cents.*

120 Pounds Puff Paste Compound, Per Pound.—Armour & Co., 15.50 cents*; Batchelder & Snyder Company, Incorporated, 17.50 cents; Swift & Co., 16 cents.

* Contract awarded.

Upon February 24 the Acting Mayor approved the request for permission to award a contract with the Cerulli Contracting Company, Incorporated, for approximately 50,000 cubic yards hard, dry fill for the Airport, Park Department, W. P. A. Project, at a price of 50 cents per cubic yard, for the reason that the lowest bidder claims that he made an error in quoting the price he bid, and refuses to accept the contract at that price, thereby forfeiting his certified check. The approximate amount of the contract was \$25,000. As this fill is to be used on a W. P. A. Project at the Boston Airport, the Park Department is desirous of obtaining the material at once. Bids, opened January 31, were as follows:

Approximately 50,000 Cubic Yards, Hard, Dry Fill, Per Cubic Yard.—A. G. Tomasello & Son, Incorporated, 55 cents; total, \$27,500; I. A. Singarella, 52 cents; total, \$26,000; Acme Sand and Gravel Company, Incorporated, \$1.38; total, \$69,000; Cerulli Contracting Company, Incorporated, 50 cents*; total, \$25,000; Guerini Brothers, 73 cents; total, \$36,500; John Deveney, 34.6 cents; total, \$17,300; Concrete Materials Company, 97 cents; total, \$48,500; Joseph P. McCabe, Incorporated, 64 cents; total, \$32,000; M. McGinnis Company, 68 cents; total, \$34,000.

Cash Discount, Ten Days.—A. G. Tomasello & Son, Incorporated, 2 per cent; I. A. Singarella, 1 per cent; Acme Sand and Gravel Company, Incorporated, one half of 1 per cent; Cerulli Contracting Company, Incorporated, 1 per cent; Guerini Brothers, 2 per cent; John Deveney, one half of 1 per cent; Concrete Materials Company, 2 per cent; Joseph P. McCabe, Incorporated, 2 per cent; M. McGinnis Company, one half of 1 per cent.

* Contract awarded.

* Contract awarded.

WITHOUT ADVERTISING.

Upon varying dates as indicated the Acting Mayor approved contracts with

several firms and contractors for supplies, labor, etc. Communications from the heads of the several departments were as follows:

INSTITUTIONS DEPARTMENT.

BOSTON, February 21, 1936.

HON. JOHN I. FITZGERALD,
Acting Mayor of Boston.

MY DEAR MR. MAYOR,—Under date of February 20 I wrote you a letter which you approved authorizing the award, without advertising, to the Bethlehem Shipbuilding Company of certain items as an addition to the contract awarded that firm on February 4, 1936. Since then certain other items of repairs have been determined upon as necessary, and I would request your approval of awarding the additional items which follow to the Bethlehem Shipbuilding Company without advertising.

Repacking stern gland, \$35; replace and refasten retaining plate on bottom of rudder post trunk, \$30; take low-pressure piston rod to shop for machining, \$70; removal of low-pressure valve stem rod and remachining, \$110; calk and make tight, not to exceed three, stay-bolts in boiler, \$5. Total, \$250.

This makes the repairs cost as follows: Original contract, \$2,350; additional items approved February 20, \$895; further additional items for which approval is requested, \$250. Total, \$3,495.

Yours very sincerely,

FREDERIC A. WASHBURN, M. D.,
Commissioner.

PUBLIC WORKS DEPARTMENT.

BOSTON, February 17, 1936.

To the Honorable Mayor.

In connection with the construction of the Chelsea Street Bridge Project Mass.—1086R, contractor T. Stewart & Sons, Incorporated, it is necessary for the protection of the city to ascertain the quality of the materials called for under the various items of the specifications and also at the insistence of the P. W. A. officials to have the mill and shop inspection of the structural steel and bridge machinery and other castings; also the inspection of creosoted piles and lumber together with various analyses that will be required in connection with the bridge construction.

There are three or four firms who specialize in this class of work and after receiving bids from said firms and consulting with the firm of Fay, Spoffard and Thorndike, acting as consulting engineers on this project for the City of Boston, we consider that the firm of Robert W. Hunt Company, engineers, 53 Park place, New York City, are thoroughly competent to be employed for this work. This class of work is highly specialized and no advantage would be obtained by public advertisement.

I respectfully request permission to enter into a contract, without advertising, with the firm of Robert W. Hunt Company, to perform the mill and shop inspection of the structural steel and bridge machinery, castings, creosoted piles and lumber to be used in connection with the bridge construction. The work is to be performed under unit prices and the estimated cost will be \$2,500.

Respectfully yours,

C. J. CARVEN,
Commissioner of Public Works.

W. P. A. SUPPLY DEPARTMENT.

BOSTON, February 20, 1936.

HON. JOHN I. FITZGERALD, Acting Mayor
of Boston.

DEAR SIR,—In order that W. P. A. projects may be carried on with as little delay as possible, I believe that the purchasing and rental of materials and equipment should be handled on an emergency basis.

Requisition No. 12, dated February 12, 1936, has been received from the W. P. A. Handicap Project covering the rental of 115 sewing machines for the period from January 8, 1936, to June 30, 1936, at a rental cost of \$2 per month for each machine, or a total of \$1,322.50.

These machines have been in use by the Handicap Project for a number of months at a rental price of \$2 each per month.

Therefore I would respectfully request that permission be granted me to award this contract to F. C. Henderson Company, 18 Kingston street, Boston.

The total amount of the contract for the rental of the machines mentioned above is \$1,322.50.

Respectfully yours,

D. FRANK DOHERTY,
Superintendent of Supplies.

LAND-TAKING IN DORCHESTER.

The Acting Mayor has approved the order of the Board of Street Commissioners for the taking of land for a public improvement, consisting of the laying out and construction of Hallowell street, Dorchester district, as a highway, from Cummins Highway northerly, bounded and described as follows:

A highway named Hallowell street is hereby laid out, from Cummins Highway northerly to a point approximately one hundred and twenty-five feet southwest of Messinger street, and ordered constructed, the cost thereof to be charged to Federal Funds.

Said highway and the land, exclusive of trees or structures standing upon or affixed thereto, in which an easement for street purposes is hereby taken, is bounded and described as follows:

Southerly by Cummins Highway, forty-one and 50-100 feet; northwesterly by the northwesterly line of said Hallowell street as hereby laid out, by three measurements, eight-five and 87-100 feet, two hundred eight and 56-100 feet on a curve of eight hundred seventy-eight and 5-100 feet radius, and six hundred seventy and 58-100 feet; northeasterly by the northeasterly line of said Hallowell street as hereby laid out, forty feet; and southeasterly by the southeasterly line of said Hallowell street as hereby laid out, by three measurements, six hundred seventy-one and 13-100 feet, one hundred ninety-nine and 6-100 feet on a curve of eight hundred thirty-eight and 5-100 feet radius, and seventy-four and 81-100 feet.

Voted, That this Board determines that no person sustains damages in his estate by the making of the public improvement consisting of the laying-out and construction of Hallowell street, Dorchester district, as a highway, from Cummins Highway northerly to a point approximately one hundred and twenty-five feet southwest of Messinger street, under an order of the Board of February 19, 1936, and awards no damages therefor.

CIVIL SERVICE EXAMINATIONS.
(STATE.)STATE EXAMINERS OF ELECTRICIANS.
Examinations, 1936.

Examinations will be held at the following points and on the following dates:

Boston, Monday, March 2.
Fall River, Wednesday, March 4.
Fall River, Thursday, March 5.
Boston, Monday, April 6.
Springfield, Wednesday, April 8.
Boston, Monday, May 4.
Worcester, Wednesday, May 6.
Boston, Monday, June 8.
Boston, Monday, September 14.
Worcester, Wednesday, September 16.
Springfield, Thursday, October 15.
Pittsfield, Friday, October 16.
Boston, Monday, November 2.
Lowell, Wednesday, November 4.
Boston, Monday, December 7.
New Bedford, Wednesday, December 9.
New Bedford, Thursday, December 10.

Rules for Examinations.

All examinations shall be given in English.

Applicants for Class B or journeyman's certificate must be at least eighteen years of age and have had at least two years' practical experience or the equivalent in the installation of wires, conduits, apparatus, fixtures and other appliances for carrying or using electricity for light, heat or power purposes.

Applicants for Class A or master's certificate must be at least twenty-one years of age and have had at least two years' experience in the business of installing wires, conduits, apparatus, fixtures and other appliances for carrying or using electricity for light, heat or power purposes.

Examinations shall consist of applicant's knowledge of the National Electrical Code and practical electrical work.

All persons desiring to be examined, either for a master or journeyman certificate, shall have application on file at least ten days previous to the date of such examination.

Applicants for examination will be required to obtain at least 70 per cent in order to obtain a certificate.

Applicants who fail to obtain the required 70 per cent will not be entitled to re-examination until a period of three months has elapsed, and those who receive less than 50 per cent, or who fail on the practical demonstration, will not be re-examined for a period of six months.

Any person found referring to notes or books, or misbehaving during an examination, will be debarred from that examination.

Notice will be sent to applicants for certificates when and where examination will be held and only those so notified will be examined on that day.

CIVIL SERVICE EXAMINATIONS.
(STATE SERVICE.)BOILER INSPECTOR, DEPARTMENT OF PUBLIC
SAFETY, MARCH 28, 1936.Last date for filing applications, Satur-
day, March 14, 1936, at 12 noon.The minimum salary is \$2,040 a year;
the maximum salary is \$2,640 a year.

Entrance Requirements: Applicants must be not less than twenty-five years of age at the time of filing application, and according to section 6, chapter 22, of the General Laws, must be not over forty-five years of age at the time of appointment. A certificate of date of birth must be filed with the application unless one has been filed with a previous application. Applicants must possess a first-class engineer's license.

Subjects and Weights: Training and

experience, 8; arithmetic (embracing percentage, decimals, square and cubic measurements) and the solution of practical engineering formulae, 2; report, 2; practical questions on engineering, elementary mechanics and State Boiler Laws, 8; total, 20.

Passing Requirements: At least 50 per cent in arithmetic and in report, at least 70 per cent in experience, in practical questions, and in general average in order to become eligible.

Applicants are advised to study the Steam Boiler Laws issued by the Department of Public Safety.

Physical fitness to be determined by physical examination.

Applicants must be able to enter the manhole of a boiler 15 inches by 11 inches. Applicants will be rejected if unable to enter such a manhole.

BUILDING INSPECTOR, DEPARTMENT OF
PUBLIC SAFETY, MARCH 28, 1936.Last date for filing applications, Satur-
day, March 14, 1936, at 12 noon.The minimum salary is \$2,040 a year;
the maximum salary is \$2,640 a year.

Entrance Requirements: Applicants must be not less than twenty-five nor over fifty years of age at the time of filing application. A certificate of date of birth must be filed with the application unless one has been filed with a previous application. Applicants must have not less than four years' experience in the inspection of materials and methods of building construction or in a skilled trade involving the practical application of methods of building construction.

Duties: To enforce the provisions of chapter 143 of the General Laws relating to the construction, maintenance and operation of public buildings, theaters, halls, churches, schools, etc. The provisions of law which they enforce relate particularly to the safe occupancy of these buildings, sufficient egress therefrom, prevention of fire and of the spread of fire, and the ventilation and sanitation of buildings. They are also called upon to enforce certain provisions of chapter 143 of the General Laws relating to unsafe buildings and their condemnation in cities and towns having no building inspector. To enforce the provisions of chapter 143 relating to inspection of elevators in cities and towns having no building inspector and the provisions of law relating to the operation of motion picture machines. To examine applicants for licenses to operate motion picture machines. They are subject to detail by the commissioner at his discretion for temporary duty in the Division of State Police. To perform such other related incidental or emergency duties as may be assigned.

Subjects and Weights. Training and experience, 3; practical questions, 4; personality and fitness, as determined by an oral interview, 3; total, 10.

Passing Requirements: At least 70 per cent in each subject of the examination in order to become eligible.

Physical fitness to be determined by physical examination.

HEARINGS STENOGRAPHER, STATE BOARD OF
TAX APPEALS, MARCH 28, 1936.Last date for filing applications, Satur-
day, March 14, 1936, at 12 noon.

Requisition is for a female, but the examination is open to both males and females.

The minimum salary is \$1,620 a year;
the maximum salary is \$1,980 a year.

Duties: To take hearings of the board and do other stenographic work. Applicants must be able to take shorthand at the rate of 180 words a minute.

Subjects and Weights: Training and experience, 2; spelling, 2; arithmetic, 2; grammar, 2; filing, 1; word knowledge, 1; stenography, 10; total, 20. The dictation will be given at the following rates of speed: 150 and 180 words a minute. The transcription will be marked for both speed and accuracy. Applicants are required to obtain at least 70 per cent in accuracy of transcription.

Applicants will also be required to obtain at least 70 per cent in spelling, at least 50 per cent in each of the other subjects, and at least 70 per cent in general average in order to become eligible.

PROCEEDINGS OF CITY COUNCIL.

Monday, February 17, 1936.

Regular meeting of City Council in the Council Chamber, City Hall, at 2 p. m., President FITZGERALD in the chair. Absent Coun. Dowd, Gleason, Peter A. Murray, Norton, Roberts, Shattuck, Tobin, Wilson.

VETERANS RECEIVING SOLDIERS' BONUS.

The following was received:

City of Boston,
Office of the Mayor, February 17, 1936.
To the City Council.
Gentlemen.—I transmit herewith a letter from the Soldiers' Relief Commissioner relative to your order of February 3, 1936, concerning a request not to strike from the relief rolls of the Soldiers' Relief Department, under certain circumstances, veterans who receive the soldiers' bonus.

Respectfully,
JOHN I. FITZGERALD, Acting Mayor.

City of Boston,
Soldiers' Relief Department,
February 14, 1936.
Hon. Frederick W. Mansfield,
Mayor of Boston.

Sir.—The City Council order, dated February 3, 1936, which provides that the Commissioner of Soldiers' Relief, through your Honor the Mayor, be requested not to strike from the relief rolls veterans who receive the soldiers' bonus, but who are in debt for legitimate purposes, and that before any veteran is stricken from the rolls a careful investigation be made of his financial condition, and which was forwarded to me recently, has been carefully studied.

I believe the most practical and best possible procedure that can be followed with respect to this matter is the plan this department has intended to put in effect. This method has worked well in the past when similar situations have been encountered and I think it is absolutely fair to the veteran and at the same time guarantees protection to the department.

By this policy the veteran is expected to maintain himself and his family for as long a period as possible upon receipt of the bonus. After the money has been exhausted by legitimate and reasonable expenditures, and the veteran is again in a condition of actual need, for which he himself is not responsible, he may make application for reinstatement. His case will then receive individual and separate consideration, based on the facts as they are presented.

We intend to maintain a just and reasonable attitude in our consideration of these cases so that justice will be assured the veteran and protection will be guaranteed the department. Upon application to the department after the money has been expended, the veteran will be required to produce evidence to show how he has spent the money.

I feel that the procedure outlined presents the fairest and best method of meeting the situation.

Respectfully yours,
CHARLES H. CAREY, Commissioner.

Placed on file.

DORCHESTER—SOUTH BOSTON BUS LINE.

The following was received:

City of Boston,
Office of the Mayor, February 17, 1936.
To the City Council.
Gentlemen.—I transmit herewith a letter from the trustees of the Boston Elevated Railway relative to your order of February 3, 1936, concerning the establishment of a bus line to run through certain sections of Dorchester and South Boston during the summer months.

Respectfully,
JOHN I. FITZGERALD, Acting Mayor.

Boston, February 14, 1936.
Mr. John F. Gilmore, Jr.,
Assistant Secretary, Mayor's Office.
Dear Sir,—Replying to your letter of February 8, with copy of order of the City Council, requesting establishment of a bus line from Morton street and Blue Hill avenue to run along Blue Hill avenue to Columbia road,

through Edward Everett square, and terminating at City Point, during the summer months, we have previously received similar requests and filed petition with the City Council in 1924, 1925 and 1930 for license to operate bus service over approximately the same route during the summer months. These petitions have never been granted.

Very truly yours,
EDWARD DANA,
Executive Vice President and General Manager.
Placed on file.

WAITING ROOM, SOUTH SYDNEY STREET.

The following was received:

City of Boston,
Office of the Mayor, February 13, 1936.
To the City Council.
Gentlemen.—I transmit herewith a letter from the trustees of the Boston Elevated Railway, relative to your order of February 3, 1936, concerning the erection of a waiting room at the bus terminal located on South Sydney street, at the Savin Hill Station of the Dorchester Rapid Transit line.

Respectfully,
JOHN I. FITZGERALD, Acting Mayor.

Boston, February 11, 1936.
Mr. John F. Gilmore, Jr.,
Assistant Secretary, Mayor's Office.

Dear Sir,—Replying to your letter of February 8, with copy of order of the City Council, requesting erection of a waiting room at the bus terminal located on South Sydney street, at the Savin Hill Station of the Dorchester Rapid Transit, we had, previous to the receipt of your letter, taken the matter up with the Transit Department, and arrangements have been made with that department for the erection of a wind-break at the Savin Hill Station.

Very truly yours,
EDWARD DANA,
Executive Vice President and General Manager.
Placed on file.

SCHOOL SITUATION IN SOUTH BOSTON DISTRICT.

City of Boston,
Office of the Mayor, February 14, 1936.
To the City Council.
Gentlemen.—I transmit herewith a letter from the Superintendent of Public Schools, Mr. Patrick T. Campbell, relative to your order of February 3, 1936, concerning the school situation in the South Boston district.

Respectfully,
JOHN I. FITZGERALD, Acting Mayor.

City of Boston,
School Committee, February 13, 1936.
Mr. John F. Gilmore, Jr.,
Assistant Secretary, Mayor's Office.
Dear Sir,—In reply to the order of the City Council adopted the third day of February, may I report that the superintendent has had conferences with representatives of various organizations in South Boston and has already entered upon an investigation of the whole situation as it affects the children of the South Boston district.

Sincerely yours,
PATRICK T. CAMPBELL,
Superintendent of Public Schools.

Placed on file.

PETITIONS REFERRED.

The following petitions were received and referred to the committees named, viz.:

Claims.
Earl Alban, for compensation for damage to car by city truck.
Agnes E. Bigelow, trustee, for compensation for damage to property at 94 Bay State road, caused by city truck.
Jacob Breyan, for refund on refuse tickets.
Bristol County Trust, for compensation for damage to property at 51 Park Drive, caused by break in water pipe.
Colonial Theatre, for refund on refuse tickets.
M. C. Driscoll, for compensation for damage to property at 152 Washington street, caused by bursting of water main.
Robert T. Fowler, for reimbursement for expenses incurred in repairing sewer at 25 March avenue, West Roxbury.
Josephine Harrison, for compensation for injuries caused by an alleged defect in Brighton High School Gymnasium.
John Laffey, to be reimbursed for money due him for snow removal.

Charles D. Malagruti, for refund on building permit.

Madeline Mattera, for compensation for injuries caused by being hurt at Health Unit, East Boston.

Louis J. Murray, for compensation for damage to car by city truck.

T. Noonan & Sons Co., for refund on refuse tickets.

James E. Norcross, for refund on building permit fee.

Anthony Pell, for compensation for injuries caused by city truck.

John Schwartz, for compensation for damage to truck by city truck.

Alexander J. Sutherland, for compensation for injuries caused by an alleged defect at 362 Columbus avenue.

William Whoriskey, for compensation for damage to car by city truck.

PERMITS FOR CHILDREN.

Petitions were received for children under fifteen years of age to appear at places of public amusement, viz.:

R. H. White Company, R. H. White Hall, February 15.

Anna M. Greene, Current Events Hall, February 21.

The Council voted to grant permits under usual conditions.

REINSTATEMENT OF JOSEPH F. FLYNN.

Notice was received from the Board of Assessors of the appointment of Joseph F. Flynn, 63 Ottawa street, Roxbury, as second assistant assessor.

Placed on file.

FRANKLIN FIELD TENNIS COURTS.

Coun. ROSENBERG offered the following: Ordered, That the Park Commissioner be requested, through his Honor the Mayor, to resurface the tennis courts at Franklin Field and also to have the courts screen-inclosed.

Coun. ROSENBERG—Mr. President, I have introduced this particular order asking that the tennis courts at Franklin Field be resurfaced and that the courts be inclosed with a screen, due to the fact that this coming summer there is going to be held in the City of Boston the National Playground Gymnasium tennis tournament. I introduced the order that it take place on Franklin Field. In order that they may be able to carry out the tournament on the field without interference by spectators it is necessary to have the courts screened and it is also necessary for the holding of the tournament that the surface of the tennis courts be placed in proper condition. So this will be not only beneficial for those participating in the tournament but also for the spectators; and it will also result in having W. P. A. men put on constructive work rather than simply picking up leaves or digging mudholes.

The order passed under suspension of the rule.

RESURFACING OF NIGHTINGALE STREET.

Coun. ROSENBERG offered the following: Ordered, That the Commissioner of the Public Works Department be requested, through his Honor the Mayor, to resurface with smooth paving, Nightingale street, Ward 14.

Passed under suspension of the rule.

OVERHEAD PASS FROM BLUE HILL AVENUE.

Coun. ROSENBERG offered the following: Ordered, That the Commissioner of the Public Works Department be requested, through his Honor the Mayor, to consider the advisability of the erection of an overhead pass leading from Blue Hill avenue, facing Hosmer street, and extending up to Duke street, for the safety and convenience of the children attending the Solomon Lewenberg School on Outlook road, Dorchester, Ward 14.

Coun. ROSENBERG—Mr. President, this order is introduced in the interest of the safety and convenience of the children attending the Solomon Lewenberg Junior High School in Mattapan, near the Wellington Hill section. They have to travel from the lower end of the section about half a mile before they can reach that part of the hill. For years there has been agitation by the parents of the children for some convenient way of getting to and from the school, by means of such an overhead pass from Blue Hill avenue, facing

Hosmer street, and extending up to Duke street, on the hill. This proposed overhead pass will be also for the general convenience. I trust, therefore, that the order will pass under suspension of the rule.

The order was passed under suspension of the rule.

HIRING OF TRUCKS AND EMERGENCY EMPLOYEES.

Coun. ROSENBERG offered the following: Ordered, That the Commissioner of Public Works be instructed, through his Honor the Mayor, to give preference to Boston residents in the hiring of trucks for snow removal or other emergency work.

Ordered, That his Honor the Mayor consider the advisability of having all emergency employees hired through the Municipal Employment Bureau.

Coun. ROSENBERG—Mr. President, I believe these last two orders I have introduced deal with a subject that has probably caused more trouble than anything else that the members of the Council have had to deal with recently. When it comes to hiring trucks for snow removal or other emergency work, when we met in executive session with Commissioner Carven, we found that there were men who came in before us making complaints that they had not received just compensation for work they had done, and we found that they were residents of Needham. It has also been called to my attention that hundreds of taxpayers and residents of Boston who own trucks that they desire to have the city hire under such conditions, have been unable to place their trucks, while nonresidents of the city have been able to let their trucks to the city for snow removal and other emergency work. I believe that preference should certainly be given to the residents of Boston, men who pay taxes to the city and who should receive whatever benefit can be obtained in matters of this kind. Of course, at times, when there are no more trucks owned by residents of Boston available, it is then all right to consider hiring out-of-town trucks. With reference to the hiring of help, I understand also from Mr. Warren of the Municipal Employment Bureau that the contractors have been hiring trucks and workers from outside the city. We all fully recognize the fact that we have thousands of unemployed in Boston anxious to earn a livelihood, and certainly under such conditions those people should be given preference to outsiders. I believe something should be done to see that residents of Boston are given preference over those from outside the city. I believe also that his Honor the Mayor should consider the advisability of having all emergency employees hired through the Municipal Employment Bureau. That method would certainly relieve the burden now placed on councilors, who have assigned to them the hiring each of 100 men, who are given buttons. Complaint has been made in the newspapers about the present system, and we have just seen an editorial in the Boston Record, as follows:

"GIVE JOBS TO NEEDY.

They say it never rains but it pours, and every time it snows Boston is visited by a blizzard of complaints, accusations and charges.

It would seem that with the thousands of Boston streets and sidewalks buried inches deep in snow there would be plenty of jobs for all those who wish to get out and swing a shovel.

But while complaints pour into City Hall over failure to clear streets in the residential districts, men who have tried and failed to get snow-shovelling jobs charge that the only men hired are those who can show credentials from certain City Councilors.

With conditions as they are, both as to unemployment and the condition of the streets, this is no time to play favorites. Give the jobs to those who need them, regardless of whom they may know politically."

It really places an unjust burden on members of the Council, when each of us may know of 1,000 men anxious to obtain such work and we have only a few buttons to hand out. I believe the best way to handle this matter is to send the men down to the Municipal Employment Office. We have such a department in our city, and let us use it. Let them hire the men and send them out to the yards, not placing the burden on the councilors who at best can only put a handful to work, while there is an army waiting to get work. I know myself the situation out in the Hancock street yard. I had 100 buttons to hand out and probably could have handed out 2,000 to men who wanted the work, and the same, I know, is true of the other members of the Council. We were able to place only comparatively few

at work, and a vast number of others were unable to get the work. I believe the whole thing could be handled in a much better way by registration at the Municipal Employment Office. Mr. Warren says he will be only too glad to cooperate, but up to the present time he has not had the cooperation of the contractors in hiring Boston men. I certainly think something should be done to place Boston men at work, and I also believe that this burden should be taken from the shoulders of the councilors. By having the thing worked out in a better and more systematic way we would not have doors broken in, porches broken down, and all that sort of thing. I believe it would be better all around, that the thing could be carried out in a more efficient and proper way through registration and examination of the needs of the applicants, and that we then would not have a repetition of the scenes we have witnessed in the different districts.

Coun. MELLE—Mr. President, I also have talked with Mr. Warren, and he has told me that he could not get full cooperation with the contractors in the matter of snow removal. But I disagree with the gentleman who has just spoken when he wishes to pass the buck to Mr. Warren, because Mr. Warren admits that the contractors will not cooperate with him in hiring men for snow removal. I think some of the councilors at least are in entire accord with the idea of members of this body each putting on men, even if only a few. While there may be 5,000 to be taken care of through the Municipal Bureau or otherwise, each councilor can at least take care of 100 men in his district and thereby help to that extent. We are not able to place enough men in jobs to meet the serious situation that we know exists, and, speaking for myself, I am entirely in favor of getting all the buttons that I can.

Coun. McGRATH—Mr. President, I have been through the same thing as the other councilors in this matter, and I think probably the whole thing can be handled in a much better way than it has been. We know that there are thousands of deserving men anxiously seeking this work. Instead of putting on a comparatively few for a week let us put on a large number say, for a couple of days, giving some work to a large number of men. I think the situation would be much better taken care of in that way. If the contractors are unfair and will not properly cooperate, I think action by the Municipal Employment Bureau would relieve that situation. I know that I had 875 names at 6 o'clock Friday night with but 100 buttons to take care of them. I think the rest of the councilors were in the same position. So I think the better plan would be to put them all on for a day or two, rather than putting a few on for a week.

Coun. PETER A. FITZGERALD—Mr. President, I filed an order a few weeks ago requesting his Honor the Mayor to require the contractors hiring help to go to the Municipal Employment Bureau. But apparently the contractor is the king. As yet, nothing has been done in regard to that order. The Municipal Employment Bureau is carried on at a great expense to the city, and yet when money is to be spent in a way in connection with which this bureau can function, we find that it receives no cooperation from the Council or from the Mayor. These contractors should be required to hire this help through that bureau. We find the other day that Coleman contracted with a subcontractor who brought in outside men with trucks, while there were hundreds of trucks belonging to Boston men and taxpayers lying idle. I am satisfied that these contractors who hire men as it is now being done get them for a small amount of money that they do not pay 62½ cents an hour. It has been admitted that they should, and that they should also hire people belonging in Boston, at least giving them the preference. As to the buttons that are being given out to members of the Council, I don't think it is right or proper that we should be required or should be given the opportunity to build up a mythical organization, whether the men are to be employed for two or three days or are to work for a week. It is impossible to give out 100 buttons impartially and be sure that they go to the most worthy people. I know that in my own district I was forced to do the best I could handling the thing as quickly as possible, and not trying to give preference to one over another. I checked the voting list to see if the men were twenty-one years of age, but even then there were boys who were not twenty-one. I believe the buttons should be taken out of the hands of the councilors, and that this matter should be placed at the disposition of the Municipal Employment Bureau. They can

at least make some check-up as to those who are most unfortunate and who most need work. Let those men register, say, August 1, with the Municipal Employment Bureau. There will then be several months in which the bureau has an opportunity to check up as to the needs of the different applicants, and you will not then be hiring grammar or high school boys who are "hooking jack" from school for an opportunity to shovel snow and get a little pocket money. It seems to me the arguments are all in favor of having the Municipal Employment Bureau handle the thing. It is costing the city a lot of money to maintain that bureau, and they can make some investigation, can size up the situation, and can see that the work goes to residents of Boston and to those who most need it.

The order was passed under suspension of the rule.

ANNUITY TO MEHITABLE M. PATTERSON.

Coun. FINLEY offered the following: Resolved, That the City Council of Boston hereby approves the enactment of legislation to authorize the payment of an annuity to Mehitable M. Patterson on account of the death of her husband, late a member of the Police Department, provided that such legislation includes a referendum to the Mayor and City Council.

Passed under suspension of the rule.

CONDITION OF PIER AT 337 MARGINAL STREET.

Coun. SELVITELLA offered the following: Ordered, That the Building Commissioner be requested, through his Honor the Mayor, to make an immediate examination and report to the City Council with reference to the condition of the pier and premises at 337 Marginal street, East Boston, and that he be requested to take condemnation proceedings if, upon examination, the said pier and premises are found to be in a dangerous and unsafe condition.

Coun. SELVITELLA—Mr. President, I am not primarily interested in the present plight of Mrs. Ann Windsor Sherwin or in the fact that she is having difficulty in mooring her boat. I am interested in the safety of thousands of children in the Jeffries Point section of East Boston. This wharf is an old structure in an extreme state of disrepair. About a year and a half ago a building on this wharf had to be razed in order to obviate the danger of its falling into the harbor. There is no business conducted on the wharf and it is frequented during the summertime by groups of boys and young men. As inspection of the wharf will disclose the fact that it is a dangerous structure and a threat to the safety of children who wander on those premises. The Jeffries Point Yacht Club strongly opposes the mooring of the "Snetind" at this wharf. There are no substantial capstans on the wharf so that this vessel might be held securely in the event of a hard blow. It should be obvious that if the vessel should break away from her berth enormous damage would result to the many yachts belonging to the members of this club, yachts which lie in the basin between this wharf and the airport. It would seem that an apparent grant of authority to Mrs. Sherwin to moor the yacht "Snetind" at this dock is diametrically opposed to the movement now in progress to rid the shores of East Boston of the many old hulks which have been so unsightly and such sources of danger for many years. Your attention, Mr. President, is respectfully referred to House Bill 87, upon which a hearing before the Committee on Harbors and Public Lands was held on January 31 last. The purpose of that bill is to authorize to Department of Public Works of the Commonwealth to remove abandoned hulks and wrecks from the waterfront of East Boston. The movement to clear those shores has been in progress for the past few years, and much progress has already been made in ridding the shores of East Boston of such old hulks and wrecks as the "Snetind" would doubtless become in a very few years. The bill referred to is but the latest of a series of efforts to clear those shores of old wrecks. In closing, I wish to register the protest of the Jeffries Point Yacht Club to the mooring of this vessel at the wharf referred to. I trust that his Honor the Mayor will exercise the full authority of his office to facilitate the maintenance of the shores of East Boston free from such old hulks, and otherwise secure the cleanliness and safety of our waterfront. I am asking that the Building Commissioner

make an examination of this wharf to determine whether or not it is in fit condition, having in mind the safety of the children of that section.

The order was passed under suspension of the rule.

SOLDIERS' RELIEF.

Coun. KERRIGAN, for the Committee on Soldiers' Relief, submitted report recommending passage of order for payment of aid to soldiers and sailors and their families in the City of Boston for month of February.

Report accepted; said order passed.

CONFIRMATION OF EXECUTIVE APPOINTMENT.

President FITZGERALD called up the following, under unfinished business:

1. Action on appointments submitted by the Mayor February 10, 1936, of Edward C. Coulon, to be Weigher of Goods, and Francis J. LeClair, to be a Weigher of Coal.

The question came on confirmation.

Committee, Coun. Agnew and Selvitella. The appointments were confirmed, yeas 12, nays 1.

Adjourned, on motion of Coun. GALLAGHER, at 2.44 p. m., to meet on Monday, February 24, 1936, at 2 p. m.

CIVIL SERVICE EXAMINATIONS. (STATE AND CITY SERVICE.)

STENOGRAPHIC SERVICE.

FOR STATE, BOSTON, AND CITIES AND TOWNS IN THE VICINITY OF BOSTON, MARCH 21, 1936.

Last date for filing applications, Saturday, March 7, 1936, at 12 noon.

This is the regular examination for the stenographic service of the state and of all cities and of such towns in the state as are classified under Civil Service. On March 7, the examination will be held in various centrally located cities. On March 21, the examination will be held in Boston, and all persons who reside within commuting distance will be notified for examination on this day.

Persons qualifying in the examination may have their names placed on the state list as well as on the list for the city or town in which they reside.

Applicants must be not less than sixteen years of age at the time of filing application.

The subjects of examination with their respective weights will be as follows: Training and experience, (2); spelling, (2); arithmetic, (2); grammar, (2); filing, (1); word knowledge, (1); stenography, (10); total, (20).

The dictation is given at the following rates of speed: 80, 100 and 120, the dictation at each rate of speed consisting of a letter of about 300 words in length. Each applicant may select any two of the three speed tests for transcription. The transcription is marked for both speed and accuracy. Applicants are required to obtain at least 70 per cent in accuracy of transcription of one speed test.

Applicants will also be required to obtain at least 65 per cent in spelling, at least 50 per cent in each of the other subjects, and at least 70 per cent in general average in order to become eligible.

1934 PAVING BRICK SHIPMENTS DOUBLE 1933.

According to reports received in December by the National Paving Brick Association, Washington, D. C., the total shipments of paving brick used in 1934 were expected to attain a total of 125,000,000, at least double the quantity used in brick pavements in 1933. O. W. Renkert, of Canton, Ohio, president of the association, accounts for this 100 per cent increase over the previous year by citing several factors responsible for expanding the use of vitrified brick as a street and highway surfacing material. The construction of widened arteries of traffic in and through municipalities has been favorable to the heavy-duty type of pavement, such as brick. Relief to traffic is provided where there is the most congestion, and employment is afforded in populated districts where distress is the greatest.

GOVERNMENT REPORTS ON ELECTRIC RATES.

Two government bodies reported on electric rates in February. Indeed, the joint legislative committee of New York included gas as well as power and light rates, finding them all unfavorable to the consumer. This was on February 15, and twelve days prior to this the Electric Rate Survey of the Federal Power Commission made public a set of comparative tables showing the widely differing rates effective on January 1, 1935, in the 191 cities of 50,000 or more, constituting 49 per cent of the residential customers in the United States. All communities of 1,000 or more will eventually be covered by June 30 next.

This latter survey, under the direction of William E. Mosher, shows that cities owning their own plants charge less than do the commercial utilities. In cities of 100,000 or more having the lowest rates, this was invariably the case. In these cities where rates were highest, Jacksonville was the only municipally served city.

CITY OF BOSTON.

SUPPLY DEPARTMENT.

PROPOSALS FOR DENTAL SUPPLIES.

The Supply Department of the City of Boston invites proposals for furnishing dental supplies, as required, to the Health Department. The bidder must use the form of proposal to be obtained at the office of the Superintendent of Supplies, Room 801, City Hall Annex, and the successful bidder must furnish a bond for one quarter the total estimated amount of the bid with a surety company authorized to do business in Massachusetts as surety for the faithful performance of the contract. There will be a charge of twenty cents (\$.20) for each blank proposal taken out. The bid, with a certified check for \$100, payable to and to become the property of the City of Boston if the proposal is not carried out, must be left at the office of the Superintendent of Supplies, Room 801, City Hall Annex, before 12 m., Wednesday, March 11, 1936, at which time and place they will be publicly opened and read. A duplicate bid, without check, must be left at the office of the City Auditor prior to the time named for opening bids. The Superintendent reserves the right to accept or reject any or all bids, or any part of a bid, and to award the contract as he deems for the best interests of the city. All contracts made subject to appropriations to meet payments thereunder.

D. FRANK DOHERTY,
(Feb. 29.) Superintendent of Supplies.

WATER-SUPPLY DEVELOPMENT IN THE UNITED STATES.

In 1652 Boston introduced the first American public water supply. The first mechanical pumps were used in 1761 at Bethlehem, Pa., where Hans Christiansen, an American pioneer water-supply engineer, made his pumps work "after severe struggles." In 1850 there were only 100 water plants in the United States, and as late as 1875 only 243. In 1933 there were more than 11,000 public water supplies, some serving more than one community.

CITY OF BOSTON.

PUBLIC WORKS DEPARTMENT.

PROPOSALS FOR REPAIRS TO No. 2 AND No. 3 PUMPS, UNION PARK STREET STATION, BOSTON.

The Commissioner of Public Works of the City of Boston, office 508 City Hall Annex, invites proposals from citizens of the United States and corporations or other legal associations wherein the controlling interest to the extent of at least over one-half thereof is owned by a citizen or citizens of the United States, for repairs to No. 2 and No. 3 pumps at Union Park street station, Boston, and giving bond therefor of a surety company approved by the Commissioner in the sum of 100 per cent of the amount of the contract, to secure the due performance of the contract and the full protection of the city. Forms of proposals may be obtained at Room 508, City Hall Annex. Each proposal should be inclosed in an envelope, sealed, marked "Bid for Repairs to No. 2 and No. 3 Pumps, Union Park Street Station," and left at Room 508, fifth floor, City Hall Annex, before 12 o'clock m. of Friday, March 6, 1936, with a certified check for one hundred (100) dollars, payable to and to become the property of the city if the proposal, after acceptance, is not carried out. The proposals will then and there be publicly opened and read. Proposals must be made in duplicate, the sealed duplicate, without check, to be deposited by the bidder with the City Auditor previous to the time named for opening the bids. There will be a charge of two (2) dollars for each set of plans and specifications taken out. If the price of any item appears to the Commissioner to be abnormally high or low, or the bidder neglects to bid on each and every item, it may lead to the rejection of the proposal containing such price. The undersigned reserves the right to reject any or all proposals or to award the contract as he deems best.

C. J. CARVEN,
(Feb. 29.) Commissioner of Public Works.

CITY OF BOSTON.

DEPARTMENT OF SCHOOL BUILDINGS.

TO ELECTRICAL SUPPLY CONTRACTORS.

The Superintendent of Construction, Department of School Buildings, invites sealed proposals for furnishing and delivering battery material and other electrical supplies for departmental use, and giving bond of a surety company satisfactory to the Superintendent of Construction therefor in the full amount of the contract price. Only proposals obtained at the office of the Superintendent of Construction, eighth floor, 11 Beacon street, Boston, signed by the bidder and left before 2 o'clock p. m. of Monday, March 16, 1936, at said office, with a certified check for \$500, payable to the city if the proposal is not carried out, will then and there be publicly opened and read. The proposal shall be made in duplicate, the one with the check to be submitted as indicated above, the other to be deposited with the City Auditor, City Hall, previous to the time named for opening proposals. The Superintendent of Construction reserves the right to reject any or all proposals. A deposit of a certified check for the sum of \$25 will be required in order to procure a complete set of specifications, said sum to be refunded to all but the successful bidder. If all unused specifications are not returned prior to noon of March 23, 1936, said deposit for specifications shall be forfeited. Mutilation of the specifications will be deemed sufficient cause for the forfeiture of the said deposit.

WM. W. DRUMMEY,
(Feb. 29.) Superintendent of Construction.

CITY RECORD

OFFICIAL CHRONICLE OF BOSTON MUNICIPAL AFFAIRS.

VOL. 28.

SATURDAY, MARCH 7, 1936.

No. 10

"STRENGTH IN A CRISIS" IS SUBJECT OF ADDRESS OF RABBI JOSEPH SHALOM SHUBOW OF CONGREGATION B'NAI MOSHE, AT ANNUAL JOINT WASHINGTON-LINCOLN COMMEMORATIVE EXERCISES IN FANEUIL HALL ON FEBRUARY 16 — CALLS ATTENTION OF PEOPLE TO EUROPEAN CONDITIONS OF TODAY AND RECALLS WASHINGTON'S WARNING AGAINST FOREIGN ENTANGLEMENTS — URGES MAINTENANCE OF STANDARDS AND PRINCIPLES ESTABLISHED BY THESE TWO LIVES AS MAKING FOR GREATER HAPPINESS FOR AMERICA AND GREATER GLORY OF GOD.

The following is the address delivered on the occasion of the joint Washington-Lincoln Commemorative Exercises, Faneuil Hall, Sunday afternoon, February 16, by Rabbi Joseph Shalom Shubow, Congregation B'nai Moshe, Brighton, New England Director American Jewish Congress, State Chaplain Massachusetts War Veterans.

Mr. Chairman, Distinguished Guests, Fellow-Citizens and Younger Brothers and Sisters.

I deem it indeed a distinction more precious than rubies that his Honor Mayor Mansfield saw fit to invite me, a rabbi in Israel, foreign-born, and a common citizen of no pronounced attainments, to stand on this sacred dais, within these sacred precincts of hallowed memory, and serve as priest at this vigil in the shrine of American liberty. It is a privilege for which I deem myself all too weak and unworthy, particularly since as an American Jew who loves America more than life itself, my heart is filled to overflowing with an abiding gratitude for the numberless bounties and priceless boons of justice, liberty, equality, democracy and friendship which my people and all oppressed and persecuted minorities have found on these hospitable shores. Here there is peace. Here there is neighborliness. Here there is understanding, and a friendly rivalry for the common good.

Look across the Atlantic. See what a bedlam of suspicious rancor, prejudice, strife, hate, cabal, intrigue, duplicity, chicanery, hypocrisy, plot and counterplot Europe has become, or perhaps always was. It is a veritable madhouse where insane rulers are driving millions to despair. Not so long ago it was a charnel-house filled with millions of corpses of the flower of its manhood, prematurely brought to their graves; the heavens were rent with their cries of agony and horror. Spared by the sword and cannon, countless fell from famine. Europe was in chaos, "the hand of every man was against his brother."

Then there dawned a day of peace; the floodgates of slaughter seemed to have closed and the waters of hatred seemed to subside. The dove of peace brought forth an olive leaf. But there was no real peace, as said Jeremiah the Prophet, "Peace, peace, but there is no peace." It was only an armistice, for already there have appeared on the gloomy horizon new war lords, new dictators, new tyrants, puny creatures who would strut the arena of history like mighty epic heroes but are only mock heroes, clowns and buffoons, or perhaps specters of a buried past, come to life again to plague man, and like the vampires from the grave, suck his blood and torment his soul! They tell us it is the return of the Cæsars. But mankind, having tasted the sweet fruits of liberty will never again, too long, eat the bitter bread of affliction.

Two Greatest Sons.

Hence the significance of this festive season, when our glorious land commemorates the birthday of its two greatest sons, George Washington and Abraham Lincoln, whose noble lives of service and self-sacrifice in behalf of freedom from tyranny and liberation from slavery will forever constitute an immortal chapter not only in American history but in the annals of all mankind. The serenity and sublimity of their lives, the majesty and humanity of their personalities, the permanence and beneficence of their accomplishments have made all future American generations eternally beholden to them for the fabulous richness of their priceless gifts. They are the teachers and providers from whose spiritual granaries we shall draw for our sustenance to the end of time. It is small wonder that there has been established in our country a virtual cult, approximating a religious fervor, for these two patriarchal patriots, the finest flowers grown on what was once the American wilderness.

It is therefore altogether fitting and proper that we recall on this sacred occasion some of the words they spoke and some of the deeds they performed, so as to keep ever fragrant their verdant memories and to keep ever aglow their illustrious examples. Washington and Lincoln will remain throughout the ages the classic paradigms and exemplaries of the genius of American character. They are divine patterns for human conduct worthy of the canonization which all Americans, regardless of race, color or creed, have bestowed upon these champions of liberty for all. We turn to them with the same adoration shown by the pious toward a saint or saintly relic, image or symbolism, for we all feel instinctively, here God caused to shine rays of his divine luster; here God focussed his own light for the enlightenment and elevation of mortal beings. I know there has been much talk of late years about the real Washington, the real Lincoln, the man behind scene, off the stage, by the professional debunkers; but listen, my friends, particularly you of the younger generation, the debunkers are themselves the bunk. Washington's and Lincoln's memories cannot be sullied by the sordidness of scavengers; they remain unsullied and pure, for they have become a great national legend to live forever and forever to inspire and uplift.

(Continued on page 219.)

"O Boston, fair City enthroned like a radiant queen,
From thy hills looking down on the ship-teeming plain of the ocean,
May thy future be bright, thy skies beam with light all serene,
Ensured by thy sons' and thy daughters' unselfish devotion!"

From Boston Centennial Poem by
NATHAN HASKELL DOLE.

Board of Zoning Adjustment. Public hearings and executive meetings are held on the first Friday of each month, Room 30, City Hall, at 2 p. m.

MUNICIPAL SERVICE.

Complaints, inquiries or suggestions regarding the work of municipal departments should be made in writing to the officials directly in charge. The failure of such official to make reply within a reasonable length of time should be brought to the attention of the Mayor. Communications should be directed as follows:

TO THE BOARD OF STREET COMMISSIONERS, Room 401, City Hall Annex, for information relative to the laying out, relocation, widening and the discontinuance of highways; the taking of real property for municipal purposes; the assessments of betterments for streets and sewers; the plotting of undeveloped area for streets and the opening of private ways; the granting of licenses for the storage or sale of merchandise in

public streets; the making of specific repairs in public streets; the naming of public streets; the planting and removal of trees in public ways; the issuing of licenses for the storage of gasoline, oil and other inflammable substances or explosive compounds; the use of the public ways for any permanent or temporary obstruction or projection in, under or over the same, including the location of conduits, poles and posts for telephone, telegraph, street railway or illuminating purposes, signs, marquis, bay windows, coal holes and vaults.

TO THE BOSTON TRAFFIC COMMISSION, 134 North street, for information relative to regulation of vehicular street traffic on all or any streets, ways, highways, roads and parkways under the control of the City of Boston, the issuing of all permits in connection therewith.

TO THE COMMISSIONER OF PUBLIC WORKS, Room 511, City Hall Annex, for information as to the watering, cleaning, lighting and repairing of streets, the construction and care of sewers and catch-basins, the operation of the ferries, the maintenance of bridges and drawbridges and the removal of ashes and offal.

TO Room 604, City Hall Annex, for information relative to the supplying or metering of water and the water charges of the city.

TO THE HEALTH DEPARTMENT, Room 1107, City Hall Annex, for information relative to the inspection of milk, vinegar, meat, fish and vegetables, the issuance of permits for stables, slaughter houses, etc., smoke nuisances, the existence of contagious diseases, of public health nuisances.

TO THE BOARD OF PARK COMMISSIONERS, 33 Beacon street, for information as to the care of the Common, Public Garden, Franklin Park, Franklin Field, Commonwealth avenue, Back Bay Fens, Marine Park, the Airport, and the small parks and playgrounds in general throughout the city, and as to the extermination of gypsy moths and the charges made for such service. Applica-

tion may be made to this department for information regarding the public baths and gymnasiums maintained by the city, and with regard to municipal indoor concerts and band concerts, also information relative to Mt. Hope, Evergreen, Fairview and other public cemeteries owned by the City of Boston.

TO THE SCHOOL COMMITTEE, 15 Beacon street, for information relative to the operation of the schools in the city.

TO THE DEPARTMENT OF SCHOOL BUILDINGS, 11 Beacon street, for information as to the construction and repair of school buildings.

TO THE BOARD OF EXAMINERS, Room 1001, City Hall Annex, for information regarding the licensing of persons having charge or control of the work of construction, alteration, removal or tearing down buildings.

TO THE STATISTICS DEPARTMENT, Room 76, City Hall, for historical, geographical, political and population facts about Boston; the personnel and accomplishments of present and past municipal administrations; and such similar information as may be found concerning other American municipalities in its Municipal Officials' Reference Library.

TO THE WIRE DIVISION OF THE FIRE DEPARTMENT, 60 Bristol street, for all information relative to the erection of poles, building of conduits, the installation of all overhead and underground construction and electrical apparatus, as well as for general information relative to the entire division. TO Room 103, City Hall Annex, for permits for the installing of wires and electrical apparatus within buildings of the City of Boston, and for the payment of fees incident to the granting of the privileges above named, and which must be paid in advance.

TO THE BOARD OF ZONING ADJUSTMENT, Room 30, City Hall, relative to changes in the boundary lines of zoning districts of the City of Boston as established by chapter 488 of the Acts of 1924, and amendments thereto.

MORTALITY REPORT.

For the week ending February 29, 1936:
Population as of July, 1936, Massachusetts State Census, 817,713; population estimated July, 1936, United States Census Bureau, 801,880; number of deaths (stillbirths excluded): Residents, 211; nonresidents, 32; total, 243.

Death rate per 1,000 of population:
All deaths, 15.76; nonresidents deducted, 13.68.

Death rate per 1,000 of population:

Last week, 17.05; corresponding week last year, 14.59.

Deaths by age periods, sex, etc.: Under one year, 14; one year to four years, inclusive, 4; sixty years and over, 130. Total deaths: Male, 129; female, 114; deaths in hospitals and institutions, 158; deaths of colored, 5.

REPORTABLE DISEASES: CASES AND DEATHS.*

WASHINGTON-LINCOLN EXERCISES.

(Continued from page 217.)

IN STORM AND STRESS.

We live today in an age of storm and stress; ours is a crucial era. But this is not the first crisis America has faced; it is not the first storm the "Yankee Clipper" has had to weather. It is good, in this day of turbulence and tumult, to look to the two great beacon lights, Washington and Lincoln, and take on a new courage as we wrestle with the great tasks at hand, as we pass through our present crisis. We must realize that what has immortalized Washington and Lincoln is the very fact that they encountered most challenging crises and emerged triumphant. They were tried and tested and not found wanting because of fortitude of mind and strength of character. I shall pay particular attention in this address to the immortal George Washington.

Let us briefly survey the high lights of the life of Washington. I shall not endeavor to go into detail of his fascinating and stirring story. His boyhood and manhood are known to us all. His early schooling in Virginia, his youthful adventures, his work as a land surveyor at the age of sixteen, and all the beautiful, hallowed tales about his early days are common knowledge. We all recall his amazingly intrepid nature when he went, at the age of twenty-one, on a most perilous journey of 560 miles in forty-one days from Williamsburg to French Creek as commissioner sent by Governor Dinwiddie to the French in protest against their invading the King's dominions.

None will forget the uncanny good fortune and lucky star that seemed to watch over and protect him as he fights on in the forest with Braddock and as he escapes unscathed at the battle on the banks of the Monongahela, so that the Indian chief told him fifteen years later that he and his young warriors then knew that the young Washington "was under the special guardianship of the Great Spirit and the particular favorite of Heaven." We still recall in amazement his being commissioned commander-in-chief of all of Virginia's forces at the age of twenty-three. There are numerous other heroic exploits, but not these stirring events nor his life as a Virginia planter and legislator need detain us too long. To be sure, they showed his courage and character, which came to full fruition when, on the motion of John Adams, he becomes commander-in-chief of the armed forces of the United Colonies. He accepts with great reluctance and great diffidence, asking every gentleman to remember that he did not consider himself equal to the task, but accepted only because of the unanimous appeal.

He was in doubt about himself because of his great humility, even like the great Biblical lawgiver, Moses, who, as Holy Writ records, when first confronted with the vision of the burning bush, declared in answer to God's command to liberate Israel, by saying, "Who am I that I should go unto Pharaoh and that I should bring forth the children of Israel out of Egypt?" And the colonies looked upon the British as Egyptian taskmasters and George III as a new Pharaoh. The great leader accepted his task.

Washington came to Boston and drove out the British and then there began a long, tedious cunctatorial campaign and along with it much criticism and even vituperation; his soul was tried in the

fiery furnace. He saw the suffering of his men; he saw his small ragged army; he heard the relentless condemnation of his tactics; he heard the ruthless slanders against him; he was apprised of the plots to kill him by poisoning and of jealousies of his command. He beheld the devastating, treasonable crimes of the Tories who stooped to forgery. But the day of redemption from tyranny was at hand due to his unflinching zeal for the cause of liberty.

WITH VICTORY WON.

Nevertheless, when victory was won, and the sword was sheathed and the Union was being established, he witnessed the selfish sectional interests which did not care to give up their liberties for a great Federal Union and a greater liberty. How valiant is his fight for the soldiers and officers who fought under him and were soon forgotten. He does not rest till justice is done. How we glory in his peremptory and definitive rebuke of the offer made him to become king, a refusal he solemnly built on the famous passage in the First Book of Samuel. We admire his earnest efforts to rally the governors of the different states under the united banner of the Union. In that momentous circular letter he appeals in an affectionate, paternal manner for "an indissoluble union of the States under a general head; a sacred regard to the public justice; the adoption of a proper peace establishment and the prevalence of that pacific policy and friendly disposition among the people of the United States which would induce them to forget their local prejudices and politics, to make these concessions which are requisite to the general prosperity, and in some instances to sacrifice their individual advantages to the interests of the community—the pillars on which the glorious fabric of our independence must be supported."

We marvel at the scrupulous honesty of the man who refuses pay for his service to his country and accepts only the necessary expenses which he reported most carefully. Finally, comes the greatest honor, an honor never again in the hands of our country, the honor of making the heroic general the first President, the unanimous choice of the electoral college. He accepts for one term and for a second, but refuses a third with determination.

We rejoice in his liberal spirit which is revealed in that rich collection of letters he sent to various religious denominations acknowledging their congratulations on his election. Methodists, Baptists, Lutherans, Dutch, Quakers, Roman Catholics, Universalists, Jews—all alike receive the most courtly expression of appreciation at the hands of this born aristocrat who loved democracy and equality. Throughout he speaks of his convictions and duties regarding religious and civil liberties, guaranteeing unto all religious security, stating that it is a blessing to government to foster harmony and good-will and always be an example of justice and liberality for all denominations.

His deep religious spirit and love of justice and righteousness are manifest constantly in all his utterances. In the celebrated Inaugural Address, April 30, 1789, he invokes, "the Almighty Being who rules over the universe, who presides in the councils of nations, and whose providential aids can supply every human defect that his benediction may consecrate to the liberties and happiness of the people of the United States a government instituted by themselves.

Every step, by which they have advanced to the character of an independent nation, seems to have been distinguished by some token of providential agency" He counsels against party animosities, separatism and urges rectitude, patriotism and morality in the guidance of government. He states further truths which indeed bear repetition in our age of crisis and chaos. Would that other nations would heed the following sage counsel found in the same address: "There is no truth more thoroughly established than that there exists in the economy and course of nature an indissoluble union between virtue and happiness, between duty and advantage, between the genuine maxims of an honest and magnanimous policy, and the solid rewards of public prosperity and felicity; since we ought to be no less persuaded that the propitious smiles of Heaven can never be expected on a nation that disregards the eternal rules of order and right, which Heaven itself has ordained; and since the preservation of the sacred fire of liberty and the testing of the republican model of government are justly considered as deeply, perhaps as finally, staked on the experiment intrusted to the hands of the American people." He implores the Arbiter of the Universe and beseeches divine benediction to make America a happy nation.

A HAPPY PEOPLE.

The elements that make a happy people he already had mentioned in his memorable letter issued from his Newburg headquarters in 1783, wherein he alludes to Americans as being participants in a great drama enacted in a vast theater "peculiarly designated by Providence for the display of human greatness and felicity." He speaks of the rights of man, the increased blessings of society and the happy emergence of the United States as a nation; and he cautions: "if their citizens should not be completely free and happy, the fault will be entirely their own." He then urged the several states to adopt the Federal Union and declared, in a minatory tone, a warning which is still applicable, and perhaps particularly applicable in our day: "For according to the system of policy the states shall adopt at this moment, they will stand or fall; and by their confirmation or lapse, it is yet to be decided, whether the revolution must ultimately be considered as a blessing or a curse, a blessing or a curse not to the present age alone, for with our fate will the destiny of unborn millions be involved." Washington then laid down four principles necessary to the existence and well-being of the United States as an independent power: An indissoluble union, a sacred regard for justice, a proper peace, a sacrifice of individual advantages for the common good. These are the foundations of liberty and guard against tyranny, and a reversion to barbarism and a state of nature as found in dictatorial lands today.

He wrote a series of brilliant letters on the Constitution, to John Jay, James Madison, Henry Knox, Patrick Henry, Bushrod Washington, David Stuart, Edmund Randolph, the Marquis de Chastellux, Thomas Jefferson, Henry Lee, Alexander Hamilton and others. The tone is always against despotism for liberty, a warning against anarchy and confusion and unprincipled men. He always appeals in the strongest terms for unity; he decries America's becoming a by-word to the world; he fears civil discord; he cautions against sinister

motives and demolishes the opponents of unity. He indicates government is not perfect but it is better than the program of passionate alarmists and the disaffected. He states unmerited reproach should never be dreaded and our social duties are to be paramount. To the Marquis de Chastellux he writes with pride about the new America: "America will lift up her head again and in a few years become respectable among the nations. It is a flattering and consolatory reflection that our rising republics have the good wish of all the philosophers, patriots and virtuous men in all nations; and that they looked upon them as a kind of asylum of mankind. God grant that we may not disappoint their honest expectations by our folly or perverseness." America still enjoys this enviable reputation.

It is noteworthy that Washington was not eager for public service; because of his humility and also because of his love of domestic tranquillity he always craved for a life of retirement. But when our country called, he answered the summons ungrudgingly and uncomplainingly and gave himself wholeheartedly for the commonwealth. He might have lived as a country gentleman, a Virginian planter, in respect and luxury. But such a course was impossible when there was a need for service, a summons to build a citadel of liberty and a stronghold of democracy. Would that more of our men of means and excellent training were heedful of the call of duty to their fellow-citizens and our government. We can well use men of genius in the seats of the mighty, occupied too often by midgets.

Washington realized that as President he would have the opportunity of making certain appointments to office. That he was guided wholly by the test of ability and worth is clear from the letter he sent to Governor Bowdoin: "No part of my duty will be more delicate and in many instances more unpleasing, than that of nominating or appointing persons to office. It will undoubtedly often happen that there will be several candidates for the same office, whose pretensions, ability and integrity may be nearly equal, and who will come forward so equally supported in every respect as almost to require the aid of supernatural tuition to fix upon the right. I shall, however, in all events, have the satisfaction to reflect that I entered upon my administration unconfined by a single engagement, uninfluenced by any ties of blood or friendship, and with the best intentions and fullest determination to nominate to office those persons only, who, upon every consideration, were the most deserving, and who would probably execute their several functions to the interest and credit of the American Union—if such characters could be found by my exploring every avenue of information respecting their merits and pretensions, that it was in my power to obtain." Here is a great legacy which we have received, which is not always scrupulously observed in our country, to the hurt and detriment of our government and its institutions. In this respect, as in many others, we could well emulate the precedent established by the father of our country.

The most precious of all his spiritual bequests is the historic Farewell Address which we heard today so eloquently recited. There again he speaks of his duty to his country and of his gratitude for the country's confidence in him. He refers to the free Constitution which is to be sacredly maintained. He reminds

Americans of his day of their common suffering which unites all; he stresses the Union as a primary object and warns against those seeking to weaken its bands. Liberty, he knows to be woven into the very ligament of their hearts. Liberty is properly guarded by a proper distribution of power and he pleads with his fellow-countrymen to guard against the evils of a partisan spirit for it may become a flame and consume. He states usurpation is a means of destroying free government. Political prosperity must have religion and morality as indispensable factors and the permanent felicity is intimately associated by Providence with virtue.

He likewise counsels against being a slave to foreign hate or excessive foreign attachment. In regard to foreign nations we are to avoid unnecessary entanglements, for he then stated a truth which still seems to hold good for the Old World: "Europe must be engaged in frequent controversies." Hence no ties or combinations. He would avoid European ambition, interest humor or caprice and steer away from any alliances. To be sure, though European machinations and schemes are today as bad as ever, no doubt the time today has come when transportation conditions have changed. The world has shrunk; it is all one neighborhood, if not one backyard. We can reach Europe today in less time than it took one in Washington's day to go from Boston to Providence. The world will sooner or later be compelled to develop a spirit of amity and concord, but until now Washington's advice has generally been wholesome and sagacious, for Europe has not yet shown itself sufficiently purged of the dross of militarism, greed, conquest, racial hatred and national jealousy.

A NOBLE CAREER.

After forty-five years' service to his country he craved for "the mansions of rest," but maintained a keen interest in the welfare of his country to the very end, in December, 1799. With the end of the century came to an end one of the noblest careers recorded in the history of man. Numerous celebrities have sung of his glory. In 1794 Fox had said in Parliament of Washington: "Illustrious man deriving honor less from the splendor of his situation than from the dignity of his mind; before whom all borrowed greatness sinks into insignificance and all the potentates of Europe become little and contemptible." When Napoleon heard of his death he proclaimed: "This great man fought against tyranny; he established the liberty of his country. His memory will always be dear to the French people as it will be to all free men of the two worlds." In a later day Lamartine, the distinguished French poet, historian and statesman, wrote to an Italian association: "Efface henceforth the name of Machiavel from your titles of glory, and substitute for it the name of Washington. That is the name which should now be proclaimed; that is the name of modern liberty. It is no longer the name of a politician or a conqueror that is required; it is that of a man, the most disinterested, the most devoted to the people. This is Washington." And we today can only corroborate the dire need. Perhaps the oppressed peoples of present-day Nazi Germany, Fascist Italy, Bolshevik Russia and the lesser tyrannies will yet awaken in our day to a really great destiny of free and happy nations.

Our country was indeed thrice blessed that at the cradle of its birth stood a

guardian and patron saint of such quality of mind and character, "first in war, first in peace, and first in the hearts of his countrymen." Robert C. Winthrop in a moving address on the occasion of the laying of the cornerstone of the National Monument to Washington, July 4, 1848, fully summed up the meaning of Washington's character for posterity: "It was not solid information, or sound judgment or even that rare combination of surpassing modesty and valor, great as these qualities are, which gave Washington such a hold on the regard, respect and confidence of the American people. I hazard nothing in saying that it was the high moral element of his character which imparted to it its preponderating force. His incorruptible honesty, his uncompromising truth, his devout reliance on God, the purity of his life, the scrupulousness of his conscience, the disinterestedness of his purposes, his humanity, generosity and justice, these were the ingredients which, blending harmoniously with solid information and sound judgment, and a valor only equalled by his modesty, made up a character to which the world may be fearlessly challenged for a parallel."

MAJESTIC FIGURE.

What a majestic figure he was. He built a state and marshalled a nation in the wilderness even like Moses of old, the founder and molder of the people of Israel. His reserve and self-mastery, his valor and high spirit, his giving of self and courage, his love of liberty and patriotism, made him indeed, as said President Woodrow Wilson, "the most suitable instrument of the national life at every moment of crisis," for he was a great American.

Let us these days rededicate ourselves to the glories and ideals of Washington and Lincoln and as we kindle the light in memory of their luminous and lustrous lives, let us rekindle in our own hearts the sacred fire that they lighted and watch over it with a religious zeal and pious devotion, to see to it that the torch of life, liberty, equality and the pursuit of happiness will never grow dimmed but ever remain a beacon of light and hope for all America and all the world and thus hasten the dawn of a happier day for all mankind.

The Bible advises on the selection of leaders, rulers and judges of the people, as we read in the Scriptures: "Moreover, thou shalt choose out of all the people men of strength, such as fear God, men of truth, hating their unjust gain."

Such men were Washington and Lincoln. Let us maintain their lofty standards unsullied and cherish their sacred principles untarnished for the greater happiness of America and the greater glory of God.

PROPOSALS ADVERTISED.

Bids have been asked by advertisement in the *City Record* for the following departments. The attention of contractors and others is especially called to the closing time of receipt of such proposals. This will be published weekly.

DEPARTMENT OF SCHOOL BUILDINGS.

Advertises for proposals for furnishing and delivering battery material, etc. Surety bond will be required in a sum equivalent to the full amount of the contract price. Blank forms for proposals may be obtained at the office of the Department of School Buildings, 11 Beacon street, Boston. Bids, ac-

accompanied by certified check in the sum of \$500, to be filed at the same office. Duplicate bid, without check, to be filed with the City Auditor.

Bids close Monday, March 16, at 2 p. m.

SUPPLY DEPARTMENT.

Advertises for proposals for furnishing dental supplies to the Health Department. Surety bond will be required in a sum equivalent to 25 per cent of the contract price. Blank forms for proposals may be obtained at the office of the Supply Department, Room 801, City Hall Annex, Boston. Bids, accompanied by certified check in the sum of \$100, to be filed at the same office. Duplicate bid, without check, to be filed with the City Auditor.

Bids close Wednesday, March 11, at 12 m.

Advertises for proposals for furnishing butter, eggs, etc., to the various city departments. Surety bond will be required in a sum equivalent to 25 per cent of the contract price. Blank forms for proposals may be obtained at the office of the Supply Department, Room 801, City Hall Annex, Boston. Bids, accompanied by certified check in the sum of \$300, to be filed at the same office. Duplicate bid, without check, to be filed with the City Auditor.

Bids close Tuesday, March 17, at 12 m.

Advertises for proposals for furnishing hay, grain and straw to the various city departments. Surety bond will be required in a sum equivalent to 25 per cent of the contract price. Blank forms for proposals may be obtained at the office of the Supply Department, Room 801, City Hall Annex, Boston. Bids, accompanied by certified check in the sum of \$200, to be filed at the same office. Duplicate bid, without check, to be filed with the City Auditor.

Bids close Tuesday, March 17, at 12 m.

Advertises for proposals for furnishing meats to the various city departments. Surety bond will be required in a sum equivalent to 25 per cent of the contract price. Blank forms for proposals may be obtained at the office of the Supply Department, Room 801, City Hall Annex, Boston. Bids, accompanied by certified check in the sum of \$300, to be filed at the same office. Duplicate bid, without check, to be filed with the City Auditor.

Bids close Tuesday, March 17, at 12 m.

Advertises for proposals for furnishings for new center building dining hall, City Hospital. Surety bond will be required in a sum equivalent to 25 per cent of the contract price. Blank forms for proposals may be obtained at the office of the Supply Department, Room 801, City Hall Annex, Boston. Bids, accompanied by certified check in the sum of \$500, to be filed at the same office. Duplicate bid, without check, to be filed with the City Auditor.

Bids close Tuesday, March 17, at 12 m.

Advertises for proposals for furnishing groceries and canned goods to the various city departments. Surety bond will be required in a sum equivalent to 25 per cent of the contract price. Blank forms for proposals may be obtained at the office of the Supply Department, Room 801, City Hall Annex, Boston. Bids, accompanied by certified check in the sum of \$300, to be filed at the same office. Duplicate bid, without check, to be filed with the City Auditor.

Bids close Wednesday, March 18, at 12 m.

Advertises for proposals for furnishing fruits and vegetables to the various city departments. Surety bond will be required in a sum equivalent to 25 per cent of the contract price. Blank forms for proposals may be obtained at the office of the Supply Department, Room 801, City Hall Annex, Boston. Bids, accompanied by certified check in the sum of \$300, to be filed at the same office. Duplicate bid, without check, to be filed with the City Auditor.

Bids close Thursday, March 19, at 12 m.

DEPARTMENT CHANGES.

The following changes in the number, rating and compensation of the city employees have been made during the week ending Thursday, March 5:

DEPARTMENT OF SCHOOL BUILDINGS.

The temporary employment of Joseph L. Quinn as an architectural draftsman, has been extended for sixty days.

HOSPITAL DEPARTMENT.

The following persons have been employed at the Boston City Hospital for the week ending Thursday, February 27:

Temporary.—Irman Stevens, cleaner, \$15 a week; Melvin Manning, orderly, \$16.50 a week; Samuel Odiorne, male nurse, \$32 a week; Ernest Reyno, porter, \$16.50 a week; John McDonell, fireman, \$41.50 a week; Roy Casavant, supervisor, \$32 a week; Frances McNerlin, cleaner, \$15 a week; Albert Carino, orderly, \$16.50 a week; Anna Ferrirria, Grace Krauss, Martha Lennon, Rose Walker, Florence McMaster, Margaret Brown, Evelyn Mason, Priscilla Beckwith, Josephine Boisvert, Hannah Donohue, Patricia Doucette, Mary Flynn, Mary Grady, Margaret Lehman, Viola MacAdam, Lorinda McAuley, Doris Walker, Marie Welch, Mildred Wilkins, special nurses, \$4.50 a day; John Dahill, ambulance driver, South Department, \$34.50 a week; Frank Previte, ambulance driver, Haymarket Square Relief Station, \$34.50 a week.

The following changes have occurred:

Daniel Ford, center orderly at \$11.50 to porter at \$17.50 a week; William Lyden, orderly at \$16.50 to house porter at \$16.50 a week; Helen O'Brien, telephone operator, name is now Helen Qualters; Margaret Ball, reconstruction aide, name advertised as being Iverson is incorrect, should be Marguerite Fay, reconstruction aide, name is now Marguerite Iverson.

HOSPITAL DEPARTMENT (Sanatorium Division).

The following persons have been appointed at the Sanatorium Division for the week ending Thursday, February 27:

Isabelle Bouchi, maid (patient) (temporary), \$300 a year; Michael Connors, Lena DeSolo, Edward Hulen, Frederick McLean, Ruth Smith, maids (patients) (temporary), \$240 a year; Coleman Flaherty, Joseph Merciante, Sydney McQueen, male nurses (patients) (temporary), \$480 a year; Paul Curtis, night supervisor (temporary), \$4 a day.

The following persons have ceased to be employed:

Joseph Coveney, maid (patient), \$300 a year; Nascob Minasian, maid (patient), \$240 a year; Thomas McKenna, male nurse, \$480 a year.

INSTITUTIONS DEPARTMENT.

The following changes have been made in the personnel for the week ending Thursday, February 20:

Long Island Hospital.

Appointments: Edward L. Ronca, institution employee, helper in kitchen, temporary, \$526 a year, to succeed Jeremiah Dillon; William G. Doherty, institution employee, choreman-chauffeur, temporary, \$600 a year; Marguerite A. O'Leary, stenographer and clerk, temporary, \$600 a year, to succeed Marie Woodward.

Employment Terminated: Leroy A. Lutton, Rose M. Quigley, Emery J. Brundige, John A. DeChellis, Paul Kodad, Edward J. Lamphier, institution employees, attendants, temporary, \$600 a year; Jeremiah Dillon, Edward Phillips, institution employees, helpers in kitchen, temporary, \$526 a year; Rose Lundergan, institution employee, laundress, temporary, \$600 a year; Eileen Butler, Katherine M. MacDonald, Ethel Aikens, Matilda Cooper, Dorothy V. Walsh, staff nurses, temporary, \$960 a year.

Transfers: Edward O'Meara, institution employee, helper in kitchen, temporary, \$526 a year, from watchman, temporary, \$600 a year; Luke K. McCarthy, engineer, temporary, \$40 a week and board, from fireman, temporary, \$33.50 a week and board; Henry C. McCarthy, fireman, temporary, \$33.50 a week and board, from helper in engine room at \$600 a year.

Resignation: Frank Hagney, engineer, \$40 a week and board.

The following changes have been made in the personnel for the week ending Thursday, February 27:

Long Island Hospital.
